The copy filmed here has been reproduced thanks to the generosity of:

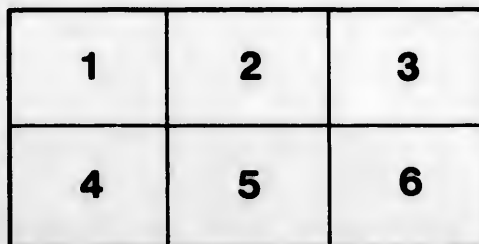

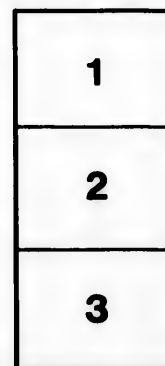

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Parties requiring Steamboat Engines would do well to call and inform themselves on the great economy of our new design of Compound Steam Engine, suited for Steamboats, Factories, Grist Mills, Distilleries, Breweries, &c.

Messrs. W. P. BARTLEY & Co.,

MONTREAL, 18th November, 1872.

Gentlemen,—In reply to your letter of the 8th inst., by which you ask me how the beam engine of the Longueuil Navigation Company's steamer, "Montarville," built by you from a new design of your own, on the compound principle, has performed since the boat has commenced to run; also how the "Montarville's" engine compares as to economy of fuel with that of the sister steamer, "Longueuil," built by you in 1868, on the most modern design.

I would beg to state that the Company has not yet given the "Montarville's" engine the test they would have wished; but for the time it has been working it has, from the first day, given entire satisfaction in every way; and as regards economy of fuel, I do not hesitate to say that I believe the saving in fuel cannot be less than one-third, and possibly more.

I remain, Gentlemen, Yours, &c., J. HURTEAU, Manager L. N. Co.

We fully endorse the above: OVIDE DUFRESNE, Pres. L. N. Co.; H. COTTE, Vice-Pres. L. N. Co.; S. BONNEVILLE, Director L. N. Co.

November 23rd, 1872.

We publish this morning a letter from Messrs. W. P. Bartley & Co., with one from the Directors of the Longueuil Navigation Company, on the subject of a new engine, designed by Mr. Bartley, for the steamer "Montarville." The letters explain themselves, and will be read, we doubt not, with great interest by all persons interested in the question of economy of fuel for navigation or manufacturing purposes. The statement made that, with the trial already given to this engine, a saving of at least one-third in fuel is effected is a most important one, and its full significance will be more apparent when it is remembered that the engine on the steamer "Longueuil" with which the comparison is made, is one of the best, in point of economy of working, hitherto in use. It is of the same design as those in the steamer "Quebec," of the Richelieu Company of which Mr. J. B. Lamere is Manager, the "Magnet," of the Canadian Navigation Company, of which Mr. A. Milloy is Manager; the "Lady of the Lake," on Lake Memphremagog, of which Sir Hugh Allan is President; and the "Prince Arthur," of the Upper Ottawa Union Forwarding Co., of which Mr. R. S. Cassels is President. All these are well known and favorite passenger steamers, and their engines from the establishment of Messrs. Bartley & Co., are known to be remarkable for economy in fuel. They are now eclipsed by the new engine, to which reference is made in the correspondence which we publish; and at a time when fuel is of enormously increased value, having reached almost famine prices, such an engine is a matter of great interest to all parties engaged in navigation or manufacture. We congratulate Messrs. Bartley & Co. upon having produced an engine which is thus certified to effect a saving of thirty-three per cent. over the best engines now in use of the high pressure or condensing types.—*Gazette.*

W. P. Bartley & Co. build every description of Saw and Grist Mill Machinery, High Pressure Steam Engines and Boilers for 3, 6, 8, 10, 15, 18, 24, 34, rising by 10 to 100, and by 20 from that up to 1000 horse power, for Mills, Screw Propellers and Paddle Steamers. Manufacturer and Agent for all kinds of Parquet Floors, Wooden Carpeting and Fancy Wainscots.

The Wooden Carpeting has proved by its durability that it is the cheapest covering for Kitchens, Offices, Stores, Banks, Halls, Laundries, School, Dining and Sitting Rooms, or Border for Drawing Rooms, and where care is taken it can be made to look nice as long as it lasts, which in Private Houses would be as long as an ordinary HARD WOOD FLOOR, or at least ten times as long as the best ENGLISH OIL CLOTH. The great advantage of these Floors is that they are Insect and Dust-proof, can be laid over any Floor without disturbing the arrangements of the Room materially, such as the Door Sills, Hearth-stones, or Register. Being but $\frac{1}{4}$ inch thick, the wood is glued on Heavy Cotton Drill, and can be shipped to any point, as it is portable and rolls up like Oil Cloth. The Plain Floor complete costs \$2.50 *per yard*. MONT

PREFACE.

THE PUBLISHER takes pleasure in presenting to the public the MONTREAL DIRECTORY for 1873-74. The work will, he feels sure, be found accurate and complete.

According to the Municipal Census of 1872, the population of Montreal was 117,865, divided among the following wards :

East.....	3,159
Centre.....	1,412
West.....	1,156
St. Mary.....	14,983
St. Antoine.....	27,506
St. Lawrence.....	14,410
St. Louis.....	16,452
St. James.....	19,146
St. Ann.....	19,641
Total.....	117,865.

If, to the above are added the suburban villages (which are given in the DIRECTORY,) and which properly form part of the city, the population is at least 150,000.

To canvass such a large population, (yearly rapidly increasing), arrange the names in alphabetical order, classify the business of each advertiser and subscriber, and collate the vast amount of miscellaneous information appended to the work, is a task that requires the greatest anxiety and care. Assisted, however, by reliable and experienced agents, the Publisher endeavours, and he believes successfully, to produce a useful and reliable work.

The city is canvassed first by a large staff of Agents, and their work is afterwards revised and corrected from door to door. Not one name is put in type until it has been taken a second time.

The STREET DIRECTORY, an important and very necessary part of the work, will be found very full and reliable.

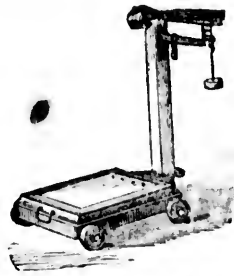

The Miscellaneous matter will also be found very complete.

The business of each Advertiser and Subscriber is carefully classified.

The Publisher begs to thank the public for their very generous support, and all those who aided in supplying information, and bringing the DIRECTORY to a successful issue.

JOHN LOVELL.

Dividends paid at the end of the **FIRST** and **Every Succeeding Year.**

POLICIES NON-FORFEITABLE.

The Society will give a cash value, or its equivalent in a paid-up policy, and thus make policies non-forfeitable as follows:

Life and Endowment Policies, the premiums on which are payable during a stipulated period longer than Ten Years, after **THREE** annual premiums have been paid.

All Five and Ten payment policies, whether Life or Endowment, after **TWO** annual premiums have been paid, for as many Fifths or Tenths respectively as there shall have been payments made for full yearly premiums.

