*Copies of Testimonials, etc., referring to
Rev. ERNEST KING'S School and College Career, and
Capacity as a Teacher.*

—o—

BISHOP'S COLLEGE, July 21, 1862.

It gives me great pleasure to certify that MR. ERNEST KING, who has been my pupil for some years, is a young man of good abilities, of conscientious industry, and of good attainments. He has been for some time at the head of the Lennoxville Grammar School, and he matriculated in the university in June last with credit.

That MR. KING'S ability, energy, and conscientiousness, will ensure the thorough discharge of any duties he may assume, I have no doubt; and I shall be greatly surprised if his good temper and the modest propriety of his deportment, do not at all times recommend him to the friendship of his employer.

Of the sterling excellence of his moral and religious character, I cannot speak too highly. Without parade or ostentation his conduct has been uniformly exemplary.

JAMES W. WILLIAMS, M.A.,

Rector of the Junior Department of Bishop's College.

Note.—At the Examinations in Bishop's College Grammar School, at the end of June, 1861, KING, ERNEST stood First of the First Class (or Sixth Form) in English, French, Latin, Greek, Euclid, Scripture, History and Writing, also Second in Geography.

LENNOXVILLE, July 23rd, 1862.

I have much pleasure in certifying that MR. ERNEST KING has during his residence in this Institution been uniformly diligent in his studies and regular in his attention to all his duties. His conduct

has always been such as to win for him the highest esteem of all who have been in any degree his teachers or guardians, as well as my own. MR. KING was admitted last month to membership in the University.

To Captain E. A. King, Commanding B. C. R. Company.

DEAR SIR.

On behalf of the Officers, non-commissioned Officers, and men of Bishop's College Rifle Company, I am requested to present you with this small token of our regard for your services. Although you have not been with us long as commanding officer, yet during that short time we have found that we have over us one who really looks after the interest of the Corps. We have had many difficulties in our endeavors to bring the Corps to a state of efficiency, but by your help we have overcome them. We also thank you for your trouble in procuring us a winter outfit, in re-organizing us according to the regulations of the Militia Act, in procuring land for a Rifle range, and obtaining means for procuring iron targets, and we trust that in the coming field-day we may keep up our old reputation for drill and discipline.

LENNOXVILLE, DEC. 18, 1868.

Address to E. A. W. King, Esq. by the boys of the Boarding House.

The boys who are assembled here to-night beg to present you with this desk, hoping you will value it, not so much for its intrinsic worth, as for its being a token of the esteem which the boys of the boarding house have for your personal character, and the appreciation which they entertain of the faithfulness with which you have discharged your duties in the school.

Few, if any of us, are ignorant that the position in which a master in any public school is placed, is a difficult one and involves many and very weighty responsibilities, and he who fulfils the duties of that station without making some and often many enemies must have a great faculty of combining the "*suaviter in modo*" with the "*fortiter in re*" We may safely say with regard to every boy present here to-night, that there is not one who regards you with any other feelings than those of esteem, respect and affection.

You have been connected with this establishment in the capacity of a master for the longest period of any master at present in the school, and during the whole time, whilst you have unflinchingly enforced the rules of the school for the maintenance of discipline and good order, you have never used the power placed in your hands otherwise than for the comfort and well-being of the boys under your charge.

Hoping that this slight gift may be useful to you in the future, we all wish you heartily a "Merry Christmas" and a "Happy New Year."

MINISTRY OF PUBLIC INSTRUCTION, PROVINCE OF QUEBEC.

QUEBEC, March 31, 1870.

I hereby certify that I have known MR. ERNEST A. W. KING, M.A., during twelve years, since 1858, when my personal acquaintance with him commenced in the relation of Professor and student, MR KING being then a student in the Arts Course at the University of Bishop's College, Lennoxville, while I was Professor of Mathematics and Natural Philosophy, as well as Vice-Principal of the same Institution. Subsequently before taking his University degree, MR. KING, was elected by the authorities of the Institution to fill the responsible office of a master in the Junior Department or Grammar School of the College.

I have very great pleasure in bearing testimony to MR. KING'S excellent character, disposition, attainments, and irreproachable conduct, throughout the period of my acquaintance with him. As a student he was diligent, faithful, and successful; as a master, judicious, capable, beloved by his pupils, always respected by his colleagues, and enjoying their full confidence, as well as that of his superiors, the authorities of the Institution. As my own sons were under his instruction, I had additional opportunities, in common with the parents of his other pupils, of appreciating MR. KING'S careful assiduity and skill in the teaching and management of his classes.

