BRIDGETOWN CENTENNIAL COMMENCED SUNDAY WITH CHURCH SERVICES

Large Congregations Hear Eloquent Sermons From Canon Troop, Rev. R. O. Armstrong and Rev. E. Daley--Special Music

As suggested in our editorial column last week, it was eminently fitting that the Bridgetown Centennial Celebration Committee should place at the beginning of their programme services in the churches, and it was further fitting that the first service of the day should be held in St. James' Church (Anglican) to which communion Capt. John Crosskill, the founder of the town, belonged.

This service was a celebration of the Holy Communion at 8 a.m. Capt. Crosskill was a member of the Church of England and gave the stands, and although he died before the first church was completed, yet in the "twelfth Sunday after Trinity" (for such was last Sunday) exactly the same service was used in his day as now.

The second service in this church was at 7.30 p.m. for which the sacred edifice was crowded. This was conducted by the Rector (the Rev. E. Underwood) and opened with Watts' grand hymn—"O God our Help in Ages Past," to Crofts' stately tune, "St. Anne," in which the congregation joined very heartily. Then followed the evening service which has come down through the centuries and which Capt. John Crosskill must have known by heart, even as many of those worshipping on Sunday evening, from constant use. The Canticles ("Magnificat" and "Nunc Dimittis") were to Anthem settings by the Rev. G. I. Foster.

The second hymn—"Lord, Behold us With Thy Favor," by Canon Welch, was very appropriate, especially verses 4 and 5:—"For the memories we treasure, That to this our Home belong, Hours of sweet and high communion, Matin Prayer and Evensong; For the lessons Thou hast taught us, Taught by Joy and taught by pain—Lord, for all Thy countless blessings, We uplift our festal strain."

Thankfully our hearts remember Whom our eyes no longer see, Knowing, though the veil conceals them, They with us are one in This: Ever One, for One our Father, One our Church, and one our Creed.—"They who worshipped here before us, One with us their latest seed."

In keeping with this was the special memorial prayer which followed shortly after. "Almighty God, with whom do live the Spirits of just men made perfect after they are delivered from their earthly prisons, we give Thee thanks for all those who have departed hence in place and with the seal of faith. Especially do we commemorate this day Capt. John Crosskill and those who during the past hundred years, have worshipped in this place and were laid to rest in hope of a joyful resurrection, beseeching Thee to grant unto them rest and refreshments in the place of light and life, and teach us who survive so to order our lives by Thy Holy and Heavenly Wisdom that in the end we may with them attain to Thy Everlasting Kingdom, through Jesus Christ our Lord."

The hymn before the sermon was the "Marchion of Lorne's"—"Unto the Hills," sung to Purday's inspiring tune "Sandon". The special preacher for the occasion was the Rev. Canon Osborne G. Troop, who, as our readers know, is an old Bridgetown boy, brought up here until he was seventeen years of age. We leave them, then, (such as were unable to be present) to imagine the profound impression caused by the appropriateness of the text: And He (Jesus) came to Nazareth, where He had been brought; and He entered, as His custom was, the Synagogue on the Sabbath day, and stood up to read. Luke 4 and 16.

It would be impossible in the space at our disposal to do justice to the remarkable sermon which followed but we must mention one or two points: For instance, the preacher quoted Bishop Brent's remark—"viz., that in the days of His flesh the Lord Jesus Christ was a Layman. What an example then to laymen. The Bible

is little read by the average layman. AGAIN. How comes it that Nazareth has not long ago been forgotten? It was an obscure village. Nazareth is remembered because of its connection with Jesus Christ. Hence, the supreme consideration here and now is—what is the relation of Bridgetown—the people of Bridgetown, to Jesus of Nazareth.

Another wonderful thought is that although Jesus spent some thirty years of His earthly life at Nazareth, and that a sinless life, yet the people seem to have had no idea of His personality.

Again, after Jesus had read He began to teach. What was the result? They thrust Him out of their city, and would have cast Him headlong down the hill on which their city was built, had He not passed through their midst, and gone His way. What should we do if He stood here? What is our secret spiritual relationship to Him? He knows our hearts, our hopes, our ambitions.

Toward the end of his sermon Canon Troop became reminiscent, recalling how his mother had greatly desired that he should become a clergyman. At first he was not so inclined, but God led him, doubtless in answer to her prayers. What would she have thought could she have imagined him standing there preaching at this Centennial Thanksgiving service. Yet there he was and he would not change his calling for the whole world. "We are thinking," said he, "of our loved ones who worshipped in the Old Church in the years now past. You of yours and I of mine, those who have entered into their rest, and grasping his Bible this Book is the only thing in the world that can tell you anything certain about them. It reveals Jesus who said, "I am first and the last, and the Living One; and was dead, and behold, I am alive for evermore, and I have the keys of death and of the spirit world." He obviously is our best friend and, ultimately, our only friend. May He comfort all the sad and all the lonely with that peace which passeth all understanding. May He bless Bridgetown through the coming century, and may the relationship between this place and Jesus Christ always be strong, and may Bridgetown's sons never be ashamed to confess Him."

Following the sermon the choir sang Dr. Stainer's Anthem—"Ye shall dwell in the land that I gave to your fathers." Then came the concluding hymn, "Praise to our God, whose bounteous hand Prepared of old our glorious land," after which Canon Troop pronounced the Benediction.

This was brought to a close a memorable and, we trust, a worthy service. All connected with the music deserve great credit, every bit of it, being especially well rendered, and appropriate to the occasion. Thanks are also due to Mr. A. F. Hiltz, the Misses Dodge, and Mrs. W. I. Morse for the splendid flowers which so effectively adorned the Altar.

The Bridgetown Centennial and Old Home Week Celebration began appropriate on Sunday with special services in the various churches.

