### THE DAY, PAST AND PRESENT CROWDS COMING INTO CITY

#### Railways Had Record Traffic Yesterday—How City Celebrated First Dominion Day.

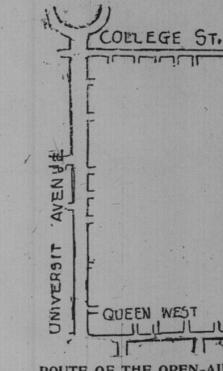

### TO-DAY'S WEATHER.

"I wish the prospects for the holiday were a little better," was the kindly word of the weatherman last night. There will be only a partially fair day, cloudy most of the time, with glimpses of sunshine. There will probably be a shower, and that is most probable in the morning. If you wake and find it raining you need not be alarmed, for it will be a shower of rain, and it will be over before 11. The chances of a shower are about 75 per cent. of the day, and I am sorry it will be such a cool evening. There will be a very cold northwest wind set in during the latter part of the day. People should take their wraps with them. Saturday is almost certain to be a fine, cool day, and in all probability Sunday will be a beautiful day."

It is quite a test on the memory of even the old military men to ask them to recall the way in which Toronto celebrated the first Dominion Day, 37 years ago. Our history tells us that when the clock struck midnight on June 30, the joy of bells of St. James' Cathedral rang out in celebration of the birthday of the new Dominion, which made Toronto once more a capital. The day was observed by the greatest rejoicings. Since the visit of the Prince of Wales, no such day had been witnessed in Toronto, deponent says. There were bonfires, fireworks and illuminations, excursions, military displays and musical and other entertainments, and thousands of strangers crowded the city streets to participate. In the evening a banquet was given in the music hall in the present public library building, at which Sir John A. Macdonald and Hon. George Brown were the principal guests, and having united for the accomplishment of the crowning work. Their mutual interchange of compliments on the occasion, when each spoke of the other as respectively the greatest statesman and patriot Canada had ever produced, was a striking feature.

Major-General Stisted, who, by proclamation, became the first lieutenant-governor of Ontario, commanded the troops in the review of the day, which took place on Denison Commons, as the stretch of land west of Spadina-avenue and north of Queen-street was called, in which the 12th Hussars, 17th Regiment, and a battery of artillery of the regular forces participated, in addition to the old 10th Royal, Queen's Own Body Guards, 4th Battery and the Naval Brigade.

### TO-DAY'S PROGRAM.

The spirit of loyalty and rejoicing will be just as evident to-day. There is no military display but there will be general holiday merry-making. The feature of the day will be the unique event and one which should prove a source of attraction to thousands of citizens to-day—the open air horse show and parade. Over 400 entries have been made in the forty classes, and judging will commence in the Queen's Park circle promptly at 9:30 a.m. It is expected that this will be completed in an hour, when all the competitors will move off in parade in the following order:

- Mounted Police. Trumpeters. Hunt Club and Hounds. Class 12—Saddle Horses. Class 4—Four-in-hand. Class 5—Parade. Classes 2, 3, 4, 20—Harness Horses. Classes 10, 11, 14, 15, 16, 17—Ponties. Classes 7, 8—Carrsters. Commercial Classes. Old Horse Class.

The following is the route: College-street, Carlton-street, to Jarvis-Queen-street, west on Queen-street, and up the Queen's-avenue to the park. The show will be held east and out traffic.

## HON. HYMAN HUNG UP THE BILL CONTRA TO USUAL PROCEDURE

#### Chairman of Railway Committee Comes in, for Considerable Criticism for Action.

Ottawa, June 30.—(Special.)—Hon. Charles Hyman, director responsible for the setback administered to Haughton Lennox's bill to amend the Railway Act in the railway committee to-day. Throughout the discussion of the bill displayed pronounced hostility to the bill. Their opinions did not prevail, and when, finally, a vote was taken on the clause providing that the act should apply to the system of railways, the clause was carried by a vote of 23 to 22. The vote was completed exactly at 1 o'clock, the usual hour of adjournment. A few seconds more would have sufficed to formally report the bill, but Chairman Hyman, without any hint from the committee, left the chair. His action was contrary to the ordinary procedure, under which the hour of adjournment is left to the discretion of the committee.

