Discuss Cost of The Reception to Prince

Full and Satisfactory Statement Made by Premier Foster This Morning Before Public Accounts Committee.

MARITIME SENATORS TO THE FRONT

Mr. Fowler of Sussex as Lloyd George Champion

Spirited Passage at Arms Over Bill Relative to Selling of German Goods—Messrs. McSweeney, Donville and Thorne Take Part

(Canadian Press.)

Sharp cross-firing between Senators Beaubien of Montreal and Fowler of Sussex on the war achievements of Great Britain and France, respectively, and a glowing tribute to the statesmanship of Lloyd George from the latter member of the upper chamber featured the afternoon session of the senate.

Discussing a bill introduced by Senator Lynch-Staunton, which seeks to compel persons selling German-made goods to exhibit a sign to that effect outside their place of business, Senator Beaubien agreed with many other members that those responsible for the great world war should be punished and made to feel the consequences of their guilts which cannot make a resolution sent to the British house urging more sympathy for France.

"I understand the honorable gentlemen to charge Britain with lack of sympathy for France," quipped Senator Fowler.

Senator Beaubien replied that he was disappointed that that which was expected against Germany sending troops into the Ruhr district, Lloyd George had failed to say "we are not doing."

"It is to be regretted that there is a certain type of mind in this country which cannot make a speech without showing dislike for Great Britain," said Senator Fowler with vehemence.

Senator Beaubien interrupted to say that he had not accused at England but had criticized Lloyd George for the position referred to.

"Lloyd George is the greatest living statesman today," replied Senator Fowler. "If he had not stepped in at the crucial moment there was no telling for the better in the Allied war fortunes was noticeable every minute that he took over the reins of power. He added that the best he was accomplishing was the great work that peace had come as he did during the most critical period of the war."

It was to Lloyd George more than any other man that credit was due for any country would be able to win the war. He said that credit was due to the member for Montreal who sought to criticize him. The change of the member for Montreal was not worth bothering about.

Other Maritime Senators. Senator McSweeney asked how the bill would be enforced. He saw difficulties in France and the United States, as well as other nations, were sending goods to Germany and receiving German goods in return. In spite of Senator Lynch-Staunton's high-falutin' talk of Charlemagne and Hannibal, he believed the bill would be found impossible of operation. How were merchants to distinguish German goods that might come to them through England?

Senator Dandurand did not see how any country would be able to win the war. He said that credit was due to the member for Montreal who sought to criticize him. The change of the member for Montreal was not worth bothering about.

(Special to The Times.)

Fredericton, N. B., April 21—Premier Foster appeared before the public accounts committee this morning for the purpose of explaining the accounts in connection with the visit of His Royal Highness the Prince of Wales, which totalled \$11,687.23. Opposition members had questioned some of the items, on the grounds of the size of them. When the premier had completed his statement the lack of further questions from the opposition members seemed to indicate that they were fully satisfied that there was nothing to criticize.

Hon. Mr. Foster said that in making arrangements for the visit of the prince the Duke of Devonshire and Sir Robert Borden they had been hampered by the fact that the prince was to land in this province, and that therefore they had experienced in the way of precedent or the expense of coming here from other provinces. Officials came from Ottawa to confer with the lieutenant-governor and to make a report to the premier. He expected. The thought of the expense was present in his mind, and, for purposes of comparison, he had secured from the comptroller-general a statement of the cost of the visit of the Duke of York, which had cost the province \$25,249.63, and he determined that the amount spent at this time should not reach a figure of that size.

The problem of where to entertain the prince arose, as the province does not maintain a government residence, and Colonel Henderson, secretary to the governor-general, said that on this account the visit of the prince would be limited to one day. The suggestion that the prince should be entertained at the home of Hon. Mr. Pugsley had been made by Colonel Henderson and Sir Joseph Pope. He had suggested that the reception should be at the home of Mrs. D. A. Pugsley, but they refused to entertain the idea, saying that the prince would have to be lodged in a hotel. In this democratic country the reception should be open to every citizen, and he had strongly supported this view, but they had not been able to make any impression on the officials in charge of the arrangements.

They had to consider the entertainment of the governor-general and Sir Robert Borden. The lieutenant-governor added that he had received the Duke of Devonshire as his guest at his home in Rotherham, and General McLean entertained Sir Robert Borden. He had suggested that the prince should be lodged in a hotel. In this democratic country the reception should be open to every citizen, and he had strongly supported this view, but they had not been able to make any impression on the officials in charge of the arrangements.

Difficulty had been experienced in securing cars for the prince and the other guests of the province. It was impossible to borrow enough as everybody wanted to use their own cars at the time and it was necessary to secure satisfactory conveyance for the prince. They had found it necessary to purchase a car, and had secured a good one. (Continued on page 9—Sixth column.)

DEMAND THE RESIGNATION OF GOVERNMENT

Flynn Says Petitions Will Go Out if G. A. U. W. Denied Interview With Governor-General.

Ottawa, April 21—That every returned soldier's organization in the dominion will be called upon to sign a petition demanding the resignation of the present government if the request, as embodied in resolutions passed by the Grand Army of United Veterans here and elsewhere for an interview with the governor-general is refused, is the assurance of J. Harry Flynn, president of the G. A. U. W., who returned to Ottawa yesterday. He said that petitions were already ready and that should the deputation from the United Veterans fail to see the Canadian representative of the king, the only course left open would be to circulate them far and wide.

Ottawa, April 21—J. Harry Flynn, president of the U. V. L., returned to Ottawa last night. The first branch of the United Veterans' League in Ottawa was organized. Mr. Flynn, who was the principal speaker, attacked and criticized Sir Robert E. Borden and Sir George E. Foster, and charged manipulation of the soldier vote in connection with the election of Speaker Rhodes.

A resolution was passed unanimously pointing to dissatisfaction and unrest returned men owing to ungenerous treatment accorded them in regard to employment in the civil service, especially at Ottawa, that it was notorious that employment given to returned men was not permanent and that the majority of appointments, that many returned soldiers recently dismissed from the service were returned to their families, while those retained in office were young women who had no responsibilities other than to themselves.

DIVORCE BILL IS DISCUSSED IN THE SENATE

(Canadian Press.)

Ottawa, April 21—In the senate yesterday second reading was given a bill to create uniform laws on divorce throughout the dominion.

The bill is designed to make men and women equally entitled to annulment of the marriage tie and to provide the wife with a separate domicile. This latter provision is to meet such cases as a recent one in Nova Scotia, where the court had refused a woman a decree because her husband had established his domicile in Ontario.

The bill provides that decrees should be nisi and should not be made absolute until the final determination of the suit, unless the judge orders otherwise, and no report shall be published after final determination without approval of the court.

Violation is punishable by a fine of \$1,000 or three months in jail. It is proposed to exempt Quebec from the bill.

Senator Chapuis was strongly against the bill. He believed that if divorce courts were abolished, husbands and wives would in many cases settle their differences.