In the Baptist Church Rev. E. E. Daley, M. A., of Tabernacle Baptist Church, Halifax, and a former pastor between 1900 and 1906, was the speaker. He based his remarks on Ezekiel 47:9, "Everything shall live whether the river cometh." After reviewing the historic setting of the time and the Analogy between the circumstances referred to here and those relating to the vision of John on the Isle of Patmos the Reverend gentleman who had previously expressed his pleasure at being present on this auspicious occasion and renewed delightful memories of the past, went briefly over the various lines of progress in the century covered since the founding of Bridgetown. Reference was also made to the good old times but the present was better and the future likely to be better still. The church was largely instrumental in all improvements of the race and he exhorted

Labor Day Parade the Best Yet Held In Bridgetown

Floats Were Distinguished By Skill, and Taste And the Whole Procession Was a Great Success In All Its Details, Evoking General Praise

Excellent weather conditions existed for Labor Day proceedings and the programme a full and splendidly arranged one delighted the many hundreds who followed it with the greatest interest.

Proceedings commenced with the grand parade forming up on South Street and proceeding through the main portions of the town. In conception and execution and in the taste display of floats and the decoration of floats and the decoration of cars it was easily the premier effort of anything yet attempted in the town.

Many visitors from other towns and cities were enthusiastic in words of praise which were well deserved by all who contributed to make the affair a grand success.

The procession was headed by the Annapolis Royal band with Messrs. H. B. Hicks and Grant Walker, as Marshals and included a great number of floats, decorated cars, callithumpians, crowns, etc., the whole forming a varied and interesting spectacle.

M. W. Graves & Co. put in a float with a cider mill of the olden days in full swing with all accoutrements, and ground apples and furnished the pure juice to all who wished it along the line of march.

It is a far cry from this ancient plant to the modern up-to-the-minute ones used in the factories of this enterprising firm, whose business is nation-wide and extended to considerable dealings in the United States.

B. N. Messenger had a fine float featuring Blue Bird Tea, Purity flour and fancy groceries generally.

McKenzie, Crowe & Co. had a most effective float. A lumber shanty with its surroundings of trees, while there was also an exhibit of the larrigans and other goods which have made this firm's name known from Atlantic to Pacific as the purveyors of the very highest class of goods in their line.

E. L. Fisher & Co. had a good float calling attention to their lines of hay, feed, coal and insurance, with decoration of rose, thistle and shamrock, while little folk personated England, Scotland and Ireland as John Bull, a Highlander in kilt, a girl with harp.

E. B. Tracey had probably the most complete and complete float ever shown in the Valley to illustrate the products of his fine farm. Around the base of the float was an exhibit of poultry and above arranged most attractively in sections forming sides of a truncated pyramid were fruits of

close up. Shubenacadie is the greatest producing point, there being there fifty-two shippers of milk into Halifax, but Milford and Stewiacke have each nearly as many shippers. There is some milk coming to Halifax now from along the Pictou branch, beyond Truro and some milk is coming also

from along the Midland line. These inspections by Dr. Gough are made quarterly and he scores the conditions on record cards which are filed with the Health Board and tabulated into reports. These cards, which provide for a full score of 100, record the volume of milk shipped from each farm, number of cows, conditions, etc., the possible scores being as follows: Cows: Health, 5; Condition, 3; Clipped Flanks (clean), 10; Clean Udder, 10; Water Supply, 5; Feed, 2; Total, 35.

Stable: Cleanliness, 12; Removal of manure, 4; Construction, 5; Light, 4; Ventilation, 5; Cubic Space (500 feet), 4; Stable Yard, 6. Total, 40.

Milk House: Construction and location, 4; Cleanliness, 5; Care of Utensils, 4; Cooling Facilities, 5; Small-mouthed Pail, 7. Total, 25.

Dr. Gough says that on low and dry lands hundreds of acres of grain are down, owing to the rain, and will probably be lost, as it could not be cut now with machinery.

Rev. A. H. Whitman, of Lawrenceville, has returned from his vacation and will preach in the Baptist Church at Lawrenceville Sunday at 11 a.m., at Inglisville at 3 p.m., and at Williamston at 7.30 p.m.

There are about 200 shippers of milk into the city from all points and Hants is the biggest shipping county with Kings and Colchester

all kinds and all the vegetables grown in the Valley. At the top were barrels of apples, etc. Corn and oats in the stalk were used to decorate most effectively. For a compact and splendid arrangement illustrating farm products it would be impossible to excel it.

J. H. Longmire & Son had a unique display. A steamer of the old side wheeler type named the Experiment, with captain and crew in place and machinery going. This was a replica of the old side wheeler which plied up and down the river nearly sixty years ago.

Eargle & Longmire had a good float illustrating King Cole Tea, Peas, Toasties, Grape Nuts and groceries generally.

Beeler & Peters float illustrated barrel making. Bridgetown Post Office was a funny skit, a small building drawn on a small cart.

Lloyd's Shoe Store had a very nice float illustrating the fine lines called by this well known firm.

G. O. Thies had a very fine float with arches in white with golden rod trimming and in the centre a pedestal draped in white and decorated with asters. His fine-suitings were on display by attractive members of his staff.

Warren's Drug Store had a novel float placed on a Studebaker six, advertising Rexall goods.

The Anglo Canadian Feed Co., Mr. C. L. Denton, representative, had a decorated car, advertising their goods. J. S. Moses had a decorated car with a merry juvenile wedding party on board.

Becker & Daniels had a dainty float in white with handsome floral decorations and beautiful arches under which sat very attractive ladies with a selection of handsome furs from the high class stock carried by this firm.

J. H. Hicks & Sons float contained some of their finest bedroom furniture which made a most effective display.

Mr. C. L. Piggott's car was very prettily decorated with acacia leaves and over the top a representation of the sun and a rainbow very effectively done.

Strong & Whitman had a dainty float very prettily decorated. The school float held about 75 children and four members of the teaching staff. It was nicely decorated and the pretty, happy children made a pleasing picture. Over them was inscribed Nova Scotia's finest product.

Mr. A. F. Hiltz had a most attractive car decorated with ground hemlock with overlastings as floral decorations.

C. B. Longmire had a most attractive float with handsome arches pillared corners the color scheme being white and gold, while the business in the footwear done by this well known firm was carefully illustrated.

The Miss Freeman's had a very prettily decorated car. J. H. Hicks & Son had a fine bungalow complete in all details and a splendid and attractive piece of work. The car driven by Mrs. F. M. Graves was covered in white with dainty floral and gold decorations and on the spare tire behind carried suitable ads of Evangeline Cyder, while two Evangelines sat in the car. The creation was carried out with rare taste and beauty.