THE EQUITABLE HAS BECOME THE LEADING COMPANY OF THE WORLD.

Attention is particularly called to the new method of insuring lives originated by The Equitable, combining greater advantages than have heretofore been presented to the public for making Life Insurance a Remunerative Investment,

Entitled THE TONTINE SAVINGS FUND POLICY.

EX 1. It has been urged, as an objection against Life Assurance, that it is more profitable in the case of those dying early than of those dying in old age.

EX 2. It has been further objected that the money invested in Life Assurance could not at any time be withdrawn and the transaction terminated, except with serious loss.

To remove even the slightest ground for such objections The Equitable Life Assurance Society introduces, for the first time, the Tontine Savings Fund Policy, the principle of which will be applied to new policies upon any plan of Insurance heretofore offered by the Equitable, without increase in rates of premium.

EXAMPLES.—It is calculated that if a person insured under an ordinary life policy for \$10,000, at the age of 35 (annual premium \$281.70), should elect the **TEN YEAR** class, he will at the end of that time be able to terminate his policy, and receive therefor a sum in cash greater than all the premiums paid by him; should he prefer to continue his policy he may have an annuity which, with future dividends, will almost equal subsequent premiums. In lieu of either of these methods he may take a paid-up policy for \$7,000 having been insured meanwhile for \$10,000. The same option, with still more profitable results, is open to those electing either of the other classes. If a person should elect the **FIFTEEN YEAR** class, he may, on the same assumptions, at the expiration of that time withdraw in cash **FIFTY PER CENT.** more than he paid in; or he may have an annuity which will pay him premiums, and yield in addition, a constantly increasing income; or he may have a paid-up policy for \$14,000. If he should elect the **TWENTY YEAR** class he may, on the same assumptions, withdraw in cash more than double the amount paid in; or receive an annuity that will pay premiums and leave him an income of more than double the amount; or receive a paid-up policy for \$22,000.

A more elaborate explanation may be procured from the Society's Agents.

Gray's Creek Dairy,

CORNWALL.

MILK DEPOT,

No. 179 St. Bonaventure Street,

CORNER OF CEMETERY STREET.

The Proprietor of this Dairy aims at supplying the City of Montreal with one of the most important necessaries of life—

Pure Fresh Milk,

OF THE BEST QUALITY.

It is clear this valuable article of domestic consumption cannot possess the quality it ought, unless it is obtained from cows free of all disease, breathing pure air, and receiving a sufficient supply of wholesome and nutritious food. For this purpose an extensive estate, three hours by rail from Montreal, has been converted into an exclusive dairy farm. Well ventilated stables to accommodate 300 cows, and all the appliances necessary for a large dairy have been constructed on the latest and most improved principles.

Experienced dairy maids have been carefully selected, and the most minute cleanliness is insisted on.

It is not the proprietor's intention to distribute in small quantities, but to supply hotels, public and private institutions, milk men, and parties contemplating the establishment of milk depots wholesale, in 10 gallon sealed cans.

The milk will only be delivered in its natural state; cream, if required, must be separated by the parties purchasing.

Applications for quantities required, and other particulars, will be received and promptly attended to by addressing

OPINION OF THE PRESS

LES OUVRAGES DE VILLE EN CANADA.—Nous avons reçu de MM. Louis Perrault & Cie. Imprimeurs à Montréal, une série de spécimens d'ouvrages de ville qui ne peuvent être comparés qu'à l'album Derriey.

MM. Perrault avec les seuls ressources des vignettes typographiques fondues, impriment des factures, des cartes, des circulaires et autres ouvrages du commerce, dans lesquels les traits de plume, les ornements et les caractères de fantaisie sont aussi nombreux et aussi gracieux que dans les mêmes impressions obtenues par la lithographie et la taille-douce. Ces imprimeurs font un grand usage des encres de couleurs, qu'ils juxtaposent et superposent avec beaucoup de goût, ce qui est excessivement rare. Cette réunion d'aptitudes spéciales, de connaissances acquises et d'outillage moderne, produit des résultats qui font le plus grand honneur à MM. Louis Perrault & Cie., à leur personnel et à l'imprimerie canadienne.—*L'Imprimerie, Paris.*

FINE PRINTING—We have received a budget of elegant things from Louis Perrault & Co., of Montreal, Canada, in colors and black. Messrs. P. & Co. are decidedly ahead of any house north of the States, and we guess could easily hold their own with any on this side of the border.—*Typographic Messenger, New-York.*

THE MODERN TURKISH OR ROMAN BATH,

140 St. Monique Street, near Crystal Palace,

MONTREAL.

This Establishment, which was opened July 1st, 1869, has during the past winter been entirely rebuilt and remodeled, and may now be considered one of the largest and most complete Institutes of the kind on the continent.

It will re-open to the public on the 1st of July, 1873.

To those who know the merits of the Turkish Bath the simple fact of its location is all that is required to be made known.

To the weary traveller or visitor to the City on business or pleasure the Bath has special claims. It will cleanse, refresh, and impart new life as no other means can. It promotes the healthful action of the skin, purifies the blood, equalizes the circulation, removes local and internal congestions, soothes and tranquilizes the nervous system and rejuvenates the entire man.

While the Turkish Bath is truly a luxury that leaves no sting and one of the most important of health preservers, it is also a most invaluable remedial agent, and an important auxiliary in the treatment of most forms of disease, but especially adapted for the cure of the following, viz: Rheumatism, Sciatica, Bilious derangements, Local congestions, Inflammations, Coughs, Colds, Bronchitis, Diseases of the Skin, &c., &c.

The Sun Bath.

A complete Bath of this kind has also been added to the Institute, and forms a pleasant adjunct in the treatment of many chronic diseases.

The Swedish Movement Cure,

Includes the most recent appliances aided by steam power.

This is the most successful, natural and best means known for the cure of dyspepsia, constipation, inactive liver, uterine displacements, debility, nervousness, &c., &c.

The Health Lift Cure

For general invigoration and development.

Board and Rooms

Can be arranged for at the Institute by giving timely notice. All patients coming to the Institute will be placed under general hygienic treatment.

Circulars sent to any address on application.

BATHING HOURS

Gentlemen 6 to 9 A.M. and 3 to 9 P.M.

Ladies 10 to 1 A.M.

ENLARGEMENT OF PREMISES.

THE undersigned has greatly enlarged and otherwise improved his premises, which he has adapted, in every respect, for carrying on an extensive Book and Job Printing and Blank Book Manufacturing business. The Compositors' Rooms are well stocked with a large variety of Plain and Fancy Types, embracing the newest designs. The Establishment is furnished with twelve Steam Printing Presses, nine Steam Smashing, Sawing, Cutting, Stamping and Hoisting Machines, six Hydraulic and Hand Presses, together with Ruling, Backing and Paging Machines all in thorough working order, which enables him to turn out large quantities of work at very short notice. 200 persons are employed in this Establishment.