Senator Fowler contended that while divorce proceedings were most regrettable, yet it seemed an unkindness to keep before two people a record of their broken, all the obligations of wedded life.

The debate was adjourned.

WANT DOLLAR A TON BOUNTY ON THE PORT ARTHUR IRON

Ottawa, April 21—One dollar a ton bounty on iron ore smelted in the Port Arthur district is asked of the government by a deputation of forty union government members, many of them from western Canada. Messrs. Keefe and Manion, members from Port Arthur and Fort William, emphasized this local side of the appeal, while other western members emphasized their belief that help was needed in developing the coal and iron resources of the Rocky Mountains and elsewhere in Alberta.

LABOR PROTEST ON SECTION OF FRANCHISE BILL

(Canadian Press.)

Ottawa, April 21—A letter protesting against section ten of the new franchise bill and bearing the signature of Tom Moore, president of the Trades and Labor Congress of Canada, as well as of representatives of the four great railway brotherhoods has been sent to Hon. High Guttridge, solicitor general. It states that the section appears to deprive laborers from contributing directly to election expenses or raising money by individual subscriptions to defray such expenses. It is in the hands of the section is too drastic and will interfere with legitimate interest and activity of citizens who desire to give practical support to the political and economic welfare of their union.

The letter also recommends that the bill be so amended as to provide that deposits be returned to candidates within ten days after the successful candidate has been declared elected.

It states that the continuation of a candidate's deposit is out of date, undemocratic and ought to be discontinued, or, if the deposit is continued, it should be merely in the nature of a bond or surety of good faith to be returned to the candidate when its purpose has been served.

DEMANDS OF MONTREAL STREET RAILWAY MEN

Montreal, April 21—The demands of the employees of the Montreal Tramway Company are now in the hands of the company. The men are asking recognition of the union of which it is proposed that all employees must become members when taken on by the company within sixty days of their employment. An eight-hour day is proposed, all work beyond eight hours to be paid at the rate of time and a half. Motormen of three months' employ shall receive seventy cents an hour and seventy-three cents for the following nine months, and after one year's service seventy-five cents. Inspectors ask \$150 a month for the first three months and \$25 thereafter. Freight inspectors ask \$200 a month and the depot clerks the same. Janitors of depots ask \$150 a month. It is proposed that the new schedule shall take effect on July 1 next, when the present agreement expires.

MR. TURGEON IN CRITICISM OF C. N. R. AFFAIRS

Ottawa, April 21—In parliament yesterday Mr. Turgeon, minister of justice, criticized the administration of Canadian government railways by the board of management. He contrasted the record of the C. P. R. with that of the government railway. The former concluded its year with all fixed charges paid and a profit of some millions. He said the latter, with no fixed charges paid, turned in a deficit of \$47,000,000.

Freight traffic out of New York is to 60 per cent of normal again.

DEATH LIST IN TORNADO NOW APPROACHES 200

Worst That South Has Ever Experienced

More Than Hundred Killed in Mississippi Alone—Part of Two Other States Wind Swept—Some Experienced

Birmingham, Ala., April 21—Assistance for the outside world is urgently needed for the relief of tornado survivors in a dozen counties of Mississippi, Alabama and Tennessee. With a death list of 166 already reported and a property loss which will run into many millions, the tornado has taken rank as one of the most disastrous in the annals of the south.

The storm apparently struck in the rich farming belt lying around Bay Springs, Jasper county, Miss., and moved northeast across the remainder of the state, to vent its fury upon the extreme northwestern tier of counties in Alabama before moving into Tennessee.

In and near Meridian, twenty-one persons lost their lives, while sixteen centred at a lumber camp in Neshoba county were killed in the destruction of the camp structure.

The deaths in Mississippi already reported total 118. April 21—Advice from Meridian is that the tornado which swept eastern Mississippi was the worst in the history of the state. Late estimates state that 100 are dead and several times that number injured between Decatur and Louisville.

Laurel, Miss., April 21—Fifteen persons are known to have been killed and property damage up to a million dollars in the tornado. Part of the Jasper county Agricultural School at Bay Springs was demolished. Prof. H. Rawlinson, R. C. the principals, and Miss Moore, music teacher, were killed, and a dozen structures were swept away.

Starkville, Miss., April 21—The tornado swept through Madison county, south-west, just south of Lilly Place, and crushed over the mountain into Killingworth, leaving fifteen persons killed and more than a score of injured in its wake. Extensive property damage was reported.

UNEASINESS IN CHINA REPORTED

Amoy, China, April 20—(By the Associated Press.)—Extremist Bolsheviki propaganda is being disseminated in the Amoy province and the red flag is a common sight in Chang Chow Fu. General lectures by James H. Rawlinson, R. C. Murrell and J. McGuigan, all of Toronto. The former is totally blind. Murrell has lost his left arm and McGuigan has had his left leg amputated below the knee. All three sought to impress on the committee that the present scale of pensions is inadequate; the allowances for an attendant are insufficient and that free medical treatment for dependents of disabled men should be given.

After two witnesses declared that the system of issuing artificial limbs in Canada was faulty, Of the management of the artificial limb department, neither man spoke cheerfully.

LADY DOROTHY CAVENDISH IS NOW A BRIDE

London, April 21—Queen Alexandra, Princess Victoria, Prince Albert and the Duke of Connaught, who had just arrived in London after spending the winter on the continent, attended the wedding of Capt. Harold MacMillan and Lady Dorothy Cavendish today at St. Margaret's, Westminster. A reception was afterwards held at Lansdowne.

U. S. HAS GRATUITY QUESTION ALSO

Washington, April 21—Conflict between Republicans and Democrats on soldiers' relief legislation broke out in the house yesterday after Chairman Good, of the appropriations committee, had warned members that to put through a cash bonus plan would "bring down the wrath of 106,000,000 men, women and children."

As Hiram Sees It

"Hiram," said the reporter to Mr. Hiram Hornbeam, "I found a little tuft of green grass yesterday afternoon, and forgot an important engagement. I would not like to say how long I leaned against a fence and gazed on that herald of the springtime. The birds had found it, too, and they chattered about it, cocked their heads to one side to view it better, and hoped around in a sort of sparrow dance that betokened its been de-light. The warm sunshine made my overcoat a burden, and I, too, rejoiced and was glad."

"Yes, sir," said Hiram, "yesterday was a real spring day. Cur'ous how it stir a feller's blood 'n' makes him want to get out into the open. The water 'll be green, an' the leaves out an' the May-crickets in blossom. Well—we orto be glad to see it after the winter we had. Hanner's got some things sproutin' all ready for the garden, an' the cows 'll be leggin' to get onsey for the pasture. 'll soon hev more milk 'n' eggs, an' then the garden stuff. I hope the potato bugs has been froze out—an' a lot more pest."

"As I turned away from contemplation of the tuft of green grass," said the reporter, "I observed a sparrow flying past with a long straw in its beak. It is the season of romance in birdland. There are homes to build. And the builders thereof are not troubling the high cost of material or wages. They do not even have to consider the question of a two-cent gunner over a bird, but a bird, now that April's here."

