Dear Madam.—In justice to you, and that the afflicted may know the great kenefit derived from the use of your justly Celebrated Dipner Pills, I send you the following statement:

My wife was afflicted with the Dyspepsia for one year, and Piles many years, and tried various remedies that were recommended, but nothing did good untill a friend told her to try your Pills, which she did, and after taking one box found so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for myself, I had a cough for four years, and constant pain in my breast: I was also thoused with hemorrhage for upwards of aims menths, I tried almost everything, but no cure was effected, until I used your Pills, which I have been taking for three months, and I have neither pain nor cough, and enjoy as good health as ever I did, and allow me with due respect to remain Yours, very thankfully, John Frederickson.