Country Orders for Printing and Blank Books carefully attended to, and work despatched by the safest and cheapest modes of conveyance.

JOHN LOVELL,

BOOK AND JOB PRINTER, AND BLANK BOOK MANUFACTURER.

In each of the above stations there are three fire guardians, permanently in the east and west fire district, viz., 3, 4, 7, 8 & 9, and four in each of the others, viz., 1, 2, 5 & 6 who are called out in three separate sections, according to the three fire district divisions of the city; but also when required, act as one body. This is done by calling one section by the first alarm, two sections by a second alarm, the remaining one by a third; and if not required, one single blow is given on the Church bells signifying the immediate danger is over and therefore not wanted.

The course of studies, in which religious instruc-
tion holds the first rank, is divided into two sections
—the classical and the commercial.

The classical course, principally taught in French,
is designed to impart a thorough knowledge of the
Greek, Latin, French and English languages and
literature, pure and mixed mathematics, history and
geography, philosophy and natural sciences, and
whatever is necessary as a preparation for a profes-
sional career.

It comprises eight classes—I latin elements, Syntax,
Method, Versification, Belle-lettres, Rhetoric, 1st and
2nd year of Philosophy.

The commercial course, principally taught in
English, embraces the English and French languages
and literature, mathematics and the other branches
named above, moreover bookkeeping, and whatever
else may fit a young man for commercial and indus-
trial pursuits.

It comprises four classes—Grammar, Literature,
Rhetoric and Philosophy.

There are, moreover, elementary and preparatory
classes for younger students.

The system of education is paternal—The teachers
endeavour to unite kindness with firmness, and make
use of the means of persuasion in preference to those
of severity.

To be admitted into the college, applicants must
present a certificate of good character.

Monthly reports of behaviour, application and pro-
gress are sent to parents or guardians.

None but relations or those who represent them,
are allowed to visit the boarders.

Half-boarders and day scholars must not absent
themselves without the previous leave from the Col-
lege authorities.

The collegiate year is of ten months, beginning in
the first week of September, and ending in the first
week of July.

Terms.—Board and tuition, \$150.00; washing,
\$16.00; bed and bedding, \$8.00; music lessons, \$25.00;
use of the piano, \$5.00; drawing lessons, \$15.00.
Half-boarders, \$70.00; day scholars, \$30.00.

Payments, which are required in gold, or its equi-
valent, and strictly in advance, are made 1st in the
beginning of September, 2nd on the 10th of December,
and 3rd on the 20th of March.

The college will not take charge of providing a student with clothing or other necessities, unless a sufficient sum be deposited in the hands of the treasurer.

No reduction in the above mentioned terms will be granted for absence of less than one month.

Postal regulations.

Mails are conveyed twice each way every day, except Sunday, over the principal lines of railway in Canada. Over the less important lines of railway they are carried only once each way every day, except Sunday.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Ontario and Quebec and the lower Provinces is six times per week each way *via* Quebec, Rivière du Loup and Edmundston, twice per week each way by steamers from Quebec to Pictou, and daily by Railway *via* Bangor, Me., and McAdam Junction, Me.; and once per week per steamer between Portland and Halifax.

The most speedy and direct postal route from Canada to almost every portion of the globe, with the exception of the Continent of America, the Isthmus of Panama, China and Japan and the West India Islands, is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, South Panama, the West Indies, Central and South America, is *via* New York.

The most direct postal route to China and Japan is *via* Detroit and San Francisco.

Mails for England are despatched as follows: By mail Steam Packets sailing from Quebec in summer and Portland in winter every Saturday; and from Halifax, Nova Scotia, every alternate Friday. By Steamer from New York every Wednesday and from Boston every Tuesday.

The following post offices in the Dominion of Canada make up mails direct for certain post offices in the United Kingdom, *viz*:

ing American Offices: Boston, Buffalo, Burlington, New York, Plattsburg, Portland, Rouse's Point, Rutland and Whitehall.

Mails for Bermuda and Newfoundland are made up at Halifax, Nova Scotia, whence steamers sail once a month to Bermuda and St Thomas, and once a fortnight to Newfoundland.

Rates of Postage Letters.—The rate of postage on prepaid Letters between any one place in Canada and other places in Canada, is regulated by weight, irrespective of distance, and is as follows:

On a letter not more than $\frac{1}{2}$ an oz.,	3 cents.
more than $\frac{1}{2}$ oz. but not ex. 1 oz.,	6 cents.
“ 1 “ “ “ 1 $\frac{1}{2}$ “ “ “	9 “
“ 1 $\frac{1}{2}$ “ “ “ 2 “ “ “	12 “
“ 2 “ “ “ “ 2 $\frac{1}{2}$ “ “ “	15 “

And so on, 3 cents being charged for every additional $\frac{1}{2}$ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Dominion of Canada, if sent unpaid, are liable to a charge of 5 cents per $\frac{1}{2}$ oz.

In applying the 5 cent unpaid rate to letters passing within the Province posted unpaid or not fully prepaid—it should be observed that a letter passes either as pre-paid at 3 cents per $\frac{1}{2}$ oz., on condition that the whole postage due be fully pre-paid—or at 5 cents per $\frac{1}{2}$ oz. if posted unpaid, or only partly pre-paid—in the latter case the full rate at 5 cents per $\frac{1}{2}$ oz. will be marked, and a deduction made therefrom of the amount which may have been paid—thus on an amice letter pre-paid 3 cents only—the rate will be 10 cents and crediting the 3 cents paid—7 cents will remain to be charged, and collected on delivery.

The object of the 5 cent unpaid rate is to induce pre-payment, and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or but partially pre-paid—and therefore the 5 cent rate applies to the whole charge upon the letter in both cases.

The charge on local or drop letters, viz., letters posted at an office in Canada for delivery from that office is one cent for each letter, which must be pre-paid, or the letter will be sent to the dead letter office for return to the writer.

The charge on letters delivered by letter-carriers in Canada, is two cents for each letter in addition to the ordinary postage.

The rate of postage on letters to Prince Edward Island is 3 cents per $\frac{1}{2}$ oz. if pre-paid, and 5 cents if not pre-paid.

The rate of postage on letters to Newfoundland is 12 cents per $\frac{1}{2}$ oz., which must be pre-paid.

The rate of postage on letters to British Columbia, Vancouver Island and Manitoba via Detroit, U. S., is the same as to any other part of Canada, but all postage must be pre-paid by postage stamp.

The rate of postage on letters between any place in Canada and any place in the United States, is 6 cents per $\frac{1}{2}$ oz. if pre-paid, and 10 cents per $\frac{1}{2}$ oz. if not pre-paid.

Upon a letter or packet, of any weight, addressed to the United States the whole postage or none at all should be pre-paid. If anything less than the whole is pre-paid no account is taken of it, and it is entirely lost to the sender.

