NEWCASTLE, N. B., JUNE 7, 1911

PRICE THREE CENTS

Board of Trade to meet W. S. Loggie, M. P.

To-Morrow Night, for Full Discussion of Important Questions—Membership now about 100—Improved Train Service.

The regular meeting of the Board of Trade was held Monday night. Pres. P. Hennessy in the chair.

Following were accepted as members: J. D. Volkman, Weldon Robinson and Wm. G. Thurber, Millerton; E. P. Williston and Waldo Crocker, Newcastle; John Maloney, Rogersville; and Wm. Ramsay, Redbank.

This addition brings membership up to nearly 100.

Communication from "Busy East," asking for monthly write up of Newcastle and vicinity, was referred to publicity committee—E. A. McCurdy, Ald. Butler and W. J. Jardine.

From Canadian Newspaper Co. of London, asking for cuts, photos, and articles descriptive of New Brunswick, was referred to same committee.

From Maritime Board of Trade, which meets this year at Moncton, August 16th, asking for notification before July 1 of questions this board wishes to have discussed at the convention. Several propositions were laid on the table till next meeting.

Although the suburban service has not, as is very necessary, yet extended beyond Blackville to Doaktown, improvement in the Blackville-Newcastle time table was noted. Up river people have now one hour and ten minutes longer in Newcastle and have to spend 45 minutes less in the train during their trip.

Many matters, including dredging at many points, down river mail service etc., were postponed till next meeting.

Mr. Belyea said that Brantford firms could not fill more than half their New Brunswick orders for truck wagons. The manufacture of the latter here should pay. The meeting adjourned till 8 o'clock, Thursday evening, June 8th, when W. S. Loggie M. P., will meet with the Board and all matters with which his position at Ottawa gives him connection, such as dredging, mail service, railway etc. will be fully discussed. The board are deeply in earnest, and are bound to secure for Newcastle and the up river sections of the county full justice from the Dominion government.

It was announced that the Swedish Lumber Co., are putting on a steamer to carry lumber between Nordin and Rexton and P. E. I.

It is expected that A. W. Campbell chairman of the Railway board, will be here within the next two weeks to take up with the Board of Trade the matter of the urgently required improved service between here and Doaktown, a distance of 50 miles. Now Doaktown people have to do their business in Fredericton, 64 miles away.

Every member of the Board should be present at the meeting with Mr. W. S. Loggie. It will probably be the most important meeting the Board has yet held.

The meeting will be in Newcastle Town Hall at 8 p. m., to-morrow (Thursday) night.

Sec. McCurdy is a very busy man these days. An enormous amount of correspondence is handled each month. His services are given free.

KING GEORGE V.

QUEEN MARY

AN AUSTRALIAN VISITOR

John Corbett of Melbourne Visits His Brother After 46 Years Separation.

It was a pleasant occurrence on Wednesday for Mr. William Corbett, sr., when he found his brother Mr. John Corbett at his home here. For nearly half a century, forty-six years to be exact, neither brother had seen the other. Mr. Corbett did not recognize his brother, but he had word that he would arrive and consequently he was soon shaking his hand.

Mr. John Corbett, who was the oldest of the family, left his home at Inverness, Scotland to locate in Australia forty-six years ago. Several years later Mr. William Corbett came to Miramichi from Inverness. Mr. John Corbett was very successful in Australia, where he is located at Melbourne. He paid a visit to Inverness about ten years ago and spent a month there with his brothers. On his visit home this year he decided to come to New Brunswick and see his other brothers, William of Newcastle and Louis of Petit Rocher. After spending a short time here, he will proceed to Petit Rocher.

Mr. Corbett finds the climate here much colder than that of Australia. What he has seen of Miramichi has certainly impressed him and he was particularly struck with the beautiful river.

REVIEW OF FLEET

London, June 2.—The Admiralty issued an official chart of the Coronation Review of the fleet at Spithead on June 24. Within the positions covering eight square miles will be gathered 170 British warships and about sixty ocean liners and yachts.

The British vessels will be assembled in five long main lines, the foreign vessels forming the sixth line. Beyond the limits of the official review ground will be anchored hundreds of other yachts, merchant ships and pleasure steamers, forming an imposing display of British shipping.

NEW BRIDGE AT INDIANTOWN

A contract has been let to D. C. Burpee and Co., Gibson, to build a bridge at Indiantown, at \$12,000.

PROGRESS IN MEXICO NOW

New Electoral Law Adopted and Division of Large Estates Promised.

Mexico City, June 1.—The Mexican congress brought its session to a close last night with the appointment of the permanent committee, composed of members of both houses, which will represent the body during the recess. The fall session will begin on Sept. 15.

Among the measures of greatest importance to the people at large taken up by the Congress were the land bill, proposing the division of the great estates throughout the Republic, and the sale of lands in small tracts to settlers, and the electoral law. The land bill went to a committee, and was not reported.

It authorizes the division and sale of such national lands as possess the necessary conditions for distribution in small parcels. The bill also authorizes suitable lands to be acquired from private owners and the construction of irrigation, sanitation and drainage works and transportation lines. It will come up again.

IMPORTING CHILDREN

Halifax, N. S., June 2.—One hundred and seventy-nine bright-eyed youngsters, averaging fourteen years, arrived this morning from the Middlemore Home, Birmingham. They leave Halifax tonight for points in the maritime provinces.

About sixty of the youngsters are girls. All are a healthy looking lot.

Mrs. Gerow, of the Fairview Home, takes a party to Carleton and York counties tonight. Mr. Jackson leaves the same time with a party for Fredericton. Superintendent Gerow leaves tomorrow with those destined for points between Halifax and St. John. Ensign Hargrove will take a party to Prince Edward Island. The two matrons will take a party to Cape Breton.

BODY OF LAVIGNE FOUND

The body of Louis Lavigne, lost several months ago, was found in the river at Bathurst on Friday by T. M. Wright, a Fredericton commercial man.

Women's Missionary Convention

Progress Reported at the Annual Meeting in Moncton Last Week—Officers Elected and Organizers Appointed—Other Business

The twenty-sixth annual convention of the New Brunswick and Prince Edward Island branch of the Women's Missionary Society opened Wednesday morning in Central Methodist church, Moncton, with the president, Mrs. J. D. Chipman, of St. Stephen, in the chair. There were present some 100 delegates, among whom were Honorary President Mrs. Richard Johnson, of Charlottetown, and Vice-Presidents Mrs. (Rev.) Samuel Howard, of St. Stephen, Mrs. (Rev.) J. A. Rogers, and Miss Stewart, Sackville. About half of the delegates had attended no convention before.

All the district organizers' reports were of a most encouraging nature, a pleasing feature being the fact that the auxiliary at Campbellton, which had suffered so severely owing to the disastrous fire, has been reorganized and was at this date doing good work and was deserving of much credit.

Mrs. J. A. Follansbee reported for Chatham District.