"Yes, sir," said Hiram, "a bird does hev some advantage—'till some woman thinks she wants its feathers to wear—or some feller thinks he wants to shoot 'em." "Was any human being on the airth the birds 'ud hev a real good time."

WOUNDED MEN ON PENSIONS

Soldiers Before Parliamentary Committee in Ottawa Present Scale Declared Inadequate—Matter of Artificial Limbs—Tubercular Patients Today.

Ottawa, April 21—(Canadian Press.)—The special needs of amputation and total disability caused were placed before the special committee on pensions and re-establishment at its two sittings yesterday by James H. Rawlinson, R. C. Murrell and J. McGuigan, all of Toronto. The former is totally blind. Murrell has lost his left arm and McGuigan has had his left leg amputated below the knee. All three sought to impress on the committee that the present scale of pensions is inadequate; the allowances for an attendant are insufficient and that free medical treatment for dependents of disabled men should be given.

After two witnesses declared that the system of issuing artificial limbs in Canada was faulty, Of the management of the artificial limb department, neither man spoke cheerfully.

REQUEST OF JEWS TO THE PREMIERS

Ask That Nations Unite to Restore Them Palestine—Delegation at Ottawa.

Lakewood, N. J., April 21—The union of orthodox rabbis of Canada and the United States who opened a three-day session here yesterday, sent a cable message to the Allied premiers at San Remo requesting the nations to support the restoration of Palestine to the Jews. Messengers were also sent to the British parliament and President Wilson expressing appreciation for their services toward obtaining minority rights for the Jews of eastern Europe.

Ottawa, April 21—The executive of the Canadian Zionist Federation waited on Hon. N. W. Rowell yesterday to request that the dominion government declare its sympathy with the principle of a British mandate over Palestine. South Africa, they said, had already taken this step. Mr. Rowell promised to submit the question to the cabinet council.

New York, April 21—Recent anti-Jewish disturbances in Palestine were fostered by Syrian agitators, said Dr. Max Nordau, philosopher and Zionist leader, in a statement made public here by the Zionist organization of America.

## CUBA LOOKS LIKE GOOD MARKET FOR CANADIAN LUMBER

Havana, March 5—(Correspondence)—Madera de pino sin cepillar (undressed pine lumber) is an item in the free list of the Cuban customs' tariff which should be of great interest to Canadian lumber exporters. This item means that white pine, yellow pine and spruce, sawn and unplanned in ordinary sizes, enters Cuba free of duty.

Many dealers even in Cuba are under the mistaken impression that a duty is levied on all lumber entering the country. This is due to the fact that harbor dues are collected on all lumber imported.

A tariff is levied, however, on hemlock. This amounts to \$1 per 1,000 kilograms for rough hemlock and \$2.00 per 1,000 for dressed hemlock. For this reason comparatively little hemlock is imported into Cuba. Representations are being made to the Cuban Government, however, to have hemlock classed as madero de pino and thus enter Cuba free of duty.

Detailed statistics on the quantities of the different kinds of lumber imported are, unfortunately, not available. One of the foremost lumber importers on the island, says that importations of Canadian lumber last year were not more than 4,000,000 feet of spruce and 2,000,000 feet of white pine. Practically all the yellow pine comes from the United States, 123,000,000 feet in 1918. Spruce is utilized largely for packing boxes, and white pine for such purposes as doors and windows. Were supplies available, Cuban importers could take many times these quantities of Canadian spruce and white pine. Douglas fir is practically unknown, although importers assured me they would gladly accept a trial shipment, and that in the security of other lumbers a good market might be developed for British Columbia fir.

Canadian exporters must bear in mind that they cannot expect cash against presentation of documents. Nearly all the lumber business is done on a sixty-day basis. Two or three Canadian lumber dealers have been doing a very satisfactory business with Cuban firms on this basis. Canadian banks have been established in Cuba for many years and would be glad to furnish Canadian exporters to this country with all the credit information required. I am assured by experienced Canadian bankers here that as long as Canadians sell to reputable importers favorably known to the banks they are as safe as if they were dealing with reliable business men in their own home towns in Canada, and from whom they would not think of demanding cash.

Vessels of the Canadian Government  
Unique Christening.  
Merchant Marine now come to Havana at least twice a month, and shipping rates from Canadian ports have been equalized with rates from American ports. There is now therefore no reason why all Canadian lumber imported to Cuba should not come direct from Canadian lumber dealers rather than through the medium of American houses.

## INCREASE FOR MARCH BUT A DULL OUTLOOK

(Financial Post.)  
With the return of weather conditions favorable to outside construction work building throughout the Dominion has opened up on a scale which far exceeds the corresponding period a year ago. New totals for building permits have been piled up, and last year's record is far surpassed. This in spite of the fact that the ascending prices for building materials and labor continue. The higher cost must be considered, however, as a factor in this year's higher total.

The total value of building permits issued during the month of March was \$7,850,460 as against \$3,338,440 for the corresponding period a year ago. The returns for the first three months of the year reveal a very large increase over last year and indicate a revival of building activity in Canada on a scale not experienced since the years before the war. For the first three months building permits totalled \$16,128,255 as against \$9,754,983. Practically all important municipalities have contributed to this increase. The twenty-four cities of the eastern provinces record a total of \$5,268,014 in building permits and the fourteen cities of the west \$2,271,216.

With prices for all forms of building materials still on the upward trend, building operations throughout the Dominion will, as a result, be greatly curtailed this season. Reports from various sections indicate that as the building season approaches a number of extensive building programmes have been shelved for the time being to await improvement in the situation. This means indefinite postponement, as there are at the present time no indications of an early let-up in the soaring tendency of prices for materials. As long as the demand continues there is little possibility of lower prices, and a wholesale cancellation of building orders will in all probability be the most effective means of enabling dealers to catch up in production and relieve the competition among builders for materials.

There is a great scarcity throughout the Dominion for building accommodation of all kinds, including residential, office and factory. The housing situation is probably the more acute, but residential building will be greatly curtailed this year, as the uncertainty of the future condition of the market does not favor building on an extensive scale for investment purposes. New factories and additions will be proceeded with, as increased business following the war has rendered such expansion necessary. The supply of labor seems adequate to meet the demand, and while wages will undoubtedly be high, there is no indication of trouble anticipated in this respect.

**VALLEY RAILWAY AGAIN.**

Fredericton Mail: Hon. Mr. Veniot in the course of his great speech in the legislature last evening, declared that the government stood to lose \$180,000 of Valley Railway funds, which had been placed by the old government in the hands of the Prudential Trust Company. He said that the money had been turned over to the company by J. K. Flemming who had been paid a commission of \$9,000.

**Be Your Own Executor**

Has it ever occurred to you that soon after your death your estate, however large, may dwindle away owing to the inexperience of your heirs in business matters?