The scale of weight under which the above letters are charged is the same as the scale under which letters passing between places in Canada, are rated.

The single rate of postage on letters between any place in Canada and any place in the United Kingdom, is as follows:

By Canadian Steamer, sailing every Saturday from Quebec in summer and from Portland in winter, and from Halifax fortnightly, 6 cents per $\frac{1}{2}$ ounce.

By steamer, sailing from New York or Boston, 8 cents.

Letters addressed to the United Kingdom, and forwarded by either of the above routes, will be charged according to the following rate:

Letters not over $\frac{1}{2}$ an oz., — rate.
Letters more than $\frac{1}{2}$ an oz., and not ex. 1 oz., 2 rates.
“ “ 1 “ “ “ 1 $\frac{1}{2}$ oz., 3 rates.

And so on, adding one rate for every additional half ounce or fraction of a half ounce.

The postage on all letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, should be prepaid by postage stamp.

If sent unpaid 3d. sterling will be charged on each letter, on delivery, in addition to the ordinary postage rate.

Letters posted in the United Kingdom, for Canada, unless specially addressed “By Canadian Steamer,” or “By Cunard Steamer,” are despatched in the first mail that is made up—whether for Canadian or Canadian line—after the letter is posted, so that letters intended for the Canadian packets must either be posted on the proper days for the Canadian Packet Mails, or bear the words “By Canadian Mail Steamer” on the address. In like manner letters posted in Canada for the United Kingdom should be addressed “By Canadian Packet” or “via New York.” If for the latter route the additional postage 2 cents per half oz. should be added to the ordinary rate of 6 cents.

Two cents will be charged on the delivery of letters which have been forwarded as above by Cunard Steamer, but on which 3d. sterling or 6 cents only per $\frac{1}{2}$ oz. have been pre-paid.

The charge on dead letters, returned to the writers, is five cents on each addition to the postage.

Soldiers' and Seamen's Letters.—Non-commissioned officers, embodied pensioners, seamen and soldiers, and army school-masters of all but first class while they are employed in Her Majesty's Service can send and receive letters at the rate of 2 cents each, under the following regulations:

1. The two cents must be paid by postage stamp at the time the letter is posted.

2. The name of the soldier or sailor, his class or description, and the name of his ship, corps, or detachment to which he belongs, must be specified in the direction of the letter; and in the case of letters sent by soldiers or seamen, the officer in command must sign his name and specify his rank, and the name of the ship or regiment, corps or detachment which he commands.

3. The letter must not exceed $\frac{1}{2}$ an oz. in weight. 4. The letter must refer solely to the private affairs of the soldier or seaman.

All foregoing descriptions must be fully written in the address in the following form, the initials of the name of any ships or regiments being insubstituted:

SEAMAN.	SOLDIERS.
From A. B.—Seaman of H. M. S. _____ (Insert direction of Letter.)	From A. B.—Sergeant. _____ Regt. _____ (Insert direction of Letter.)
C. D., Captain or other commanding officer. H. M. S. _____	C. D.—Colonel, or other commanding officer. _____ Regt. _____
To A. B.—Seaman, H. M. S. _____ (Direction to be finished.)	To A. B.—Private, Sergeant or Corp'l. _____ Regt. _____ (Direction to be finished.)

Letters for soldiers or seamen may be forwarded at the above rate to or through any country requiring the payment of any foreign or transit rate as may be chargeable thereon.

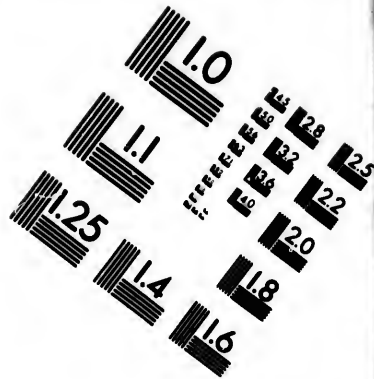

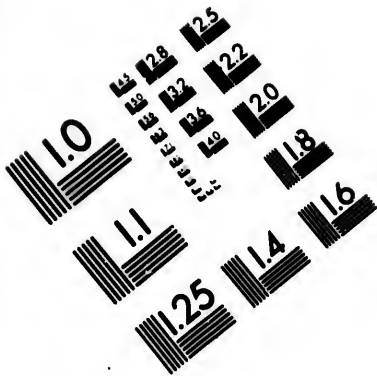

Soldiers' or seamen's letters are not liable to an additional rate on re-direction.

All soldiers' or seamen's letters are conveyed between Canada and the United Kingdom by the Canadian line of steamers.

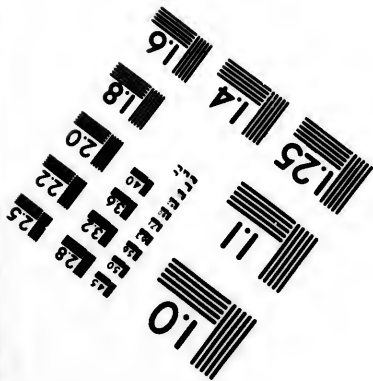

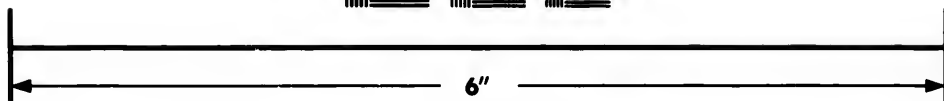

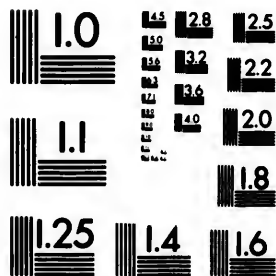

Letters sent by commissioned or warrant officers, midshipmen or masters' mates, engineers, gunners, boatswains or carpenters in the navy, captains, clerks, or first class school-masters, or commissioned or warrant officers in the army, are not included in the privilege attached to letters of soldiers and seamen, but are chargeable with the same rates as ordinary letters.

nada and between publishers in Canada and publishers in the United States, are carried free through the post.

No newspaper, properly so called (except exchanges), whether devoted to education, temperance, agriculture, or to any branch of science, is entitled to exemption from charge.

Newspapers addressed to Newfoundland must be pre-paid 2 cents each by stamp.

No United States newspapers of any kind or description (with the exception of exchange papers) are on any ground entitled to pass through the Canadian mails free of postage.

In cities and towns where newspapers are published, the printers and publishers should send them to the post office put up in a manner to admit of their being readily counted, and, if necessary, withdrawn from their covers for examination. The newspapers for each office also should be made up in strong paper in a separate parcel, which should be plainly addressed.

