CAMPBELLTON, NEW BRUNSWICK TUESDAY, JUNE 15th, 1909.

Dreadnoughts at \$10,000,000 apiece are almost too costly to expose to the perils of war.

There are on the market at \$125 each. They are not the kind you get with a marriage license, either.

"Darkest Africa" is proving to be more and more a misnomer. American theatres are being held in the jungle for Roosevelt's entertainment.

Automobiles that will let their owners start and consume their own gasoline would make life much sweeter for the humble pedestrian.

The Earl of Arundell says Germany will declare war on Great Britain at a moment's notice. It was very foolish of the Kaiser to talk such a talkative gentleman of his plans.

It seems that Mother Earth is 240 million years old. Still, it must be admitted it doesn't look it, especially in the spring time, and a woman is only as old as she looks, you know.

Down in Georgia while engineers refused to take out their engines with negro firemen, though after a white man has shoveled coal all day, there can't be much difference, as far as looks are concerned.

A London magistrate has sent a woman to the Reformatory for four years for running away from her Toronto husband. Toronto husbands are such superior specimens are such superior specimens that magistrates can have no patience with wives who run away from them.

If the chauffeur who wrecked Mr. D. D. Mann's touring car in Toronto, while Mr. Mann (McKenzie & Mann) was out of town will consult a palmetto, he will learn that it would be well for him (if away) for the rest of his life of a very dark man.

WOMEN'S PERIOD OF PAIN.

Regularly the system can only be restored to its normal, healthy condition. If it fails, down, nervous, be sure that circulation is poor. The natural result is congestion that causes so severe a headache as to render the sufferer almost insensible. Pyzomene adds additional vigor to the heart and causes strong blood circulation. This is the only means of preventing congestions that cause pain, headaches and nerve weakness. The whole system is renewed and fortified, with strength, vigor and confidence. For girls and women suffering equally Pyzomene. See at all dealers.

SHALLEN TENDERS

SHALLEN TENDERS addressed to the undersigned, and endorsed "Tenders for Supplying Coal for the Dominion Buildings," will be received at this office until 4.30 P. M. on Thursday July 15, 1909, for the supply of coal for the Public Buildings throughout the Dominion.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied and signed with their actual signatures. Each tender must be accompanied by an accepted cheque on a chartered bank, made payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 per cent.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into contract when called upon to do so, or fail to complete the work contracted for. If the tender is not accepted the cheque will be returned.

By order, NAPOLEON TESSIER, Secretary, Department of Public Works, Ottawa, June 4, 1909. Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—2188.

When there were not many forest fires, the government considered that the forest fire department was a great credit to the province. It is now being introduced for the prevention of disastrous conflagrations. Now that forest fires have been raging in various parts of the province, some of these apologists of the government turn around and declare that the government shouldn't be held responsible for the spread of the fires. In other words, praise the government when there are no fires, but don't praise them when there are. What a delightful policy that is!—Ex.

WHICH LINIMENT IS BEST. For rheumatic pains and aches a thick oily preparation can penetrate—that's why Nerville beats them all. It sinks right in. I wouldn't live without Nerville. In my opinion, writes J. B. Cottam, of Mastown, N. S. "If you have rheumatism or soreness in the muscles or in fact any kind of an honest ailment, Nerville fills the bill. I can recommend it highly because I have proved that in one application of Nerville, Nerville there is more virtue than in a whole bottle of ordinary liniment." Try one of the large 25c bottles.

WHY COUGH SYRUPS FAIL. They also irritate the mucous membrane, drop into the stomach and do little else but harm digestion. It's different with Cotnam's—It fills the lungs. Every breath sends healing balsams to the inflamed tissues. Tightness, soreness and inflammation are cured by healing side effects. The cough goes away, throat is strengthened, business is cured. Nothing so simple, so convenient, so certain to cure as Cotnam's. There is more virtue than in a whole bottle of ordinary syrup. Try one of the large 25c bottles.

Inspector Deane Noble has been heard at a meeting of the bowmen who have been creating trouble on L. C. R. tracks. He was taken to Bathurst where he was held, including costs \$11.00.

In April a number of young men created a disturbance on the suburban train between here and Matapedia. Some of them were previously arrested and on Monday Inspector Noble arrested the lot of the crowd. These young men have been taught a severe lesson and in future will no doubt behave themselves.

CURE FOR DYSPEPSIA
As is well known, this troublesome complaint arises from over-eating, the use of too much rich food, neglected constipation, lack of exercise, bad air, etc. The food should be thoroughly chewed, and never boiled or swallowed in haste, stimulants must be avoided and exercise taken if possible.

A remedy which has rarely failed to give prompt relief and effect permanent cures, even in the most obstinate cases, is

BURDOCK BLOOD BITTERS

It acts by regulating and toning the digestive organs, removing coarseness and increasing the appetite and restoring health and vigor to the system.

—Amos Sawyer, Gold River, N.S., writes—"I was greatly troubled with dyspepsia, and after trying several doctors to no effect, I commenced taking Burdock Blood Bitters and I think it is the best medicine there is for that complaint."
