## Guelph Evening Mercury

MONDAY EVENING, JULY 6, 1874

**WANTED IMMEDIATELY,**  
**2 Journeymen Printers**  
To work in the Job Room of the Mercury  
Office.  
A. W. WEBB, Secy.

**Town and County News**  
Don't fail to read Geo. Jeffrey's adver-  
tisement in to-day's paper.

**THIS EVENING.**—The Strawberry Festi-  
val given by the Good Templars takes  
place in the Drill Shed this evening. Go.

**HORTICULTURAL SOCIETY.**—The Spring  
Show of this Society takes place to-mor-  
row in the Drill Shed. In the evening  
the Band of the 28th Battalion (Stratford)  
will furnish the music.

**SERMONS TO THE SOLDIERS.**—In most  
of our churches on Sabbath the sermons  
had special reference to the volunteers  
now in camp, and in all the congrega-  
tions some of our country's defenders  
were to be seen in uniform.

**SENSIBLE ADVICE.**—If you wish to  
draw yourself, kick and splash about as  
violently as you can, and you will soon  
go to the bottom. But if you remember  
that you are lighter than water, and if  
you calmly and steadily refrain from  
drawing your breath while under the  
water, keep your head raised, and your  
arms under, you will soon learn to float  
and swim like a duck.

**A SLIGHT SMASH.**—On Sunday ter-  
noon as a young man from Berlin was  
leaving Hefferman's Hotel, driving a pair  
of horses attached to a double buggy,  
they took fright at a stroke of the whip  
and commenced kicking. The traces  
were loosened from their fastenings, one  
of the whiffletrees snapped, and the  
animals started along Norfolk Street,  
leaving the young man and three fair  
companions looking very foolish and very  
much annoyed. The horses were stopped  
at the corner of Cork Street by a soldier  
who was passing; and by the aid of a  
kindly neighbor, the young man was  
soon on his way homeward.

**ZION S. S. PICNIC.**—The annual pic-  
nic of Zion Chapel (Rev. J. Howie's)  
Sabbath School, was held in Mr. John  
Robertson's bush, on Friday, 3rd inst.  
There was a goodly number of children,  
parents and friends. There were races  
for elastic balls, skipping ropes, tin  
banks, books, tea sets, whistles, whist-  
ling goss, and musical instruments of  
all manner of shapes. But the great at-  
traction of the occasion was John  
Griffith with his "merry go-round."  
Whatever objections there may be to  
horse racing in the abstract, it was found  
to be a very enjoyable thing at our pic-  
nic. Toward sunset there were indica-  
tions of rain, but with a little waiting all  
the company got home without much  
injury.—Com.

**MANITOWA PENITENTIARY.**—We under-  
stand that Messrs. Morrison & Barclay,  
of Guelph, have obtained the contract  
from the Dominion Government for the  
erection of the Manitoba Penitentiary at  
Stoney Mountain, some fifteen miles  
west of the town of Winnipeg. We be-  
lieve that several tenders were put in,  
but that of Messrs. Morrison & Barclay,  
was accepted. Both gentlemen are prac-  
tical mechanics of great experience, and  
this, with their matured judgment and  
well-known energy, is a good guarantee  
that the work will be pushed on with all  
spirit, and that it will be a credit to  
them and the Government by whom  
they are employed. Operations will be  
commenced as soon as possible, but it  
will doubtless take all next season to  
complete the building.

**POLICE COURT.**  
(Before the Police Magistrate.)  
July 6.  
James McCutcheon, charged by Edw.  
Billing with using abusive language, was  
fined \$5 and costs.

Lewis Mudge was charged by the Li-  
cense Inspector with selling liquor with-  
out a license. He was fined \$20 and  
costs.

