DOMINION DAY
If the Canadian Clubs of Canada take up in the right spirit the suggestion of the Moncton club, that more attention be paid to the national significance of Dominion Day, the celebration of the day next year will assume a new aspect.

There is no disposition, however, to plead for a noisy first of July. Our neighbors to the south fill their national holiday with noise to such an extent that a reaction has set in, and there is a plea for a safe and sane observance of the Fourth of July.

How many persons have emigrated from New Brunswick since Mr. Hazen formulated his immigration policy?
The crop killer is busy in the west. But the crops will continue to grow and ripen for the harvest.

When 815 for eighteen months is compared with 30,000 for six months, the other cities of New Brunswick are not moved to ecstasy over the prospect.

Why He Was Successful
Some said because he had ginger.
Some, because of an iron constitution.
Some, because of his brazen impudence.
Some said he was a man of fine character.
Some called him the salt of the earth.
Some said he was true steel.
And some said it was only because of his father's tin—tin.

The truth is that Premier Hazen has staved his immigration department. There never has been so favorable an opportunity

THE FASHION
My mother used to wear her hair in cork-screw ringlets tight.
But if I did, the folks would say I looked a perfect fright.

THE HAZEN HIGHWAYS
Even the St. John Globe has turned upon Premier Hazen and denounced the state of the roads in this province.

ADVERTISE IT

EASY TO TELL
A way of detecting dates of certain important events is suggested by the following anecdote from Lippincott's.

AN OMISSION
Nervous and inexperienced Host (rising hurriedly at the conclusion of the song)—Ladies and gentlemen, before he started to sing, Mr. Byers asked me to apologize for his—er—voice, but I—er—omitted to do so—er—so I—er—apologize now!

GOOD ILLUSTRATION.
Mrs. Bridgewater—"What is the subject of Mrs. Suffragette's lecture this afternoon?"
Mrs. Clubwoman—"The disasters of married life."

WHERE EVERYBODY WORKS BUT FATHER
A lazy old duffer named Blossom Pretended to faint when he saw some hard work to be done.

SEKING INFORMATION.
Returned Explorer—"The trouble is up in that black northern region one is apt to lose one's bearings."

HIS TASK.
"Did you do much sight-seeing when you went abroad?"
"No," answered Mr. Currox. "Mother and the girls did the sight-seeing. I had to put in my time finding the places where they cash letters of credit."—Wasp.

A NEW KIND.
A trained nurse garbed in her long triple-cape street uniform of cadet blue overheard two children commenting on what it might mean, when one exclaimed confidently: "Oh, I know, she's a widow of a matricular."—Delineator.

A SLOW UNCLE.
"We had a mighty good girl who got word that her uncle was very ill," explained the city man. "She asked to be allowed to go away for a few days and go to the funeral. After a week had passed, we continued to get nervous. So a note was sent to her inquiring when she would be able to return and how her uncle was. This was our reply:—"

Special Values in Men's Shoes At \$2.98
We plead guilty to endeavoring to give the best value for the money.
We advance no sentimental reasons why you should buy your shoes here. We offer you one reason and a good one—because we offer you the best value.
Did you ever ask yourself what was the reason for this store's remarkable growth? You must have been struck with it if you have resided here these past two years.
We put it down mainly to one factor—our disposition to offer the best value for money and our ability to do so. This \$2.98 shoes special offered are not the \$2.98 shoes of other stores. Mighty few \$3.50 shoes elsewhere are on par with these. Judge for yourself.
The leathers are box calf, vici, patent leather and velour calf. Special \$2.98

