REVENUE.

The whole revenue of this congregation is derived from weekly contributions by envelope and the plate collections.

All subscribers by envelope are supplied with envelopes on the first Sunday in each quarter.

Members and adherents who are not subscribers may be supplied with envelopes on application to any of the managers.

All subscribers are expected to contribute a fixed sum weekly, and if, from any cause, they are unable to do so, they shall be expected to make up all deficiencies at their earliest convenience.

Subscribers in arrears are notified of the same on the second Sunday of each month.

Subscribers wishing to increase or decrease their contributions are requested to notify the managers so that a corresponding alteration may be made in the books.

Subscribers are particularly requested to see that their envelopes are properly sealed and their names and pew number on the outside before they are handed in.

MISSION COLLECTIONS.

Collections for the Mission schemes of the Church are received by envelope on the last Sunday of each month, and are placed in the boxes which will be found on entering the church, just inside the doors.

If not convenient to give on the last of the month, any other time will do.

Those wishing to subscribe by envelope, and who are not at present supplied, can secure envelopes by applying to any of the members of the committee, or to Mr. Warren, church officer.

It is expected that, as far as possible, subscribers will give a definite sum every month, and if subscribers fall in arrears they will be notified of the same as often as the committee think it best.

JOHN PORTEOUS.

THE LATE JOHN PORTEOUS, whose portrait is given above, was born in Dumfries, Scotland, in 1800. On coming to Canada he first resided in Chatham, N. B., where he was ordained an elder in 1835. Ten years later he came to Hamilton and attended the old Presbyterian Church on Merrick Street. Mr. Porteous was a participant in the opening services of Knox Church and became a member of its congregation at its first communion, held on January 12th, 1846. On August 29th, 1857, he was elected an Elder, but declined to accept the office. Again, on October 3rd, 1877, he was elected to the Eldership and was inducted on October 31st, 1877. Mr. Porteous continued his duties as Elder during his lengthy and busy life, which came to a peaceful and happy close on May 1st, 1895.

Session Statement for 1895.

To the Members and Adherents of Knox Church:

In the mercy and loving kindness of God, as a congregation we have been safely conducted through another year; and the recurrence of our annual meeting calls upon us to make mention of His unceasing guardianship, which we do with gratitude. "Oh that men would praise the Lord for His goodness, and for His wonderful works to the children of men!"

To the Session of this church God has been conspicuously kind and gracious, notwithstanding the many shortcomings of its members as individuals.

During the year our senior elder, the father of the Session, Mr. Porteous, at the ripe age of 95, was called away from his labors and from his weariness; and his works "they do follow him."

To the congregation, during the twelve months, our Heavenly Father has vouchsafed many proofs of His watchfulness and love. Changes, of course, have taken place among us; some of our people, by the force of circumstances, have been obliged to quit our membership and remove elsewhere. New families, the meanwhile, and new individuals have been guided to cast in their lot with us. May the Lord of His merciful compassion continue with us, and may we constantly know "how good and how pleasant a thing it is for brethren to dwell together in unity."

The following members have died during the year 1895:

FIFTY-SECOND ANNUAL REPORT

—OF—

The Managing Committee of Knox Church

FOR THE YEAR ENDING DECEMBER 31ST, 1895

Your Committee are pleased to report that the past year has been one of continued prosperity, the ordinary collections exceeding those of last year by \$159.72. While the loose collections fall short of last year \$54.56, the envelope exceeds last year by \$214.28. The following are the figures as taken from the Treasurer's statement for the year:

Envelope	\$5383.52	Loose	\$765.60.
compared with			
1894—Envelope	\$5119.24	Loose	\$820.16.

The number of subscribers by envelope for 1895 was 480, against 475 for the previous year. The average giving per Sunday for 1895 was \$102.57, while that of 1894 was \$98.44. The arrears were about \$350 at the close of the year.

Your Board would remind pewholders when leaving the church to give notice to that effect, in order that their seats may be re-allocated.

Your Board decided at their meeting in February, 1895, to enlarge the platform in the Sunday School room. This work has since been completed.

