ENEMY HAS SPENT HIS EFFORT, SAYS HAIG

British Commander Feels That Our "Dark Days" Will Never Return

Capture of 75,000 Prisoners and 750 Guns in Four Weeks—Enemy Counter Attack on North Part of Line Fails—British Make Gains

London, Sept. 10.—"We have passed through many dark days, please, God, these will never return," says Field Marshal Haig, commander-in-chief of the British forces in France, in an order of day. The commander then says: "The enemy has now spent his effort."

On the Flanders front the British progressed northeast of Neuve Chapelle and south of Arras.

With the British Army in France, Sept. 10.—(By the Associated Press)—The British line northeast of Nieppe, in the Lys salient, was advanced during the night and the British positions in the Floegstreg region were improved.

Paris, Sept. 10.—The Belgian official communication covering operations on Sunday and Monday night follows: "Our troops enlarged on their successes obtained on Aug. 28, on both sides of the Stenestreet-Dismale road on a front of about 2,000 metres, and penetrated the first enemy lines to a depth of one kilometre, which was maintained."

British Headquarters, Sept. 10.—(Canadian Press despatch from Reuter's Ltd.)—The British front is now liquid in the literal sense of the word. However, we are pursuing the enemy across fairly high rolling country in most places, and although the artificially flooded area south of the Scarpe and northern fringe of the old Somme battlefield are so bad as to be largely impassable, yet between these limits the going is still feasible if uncomfortably slippy.

Paris, Sept. 10.—(Canadian Press despatch from Reuter's Ltd.)—Former Premier Barthou in Le Matin says the British troops have magnificently repulsed the enemy for the sacrifices they have submitted to and have added immortal pages to the golden book of their country. He says that that which relates to the capture of the Quentz sector will tell of one of the most difficult and decisive exploits of the war.

USELESS FOR HUNS TO SEEK DECISIVE MILITARY VICTORY

Hungarian Independent Party Leader Also Against Strengthening of Alliance With Germany

Basel, Monday, Sept. 10.—President Wilson's programme as a basis for the negotiations for peace are endorsed by Count Michael Karolyi, president of the Hungarian independent party.

NOT TRUE THAT GERMANS ARE ON VERGE OF STARVATION

WE'LL DICTATE THE TERMS, SAYS GOVERNOR-GENERAL

Chicago, Sept. 10.—"We will not negotiate terms of peace but will dictate them," declared the Duke of Deceuninck, governor-general of Canada, in a speech at a banquet given in his honor last night.

FURTHER WORD OF CRUEL TREATMENT

Repatriated British Soldiers Bring Out Tales of Brutality

London, Sept. 9.—(British Wireless Service)—Brutal treatment of prisoners of war by the Germans is described by a wounded British prisoner, repatriated from Germany, who has arrived at The Hague. All prisoners are badly treated and are on virtually starvation rations.

Several of the British soldiers came from Stralkowo, in the province of Posen, where about 800 British were captured in May. They were compelled to work on the railways carrying heavy rails and pushing trucks for twelve hours a day.

Crown Prince Attacked at Home For His Recent Statement

Washington, Sept. 10.—From the two extremes of German party lines, the Socialists and the Pan-Germans, the crown prince is being attacked for his recent interview, denying responsibility for the war.

NOTABLE VICTORY FOR MAINE REPUBLICANS

Portland, Maine, Sept. 10.—The Republicans won a general victory in the biennial state election yesterday. United States Senator B. M. Fernald, Congressman L. B. Goodall, W. H. White, J. A. Peters and I. G. Hersey and Governor Milliken all were re-elected over their Democratic opponents by substantial majorities.

WHAT ABOUT NEXT DRIVE WITH AMERICANS?

London, Sept. 10.—(Canadian Press despatch from Reuter's Ltd.)—The British front is now liquid in the literal sense of the word.

NOT TRUE THAT GERMANS ARE ON VERGE OF STARVATION

Washington, Sept. 10.—Germany is not on the verge of starvation, said Ira Nelson Morris, American minister to Sweden, yesterday, in a reminder to American people that every energy must be put into the war.

WE'LL DICTATE THE TERMS, SAYS GOVERNOR-GENERAL

OFFICERS OF THE NEW UNION

St. John, Sept. 10.

