

THE RACES.

Successful Meeting at the Opening of the New Frederick Race Course.

Some Frederick Flyers Make their Records and Leave a Good Showing.

Good All Round Contest—Exhibition of Horses—The Races To-Day.

The Finish of the 2.40 this Morning.

Maud C. of St. John, the Winner.

Upwards of a thousand spectators witnessed the race at the new Frederick race course yesterday afternoon. The excursion train brought a good number of visitors to the city and altogether the opening meeting of the Frederick race association is a grand success. The weather yesterday afternoon was quite warm and pleasant, which added to the success of the meeting. A large number of visitors were on the grounds at an early hour and the race around the new track, visiting the government stables and looking over the last six months' standstill.

It is well worth the price of admission for any of our citizens to have the privilege of attending such a handsome and fully equipped training park. It is complete in all details and nothing has been left undone by the enterprising members of the association to do the course equal if not superior to any in the province. The old Oddell park, the grounds selected for the new race course, has undergone a wonderful transformation during the last six months. The entrance to the new grounds from Bayview street, along a fine line of about 100 yards in length, has very recently been fitted up and the large entrance gates have been erected. The grounds are enclosed by a fine substantial fence, standing 7 feet in height. The grand stand is a fine structure, and by the most modern style. It is splendidly located on the lower side of the park, and commands a fine view of the entire course. It is 100 feet in length, 30 feet in width, with 25 feet posts, and has a seating capacity for about 500 persons. It has a diagonal board floor, and is a favorite stand for night races. Directly opposite the grand stand is located the handsome judges' and reporters' stand. The building is 12 feet square, 16 feet in height, sheathed diagonally, and decked with all, or nearly all, of the colors of the rainbow. The stand is surrounded by a large belt, and furnished with all the modern racing equipments. Announcing the result of the races and positions by a bulletin of racing colors is, for example, something new in a Frederick race course.

The government stables in the northerly corner of the park is a very handsome and ornamental edifice, and a great addition to the appearance of the park. The stables contain 10 stalls, 12 feet square, with tongue-grooved shelving inside and out. It is, it is doubtful, as was remarked by a number of visitors at the stables yesterday, if such well furnished stables are to be found anywhere in the Dominion. The horse-tracks in connection with the track, and some other in the same way, are also well furnished. The association have the use of several of the stalls in the government stables during the races. The track itself, which was of course the main object of interest at the beginning of the race, is a fine one. It was only in fair condition yesterday, some of the portion of the track being in places, but to prevent speed being made. The track has been very carefully prepared, made up of gravel, clay and loam, and is one of the best half-mile tracks in the country. The side of the track measures 60 feet in width, while at the turn it is 40 feet. The circular turns are made of the latest fashion, with a rail of one inch to the foot from the side to the outside, making it all about four feet. On each side of the course a fence has been erected, and carrying and spectators are not allowed on the track during the races. Most of the visiting horses are of the opinion that the track has too much turn, and that the horse at the pole has too great an advantage.

The officers and directors of the Frederick Race Association are: Mayor Pender, president; Sheriff Sterling, vice-president; W. P. Fivelling, secretary-treasurer; D. F. George, Hon. F. P. Thompson, John A. Edwards.

THE RACES.

It was nearly half past two o'clock before all preliminaries were arranged for the starting of the races. It was nearly that time also before the main portion of the crowd assembled to witness the races.

The judges were: W. S. Jervis, St. John; P. Thompson, M. Tennant; James Hamilton McKee and W. P. Fivelling.

3-Year-Old Class.
The first race was of the three-year-old class. The horses were: John A. Frank Nelson, b. g. Prince R. b. g. Gladstone. Fivelling's mare Kitty Parker entered for the race, but was not started. As soon as the bell rang the colts were on the ground ready for the start, and the drivers were assigned their colors and positions. Murphy's colt, of St. John, "Frank Nelson" was driven by D. J. Stockford. After a little difficulty in starting, the colts were got off with a bang. Murphy's "Gladstone" soon forged ahead closely followed by John A. and Frank Nelson with Prince R. considerably in the rear. This position was maintained at the half-mile finish John A. and Frank Nelson almost neck and neck, time 1:31. In the last half mile the contest was close between the three leading colts, John A. breaking several times. Near the finish Gladstone widened its lead coming in the winner. The contest for second place between John A. and Frank Nelson on the home stretch was a sharp one, the former having a slight advantage when the line was crossed. Prince R. driven by Billy Berry, was out of the race from the start, but succeeded in getting home before the next heat was called.