In the Spring it was considered that the church needed certain renovations, repainting, etc., and on assurance from the choir and the young men of the congregation that a considerable portion of the expense would be raised by a concert by the choir, and by subscription from the young men, it was decided at our

meeting in May to proceed with the work. These improvements, we are sure, have been duly appreciated by the congregation.

We regret having received so many resignations from members of the Board during the year, the following resigned :

R. A. Campbell,	who was succeeded by	W. Turnbull.
A. Richardson	" "	" T. F. Dick.
J. A. McNicol	" "	" J. Dixon.
J. Gillespie	" "	" J. Merriman.

Mr. Dick also sent in his resignation, which was accepted, and the appointment of a successor left over until the annual meeting.

The managers who retire this year are Jas. Kilgour and W. Turnbull.

Your Committee have had under consideration for a long time the very unsatisfactory state of the church roof and the urgent need of a new one. We would now ask power to have the work done as soon as possible.

In conclusion your Committee express thankfulness to God for the harmony that prevails in our midst and for any spiritual advancement that has been made, and ask that as pastor and people we may be permitted to work together for the upbuilding of His kingdom on the earth.

All of which is respectfully submitted.

JOHN WRIGHT,
Chairman.

W. J. MCFADDEN,
Secretary pro. tem.

FIFTY-NINTH ANNUAL REPORT

OF

Knox Church Sunday School

For the Year ending December 31st, 1895.

The close of another year reminds us that the time has come for us to again render an account of our stewardship. As a school we have enjoyed many favors from our Heavenly Father, and we trust His blessing will follow our year's labor.

The following table shows our standing as to membership and attendance for the closing year compared with that of 1894 :

Membership Roll—1895		1894	Average Attendance—1895		1894
Officers and Male Teachers	25	26	Visitors	2	2
Female Teachers	34	32	Officers and Male Teachers	19	20
Boys	228	238	Female	26	21
Girls	378	333	Boys	165	154
			Girls	245	240
Total	665	629	Total	457	443

This table shows an increase of 36 on the roll, and of 14 in our average attendance. During the year we have striven to stimulate good attendance by presenting at the end of each quarter our Prize Banner to the class having the highest average attendance. This banner has come into the possession of the following prize classes in their turn.

1st quarter.	Miss McKenzie's class	98	per cent.
2nd	" Bennett's	86	"
3rd	" J. Lyght's	73	"
4th	" Mr. O. Penny's	96	"

Our Librarian, Mr. McKenna, reports that we have in our library 1063 books, of which a large proportion have been added this year at considerable expense. Our library appears to be well patronized by the school and we trust much spiritual seed is sown in this way,

which cannot be done in the teaching hour. We would be glad if the parents could, as far as possible, see that these books are carefully handled at home and punctually returned to the school.

Some scholars have missed the customary circulation of Sunday School papers, but after having gone to such expense for new libraries, our teachers felt that we were unable, and that it was unnecessary to supply other reading matter.

Next year we purpose distributing each Sunday to the Scholars the "Home Study Leaflet," which has been recommended by the General Assembly of our church for use in all Sabbath Schools. This leaflet gives comments on the Lesson, the Golden Text, and the Catechism, with a few prominent questions on the Lesson, to be answered in writing by the scholars and returned to the teachers the following Sunday. We have to ask of the parents, since this is an experiment, that the scholars are encouraged and assisted at home in the studies which this leaflet is designed to stimulate.

We are pleased to be able to report that 23 members of our school joined the church during the year. We trust that in every case there has been a real conversion of heart.

Our collections have been kept up fairly well. We have raised for General Expenses \$272.28; for Missions \$251.94, and for Building Fund \$144.85. Part of this money has been contributed specially by a few classes as will be seen from the Treasurer's report. We have also raised \$40.95 by birthday offerings for the Building Fund. The idea of this scheme is that the pupils give on their birthdays a sum amounting to at least one cent for each year of their lives. The average collection per Sunday is therefore \$13.65.

During the year we have been called upon to mourn the death of two scholars, viz., James M. Gibson, of the Young Men's Bible Class, and Florence Johnson, of the Infant Class. We have every hope of meeting these departed ones in the grand re-union above.