When the numbers of a newspaper published in Canada, or any other of the British North American Provinces, or in the United States, and issued daily, shall have remained in a post office in Canada uncalled for during two weeks; of a newspaper issued semi-weekly, or tri-weekly, during three weeks; of a newspaper issued weekly during one month; and of a monthly periodical during two months, or when such newspapers and periodicals have been refused to be taken by the party to whom addressed, the postmaster is instructed to notify the respective publishers in the proper form, which is to pass free of postage. If the newspaper or periodical continue to arrive after the notice has been sent, the postmaster is instructed to notify the publisher in the same way a second time, specially calling his attention to the first notice.

To enclose a letter, or any writing, or to make any written marks to serve the purposes of a letter, or to enclose any other thing (except publishers' accounts and receipts, as before mentioned) in a newspaper posted to pass as a newspaper is a misdemeanour. Postmasters are requested at once to transmit all newspapers containing such writing, marks and enclosures, to the Postmaster General.

Periodical Publications.—Periodical publications are publications issued at regular intervals, but less frequently than once per week. An almanac or any work of a like character published at stated periods and containing matter of general interest is deemed to be a periodical.

Periodical publications can be transmitted by post to any part of Canada and the United States at the following rates:

Periodicals passing by Mail in Canada.—The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, is 1 cent per 4 oz. weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 oz. to be charged as a full rate. Transient periodical matter posted in Canada must in all cases be pre-paid by postage stamps.

The above rate is payable on *delivery* on all periodical matter received from the United States except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Bound volumes of any periodical published in Canada may be forwarded within the Dominion at the rate of 1 cent for every 4 oz., if pre-paid by postage stamps.

Canadian Periodicals posted for United Kingdom by Canadian Packet.—Periodicals, printed and published in Canada, may be posted, addressed to any place in the United Kingdom by *Canadian Packet*, on pre-payment by postage stamps of 2 cents each number.

This rate is applicable to all classes of Canadian periodicals posted as above for the United Kingdom. No periodical of any kind or description can, upon any grounds claim exemption from Canadian postage, except such as are received in the mails from the United Kingdom.

Periodicals to pass at above rates must be put up in covers open at both ends or both sides; and if these

regulations are not complied with, or if such periodicals are found to contain any writing other than the address, they are liable to full letter rates of postage.

No packet of periodicals can be forwarded through the post if exceeding the weight of four pounds.

Book post.—British Provinces and United States.—Books bound or unbound posted in Canada, and addressed to any office in Canada, British North America and the United States, are chargeable with a rate of 1 cent per oz., which must be pre-paid by postage stamps.

Books addressed to places in Canada can be sent through the mails in closed packets at the rate of postage applicable to parcels sent by parcel post.

Bound volumes of any periodical or newspaper published in Canada, if bound in a form to come within available dimensions, that is to say, not exceeding two feet in length, breadth or thickness nor exceeding 4 lbs. in weight, may be sent from the office of publication to any place in Canada at a charge of 1 cent per 4 oz. or fraction of 4 oz. if pre-paid.

Letters, whether sealed or unsealed, or any enclosure found in a book parcel, are liable to be rated as unpaid letters, and the packet in which it is enclosed becomes liable to an additional rate of 12½ cents as a penalty for a breach of the regulations.

Book post.—United Kingdom, France, &c.—Book packets are forwarded by post from Canada to the United Kingdom, and *vice versa*, at the following rates:—By Mail steamers sailing from Quebec to Portland and Halifax: For each packet weighing not more than 1 oz., 2 cents; exceeding 1 oz. and not exceeding 2 oz., 4 cents; exceeding 2 oz. and not exceeding 4 oz., 6 cents;

Not more than 4 oz.	6 cts

" " 4 lb	" 12 "
" " 12 oz.	" 1 lb 24 "

And so on, the scale progressing throughout by single rate for every four ounces.

By *Canada* and other steamers sailing from New York, as above: 4 oz. 9 cts.; 8 oz. 17 cts.; 12 oz. 25 cts.; 1 lb. 33 cts.; 1½ lb. 41 cts.

Book packets addressed to the United Kingdom may in future be registered upon payment of a registration fee of 8 cents, in addition to the ordinary rate of postage.

Book packets, printed matter, or single newspapers can be forwarded from Canada to France, & *vice versa* by *Canadian Steamers only*, at the following rates:—

If not exceeding 2 oz. in weight	4 cts
If exceeding 2 oz. and not exceeding 4 oz.	8 "
" " 4 "	" 8 "
" " 8 "	" 12 "
" " 8 "	" 1 lb. 32 "

And so on adding 8 cents for each additional 4 oz. or fraction thereof.

The following conditions must be carefully observed:

1. Every book packet must be either without cover or in a cover open at both ends or both sides.

2. It must not contain any letter open or sealed, writing to serve the purpose of a letter, or any seal or enclosure whatever.

3. It must not exceed two feet in length, breadth or width.

4. The postage must be pre-paid by stamp. A book packet may contain any number of separate books, publications, works of literature or art, almanacs, maps or prints, photographs, daguerreotypes, when not on glass or in frames containing glass, or any quantity of paper, vellum, or parchment (to the exclusion of letters); and the books, maps, prints, &c., may be either written, printed, or plain, or a mixture of the three, and may be either British, Colonial or foreign.

All legitimate binding, mounting, or covering the same, or a portion thereof, will be allowed part of the packet, whether such binding, &c., loose or attached, as also rollers, in the case of prints and maps, and whatever may be necessary for the safe transmission of literary or artistic matter,

Book and Newspaper Manuscripts, and Printers' Proofs.—In Department Order No. 65, dated 21st Nov. 1863, permission was given for Book-Manuscript, and Printers' Proofs, whether corrected or not, to pass at the printed matter rate of one cent an ounce, and it now appears to be necessary to explain that by Book-Manuscripts was meant the written sheets of any Book intended for publication, and the intention was to encourage literary productions, by affording facilities for Authors to send and receive such matter to and from their Publishers by Post. Printers' Proofs are the printed impressions taken by a printer, for correction or examination, of any matter passing through his Press. By Newspaper Manuscript is meant written articles (not including advertisements) intended for insertion in a newspaper, periodical, and addressed to the editor or publisher thereof for insertion. Under former regulations the written marks correcting such proofs rendered them liable to letter postage when sent by mail, and the intention of the Department Order referred to was to relax the rule in favor of such proofs, and allow them when corrected, to retain their character as printed matter, and pass at printed matter rates of charge and under the same general regulations.

Printed Papers, Circulars, Prices Current, Hand Bills, &c.—Printed circulars, prices current, hand bills, and other printed matter of a like character, posted in Canada, and addressed to any place in the Dominion, British North America, or the United States, are chargeable with a rate of 1 cent per oz. (one cent each when sent singly), which must be pre-paid by postage stamps.

The half-yearly School Returns made by School Trustees to Local Superintendents of Schools, may, though the printed form be partly filled up in writing with the names of the pupils and days of attendance, be transmitted by post in Canada at the rate of 1 cent per oz. to be pre-paid by stamp.

When not filled up the above forms are printed matter, and liable as such to 1 cent per oz. postage.