To the Editor of the Times:

Sir—Allow me to correct a slight error in last evening's Times in regard to the pulp mill union. The employees of the Nashwaak Pulp Mill had a meeting on the afternoon of Sept. 8 in the Temperance Hall, Fairville. Organizer Henry Morse of Woodland, Me.; James Sague and others of this city addressed the meeting and the men listened very attentively, after which Local No. 82, Pulp Sulphite and Paper Makers Union was organized and the following officers were then elected:—President, James Hanlon; vice-president, Harry Cole; recording secretary, Fred Traflet; financial secretary, Arthur McColgan; treasurer, Patrick Murphy; inside guard, Joseph O'Keefe; outer guard, Allan Green; trustees, Ed. Kirkpatrick, C. Hayes and James Spilane. The officers were installed by Organizer Moores.

The new union starts with a membership of 184 and will hold another meeting in the near future when important business will be transacted. Thanking you for this space, I remain

Yours,
FRED TRAFLET.

RECENT DEATHS

Timothy Collins.

Timothy Collins, chairman of the board of health, a prominent citizen and for many years a successful business man, died last night at his home, 20 Richmond street. Mr. Collins' illness had been troubling him for some time but it was not until recently that it became acute. He went to Montreal to get expert advice and treatment but relief was only temporary. During the last few weeks he had been confined to his bed. Yesterday his condition seemed very favorable but early last evening he suffered a relapse and passed away quickly.

The death of Mr. Collins will be sincerely regretted by the entire community and his passing will be a distinct loss to the business life of the city. Though advancing in years, his interest in civic affairs and matters of public concern generally, never waned. He took a lively part in politics for many years. He was an ardent Liberal until the last general election when he gave his support to the Unionist cause and became chairman of the Unionist organization in Wellington ward. As chairman of the board of health he acted carefully and conscientiously and he accomplished

THE WAR SITUATION. The German resistance on the whole western front has stiffened perceptibly, and the Allied advance slowed down, although both British and French continue to make some gains each day.

A MUNICIPAL SUCCESS. Municipal operation of a public utility has been made a success in the city of Winnipeg. The hydro-electric system of that city, according to a report just issued, shows a surplus for the year ending April 30 of this year of \$547,400.06.

Today's story of the brutal treatment of prisoners by the Germans will intensify the feeling of bitterness and the determination to take ample vengeance. When we contrast it with the treatment given to German prisoners by the Allies we are almost tempted to regret our own humanity toward these representatives of a race of devils.

It can assure you that we will liquidate our account with our bad neighbors in conformity with our views and on a basis of our national claims. It must not be forgotten that after the war of arms, we shall have to support the Allied soldiers, co-operating with the tanks, more these days. Thus it would seem that the Hindenburg line may require considerable alteration.

Count Koroly, leader of the Hungarian independent party, has thrown a bomb into the German camp by declaring that a military victory is out of the question, that there must be a demarcation of nations, that imperialistic theories must be abandoned, that the German idea of Middle Europe must be thrown aside, and that President Wilson's programme should be accepted as a basis for peace negotiations.

More fires are reported at various places along the front, including Douai. Further corroboration of the enemy's shortage of ammunition has been obtained from German prisoners who had been receiving only limited allotments daily.

FOCH AND THE AMERICANS. There is a very large American army in France that has not yet been thrown into the battle. Naturally there is much speculation as to the intentions of Marshal Foch in relation to this powerful force of fresh and well trained men, thoroughly equipped for an offensive campaign.

It is an easy prescription for health and happiness. The liver gets lazy at times and when it does digestion is interfered with and the kidneys fail to act.

TO SAVE GASOLINE. The appeal goes forth to the people of Canada to save gasoline. It is especially urged that Sunday motoring for pleasure be abandoned. Two weeks ago a similar appeal was made in the United States, and the response was wonderful.

It is now urged in Canada that next Sunday be made the beginning of a campaign of thrift in gasoline, and it is estimated that \$150,000 can be saved in Canada that day. St. Robert Borden has just made an urgent appeal for thrift in every possible direction, and economy in the use of gasoline is especially urged by the fuel controller as part of the national saving.

AT LAST.

Morning by morning, hardly moved, we read the close, long list, and idly set it by. Knowing that each name signifies the dead.

A man can do but once—fight, to die. Yet see no strangeness in the daily toll of sorrow proudly borne, of youth cut down. No mystery in the sacrificial Roll Of Honor—Britain's honor—and renown.

