Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Special Notice.

TERMS :—Net Cash in advance. Remittances must in all cases accompany each order, including sufficient for return postage. As the prices quoted in this list are at such low rates, I am compelled to ask you not to deviate from these rules, otherwise orders will be rejected.

No Stamps taken in Exchange except they are ordered.

Orders for Stamps from Catalogue should be written on a separate paper, with prices enumerated, in which case the same will be returned, duly checked.

Correspondents who may have stamps in quantity which they desire to exchange for stamps named in my Catalogue, by sending large parcels of common used stamps, should order stamps of a similar quality, as I do not undertake to send unused or rare stamps in exchange for such ; or if the selection is left to me I will send good value in such stamps.

Exchange orders should be of double the amount required, to allow for certain stamps, of which my supply is so limited that I am obliged to reserve them for cash orders. Correspondents will then receive what they desire.

Imperfect or soiled specimens are useless. Envelope Stamps to be cut square. Cards must be entire.

I cannot too strongly impress the necessity of securely wrapping parcels intended for me. Insufficiently prepaid letters and packets are refused.

All letters containing money or stamps must be REGISTERED.

I particularly call your attention to my provincial stamps, viz., Newfoundland, P. E. Island, New Brunswick and Nova Scotia.

Parties desiring information concerning the prices given by me for Foreign Stamps will be furnished, on application, with a list of prices I offer in cash or for Exchange.

Correspondence in English, French and German.

All stamps warranted genuine. Stamps not sent on approval.