Mr. Hyman, acting on the letter of his authority, probably succeeded in killing the bill, and his conduct is the subject of severe criticism. The bill was thus 'artificially killed' under the auspices of the government. The committee, however, complained from contracting themselves out of liability for accidents to their employees. The directed specifically against the Grand Trunk Railway Company, which maintains what is known as an insurance and Provident Society. The bill applies to all the railway companies of Canada. Hugh Guthrie in-

troduced practically the same bill last session. The measure was thrown out, and as Mr. Guthrie was apparently disinclined to go up against the minister of justice a second time, Haughton Lennox undertook to carry on the work which the member for South Wellington had abandoned.

Argument One-Sided. The argument heard before the railway committee to-day was one-sided. Representatives of the G. T. R. Company took up most of the time. Pro-claimants of the G. T. R., Mr. Williams, vice president of the company, and Mr. Beckett, solicitor of the same society. The latter officer, however, further information than was revealed before the committee last year. They insisted that the society was a good thing for the employees of the Grand Trunk Railway Company. It was, however, on the other hand, that the society is sound, it has rules and conditions inimical to the welfare of the men.

Harvey Hall, Dominion legislative representative for the province of Ontario, was interviewed by a representative of The World to-night. He pointed out that the Grand Trunk Railway Act, passed in 1874, was given power to legislate and maintain a Provident and Insurance Society in connection with the railway. It was also empowered to make rules governing the society. The first rule required employees employed by the G. T. R. to be members of the society. The Grand Trunk then agreed to contribute a small amount towards the organization. "The disposition of that money," said Mr. Hall, "was represented by officials of the society to-day. They gave the committee to understand that the contribution of the Grand Trunk to

## AGED WOMAN MEETS DEATH UNDER WHEELS OF TROLLEY

#### Fell on Avenue-Road "Y" and Backing Car Went Over Her Head.

A peculiarly shocking fatality occurred on Avenue-road last night at about 9 o'clock, when Mrs. Elizabeth Ward of 188 Macpherson-avenue was killed by Avenue-road car, No. 67, in charge of Motorman Charles Burch and Conductor Ernest Ford. Mrs. Ward was crossing from the west to the east side, on her way to her home. There is a car end at this point, and the car fell on her as she was crossing the tracks, and the car, which was traveling backward at the time, ran over her, the wheel passing over her head.

She was removed to her home, and Dr. Kemp was summoned, but she died within ten minutes. The body was taken to the F. W. Matthews undertaking establishment. Coroner Orr will hold an inquest this evening.

Mrs. Ward was a widow, and came out to this country a short time ago to attend to an invalid sister, Mrs. Beggie, who died about two weeks ago, and, since that time, Mrs. Ward had been contemplating returning to her home in England.

## MR. SIMPSON RESIGNS.

#### Robert Beth, M.P., Nominated by the Liberals of Durham.

Newcastle, June 30.—(Special.)—Today the Liberals of Durham nominated Robert Beth, M.P., as the Liberal candidate for the next general election. The choice was made unanimous. It is taken for granted that the election will not be held until the autumn. It has been the habit of Mr. Beth in his long political life not to be nominated too far ahead of a contest. Being a business man, he desires to have all the freedom he can, and considers that when he is nominated, his freedom is somewhat curtailed. It was thought by some that Dr. Park Simpson, K. C., the able lawyer of Bowmanville, would have got the nomination as a tribute to his 25 years of service to the party. But it was not to be. Mr. Simpson, at the close of the meeting, at his own request, was relieved from the presidency of the Liberal Association, and was tendered a vote of thanks for the work he has done for the party during the past year.

## NORTHERN FLEET APPEARS HAMMERS PORT OF GENSAI

#### Six Torpedo Boats Fire 200 Shells and Sink Two Japanese Boats.

London, June 30.—An official despatch from Tokyo says the Japanese consul at Gensai, Korea, reports as follows: Early this morning (June 29) 20 Japanese torpedo boats entered the port, fired about 200 shots upon the settlement, sank a steamship and a sailing vessel, then rejoined their ships and departed. Two Koreans and two soldiers were slightly wounded. The damage done to buildings is insignificant. The ships sunk, according to a despatch to the Gensai Agency from the Japanese consul, were the steamship Koun, of 280 tons, and the little coasting vessel Seitan.