Another pleasing feature was when Mrs. Lawson of St. John, and Mrs. Hart of Sackville, both of whom had given their daughters as Women's Missionary Society workers, were introduced, they responding appropriately to the greetings of the convention.

The District Organizers reported amounts raised by the different districts.

Woodsstock District	\$1,174.91
St. John District	2,515.19
Summerside District	1,659.48
Fredericton District	922.32
St. Stephen District	513.59
Chatham District	397.82
Moncton District	1,001.25
Charlottetown District	1,683.68
Mrs. P. S. Enman, corresponding secretary of Circles and Bands, reported a membership of 2,629. Total amount raised by Circles and Bands, \$3,062.44	

Mrs. Coulthard, branch correspondent secretary, reported that there are 98 auxiliaries in the district. Total membership, 2,399.

Mrs. Williams, treasurer, reported. Total amount raised in the district, \$10,756.64.

The meeting closed on Friday.

The following officers were elected: President, Mrs. W. B. Coulthard; 1st Vice President, Miss Stewart; 2nd Vice President, Mrs. Howard; 3rd Vice President, Mrs. Walter; Corresponding Secretary, Mrs. Sanford; Recording Secretary, Mrs. Dawson of Chatham.

Treasurer—Mrs. F. S. Williams, Marysville, N. B.

Corresponding Secretary for Circles and Bands—Mrs. P. S. Enman, Port Elgin, N. B.

Auditor—Mrs. W. B. Coulthard, Fredericton, N. B.

Honorary President—Mrs. J. D. Chipman.

Delegate to the Board meeting at Lindsay, Ont.—Mrs. (Rev.) W. A. Thomson, Tryon, P. E. I.

First Alternate—Mrs. Hickson, St. John.

Second Alternate—Mrs. Turner, Florenceville, N. B.

DISTRICT ORGANIZERS

The appointment of the district organizers was then taken up. They are as follows:

Charlottetown—Mrs. Waller. St. Stephen—Mrs. G. F. Dawson, Summerside—Mrs. Rev. W. A. Thomson.

Moncton—Mrs. McLean. Sackville—Mrs. Lucas.

Chatham—Mrs. Follansbee, with Mrs. T. A. Clark as assistant.

Fredericton—Mrs. Squires. Woodstock—Mrs. Squires.

Woodstock—Mrs. Corbett. St. John—Mrs. Hickson.

The Newcastle delegates were Mrs. J. A. Follansbee, Mrs. Laura Hill, Mrs. H. S. Leard and Mrs. J. R. All'son, jr.

SPECIAL MEETING TOWN COUNCIL

Bonds Properly Issued This Time. —Better System Talked of.

Town Council met in special session Friday night, Mayor Pedlin presiding. Aldermen present: John Clark, C. M. Dickson, J. G. Kethro, S. A. Russell, Geo. Stables, H. H. Stuart, and (later) T. W. Butler and C. Sargeant. The motion of April 27th regarding the issuing of \$30,000 additional of forty-year bonds was, on motion of Ald. Clark and Stuart, rescinded.

Ald. Clark then moved a new form of bond, in accordance with the amendments of the Municipal Debentures Act, passed at last session of the Assembly. This was seconded by Ald. Stables, and adopted. The new law requires the wording of the bond to be a little more precise and that all debentures shall be signed by the Auditor General of the province. The bonds are dated June 1, 1911, and bear interest at 5 per cent. per annum.

J. H. Phinney's bill of \$20.84 for goods ordered by various persons at different times, and which on Ald. Kethro's motion was accepted and ordered paid, brought forth a lively discussion upon the system or lack of system that has prevailed in ordering small articles

THE MARIES GIFT

London, June 2.—The Maries throughout the Empire have contributed \$60,000 to the Queen's coronation gift. The donors range from beggar maids to Duchesses and the donations from half pennies to pounds.

for town use and in storing and taking care of town tools. It appears that tools are often found to find quickly, and that the workmen sometimes order things from merchants on their own responsibility. It was finally decided that the heads of the departments concerned get together to try to devise a uniform system of ordering and storing supplies.

His Worship brought up the matter of observing Coronation Day. It would be nice to have a celebration on that day, but he did not think it wise to vote any money for it. All the available money of the town was needed on the streets.

Ald. Clark was of the same opinion about the spending of public money, as was Ald. Stuart and others who spoke.

Ald. Stables advised the council to go to church on the morning of Coronation Day and fishing in the afternoon.

Ald. Butler said that the Board was welcome to fish at Avoca that day.

On motion of Ald. Clark and Sargeant, Council adjourned.

CORONATION PORTRAITS

King George V. and Queen Mary.

The Union Advocate has made arrangements by which our readers can secure most beautiful portraits of Their Majesties King George and Queen Mary. They are by the celebrated "Langfieri," of London, and copyrighted. The family Herald and Weekly Star of Montreal has secured the Canadian rights, and are now offering these portraits free of charge to all who subscribe to that great weekly for the balance of 1911 at fifty cents. We will include the Union Advocate with The Family Herald and Weekly Star for the same period for only sixty cents, and each subscriber will receive the Coronation pictures. The two portraits are on the one sheet, size about 13 x 15 inches a most convenient size for framing. They are acknowledged by competent judges to be the best portraits of Their Majesties in existence and will become historical, growing in value year after year.

The small sum of sixty cents will bring you both papers until January 1st, 1912, and the Coronation portraits. The latter alone could not be bought for the price.

EVERETT HARPER DROWNED

Sad and Untimely Ending of a Bright and Promising Child

Little seven-year-old Everett Harper, son of Mr. and Mrs. James Harper of Chelmsford, was drowned in the South West Miramichi on the evening of the 30th ult., falling from the boom where he was fishing. The lad was a very bright boy, and much sorrow is felt for the bereaved family. Large numbers were in attendance at the funeral which was held on Thursday afternoon, at 2 o'clock. In the absence of Rev. Alex. Rettie, the service was conducted by Rev. Mr. Porter. Interment was made in the Presbyterian cemetery at Upper Derby.

INTERCOLONIAL RECEIPTS INCREASE

Montreal, May 30.—E. Tiffin of the I. C. R. commission, last evening stated that the receipts from both passenger and freight were considerably in advance for the month of May, which is the first month of the road's fiscal year, than for the same month last year, which was however considered good at the time. This being the case, Mr. Tiffin and his colleagues were very hopeful for the current year.

Amalite ROOFING
Needs No Painting

AMALITE roofing is treated. It doesn't need to be watched over and fussed with and covered for. It takes care of itself from the start. As soon as it is laid on your roof, you can go away and forget about it. You don't have to paint Amalite every two years as you do the "rubber" kinds. Amalite has a mineral surface which needs no painting. The mineral surface is better and more durable than many coats of paint. Back of the mineral surface is a layer of pitch, the greatest waterproofing compound known. Back of the pitch is a layer of felt (a whole ready roofing in itself), and behind this is another layer of pitch and another layer of felt. The result is a strong, durable roof which can take care of itself in any climate without painting. We will be glad to send you free a sample of Amalite Roofing so that you can see for yourself just what it looks like. Address our nearest office.