We are pleased to notice that the parents are taking a deeper interest in our work, as evinced by an increased attendance at our quarterly services. We have also to thank them for their generous help at our anniversary gathering in February, when we received provisions sufficient to assist 75 needy families and were able to clear \$41.70 for our Building Fund. We are also indebted to our Pastor for his interesting lecture, "From Jerusalem to Damascus in a Saddle," given in our behalf, by which over forty dollars was raised for the purchase of new libraries.

In conclusion we would ask for even greater assistance from our parents than we have yet received. We need their personal help and kind encouragement. They can also assist us to enforce discipline by taking care to say or do nothing at home that would seriously affect the reverence their children should have for Sunday School law.

EIGHTH ANNUAL REPORT

-OF-

Knox Church Mission Sabbath School.

In presenting this our eighth annual report, we desire to remember God's great goodness to us, and to return our sincere thanks for His spared mercy through another year. Our membership is as follows: Teachers and officers, 26; scholars, 165, with an average attendance of 150. Although there has been a slight decrease in the number on our roll, we are pleased to report that our average attendance has been even better than in years past. During the year a number of scholars have attended the Sabbath School every Sunday, and to each scholar who has done this, we give a prize at the end of the year, and we think that this is one of the reasons we have such good attendance during the year. We regret that Miss Kate McGregor has been compelled to give up her work at the Mission on account of ill health, but trust that she will soon be with us again. We also regret the resignation of Mrs. Nixon, one of our most earnest and faithful workers. The removal from our midst of Mr. J. G. Cheyne, one of our most zealous workers, who has been with us for the past four years, has been keenly felt, and we sincerely thank him for the good work he has done while with us, and we trust that it has not been in vain. Although Mr. Cheyne has gone to prepare himself for a higher work, may he always look back upon his work at the Mission as that which prompted him to a higher and better sphere in the service of his Lord and Master, and may he meet with every success in it. During the year we have received a number of excellent books from Knox Church Sunday School Library, for which we are sincerely thankful. We desire to return thanks to a kind friend for a

donation of groceries to the amount of \$5.00, for our relief work, which proved a great boon to poor families in the north end during last winter. We are pleased to state that we have been able to give the managers of Knox Church the sum of \$75.00, from which it may be seen that the school has been a success financially. In His good providence, God has been pleased to remove from our midst one of our scholars, Willie Anderson, who we trust is with his Saviour in glory. In looking back over the past year we realize that the work, though at times somewhat discouraging, has afforded us a great deal of pleasure. For this and for any success we may have had in our work we desire to give God all the glory. We trust that he will continue to bless our efforts in the future as He has done in the past, and may we start the new year more faithful and zealous in our desires to lead precious souls into His kingdom.

Knorr Church Missionary Society.

In presenting this our annual report, we desire to thank our Heavenly Father for any success which has attended our efforts during the year. We realize that the hand of God has been leading us in all our work; were it otherwise we could not expect to have been so greatly blessed.

We feel as a society that we have reason to be encouraged in a measure at least, for the advance which we have been able to make during the year 1895 along missionary lines.

During the year our membership has increased from 128 contributors to 178, or an increase of 50 over the previous year.

Your committee feel gratified at the manner in which so many of our members responded to the appeal made in the former part of the year, in the circular which was sent to very many of the different homes. While we have made some improvement over last year, we feel that we have not yet attained that mark of perfection to which we should rise as a congregation. We wish we could impress upon more of our church members the importance of their giving of their means to help carry the "good tidings of great joy" into those parts of the earth where Jesus' name is not heard. While we are so greatly favored in this Christian land, shall we remain contented with our own lot without making an effort to "send the light" to these poor benighted hearts who are now in darkness, not forgetting those who are deprived of the Gospel in our own land.

During the year your committee have placed missionary intelligence before the congregation once a month at the prayer meeting, and we believe this has tended to stimulate an interest in missions.

Let us pray that grace may everywhere abound,
Send the light! send the light!
And a Christ-like spirit in our lives be found,
Send the light! send the light!

Let us not grow weary in the work of love,
Send the light! send the light!
While we gather jewels for the crown above,
Send the light! send the light!

Secretary.

SIXTH ANNUAL REPORT

OF THE

Auxiliary to the Women's Foreign Missionary Society.