Military returns, states and rolls, and policies of insurance, containing written figures and signatures, may be forwarded as printed matter on pre-payment by postage stamps of 1 cent per oz.

Printed circulars are transmitted by post to the United Kingdom under the regulations and charges of Book Post. They must be forwarded, however, open at both ends or both sides. If sent in envelopes, sealed or unsealed, they are liable to letter rates of postage.

Prices current, posted in Canada and addressed to any place in the United Kingdom are liable to a rate of 2 cents each, which must be pre-paid by stamp, when sent singly; when, however, sent in packages to one address, they pass at book rates.

Prices current enclosed in envelopes sealed or unsealed or by the regulations of the Imperial post office liable to letter postage.

Lithographed letters and circulars are allowed to pass through the Post at the same rate as printed circulars; but they must be wholly lithographed as if partly written and partly lithographed they become liable to letter postage.

United notes and proceedings of the Imperial Parliament and Colonial Legislatures pass to and from the United Kingdom at the ordinary book post charge.

Parcel Post.—Parcels closed at the ends and sides and exceeding 3 lbs. in weight, may be posted at any post office in the Dominion, addressed to any other post office in Canada at the following rates:

For each parcel weighing more than 8 oz.	12 1/2 cents.
Exceeding 8 oz. and not exceeding 1 lb. 25 "	
Exceeding 1 lb. and not exceeding 1 1/2 lbs. 37 1/2 "	
and so on up to the limit of 3 lbs	

The following conditions must be carefully observed:

1. No letter or letters shall be enclosed.
2. The parcel shall not contain any explosive sub

stance, glass, liquids or other matter likely to injure the ordinary contents of the mail.

3. The weight of the parcel shall not exceed 3 lbs., nor the size exceed one foot in length or breadth, or six inches in thickness.

4. The postage must be pre-paid by stamps.

5. The parcel should have the words "By Parcel Post" plainly written on the address. It should be well and strongly put up, and be legibly addressed to the post office address of the intended receiver, the name of the County in which the said office is situated being added.

If the name and address of the sender be written on the parcel, it will, if delivery should fall from any cause, be returned from the Dead Letter office unopened to the sender on payment of an additional rate for the return conveyance.

If the number of stamps affixed to a parcel be insufficient to pre-pay the proper rate, the amount deficient will be rated unpaid, with a fine of 2 1/2 cents in addition.

Parcels may be registered, on pre-payment, by stamps, of five cents in addition to the postage. When registered, the postmaster should give a receipt to the party posting the parcels.

Parcels sent by post may contain books, daguerreotypes, photographs, printers' proofs and copy, military returns, deeds, legal papers, and all transmissions of a like character not being strictly letters.

To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel intended for the Parcel Post, is a misdemeanor.

Should it be ascertained that a packet posted for the Parcel Post contains a letter or letters, the stamps it may bear will be cancelled, and the parcel rated as a letter with full unpaid rates.

Parcels cannot be transmitted by post at the above rates to any place beyond the limits of the Dominion of Canada.

The following is an example of the address recommended:

By Parcel Post.
Mr. Thomas Jones,
Paisley,
County of Bruce,
Ontario.

Sent by William Smith, Toronto.

Franking and Free Letters.—The following matter is exempt from Canadian Postage:

All letters and other mailable matter addressed to or sent by the Governor General of Canada.

All letters or other mailable matter addressed to or sent by any department of the Government at the seat of Government at Ottawa, under such regulations as may from time to time be made by the Governor General in Council.

All letters and other mailable matter addressed to or sent by the Speaker or Chief Clerk of the Senate; or of the House of Commons or to or by any member of either House at the seat of Government, during any Session of the Parliament; or addressed to any of the members or officers in this section mentioned at the seat of Government as aforesaid, during the ten days next before the meeting of Parliament.

All public documents and printed papers sent by the Speaker or Chief Clerk of the Senate or of the House of Commons, to any member of either House, during the recess of Parliament.

All papers printed by order of either House, sent by members of either House, during the recess of Parliament.

Petitions and addresses to either of the Provincial Legislatures of Ontario, Quebec, New Brunswick, Nova Scotia, Manitoba or British Columbia, or to any branch thereof, and votes, proceedings and other papers printed by any such Legislature, or any branch thereof, during any session thereof, provided such petitions and addresses, votes, proceedings and other papers are sent without covers or in covers open at the ends or sides, and contain no letter or written communication to serve the purposes of a letter.

Letters and other mailable matter (except that provided for as above) addressed to or sent by the Provincial Governments or Legislatures of Ontario,

Quebec, New Brunswick, Nova Scotia, Manitoba and British Columbia will be liable to the ordinary rates of postage.

Public documents and printed papers sent under the foregoing clauses, should bear, as part of the address, the *bona fide* superscription of the Speaker, Chief Clerk, or officer specially deputed for this purpose, to act for those functionaries, or of the member sending the same.

All letters and other mailable matter to and from the Postmaster General and the Deputy Postmaster General; and all official communications to and from the Post Office Department, and to and from the Post Office Inspectors are to pass free of Canada postage.

Abating and Refunding Postage.—Postmasters in Canada are allowed to refund postage in the following cases, only:—

Letters originating and for delivery in Canada, charged as weighing more than the actual weight.

Postage incorrectly charged on editors' notices addressed to publishers and editors, and exchange papers, which should legally pass without charge.

All other claims for the return and abatement of postage must be specially referred to the Postmaster General for his decision, with the letter or packet on which the return is claimed.

Undelivered and Dead Letters.—All letters remaining undelivered in the post office on the first of each month, excepting drop letters and such letters as are daily called for, are advertised in a list posted at the office door for the information of the public.

If a newspaper is published in the neighborhood, the Postmaster may be, at the discretion of the Postmaster General, directed to insert this list therein, provided the proprietor will give it insertion at the authorized rate, viz., two cents for three insertions of each name.

Parties applying at an office for advertised letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for two months are sent to the Dead Letter office, as also are all letters refused by the person to whom they are addressed, or letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers; but no Postmaster is at liberty, under any circumstances, to return a letter to the writer direct. All undelivered correspondence must be sent to the Dead Letter office.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at the office at which posted:

On letters addressed to any place in Canada or the other British North American Provinces.....	2 cents.
On letters addressed to any place in the United States.....	5 "
On letters addressed to any place in the United Kingdom.....	8 "
On books addressed to any place in the United Kingdom.....	8 "
On parcels to any part of the Dominion... ..	5 "

The registration fees on letters to British colonies and foreign countries will be found in the British and Foreign Postage tables.

Every letter or parcel containing value should be marked for registration and presented to the Postmaster or his clerk, and a receipt obtained therefore. On no account should it be dropped into a letter box.

When letters are registered, both the postage and the registration fee must in all cases be pre-paid by postage stamp.

Books, periodicals, newspapers, circulars, and other printed matter cannot be registered (except books addressed to the United Kingdom) unless pre-paid the full letter rates, in addition to the ordinary registration fee.