CONFIRMED FROM TOKYO. Tokyo, June 30.—The Russian Vladivostok squadron, consisting of three cruisers, one torpedo boat, and nine torpedo boats, after shelling the Village of Gensai to-day was ordered to depart for the east, proceeding in a southerly direction. Its destination is not known.

BACK IN PORT. St. Petersburg, June 30.—An official despatch received from Genl. Genl. Stoesel, the commander of the Russian military forces at Port Arthur, says that the squadron of Rear-Admiral Wilhoit, in command of the naval forces, re-embarked at Port Arthur, repulsing five torpedo-boat attacks. It contains no further details.

TORPEDOES DESTROYED. St. Petersburg, June 30.—A fire at Cronstadt last night destroyed a shed containing twenty Whitehead torpedoes. An alarm was given in time to prevent serious loss of life or property. The torpedoes were in time, and the shed was completely wrecked. The fire is believed to have been the work of incendiaries.

## KUROPATKIN REPORTS SUCCESSFUL

#### In an All Day's Fight in Ta Pass the Japanese Were Successful.

St. Petersburg, June 30.—The following despatch from Gen. Kurapatkin to the emperor, dated June 29, was received to-day: "Towards 8 o'clock in the morning of June 29, our troops having dislodged the enemy's advance guard, composed of cavalry and infantry, occupied the station of Senuchen, but at 9 o'clock it was discovered that a brigade of the enemy's infantry was advancing in front, while other columns were turning our detachments' left flank. The town of Senuchen was surrounded by walls, was also occupied by the Japanese. Our troops slowly withdrew. As regards losses, we only know as yet that an officer and ten men were wounded.

Lieut. Makaroff Dies. A reconnaissance carried out on the road from Siatung to Erlian and Khana, revealed the presence of six companies of the enemy's infantry and two squadrons of cavalry at Mayarata, three miles southeast of Siatung. In this reconnaissance Capt. Vassiloff, Lieut. Makaroff and five Cossacks were wounded. Makaroff succumbed.

There was some skirmishing June 25 between our troops and the enemy at Samarkau and Wangtsiafangsheng, five miles west of Samarkau. A battery and a squadron of the Japanese vanguard, June 26, operating north of the Siyuen-tai-chou road, occupied Chelenshan, four miles northeast of Siakhotung.

A concentration towards evening of the twenty-six Japanese battalions was observed near the village of Wangtsiafangsheng, on the Siyuen-tai-chou road.

"From the morning of June 27 the Japanese developed a frontal attack against our troops at Erlian, simultaneously turning our right with at least a division of infantry and three squadrons of cavalry. The Japanese, 7.40 in the evening, in view of the enemy's great strength and the commencement of our troops retired slowly by the pass. The enemy did not follow. OUR LOSSES ARE UNDETERMINED, BUT ARE ESTIMATED AT ABOUT 200.

"On June 28 the enemy continued to advance from Fenshui and Motien Passes frontally and flanking. At least eight battalions and ten guns were concentrated against Motien Pass.

The Japanese, however, did not occupy Kaitsia Pass, on the Liaoyang main road. Since June 27 the Japanese have been occupying their right, occupying Salimata the morning of June 28, three companies advancing beyond. At first they occupied the Gossack, and subsequently the Japanese were repulsed."

#### Hence Judge Britton's Commission Has Been Requested Not to Report.

Ottawa, June 30.—(Special.)—The particulars of the notorious Treadgold concessions in the Yukon will not be officially made known for no better reason than the fact that the Treadgold Syndicate has asked to be relieved of its contract. The government has instructed Mr. Justice Britton not to report. "But the concessions were not cancelled," replied Senator Scott, "the gentlemen withdrew. Owing to the representations made by the opposition in the House, the government was found in financing the project."