**THE SENSATION RESCUE.**—Brick Pome-  
roy delivers himself as follows on the last  
great Niagara sensation:—"They have  
commenced at Niagara Falls again. Times  
are hard, money is scarce, the inflation  
game did not work, and business is not  
generally good in the vicinity of the great  
American wonder. So it was that a few  
days since a painter, anxious to help  
the man come so near going over—and  
that will help business a little. We  
suggest that they manage to let fifteen or  
sixteen hickmen over every week—and let  
them go clean over. The audience would  
be appreciative and the public generally  
would be thankful. Several thousand  
persons in this country would ride two  
and a half miles, just to witness such a  
final taking off of such vigilant warriors  
as center their anatomical steeds around  
that settlement, at the rate of seventeen  
dollars a centur.

Toronto is troubled with a large quan-  
tity of nickel cent pieces, and attempts  
are being made to pass them off as ten  
cent pieces. Saloon keepers are the  
principal victims.

## THE BRIGADE CAMP.

Saturday, July 4th.  
Saturday was emphatically cleaning up  
day in camp. In the morning and fore-  
noon there was a good sound drill, the  
second drill being devoted mainly to  
battalion movements. The men appear to  
have made considerable progress in this  
part of their work; and especially in  
light infantry drill and skirmishing their  
movements are creditable indeed. The  
artillery, too, had a drill in stores, ad-  
justment of charges, and fuses in shells,  
&c., and harness inspection in the after-  
noon.

In the afternoon cleaning up com-  
menced in earnest, all refuse about the  
tents being removed, and by night every-  
thing was as neat as a new pin. The  
30th had a drill at striking and pitching  
their tents, and they went through the  
operation with remarkable celerity. It  
was done to the sound of the bugle, and  
the drill but comfortable structures were  
levelled with the ground—and raised  
again as if by magic. They are this  
time pitched perfectly straight, which  
adds to the neat and orderly appearance  
of the camp very much.

One case of the measles was reported  
on Saturday. With this exception there  
have up to the present been no cases of  
sickness worth speaking about.

On Saturday evening most of the men  
were down town, but nearly all returned to  
camp in good time, and scarcely any  
breach of discipline was recorded.

We ought to mention that Col. Clarke  
has granted permission to the bands to  
come to town in turn every evening dur-  
ing camp, and play on the Market  
Square. The band of the 28th played  
on Friday, and the band of the 29th on  
Saturday. The compliment is highly  
appreciated by our citizens.

Monday, July 6.  
The Brigade paraded on Sunday morn-  
ing at nine o'clock for divine service.  
The Exhibition Building was used, and  
answered the purpose admirably. The  
space in the centre was reserved for the  
clergymen and Brigade staff. Two  
drums mounted on a table answered the  
purpose of a pulpit. These were draped  
with the beautiful colors of the Bruce  
Battalion—presented to it by the ladies  
of that County—and formed a most ap-  
propriate adornment. The men were  
marched into the two eastern wings of  
the building. When all were congregat-  
ed and properly arranged the scene was  
at once striking and picturesque, and  
was witnessed by a good many civilians  
who had come out to attend the service.

The service was opened by the bands  
of the 29th and 30th playing a beautiful  
selection from "The Creation." At a  
subsequent stage they led the music in  
the singing of one of the hymns to the  
tune of the National Anthem. The rest  
of the musical service was led by Mr.  
Allein, Secy. to the Y. M. C. A. This  
part of the service, both vocal and in-  
strumental, was very interesting, and  
was admirably done. The Rev. Mr.  
Cooper read a portion of the English  
Church service, and the Rev. Mr. Ball  
preached a short but very earnest and  
appropriate discourse, taking as his  
theme the incidents in the life of Corne-  
lius the Centurion, as related in the  
10th chapter of the Acts of the Apostles.  
He showed how a soldier's duties were  
not inconsistent with those of a Chris-  
tian soldier, and gave instances of renowned  
British soldiers, who were equally re-  
nowned for their piety. From the lives  
of these men he drew many salutary  
lessons, and earnestly impressed on all  
present the importance of becoming not  
only good soldiers of the Queen, but also  
good soldiers of Christ.

At the close the bands were marched to  
the tents, and many of them availed  
themselves of the privilege of attending  
the regular services in the different  
churches in town.