You need have no apprehension that your dependents will thus come to want if you make adequate provision for them by means of an Imperial Life policy.

Because every such policy contains a provision under which you may specify that the proceeds shall be paid in monthly, quarter-yearly, half-yearly or yearly instalments for 5, 10, 15, 20, 25 or 30 years after your death, instead of in one sum.

While in the calculation of the instalments a definite rate of interest is guaranteed, such payments in the case of participating policies will be increased by sharing in the interest which the Company earns in excess of this guaranteed rate.

**ZIONIST DRIVE.**  
(Montreal Herald).  
The Canadian Zionist Federation reports that more than \$60,000 has been collected to date for the Palestine Restoration Fund.

All classes of the Jewish population are pledging to the captains and workers of the various teams. Every part of the city is being canvassed and the Zionist officials are confident that Montreal will raise its quota. The drive has taken on a new interest in view of the recent troubles in Palestine as the Zionists of Montreal desire to demonstrate their absolute confidence in the British government and their earnestness to obtain Palestine for the Jewish people under a British Mandate.

RECITAL AT WOLFVILLE WAS MARKED SUCCESS

Miss Ruth Blaisdell MacDonald, soprano, assisted by Miss Beryl Blaisdell, pianist, and Miss Marie Wilson, contralto, gave an excellent song recital in Acadia College hall on last Friday evening, before a large and appreciative audience. Miss MacDonald's first group was sung with fine taste. Debut: Le Jour (from Louise) was a gem. The second group, "Oh, Mother, My Love," by Farley; "Oh, Didn't It Rain?" (arguably spiritual) "My Menagerie," by Foster; and a Norwegian love song by Clough Leighton, showed skillful interpretation. Following this she sang the aria, "Oh Fors E Lui," from Traviata. So successful was this that she was forced to respond to an encore and sang the waltz song from Romeo and Juliet. She has a diction which enables her to put across her message of melody and the distinctness with which she characterizes each song proves that there is a fine sympathetic temperament back of the excellent voice. The clarity of her tones is remarkable, and the same prevailed throughout her entire range of voice. Her fine and well trained voice is a pleasure of itself.

Miss Blaisdell is a talented pianist. Her playing of the Vienna Carnival Scene by Schumann showed excellent interpretation and was rendered in an artistic manner. She is also a brilliant accompanist. Add to this a charming personality, youth, and good looks and the pianist's equipment for the concert stage is about complete.

Miss Wilson sang a group of songs in a charming manner. The first two songs, "L'Eclaircie et Si mes Versains des Ailes" displayed her French and the resonant beauties of her voice well. A lullaby by Hansson charmed the audience and "I'm Wearing Awa" by Footes, showed the richness of the lower voice.

The Arts, My Heart is Weary (from Nadeshda), gave proof of the singer's capabilities and revealed a wide range and exceptional talent.

The three artists responded to several encores. After the recital the young artists were tendered a reception at the home of Mrs. Gordon Prescott, Summer street.

### RECENT WEDDINGS

The wedding was solemnized on Monday at Chatham (N. B.), by Miss Jennie Elaine Armstrong, of this city, sister of Mrs. Fred. E. Kee, of 57 Crown street, and Samuel Frederick Robinson of that place.

Miss Kathleen Mary Murray, daughter of Mr. and Mrs. Charles R. Murray of this city, and Daniel Joseph Doherty, were united in marriage at the Cathedral of the Immaculate Conception on Monday by the Rev. Father William Duke. The couple received the congratulations and best wishes of many friends.

A pretty wedding took place at the Main street Baptist parsonage yesterday afternoon at 2 o'clock, when Rev. Dr. David Hutchinson united in marriage Peter D. Branscombe, son of Douglas Branscombe, of Belisle, Kings county. A few of the immediate relatives of the young pair witnessed the ceremony. Mr. and Mrs. Branscombe left on the evening train for a honeymoon trip to the Cape. On their return they will make their home at Belisle. The good wishes of a host of friends are extended to them.

### RECENT DEATHS

The death occurred yesterday at his mother's residence, 128 Hawthorne avenue, of Ralph Ellis, son of Evangeline and the late Oliver Ellis. Besides leaving his mother, he is survived by four brothers and six sisters, all of whom are still children. The funeral will take place at 8:30 on Thursday morning from 128 Hawthorne avenue to Holy Trinity church for a big mass of requiem. Friends are invited to attend.

Mrs. Isabella Galbraith, wife of Samuel Galbraith, of 174 Adelaide street, died yesterday in the forty-eighth year of her age. Mrs. Galbraith was married by her husband, three sons and two daughters. The daughters are Mrs. Frank Davidson, of Milltown, and Alberta at home. The sons are Harry, Melvin and Raymond, also at home. The funeral will be held at 12:30 o'clock tomorrow afternoon from her late residence, and the interment will be in Lorneville.

The death of Rev. Father Vital LeBlanc took place at the Moncton City Hospital yesterday after an illness of two months. He was thirty-one years of age and was a graduate of St. Joseph's College. Father LeBlanc was ordained by Bishop LeBlanc in June, 1917.

Mrs. Frank Parks, aged fifty years, died at her home in Milltown April 19. She leaves her husband, two daughters and one son.

Melvin Roy died at his home in Milltown yesterday after a lingering illness. He leaves his wife and two small children.

### THINK BIGAMIST HAS GRAVEYARD

Believed to Have Slain Three of Twenty-Five Women He Married.

Los Angeles, April 21—The authorities were preparing to level Imperial Valley for the "private graveyard" of Charles Newton Harvey, alleged modern "Bluebeard." The bigamist is believed to have slain at least three of the twenty-five women he is said to have married and buried them in concealed places. Harvey attempted suicide after his arrest. His condition was so critical physicians were considering blood transfusion to prolong his life.

Each of the missing wives, the authorities say, disappeared in Southern California. They had told friends they intended taking trips with Harvey that would keep them away for several months. After that they were never heard from again.

### JIMMIE EVANS AT THE LYRIC

Popular Company in Second Week of Their Engagement.

The second week of the engagement of the "Jimmie Evans Musical Company" was opened auspiciously at the Lyric on Monday, large audiences witnessing the three performances. Like the previous bills put on by this popular company every night was designed to provide an opportunity for catchy musical and dancing numbers, and the comedians were kept busy throughout the evening provoking laughter from the audience. Jimmie never fails to please and he certainly has outdone the dancing and the comedians. The support throughout from the chorus was up to the standard, good company as a whole is a good one in every respect. The comedy is clean, bright and lively and full of entertaining qualities.

### MANY ENJOY LOCAL MINSTRELS

A capacity house greeted the second performance of the minstrel performance last evening in St. Vincent's Auditorium, under the auspices of St. Peter's Y. M. C. A. The strong chorus with catchy songs and southern lullabies made a great hit and received hearty applause and cheers. The end men and girls were witty, jokes and repartee amused the audience. The participants in the olio also made a popular hit and were warmly applauded. The after-piece, "The Modern School of Acting," presented by John U. Haggerty and J. O'Toole, was greatly enjoyed and the antics of the tragedian and his colored pupil kept the audience convulsed with laughter. Both gave clever portrayals and deserved the hearty applause received.