In presenting this our sixth annual report, we desire to acknowledge with gratitude the good hand of our God upon us in our efforts to extend His kingdom. While we have met with some discouragements, there is still much to encourage us to renewed and increased effort.

The growth of our society though not rapid has been steady, and it is with thankful hearts we are able to report a marked increase in our membership, being cheered and strengthened from month to month by the addition of new material in our midst; there is also an increase in our average attendance.

We are pleased to report our valued and esteemed President, Mrs. Givin, as a life member added to this honored list of the W. F. M. S., which is doing such grand work for our sisters in heathen lands.

Our meetings have been held regularly on the second Tuesday of every month, excepting July and August, and have been attended with good results. Each month one of the mission fields of our church is taken up and discussed, the members taking part as they feel disposed, thus deepening the interest in missionary work; much of the success of our Society depends on the efforts put forth by each individual member in coming prepared to take part in the meetings, thereby making them a means of instruction as well as pleasure.

Our Thank-offering meeting was again held on a Wednesday evening, taking the place of our weekly prayer meeting, and was attended with pleasing and

profitable results, being not only a source of revenue, but of great spiritual gladness.

In our contributions there is a very satisfactory increase, showing unmistakable evidence of growth in liberality, the offerings being entirely the result of systematic giving and Thank-offering collection.

And now in reviewing the work of the year just closed we rejoice that as a society, we have increased in members, contributions, and we trust in spiritual growth, for all of which we desire to express our thankfulness to our Heavenly Father, trusting that by His grace we will be enabled to go forward with greater zeal and earnestness, doing all we can to aid in the extension of His Kingdom by sending the light of the glorious Gospel to our sisters in heathen lands.

Thrust in your sharpened sickle
And gather in the grain,
The night is fast approaching
And soon will come again;
Be faithful in thy mission
In service of thy Lord,
And then a golden chaplet shall be thy just reward."

REPORT OF THE Busy Bees Mission Band.

The “Busy Bees” Mission Band was organized on Tuesday, April 16, 1895, with a membership of twenty-three. The work for the year has been the making of a rag carpet to be sent to a missionary in the North West. When the roll is called each child is supposed to repeat a Bible verse in answer to her name, and we are pleased to say that this has been well sustained so far. The membership fee is 10 cents, and in addition to this each member gives a weekly offering of 2 cents, supposed to be earned by herself. In December we made \$9.58 by a concert and thank-offering meeting combined. Altogether the contributions for 1895 were \$21.89. We cordially invite all the little girls of the congregation to join us in the work.

SEVENTH ANNUAL REPORT

—OF THE—

Young People's Society of Christian Endeavor.

The Young People's Society of Christian Endeavor present their seventh annual report as follows:

In presenting this report we feel that we have great cause to be thankful to our Heavenly Father for the way in which He has led us, and for the success with which He has been pleased to crown our efforts during the past year.

Our membership during the past year has not increased as largely as we had wished it would, but we are gratified that the increase is of a good quality for work. Twenty-eight active members have been added during the year and 12 have left us, showing a gain of 17. Six associate members joined us, and 12 have left, most of whom have been dropped from the roll for non-attendance, while three were transferred to the active list. Our membership at the close of the year stood: Active, 76; associate, 4; honorary, 10; total, 90.

The Lookout Committee have been very active during the year in bringing new members into the society and in visiting absentees, also in welcoming strangers to the church wherever an opportunity presented itself.

The Social Committee have also been energetic in trying to make the members better known to one another, for which purpose, among others, several social gatherings have been held during the year, which have proved successful in every respect. The committee works on the principle that the better the members of the Society know one another the greater work will they do.

The plan adopted by the Society of giving two cents a week for missions has, through the efforts of the Missionary Committee, proved quite successful, and will be of great benefit to missions, particularly so when it is considered that the mode of giving is systematic. Forty dollars have been given by the Society during the year for missionary purposes, both home and foreign, with a balance still on hand.

The Prayer Meeting Committee have done their work well in preparing for the 49 prayer meetings held during the year, most of which were led by members of the Society at the solicitation of the committee.