Ruggles & Benson had a float illustrating their growing business in wholesale lines of general groceries. Councillor A. C. Pettipas and Mrs. Pettipas of Dartmouth, decorated and decorated their car and joined the procession.

Joined the procession. A. J. Burns had a good float advertising Crosby's Molasses, flours and general high class groceries. Magee & Charlton had a fine float with handsome arches and floral decorations in golden rod. Under the arches were Enterprise ranges, oil stoves and various items illustrating their large hardware business.

Bringing up the rear was a Gypsy encampment with dogs, poultry, pigs, horses for trading and all the usual accompaniments the whole being arranged by Mr. Alfred Phalen.

There were a number of funny clowns, all adding to the amusement and variety of the scenes. Decorations of business places and private residences were tasteful and effective and all the visitors were highly pleased with arrangements and proceedings.

AFTERNOON OF GOOD SPORTS ON THE B. A. A. GROUNDS MONDAY

Large Crowds Witness Different Events--Liverpool Defeats Bridgetown in Interesting Game of Ball by Seven to Three

Over a thousand people witnessed baseball matches on the B. A. A. grounds Monday afternoon. The first game, one between the Bridgetown Juniors and the Annapolis Juniors was won by the latter, score 6 to 3. Longmire pitched good ball for the locals but got at times very ragged support. Annapolis placed three hits well and had an error list of only 3 to their opponents seven. Longmire struck out seven men to Ritchie's five. Loose work in the field lost the game to Bridgetown.

At the conclusion of the match there was a tug of war between the Clarence farmers and the Bridgetown firemen. The agriculturist were rather too strong for their opponents and won out.

The big feature of the afternoon was the game between the Liverpool Senior team and Bridgetown, and was won by the visitors score 7 to 3.

The game was replete with interesting plays and for considerable time the issue was in doubt. In the first inning each team was retired in one, two, three order, but in the second

Bridgetown struck a batting streak, Grimshaw getting first on an error, stole second and completed the circuit when Hoyt and Austen got out at first. Mansfield was hit by a pitched ball, stole second and third and came home on a hit by Malcolm. Liverpool made their first tally in the fourth inning, Thorburn having the honor of the first tally. A feature of this inning was a spectacular running catch by E. Grimshaw, another

running catch over to bench by pitcher Jodrey. After the fourth inning the Liverpool began to climb up the score, up to that time standing 3 to 1 in favor of Bridgetown. After this the visitors began to hit Malcolm somewhat more freely, running up three in the fifth. Smith getting first on an error, Jodrey following with a two bagger. Winter singling Seldon by a well placed hit brought both Winters and Jodrey home. This made

the score 4 to 3 and great excitement prevailed. During the remaining innings Liverpool held their opponents down and increased their lead by three runs. Malcolm and Jodrey both pitched good ball, but clever work in the field, together with exceedingly well placed hits, kept Liverpool increasing its lead till the last two innings, in which there was no scoring by either team. Hits of Malcolm 10, Jodrey 3. Malcolm was at some disadvantage pitching with a strained wrist so that his showing was excellent thus considered. Jodrey is a cool and resourceful heaver and the locals were kept busy finding him Malcolm struck out ten to Jodrey's five.

More ball is promised during Old Home Week. Bridgetown will play both Kentville and Lawrenceville games on Wednesday and Thursday afternoons. It is considerable disappointment that Middleton and Yarmouth playoff at Middleton on Wednesday as ball promoters here were expecting attendance from the eastern end of the county at Wednesday's game.

On Wednesday afternoon the Battle of Bloody Creek will be reproduced on exactly the spot where it took place in December, 1757. Col. C. E. Bent, President of the Provincial G. W. V. A., will have charge of the British soldiers, who will be made up of ex-service men from Bridgetown and vicinity. Major J. E. Morse will have charge of those who represent the French and Indians. Everything is staged for a most spectacular production. At the close there will be speeches by French members of the Dominion Parliament including Mr. Vien of Ottawa. Lieut. Gov. Grant will arrive here on Wednesday to take part in the exercises of the day.

On Tuesday evening Dr. J. C. Webster lectured on historical Canada. Mr. Placide Gaudet of the Dominion Archives Dept. is here and will speak on the early days of French occupation.

Mr. and Mrs. H. C. Ritchie and Mrs. M. Bauchman spent Sunday with Mr. and Mrs. P. Wright, Clementsvale. Miss Gladys Wright returned, having spent two weeks at her home.

Mr. and Mrs. Henry Bartheaux and daughter, who have been guests of Mr. and Mrs. H. L. Harris for the past two weeks, returned to Lynn, Mass., on Friday.

Mr. and Mrs. Truman Sanford and party of friends motored from Wolfville on Wednesday and visited Mr. and Mrs. Appleton Cleaves.

Miss Pearl Haines and brother left on Friday for Lynn, Mass., after a pleasant visit with friends and relatives in this place.

Mr. Josh Cleaves and son Leslie, of Concord, Mass., arrived on Monday last and are visiting Mr. and Mrs. Arthur Cleaves.

Mr. and Mrs. Fred Witham, little daughter Elizabeth, and niece, Miss Witham, of Ipswich, Mass., are guests of Mrs. Witham's parents, Mr. and Mrs. Peter Wright.

Mr. Dennis Wright left Friday for Apple River, Cumberland Co., where he has engaged to teach the school the ensuing term.

Miss Gladys Wright, of Moschelle, is spending a fortnight with her parents, Mr. and Mrs. P. Wright.

Mr. Purdy arrived from Deep Brook Saturday to take charge of the school the following term.

JOEL BYRON SLOCUM, D. D.
An Appreciation by His Long-Time Friend, Rev. Alford E. Isaac.

