The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ILLUSTRATED Life Insurance Folder showing that
to be happy you must be contented. To be contented,
you must feel that your family, your home, and your
own old age are provided for.

SECURITY, PROTECTION AND PROFIT.

—Facts Worth Considering.—

Most men work hard and take but little present com-
fort in order to secure future wealth. Ninetyfive per
cent are unsuccessful. A good Life Insurance Pol-
icy is the best provision for the future, for what-
ever happens, your family, your property, and **your**
own later years are protected.

..... **AGENT,**

Designed and Copyrighted 1893, by Jasper Huffman, York, Neb.

HE SAID HE LOVED ME

And during the productive period of his life he took a life Insurance Policy. Reverses and Sickness came, finally Death. The policy was promptly paid, furnishing Ready Cash when most needed, enabling me to pay off the Mortgages, Doctor Bill, and Funeral Expenses, and to feed, clothe, and educate my children, while the head that planned, the hand that guided, and the heart that loved his family are cold in death. I shall never forget him, nor the benefits derived from Life Insurance, and shall ever teach my children to Reverence and Emulate their father, who so thoughtfully provided Life Insurance Protection.

HE SAID HE LOVED ME

But he failed to provide Life Insurance Protection for his family. **Reverses, Sickness, and Death** came. I cared for him tenderly day and night, until exhausted and broken down in health. Oh, what shall I do? The **Mortgage is Foreclosed**. Our home is gone. The children are helpless. No means by which I may feed, clothe, or educate them. My head aches. My heart aches. My life is one of **Drudgery and Misery**. Husband, father, how sad a picture. How much suffering can be avoided by carrying a Life Insurance policy. Do not delay, but take insurance that will **Protect your Estate and your Family, and Yourself in old age. Delays are Dangerous.**

I PROVIDED FOR OLD AGE

During the productive period of my life. Now I am old, my children are able to protect themselves. My policy has matured. My companion and myself now have the cash for our support the remainder of our days. It has been a **Savings Bank** for us, Not an **Expense**, besides twenty years' protection for nothing. **I did not have to Die to Win.** Husband, Father, Mother, Young Man, Young Woman, take a policy of Life Insurance as protection for your estate, those you love, and yourself in old age. Don't put it off until it is too late. **Delays are Dangerous.**

I FAILED TO PROVIDE FOR OLD AGE

During my productive period of life. I thought I could invest my money better than in a Life Insurance policy. But Reverses and Sickness came, and with it Old Age. Now I am compelled to saw wood. I carried Insurance in an Assessment Association, and like all Assessment organizations, the older it became the more the assessments increased, until all that could get into a new organization that was cheaper had left it. And all of those that were unable, on account of old age or failure to pass a medical examination, were left to die unprotected. Take Warning, do not neglect, as I have, to provide for old age.