In the afternoon a Bible Class was  
conducted by Lieut. McCrae of the Battery,  
and at a later hour there was a practice  
of sacred music, both of which were well  
attended. At seven o'clock in the evening  
the Rev. Mr. Cooper preached to a  
large number of volunteers and civilians  
in the open air, near the camp of the  
32nd. The 29th and 30th Bands were  
present as in the early part of the day,  
and led the music with excellent taste.  
After reading a portion of the evening  
service, Mr. Cooper preached an excel-  
lent practical sermon from the text  
chap. 2nd Peter, 19th verse. He dwelt  
for a time on the evidences of the truth  
of Christianity as furnished by the  
"sure word of prophecy," and then turned  
upon the latter clause of the verse, showing  
how all important it was that these truths  
should not only be known intellectually,  
but should become a living power in the  
heart. He closed by a faithful and ear-  
nest admonition to the volunteers.

The camp was visited on Sunday  
afternoon and evening by a very large  
number of townspeople, who felt much  
interest in inspecting it, and looking into  
all the details of camp life. The behav-  
ior of the men during the day and even-  
ing was, as far as we learn, very exem-  
plary. Many of them attended service  
in the evening in town, and at an early  
hour all was quiet on the ground.

To-day a portion of the 30th rode to the  
barracks. An order has been issued that  
Captain Hollinger, No. 10 Company  
Rifles, will act as major during the stay  
in camp. The 30th Rifles has been divi-  
ded into two battalions, for brigade pur-  
poses and movements in the field.

Another of the Tory sensations has  
come to grief. After wasting innumera-  
ble columns denouncing the appoint-  
ment of Norris as Private Secretary to  
Mr. Sneyd, the Government Railway  
Commissioner for Prince Edward Is-  
land, they have discovered that he has  
not received that appointment at all.  
W. H. Tilley, of the Public Works De-  
partment, has received the appoint-  
ment.

Small-pox is on the increase in the  
east end of Toronto.

## Base Ball Tournament.

(From our own Correspondent.)  
Watertown, N. Y., July 3.  
We arrived here all safe and sound  
after a very pleasant journey; every one  
of the Nine was ready for work, and  
feeling confident as to the result. If we  
don't get that \$500 with us we will give  
a good account of ourselves.

There are seven clubs entering for  
the 1st class prize, viz., Nassans, of  
Brooklyn, N. Y.; Flyaways, of New  
York; Chelceas, of Brooklyn, N. Y.;  
Eastons, of Easton, Pennsylvania; Kin-  
Klux-Klan, of Oneida Castle, N. Y.;  
Maple Leaf, of Guelph; Rochester, of  
Rochester, N. Y.

Pools sold last night \$10 to \$3 on East-  
ons against the field. Eastons and Fly-  
aways are mostly composed of profes-  
sionals, and it will be hard work fight-  
ing either of them, but our boys are  
sanguine.

We came as near as possible white-  
washing the K-K-K this morning, but  
some of the boys got a little wild, and  
the consequence was four runs on the  
6th innings instead of a Chicago.

A large amount of money changed  
hands on the game. Pools selling \$5 to  
\$3 on the Maple Leafs winning.  
The Flyaways and Eastons play at 2  
o'clock p.m. The following is the score  
between the Maple Leafs and the K.K.K.

**Presentation at Almonte.**  
We are happy to learn from the  
Almonte Gazette that Mr. John Wilkie,  
who has been teaching in the Almonte  
High School for the past nine months,  
was made the recipient on Friday, the 26th  
ult. of a very handsome writing desk, gold  
pen and gold pen-case, accompanied with  
the following address:—  
Beloved Teacher,—Before we part for  
the holidays a pleasant duty remains to  
be performed. We all know how earnest-  
ly you have sought our good, with what  
pains you have endeavored to bring us  
forward in our studies, and how un-  
selfish your labours have been for our im-  
provement and instruction; and though  
we may not have shown in all things  
that interest and diligence which we  
ought, yet we are touched with a sense of  
your good will to do for us. We have  
great pleasure in presenting you with  
this desk and furnishings, as a token of  
our respect and affection. Its true value  
consists in the feeling which has  
prompted the gift.