The visiting Committee have made 587 visits during the year, which fact indicates that idleness is not known in this committee. That the work of the committee is appreciated is shown by the expressions of gratitude received from those visited.

Our Flower Committee have made up and distributed 406 bouquets at the homes of sick ones during the year, besides decorating the church pulpit every Sunday. They feel well paid for their trouble by the pleasant looks which these bouquets always create.

The work of the Relief Committee has been of a somewhat extensive nature. Fifty-one Sunday evening prayer meetings have been held at the homes of those unable to attend church; 556 visits have been made; about \$35 was expended on food for the poor, and on medicine and other necessaries for the sick, of which five cases were relieved; 145 articles of clothing and 3 quilts have been distributed, for which the committee thank all who have contributed in this manner. Three visits have been made to the House of Refuge, a parcel of good literature being distributed each time. One aged member of the church has been brought to communion services by the committee with the kind assistance of others.

In September last a committee was appointed to wait on our pastor with a request from the Society that he deliver half-hourly talks on "Presbyterianism," at stated intervals. Dr. Fraser very cheerfully consented to do so. Two of these addresses have already been given, and it is almost needless to say they have done much towards enlightening our young people on the doctrine and glorious history of the branch of Christ's Church with which we are identified and of which we are so justly proud.

All of which is respectfully submitted.

FIRST ANNUAL REPORT
OF
Knog Church Junior Christian Endeavor Society

On Sunday morning, June 16, 1895, a number of the girls and boys of our Sunday School met with some friends for the purpose of organizing a Junior Endeavor Society, and it is with much pleasure that we present our first annual report.

Our membership when organized was 26; during the six months 25 new members have joined the Society and 4 have left us, thus leaving on the roll at present 47 names.

Our Committees are: Lookout, Prayer Meeting, Social and Missionary, each member being expected to work on one of these. In October last we adopted a plan of systematic missionary giving, and 38 of our members are subscribing at least 25 cents a year for missions.

Several of our members were privileged to attend the Junior rally at the Brantford convention and our Treasurer took part in the programme for that day by reading the scripture lesson. We feel that the addresses which were given there will be helpful to those who heard them and through them to the whole Society. A report of this rally was given by our Vice-President at a union meeting of the Senior Christian Endeavor, the Mission Juniors and our own Society.

We are very grateful to our Father for any success we may have had and trust that during the coming year our usefulness may increase and though ours may be only a small corner still

SECOND ANNUAL REPORT

-OF THE-

Mission Junieur Christian Endeavor Society.

We have much pleasure in presenting this, our second annual report of the Junior Endeavor Society of Knox Church Mission, and while we have not had any increase in our numbers, still we feel that God has blessed our efforts and we can see some fruit for our labors in the better order, both in our Endeavor meetings and in our Sunday School.

At the first of the year we had on the roll 57, now we have 46; 6 that have left us have gone to other societies in the city; 5 have left the city altogether, and 13 have been dropped for non-attendance; 13 new members have joined during the year. We have also to report the death of one of our young members, God having seen best to call him from our midst to be at home with Him.

Our Society has five Committees, Lookout, Prayer Meeting, Social, Visiting and Flower. The Visiting Committee have made 630 visits, calling on the absent Sunday School scholars. The Flower Committee have made up and distributed 338 boquets.

In the departure of Mr. Cheyne to take up his studies in Knox College, we feel that indeed we have lost a very good friend, but know that he has gone to prepare himself for more active work for his Master.

We cannot close our report without expressing our feelings of deep gratitude to our Superintendents, Miss Binney and Miss Anderson, for their untiring efforts on our behalf. They have always been ready and willing to do anything in their power that would be for our good, and we will try in the coming year to show our appreciation of their kindness by being more attentive to their words.

FIRST ANNUAL REPORT

—OF THE—

Young Men's Round Table.

The Round Table presents its first report as follows :

On Monday evening, October 28th, 1895, a meeting of the young men of the church was held. Rev. Dr. Fraser was appointed chairman. At this meeting it was decided to organize a society for men only, the object of which is the development of the spiritual and physical condition of its members, and the promotion of the best interests of Knox Church.

At the next meeting the necessary officers were elected for a term of three months. We have at present 25 members on roll, and hope it will be considerably increased by the end of the year.