To the hosts of Dr. Slocum's friends, his sudden death will come as a terrible shock. During his vacation he was filling an engagement with the First Church, Vancouver, British Columbia, when heart-failure brought his devoted ministry to a sudden end. Mrs. Slocum brought the body back to Dayton, Ohio, her two sons meeting her in Chicago. The funeral was held at the First Church, Dayton, Wednesday afternoon, August 3rd. Although it was vacation time, the church was filled with Dr. Slocum's parishioners and friends. The service was in charge of his old-time friend, Rev. Alford E. Isaac, of Rochester, New York, assisted by Dr. F. W. Sweet, of Cleveland, who was in Dayton supplying the First Church; Rev. W. R. Sloman, of the Third Church; and Rev. Philip Bauer, Dr. Slocum's associate pastor. The casket and pulpit were covered with a profusion of floral pieces; the gifts of Dr. Slocum's friends from far and near, a number coming from his former parishioners in Norwich, Connecticut; and Greenwood Church, Borough of Brooklyn, and Warburton Avenue, Yonkers, New York. A beautiful wreath was placed upon the pulpit chair which Dr. Slocum was accustomed to use. From one to three o'clock the casket was open, and large numbers of his friends passed by to look once more upon the face of their beloved pastor.

ROD AND GUN
The September issue of Rod and Gun in Canada, now on sale, is one which should please the sportsman and the outdoors man, for there are many attractive features, all of which should prove of interest. H. Mortimer Batten, whose work has achieved prominence through the columns of this magazine, has an absorbing story, entitled: "The Terror of the Canyon," which is a swiftly-moving tale, with plenty of action and not few thrills. There are other good stories, also, while Bonnycastle Dale's usual article is one of decided merit.

A special feature is the complete table of the seasons for all game, large and small, in each province of the Dominion, and this information, being complete and yet compact, should be a boon to hunters and sportsmen everywhere. The Gans and Ammunition Department, edited by C. S. Landis, easily upholds the splendid standards previously established, and that is a guarantee of value and quality.

Robert Page Lincoln's Fishing Notes, with Queries and Answers, contain much material of importance to the angler, and this popular department again offers something good for the delectation of all those who pursue the finny beauties. The Kennel Department, as well as the Trap and Photo Departments, are of high merit, and there are many other articles and stories, too numerous to mention, which go to complete a magazine of quantity plus quality.

ROD AND GUN IN CANADA is published monthly by W. J. Taylor, Limited, at Woodstock, Ontario.

UPPER GRANVILLE
A slight error was inadvertently made in the sum realized at the garden party held recently on the lawn of Mr. Bartlett Gillis. Seventy-seven dollars instead of seventy-nine, being sum total. Mrs. Gillis, President of Upper Granville W. A., wishes to extend united thanks of members for the liberal patronage which made the sale a success.

Mr. and Mrs. Wm. Woodward, with daughter Grace, have been guests of their son for several weeks, visiting also other relatives and friends in this county and Kings. Miss Grace is returning in September to resume her duties as teacher at Waltham, Mass.

Mrs. Duncan and daughter, Evelyn, and Mrs. Nelly, of Lawrence, Mass., who have visited Mr. and Mrs. Ralph Berry, and other relatives, have returned to their home.

Miss Sheen, of Halifax, has been a visitor with her friend, Miss E. Beardsley, at the home of Mr. and Mrs. A. Clark.

Miss Marion Austin is visiting relatives and friends in Halifax.

MELVERN SQUARE

Mrs. Robert Fitch and little daughter, of Aylesford, are staying a few days with her brother, Major Balcom.

LYNN "Y" WAR WORKERS WED

"Chet" Bartlett and Miss Jennie Potter Married in First Baptist Church.

A romance which started at the Lynn Y.M.C.A., where the bride was employed as a secretary and where the groom also was a Secretary, culminated Wednesday evening, when Miss Jennie Louise Potter, daughter of Mr. and Mrs. Beniah W. Potter, 54 Atkins Street, and Chester Martin Bartlett, son of Mrs. Annie L. Bartlett, 24 Lafayette Park, were married at the First Baptist Church, North Common Street, by Rev. Eben F. Francis, pastor of the Church. The double ring ceremony was used.

The matron of honor was Mrs. Richard Sterrett, sister of the bride. The bridesmaids were Miss Isabelle Potter, sister of the bride, and Miss Helen Lancy Bartlett, sister of the groom. The best man was Albert Roy Potter, brother of the bride. The flower girls were Hazel Sterrett and Mary Eleanor Colomy, and Donald Essey was ring bearer.

The bride was gowned in white canton crepe with shadow lace over-dress and veil, and carried bride roses. The matron of honor wore green liberty satin, with cream lace trimmings and carried Ophelia roses. Miss Isabelle Potter wore blue canton crepe and Miss Bartlett was in pink messaline and princess lace. Both carried Killarney roses.

The flower girls wore white organdy, and carried baskets of rose buds which were strewn in the path of the bridal pair. The wedding march was played by Miss Eleanor Matson, pianist, and Max Sugarman, violinist. The bride was given in marriage by her father, the church was decorated with potted plants and cut flowers.

The reception, following the ceremony, was held in the church vestry. The bridal party received, and the ushers were Wesley T. Alderson, the groom's cousin; Harold Watson and Clayton Potter, brothers of the bride; Richard Sterrett, brother-in-law of the bride, and Russell H. Ford, representing the Lynn Y.M.C.A.

The gifts included a mahogany bedroom set from Y.M.C.A., friends of the groom, cut glass, silverware and substantial checks. The gift table was in charge of Verma Sterrett, Mercedes Bradley, a classmate of the bride at the Lynn Hospital school for nurses, Edna M. Lancy and Marion P. Lancy, cousins of the groom. The guest book was in charge of Miss Ethel L. Smith. The servers of refreshments were Mabel Perkins, Edna M. Sullivan, Ruth Sullivan, Evelyn Ambrose, and Doris Esbrook, all employed at the Lynn Y.M.C.A. Music for the reception was furnished by "Herb" Blaney's Y.M.C.A. orchestra.

Following the reception the couple left for Great Chebeague Island, Casco Bay, Me.

Mr. Bartlett has been social and dormitory secretary at the Y.M.C.A. for five years, except during the war, when he was with the army in Boston Harbor as a "Y" secretary and athletic director. He is one of the most popular young men at the local "Y". He attended the Lynn schools.