Everjet Elastic Paint
Low in price. Great in durability. Invaluable for prolonging the life of ready roofing, fences, iron work, etc.

Creonoid Lice Destroyer and Cow Spray
It will keep flies away from the cows. It will keep lice and ticks away from the poultry, make everything sanitary and increase their output.

The Carritte-Paterson Mfg. Co. Limited
St. John, N. B. Halifax, N. S.

Presented to Rev. Mr. and Mrs. W. G. Schurman.

By Judge Eodisius Botkin, American Consul.

Ladies and Gentlemen:

The last twelve months have been fraught with mingled disaster and blessings for the people of Campbellton. From the high plane or lofty heights of a serene enjoyment of abundance, well established and satisfactory business and industrial pursuits, and cozy, comfortable and happy homes they were suddenly hurled into sloughs of heart breaking disappointment, their business and industrial pursuits ruined, their homes and all their possessions in ashes. One noon smiled down upon a peaceful scene of busy life, glowing prospects, contentment and unsuspecting happiness. The next mid-day sun found them all homeless, foodless and shelterless! No more charming scene of peaceful, pulsing life could anywhere have met the gaze of a practical philosopher than that which blessed the south shore of the Restigouche at high noon on Last July 11. No more appalling sight could have been found than this same community at the meridian hour on July 12! Perhaps in all the annals of the North American Continent, without the agencies of the incendiary, the surrounding crackling forest, or a wild grass covered prairie to feed and force the conflagration, was there never such a total destruction of a thriving town and all the property of five thousand people! At noon time all were full of lusty, hopeful animation. Night came and the pitying stars above saw the entire town site converted into an angry, tossing sea of flame! The morning dawned at last to light the unbroken plain of ashes and smouldering fires. Only six or seven homes were saved — NOTHING MORE! Thousands of men, women and children were homeless, shelterless, foodless.

But along the wires flashed the news of a whole community's direful distress, and then swift winged, "Charity, love's other name," Dear Heaven connecting link of being" came with food and raiment and the many other necessities of civilized life: and HOPE that "springs eternal in the human breast" re-asserted her away, and Courage and Buoyancy shook out their flags in defiance of Misfortune, and unconquerable Canadian Resolution proclaimed "Let's agin be up and doing, "With a heart for any fate, "Still achieving, still pursuing "Learn to labor and to wait."

Hasty homes were constructed, but temporary in their character, small, crowded and with meager furniture; business re-began in shacks that were a mockery of business houses. The first of another summer finds the town rapidly re-approaching completion, and it will be a better and more beautiful town than ever before. Once again all is comfort, contentment and joy! The future is ruddy with hope and confidence! The awful experiences of the past—tormenting and crushing as they were, have become reminiscences and the inspiring source of wisdom. On the great seal of the State of Kansas there is inscribed the Latin motto reminiscent of the troublous years that preceded its statehood—"Ad astra per aspera"—to the stars through difficulties. When the new Campbellton shall have been completed, when brick and stone structures shall face from both sides upon Water Street; when the greater and grander School building shall be erected; when the splendid church buildings that are to go up this summer shall be ready for occupancy; when the power plant shall be permanently re-established, and the larger, more commodious and more beautiful railway stations shall all be finished; then in that glad day of this people's triumph, may they, too, remember that a Loving Heavenly Father has brought them through all the vicissitudes of the past to a contemplation of the blessed stars of success at last!

Here we will turn our reflections backward, and peer through the mists and the curtain of smoke that in memory hang about the last summer, autumn and winter's experience. And as we gaze backward we see certain forms moving here and there, visiting the brave and crowded families, the self-denying and often suffering people. We hear their words of steady kindness, of heartfelt sympathy, of encouragement and wise counsel, and we see their hands extended to help and to guide. We all know their forms. They are God's servants, who have well learned and remembered the admonitions of the Great Apostle—"Bear ye one another's burdens and so fulfill the law of

Christ," are serving their Master by doing good for the good's sake and not for notoriety or men's applause. Yes, my friends, you watched them and I watched them, and all of us saw them do those things through all the weary weeks and the dragging months. We saw them carry good cheer into gloomy homes. We saw their words and works of kindness and fraternal sympathy light again the smiles on forlorn countenances. It may literally be said of them that "they smoothed the furrowed brow of care; they lifted the heavy burdens from the stooped shoulders of toil; they lighted anew or fanned into intenser flame the fires of hope and courage in the hearts of discouraged men and women; they brought back the rose tints of contentment, peace and happiness to the wan cheeks of the distressed, and at their coming the song birds of joy made music in the hearts of children."

Now, one more misfortune awaits Campbellton. One more of those families whom we have, all learned to love for their usefulness, their unselfish devotion in our great trial period, is about to leave us and go to a distant field of labor. And we have met here this evening to give them a good bye greeting and to carry them a token of our esteem and love.

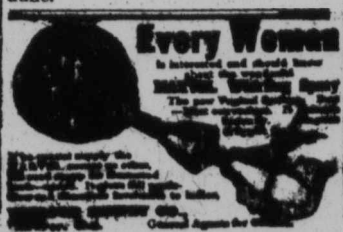

Rev. Mr. and Mrs. Schurman, this is no mere lip service. By your conduct in every line of duty since you came here a little more than a year ago, you have earned and you receive the respect of us all. We have long ago taken your full measure as a Christian minister, and wife, and I have been trying to portray the results of that measurement. I shall not say that you, Mr. Schurman, or any other good man has no foes, or critics. I don't know so well about that, but I do know that the only things in all the animal kingdom, including Man, that does not have any foes, is a clam. But a wise Creator gave the clam no back bone. I am sure you have a spinal column, that you have the manly courage of your honest conviction. But getting back to your measure again, we have found you consistent Christians, a devoted minister and help mate, zealous citizens, wise counsellors, helpful neighbors. You have visited the sick, consoled the distressed, relieved aching hearts of their pain, encouraged the faint and comforted the weary. Why you, Mr. Schurman, have even worked with hammer, saw, plane and chisel in building and assisting to build shelter for our people! To lose you from our community is to us a great loss, but your duty calls you hence, and you must obey, and we submit to your fate. We will remember you. We will not forget your services to this community in those days of misery and want, when your brave words and braver examples were an inspiration to those about you. Nor, will we forget that while the community was struggling from all its weary difficulties that succeeded the disaster of last July you were one of its chief pilots on its way upward toward the stars of success, re-established business and order, comfort and contentment in its thousand homes.