MAN WHO FIRST MADE HOOP SKIRTS IS ON DEATH BED
Inventor of Several Things—Once Refused New York Lots—Now Worth Million
Joseph Thomas, aged eighty-three, a mechanical genius who perfected the sewing machine and originated many other devices, is dying at his home, in Hoboken, of a general breakdown. He has been bedridden for three months. He at times calls for his wife, who died in Wednesday, but which fact he does not know. Besides perfecting the sewing machine, Thomas invented devices for the manufacture of sulphur matches, to make derby hats, to weave braid and to do quilting. He originated the hoop skirt, which was popular from 1850 to 1870. The patents were sold by Thomas, and the owners of the patents made millions. The larger part of the estate which Thomas will leave was built up by him when he was engaged in the manufacture and sale of women's clothing. Women's Jerseys, which buttoned down the front, were first imported by him, and he made much money in this way. Prior to that the women in the states wore similar garments, which were put on over the head. When Thomas invented the sulphur match machine he was poor and sold it for \$800. An offer of two lots in Fifth avenue was made to him, but he declined it. The lots now are worth about \$1,000,000. Thomas made \$25,000 from the hoop skirt idea, but he worked on the sewing machine did not bring him very much, as he was employed for that purpose, at a weekly salary, by a machine company. Leopold Thomas, a brother, who died several years ago, perfected a contrivance for making railroad spikes and a cold steel shafting apparatus. His experiments were made in Andrew Carnegie's shop in Pittsburg.

Even that most popular of actresses, Mary Anderson, could not always escape the chaff of the gallery gods. It is related that once in London she was playing Galatea in Sir W. S. Gilbert's play—and a charming Galatea she made—when, at the critical scene in which she appeals to the gods to enable her to bring Pygmalion and Cymon together again, the actress held up her arms and unconsciously looking up at the gallery, cried out: "The gods will help me." "To Mrs. Anderson's surprise all the occupants of the gallery, as if by pre-arrangement, called out with one voice, "We will!"

### THINK CROP STORIES ARE EXAGGERATED

Winnipeg, June 29.—It is somewhat cooler in Saskatchewan and Alberta than in the rest of the province, but the rain has fallen in the Moosejaw district, relieving the situation there. High parching winds continue in Manitoba.

There is suspicion that many farmers are exaggerating conditions to boost prices.

Toronto, June 29.—A Fort William dispatch repeats the story of forest fires that have again broken out in Silver Mountain, Murillo, Mackie and other townships. Heavy showers within twenty-four hours can alone save several hundred from destruction.

### FAKE HAIR PREPARATIONS Do Hair No Good, But Often Cause It to Fall Out

Many hair preparations are "fake" because they are merely scalp irritants. They often cause a dryness, making the hair brittle, and finally lifeless. The scalp is the cause of all trouble with hair. It is a germ disease. The germ does not destroy the hair, but it causes it to fall out. The germ must be destroyed. Destroy the cause, you remove the effect.

New York Herald is the only hair preparation that kills the dandruff germ, thereby leaving the hair to grow luxuriantly. Sold by leading druggists. Send for stamps for sample to The Herpicide Co., Detroit, Mich.

### Strawberry Festival at Gondola Point

Mrs. Geo. F. Matthew, who spends her summers at Gondola Point, has always interested herself in the welfare of the Episcopal church there, and to this end has arranged for a fancy sale and strawberry festival tomorrow, July 1. Many propose to go from the city and make the journey quickly and pleasantly, leaving St. John station by the 9 a. m. suburban and connecting at Robb's Point. Return tickets at excursion rates can be had at the station and L. C. R. ticket office, not only for Gondola Point, but also for Clifton, The Willows, Reed's Point, Moss Glen, etc.

### THE DUMPING OF SAWDUST INTO THE KENNEBEC RIVER

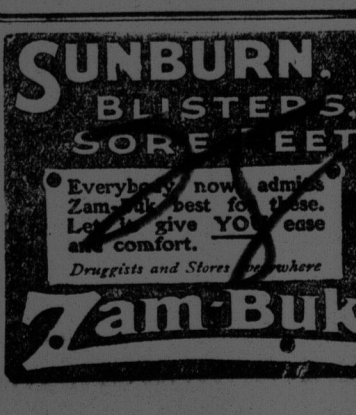

Fredricton, June 29.—The Dominion inspector of fisheries has recently had several complaints concerning the dumping of sawdust in streams in different parts of the province and particularly with regard to the Kennebec river. He has begun to take steps to put a stop to the indiscriminate pollution of the streams about which so much has been said recently.

The case of Jones Bros., at Apohaqui has been one recently under examination. It seems that the attention of the special guardians at Norton and Newton has been recently called to sawdust in the Mill-stream and the main river below Apohaqui, and an investigation was made. Jones Bros., in reply to a request for an explanation, made a rather peculiar one. They said that the men who have been taking the sawdust from their mill had strict instructions "to put nothing in the stream," but, they added, "you know a man could not stand there and watch them all the time."