Miss Potter worked for some time in the Y.M.C.A. restaurant, and later attended the Lynn Hospital training school for nurses. Mr. Bartlett teaches the Bracca class at the First M. E. Church, and Mrs. Bartlett is an attendant at First Baptist Church.—(Boston paper.)

The bride was a former highly esteemed and popular resident: of Clementsvald.

THE TORTURE OF INDIGESTION

Thousands Made Miserable By This Trouble

"FRUIT-A-TIVES" Relieves It

What is indigestion and what causes it? As you know, solid food must be changed into a liquid by the stomach before it can be taken up as nourishment by the blood. The stomach acts as a churn. It is covered by a strong, muscular coat and lined with a soft, delicate membrane which secretes the Gastric Juice which digests or dissolves solid food.

When food enters the stomach, the muscular coat squeezes and presses the food from end to end, or churns it, with the gastric juice to dissolve or digest it.

But—if the stomach muscles are weak—or if the dissolving fluid is poor or insufficient—then food cannot be digested properly and you have Indigestion.

"FRUIT-A-TIVES" is the most wonderful medicine in the world for strengthening the stomach muscles and providing an abundance of pure, full-strength dissolving fluid to completely digest every meal. "FRUIT-A-TIVES" does this because it keeps the kidneys active, the bowels regular and the blood pure, which insures pure Gastric Juice.

"FRUIT-A-TIVES" will correct your Indigestion or Dyspepsia and enable you to enjoy every meal. Try it.

NATURE'S OWN REMEDY

ANIMALS FIGURE PROMINENTLY IN FILM OF FAR NORTH

James Oliver Curwood, Author of Big Spectacular Production.

Animals always figure prominently in James Oliver Curwood's stories of the North, and he has made effective use of them in "God's Country and the Woman," a Vitagraph production, featuring William Duncan, which will be shown at the Primrose Theatre on September 8th and 9th.

The woman of the title, Josephine Adams, has as companions and protectors a number of ferocious wolf-hounds, who are gentle as big overgrown puppies with her, but are ready at her call to tear to pieces anyone trying to injure her.

Strange pets, but the woman was surrounded by many dangers in the vast spaces of the timberlands, savage beasts and men equally ferocious and far more cunning and treacherous. And there came a day when the woman was thankful for the help of her dogs. She was in the power of the gang of "Devil's Nest," and the man she loved faced death at their hands. Worse than death confronted the woman.

A low-spoken word of command and all the pent-up wolf blood in the shaggy animals blazed into the inherited lust to kill. The gang leader, the man who had hounded her and her family, bore the brunt of the murderous attack, and he went down to his well-merited doom.

"God's Country and the Woman" is a real story of the great North—north of 53—fresh and vital with the breath of the timber lands and moving with the vigor and the simplicity and inevitableness of the men and women who quit the haunts of civilization to find new life near the top of the world.

WORRIED WOMEN NEED RICH BLOOD

If the Blood is Not Kept Pure Health Will Break Down.

It is useless to tell a hard working woman to take life easily and not to worry. To do so is to ask the almost impossible. But, at the same time, it is the duty of every woman to save her strength to meet any unusual demands. It is a duty she owes herself and family, for her future health may depend upon it.

To guard against a complete breakdown in health the blood must be kept rich, red and pure. No other medicine does this so well as Dr. Williams' Pink Pills. This medicine strengthens the nerves, restores the appetite and keeps every organ healthily toned up. Women cannot always rest when they should, but they can keep their strength by the occasional use of Dr. Williams' Pink Pills. Among those who have found benefit from this medicine is Mrs. Cora Conrad, Broad Cove, N.S., who says: "My system was very much run down, and my blood poor and watery. I suffered a great deal from headaches and dizziness; my appetite was poor, and I tired easily. I decided to try Dr. Williams' Pink Pills and have every reason to be glad that I did so. Soon I felt better, and under the continued use of the pills the headaches and dizziness were gone, and my blood seemed in a better condition than before. For this reason I recommend Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

OBITUARY

JULIA M. GASKILLE
There passed to the Great beyond on Saturday, August 15th, at her home in Hampton, Julia M., beloved wife of George Gaskille. Mrs. Gaskille was well known and highly respected, having been a life long resident in falling health for some time and the end was not unexpected. She was a daughter of the late Robert and Harriett Graves, of Paradise, where she was born in 1846. In early life she united with the Baptist Church, and has ever been one of its most earnest and consistent members. In 1864 she married the late Uriah Hall, of St. Croix Cove, where she resided for many years, and raised a family of ten children, four of which have passed to the other shore a little ahead of mother.

She leaves to mourn the loss of a kind and loving wife and mother, an aged husband, four sons, and two daughters, Edwin and Hardie, of Brockton, Mass.; Norman and Arthur, of Lynn, Mass.; Mrs. Russel Brown, of Lynn, Mass., and Mrs. Raymond Cousins, of Portland, Me., also one brother, Minard W. Graves, of Bridgetown.

The funeral services were conducted by Rev. D. W. Dixon, with interment at Hampton cemetery, attended by a large number of relatives and friends. The floral tributes were many and beautiful.

Rev. Mr. Robertson filled the appointments in the Baptist Church here on Sunday last, while here Mr. and Mrs. Robertson were guests of Mrs. R. Melvin.

WEDNESDAY, SEPTEMBER 6th 1922

The settlement of the coal strike in this Province is hailed with delight by the public generally as a means of view even better than in a number of towns and cities, and some transportation companies either curtailed or were on the point of curtailing their running schedules and a coal famine threatened factories and private consumers alike. As to the settlement itself it followed in its general lines all similar settlements made in the past the Company had declined to pay rates asked and the men reiterated that these must be paid. Results secured were from the general public suspected they would be. Some looked for a protracted struggle with the men at the finish and a long period of inconvenience for manufacturing interests and for the private consumer.

The great matter, of course, was to get the strike over and get the wheels of industry once again in operation. This was accomplished in the shortest possible time and a temporary arrangement with longer terms than the men had been seeking in agreements asked in most recent years. Business conditions now, however, are tending to stabilize along the various lines of endeavor. No one grudges the men a fair wage for a fair day's work. Wages have been raised and the public will, of course, as it always has done, foot the bill with a few additions from various causes.