In the second heat Prince R. was drawn, leaving the field to the three leading colts. Some time elapsed before a start was effected. Gladstone took the lead again from the pole. Frank Nelson broke and lost considerably at the start, but Dave soon had him down again under rattling speed, and was passing John A. at the quarter pole, near the half-mile finish Gladstone, hard pressed by Nelson, made a bad break, and Stockford was loudly cheered as he passed the grand stand with a clear three lengths of lead. At the three-quarter pole Slipp had nearly closed the gap with Nelson and the race from that to the finish was a pretty one. Gladstone crossing the line about a neck ahead of Nelson with John A. a close third. This ended the race, being the last of Gladstone taking first money, Frank Nelson 2nd, and John A. 3rd. Following is the summary:

3-Year-Old Class.

Best 3 in 5: Prince \$100—\$50 to 1st, \$30 to 2nd, and \$10 to 3rd.
Gladstone b. g. A. L. Slipp, Truro.....1
Frank Nelson b. g. A. L. Slipp, Truro.....2
John A. b. g. A. L. Slipp, Truro.....3

Three Minute Class.
There were six entries for the three minute class all of which started. These were: b. g. Diamond Jack, J. H. Kibben, St. Stephen; b. m. Kitty, G. W. Ross, Fredericton; c. b. Mambino Charte, John Clark, St. John; b. g. George All Right, D. J. Stockford, Fredericton; b. g. Black Nelson, D. M.

Alberton, Fredericton; b. g. Troublesome, Geo. H. Willet, Moncton. Mambino took the pole in the first heat. There was an exhibition of poor racing in this and succeeding heats of this race which occasioned great delay. A good start was effected at last, but Diamond Jack and Charte both made bad breaks shortly after the pole was crossed. Stockford's George All Right forged ahead near the quarter pole followed closely by Troublesome and Kitty with Black Nelson finishing up the rear. At the half-mile finish, George All Right maintained his lead, the race being a very close one between all the horses as the grand stand was passed. Before the three-quarter pole was reached it was seen that Stockford had the race well in hand, although the Moncton horse was making a good showing. On the home stretch All Right gave a fine exhibition of his trotting speed and of course the crowd wild with cheer as he crossed the line.

In the second heat the race was called back ten times before the start. The driver of Troublesome seemed determined to get away with All Right on the start and the same anxiety was manifested among the other competitors. All Right, however, was the best horse on the field, and finally the scoring was made from the distance with the horse at the pole which proved successful in the attempt No. 11.

The horses got away well together George All Right leading at the first turn with Kitty and Troublesome close upon him. This heat from start to finish was a very pretty race between the Fredericton and Moncton horse. At several times during the race they were neck and neck and would hold it for many seconds. Kitty followed some but trotted very unevenly. At the three-quarter pole Troublesome and All Right were together and all looked for a very struggle. The width of the track, however, was the distance pole was reached both horses broke almost at the same time, but Dave had his horse down in double quick time and crossed the line half a length ahead of his troublesome opponent. Rose's Kitty again captured third place and Alberton's Nelson fourth. In this heat the first half mile was covered in 1:21 and the mile in 2:41 giving All Right a record a shade better than three minutes.

3 Minute Class.
Best 3 in 5: Prince \$125—\$75 to 1st, \$37.50 to 2nd, and \$12.50 to 3rd.
George All Right, b. g. D. J. Stockford, Fredericton.....1
Troublesome, b. g. Geo. H. Willet, Moncton.....2
Kitty, b. m. G. W. Ross, Fredericton.....3

Two-Fourty Class.
All who anticipated a good race among the five horses entered for this competition were not in the least disappointed. Again the track was in fair condition, and the horses were in the same way, and some other in the same way, are also well furnished. The association have the use of several of the stalls in the government stables during the races. The track itself, which was of course the main object of interest at the beginning of the race, is a fine one. It was only in fair condition yesterday, some of the portion of the track being in places, but to prevent speed being made. The track has been very carefully prepared, made up of gravel, clay and loam, and is one of the best half-mile tracks in the country. The side of the track measures 60 feet in width, while at the turn it is 40 feet. The circular turns are made of the latest fashion, with a rail of one inch to the foot from the side to the outside, making it all about four feet. On each side of the course a fence has been erected, and carrying and spectators are not allowed on the track during the races. Most of the visiting horses are of the opinion that the track has too much turn, and that the horse at the pole has too great an advantage.

