BARDS & CO'S DIRECTORY
 OF THE
Business and Professional Men
 OF THE
Maritime Provinces and Quebec.

ARRANGED ALPHABETICALLY, according to names, with
 a full description of their business appended.

FOR THE YEAR 1900.

INTRODUCTORY.

IT is our aim, in presenting this little volume to our friends and patrons, to thoroughly introduce to them

Inks of Sterling Worth.

We beg to remind you of the fact that this is our first attempt at a Maritime Directory. Therefore if you do not find it as complete in every detail as your other directories, do not condemn it as being faulty, as it is almost impossible to get every one on a first canvass. Also remember the circulation of this book is gratuitous to our ink patrons. Trusting our book will prove useful to you, We hope to remain very truly yours,

F. A. SCOTT, Pres. and Gen. Mgr.