At the same time we are a bit selfish on our part, for we wish to be remembered by you. We wish you to remember that you have a host of good friends in Campbellton who will ever rejoice in your successes and happiness and sorrow over any griefs that may overtake you. So with our heartfelt fraternal love and as a token of our very highest esteem and kindest regards, we ask you to accept as a present from us these easy chairs, one for each of you, as a token and pledge of that love and esteem which you will carry with you from these devoted friends. Accept, please, and "God be with you until we meet again."

Chief Hughes made a raid on Thursday afternoon, netting a large and varied assortment of liquors. For a dry town it was quite a fair load and when the team passed with the Scotch a few tears were dropped. Even the skies were weeping.

The death of Mr. John Haley occurred at his home in Nash's Creek, Restigouche Co., on May 10th, after a lingering illness, aged 66 years. He is survived by his wife, four daughters and two sons. The funeral was largely attended and interment was made in the Nash's Creek Cemetery. The pall-bearers were Patrick Doyle, James Landry, Patrick Salter, Paul Doyle, of Jacquet River; James Laviolette and Thos. Landry of Bellefleur.

This Concrete Root Cellar Costs Less Than Wood and is Much More Durable

Cement is particularly adapted to the construction of Root Cellar floors and walls.

Experience proves that for the farmer, Concrete is superior to wood in every point of comparison.

Concrete permits of a desirable degree of coolness without freezing. There is no question as to its durability. Concrete lasts, not for years, but for ages; and needs no repair.

Anyone who has scooped vegetables from the old plank floor will appreciate the fact that Concrete offers a smooth, continuous surface with no projecting plank ends or nails to damage the scoop or ruffle the temper of the scooper.

The various uses to which Concrete may be profitably put, on the farm, are plainly and simply in our 160-page book,

"What the Farmer Can Do With Concrete"

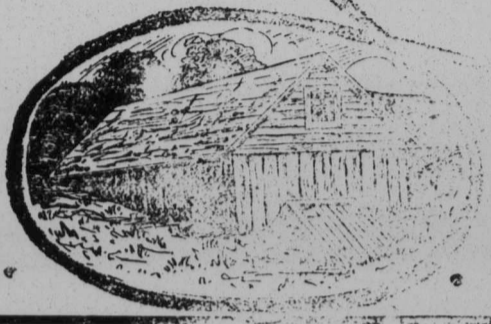

which shows how the following farm buildings and utilities can be constructed of concrete:—
Barns, Climates, Dairies, Dipping Tanks, Foundations, Fence Posts, Feeding Floors, Gutters, Hens' Nests, Milking Posts, Horse Sticks, Housers, Feed-Shelter Walls, Stables, Stairs, Stalls, Steps, Tanks, Troughs, Walks, and so forth.

STICK WORK AT MISSION POINT

We read the following in "L'Action Sociale" of Quebec, the truth of the story being vouched for:

In the early days of May an Indian girl going into a store at Mission Point was molested by a young man, who thought with others that the Indian was proper game for the white. The girl, naturally frightened, hurried into the store for her purchase, which happened to be molasses. On being assailed again on leaving the store, she poured the can of molasses over him, which, needless to say, finished his fun.

If all the Indian girls of the Mission had the same pluck, the many shameless prowlers would soon leave them alone.—Translated for the Advocate

EDDING BELLS

HOPE—ALEXANDER

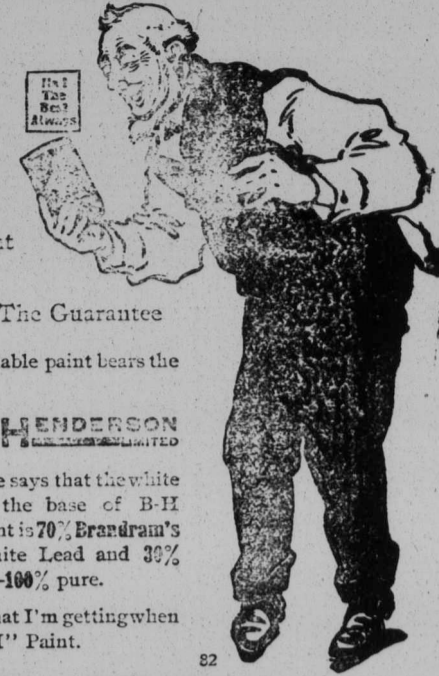

Campbellton, N. B., June 2.—The marriage of Miss Lucy Alexander daughter of the late Mr. A. E. Alexander of Campbellton and M. R. Malcolm Hope, manager of the Bank of New Brunswick, son of R. Malcolm Hope Esq. of Perth Scotland, was solemnized at nine o'clock Thursday evening at the residence of the bride's brother Mr. Charles Alexander, Campbellton. The Rev. T. M. Drumm pastor of St. Andrew's church performed the ceremony. The bride who was unattended was given away by her brother. She was handsomely gowned in crepe meteor embroidered with pearls, and wore a wedding veil arranged over a coronet of lilies of the valley and carried a shower bouquet of lilies of the valley. The house was beautifully decorated with roses and carnations. A reception followed the ceremony after which Mr. and Mrs. Hope left on the Maritime for Quebec from where they will sail on the 'Corsican' for Liverpool. Their stay abroad will occupy about two months and will include the coronation festivities in England, a visit to the groom's home in Scotland and a continental tour. On their return they will reside in Campbellton.

Among the guests were the following:—Mrs. Alexander sr. in black, Mrs. H. S. Alexander, old rose with flower decoration; Mrs. Ed. Alexander, pale grey; Mrs. S. W. Nicholson of South Bend Ind., aunt of the bride, in a white embroidered gown; Mrs. Nicholson, black chiffon veiling over pale blue satin; Miss Ethel Malcolm, white charmense with white veiling; Mrs. A. E. G. McKenzie, beaded net over King's blue satin; Mrs. F. W. Campbell, white satin; Mrs. W. S. Montgomery, Dalhousie, black and white stripe silk; Mrs. F. F. Matheson, green poplin; Mrs. T. P. Drumm, white muslin with pink trimming; Mrs. Dr. Lunan, pink foulard; Mrs. D. C. Firth, white serge; Miss Emma Mowatt, pale blue with satin trimmings; Miss Sadie Mowatt, pink muslin; Mrs. McLeod, champagne crepe du chene with tan trimmings; Mrs. E. Clark, green; Mrs. W. S. Thomas, Sussex, pale green satin; Mrs. Sproule, black. Judge Botkin, Police Judge Matheson, Mr. Chas. Alexander, Mr. Ed. Alexander, Mr. H. S. Alexander, Mr. Thos. Malcolm, Mr. A. E. G. McKenzie, Mr. F. W. Campbell, Mr. F. E. Lockhart, Mr. D. C. Firth, Dr. Price, Mr. F. E. Shepherd, Mr. A. A. McLeod, Mr. Powrie, Mr. J. G. McColl, Mr. J. L. Imray, Mr. P. H. Blyth. Miss Theberge supplied music for the dancing and Mr. J. G. MacColl played the wedding march.

