REPORT OF COUNCIL  
OF THE  
ONTARIO RIFLE ASSOCIATION,  
1877.

---

Your Council beg to submit their Annual Report for 1877.

The Ninth Annual Meeting was held on the Association Ranges, Garrison Common, Toronto, 28th August and following days. Frequent rain storms delayed and prevented the several matches from being worked off as rapidly as was desirable, thereby causing some dissatisfaction among competitors. However, until canvas or other targets that will not wash are substituted for the iron, no assurance can be given for regularity or rapidity in conducting the meeting.

The entries in the first match were slightly in excess of last year, and no doubt the same would have been the case in other matches; but from the delay already mentioned, many competitors were unable from want of time to stay for more than one or two matches. The same reason will account for the falling off in the receipts from entrance fees, some \$50 less than 1876.

Your Council note with pleasure the attendance of several prominent marksmen from the Province of Quebec, and hope that they and many others may again be tempted to compete at future meetings.

The "Extra Series" Prizes again proved a successful addition to the regular matches; but, as in the previous year, the prizes collected were entirely from Hamilton, Toronto and Guelph. Surely other localities would contribute if asked: if not, we fear this portion of the programme must be left out.

Besides the usual matches, a competition for places on the Wimbledon Team of 1878 was held on the last two days of the meeting. The regulations for this competition were laid down by the Dominion Rifle Association, and though very strict, were unfortunately, as it has since appeared, open to different constructions; for while the Officers of this Association, deeming it strictly a militia competition, enforced competitors to fire in uniform, and prohibited the use of glasses or coaching,

other Provincial Associations dispensed with the former and allowed the latter, much to the detriment and disadvantage, we think, of competitors from Ontario. Again, the rules emphatically declared that when any of the four competitions *began it was to be finished, no matter what the state of the weather.*

Notwithstanding very heavy wind and rain storms which occurred during our competition, the rules were carried out to the letter, whereas in one other Province the competition was stopped entirely owing to rain, and not finished until next day.

Under the circumstances detailed, your Council do not think that justice was done to Ontario, and therefore have entered a protest against the selection being made from the best scores sent in, which give this Province one representative only in a team of twenty.

Under the revised regulations regarding Affiliated Associations and members, an increase of six Associations has been obtained, though the revenue from them is only half what it would have been under the old system. On the other hand, the fees from members have greatly increased, and, added to the affiliated fees, augment the revenue considerably.

By the Balance Sheet it will be seen that upwards of \$500 has been added to the balance from last year, even though the expenses were largely increased by the unusual length of the meeting, caused by rain and the Wimbledon competition.

The revenue from pasturage has fallen off slightly from the preceding year, a decrease accounted for by want of rain during the summer, which necessitated our having to reduce the fees charged to almost half, before the season was nearly over.

In connection with the pasturage, we regret to announce that the Government have granted some sixty acres of the common to the City of Toronto as a site for an Exhibition, thus curtailing to a very great extent our revenue from pasture, if not entirely destroying it.

It is with great pleasure your Council acknowledge again the donation from His Excellency the Governor-General, Earl Dufferin, of a silver and bronze medal, which were awarded for the highest aggregate scores, while with sincere regret they learn that His Excellency is about to sever his popular and interesting connection with the Dominion.

Your Council would again gratefully acknowledge the following donations :—