In spite of their contention that it is impossible to watch a man all the time, they added that they had kept particular watch during the last few days and that sawdust had not since been thrown into the river or allowed to fall into it.

It is perfectly clear that if any of our employers a man to handle sawdust, he can very readily control his actions sufficiently to prevent him dumping it during the last few days and that will fall in when there is a rise of water.

It is true when the mill owner has been for years familiar with the flow of water in the streams and could tell accurately whether or not the sawdust was properly piled.

### The Evening Chit-Chat

By RUTH CAMERON

THIS started out to be a very forward spring. I commented most bromidically the other day, "but look how it has wound up. It seems to me as if it were always that way about the spring. Sometimes it starts off like summer instead of spring, and in March and April things are way ahead of the schedule, and then somewhere in May or June we get the cold weather all in a lump, and by the end of June things have come back to normal."

"Then other times it starts out cold and people say everything will be terribly behind, and along in May or June comes a long hot spell and even things up."

"I wonder if it isn't possible that the philosopher happened to be present during that long speech. 'Now isn't it possible that it's the same way about our lives?' he suggested thoughtfully. 'We are always saying what a perfect, happy life some one seems to have, and what a contrast it is to somebody else who has every sort of sorrow and trouble, but in the long run they are just as happy as we are. It seems to me, on the whole, that for all the trouble they make about early and late spring, that things progress just about the same every year.'

### WOMEN PROMINENT IN LARGE NATIONAL EDUCATION CONGRESS

MISS MARGARET A. HALEY

Chicago, Ill., June 29.—Women will receive marked recognition at the National Education Association's annual convention in Boston, July 28, no less than thirty-six being upon this year's programme and many at the head of the various departments.

Among these names are more honored than the two who head the Chicago City Federation of Teachers and have done conspicuous service for their co-workers. These are Miss Margaret Haley, president, and Miss Catherine Coggin.

### Daily Hints for the Cook

BREAKFAST DISHES.  
Fried bread.—Beat an egg, add salt and a little milk, and dip slices of bread in on both sides and fry a nice brown. Is both tempting and nourishing.

Indian mush.—Cut in slices and dipped can be used as liked with it.

Fritters.—Make a nice meal, and beat many into it. Satisfying dishes can be made from codfish, fishballs, hash, croquettes, creamed, dipped in egg and fried, or served up with butter, on toast or scrambled, are some of the ways that occur to me and each and all are very nice.

Place pound salt fish in dish on second cover of stove with cold water to cover. Let it soak while changing the water again and let it just steam, but not boil. About six or seven boiled potatoes. Chop all together and fry in pork fat till brown. Moistens a little with milk.

NUT FUDGE.  
Two cups light brown sugar, 1/2 cup milk, butter the size of a walnut, 1/2 cup nuts. Boil, then beat till it begins to crackle, and turn out into a buttered pan.

### LETTERS TO THE EDITOR

#### Kind Words for Hospital and Staff

Editor Times-Star:  
Sir.—Allow me through the medium of your valuable paper to express my sincerest thanks to Doctors Murray MacLaren and White for their skillful and successful operations on me at the St. John's General Hospital, after three years of suffering they have relieved me.

It is a pleasure to be given to Doctor Dunlop for his excellent care and attention to me after the operations; no where and by no one else could I have had the attention given me by Dr. Dunlop, who is most energetic and devoted to his profession.

I must also thank the Misses Evans, Hartwell and the nursing staff, also W. Marley.

I consider the St. John's General Hospital a splendid and up-to-date institution, with a medical superintendent and staff who are second to none.

Yours truly,  
JAMES W. MORRISSEY, D. S. M.

#### The Church and Socialism

Editor Times-Star:  
Sir.—"Workingman" does not know that there is a large number of workingmen and misery in St. John. "Workingman" must surely be blind or he could see it. It is not the fault of the church, but the fault of the government. The government should take steps to relieve the misery of the workingman. The church should take steps to relieve the misery of the workingman. The government should take steps to relieve the misery of the workingman. The church should take steps to relieve the misery of the workingman.

