## PREFACE.

The Publisher of this edition of McAlpine's St. John City Directory for 1890-91 has much pleasure in informing the public that this year makes 25 years that he has been engaged in publishing Directories on his own account, which causes him to be, in a direct continuous line, the oldest publisher of Directories in the Dominion of Canada. He now places in the hands of the public this edition of the City of St. John Directory, and returns his sincere thanks to all who have supported him in these publications, especially to those who have done so from the commencement. In looking over the Directory, for the year 1863, he finds the names of advertisers who are now (1890) still in business, and supporters of this edition, viz :

### DYSPEPTICURE the Specific for Dyspepsia.

Thousands of bottles of DYSPEPTICURE have been sold during the past few years without any advertisement whatever. It is now well known in nearly every part of the Maritime Provinces, and many orders have been filled for Quebec, Mass., and Maine. DYSPEPTICURE not only aids Digestion, but positively cures Indigestion and Chronic Dyspepsia; this quality of CURING the disease explains its large and spreading sale without having been brought to the notice of the public.

DYSPEPTICURE may now be obtained from all Druggists. Price per bottle, 35 cents and \$1.00 (the latter four times size of former).

An important pamphlet on DYSPEPTICURE promptly mailed, free, to any address.

**Mail Arrangement.**

Change every Month can be seen by Monthly Post Office Guide. Mails for Great Britain, via Halifax, close every Friday evening, during the winter season, via New York twice a week; and via Rimouski, during the summer and fall seasons, instead of Halifax, every Wednesday.

Mails for Newfoundland are sent from Halifax, every day by despatch of fast steamers.

Mails for Grand Manan and Campobello are despatched by direct steamer, and for the former locality also by rail, at days and hours to suit the seasons and other requirements. The arrangements are announced monthly in the Saint John Postal Guide.

Parcel Post: Mails for the United Kingdom by the Canadian Mail Steamers will be closed at 4 o'clock on the day the mails are made up.

Letters for the United States will be taken by the Railway Mail Clerks Sunday night, if posted before 8 o'clock, p. m., at the Princess Street side door of the Post Office.

Through Register Pouches are exchanged between St. John and Bangor, Boston and New York, St. John being the Exchange Station for the Maritime Provinces.

Office Hours—Daily (Sundays excepted) from 6.30 a. m. to 9 p. m.

Money Order Office and Savings Bank—Open Daily (Sunday excepted) from 9 a. m. to 4 p. m.

**Street Letter Boxes.**

The Street and Hotel Letter Boxes in the City of St. John are visited daily (Sunday excepted) at 1.30 p. m. and (Saturday excepted) at 10.30 p. m.; also in the business parts of the City at 11 a. m. daily, (Sunday excepted).

**Merchants' Boxes.**

Rent of small box \$4, and of large box \$6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done; the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

An order to place in a box letters belonging to another person than the owner of the box cannot be recognized, unless such letters are addressed to the care of the box or its owners.

Box holders would facilitate the work of sorting by requesting correspondents to add the box number to the address of their letters.

**Letter Carriers' Delivery.**

Letters and Papers for this delivery should be addressed to Street and Number.

Change of Residence should be promptly notified to the Postmaster in writing.

Two deliveries daily, commencing at 8.00 a. m. and 3.45 p. m.

All letters mailed at the St. John Post Office within fifteen minutes of the hour fixed for morning and evening deliveries will be despatched by such deliveries.

Letters not bearing the name and number of street, addressed to parties whose address may be known to the Carriers, will be delivered by them.

#### **The Time Ball on Custom House, St. John. N. B.**

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At one minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5hrs. 24m. 15s., and the difference between this and the time shown by a Chronometer is the true error on Greenwich time at the moment. At the above hour of 1 o'clock, when the Ball drops, represents 5 hrs. 24m. 15s., at Greenwich, the error of Chronometer may be ascertained, no matter where the vessel is lying. Masters of vessels arriving in Saint John, should compare their Chronometers by the Time Ball, as it will enable them to get sea rate, which frequently varies from harbor rates. Latitude 45h. 16m. 42s. N., Longitude 4h. 24m. 25s. West of Greenwich.