Outside of his avocations as a teacher, Mr. KING enjoys the highest respect of all who know him, on account of his amiable manners, gentlemanly conduct, well cultivated mind, and truly christian character and course of life.

I consider MR. KING eminently worthy of trust and confidence in any post requiring the qualifications implied in the above statement, and that he will be found a valuable acquisition in any circle of society in which he may choose to place himself.

H. H. MILES, M.A., LL.D., D.C.L.

Assist-Sec'y (Engl. and Prot. Deputy Head) of the Ministry of Public Instruction, Prot. Sec'y of the Council, and Editor Journal of Education, for the Province of Quebec.

PARKHURST, April 4, 1870

MY DEAR SIR.

Any testimonial of mine, more especially when addressed to you amongst those who have had you among them for so long a time, would be superfluous, yet your kindly remembrance of me at this period of your career has afforded me a deeper pleasure than I can well express.

The boy is father to the man, and this last delicate attention you have paid me is but a consequence of the thought and consideration for others which showed itself in you as a pupil in that school where you have now been so long a teacher. I mean the phrase in its highest sense; love of others founded on the love of God, and showing itself, not merely in acts of courtesy, but in an honest endeavour to discharge your duty both in the school and in the playground. You cannot be ignorant of my sentiments towards you, yet it is a pleasure to me to take this opportunity of assuring you on the eve of your assuming the functions of Ambassador of the Most High, that your school career won for you the esteem of your masters (for I am able from my own knowledge to speak of Mr. Capel's feelings towards you when I was at the school) an esteem and respect which everything I have known of you since has confirmed.

I hope to be in Sherbrooke, on Thursday. If you are still in Lennoxville, shall endeavour to see you.

May He who has called you to His work bless you.

Yours very truly,

JOHN J. PROCTER,

Formerly Assistant Master in B. C. Gram. Sch.

ERNEST A. W. KING, ESQRE.

DUNHAM ACADEMY, April 12, 1870.

MY DEAR MR. KING.

I write you a testimonial with a peculiar pleasure, the reasons for which you may easily imagine.

I knew at Oxford and elsewhere some 30 or 40 men preparing for the Ministry, and of these I think only one equally fitted for holy orders with yourself.

Your abilities are far above the average, your opportunities for book learning the same, and both have been fully made use of. You have had that training in knowledge of human nature which the serpent wise R. C. Church requires from all her Canadian *curés*, that of a school-master.

Your moral character is above breath even of scandal and gossip, your "*religio*" marvellous in amount and reverence. Above all you have the one qualification, philosophically speaking, that of a will consciously directed to the instruction of the conscience and resolved to obey its every dictate.

The only rock on which you can split, is built up by habits of doing, not only what the plain call of duty enjoins, but all that every selfish person asks of your leisure.

Were you called to a busy post, you might certainly commit that noble form of semi-suicide—the bringing on shattered health by over-exertion. This would be deferred by your excellent constitution, regular habits and healthful precautions, but it is not impossible.

I may add that I never saw any one who combined such generous impulses with so much discretion; a discretion certainly above your years.

Your extreme deference to the views of those whom you hold your superiors, whom your modesty makes very numerous, will prevent your being a great reformer or a great schismatic. Your path will, I predict, be one of quiet, orthodox, unusual usefulness.

I do not know if these opinions of mine will seem very flattering, but they are my sincere convictions.

I am, yours very truly,

F. C. EMBERSON, B.A., OXON,

Principal of the Academy.

NOTE.—Mr. Emberson was for some time Classical Tutor at the University of Bishop's College, and afterwards Inspector of Superior Schools.

TORONTO, April 27th, 1870.

I have much pleasure in stating that an acquaintance with MR. E. A. W. KING, lasting since October, 1864, enables me to speak with confidence and knowledge regarding his character and acquirements.

Of his college achievements, his College Calendar will speak, and his tutors will not be ashamed to write. I shall confine myself to what I have seen in him in his private character, and in his capacity as Master in Bishop's College Grammar School.

MR. KING I regarded as one of the most efficient masters on the staff; and I happen to know from my personal intimacy with the late Rev. G. C. Irving, (at that time Rector of the school), that MR. KING possessed a very full share of his confidence. He is a man of very exact attainments, acquiring a thorough grasp of every subject to which he devotes his studies, and being not satisfied with anything like incompleteness. His long experience has given him a ready command of every department of study pursued in school education. It has also developed an increased measure of a talent originally large—that of imparting to others the knowledge stored in his own mind. As a disciplinarian, MR. KING frequently called out my admiration, and always displayed force of character and strength of will, combined with much tact and great kindness.