There is one medicine that every family should be provided with and especially during the summer months; viz, Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed. It costs but a quarter. Can you afford to be without it? For sale by all dealers.

Dublin Castle is being altered so as to provide a new dining room for the use of King George and Queen Mary, who will give a banquet on the evening they arrive in Ireland—July 8.

Royal Baking Powder is made from pure grape cream of tartar, and is the emblem of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food. In England, France, Germany and some sections of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and all physicians condemn baking powders containing it.

The label of alum baking powders must show the ingredients.

Father Morriscy's Liniment Relieves Pain

Rev. Father Morriscy

Aches and pains yield quickly to Father Morriscy's Liniment. It is absorbed quickly by the skin, and penetrates deep into the tissues, making it splendid for sore muscles, stiff joints, rheumatic pains, backache, sore throat or lungs, or any deep-seated pain.

It eases at once and heals surface hurts, such as cuts, bruises, burns, scalds and frost-bites.

For tooth-ache and ear-ache it is an excellent remedy.

Father Morriscy's Liniment is exceptionally good as a "rub" for athletes. It takes out stiffness and soreness after severe exercise, and never blisters the skin.

THE DOMINION ELECTION

The selection of a candidate at the Northumberland County Liberal Convention to be held in Chatham June 15th instant, should draw a full quota of delegates from every polling division in the constituency. The main question before the people of the North Shore at the next Dominion Election, which may be very near, will undoubtedly be the Reciprocity negotiations with the United States. Reciprocity was often sought by the leaders of the Conservative party who, when in power, appeared fully as anxious for it as the Liberals now. However, at that time the United States were unwilling to negotiate. Now that the southern government has changed its attitude and freer trade seems a very near probability, the opposition at Ottawa, who would undoubtedly have welcomed the United States proposal had they been in power this year, are dead set against it.

The Conservative change of front looks too much like factious opposition rather than patriotic consideration for the country's welfare, to suit the thinking portion of the electorate. They have, it would seem, made a great tactical blunder in deciding to fight a measure providing for the abolition or reduction of duties between us and the neighboring nation. The price of living is too high, and the people will welcome anything that promises to reduce it. The people will stand for more freedom of trade than the Government offers, but not more protective duties according to the Conservative ideals. We want not merely freer trade with the Republic but absolutely free trade with Britain and the rest of the British Empire. The day of high tariffs is going and cannot go too soon.

There is no Conservative in sight who is likely to be able to wrest this country from Mr. W. S. Loggie, should the latter again be the Liberal Standard bearer. In his support of the Reciprocity pact, and in his tireless energy in behalf of his constituents Mr. Loggie has won the favor of many voters and seems likely to keep it for an indefinite period.

AN IMPORTANT VERDICT

In St. John on the 24th ult., the jury to inquire into the death of Wm. McArthur, a member of the chain gang, who died in the General Public Hospital in April, returned a verdict, says the Daily Telegraph, to the effect that the prisoner came to his death as a result of oedema of the lungs brought on by undue exposure while handcuffed to a post in an open shed. They added that in their opinion the guards had exceeded their duties in so chaining the man, and recommended that in the future these officials be given definite instructions as to their duties. They also found that while McArthur was in the jail he did not receive proper treatment or food. They recommended that the sanitary conditions of that institution should be improved, and condemned the practice of marching the prisoners, handcuffed, through the streets to work.

That a prisoner was done to death by such means in a Canadian city is no credit to our new Dominion. The above is, doubtless, no isolated case, for such things happen in other places than St. John and much more frequently than is generally supposed. The relatives of William McArthur have, it appears to us, good ground against the city of St. John upon which to base a claim for heavy damages.

GOVERNMENT REGULATION OF PRICES

According to a Washington dispatch of last week, Elbers H. Geary chief Executive officer of the United States Steel Corporation,

declared on the witness stand before the Stanley Steel Trust investigation committee, that enforced publicity and governmental control of corporations must come, EVEN AS TO PRICES. When the head of a Trust admits such a tendency of the signs of the times, the feeling in favor of the public ownership and operation of all lines of business that are now monopolies must be rapidly increasing in the United States, as well as in Australasia, Canada, Britain and the continent of Europe.

A PROGRESSIVE COMMUNITY

The laws of the Isle of Man have long been advanced. Every woman, widow, or spinster, in the Isle of Man, whether she be owner, occupier, or lodger, enjoys the Parliament franchise. Every widow enjoys half her husband's personal estate, and has a life interest in his real estate, and she cannot be deprived of this by will. The sale of cigarette and intoxicant to children was forbidden in Man for years before such a prohibition was enforced in England itself. England has legislated mildly against money lenders. The highest interest that can be charged for a loan in the Isle of Man is 6 per cent, and that has been the law for over two hundred years. And there are many more instances in which Manx lawmakers have adopted progressive measures with entire success.—Ex.

THE TRUST DECISIONS

The real significance of the judgements of the supreme court of the United States in regard to the Standard Oil trust and the Tobacco trust, is the condition of things they expose. The country is trust-ridden in regard to the necessities of life; oil, tobacco, lumber, steel, copper, beef, fish, agricultural implements, a score of other things, and while the court orders the trusts already tried to dissolve, it is questionable if any great relief will result.

That is a sorry condition of affairs. But there is more behind. There is substantially a money trust—made up of certain leading banks in New York—and the grip of this one is greater than all the rest. The savings of the people, whether in the banks or in the reserves of the insurance companies, are in the hands of the money trust. The railways are more or less a trust.

We believe some great political and financial revolution is impending in the United States.—Toronto World.

Happy Marriages

Are the result of knowing the laws of health and nature. All the knowledge a young man or woman, wife or daughter should have, is contained in the People's Medical Adviser, by R. V. Pierce, M. D. This big Home Doctor Book containing 1098 pages with engravings and colored plates, and bound in cloth, (nearly 700,000 copies formerly sold for \$1.50 each), is sent free to any one sending 31 one-cent stamps to prepay cost of wrapping and postage. There are no conditions to this offer and the reader must not associate this book with the advertising pamphlets prepared by quacks throughout the country. Address, 662 Washington St., Buffalo, N. FACING AT THIRTY

When Woman Should be in the Prime of Charm and Beauty.

At thirty to thirty-five a woman should be in the prime of charm and beauty, and yet many women begin to fade before then. Wrinkles appear and the complexion grows sallow. Dark rings surround the eyes, and headaches follow, with backaches and low spirits. The cause of this is simply need of blood nourishment. Good pure blood is the life of a woman's beauty and health. It is good blood that brings the glow of health to the cheek, brightness to the eye, and elasticity to the step, and the general happiness of good health. When woman feels jaded and worn out her blood supply needs attention, and the one unrivalled and sure remedy is Dr. Williams' Pink Pills, which supply the rich, red blood that repairs the waste, dispels disease and restores the brightness and charm of womanly health.