### WEDDINGS

Miss Ethel Isabella Emery, daughter of Mr. and Mrs. Andrew Emery, 48 Exchange Street, was married yesterday afternoon to John Evans-Clarkson, of Nottingham, Eng., by Rev. G. A. Kuhring. The bride was attended by her sister, Miss Margaret, and the groom was accompanied by William Emery, brother of the bride.

Frederick N. B. June 29.—At 8 o'clock this evening in the George Street Baptist Church Miss Louise Brewer, of St. Marys, was married to William Fine, of Marystown, Rev. A. A. Redout performed the ceremony, after which the happy couple drove to the bride's home in St. Marys where they will make their future home.

St. Stephen, June 29.—A very pretty wedding took place at the home of Mrs. John C. Henry here this afternoon at 4 o'clock, when the daughter, Miss Jessie Davidson, was united in marriage to William Frederic McElbrien, of Moore's Mills, a provincialist. The ceremony was performed by Rev. Charles Legal, pastor of the Union church, Colaba (Cal.)

Sproul-Wright.  
Rev. B. H. Nobles last night united in marriage James Sproul, of Norton, and Miss Jennie Wright, of St. John. The wedding took place at the home of Volney Smith Perry, Adelaide street. They were attended by Fred McElmion and Miss Mary H. Sproul. Mr. and Mrs. Sproul will live in Norton.

Patterson-Blair.  
Walter Patterson and Miss Bertha Blair, daughter of George Blair, of 18 Brindley street, were married last night at the home of the bride's parents, by Messrs. Harry B. Smith and Gus Edwards, having a musical concert at the Jardin de Paris, New York.

Charles Frohmann has been given definite promise of new plays for next season by J. M. Barrie, W. Somerset Maugham, Henry Arthur Jones, and Halden Chambers. Not much more than a decade ago such a programme would have been regarded as a mere dream. The plays that will come from these authors represent a small fraction of the dramatic material that will be included in Charles Frohmann's baggage when he returns to America.

Insane over the Jeffries-Johnson fight, Kate Klauke, well known character actress, was committed to state asylum at Newburg, Ohio, last week.

Since her arrival in Cleveland last Thursday, Miss Blanche had been sending telegrams continually to James Gleason and Tex Rickard, the fight promoters, begging them to take her to the contest. Her actions finally became so peculiar that her relatives were appealed to and they arranged a medical examination, she was adjudged insane.

Attention was first attracted to her behavior when she insisted on repeating her lines in German.

Frank Young, one of the best local dancers on the stage, died on Sunday in the Southern Indiana Asylum, where he had been confined for two or three years. Besse Devos, who recently won Frank Gould, of New York, for \$100,000 for alleged breach of promise, was tonight to dance by Young, and when the clever actor left him it is said to have affected his mind. They travelled together for a number of years as Young and Devos. It was stated recently that several of the love letters which Miss Devos produced in New York signed "Frank," and said to have come from Frank Gould, were written by Frank Young.

The Bill board says—Jeanette Lorrin and her eight fashion plates in a miniature comedy, consisting of music and song, was well received at the Circle last week, and the clever young ladies in the company are worthy of mentioning, also they are clever, and know how to play the musical bells as well as singing the numbers in the act. The four young men with the act are also very good singers, and certainly know how to harmonize and deliver the goods. The act is well worthy of being the headline, and no doubt, will be a feature around the popular vaudeville houses.

It is rumored that Mlle. Polaire, now playing at Hammerstein's Roof Garden, New York, in a pantomime sketch of life in Paris, is to appear in Canille after the termination of her engagement at that theatre. It is said a musical version of the old emotional play is to be made, and that Mlle. Polaire will speak and sing her lines in French, but will have an American company supporting her, playing the various parts in English.

Mrs. Lillian Nordica took the stump in aid of women's suffrage at a meeting at the country seat of Mrs. Charles J. Gould, in Tarrytown, N. Y., on a recent afternoon.

Elaborate arrangements had been made for the meeting and an outdoor theatre

### MISS FANNY BRICE IN "THE TOLLIER OF 1910"

Miss Fanny Brice is now starring in the "Tollier of 1910" at the Theatre Royal, Covent Garden, London. Her performance has been a great success, and she has received many favorable reviews.