As to the real rights or wrongs of the matter, they are as much as the dark as ever. With the price of fuel, the people's property theoretically, constantly mounting in price with no apparent end in sight it is time that the questions of cost of production should be more fully investigated. It is, of course, a simple method to raise wages and pile the increase with a little more upon the backs of a reluctant public who murmur more or less, but for whom no remedy has been, or from present prospects is likely to be, devised. It is probable that eventually such an enquiry will be started in the United States where the interests are larger than in Canada.

It is essential that the public who, in any case, have to foot the bills should get a better understanding of the issues involved. The old fortune of being the goat has been theirs for many years in the question of fuel supply and as the third and greatest in the triumvirate of interests they naturally feel that their position in these matters is entitled to more consideration than has been thus far given.

RAILROAD RATES

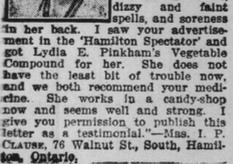

The travelling public for some time have been criticizing the high railroad rates. To the average man there seems to be no justification for these rates, but the operating officials have

ONTARIO MOTHER HELPS DAUGHTER

Mothers—watch your daughter's health. From the time she reaches the age of twelve until womanhood is established she needs your care and advice. Many women have suffered years of ill-health through lack of such care during this time.

Lydia E. Pinkham's Vegetable Compound is a splendid medicine for girls and women. For nearly fifty years it has been helping mothers and daughters. Let it help you and your daughter.

Hamilton, Ontario.—"When my daughter was thirteen and until she was fifteen she suffered every month so that she could hardly move around the house and when she would have the pains in school she would have to be carried home. Besides the pains and the irregularity she also had headache, dizzy and faint spells, and soreness in her back. I saw your advertisement in the Hamilton Spectator and got Lydia E. Pinkham's Vegetable Compound for her. She does not have the least bit of trouble now, and we both recommend your medicine. She works in a candy-shop now and seems well and strong. I give you permission to publish this letter as a testimonial."—Mrs. I. P. CLAUDE, 76 Walnut St., South Hamilton, Ontario.

long claimed that this is because he has not a clear conception of the railroad dollar, i. e., of the way in which it is earned and expended. The problem has been condensed into understandable language by the Bureau of Railway Economics in an analysis of the Central System's operations last year. The company was taken as typical of the relative manner in which a carrier received its dollar of revenue and the manner in which it was spent. The greatest source of revenue was from the transportation of freight, which netted 71.71 cents of the dollar. The company transported 44,637,466 tons of freight an average distance per ton of 270.46 miles. The average revenue per ton per mile was 1.015 cents. From its passenger traffic the management added 16.98 cents to its dollar of revenue, the analysis showing that during the year there were 37,027,389 passengers transported an average distance per passenger of 26.25 miles. The average revenue per passenger per mile was 3.194 cents. The balance of the dollar was earned in the following manner: By the transportation of mail, 1.69 cents; sources related to freight service, such as demurrage and storage, and special service, 9.49 cents; switching service, 0.85 cent; sources related to passenger service, such as the operation of parlor cars and excess baggage, 0.56 cent; hotel, restaurant, dining and buffet service, 0.58 cent; station and train privileges and miscellaneous, 0.32 cent; rents of equipment, road, buildings and other property, joint facilities and miscellaneous income, 2.79 cents; and income from corporate investments, 2.50 cents, a total of 100 cents. The blue print of where the dollar went is really illuminating.

Train, station and switching operations and other transportation service took 26.69 cents, of which 92.96 per cent. went for wages, and 7.04 per cent. for material. Next in importance was the maintenance of locomotives, freight and passenger cars and other equipment which took 18.94 cents, of which 62.67 per cent. went for wages and 37.33 per cent. for material; maintenance of tracks, roadbed, buildings, bridges and other structures demanded 16.65 cents, of which 54.7 per cent. was needed for wages and 45.3 per cent. for material. The other items were listed as follows:—Fuel, 7.50 cents; interest on bonds and other interest charges, 6.85 cents; taxes, 5.54 cents; depreciation and retirement of equipment, 3.90 cents; loss, damage and casualties, 1.97 cents; rent of equipment, leased lines, joint facilities and miscellaneous rents, 2.45 cents; dividends on capital stock, 4.48 cents, and balance available for enlarging and improving the property, 1.69 cents, making, with miscellaneous items, a total of 100 cents.

UPPER GRANVILLE

Bountiful crops are reported and we trust even now promised harvest will reward the diligent farmer for patient labor which alone "drives the plough, scatters the seeds, grinds the corn and converts into bread "the staff of life". You have a noble escutcheon; disgrace it not. There is nothing really mean and low but sin. Sunshine is again smiling on us, after heavy rain falls which have proved rather a serious set back towards harvesting hay and grain.

CLEMENTSPORT "THE QUEEN OF THE BASIN"

The Queen of the Basin congratulates busy Bridgetown on her Centennial programme and wishes her every success.

The event of the week was the annual decoration service held in the Old Church on Wednesday, the 30th inst. This is a historic event and is so looked upon by the hundreds that attend each year. The day was perfect. After the week of heavy rain the sun flooded the hillsides and warmed the hearts of all, service began at 3 p.m. with a procession of the clergy through the South door, to the strains of the grand old hymn, "O God Our Help in Ages Past". Archdeacon Watson took the first part of the service also Rev. Mr. Mellor's part 13 the concluding prayers. Rev. E. Underwood read the first lesson, and Rev. Rural Dean Driffield the second—after which the clergy proceeded down the aisle with the Chief Justice and the Rector to the West door. Archdeacon Armitage then presented a tablet to the Parish from the Nova Scotia Historical Society.

This was accepted in the name of the Parish by Chief Justice Harris who unveiled it. The wording on the tablet is follows:

To Commemorate The Loyalty, Courage, and Faith, of those U. E. Loyalists, who here made new homes in 1783 and built this Church consecrated by Bishop Inglis in 1783. N. S. Historical Society, 1922.