Mrs. H. G. Hart, Winnipeg, Man., is one of the thousands of sufferers who owes her present health to Dr. Williams' Pink Pills. She says: "I had suffered for a long time, not knowing what the trouble was. I had doctored with several doctors, but only seemed to be growing worse. The last doctor I had told me the trouble was anaemia, that my blood was turned to water and that my condition was serious. But his treatment, like the rest, did me no good. I got so bad that if I excited myself, or went upstairs, I was completely out of breath and felt as if I was going to suffocate. My heart would palpitate violently, and at times I would suffer with terrible pains from it. I had a yellow complexion, my lips had lost their color, and I had no appetite and could not eat. I grew so weak I could hardly drag myself along, add my feet seemed to have weights on them. I was so completely run down that I thought I was going into consumption. At this time a friend urged me to take Dr. Williams' Pink Pills. After taking a few boxes I found my health improving, and after taking the Pills for a couple of months I was entirely well, and have since enjoyed the best of health, and I feel that I can never say enough in praise of Dr. Williams' Pink Pills."

These Pills are sold by all dealers in medicine or sent by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville Ont.

MRS. GEORGE BOGLE

The death occurred on May 26, at the home of her daughter, Mrs. P. Dawson, Upper Nelson, of Bridget, widow of George Bogle, of Barnaby River. The deceased had been an invalid for the past two years, and had reached the advanced age of eighty-one years. Mrs. Bogle resided in Barnaby River for sixty years and two years ago, owing to ill health, went to reside with her daughter. She was highly respected by a large circle of friends and acquaintances. She was a daughter of the late John Millea of Chatham, and is survived by one brother, Wm. residing in Isle of Wight and a sister, Ellen, of Bangor, Me. Also surviving are one daughter Mrs. Patrick Dawson, of Upper Nelson, and six sons, John, George and Peter at Barnaby River, William, Berlin, N. H., Joseph and Samuel of Rumford Falls, Maine. The funeral was held on the 28th at 9 o'clock. The remains were taken to Barnaby River and interred beside those of her husband who died some years ago. Rev. E. J. Bannon conducted the services at the church. The pallbearers were Messrs. Thomas G. Clarke, Michael Dawson, Thomas Dawson, William John Dawson, Michael Walsh and Patrick Maloney.

The woman of today who has good health, good temper, good sense, bright eyes and a lovely complexion, the result of correct living and good digestion, wins the admiration of the world. If your digestion is faulty Chamberlain's Stomach and Liver Tablets will correct it. For sale by all dealers.

HARCOURT

Harcourt, May 29—Empire Day was observed in the Superior School with the usual lessons and exercises appropriate for the day. In the morning lessons on the Empire, its history, geography, etc., were given in both rooms, and in the afternoon, all assembled in Principal Patterson's room where the following program was carried out before a number of visitors. Song—Empire Day—School. Lesson on the flag. Recitation—The Union Jack—Doris Buckley. Song—God Bless our Broad Dominion—School. Composition—The story of the Flag—Jean Wathen. Recitation—Ye Mariners of England—Gladys Barnes. Composition—Growth of the British Empire—Jennie Wathen. Song—My Own Canadian Home School. Recitation—The Boys that are Wanted—Class of small boys. Recitation—Our Colors—Eugenie Cormier, Bertha Walton and Louise Cumming. Song—The Red, White and Blue—School. Recitation—An Ode to Canada—Jean Wathen. Recitation—Hurrah! for our New Dominion—Carman Ward. Song—Our Homes—School.

The salutation of the flag was then given followed by the singing of "Raise the Flag and God Save the King." A speech by Rev. Mr. Creed was much enjoyed by all. Mr. and Mrs. J. Walter Howard returned on Wednesday from a pleasant trip to Toronto, Buffalo, New York and other American cities.

Mrs. English, Mrs. H. Wathen and children spent Victoria Day at Kent Junction visiting old friends. Mr. and Mrs. David Craham, and Mr. Alvin Graham arrived last week and will spend the summer visiting friends in different parts of the county.

Misses Evangeline Saulnier and Georgina Cormier spent Tuesday at their homes here on their way to Newcastle where they passed very creditably their examinations in music at St. Mary's Academy.

Mrs. Edward McAnn spent the 24th with friends in Moncton. J. Robinson Belyea, a former Principal of our school, but lately a student of King's College, is in the village, and will spend the summer here in the capacity of lay reader at St. Matthew's church. John Sinclair of Westville, N. S., is visiting his sister, Miss J. M. Sinclair.

Miss Margaret Wellwood spent part of last week in Rogersville, the guest of her sister Mrs. D. J. Buckley.

Mrs. R. G. Girvan was the guest last week of Moncton friends. The many friends in the village of Dr. and Mrs. Girvan will regret to learn that they intend removing soon to Rexton.

Miss Elizabeth McDermott, who returned recently from Boston, has gone to Campbellton for the summer.

Miss Bernice Pride spent Sunday in Ford's mills, the guest of Miss Bessie Dunn.

Mrs. D. W. Clark and daughter, Miss Helen have returned from a pleasant visit with friends in Moncton.

Mrs. Buchanan of Calgary is the guest of Mr. and Mrs. Silas Smallwood.

Miss Gertrude Ferguson who has been on a visit to her home here for the past two months returned on Saturday to Boston.

Miss Margaret Cameron of Molas River spent Sunday at her home here.

Mrs. S. M. Dunn went to Sackville today to attend the closing exercises at Mt. Allison. Miss Marion Dunn is among the graduates in music.

AUSTRALIA VS. JAPANESE

Melbourne, Australia, May 31.—William Norris Hughes, Acting Premier of the Commonwealth, in a remarkable article which he has contributed to The Sydney Telegraph declares that Australia will never agree, except at the sword's point, to admit Japanese immigrants, even should such refusal mean separation from the mother country.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds his cow regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impeded and the man suffers the miseries of dyspepsia and the agonies of nervousness. To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use. In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper. Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifton, Ont.—"I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus, and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I would have to have an operation, and that I might die during the operation. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life."—Mrs. LETHIA BLAIR, Canifton, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to suffering women.

CAMPBELLTON'S BUILDING

Permits For Building Issued Showing a Value Of \$200,000.

The following figures, taken from the Building Inspector's Records, may give us a fair idea of the progress made in rebuilding the town. Although the contractors have for various reasons not been so much overwhelmed with work as they expected, still the buildings are going on, the spirit of energy displayed since last July being well maintained.

From April 20th to May 31st there were issued 85 permits. For the month of May alone there were issued 57 permits. In April the value of the 28 permits issued was \$31,190 and for May \$168,700 a full total for the month and a half of \$199,890.