All men, old and young, are cordially welcome to attend our meetings, which are held in the Managers' room every Thursday at 8 p. m.

This is all we have to report at this time, but trust to have more by the next annual meeting.

Respectfully submitted.

CONSTITUTION

OF

KNOX CHURCH, HAMILTON.

1st.—The Church, Manse, Burying Ground, and any other houses or real estate now belonging to or which may hereafter become the property of the congregation, shall be held in trust by three members of the said congregation, in full communion, in accordance with a Deed of Trust—bearing date the sixth day of September, in the year of our Lord, one thousand eight hundred and fifty-six.

2nd.—The members in full communion with the congregation shall have the sole power of choosing a Minister or Pastor and Elders of said congregation.

3rd.—The election of a Minister or Pastor shall take place at a meeting of the members of the congregation, which shall have been called from the pulpit of the Church by the officiating minister on each of the two Sabbaths preceding such meeting. The majority of members present shall determine the election.

4th.—The method of the election of the Elders shall be determined from time to time by the Session, as occasion may require, but the election shall be by the members of the congregation, and notice of meeting for such election shall be given as provided in clause third.

5th. The constitutional duty of the Session to superintend the spiritual affairs and watch over all the interests of the congregation is recognized and reserved to them.

6th.—Nine Managers shall be elected to take charge of the secular affairs of the congregation, three of whom shall retire annually in rotation, but shall be eligible for re-election. In case of a vacancy occurring by resignation or otherwise, the Managers themselves shall fill the vacancy at their earliest convenience; and a Manager absenting himself from three successive regular meetings without leave shall cease to be a Manager.

7th.—The Managers shall select their own Chairman, Treasurer and Secretary, hold regular meetings as often as their business may require, and may give notice of their meetings either from the pulpit on Sabbaths or by the Secretary to each Manager, when demanded by any three of them. Five Managers

shall constitute a quorum. When the Managers shall themselves deem it necessary, or when requested to do so by seven or more members of the congregation in full standing, they shall with concurrence of the Session call a special meeting of the congregation, stating the object in the notice thereof; and no business shall be entertained at any special meeting excepting what is mentioned in the notice thereof. Should any Manager cease to be a member of the congregation he shall cease to be a Manager. The Treasurer shall open an account with some regular chartered bank in the city, and deposit in his own name, as Treasurer of the Managing Committee, moneys from time to time as may be convenient.

8th.—The use of the Church property for public and general purposes not connected with the congregation shall be under the control of the Managers, with the concurrence of the Minister.

9th.—The whole revenues of the congregation from all sources shall be received and disbursed by the Managers in payment of stipend, salaries and other expenses, including such as may be required for preserving the property and providing for the dispensation of Divine ordinances; but no repairs, improvements or alterations exceeding the sum of one hundred dollars shall be gone into without the consent of the congregation. The "Poor Fund," however, shall be distributed by the Session, and contributions for missionary and benevolent purposes shall be distributed by the Association appointed for these special purposes.

10th.—The members of the congregation shall choose their Organist and Precentor, and fix their salaries, and in the discharge of their duties they shall be under the control of the Session.

11th.—The Managers shall have power to engage or dismiss and regulate salary of any one who may act as Church Officer or Door Keeper; and appoint or pay such person or persons as may be required to keep the Church clean and comfortable.

12th.—The Managers shall be accountable to the congregation for their acts, and shall, at each annual meeting in January, submit a full printed, audited, articulate statement of the income and expenditure of the preceding year—copies of which shall be distributed in the pews on the Sabbath before the annual meeting; and said Managers shall be regulated as to the proportion of revenue to be applied to any particular purpose by the instructions they may receive from the congregation at any special or annual meeting.

13th.—A committee, consisting of the Chairman, Secretary and Treasurer of the Managing Committee, two members of Session, the Secretary of the Sabbath School, and Secretaries of all the organizations in connection with the congregation, shall annually arrange for the printing—in pamphlet form—of the

reports of all the different organizations in connection with the Congregation, together with the list of office-bearers, members and adherents, with their residences; said pamphlet to be distributed to the congregation as early as possible after the annual business meeting, and not later than March 1st. The chairman of the Managers shall be chairman of the said committee.