He is methodic and systematic, conscientious and painstaking in the discharge of his duty—making duty always his first consideration. His disposition of mind is one that must continuously lead to self-improvement and development, and his example in this respect is one of the greatest service to all who have sufficient intercourse with him to be brought under its power.

Morally, MR. KING's character stands equally high. Conscientious, diligent, full of honor, and actuated always by high principles and worthy Christian motives, he is a man to whose influence I would not hesitate to submit a child, with well-grounded confidence.

Of gentlemanly manners and refined and cultivated taste, of Christian bearing and manly mind, showing respect alike to others and to himself, he does not fail to conciliate the respect and esteem of all who know him; and he won from me, soon after our acquaintance was formed, a friendship which I trust may remain unbroken.

A. G. L. TREW, M.A.,

*Assistant Minister of St. George's, Toronto, formerly
Classical Lecturer in Morrin College, and Master
in the High School, Quebec.*

LENNOXVILLE, April, 1870.

I have known E. KING, Esq., M.A., of this University, for the last nine years—first as a pupil of our School, second as a student of our College, third as one of my colleagues.

As a pupil and a student, he stood very high in the estimation of his comrades and of his superiors, for his good mental abilities, his diligence, his earnestness, and for his truly Christian and gentlemanly conduct and manners. He is one of the best French scholars I have had. These precious qualities and gifts he carried into his work as a teacher, and they won for him the confidence, the respect and the love of all those under his charge. Dignified, yet gentle to all; firm, yet not severe; considerate, impartial, he had a very great control over the boys, both in the house and in the hall, whilst all agreed in acknowledging his eminent talents for making boys understand and relish whatever he undertook to teach them, whether in Classics or Mathematics, or in English, or in French.

And now impelled, as I well know, by the purest and holiest motives, he has left us to take up his Cross, and obey the Divine call: "*Follow thou Me!*" may his life be to the end a daily illustration of that saying of holy Peter: "*Lord thou knowest that I love Thee!*"

CHAS. ROUX, M.A.,

Professor of French Literature, University of Bishops' College.

LENNOXVILLE, 22nd April, 1870.

It is with much pleasure that I bear my testimony to the high character borne by MR. KING. From personal knowledge extending over a period of at least ten years, I can confidently speak of his moral and religious life as being spotless and sincere. I have no doubt that he will prove himself to be an earnest and devoted clergyman, and will bring both ability and diligence to the work of his holy office.

A. CAMPBELL SCARTH, M.A.,

*Incumbent of St. George's,
Prof. Ecc. History: Bishop's College, Lennoxville.*

The Rev. ERNEST A. W. KING, M.A., has been known to me since the year 1867, when I first came to Canada, as one of the Assistant Masters in the junior department of Bishop's College, Lennoxville.

During that time I have formed a high opinion of his qualifications as a teacher. His management of boys was at once firm, kind and judicious, and he appeared to me peculiarly successful in winning their esteem and regard. I felt in common with many others that the Institution sustained a severe loss by his determination to leave us for the purpose of seeking ordination from the Lord Bishop of Quebec.

Of MR. KING's earlier career as an undergraduate at Bishop's College, I know him only by repute as an earnest and painstaking student. My personal association with him as an agreeable colleague in school duties I shall always look back upon with unmixed satisfaction.

As a churchman, I believe him to be sound and consistent in his views, and I trust that he may long be spared to promote the glory of God by furthering the work of the Church in the higher sphere of duty on which he has lately entered.

W. H. PRIDEAUX, M.A.,
Lincoln College, Oxford,
and Bishop's College, Lennoxville.

LENNOXVILLE, May 4th, 1870.

BISHOP'S COLLEGE, LENNOXVILLE, May 23rd, 1870.

ERNEST A. W. KING has been personally known to me for the last nine years, and I have great pleasure in bearing testimony to his irreproachable character during the whole of that time.

He was studious and persevering as a boy at the Grammar School, and obtained the highest honors there. As a student in the University he maintained his previous reputation, although part of the time of his College course he was doing full duty as a junior master. In the school and as a master, he was zealous, careful and successful.

W. RICHMOND, M.A.,
Sub.-Rector,
Bishop's College School.

BISHOP'S COLLEGE, LENNOXVILLE,

DIOCESE OF QUEBEC,

November, 1870.

DEAR MR. KING :

You expressed to me some time ago your wish to have from me some testimonial to your life and character at Lennoxville.

Circumstances, which you know, have delayed my compliance with your request, and I did not suppose you needed any testimonial immediately.

I have known you well for many years—as a schoolboy, as a College student, and as a master in our junior department.