Mr. Wilkie made a very brief reply. He  
was so taken by surprise that he was  
unable to express at any length his feel-  
ings of thankfulness.

Mr. Wilkie started sometime ago a  
museum in connection with the High  
School in Almonte, which the Inspector  
said on his recent visit was the best in  
Ontario, and was quite surprised to find  
so large a number of interesting  
specimens.

**GOOD NEWS TO SUITORS.**—Parties hav-  
ing occasion to sue for the collection of  
debts in the County and Division Courts,  
will no doubt be pleased to learn that  
from and after the 1st of July they will  
have the privilege of doing so without  
the tax hitherto levied on behalf of the  
Government in the shape of Law Stamps;  
an Act of the Legislature of Ontario,  
passed at its last sitting, providing that  
from the time mentioned no fees or  
charges shall be payable for the benefit  
of the Crown on any proceedings had in  
any County or Division Court, and re-  
pealing so much of any Act or Acts as  
imposes any such fee.

**CURIOS EVIDENCE OF INDUSTRY.**—A  
man named Walker, a table waiter at  
the Revere House, Toronto, has in his  
possession a curiosity in the shape of a  
rug containing no less than 28,148 pieces,  
all of which have been dyed, cut, and  
sewed together by himself at spare  
times during a number of years. What  
adds to the interest of the work is the  
attractive arrangement of the colors into  
a very pretty pattern, the whole forming  
a most elegant, and at the same time, a  
useful and durable article. The maker,  
who is an Englishman, has been but  
four weeks in Canada, and is already en-  
gaged upon another rug to be made in the  
same manner.

About six o'clock on the evening of  
Monday, 15th ult., a mishap occurred at  
Martin's Mills, Mount Forest, by a quan-  
tity of pine timber in the oak kiln ignit-  
ing and setting fire to the roof of the  
building.

The direct water communication from  
the British Channel to the Mediterranean  
through France is about to be completed  
by means of a junction canal intended  
to connect the Marne and the Saone.

The next meeting of the Central Re-  
form Association of Southern Grey will be  
held in St. Andrew's Hall, Durham, on  
Wednesday, the 8th July.

**G. B. FRASER**

Has removed directly opposite his old stand, where he has opened with a brand new stock at much lower prices than could be bought earlier in the season.

G. B. Fraser is too modest to advertise that he is selling much cheaper than those who make a great blow. Still facts are stubborn chieftains, and a discerning public pronounce Fraser's to be the cheap store to deal in.

G. B. Fraser gives his old friends a cordial invitation, and invites all who wish to save money to call and see his new stock.

**MANUFACTURE OF COCOA.**—We will now give an account of the process adopted by Messrs. James Epps & Co. manufacturers of dietetic articles, at their works in the Euston Road, London. —See article in *Cassell's Household Guide*.

**A MARE'S NEST.**—The Montreal *Gazette* has discovered a flaw in the Reciprocity Treaty. It is that section where Canada binds itself to enlarge certain canals within a given time. What the *Gazette* complains of is that "a time bargain" should be made, and it professes to feel it a duty to warn the Government against "the danger of time bargains." But as the *Gazette* was enthusiastic over the "time bargain" which the John A. Government made with British Columbia concerning the Pacific Railway, we are afraid that the *Gazette's* "warning" is not sincere. It isn't the "time bargain" that troubles the *Gazette* so much as the fact that it is not its own political friends who are making the bargain. —*London Advertiser*.

Chicago parties are making proposals for the construction of six first-class vessels of full canal size, and in other respects to be adapted to the European trade via the St. Lawrence. Shipbuilders at Port Huron and elsewhere have the matter under consideration, and are to report on the same at the earliest possible date. The vessels, if built, are to be sent over the coming fall.

**Special Notices.**

**IT IS NOT WHAT YOU EAT BUT** what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calissaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.

**THE GREAT ENGLISH REMEDY.**

**Specific Medicine**

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhoea, Impotency, and all diseases that follow as a sequence of Seminal Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to debility or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one who writes to us. The Specific Medicine is sold by all Druggists at 25c per package, or six packages for \$1.50, or will be sent by mail on receipt of the money, by addressing