Registered letters and packets can only be delivered to the parties to whom they are addressed or to

their order, and a receipt must be given on the delivery of each registered letter in a book kept by every postmaster for that purpose.

It should be clearly understood that the post office is not responsible for the safe delivery of a registered letter or parcel. The registration simply makes its transmission more secure, by rendering it practicable to trace it, when passing from one place to another in Canada, from its receipt to its delivery; and when addressed from any place in Canada to any place in the United States, the United Kingdom, or parts abroad, if not to its delivery, at least to the frontier or port of despatch.

Postage Stamps.—Every Postmaster is required to have on hand a sufficient stock of postage stamps, and to sell them to the public at ½ cent, 1 cent, 3 cents, 3 cents, 6 cents, and 12½ cents each.

The Department has discontinued the supply of stamped envelopes.

Under the authority of the Postmaster General, postage stamps are sold to certain dealers in the principal cities to retail again to the public, but no person other than a Postmaster, can sell postage stamps unless duly licensed to do so by the Postmaster General, under a penalty of \$40 for each offence.

Pre-payment of letters should in all cases where practicable, be made by postage stamps.

A mutilated stamp, or a stamp cut in half, is not recognized in pre-payment of postage.

A medallion stamp cannot be accepted in pre-payment of postage separate from the envelope of which it may have formed a part.

No British stamps, or stamps of a foreign country, can be received in pre-payment of postage in Canada.

In affixing the stamp to the letter, wet slightly the corner of the envelope and the gummed side of the stamp and gently press the stamp until it is firmly fixed. Stamps should be placed on the front or address side of the letter, and on the right hand upper corner.

Letters cannot be pre-paid partly in stamps and partly in money; the postage must be pre-paid either wholly in stamps or wholly in money.

If the stamps affixed to a letter addressed to any place in British North America be not adequate to the proper postage, the letter is rated with an amount equal to the deficiency; the whole postage being calculated at the *unpaid rate*, e. g., a single letter pre-paid 1 cent would be rated 4 cents additional; a double letter pre-paid 5 cents only would be rated 5 cents additional.

Letters addressed to the United States, on which stamps are affixed representing less than the amount of postage to which the letters are liable, are rated with full unpaid postage.

Postage stamps are received at all post offices in payment of postage on unpaid letters delivered therefrom.

Postage Rates on certain Miscellaneous Matter passing within the Province of Canada, or from and from the United States.

1. Packages of seeds, cuttings, bulbs, roots and scions, or grafts, may be posted in Canada for delivery within the Province or to an address within the United States, on pre-payment by postage stamps at a rate of 1 cent per ounce; and when received from the United States addressed to any place in Canada, such packages may be delivered on payment by the person addressed of a like rate.

2. The limit of weight for such packages will be 2 pounds. No communication, whether written or printed, must be enclosed in them; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags the bag must be simply tied at the neck, so as to admit of inspection; and in the case of such packages mailed in Canada, the nature of the contents, as "seeds," "roots," &c., as the case may be, must be marked on the package by the sender, as a statement of the claims to pass at the reduced rate above mentioned.

3. Book-manuscript, and printers' proof sheets (whether corrected or not) maps, prints, drawings, engravings, photographs, when not on glass, and sheet music (whether printed or written), may pass in covers open at the ends or sides, and provided that no letter or other communication intended to serve the purpose of a letter, be enclosed therein, on prepayment, when posted in Canada, by postage stamps of the ordinary printed matter rate of 1 cent per ounce; or upon payment of that rate on delivery of such matter when received in the mails from the United States.

Transmission of patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of Merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A. The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Department Order, appears as follows:

B. It has hitherto formed part of the Imperial post office regulation that "Samples or patterns must not be of intrinsic value," but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter or enlarge in any way, the character of the transmission permitted to pass by pattern post.

The special prohibition as to intrinsic value, has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article, whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck; or, provided that bags be transparent, they may be entirely closed if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packet containing such articles which may be found to be insufficiently guarded, shall not be forwarded through the post.

The limits of weight are as follows:

If for Canada.....	24 oz.
" United Kingdom.....	24 "
" France.....	36 "
" Germany.....	8 "
" Kingdom of Italy.....	36 "
" Belgium.....	8 "
" Netherlands.....	16 "
" Portugal, Azores, and Madelra.....	16 "
" Denmark.....	48 "
" Switzerland.....	48 "

A packet of patterns or samples sent to France or Portugal must not exceed 18 inches in length, or 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

None of the articles named in the rule D. may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed " *via* France."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturers or trade mark and number, and the price of the article.

Any infringement of the above regulations will render the packet liable to be treated and charged as a letter.

MONEY ORDERS.

Every money order office in Canada issues money orders on every other money order office in Canada as well as on every money order office in the United Kingdom. Money orders on the United Kingdom payable through Banks may be used for remittances to the continent. Every money order office in the United Kingdom also issues money orders on every money order office in Canada.

MONEY ORDERS IN ONTARIO, QUEBEC, NEW BRUNSWICK, NOVA SCOTIA AND PRINCE EDWARD ISLAND.

All the money order Post Offices in Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island are authorized to draw money orders on each other for any sum up to \$100, and for as many orders of \$100 each, as the applicant may require, upon the following terms, viz.:

On Orders up to \$10.....	5 cents.
" over \$10 and up to \$20.....	10 "
" over \$20 " ".....	20 "
" over \$40 " ".....	30 "
" over \$60 " ".....	40 "
" over \$80 " ".....	\$100.50 "

MONEY ORDERS ON THE UNITED KINGDOM.

The money order offices in the Provinces above named also draw upon all the money order offices in England, Ireland and Scotland, and the Channel Islands, for any sum up to £10 sterling, and grant as many orders for £10 sterling each as may be needed to make up the amount to be remitted. The terms are as under:

On Orders up to £2.....	25 cents.
" over £2 and up to £5.....	50 "
" over £5 " ".....	75 "
" over £7 " ".....	£10. \$1.00

MONEY ORDERS ON NEWFOUNDLAND.

The money order offices in Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island draw also upon all money order offices in Newfoundland. The orders, like those of the United Kingdom, are made payable in sterling money, and for sums up to £20 sterling. The terms are:

For orders up to £5.....	25 cents.
" over £5 and up to £10.....	50 "
" over £10 " ".....	75 "
" over £15 " ".....	£20. \$1.00

No half cents can be introduced into orders. No money order exceeding \$100 in amount can be granted on any office in Canada; but Postmasters are at liberty to grant two or more orders for \$100 or for any lesser sum.—They cannot, however, grant two or more orders for sums of or under \$10 on the same day to the same applicant in favor of the same payee.

Tables showing the amount of Provincial currency required for money orders issued in Canada upon the United Kingdom, in addition to the commission, and for money orders issued in the United Kingdom upon Canada will be found subjoined.