14th.—The Managers or Trustees shall have no power to contract debt on property without the consent of the congregation.

15th.—At each annual meeting the Congregation shall elect three Trustees and two Auditors to serve for one year.

16th.—The foregoing rules shall be in force until altered or amended, and no motion to alter or amend said rules shall be put unless due notice of such motion has been given at the annual meeting of the congregation, and when notice of motion shall have been made, a special meeting of the congregation shall be called to consider the same, not sooner than two weeks, nor later than two months after said annual meeting.

17th.—In the foregoing rules no one shall be held to be a member of the congregation who is not in full communion with the same, and whose name does not appear on the Communion Roll of the said congregation, and no others than members in full communion shall be allowed to vote at any congregational meeting.

History of Knox Church Mission.

JANUARY, 1888—JANUARY, 1896.

COMPILED BY MISS ANNIE MITCHELL.

IN the month of June, 1887, a number of the young people of Knox Church congregation formed a society for the purpose of doing any mission work that might be found necessary, as well as to do other work in connection with the church.

There being no Presbyterian Church north of Cannon street, except in the extreme east end of the city, and no Sunday school of any kind in that portion of the city, west of John street, the advisability of organizing a Sunday school was considered. Some of the members consented to canvas this district in search of scholars, and bills were posted in factories and other places announcing the opening of the school. The only suitable room which could be secured was in Grant's sail loft, at the foot of Bay street. This room was prepared, and on Sunday morning, January 1st, 1888, at half-past nine, sixteen teachers and fifteen scholars assembled.

With some difficulty the names of those present on that day have been found. The scholars were: Carrie Holmes, Maggie Griffin, Louisa Richardson, Charlotte Barker, Maggie Barker, Fred. Holmes, Joseph Smith, James Dilworth, John Griffin, Stephen Griffin, Willie Griffin, Radcliffe Richardson, Willie Richardson, Robert Phillips, George Barker.

Of these scholars five are married, some have left the city, while others are still among the scholars most regular in attendance. Besides these, many whose names were enrolled during the first few months are among the most faithful scholars on the roll at the present time. The teachers were:

Mr. W. H. McLaren, Mr. A. McPherson, Mr. T. H. Smith, Mr. W. J. Cunningham, Capt. A. H. Malcolmson, Mr. James Johnson, Mr. James Davidson, Mr. James Edwards, Mr. Fred Pecover, Miss S. H. McKean, Miss Minnie Pulling, Miss Bessie McClure, Miss Ida Malcolmson, Miss Martha Richardson, Miss Jennie Richardson, Miss Annie Munro, and Miss Annie Mitchell.

Of these teachers many are still actively engaged in Sunday School work, either in our own city or elsewhere.

Mr. James Davidson, has lately entered upon the duties of pastor of a church in a neighboring American city. We regret the loss by death of Mr. R. S. Coombes and Mr. T. H. Smith, two of our most active early workers.

In order to keep up the attendance and to secure more pupils, some of the teachers called for the pupils on the Sunday mornings, and a thorough canvas of the district was made, so that by the close of the first year the number on the roll was 116, with an average attendance of 102. It soon became necessary to find another building to meet in, as the one then occupied could only be had for a few months, and that only through the kindness of friends. As no suitable building could be rented, it was proposed to build a school. At the congregational meeting of Knox Church a building committee was appointed, and a resolution passed appropriating \$500 from the funds of the church, towards the purchase of a lot on which to erect a mission Sunday School. The owners of the sail-loft, requiring the place for their own use, we had to leave it earlier in the year than we had expected. and there being no other building available, we were compelled to hold our school in the basement of the church, which cut down the attendance to a great extent. A circular was prepared and issued to the congregation, soliciting subscriptions towards the erection of a school, which was heartily responded to. Donations of money were received from Knox Church Sunday School classes, from the Christian Endeavor Society, and from friends who were not connected with the congregation. When the building was completed other friends contributed to the furnishing of the school such gifts as gas fixtures, a clock, a stove, lumber for a wood-shed, etc.; and on the last day of June, 1889, our new school was opened, free of debt, although no subscriptions had been solicited personally. The opening service was conducted by our pastor, Rev. Dr. Fraser, who chose as the subject of his address the very appropriate words found in Rev. 3: 8—"Behold, I have set before thee an open door, and no man can shut it." From that time, until the close of the year, the average attendance was 143.