It may be noted in passing that of these permits only 4 were for brick and concrete construction. One part of the Inspector's report does not make such good reading as unfortunately, applications for permits were refused showing a building value of \$30,500. These figures are taken from April 20th this being the date that the present Building Inspector took over the duties.—Graphic

PRIVY COUNCIL SUSTAINS APPEAL

The Judicial Committee of the Privy Council has upset the judgement of an Ontario Court which awarded damages to a man who was injured while riding without authority on a railway train. The Privy Council held that while a railway by its sale of a ticket contacted to safely carry the holder, it had no contract with a man who had no ticket, and was in fact a trespasser, who might have been prosecuted for his act.

The case in point happened on a train which was backing from one Station at London, Ontario to another in a different part of the City and on which a trespasser jumped on the rear platform to steal a ride between the two stations. There was a collision and the man was seriously injured, resulting in a suit against one of the railways. The Trial Judge and Jury acquitted the railway. The Higher Court reversed this judgement and the railway appealed. The Court of Appeals in Ontario sustained the Higher Court, after which it was taken to the Privy Council, and the Lords of the Judicial Committee reversed all the judgement but the Trial Judge. The defendant had to pay the costs in all the appeals.

Occasionally it pays a railway to fight a damage claim. It may get the case before a Court which gets at the sense of the situation.

HORSE RACING AT BATHURST

Good racing characterized the events at Bathurst Park, on May 24th. The track was in rather a rough condition to make fast time, in the classes pulled off, good contests prevailed, witnessed and enjoyed by a large number of spectators, and interested horsemen from all over the country. In the Free-for-all, two veterans scored down for the word Daybreak getting the opening heat. Zad up behind Gug, got busy and won the next two heats and the race, with Daybreak right on his wheel, time 1:13. 1.13. 1.13. The three minute class, five lined up for the word. Nell Parkside a speedy dark chestnut pacer made the rail birds sit up and look, she won the race with such ease. Lady Carmen, a beautiful black mare and speedy, but through her bad acting lost 2nd place. Don a good steady mover beat her out getting second, Lady Carmen getting 3rd, time, 1:23 1.25. 1.32. After the first heat in this class a complaint was made, that "Little Sam" was putted and that he had a fast mark. The owner bring summoned to the stand, clearly proved that he was not a "ringer" the Judges allowed him to compete in the race. The colt race, two nice ones lined up for the word, Violet Be Sure, a pacer, and Buz Fuz Jr. trotter. The pacer won out being a little sleater. Time 1:41 1.42 1.47. Expressions of regret by many that Mr. Wilhamson's speedy mare did not compete in the free-for-all, she can go some. The Judges A. E. Cohoran, A. R. Wheeler, Jos. Rogers, Starter W. G. Fenwick, Timers B. N. Jones, A. Campbell.

His last previous visit was shortly after the fire when a few rude rackets and heaps of debris marked the site of the town. He was amazed at the transformation that has since taken place. Viewed from a distance the town looks complete, renewed and greatly improved, a much finer and more regularly laid off town than the old. Business is booming and the people are very optimistic as to the future. While there is still much to be done, it is being done systematically and rapidly and very soon the new Campbellton will be a much more beautiful city than that over which tears were shed less than a year ago.

THE SUMMER SCHOOL OF SCIENCE

The final arrangements for the teaching staff of this year's school have been made, and a number of well-known specialists are named as lecturers. Several of the professors of leading Canadian and American Colleges and Normal Schools are in charge of classes.

Outside of the regular daily sessions of the school, an attractive course of popular lectures has been arranged. Amongst other well known men who are to take part in this course are:—Rev. Dr. Campbell on Scottish Life, Dr. G. U. Hay on Historic Memorials, Hon. Judge Carleton on Irish Wit and Humor; Dr. L. W. Bailey on What the Rocks Tell us.

Other lecturers will be Hon. Geo. E. Foster, Hon. Payson Smith, State Supt. of schools for Maine, Dr. McKay, Supt. of Education for Nova Scotia, and Dr. W. S. Carter, Chief Supt. for New Brunswick.

Already a large enrollment of teachers has been made, and a number outside of the teaching profession have also joined. The school meets in Fredericton on July 12 and lasts three weeks.

NATIONAL DRUG TO SELL 3700 SHARES MORE

"The annual meeting of the shareholder of the National Drug & Chemical Co. was held recently. The financial statement for the last business year was the best so far presented to the shareholders. The most interesting reports were from the Na-Dru-Co and proprietary departments of the business. The former was established only eighteen months ago, and the manner in which the drug trade and the general public have supported the products of this department has decided the directors to spend large sums of money in still further advertising this important line of medicinal and toilet preparations.

In order to continue the development of this department, and to keep pace with the progress of the country by the opening of new branches, especially in the West, the directors have decided to dispose of 3,700 shares of the 7 per cent cumulative preference stock of the company at par. A large proportion of these shares have been taken up by the directors."

Rose."
"Yes," she encouraged.
Added Bud very sagely:
"Makes it rise in the mixer and expand
in the oven. It's the elastic part of
"flour—absorbs all the water and milk
and things."
Rose grew interested.
"FIVE ROSES, said Bud, is exceedingly rich
in gluten. I s'pose because it's all made
from Manitoba wheat. Takes up a lot
more water—makes those fat loaves—
"lets loaveser too."
"Gives strength, doesn't it?" asked Rose.
Bud in a big voice:
"The fat loaf makes the fat pocketbooks!"
Use FIVE ROSES always.
And Rose said YES.

DEATH OF MR. JAMES GLOVER

Well Known Resident of Campbellton Passes Away.

By the death of Mr. James Glover Campbellton loses a respected citizen. He leaves to mourn his loss, a widow, two daughters, four sisters and two brothers. Mr. Glover was eighty-two years and two months old. He was a native of P. E. I. and came to this place in 1830. Rev. Mr. Drumm conducted the funeral service at his home and at Kempt Road church-yard.

GENERAL NEWS

The swimming season has opened with several drowning accidents, and nothing can be done but to repeat the old warnings.

One advantage of the annexation of the Bahama Islands to Canada would be the possibility it would give us of boasting that Canada is in the banana and pineapple belt.

Britain's first naval airship is named the Mayfly. We should have preferred "Mustfly." There is a feeling of uncertainty about the other name not in accord with the traditions of the Royal Navy.

King George has set a good example by ordering that Courts shall be held an hour earlier than the long established time. His purpose shows sound judgment for he is reported to have said that a man cannot succeed in business unless he is in a condition to begin early in the day. This is an influence against the waste of strength by late hours.

Chicago is annoyed because four hundred people who have regularly received relief from the corporation as being destitute are found to be well-to-do. One family has a piano and a telephone; another owns a prosperous store. The leak has cost \$35,000 a year, while real paupers have been starving to death in Chicago every week. And yet some people say there is no need for charity organization.

Daniel J. O'Reilly, former assistant district attorney, and well known as a criminal lawyer, in connection with the cases of Harry K. Thaw and Nan Peterson, was found guilty by a jury in the criminal branch of the supreme court on a charge of receiving stolen goods. O'Reilly was remanded for sentence.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physician as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. THE CURSE OF THE NATION IS CONSTIPATION

"Fruit-a-lives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation inflames the Kidneys, ruins digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia.