The minstrel show, which will be repeated this evening, is one of the most successful presented in this city in years. The success achieved is largely due to the efforts of Harry L. McQuade, who directed the production and also to individual members who took a keen interest during the weeks of rehearsing. In the programme in last evening's edition two names were omitted, Miss Nan Conway and J. Coughlan, who are with the chorus.

Chatham election results: T. M. Gaynor, mayor, and aldermen, T. H. Fitzpatrick, T. J. Donovan, J. Y. Merreveau, W. F. Cassidy, D. Johnson, Arthur Maher, R. D. Walsh, Thomas Cornish.

## LOCAL NEWS

**SMALLPOX CASE:**  
Dr. William Warwick, district medical health officer, went to Hampton last evening to investigate a reported case of smallpox there. It is thought that the case was a contact and precautionary measures are being taken.

**BOWLING CHALLENGE:**  
The S. Hayward Co. bowling team desire to challenge any commercial bowling team in this city, but particularly the winners of the Commercial or Wellington leagues, to a game to be played in the near future. Please answer through the Evening Times.

**A PLEASANT EVENING:**  
The members of the Tuesday Night Bridge Club held an enjoyable banquet in Bond's last evening. Several tables of bridge were arranged and after a few games were played a turkey dinner was served. Music and dancing were indulged in and the party broke up a little after midnight.

**FIRE IN GRASS:**  
The west side fire department was called out yesterday for a grass fire in the field adjoining the Presbyterian church there. A still alarm was given. The blaze which was thought to have been started by some boys, spread to a fence about the property but little damage was done.

**POSITION OPEN:**  
The Civil Service Commission in Ottawa is advising that the position of excise enforcement officer at St. John is vacant and applications are being invited for selection of some resident of the division of St. John to fill this vacancy. At the excise office in the customs house are application forms and these information also may be had. Applications will be received up to May 5.

**VERDICT FOR \$500:**  
In the Circuit Court this morning before His Honor Judge Chandler, the case of Geo. L. Ward, master mariner vs. Peter McIntyre and A. McIntyre was concluded. At this morning's sitting his honor delivered his charge to the jury, who found in favor of the plaintiff to the amount of \$500. Judgment for that amount was accordingly entered. H. A. Powell, K. C., and D. Mullin, K. C., appeared for the plaintiff, and W. H. Harrison for the defendants.

**CITY OFFICIAL ILL:**  
Friends of Thomas Thompson, former chief of the dock repair crew of the city harbor department, will regret to hear that he is seriously ill at his home in King street, West St. John. Mr. Thompson has been in the employ of the city for a great many years and is held in esteem by both the heads of departments at city hall and the men under his charge. His condition today was said to be critical.

**HAMPTON MEMORIAL:**  
A meeting of women's organizations and committees from the Masonic Lodge, G. W. V. A. and citizens in Hampton was held this afternoon to discuss the question of erecting a memorial to the heroes in the great war. A memorial hall has been mentioned, but it has been suggested that it would hardly be practical for a town of that size as the cost of such a building would be too great. It was expected that no decision would be reached and that another meeting would be held in the near future. Friends of the memorial are urged to make a grand memorial in the form of a provincial soldiers' home, where disabled soldiers could be taken care of, as in many cases the pensions were considered not sufficient to support them.

ST. LUKE'S A. Y. P. A.

VISITS ST. MARY'S

Members of St. Mary's A. Y. P. A. were "at home" last evening to members of St. Luke's A. Y. P. A. who paid them a fraternal visit which was much enjoyed. H. R. Coleman presided and extended a welcome to the visitors. Refreshments were served and a programme given in which those taking part included Miss Edith Morrison, Miss Marjorie Lane, Miss Doris Ingram, Mrs. H. L. Leach, who sang solos; Miss Tilley Ross, Stanley Irvine, Miss Marjorie Manning, Norman Magnusson, readings; Miss Rita McMann, piano solo, and John and Norman Magnusson, Shakespearean dialogue. The committee in charge of the arrangements consisted of Miss Marjorie Lane, Mrs. Charles Morrell, Mrs. Alex. Ellison, and Mrs. H. R. Coleman. A hearty vote of thanks was moved by Rev. Mr. Wright, director of the St. Luke's A. Y. P. A.

## NEW BRUNSWICK IMPRESSES HIM

C. P. R. Chief Says He's Going to Like Our Province and People.

J. M. Woodman, who recently succeeded H. C. Groat as general superintendent of the C. P. R. New Brunswick district, in conversation with a Times representative this morning said he is most favorably impressed with the province and feels that he is going to like it and the people. He said he has not been very much of it as yet, but what he has had an opportunity of seeing is so beautiful. In company with Mr. Groat yesterday, he said, he had the pleasure of meeting a number of people here and in Fredericton and he knows he is going to like them. He said he finds the railway in first-class condition and does not anticipate any difficulty in keeping it going as he evidently has a first-class staff.

This evening the members of the Union Club will tender Mr. Groat a farewell banquet at which Mayor Hayes will preside. Mr. Groat will leave tomorrow afternoon to take over his new duties as general superintendent of the Ontario district with headquarters in Toronto.

Mr. Groat accompanied Mr. Woodman to city hall this morning and introduced him to Mayor Hayes and the commissioners.

## ASHES ARE WANTED FOR PLAYGROUND

The East End Improvement League Is Down to Active Work for the Boys.

The East End Improvement League wants clean ashes to put its diamond in condition and to finish the surface of the second diamond which is for the use of the junior league. There is a man on the grounds every day who will show the teams where to dump the ashes. It is hoped there will be a good response for the benefit of the boys and their playgrounds. The East End Improvement League plans a great improvement of its grounds this spring and will make a fine running track. The work of building the new dressing rooms will be done tomorrow evening, and men with saws and hammers will be welcome, as work will be done by volunteer effort. The cost of the lumber was considerable and the members want to save every dollar possible for further equipment.

## ROLLING MILLS AGAIN WORKING

Day and Night Shifts Employing About Fifty Men at Present — C. H. Lessemor Is in Charge.

Under the name of the New Brunswick Rolling Mills Co., the plant of the Portland Rolling Mills, which has been closed down for the last two months, started operations again yesterday with a staff of about fifty men, under the supervision of C. H. Lessemor. At the present time the mill is turning out bar iron, railway spikes, ship spikes and track bolts, but it was said today that they are planning expansion and expect to employ in the vicinity of 100 men. Operations are being carried on day and night and extensive alterations have been made.

The matter of taxation on a fixed rate of personal property, which was granted by the city to the old company is now before the legislature.

Mr. Lessemor with the Coldbrook rolling mill until it was destroyed by fire, and more recently has had charge of the Dartmouth Rolling Mills.

