12th do.	Alfred A. Munro ...	Mallorytown

COUNTY COURT TERMS.—3rd January, and 4th July.

GENERAL SESSIONS, AND COUNTY COURT SITTINGS.—14th June, and 13th December.

Herschell's Weather Table.

FOR FORETELLING THE WEATHER, THROUGH ALL THE LUNATIONS OF EACH YEAR, FOREVER.

	IN SUMMER.	IN WINTER.
If the new Moon, the first quarter, the full Moon, or the last quarter, happen		
Between midnight and in the morning,	Fair.	Hard Frost, unless the wind is s or w
— 2 and 4 morn,	Cold with showers.	Snowy and stormy.
— 4 and 6, "	Rain.	Rain
— 6 and 8, "	Wind and rain.	Stormy.
— 8 and 10 "	Changeable.	Cold rain if the wind be w., snow if e.
— 10 & 12 "	Frequent showers.	Cold and high wind.
At 12 noon and 2 P. M.	Very rainy.	Snow and rain.
Between 2 and 4 P. M.	Changeable.	Fair and mild.
— 4 and 6	Fair.	Fair.
— 6 and 8	Fair if wind n. w.	Fair and Frosty if is n. or n. e.
— 8 and 10	Rainy if s. or s. w.	Rain or snow if s.s.w.
— 10 and midnight.	Ditto.	Ditto.
	Fair.	Fair and Frosty.

OBSERVATIONS.—The nearer the time of the Moon's changes, first quarter, full and last quarter, are to midnight, the fairer will the weather be during the seven days following.

2. The next space of this calculation occupies from ten at night till two next morning.

3. The nearer to mid-day or noon the phases of the moon happen, the more foul or wet weather may be expected during the next seven days.

4. The space of this calculation occupies from ten in the forenoon to two in the afternoon. These observations refer principally to the Summer, though they affect Spring and Autumn nearly in the same ratio.

5. The Moon's change, first quarter, full and last quarter, happening during six of the afternoon hours (i. e. from four to ten), may be followed by fair weather; but this is mostly dependent on the wind as is noted in the table.

UNITED COUNTIES OF LEEDS AND GRENVILLE.

High Sheriff—Fredk. G. Dickenson, Brockville.

Judge of County Court—R. F. Steele.

Judge of Surrogate Court— do,

Registrar of Surrogate Court, James Jessup, Brockville.