### BILIOUS HEADACHE

Comes from Liver Derangements Which Are Thoroughly Overcome by DR. CHASE'S KIDNEY-LIVER PILLS

Headache is said to be the most useful pain in the world. It is a sort of fire alarm that warns you of something wrong with some organ of the body.

Most frequently the trouble is indigestion and torpid liver and the pain arises from the poisoned blood passing through the arteries of the brain and head.

There is no cure for bilious headache, torpid liver and indigestion that can be compared to Dr. Chase's Kidney and Liver Pills for prompt and certain relief. This has been proven by so many thousands of letters published from time to time that everybody should know it by this time.

Mr. Fred Hinz, Newburgh, Perth Co., Ont., writes: "I lie to have my name in the paper, I feel out of justice to suffering humanity. I should tell others of the good done by Dr. Chase's Kidney and Liver Pills and Ointment."

"For years I was troubled with great headache, biliousness, indigestion, and a general feeling of weakness. I was advised by Dr. Chase's Kidney and Liver Pills and I found that one pill relieved my headache and another relieved my indigestion. I have now found that Dr. Chase's Ointment is the most satisfactory treatment I ever had. It brought relief almost instantly."

You won't be satisfied with mere temporary relief when you know your headache can be completely cured by using Dr. Chase's Kidney and Liver Pills. One pill a dose, 25 cents a box, all dealers; or Edmanston, Bates & Co., Toronto.

### APOL & STEEL FOR LADIES' PILLS

### AWAKENING OF SCIENCE TO THE VALUE OF FRUIT

What is "FRUIT-A-TIVES?"

Medical men are just beginning to realize the possibilities of fruit in curing disease. Its action on the liver, kidneys and skin is wonderful. Yet fruit in its raw state is impracticable in treating disease because of the minute quantity of the active or curative principle contained in fruit juice.

A physician in Ottawa, after years of patient work, discovered a process whereby by the medicinal or curative principle of fruit juice is increased so greatly and thus a more active and more valuable substance is obtained.

"Fruit-a-tives" is the only medicine in the world made of fruit.

Hundreds of prominent people in every section of the Dominion owe their good health to "Fruit-a-tives." Hundreds more are daily becoming stronger and better by taking them. "Fruit-a-tives" is daily proving its inestimable value as a natural cure in all cases of Constipation, Biliousness, Torpid Liver, Backache, and Headache, Neuralgia, Rheumatism, Kidney and Skin Troubles.

90c a box, 6 for \$2.50, or trial box, 25c. Sold by all dealers, or sent, postpaid, on receipt of price by Fruit-a-tives Limited, Ottawa.

### OLD PEOPLE WHO SUFFER TORTURES WITH THEIR BACKS

Here is a Case in Point

Of course you know a dull ache or sharp pains in the back come from sick kidneys. Old age exacts its penalty. The kidneys become weak or strained through the hard work of a lifetime. Plasters, ointments and liniments only ease the pain—they can't reach the kidneys. As soon as the effects of such remedies wear off the pain returns worse than ever because the kidneys were worn.

West Fort William, Nov. 7th, 1908.

"I have been troubled with a lame back for the past twenty years. I have used plasters and ointments without effect. At last I tried Gin Pills, which proved just what I needed. I can now walk and enjoy my life. I highly recommend them to all who are afflicted with Strained or Lame Backs."

### NOVA SCOTIA ROADS BETTER THAN OURS

J. A. Pugsley, G. B. Wetmore and D. C. Skinner, with Mr. Pugsley's chauffeur, arrived here yesterday after a tour through Nova Scotia in a four cylinder Reo touring car. With the exception of a passenger car, the trip was made without an accident. Altogether a total of 500 miles was covered, and the party report an excellent trip. The start was made from here on Tuesday last. They crossed the bay on the Prince Rupert to Digby, and from there drove to Yarmouth, returning to Digby on Wednesday. From Digby they went to Kentville and from there to Truro. They remained in Truro over night and the next day proceeded to Amherst via Parrsboro. Leaving Amherst they went to Moncton, arriving there on Sunday, and proceeded to Sussex on Tuesday, reaching home yesterday afternoon about 4 o'clock.