The officers and directors of the Frederick Race Association are: Mayor Pender, president; Sheriff Sterling, vice-president; W. P. Fivelling, secretary-treasurer; D. F. George, Hon. F. P. Thompson, John A. Edwards.

3-Year-Old Class.
The first race was of the three-year-old class. The horses were: John A. Frank Nelson, b. g. Prince R. b. g. Gladstone. Fivelling's mare Kitty Parker entered for the race, but was not started. A Second Edition THE CLEANER, YACHT RACE

Containing an Account of To-Day's YACHT RACE

And the Result of this Afternoon's HORSE RACES

Will be Issued this Evening at SIX O'CLOCK.

SPORTING MATTERS.

The Turf.
Mr. John H. Reid has been engaged for some days past in soliciting subscriptions for the race on the old track, and has been very successful. The citizens have contributed very liberally. John is determined to make the race a monster success, and if hard work means anything, he will certainly do so. He proposes to offer \$1,000 in purses, and expects that the fleet flyers in the province will compete. The old track is in excellent condition, and is most favorably commented on by visiting horsemen.

The Race.
The following is the result of the second competition in the York county association match, which was held on the range, Tuesday afternoon.

Ranges 400 and 500 yards, 5 shots at each range.

1st. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
2nd. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
3rd. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
4th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
5th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
6th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
7th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
8th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
9th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375
10th. Miller, 71st, 83, Association Cup and 1st choice prize.....4375

The Pop's Jubilee Reception.
Gladstone on the Government's Acquisition of Police at Mitchellstown.

Special to Gleaner.
LONDON, Sept. 29.—The British steamer, Matthew Cory, has been wrecked off Cape Finisterre. Ten persons were drowned.

General Conference.
The general conference of the Free Baptists of New Brunswick will be held at Saturday, Sept. 29.—A dispatch from Paris says that Germany intends to "large" to compensate the widow of the game-keeper, who was shot by German frontier guards. An hour before the shooting occurred President Grey received an autograph letter from Emperor William, declaring that the peace of Europe was the chief solicitude of his declining years.

Bas Relief.
In the league games, Toronto, Boston and New York were the only teams to win. The Toronto team won by a score of 10 to 0. The Boston team won by a score of 10 to 0. The New York team won by a score of 10 to 0.

Acquatic.
A Sydney, N.S.W. dispatch says—Peter Kemp has challenged Hamilton to row on the championship course for £200. The Christian Nelson has also challenged Hamilton to row for £200.

Temperance Meetings.
As will be seen by advertisement elsewhere, Mrs. J. R. Barney, the well known temperance worker, will address public meetings Saturday and Sunday evenings. On Saturday evening she will speak in the Temperance Hall on some phase of the temperance question. Sunday evening she will deliver an address in the City Hall on "Jerusalem to Jericho." A silver collection will be taken up at both meetings to defray the expenses of the speakers. The ladies in their decision as considerable preparations have already been made for the fair, and the date fixed by the officials charge. The reduced state of the secretary's finances resulting from the appropriation on the government homes is said to be the cause of the postponement.

For Toothache.
Go buy a bottle of Pain Killer, and find relief in the twinkling of an eye.

The University Matriculation Examination.
The university matriculation examination will commence on Saturday. The following is the time table:—Saturday, Oct. 1st, Latin from 9 to 11 a.m.; English 11.15 a.m. to 1.15 p.m.; Monday, Oct. 3rd, Greek 9 to 11 a.m.; history and geography 11.15 a.m. to 1.15 p.m.; Tuesday, Oct. 4th, Mathematics 9 to 12 a.m. The matriculation class will probably number about thirty.

New Catholic Church.
The Catholic church in its course of erection at St. Mary's. The masonry work for the foundation is nearly completed and timber for the frame is being prepared on the grounds. The work is under the supervision of Father Kieran, who is in charge of the new mission.