Venezelos Urges Radical Economy. After Allied Victory Greece Must Be Ready For Economic War.

ATHENS, Sept. 10.—Predicting success for the Entente Allies in their conflict with the Central Powers, Premier Venezelos in a recent address at Posen, where he was the guest of the municipality, urged upon the Greek nation the adoption of a policy of radical economy in order that Greece might come out of the war with a minimum of debt and in a shape to meet the pressing problems which would then arise in an economic war.

Sufficient Fuel For The Schools

Board Has Secured 12,000 Tons of Soft Coal and 500 Tons Hard Ordered—Education Board Will Not Pay

A committee of three was appointed by the school board to memorize the government with regard to the appointment of the superintendent of the city schools as a member of the board of education, when the school board held its regular monthly meeting last night. A letter was received from the board of education notifying the school board that it could not grant the \$642.46 to the teachers' non-teaching days during the school opening being deferred till after Labor day. The supply of coal for the schools for the past year has been of much consideration and the prospects for the school fuel look very discouraging. 12,000 tons of soft coal have already been purchased and authority for the purchase of 800 tons of hard coal was given at a meeting, while many firms offered coal at reasonable rates.

The following applied for positions on the teaching staff and their names were placed on the application list: The Misses Marion Shear, Marion R. West and Laura Spence, Miss Alice R. Kelly and Miss Vera thanked the board for salary and for leave of absence. Dorothy Smith and Miss Edith Magee asked for leave of absence on account of ill health and their requests were granted.

Mr. Green, the secretary of the school board, advised that a letter from the city of St. John, the office of the common clerk with reference to the building of a concrete wall in Metcalf street and doing repair work on Holly and Newman streets was, on the motion of Mr. Green, referred to the visitors of the Alexandra school and Mr. Day with instructions to confer with the city commissioners on the subject.

Trustee Green gave a report of the work which has been done to improve the sanitary conditions of the Centennial school and said that the matter was being thoroughly investigated and should be in an entirely satisfactory condition in a few days. Excellent work on the Dufferin school grounds was reported.

Mr. Smith put the motion, which Mrs. Dever seconded, and the board unanimously agreed to the motion, expressing their sincere sympathy of the board for her sad loss in the death of her son at the front.

The secretary was asked to get together estimates of the amount of assessment which the schools would require for the coming year in order that the city commissioners might be approached about the matter at the earliest possible date.

Trustee Nagle asked that the visitors of St. Vincent's school and the superintendent of schools visit and examine the new Cliff street school before it opens.

TO CO-OPERATE WITH CANADA FOOD BOARD

The voluntary rationing cards which have been issued by the New Brunswick branch of the Canada Food Board will be distributed in the city at the meeting of the Housewives' League which was held last evening in the Calvin Hall ten members of the league undertook to address the 5,000 envelopes in which they will be sent out. Arrangements were also made at the meeting for the holding of the remainder of the demonstrations in the Calvin Hall this season and for the exhibition which the league will hold in conjunction with the War Gardens Association.

Mrs. J. W. V. Lewis presided at the meeting and there was a large attendance. No secretary was officially appointed and Mrs. E. H. Flewelling consented to act as secretary for the meeting. The recording secretary, Mrs. Richard Hooper, was asked to write a letter of appreciation to the retiring secretary, Mrs. Cowgill, and a letter of thanks to the Rotary Club for the petas donated to the league for their exhibition of canned fruits and war breads.

In connection with the arrangements made for the exhibition the following were made a committee to have charge of the placing of the stalls and of any other matter which might arise: Mrs. John Stack, convener; Mrs. Taylor, Miss Josephine Durick and Miss Gladys Baxter.

