The copy filmed here has been reproduced thanks
to the generosity of:

National Library of Canada

The images appearing here are the best quality
possible considering the condition and legibility
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed paper covers are filmed
beginning with the front cover and ending on
the last page with a printed or illustrated impres-
sion, or the back cover when appropriate. All
other original copies are filmed beginning on the
first page with a printed or illustrated impres-
sion, and ending on the last page with a printed
or illustrated impression.

The last recorded frame on each microfiche
shell contain the symbol → (meaning "CON-
TINUED"), or the symbol ▽ (meaning "END"),
whichever applies.

Maps, plates, charts, etc., may be filmed at
different reduction ratios. Those too large to be
entirely included in one exposure are filmed
beginning in the upper left hand corner, left to
right and top to bottom, as many frames as
required. The following diagrams illustrate the
method:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Un des symboles suivants apparaîtra sur la
dernière image de chaque microfiche, selon le
cas: le symbole → signifie "A SUIVRE", le
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

THE
Borden Government
CONDEMNED
BY
Sir Robert Borden

CANADIAN LIBERAL PARTY

THE BORDEN PARTY CONDEMNED BY SIR ROBERT BORDEN

The reports made by the Conservative majority members of the Committees investigating charges of alleged wrongdoing in connection with the equipment of the overseas contingents would have led the country to believe that there was nothing very irregular about the way the vast sums of money voted by Parliament were spent.

Sir Robert Borden was unable to allow the matter to go to the people in that light, and on the last day of the session he publicly reproved two members of his party in Parliament, mentioned several cases in which court proceedings would be taken, held out a general jail warning to others, and concluded by announcing that hereinafter the country's money would be spent under the direction of a committee of business men.

Sir Robert Borden is the leader of the party in power in Canada.

If he made scapegoats of Mr. Garland M.P., and Mr. Foster M.P., it was partly because he expected that by focussing hostility on them, he would withdraw it from himself, the cabinet, and other members of his party.

WHY THESE TWO AND LET THE OTHERS GO?

Why did he overlook the men responsible for the rotten boots, and why forgot to mention his Nationalist Deputy Speaker, Sevigny, a member of whose family made the big haul on the drugs?

But also other party's members had their part in the patronage orgy which resulted in the conditions that have been exposed when Sir Robert Borden condemns two by name, he condemns all by inference.

Conservative members of Parliament in private and, it is said, in caucus, have argued that the logical and proper constitutional course is to remove Major General Hughes from the Cabinet. **Sir Robert Borden has not done this. Why? The General's friends say the Prime Minister dare not insist on the retirement of the Minister of Militia. Again, Why?**

No criticism Liberal members have made of the fantastic methods adopted under the direct initiation of General Hughes carries anything like so severe a condemnation of the General and his administration as this tact of the Prime Minister. In condemning Garland and Foster he condemns by inference his party's abuse of the power of patronage.

In threatening middlemen with the penitentiary he invites the public to guess *why* these rapacious middlemen were given such scope and with whom they divided their spoils.

In appointing a business men's committee he pronounces sentence of unfitness not only on General Hughes, but also on the other members of his Government whom he appointed a purchasing committee.

The Conservative party, tried in a great crisis of the country's history, *is thus condemned by the leader of that party.*

If the people of Canada think Sir Robert Borden was right in what he did on the last day of the session, then the thing to do is to

**turn them all out
and restore Business Methods
to all the Departments of
Government.**