The "Nunc Dimittis" was then sung and concluding prayers said. The Rector then thanked all those taking part in the service, expressing regret that two errors had been found in the programme—especially that Rev. T. C. Mellor's name had been omitted. He said that before the programme had been sent out Mr. Mellor had had a personal invitation and was given his part in the service and all expected him to be present, and were greatly disappointed that he had not come. He set forth the intention of the committee to have the sanctuary walls panelled with memorial tablets to the families of those who lay buried in the grave yard, and said that the Chief Justice of Nova Scotia had promised the first one—in memory of his ancestors—the Dow, Ditmars family. He also read the following poem written especially for the occasion by Mr. Joseph F. Gould, New York:

This house of worship on the hill Takes back our minds to days of yore. Our loyal hearts will render still Tribute to those who went before.

A better world is ours than theirs Who had to live that we might be. They made it so; and free from cares They have no need of memory.

A modest war: they fought it well The lasting conquest of the soil. These hallowed walls are here to tell The love of God that cheered their toil.

And as we gather here to pray Before the old ancestral shrine, May every spirit bear away, Some glimmer of the spark divine.

An excellent address was then given by Ven. Archdeacon Armitage from the text, Duet, 32 v. 7. "Remember the days of old, consider the years of many generations, ask thy father and he will show thee; thy elders, and they will tell thee." He showed the debt owed to the old Loyalists who were so true to their God and to their King and the example set us by them. His words will long be remembered by those who were there. The collection taken for the Old Church fund amounted to \$50.50. Ven. Archdeacon Vroom pronounced the Benediction. Then all proceeded to the church yard where they decorated the graves—the Clergy encircling the grave of the Rev. Wm. Godfrey and decorating it. The service concluded with singing out of doors, the beautiful hymn "On the Resurrection Morning". The music was soul stirring with Mrs. H. L. Vroom as organist, Mr. S. T. Porter conductor, and the members of the Methodist and Baptist Choir and members from Deep Brook and Bear River Choirs.

The following is the list of officiating Clergy on the programme—all were here with exception of Rev. John Lockward, Rev. Morris Taylor, and Rev. T. C. Mellor. The Rev. Wm. Bullock, the oldest priest in the diocese, who was visiting at Deep Brook, was vested with the Clergy.

The Rev. A. W. L. Smith, Rector of Clementsport.

After the service the Clergy were entertained at afternoon tea by the Rev. W. S. H. Morris and Mrs. Morris at their Summer bungalow.

What might have been a very serious accident happened on the Howard Potter on Friday afternoon. It was about five o'clock and he was coming down the hill in front of Boudreau's, and had almost reached the bridge when the rim of the front wheel collapsed and threw him headlong, rendering him unconscious. He was carried to Rawding and Potters shop. Fortunately he sustained no serious injury although badly shaken up.

Many jolly corn boils and clam bakes take place upon our beaches during the Summer and Fall. A most enjoyable one took place on Thursday evening when the Misses Fitch entertained some of their friends in honor of their nephew, Dr. Fitch. Miss F. Pearlster, Superintendent of a Children's Home in Patterson, N. J., spent a week, the guest of Mrs. Clark S. Gould, and left for home Saturday, September 2nd.

Rev. A. J. McNinch came home on Tuesday, 29th inst, and returned to his present pastorate, Springhill, taking Mrs. McNinch and family with him.

Santford Bros. are busy getting in the concrete piers for Mr. W. G. Smith's bungalow on the site he recently purchased from Mr. John Shaw. Mr. and Mrs. Harry Dean and family, of Halifax, left for their home on August 30th, after the Summer spent in their pretty bungalow here.

Two more cars in Clementsport. Mr. Fred Jones has purchased an Overland from Mr. Owen Covert and Mr. Jas. H. Rawdijg has purchased a Ford.

Mr. Arch. Vroom, of Weymouth, came up Wednesday, the 30th, and spent a few days with his brother, Mr. H. L. Vroom, Customs Office. Mrs. S. J. Porter and daughter Lily returned to Boston on Saturday, Sept. 2nd, after a pleasant two months' visit.

Miss Jessie Beach, of Westfield, is visiting Mrs. Ezra Hamilton. We are glad to learn that Mr. Hamilton is slightly better of his illness. Schooner "Levuka", Capt. Wm. Tupper, from Annapolis, is loading lumber for U.S.A.

BRIDGETOWN CENTENNIAL COMMENCEMENTS WITH CHURCH SERVICE

(Continued from Page One.)

ed his hearers to be loyal to her in improving conditions in the world. A very nice musical programme was rendered by the choir. In Gordon-Providence Church Rev. R. O. Armstrong, M. A., was the speaker.

Mr. Armstrong took his text from Paul's letter to Timothy—2 Timothy 3:14, 16, Continue them in the things which Thou hast learned and has been-assured of knowing from whom Thou hast learned them, etc. Paul, he stated, was aged in experience, and well qualified to impart sound counsel to young Timothy. The century past ought to bring valuable lessons to this generation. This substance of Paul's advice was to stand by the old truths. It was in other words the expression "Stand by the old Gospel". The preacher said he knew he was liable to be misunderstood in this, but showed by quotations from leading Christian scholars that the "Old Gospel" was more fully appreciated today than ever, and had a right to be. Merit, not age, decided usefulness. Whatever had vitality in it was "new". Apples grow on old trees. Any "new" which is not related to the "old" is a fiction. The old must function if the new principles are old; the application is new. The old Gospel magnifies Christ, it is plain, it reaches all sorts and conditions of men and it produces the right kind of character. Change is not necessarily progress. Progress is of the spirit. The Church today emphasizes social service more than the Church of the past and it has a larger place for childhood. Mr. Armstrong then emphasized some characteristics of the older Christian life such as family worship, then strong evangelical convictions, and then religious experience. The best things we knew today were learned as Timothy learned them from his mother and the Scriptures which inspired personal faith in Jesus Christ. That is the "anchor" which holds.

The programme rendered by the choir was good and included solos by Miss Hallett of Bermuda and Dr. W. H. Beckwith, of Halifax.