In all these conditions of life I have always thought that you were most appropriately named Ernest. To “ Earnest,” I would add that you were thoroughly conscientious and high-toned in character. It follows almost as a natural consequence that you were, with God's blessing, successful.

Should you at any time require a more minute and special testimonial, I shall be most happy to give you one.

With every good wish,

I am, Dear Mr. King,

Very sincerely yours,

JASPER H. NICOLLS, D.D.,

Principal B. C. L.

REV. E. A. KING, M.A.

Note.—During the next 15 yrs,—1870 to 1885—MR. KING gave his attention almost exclusively to clerical work, in reference to which he possesses many testimonials. He became Principal of the School at Cote St. Antoine in Sept. 1885.

COTE ST. ANTOINE, Dec. 23rd, 1885.

“A Merry Christmas,” and “Many Happy Returns.”

EXTRACT FROM THE “*Montreal Herald*,” OF SEPT. 25, 1886.

Our new Academy is rapidly approaching completion, and will be much required, as the school is larger this year than ever. The REV. E. A. W. KING has again been appointed head master, to the entire satisfaction of both parents and children. MR. KING is exceptionally gifted as a teacher, possessing every trait requisite to complete success in his responsible profession. He has already greatly raised the tone of the school and is proving a veritable blessing to our little community.

FROM "*Montreal Herald*," JAN. 15, 1887.

Our Christmas school examinations were largely attended and proved most satisfactory to all. The progress shown by the pupils was really wonderful and would compare favorably with the best city schools. The school has been most fortunate in its principal, the REV. E. A. W. KING, formerly of Lennoxville, who within a year has raised its tone and character beyond recognition. It is, indeed, now a first-class academy and a number of pupils are studying for McGill examinations. As Mr. J. K. Ward remarked, we have good reason to be proud in that we have a school superior to that of any municipality outside the cities of the Province of Quebec, and he might have added that it is superior to a good many schools inside the cities. It is the old story; good teachers make good schools, and MR. KING is ably assisted by Miss Tucker, an academy graduate of McGill Normal School, and the Misses James and Ramsay: The school has now a Tonic Sol-Fa class taught by Mr. J. J. Dawson.

The Rev. Mr. King took charge as Principal of the Cote St. Antoine School in the Fall of 1885, when it was little better than an ordinary elementary school, and has, by his energetic and successful method of teaching, raised it to the rank of an Academy, which now compares favourably with other institutions of a similar character."

THE REV. E. A. W. KING.

*To be presented with an Address on his retirement from the
Cote St. Antoine Academy.*

An influential meeting, to which the parents of all the pupils had been invited, was held in the school-house on Saturday evening, to arrange for an address to be presented to Rev. E. A. Willoughby King, in appreciation of the valuable services rendered by him to the school during the three years in which he has filled the position of principal. Mr. John Magor presided, and amongst those present were : Messrs. Durnford, Samuel, Capt. Sully, Nowers, Greig, Terrill, Minto, Walker, Cundill, Murray, Bulmer, Ferguson, Ellacott, Levers, Latter, Birss, Richmond, etc. Several ladies were also present, amongst whom we noticed Mesdames McFarlane, Magor, Everett, Nowers, Devine and Martin. After reading letters of regret, the chairman opened the meeting with a forcible address, in which he reviewed the course of the school of late years, and showed the surprising progress made during Mr. King's three years' term of office. Mr. Samuel followed with a few pointed remarks, and after expressions of gratitude from other gentlemen present, the following address was proposed and a resolution was adopted unanimously that a committee should present the same to Rev. Mr. King :

"The parents and guardians of pupils who have attended the Cote St. Antoine Academy, have heard with much regret that your connection with the school is about to be severed after three years of arduous and faithful application to the important duties of principal. They have observed with great satisfaction and pleasure that during your incumbency, there has been a marked improvement, not only in the educational progress made by the pupils, but in the whole tone of the school, and this in a time of special difficulties naturally resulting from a rapid increase in numbers, and from changes in the official grade of the school. The patient care which you have bestowed upon the children, your gentlemanly influence over them, and their respect and affection for you, are matters which cannot be too gratefully acknowledged. We feel that when you leave us the community of Cote St. Antoine will suffer a loss not easily repaired, but trust that our loss will be your gain and that the change will conduce to your benefit in every way. We hope that your contemplated trip to England, will afford you that rest and recreation which you so well deserve, and that you will return to Canada with health and strength renewed."

The meeting concluded with a cordial vote of thanks to Mr. Magor, for his courteous conduct in the chair.