Speaking of the trip, Mr. Pugsley said: "We enjoyed fine weather nearly all the time. The roads in Nova Scotia, especially where the split log drag had been used, were excellent. I was ahead of me from New Brunswick. From Moncton to St. John the roads are in frightful condition, and in one place, between Moncton and Salisbury, the car got stuck in the mud, which was up to the hubs of the wheels. We had to go through a field in order to get by."

John Keefe, who has been a member of the school board for some years, retires today, his term having expired. Miles Agar will take his place on the board.

### CURED OF CONSTIPATON

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N. S., writes:

"For many years I have been troubled with chronic constipation. This ailment never cured me. I determined to give them a fair trial. They have regularity to my stomach and bowels, I am cured of constipation, and I claim they have no equal as a medicine."

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c a box.

**TAXES NOT COMING IN AS FREELY AS IN OLD DISCOUNT TIME**  
**Thursday Next Last Chance to Save the Five Per Cent—Treasury Board to Meet Tonight**  
People who wish to take advantage of the offer of 5 per cent. off their taxes, will have to pay up before Thursday evening next, on that date the discount period will expire, and immediately afterwards executions will be issued against all who have not paid. This means an additional charge of 50 cents on each tax bill, as well as the loss of the discount.  
Thus far the collections have come in rather slowly, and are much behind last year. It would seem that the earlier date for collecting the taxes is not as convenient as was the case when the discount period was in October.  
The treasury board will meet this evening to transact routine business. Among the matters to be discussed will be the providing of \$300 for the expenses of Chief of Police Clark, to attend the Dominion Constables' Association meeting in Vancouver, and the complaint against Constable Sherwood, over charging Manford Day in collecting a bill.

Owners intending to start are asked to notify Fred A. Fleming, the secretary, at once and have their boats measured. There is much interest.

**TO KEEP POOR SHOWS OUT OF PROVINCES**

**Manager Anderson of Opera House Returns After Theatrical Men's Conference—Vaudeville and the Moving Pictures**  
Judging from the action of the Maritime Theatrical Managers' Association, which met in Moncton, yesterday, St. John and the province generally will have a better class of theatrical productions in the future than they have had in the past. It was decided that in future no show would be booked by the managers until they had ascertained from the New York authorities what kind of an entertainment was offered. If it was of the inferior class, bookings would be refused.  
H. J. Anderson, manager of the St. John Opera House, who was in attendance at the meeting, returned to the city last evening. Speaking of the gathering, he said, they had been practically unanimous in opposing the introduction of vaudeville in moving picture shows. It was claimed that it injured legitimate theatrical business and also in cases interfered with the license. In some of the smaller towns a larger license fee was demanded, when vaudeville was introduced.  
Moncton, Chatham, Newcastle, Campbellton and other places, he said, agreed to put on vaudeville with the moving pictures.  
The members were unanimous in deciding on excluding the poorer class of shows from the theatres, to the effect that they would put shows on this circuit but it was decided on the ground that they would be able to book legitimate shows and an agreement with them would exclude independent companies. With an agreement of this kind such shows as the "Merry Widow," "A Knight for a Day," and "Mrs. Wiggs of the Cabbage Patch," which are now billed for the local house, could not be brought here. Propositions from other circuits were considered, but it was thought better not to tie up to any one organization, but to get to see independently and secure as many good shows as possible.

**THOUSAND PEOPLE ON E. D. C. GROUNDS; EVERYONE HAPPY**  
There must have been 1,000 people on the Every Day Club grounds last evening. In addition to the great crowd that cheered the exciting game of baseball between the St. Johns and Clippers, there were hundreds of children at the playground and all around the fringes of the field. The teachers, Misses Kerwell and Maxwell were both present with the little ones, and several mothers were there enjoying the play of the children. When the ball game ended, the young people swarmed over the field, and until the whistle blew at dusk the scene, was one to delight the heart of any lover of children.  
**GOLF**  
Tomorrow (Friday) afternoon on the local links there will be a special handicap match, two-ball foursomes against boys.  
Those wishing to take part must arrange for their own partners and opponents. The handicaps will be the regular match play handicaps as posted at the club house.  
A large field is expected for the holiday.