Miss Josephine Durick was appointed to take charge of the demonstration hall on Thursday afternoon and arrangements were made for distributing in the hall the catalogues and lists of prices and entry

Be Careful What You Wash Your Hair With

Don't use prepared shampoos or anything else that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulsified coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

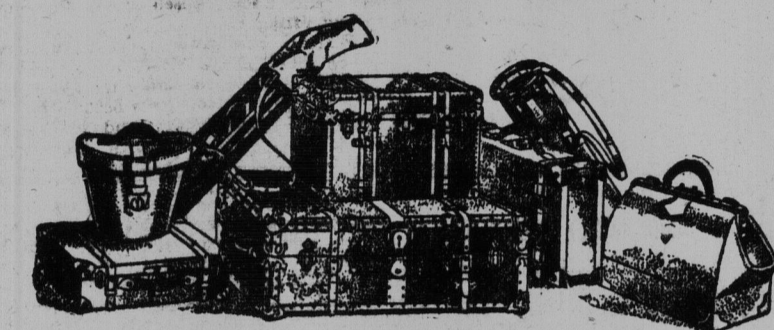

This Will Remove Hair or Fuzzy Growths

(Toilet Tips)
A safe, certain method for ridding the skin of ugly, hairy growths is as follows: Mix a paste with some powdered detalone and water, apply to hairy surface about 2 minutes, then rub off, wash the skin and the hairs are gone. This is entirely harmless and seldom requires repeating, but to avoid disappointment it is advisable to see that you get genuine detalone.

Little Mary Scores Triumph at Imperial

Fine Programme at Big Theatre in Honor of Birthday Anniversary

Appearing to signal advantage in "Miss," Bess Hartz's idyl of the golden age, Mary Pickford scored another triumph at the Imperial Theatre yesterday. The legion of admirers of this popular screen star turned out in force and they emphasized in no uncertain way the popularity of the star and the superiority of her latest picture vehicle.

As "Miss," Mary Pickford had abundant opportunities for the display of her versatile genius. She was at her best as the harem-scarum child of the mimes, the daughter of a drunken father, to whom she paid the most devoted care. The object of ridicule wherever she went, the sport of the boys and girls of Red Gulch, she had learned to take her own part and in numerous scenes with the children, and to the delight of her audience, she demonstrated beyond question her fighting qualities.

In this unique role, Mary Pickford was, as usual, charming. The play is one of exceptional merit and the photography was excellent. Theodore Robertson, as "Bummer" Smith, afforded a characteristically fine portrayal and Thomas McHugh, as the school teacher, was manly and impressive. The cast is unusually large, but each portrayal was artistic. Tully Marshall, as Charlie Ogle and Monte Blue, Directed by Marshall Nellan, "Miss" is a play far above the average and may be seen not once but many times.

The Imperial was packed both afternoon and evening with highly pleased people and the fifth anniversary of the theatre promises to be observed this week in royal fashion. The additional films included the Allied Review of war pictures, Mutl & Jeff and a Drew comedy. On Thursday the great feature will be Maurice Maeterlinck's masterpiece "The Blue Bird."

LIEUT.-GOV. PUGSLEY AND PARTY IN BOSTON

Boston, Mass., Sept. 4.—Your correspondent had the pleasure of seeing today at the Hotel Touraine, party of New Brunswickers, consisting of the Lieutenant-Governor and Mrs. Pugsley, Rev. George B. Macdonald, of Sussex (N. B.), who is a brother of Mrs. Pugsley, and Miss Bertha L. Worden, also formerly of Sussex, but now residing in Ottawa. The lieutenant-governor arrived here yesterday from Toronto, and was met by Mrs. Pugsley, and the rest of the party, who had motored from St. John to meet him. After remaining here a day or two, they will (with the exception of Miss Worden, who leaves tonight for Ottawa) motor home by way of Bretton Woods, in the White Mountains, and will also make a short stay at Poland Spring.

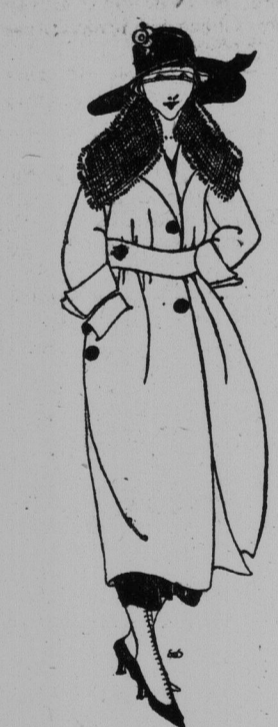

RECENT WEDDINGS

A quiet wedding was solemnized yesterday afternoon at the Portland Methodist parsonage when Harry Blackwood, of Red Head, was united in marriage to Miss Louise Fetschweit, of East St. John, daughter of Louis Eckerbrecht. The Rev. Neil McLaughlin officiated. The young pair will reside at Red Head.