In the beginning of 1890 it was thought to be for the best interests of the school that it should be held in the afternoon, instead of in the morning, and to be conducted by a separate

staff of teachers and officers from that in the large school. The change accordingly took place, and the school met in the afternoon, at 3 o'clock. This reduced the attendance considerably, as a number of the pupils attended other Sunday schools in the afternoon. This change also caused the loss of our Superintendent, Mr. W. H. McLaren, to whose untiring zeal much of the success of the past two years was due. He still occupied the position of Superintendent in the large school, and therefore could not remain with the Mission. Mr. John Madill, was elected to the position and occupied it for one year.

During this year a sum of money was appropriated by the teachers for the purchase of books for a library. These books, together with donations from Knox Sunday School, placed us in possession of a number of useful books which were gladly welcomed by the scholars. On Thanksgiving Day of the same year the first weekly prayer meeting was held, and these meetings have been held regularly on Thursday evenings ever since. On account of the change in the time of holding the school the average attendance for 1890 dropped to 120.

At the annual meeting of the Congregation in 1891 it was agreed to engage a student from Knox College to work in connection with the mission for the summer months, and as all will remember, Mr. H. A. Macpherson was appointed. He confined his labors to the district lying between John street and the Bay, and north of Strachan, the object being to work this district as thoroughly as possible. Two hundred and seventy-five families were visited, of whom a large number were non-church-goers, a number not having gone to church for years. Many of these were visited frequently in order to interest them in the Mission. During this year about 100 new books were added to the Library and a number of others donated by friends. Towards the close of the year a Young People's Society was formed for Mutual Improvement, and some very profitable meetings were held, the membership being 65. Mr. T. H. Smith was Superintendent during this year. The average attendance was 155.

In the following year, 1892, Mr. H. A. Macpherson again had charge of the work during the summer months, and as in the previous year, he worked faithfully and successfully. To him and other friends we owe sincere thanks for their successful efforts to secure donations of lumber and money for the erection of the fence which now encloses the Mission property, thus im-

proving its appearance; and also for the further improvement of the lot by sodding, planting flowers, and keeping them in order. During the remainder of the year a student from Knox College conducted the Sunday evening services. The average attendance was 177.

Mr. John Smith, who had been elected Superintendent for 1892, having to leave the city early in the year, was succeeded by Mr. R. McRae, who remained with us until the close of next year, when his services were required by Knox Sunday School.

At the annual meeting of the congregation in 1893, a step forward was taken; the Session being authorized to secure a suitable man to work in connection with the Mission, all the year round, and also to act as an assistant to our Pastor. The services of Mr. D. Robertson were secured, and he worked most faithfully, from the early part of the year until January, 1894, when he received and accepted a call to King Street Church, London.

During this year the school was painted and kalsomined, a new Library was obtained, and we now have as comfortable a room as could be desired. Average attendance for 1893 was 197.

A Junior Endeavor Society was organized on December 10th, 1894, with a membership of 37. This Society now has 47 members, and continues to do good work in visiting the sick, distributing flowers to these, and calling on absent scholars. An addition was also made to the Sunday School building which serves the double purpose of kitchen and primary class room. This room has proved a great convenience to the primary class, as more effective work can be done than when the class met in the large room.

On the return to College of Mr. H. A. Macpherson, the work was given into the hands of Mr. J. G. Cheyne, the Superintendent, who was looking forward to the ministry. He worked very energetically until leaving for College last October, since which time the evening services have been provided for by the Session. Twenty-nine scholars have earned prizes for regular attendance during 1895.

We are now entering upon the ninth year of the Mission's history, with Mr. James Stevenson as Superintendent, and although we do not yet know what provision will be made for the welfare of the Mission this year, we trust we will be able to press forward and do greater things for the cause which is dear to the hearts of so many. Average attendance for 1894, 168; for 1895, 150.