Thos. Bowes and Wife Both Endorse Tanlac

When a medicine produces results its praise is sure to be heard. That is why Mr. and Mrs. Thomas Bowes, of 27 Clarence St., St. John, as well as hundreds of other people throughout New Brunswick, so rapidly speak up for Tanlac.

"Tanlac is such a grand medicine, and has done so much for me," said Mrs. Bowes, "that I want to tell everybody I can about it. I suffered from indigestion and had an awful time with gas on my stomach. I was tired, nervous and half sick all the time and could not sleep. Two bottles of Tanlac has done me a world of good. I eat and sleep so much better and am so much stronger that my housework is a pleasure to me."

"Yes," said Mr. Bowes, "I would see that Tanlac was helping my wife and, being all run down myself, I began taking it, too. My appetite had left me, my stomach was out of fix and a day's work would simply wear me out. I have such an appetite now that I can get up in the middle of the night and eat. My stomach don't bother me any more. I sleep like a top and feel fine all over. There's no medicine equal to Tanlac."

Tanlac is sold by all good druggists.

To Holders of Five Year 5 1/2 per cent Canada's Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5 1/2 per cent interest, payable half yearly, of either of the following classes:—

(a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.

(b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unexpired coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.

Dated at Ottawa, 8th August, 1922.

SABLE ISLAND IS A REPOSITORY OF WEALTH UNTOLD

Speaking of The Sunday Leader's gripping story of lost treasure on Sable Island, Maurice Noonan, the veteran life saver who spent over 60 years on that lonely sand bar, says he is firmly convinced the island contains untold wealth both in gold and silver coins and bullion.

Gold coins, he says, were very often picked up on the beach. Every great wreck embedded in the sand far removed from the water. He relates that one day he came across a big brass cannon protruding from a sand hill and on closer examination found also a sword in its scabbard, the mounting of which he took to be pure gold. At this spot a French warship was lost in the early history of the island.

During his earlier days on the island a Spanish brig was driven ashore there and became a total wreck. This was at a point removed from the life stations. The captain and crew got ashore all right and when the life-savers came across them the next day, they were seated around a fire they had started. The captain told the life-savers that his vessel was the Isabella Marla, that she was bound to Newfoundland from Bilbao for a load of fish and that not knowing what sort of an island they were cast away on, they had buried the gold, with which they intended to pay for the cargo of fish, in the sand over which their fire was burning.

"There must be an immense amount of gold and silver on Sable Island," said Mr. Noonan. "I often wondered why people did not think of it before."

WAGE INCREASE AT SYDNEY STEEL WORKS

Wage increase running from ten to fifteen per cent, and affecting all classes of workers at Sydney Steel plant were announced by E. P. Merrill, general manager of the British Empire Steel Corporation. Approximately 2,800 men are affected by the new order.

The new schedule will include a general leveling up of rates in different departments. The minimum rate—that paid for common labor—is increased from 24¢ and 26¢ to 28¢ and 30¢. A detailed statement of all rates has not yet been worked out.

The official announcement by Mr. Merrill reads as follows:

"A wage increase is being announced at the steel plant. Labor will now be 25¢ and 30¢ instead of 24¢ and 26¢. A number of readjustments have been made and inequalities corrected.

"The increase will average from 10 per cent to 15 per cent, most of the rates being increased the latter figure."

IN MEMORIAM

LORIMER—In loving memory of my beloved son, William Henry Lorimer, who died August 25th, 1921, aged 19 years.

A precious one has from us gone,
 A voice we loved is still.
 A place is vacant in our hearts
 Which never can be filled.

We think we see his loving smile,
 Although one year has passed—
 But in our memory fresh, he is, and
 Will be to the last.

Days of darkness still come over me,
 Secret tears do often flow,
 But memory keeps him ever near me,
 Though he died one year ago.

Friends may think that I've forgot
 him,
 When at times they see me smile,
 But little do they know the sorrow
 Which the smile hides all the while.

Inserted by his father, mother, brother and sister.

COLONIAL ARMS HOTEL

Under the courageous and efficient management of Mrs. J. D. Spurr, and her son, Mr. William Spurr, who returned from splendid military service overseas as an Aviator, The Colonial Arms Hotel has had another profitable summer.

Earlier than ever before, many of its former guests asked for accommodation, and before any other hotel of its size had opened its doors The Arms was doing business. A unique feature about this place is the fact that its guests return year after year, bringing their own friends or sending them back upon leaving; and those who come for a week always remain longer, some even MONTHS, whereupon the management has been forced to add more cottages to the equipment.

Occupying an outstanding site on the landscape, as it does, it attracts the notice of all who travel through the Province; but the great beauty of its location is not fully realized until one motors to the doors of this hospitable inn and takes a stroll through the natural beauty of fir clad grounds that command a view of the unsurpassed Annapolis Basin on the North; Digby and the Gap on the North-west; and Bear River on the South. From every window the view is beautiful and varied in land and sea scapes.

Neither flies nor mosquitoes ever trouble the place even in the rainiest weather—and surely we have endured all of the rainiest weather this summer!

Cheery hearth fires in the evenings lure the guests into the pleasant parlor. Musicians of note have given us of their talent freely whenever invited. Afternoon teas, lawn mowed with fishing excursions, tennis, motor trips, and swimming to fill all leisure hours. Names of note fill the register, attesting to the far-spread knowledge of this beauty surrounded resort. Nothing has marred the harmony, health, and happiness of a beautiful vacation beginning in June and ending, not for some, until the middle of September. Did schools not command attendance there are many guests who would insist on staying until October. Regret surmounts every heart at leaving, the only consolation being in the fact that we may be permitted to return to our rooms and cottages next year, perhaps earlier than ever.

AN APPRECIATIVE GUEST.

Miss Eva Mills, who, on September 2nd, will become the bride of Mr. Ralph Ritchie, of Annapolis Royal was given a "China shower" at the home of Mr. and Mrs. Harry Ritchie on Friday evening, August 25th.

While Mendelsohn's wedding march was being played, little Helen and Donald LeBeau, dressed as bride and groom entered the living-room and requested Miss Mills to come with them to the parlor. Miss Mills was genuinely surprised but responded to the occasion very nicely. The remainder of the evening passed pleasantly with games and music. Refreshments were then served.