The wedding of Arin S. Northern of Cody and Emily J. Peile of Cambridge, took place in the Baptist church at Cody on September 6.

CAPT. WARREN TO SIBERIAN UNIT

Twelve Go From Garrison Unit—Additional Casualties Reported

Captain H. D. Warren, of the 7th Garrison Regiment, West St. John, left today for Sussex, where he will take over the command of the 1st New Brunswick platoon of the Siberian contingent. Captain Warren and Lieut. Brooks were the two returned officers selected from this district as being the first available for infantry corps. Captain Warren took to Sussex with him twelve members of the 7th C. G. R. A total of seventeen men from the 7th volunteered for service in Siberia.

J. H. Tonge, of this city, has received word that his son, Private Frank Tonge, has been admitted to No. 7 Canadian General Hospital, Lethbridge, on August 2, suffering from gunshot wounds in the head. Private Tonge went overseas as a member of a Winnipeg Battalion.

Word has been received in the city that Corporal L. Ryan, Halifax, of the 29th Battalion, has been admitted to a hospital in France, suffering from gunshot wounds. Prior to enlisting he was employed with W. H. Thorne & Co. Ltd.

Mrs. George Ramsey of Moncton has received word that her husband, who crossed overseas as a member of the 140th Battalion, and later transferred to the 26th Battalion, has been seriously wounded.

Steve Frye, formerly a member of the Times composing staff, writes that he is recovering from his wounds, which, he says, are not serious.

NATIONAL GRAND LODGE OPENS ON THURSDAY

The National Grand Lodge of Canada opens its triennial session in St. John on Thursday and will meet on that day and Friday. Delegates will be present from Nova Scotia, Prince Edward Island, New Brunswick, Quebec and Montreal. Owing to war conditions and the fact that the meetings are being held so far east it is uncertain how many delegates from Ontario and the west will be present.

The officers of the National Grand Lodge are as follows: N. C. P.—Mr. J. A. Smith, Montreal (Que.); N. V. T.—Mrs. J. H. Roberts, Montreal (Que.); N. E. S.—J. H. Roberts, Montreal (Que.); P. N. C. WANTS GASOLINE PRICE FIXED IN ONTARIO AND WEST

High Cost of Living Commissioner Makes This Recommendation, Suggesting 36 Cents for Ontario.

Ottawa, Sept. 9.—That an order-in-council fixing the retail price of gasoline in Ontario and the west is advisable, is a statement made in a report by R. J. McFall, high-cost-of-living commissioner, to Hon. T. W. Crothers, minister of labor, on the cost of gasoline, made public today. Mr. McFall suggests a ruling which would establish thirty-six cents as a maximum retail price in Ontario, forty-three cents in Saskatchewan, and forty-five cents in Alberta.

"It is respectfully suggested," says the report, "that such a ruling be immediately embodied in an order-in-council, and that the local authorities be empowered to enforce the same, the wholesale price being freely published at the same time. No changes are suggested in the wholesale price of gasoline. It is noted that, although the cost of imported gasoline has increased from 5-6 of a cent to 1 1/2 cents a gallon, because of increased freight rates and other increases, the wholesale price of gasoline has not advanced in Canada. The freight rate advance increased the cost in the United States by half a cent a gallon.

BAVARIA GETTING ITS BILL

(Detroit Free Press.) Ill-feeling toward Berlin and all things Prussian in general on the part of Bavaria is quite natural. The Bavarians never have been lovers of the Prussians, whom they hate for their insolence and despise for their brutality and coarseness; and the present war reverses and the constant tendency of the Hohenzollern to "hog" every spoil of war for himself or for his relatives does not tend to diminish the unfriendly feelings of the south Germans for their masters.

Just how far a disruption has gone there is no way of telling, for even the despatches which come through neutral countries must be accepted gingerly, but it is quite easily conceivable that the Bavarians may be pretty well stirred up, particularly if they have succeeded to a realization that like the Austrians, and like the Turks, and like the Bulgarians, they are being employed as dupes to fight the battles of Hohenzollern imperialism, and, if such a course seemed advantageous to Berlin, would be treated with as little ceremony as the Belgians or the Slavs.

THEY NEED YOUR HELP!

If it were possible to take every Canadian out into the heart of this bloody struggle, and there, for one month let him experience the deprivation, sacrifice and suffering our dear boys are enduring in their great battle for the freedom of the world, this fund of \$500,000 for their relief would be many times over-subscribed.