Applicants for money orders should always use the printed application forms, filling up the blanks with

the particulars of the order required. These forms are supplied gratuitously at all money order offices.

The Christian and surnames in full, and residences, both of the remitter and payee, should be furnished to the issuing postmaster. When a married woman is either the remitter or payee, her own Christian name must be given, and not that of her husband, thus—

"Mrs. Mary Smith," not "Mrs. John Smith."

If the remitter or payee be a Peer or a Bishop, his ordinary title is sufficient. If a firm, the usual designation of such firm will suffice, such as "Barling Bros.," "Smith & Son," "Jones & Co."

Parties procuring money orders should examine them carefully to see that they are properly filled up and stamped. This caution will appear the more necessary when it is understood that any important defect in these respects will throw difficulties in the way of payment.

Money orders, which in consequence of misapprehension of the name of the remitter or place of payment, have been erroneously made out, can be returned to the postmaster and a correct order given in exchange; a new commission, however, will be charged on the corrected order.

Parties obtaining money orders on Canadian offices can procure re-payment thereof on presentation of the order at the office at which it was issued, signing the receipt at the foot. No order, however, can be re-paid without the authority of the superintendent, unless presented for re-payment on the day on which it is issued. Neither can orders on the United Kingdom be re-paid without his special authority.

When a remitter desires an order on the United Kingdom to be paid through a bank, it is left to his option to give or withhold the name of the payee, or to substitute for the name of the payee any other designation or modification, such as "The Cashier of the Bank of England," "the chief Clerk of the Foreign Office." Such orders must, however, be crossed by the issuing postmaster with the name of the bank through which the order is to be paid.

The issue of money orders on credit, or for cheques not marked "good" by the bank drawn upon, is strictly prohibited.

If a payee is unable to write, he must sign the receipt at the foot of the order, in the presence of the paying postmaster, by making his mark, to be witnessed in writing; as for example

His

Witness—John Kenny, Joseph t Allen,
Queen Street, Toronto, Mark

In cases of money orders issued in Canada, postmasters are at liberty to accept the written order of the payee on the order itself in favor of a second person, if through illness or insuperable difficulty the payee is prevented from presenting the order in person. The second person cannot, however, transfer the order to a third but must present it himself.

When a Canadian money order has been lost, either by the remitter or payee, the circumstance must be made known to the superintendent, who, under certain precautions, will issue a duplicate.

Duplicates of sterling orders can only be granted by the paying country. Thus the British post office issues duplicates of orders drawn in Canada on the United Kingdom, and the Canadian Head and Sub-Head Money order offices grant duplicates of orders drawn in the United Kingdom on Canada.

Money orders which are not presented until one full year after their date are considered as lapsed orders, and cannot be paid without the special permission of the superintendent. In all such cases satisfactory reasons should be given explanatory of the delay in the presentation of the order.

The Deputy Postmasters General of Malta and Gibraltar are authorized to issue money orders on the several money order offices in Canada. Money order offices in Canada do not, however, grant money orders on Malta and Gibraltar.

S.; each dealing with the matters having respect to the section of the Dominion under his charge before Confederation. In matters of general import the Chief Superintendent at Ottawa, is the officer to be addressed.

DEAD LETTERS.

A letter delivered to the wrong person in consequence of his name being the same as that of the person for whom the letter really intended, should be at once returned to the postmaster from whom received, the party writing on the cover "opened by me through mistake," and signing his name thereto.

Letters posted without any direction, or addressed so imperfectly that they cannot be forwarded to their intended destinations, and also unpaid or insufficiently paid letters addressed to countries to which letters cannot be sent without the postage is pre-paid are returned to the writers through the Dead Letter office.

No information can be given respecting letters which pass through a post office except to the person to whom they are addressed.

Parties desiring their letters and papers to be re-directed should send an intimation to that effect, in writing, to the postmaster of the office from which letters and papers are to be directed.

Postmasters are allowed to re-direct letters to the known places of residence of the parties to whom they are addressed, after allowing a reasonable time to elapse without their being called for.

Letters and papers are not subject to any additional charge when re-directed from one post office in Canada to another post office in Canada.

Postmasters are instructed not to receive any letter or packet which there is good reason to believe contains glass or anything likely to injure the contents of the mail bag or the person of any officer of the post office.

The transmission of indecent photographs, or prints and immoral books, papers or publications through the Post is strictly prohibited, and all packets containing such articles should be stopped and sent to the Postmaster-General.

A postmaster is not legally bound to furnish change; but may require that the exact amount of postage on any letter or packet be tendered to him in current coin, or in Canada postage stamps.

Postmasters and their assistants in the above matter as well as in all their official intercourse with the public, are expected to afford every accommodation, and to treat every person having business at their offices with the utmost courtesy.

Letters cannot be delivered at any intermediate office *en route*, but must be conveyed to the office to which they are addressed.

N.B.—The Currency amount to be added for any broken sum between the pounds Sterling, viz., from £1 to £5, will of course be taken from the scale above. Thus for an Order of £3 18s. 11d. Sterling: £3 is \$14.00; and, for 18s. 11d. \$4.90, which will give the full value of the Order, viz., \$19.20.

BILL STAMPS.

Bill Stamps.—Are distributed for sale very generally throughout the Post Offices in the Province; these stamps are of various values from 1 cent upwards. Bill stamps cannot be used in pre-payment of postage.

Law Stamps.—Are also for sale at the principal Post Offices in Lower Canada.

General Regulations.—Postmasters and certain other officers of the department are exempt from serving on juries or inquests. This exemption applies to mail carriers, but not to assistants appointed and paid by postmasters.

Postmasters are not authorized to give credit for postage, if they do so it is entirely at their own risk.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

A letter addressed to a firm may be delivered to any member of the firm. If addressed to several persons it may be delivered to any one of them.

*THE SCOTTISH AMICABLE*  
 MUTUAL  
**LIFE ASSURANCE SOCIETY.**

ESTABLISHED A. D. 1826.

HEAD OFFICE—ST. VINCENT PLACE, GLASGOW.

PRESIDENT,—HIS GRACE THE DUKE OF ROXBURGH.

ASSETS, 1873, - - - - - \$8,000,000.

This Society is purely Mutual,—the whole of the Funds belong to the Assured.

At the annual meeting held May, 1873, the usual annual Bonus of one and a half per cent. per annum on the amount assured, and previous additions, was declared, and nearly \$500,000 added to the Reserve Fund, which now amounts to nearly \$8,000,000. The Bonus represents from 60 per cent. to the whole of the premium added to the sum assured. The MINIMUM PREMIUM system of this old and wealthy Institution (the only Purely Mutual Scotch Life Assurance Society having a branch in Canada) strongly commends itself to those who desire to effect the largest possible amount of Assurance at the lowest cost, with at the same time unsurpassed security. Intended insurers should examine this

**MINIMUM PREMIUM SYSTEM**

before deciding to assure elsewhere.