Wants a Life Partner.
The attention of the fair ones of this city and the surrounding country who may be getting weary of single existence is directed to the columns of "Wants" in this issue and the postal cards will take this hint and be on their guard for a little extra work between now and Christmas.

For Deep Seated Colds.
and Coughs, Allen's Lung Balsam cures what all other remedies fail.

Washington, Sept. 29.—Fair weather, generally stationary, light to fresh variable winds, generally south westerly.

MOVE FOR NATURALIZATION.

English Residents in New York to Perfect an Organization.

A Branch of "The Sons of George."

57,000 Britishers in New York and Brooklyn Who Have Not Been Naturalized.

Special to Gleaner.

NEW YORK, Sept. 29.—Several of the more prominent English residents in New York have for some time past been quietly preparing a plan for the purpose of perfecting an organization for political purposes, and as a result of their deliberations have issued a call for a meeting to consider the project formally. A circular convening a meeting has been sent to nearly all English residents of the city, and states that "the question of naturalization of British residents having become, from the very force of circumstances, of vital interest to Englishmen who have made this country their home to believe that New York should remain no longer dormant in the matter." The present intention is to form a branch of "The Sons of George" who claim to have nearly 10,000 members in their ranks. There are 57,000 British subjects in New York and Brooklyn, who have not been naturalized, and it is believed a large portion of them will join the new organization. The constitution will favor Home Rule for Ireland, but no dynamite.

TO-DAY'S CABLES.

Steamer Wrecked—German Frontier Shooting Case.

The Pop's Jubilee Reception.
Gladstone on the Government's Acquisition of Police at Mitchellstown.

Special to Gleaner.
LONDON, Sept. 29.—The British steamer, Matthew Cory, has been wrecked off Cape Finisterre. Ten persons were drowned.

General Conference.
The general conference of the Free Baptists of New Brunswick will be held at Saturday, Sept. 29.—A dispatch from Paris says that Germany intends to "large" to compensate the widow of the game-keeper, who was shot by German frontier guards. An hour before the shooting occurred President Grey received an autograph letter from Emperor William, declaring that the peace of Europe was the chief solicitude of his declining years.

Bas Relief.
In the league games, Toronto, Boston and New York were the only teams to win. The Toronto team won by a score of 10 to 0. The Boston team won by a score of 10 to 0. The New York team won by a score of 10 to 0.

Acquatic.
A Sydney, N.S.W. dispatch says—Peter Kemp has challenged Hamilton to row on the championship course for £200. The Christian Nelson has also challenged Hamilton to row for £200.

Temperance Meetings.
As will be seen by advertisement elsewhere, Mrs. J. R. Barney, the well known temperance worker, will address public meetings Saturday and Sunday evenings. On Saturday evening she will speak in the Temperance Hall on some phase of the temperance question. Sunday evening she will deliver an address in the City Hall on "Jerusalem to Jericho." A silver collection will be taken up at both meetings to defray the expenses of the speakers. The ladies in their decision as considerable preparations have already been made for the fair, and the date fixed by the officials charge. The reduced state of the secretary's finances resulting from the appropriation on the government homes is said to be the cause of the postponement.

For Toothache.
Go buy a bottle of Pain Killer, and find relief in the twinkling of an eye.

The University Matriculation Examination.
The university matriculation examination will commence on Saturday. The following is the time table:—Saturday, Oct. 1st, Latin from 9 to 11 a.m.; English 11.15 a.m. to 1.15 p.m.; Monday, Oct. 3rd, Greek 9 to 11 a.m.; history and geography 11.15 a.m. to 1.15 p.m.; Tuesday, Oct. 4th, Mathematics 9 to 12 a.m. The matriculation class will probably number about thirty.

New Catholic Church.
The Catholic church in its course of erection at St. Mary's. The masonry work for the foundation is nearly completed and timber for the frame is being prepared on the grounds. The work is under the supervision of Father Kieran, who is in charge of the new mission.

Wants a Life Partner.
The attention of the fair ones of this city and the surrounding country who may be getting weary of single existence is directed to the columns of "Wants" in this issue and the postal cards will take this hint and be on their guard for a little