## FINE GIFT TO JOHN BRAYLEY

Presentation to Popular Man at Home — A Large Gathering.

Friends of John Brayley, so long and honorably identified with the I. C. R. here, gathered at his home in Millidge avenue, some sixty or seventy in number, and presented a handsome electric reading lamp to him in honor of his birthday. An address was read by Charles A. Donald and Mr. Brayley made a suitable reply. Then followed a happy social hour. The address was in the following terms:—

St. John, N. B., April 20, 1920.

John Brayley, Esq.

Dear Friend,—I trust you will not regard this assemblage as a domiciliary invasion, much as it may appear to denote such. On the contrary, esteemed sir, it is only a minute expression of the good will entertained for you by those assembled, and I might add, endorsed by many who are not favored by participation of our pleasure.

I feel inadequate to properly express the feelings of those present, the more so knowing your strictness for exactness on all matters; but I will venture to say that the composite of this address only feebly expresses the good will and esteem in which you are held by us and your many absent admirers.

As an added token of esteem, I take great pleasure in offering this medium of light, trusting that its rays will illuminate the many good virtues which lay hidden in the recesses of your soul, virtues which modestly on your part concealments from the world.

As it has been the pleasure of most of us to have known you in the heyday of your youth, although recent, we trust you will retain the same joyful spirit through old age which is indelible.

In conclusion we trust that your esteemed wife, family and entire household shall equally share in that future happiness which we pray may attend you all through life.

"Good luck, good health attend you, John. In all your future aims; May your allotted years of life Be free from grief or pains."

### Now Listen!

Good Furniture Is Not Expensive

You're skeptical? Then do this problem in arithmetic:—

How much do you pay for a suit—a gown—a hat—a pair of shoes?

How long do you wear these things? A season—a year—two years? You'll do well if you keep them any longer than that.

Well, divide the sum paid by the number of years you use the garment. NOW—how much do you pay for a table—a chair—a couch—a bed? Not much more than you paid for the articles of clothing—is it?

And how long do you use the furniture? A lifetime. Some times several generations.

All right! Divide the price of the furniture by seventy, the allotted "threescore and ten" years of a life.

Do this several times if the piece of furniture is worth keeping as an heir-loom.

Compare the yearly expense of the furniture with that of clothing.

Do you still think good furniture is expensive? Or are you convinced that it isn't?

If you're convinced come to us, and we'll tell you more things about good furniture.

START MADE ON FORMATION OF OVERALL UNIT

The New Style Makes Appearance in C. P. R. Offices—Not Yet Adopted by Staff in General.

It has come! St. John has the nucleus of its own "overall brigade" and to W. J. Paisley, a member of the general office staff of the C. P. R., goes the credit of inaugurating the vogue in the city.

Some returned soldiers who had been in the army "fatigue" suits, jumpers and overalls of the khaki, khaki shirt and necktie, and an old militia cap without the badge.

It is not known how far the idea will spread in the local C. P. R. offices as the other members of the staff are undecided this morning whether to join the ranks or retain the full splendor of the old style attire.

PLEASANT EVENTS AT BROOKVILLE

Last evening the Ladies' Aid of Zion Methodist church gave a very pleasant entertainment, "An Old Fashioned Ladies' Aid," in the hall at Brookville.

After the social gathering a formal good-bye was tendered Mr. and Mrs. James Garnett of Brookville, and their little son, who sail on the S. S. Minnetonka for England on an extended holiday.

Also, in the afternoon, the Brookville Ladies' Aid were entertained at the home of Mr. and Mrs. Harry Hayes in honor of Mrs. George Dean, who has been a resident of Brookville for some years, and who, with her family, will soon remove to Toronto.

A delightful time was spent on Monday evening at the home of Miss Jean Anderson, Torburn, when about fifty young people, members of the A. A. C. Club and friends of Torburn, and Hazel Dean, who will leave for Toronto in the near future.

A TIMELY SUGGESTION

St. John, N. B., April 21, '20. To the Editor of the Times.—Sir—A little education in regard to people afflicted with coughs and colds seems to be quite necessary, particularly those who frequent public gatherings. Notwithstanding all that has been written and said, you will still find people who omit to use their handkerchiefs when in the act of sneezing and coughing. Quite frequently some thoughtless person will emit a charge of liquid sputum, and their aim is so true that the back of one's head and neck almost becomes "cough-shocked."

His renditions were of a high class and he is undoubtedly a master in technique and expression. He is assisted by Alice Callaway, a pleasing player on the harp. Their duets were greatly enjoyed and they received well merited applause.

Hal Springford, impersonating feminine follies, made quite a hit. He has a unique act, which took the fancy of the audience, and they were generous with their applause.

In addition to the excellent vaudeville programme there was the final episode of "The Black Secret," featuring Pearl White. The picture was one of the most popular serials ever shown in the Opera House. This performance will be continued tonight and tomorrow.

AN OVERBURDENED MOTHER. If the steps a mother takes and the work she does could only be measured by figures, what an array they would make. Through girlhood, wifehood and motherhood woman toils on, often suffering from backache, pain in side, headache, nervousness and sleeplessness symptoms of more serious ailments peculiar to her sex. Thousands of such women, however, have found relief from suffering by taking Lydia E. Pinkham's Vegetable Compound, as is evidenced by the letters of recommendation continually being published in this paper.

DEATH OF ARCHBISHOP OF AIX AT AGE OF 84. Paris, April 21—The Archbishop of Aix, Mgr. Bonnefay, is dead at the age of eighty-four. He was one of the prelates appointed under the concordat.

Billy Boucner's Circus scored a great hit in the Opera House last evening. From the time the curtain went up until the termination of the act the audience was convulsed with laughter. The antics of Billy were a treat and, combined with his group of amateurs, music the act a grand success. The endeavors of the volunteers to imitate his feats were responsible for the laughs and their efforts evoked rounds of applause.

Another act, which made a decided hit,

GANG TAKEN IN ROAD HOUSE FIGHT

Burglary Charged and Big Lot of Loot Recovered—Arrests Also in Silk Stealing Case.

New York, April 21—A pitched battle resulted last night when police attempted to arrest five men charged with burglary in a road house garage at Maspeth, L. I. Several shots were fired before the men were captured. No one was hurt.

The police recovered \$218,000 worth of merchandise which they said was stolen from a freight car in the New York Central yards on the lower west side last month. The police say that two of the prisoners, Ben and Theodore Ceten, are the owners of the road house.

Five other men were arrested in Paterson, N. J., in connection with the theft of raw silk in transit. The arrests were made by detectives of the American Express Company. It is said that four of the men are officials of silk companies.

London, April 21—England will furnish to Italy considerably more coal than she is at the present time, and some raw materials, if a tentative agreement just received is confirmed at a conference of representatives of the two countries to be held in London soon. The present plans are only roughly outlined.

London, April 21—At the wool auction sales yesterday 10,000 bales were offered. There was good competition. Prices were steady. Continental buyers were active bidders.