Constipation is caused by a weak or sluggish liver. Bile, the only purgative of the body, is secreted by the liver, which in turn should pour out into the intestines sufficient bile to move the bowels. Unless the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result.

"Fruit-a-lives", the famous fruit medicine, will always cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowel muscles.

SPORTS

A field day is being planned for Parrsboro, N. S., on Coronation Day.

The St. John bankers were defeated by Moncton nine in Moncton on Saturday, 12 to 2.

The St. John's defeated the All Halifax baseball team by a score of 4 to 3 in Halifax on Saturday afternoon. Ford pitched for the St. Johns.

The Gazette, (Chatham) and Review (Richibucto) both would like to see a North Shore League. So what's to hinder it being made a reality at once?

The St. Stephen Thistles defeated the Calais team 3 to 1 in a fast game of ball in St. Stephen on Saturday. Evey pitched for the Thistles, and Carter for the Calais team.

The Marathons have signed on a new pitcher named Morris from New Jersey, and also Joe Donnelly, who will play first base for them. Morris comes well recommended. He will pitch for his team in Fredericton today.

Norwalk, O., June 5.—Frank Van, a ball player, was struck by lightning and killed on the ball grounds yesterday. Several other players who sought shelter under a tree were shocked when a bolt struck the tree.

New York, June 4.—John J. Eller, of the Irish-American Athletic Club, the champion hurdler, lower the American record of 9 2-5 seconds for 75 yards over lower hurdles, by one-fifth of a second at Celtic Park today. He ran his trial and final heats in 9 1-5 seconds.

Moncton is out with a challenge to the Newcastle nine, but if the boys don't turn out and practice, it's not much use to talk of a game. The games with Richibucto certainly showed the need of it, and it is certainly discouraging for the few who like to play and are willing to practice, to have to do alone. Wake up boys and get out and practice.

Newark, N. J. June 5.—A baseball game yesterday between semi-professional players developed in a fatal row over a close ninth inning finish. John Cronin, aged 28 years, of Belleville, was the victim. He was stabbed in the throat and his windpipe severed. He died in an ambulance which was taking him to an hospital. Nine of the alleged participants in the row were arrested.

G. B. Dukes, of the New York Athletic Club, in the pole vault, cleared the bar at a height of 12 feet 11 inches, but as the vault was not made in actual competition the record will not hold. Dukes had won this event with an actual vault of 12 feet 4 inches. The present world's record is held by Leland S. Scott, of California, the height being 12 feet 10 7-8 inches.

New York, June 3.—A new American record for the three mile run was established by George Bonhag, the Irish-American Athletic Club at Travers Island today. Bonhag won in easy fashion and hung up new figures of 14 minutes 32 seconds for the distance, clipping 7 seconds from the record of 14 minutes 39 seconds made over twenty years ago by William Day.

HOW COLLINS AND COBB RUN BASES

In going into a base, runners differ. Cobb invariably watches the ball, says Eddie Collins, I never do. I keep my eyes glued to the man who is to receive the throw. If he is inside, I slide outside, and if he is playing back, I keep in close, making it as hard as possible for him to touch me by offering little of my body with out his reach. The fallaway slide, hooking the bag with one toe, is a big

KEEPING YOUNG

Oatmeal is Said to Ward Off Age—Often 20 Years

Two noted scientists, by experiments on animals, have proved that youthfulness depends on the thyroid gland. And that something in oats seems to feed that gland.

It appears that old age can be deferred many years by caring for this gland. The main care is to feed it, and the proper food is oats.

Oats contain more energy food, more food for the brain, more food for the nerves, than any other grain that grows. And now it seems that they also serve to keep one young.

But common oatmeal isn't good enough for such an important diet. The rich, plump grains alone are used in the making of Quaker Oats. They are selected by 62 siftings, and only ten pounds are obtained from a bushel.

Quaker Oats means just the cream of the oats made delicious. It costs but one-half cent per dish.

asset in keeping away from a base man. He has just one leg to touch. I will dodge up the base line to make the catcher think that I am going to steal. He asks the pitcher-out and I don't go down. Then I have outguessed him, and he is getting his pitcher into a hole. At last, when the pitcher has to dish up a strike, I go down. The catcher must throw around the batter, and my chances are then much improved.

WEDDING BELLS

GALLANT—ARSENEAU

A very pretty wedding took place at St. Timothy Church, Adamsville on Tuesday, May 30th, when Joseph Gallant was united in marriage to Miss Mary Arseneau. The happy couple will reside in Adamsville.

RETTIE—IRVING

A very pretty wedding took place on Thursday, June 1st, at Buctouche, when Miss Jennie Irving, daughter of Mr. J. D. Irving, was united in marriage with Rev. Alex Rettie, M. A. B. D., of Millerton.

The wedding ceremony was performed by Rev. A. D. Archibald, of Roxton, in St. John's Presbyterian church, which had been beautifully decorated by girl friends with hawthorn and apple blossoms. At four o'clock the groom, supported by Mr. Herbert Irving, brother of the bride, took his place under a floral arch and to the strains of Lohengrin's wedding march, beautifully played by Miss Bertha Douglas the bride leaning on the arm of her father, entered the church. The bride looked very lovely in a champagne gown of lace and black picture hat, and carried a bouquet of brides roses and narcissus.

Miss Katherine Stevenson in a dress of pale yellow silk with lace trimmings, and carrying a bouquet of Marguerites, performed the duties of bridesmaid.

A large number of guests were entertained at a reception at "Sea-View Farm, the home of the bride's father, and immediately after Mr. and Mrs. Rettie motored to Moncton, where they took the Maritime Express for Montreal and Ottawa. The bride looked charming in a suit of violet with hat to match.

The gifts were many and very beautiful and testified to the high regard and affection in which both young people are held. They will be at home at the manse, Millerton, N. B., after July 4th.

A MOTHER'S PRAISE OF BABY'S OWN TABLETS

Mrs. Allen Mason, Carleton, N. B., writes: "I have used Baby's Own Tablets ever since I have had children and that is going on fifteen years. I have always found them entirely satisfactory for all the ailments of little ones and feel that I cannot praise them too highly." Mrs. Mason's praise is just that of thousands of mothers who consider Baby's Own Tablets the only safe and sure remedy to keep in the house for their little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville Ont.

METHODISTS FOR UNION

Church union was approved last week by Toronto West District of the Methodist Church by the overwhelming vote of fifty to eight. Toronto West is the largest district in Canadian Methodism, comprising some twenty-five churches, many with large membership, so its pronouncement on these questions is regarded as quite significant and representative.

KING HONORS LABOR MOVEMENT

London, May 30.—The king has paid an unprecedented honor to the labor movement by a "command" invitation to two representatives of the trade union to attend the coronation ceremony.