REFERENDUM  
MATTER UP ON  
NEXT FRIDAY

Water Power Bill Reported  
as Agreed to — Other Mat-  
ters in Legislature.

Fredericton, April 20.—The members of the legislature will have an opportunity on Friday next to declare for or against a provincial referendum on the question whether the importation of intoxicating liquor into this province for beverage purposes may be forbidden. Hon. J. F. Tweeddale, seconded by an opposition member, J. L. Peck, today gave notice of a resolution requesting that a plebiscite be taken on the matter under the provisions of the federal law. It is understood that a considerable number of the members are not in favor of such a strict measure of prohibition, but even those who feel that way may find it difficult to avoid the democratic policy of allowing the people to settle the question for themselves.

In consequence of legislation adopted many years ago, the sale of the old government house in Fredericton will not directly enrich the provincial coffers. In explaining the bill providing for the sale of the property, which has been used for a military hospital and D. S. C. H. purposes for several years, Premier Foster told why it would be necessary to place the proceeds, \$50,000, in a trust fund to be held for the purpose of providing a residence for the lieutenant-governor at some future time. The interest may be available for present use, however, and the premier invited suggestions as to the use to which this income might be put. A previous attempt to sell the government house property was not so successful. In 1896 a bill was presented to and passed by the house of assembly and legislative council; but then lieutenant-governor Sir S. L. Tilley, withheld his assent and reserved the bill "for the dignification and pleasure of his excellency the governor-general." This bill was not approved of by the governor-general-in-council, and in connection with it the then minister of justice, Hon. Mr. Thompson, drew up a memorandum setting forth certain doubts as to its validity. These doubts must have been dispelled for later the same minister of justice, after consideration, reported that he was of opinion that it was unobjectionable and might be left to its operation.

When the house went into committee of the whole, the government bill for the generation and distribution of electric power was taken up and several amendments were considered. These were adopted and the bill reported as agreed to.

The committee also disposed of the bills relating to the funding of the motor vehicle fees and highway operations under the federal grant. The amendments to the factories act were the subject of a long discussion, with Mr. Tilley leading the opposition attacks on the bill. This discussion continued for so long that it was found necessary to cancel the conference which was to have been held at 5 o'clock to discuss informally the subject of teachers' salaries and steps to increase them. The premier announced that the discussion of this matter would take place tomorrow.

There was only a short evening session, the house adjourning at 8 o'clock to permit the government members to hold a caucus.

During the evening the committee of the whole agreed to a bill to incorporate the Professional Engineers' Association which has the effect of making that a closed profession under regulation somewhat similar to the restrictions on the practice of medicine and dentistry. Several other bills also were put through.

Before adjournment the premier announced that the house would go in sup-

Hon. Mr. Tweeddale presented the petition of Dr. Earle and five hundred others praying for the passage of the bill incorporating the Fraser Paper Co., Ltd.

Regarding Referendum.

Hon. Mr. Tweeddale gave notice that he would move on Friday next, the following resolution:

"Resolved, that under the provisions of part IV. of the Canada Temperance Act as enacted by chapter eight of the statutes passed at the second session of the parliament of Canada, held in 1919, this legislative assembly doth request that the votes of the electors in all the electoral districts of this province may be taken for or against the following prohibition, that is to say:

"That the importation and bringing of intoxicating liquor into this province for beverage purposes may be forbidden."

The committee took up consideration of the bill to amend the act respecting the protection of persons employed in factories.

Hon. Mr. Robinson pointed out that the bill placed the onus on the employer if boys or girls below the ages specified in the act were employed.

Mr. Baxter said that such a provision would be unfair unless it was shown that the employer was cognizant of the fact that the boys or girls were under age. Parents frequently send children to work in factories who were under age, but who were able to impose upon their employers and who frequently would sign false certificates as to age. If an employer should take reasonable precautions to prevent persons under age being employed it would not be fair to penalize him.

Hon. Mr. Robinson said that he agreed with the statement just made. In some of its provisions the bill was most drastic. The section might stand.

Mr. Burchill said he agreed with the honorable member for St. John county. He believed that the employers of the province tried to keep within the letter of the law as far as age was concerned.

Mr. Tilley said that provision might be made that an employer require a declaration as to age and that such declaration be taken as correct.

Hon. Mr. Robinson said that the section was important and must be satisfactory. On his motion an amendment was passed to change the age of women from eighteen years to sixteen.

Hon. Mr. Foster introduced a bill to amend the consolidated statutes relating to school inspectors and explained that under the bill it was proposed to fix the salary of school inspectors at \$2,000 and allow \$500 per year for expenses.

Hon. Mr. Foster said that he had arranged for honorable members to meet the chief superintendent tomorrow afternoon and hear his view on the subject of teachers' salaries.

Mr. Burchill presented a further report from the common standing rules. The house went into committee with Mr. Smith, Sunbury, in the chair, and agreed to bills relating to sewerage and marsh lands in the parish of Moncton, to the estate of L. P. Fisher, to amend the act relating to Trinity church, St. John, and to provide for the incorporation of professional engineers.

**SALVAGE CORPS'  
ANNUAL MEETINGS**

At the annual meeting of the No. 2 Salvage Corps and Fire Police in their rooms, Main street, last evening, Mayor Hayes, Commissioners Jones, Bullock and Thornton, with several of the candidates offering in the coming civic election, addressed the members.  
The election of officers resulted as follows: captain, Robert I. Cunningham; lieutenant, William Brown; secretary, Charles A. Cunningham; foreman No. 1, George Carvell; foreman No. 2, William Morrissey; foreman No. 3, Fred W. Campbell; foreman No. 4, Henry Appleby.

The programme consisted of the following: piano solo, E. Cochrane; solo, C. Girvan; instrumental duet, C. Kane and James McCarron; reading, E. R. W. Ingraham; instrumental trio, Messrs. Bagnell, Bond and Hopkins; solos, Fred Irvine, C. Kane, W. E. Parker and A. E. Lawrence; accordion solo, Charles Nodlin. Mr. Cochrane was accompanist.

**No. 1 Company.**  
The annual meeting of No. 1 Company, Salvage Corps and Fire Police, was held last evening in their rooms in Union street. The election of officers for the ensuing year took place and resulted as follows: Captain, Kenneth J. MacRae; lieutenant, G. Harvey Tapley; secretary, E. Percy Howard; treasurer, E. A. Ellis; foreman No. 1, James Sterling; No. 2, W. L. Stewart; No. 3, N. A. Hornbrook; No. 4, Thomas H. Tongue; corps surgeon, Dr. L. A. Langstroth.

During the meeting feeling reference was made to the loss of their ex-captain, the late R. W. W. Frink.

On behalf of the officials and employees of the New Brunswick Telephone Co., Fred J. Nisbet, exchange manager, last evening presented Mrs. E. K. McKim a beautiful silver service. Mrs. McKim is leaving the employ of the company after nine years of faithful service as stenographer in the manager's office.

**SAY KAISERIN

Disease Has Progressed So  
Far Death Is Only Question  
of Time.

Berlin, April 21.—The Kaiserin is critically ill, and hope for her recovery has been abandoned, said an intimate friend of the Imperial family who has just returned from Amerongen.

"The ex-Empress' condition is such that death is only a question of time," he continued. "Again, she may live some little time yet."

My informant explained that the disease of the heart has progressed so far that the Kaiserin's recovery is not regarded as possible.

The family troubles between some of her sons and their wives, with the attendant disgrace and humiliation, are said to have been the last straw that completely crushed the former Empress. Added to this came the long suspense in connection with Holland's probable reply to the Allied demand for her husband's extradition.

The ex-Kaiser is said to be deeply depressed by the condition of his wife whose loyalty and devotion to him are described as almost sublime when nearly all of Wilhelm's former most intimate friends deserted him.

"Semi-ready" is a  
registered trade mark.  
It represents clothes  
tailored by the Semi-  
ready Company—Suits,  
Overcoats and Trousers.

A name coined to mark better  
clothes than had been made be-  
fore.

It is not a descriptive term—  
but refers solely to Semi-ready  
clothes tailored by one concern—  
and each garment has the Semi-  
ready label sewn in the pocket.

Without the name the garment  
cannot be genuine, nor can any  
dealer be honest or fair who  
pretends to show a Semi-ready  
garment without this label.

DEVELOPMENT OF ROCKWOOD AREA NOW ASSURED

Bond for \$10,000 for Work on Grounds Presented by Joseph Allison.

After hearing the speakers of one of the largest delegations seen at City Hall for a long time, Com. Jones yesterday afternoon, in a graceful speech, withdrew his former objection to a bond issue, and the council unanimously resolved to issue a bond for \$10,000 for development of the playground at the entrance to Rockwood Park.

GOOD HEALTH IS MAGNETIC

All Admire Strong, Robust, Healthy, Vigorous Men and Women

If You Are Weak, Run-Down and Ailing, Let Vinol Enrich Your Blood and Create Strength and Vitality For You.

For the weak, run-down, anemic, over-worked, ailing men and women there is little joy in life. It is easy to drift into this condition, overwork, a neglected cold, or a severe sickness may have left in its wake, poor, thin, de-vitalized blood, a sluggish circulation, no vitality and you are simply dragging around from day to day, getting up each morning just as tired as you went to bed.

Now, why not change all this by taking advantage of your druggist's guarantee that VINOL will enrich your blood, quicken your circulation and carry strength and vigor to every part of your body, or return your money if it fails. Mrs. W. J. Nixon, of Yanketec Hills (Ont.), says: "I was sick for months. I had no appetite and could not seem to get my strength back. I told my doctor I was going to try VINOL, and he said it was fine. I found it gave me a good appetite and I rapidly gained in strength."

the duty of every city to see that these were provided. Com. Jones then rose, and after pointing out that he might himself be classed as an "old time sport," said it was very evident the moulders of public opinion were in favor of a bond issue for playgrounds purposes, and he would not therefore stand out against them and four-fifths of the council.

The commissioner was very heartily applauded, and Mr. Belding and Mr. Peters expressed the appreciation of the delegation of his concurrence in the views that had been expressed. Mayor Hayes, before the delegation left, pointed out that other Canadian cities spent about three and a half per cent of their revenue for recreation purposes, which would mean about \$75,000 for St. John, instead of about \$5,000 we have been spending. One of our difficulties was that we spend more than other cities out of the public revenue for the up-keep of hospitals and for public health.

R. R. Patchell was the one objector present, his plea being for the development of the area back of the Public Gardens. His view, however, did not prevail, and after the delegation had thanked the council and withdrawn the latter adopted the resolution providing for a bond for \$10,000. It was suggested by the mayor that Mr. Hatfield or some other engineer be sent to Montreal, Ottawa and Toronto to look over their playgrounds, but no action was taken on that point.

News Notes About Prominent Baptists

(Maritime Baptists.) The last issue of the Western Baptist brings notice to the marriage of Rev. D. R. Sharpe, superintendent of Baptist missions in Saskatchewan, to Miss Klutke, Mitchell of Regina. They will reside at 2129 Cameron street, Regina.

A news despatch dated Halifax, April 8, says that Rev. E. E. Daley, pastor of the Tabernacle Baptist church of that city, is a patient in the Victoria General Hospital, where he has undergone a serious operation. His condition was then reported to be satisfactory.

To the surprise and deep regret of the congregation, Rev. L. A. Corbett has tendered his resignation as pastor of the Paradise and Clarence church. He has accepted a call to the church at Canso and will take up his work there in June. Rev. Gideon Swim is closing his work on the Dover-Shediac field. Though he has greatly enjoyed his period of service there he finds that the long drives involved are making too large demands upon his physical strength. He will spend a few weeks in resting after his winter's work and will then be available for supply or pastoral work on a compact field.

Rev. C. A. Bell will soon close his four years pastorate with the churches on the Oak Bay field. He has accepted a call extended to him by the churches on the Coldstream field and will begin his work there July 1.

We are indeed pleased to report that Rev. W. Steadman Smith is returning to the home land after some years spent in California, where he has been pastor of Immanuel Baptist church, Long Beach. Before moving to California he enjoyed successful pastorates at Kemptville and Chevergue. He is a graduate of Acadia and of Newton. As far as we know he has not yet accepted a call. Rev. S. S. Poole was called to his old home in Yarmouth last week on a sad errand, his mother having passed

away on Sunday, April 11. She was a faithful member of the Temple church and was deeply interested in all the work of the Kingdom. On the last day of her life she made her contribution to the forward movement as well as to the special building fund of the church. Faithfully she served her Master and now has entered into the joy of her Lord.

Rev. A. S. Bishop, pastor of the Fairville church, administered the ordinance of baptism to ten candidates on Easter Sunday. The work of the church is in a healthy condition. And in the parsonage there is rejoicing over the arrival of a new boy. We tender our felicitations.

With a sense of personal loss we chronicle the death of James Miner of now they are tackling an allotment of \$150,000 in the forward movement campaign of the Northern Baptist Convention.

and for four years it was our privilege to be associated with him in Christian service and to enjoy frequently the hospitality of his home. In that home, too, we met his honored son, Rev. Johnson L. Miner, Ph. D., now pastor of the Roxborough church, Philadelphia. A good man has been called to his reward. Rev. E. LeRoy Dakin, Acadia, '02, is now pastor of the Baptist Temple, Charleston, W. Va. During the eighteen months since he became pastor he has received nearly 400 members into the church. The present membership of the church is now more than 1,000, with a Sunday school attendance of 600. On a recent Sunday the church completed a drive for \$300,000 for a new building, and over-subscribed it by \$15,000. And now they are tackling an allotment of \$150,000 in the forward movement campaign of the Northern Baptist Convention.