Have you ever missed a meal, been caught in a cold, drenching rain, fatigued, weary and chilled to the bone, and some one gave you a cup of hot coffee? Have you ever been in a strange place for hours and hours, in the broiling sun, sleepy, hungry, aching for rest, and some one took you in, gave you a place to sit, something to eat and a chance to sleep? Have you ever been homesick, lonely and "blue," and cheered up, "made over" by some old familiar music?—Then you know in a small way what "army huts" do for our brave heroes.

WON'T YOU GIVE HIM WHAT YOU WOULD WANT IF YOU WERE "OVER THERE?"

BOSTON WINS FOURTH GAME

Score Was Three to Two—Games Now Stand Boston Three, Chicago One

Fenway Park, Sept. 9.—Victory perched on the banners of the Boston Red Sox this afternoon, when they vanquished the Chicago National League champions by a score of 3 to 2. Over twenty thousand persons saw the highly exciting game played in which "Babe" Ruth's big black bat figured for the first time in the series. With two red-legged men on the bases, passed by Tyler, when he became unsteady in the fourth inning, the "Babe" crashed into one of Tyler's shots and sent it to the far-away fence. When the ball got back to the diamond two Red Sox had reached the plate and the puffing Ruth across the plate and the puffing Ruth seemed safely in hand for Boston until the eighth when Ruth lost control, and with a couple of hits by the Cubs, the score was tied. Boston went out into the lead again in their half of the eighth on a single, a passed ball and a lurid save of a sacrifice hit by Phil Douglas. Ruth went out again in the ninth, stopped the Cubs. The series now stands, Boston Americans three, Chicago National League one.

Score: The official box score which follows is of the story in its details: Chicago—A. B. R. H. P. O. A. E. Lack, rf. 4 0 1 8 0 0 0 Hooper, ss. 4 0 2 0 0 0 0 Ivey, lf. 4 0 1 2 0 0 0 ...

Boston—A. B. R. H. P. O. A. E. Hooper, rf. 3 0 0 1 0 0 0 Shean, 2b. 3 0 1 4 0 0 0 Strunk, cf. 4 0 0 0 0 0 0 ...

Summary—Two base hits, Shean. Three base hits, Ruth. Stolen bases, Shean. Sacrifice hits, Ruth, Hooper. Double plays, Ruth to Scott to McInnis, Scott to Shean to McInnis (2). Left on bases, Chicago, 6; Boston, 4. First base on errors, Boston, 1. Bases on balls, off Tyler, 2; off Ruth, 6. Hits, off Tyler, 3 in seven innings; off Douglas, 1, one inning; off Ruth 7 in eight innings; off Bush, none in one. Struck out by Tyler, 1. Wild pitch, Ruth, 1. Passed balls, Killifer, 2. Winning pitcher, Ruth; losing pitcher, Douglas.

SPORT NEWS OF THE DAY; HOME AND ABROAD

BASEBALL

Buffalo Won, 2-1. On the South End diamond last evening the Buffalo defeated the Pirates by a score of 2-1. The game was the closest both teams had ever before experienced. Cromwell, pitching for the winning team, was not quite up to his usual mark but managed to prevent the Pirates from taking the game. Jones on second base for the Buffalo was doing some very fast work. Batteries—Buffalo: Cromwell and King; Pirates: Cox and Kerr.

Darkness Ends Game. The Giants and Courtneys played a four-inning game on the Queen square diamond in West St. John last evening, but it was not registered as a game as it was mutually agreed that five innings would constitute a game. The score was 6 to 3 in favor of the Courtneys at the time play was terminated. Beatey and Sprout formed the battery for the Courtneys and Ritchie and McNulty for the Giants.

FANS CONFIDENT BUT PLAYERS MORE CAUTIOUS Fith Game in World's Series Will Likely See Hendrix Against Jones

Boston, Sept. 10.—Cheerful confidence prevails today in the camp of the Red Sox followers as they prepared to watch what they believed would be the final game of the world series. Among the players however, there was no such assurance that the series would end today. The Cubs had lost none of their fighting spirit. The Red Sox, although naturally elated over their success thus far, kept in mind a world's series when the Boston American League champions found themselves in exactly the same position as was Chicago today, and yet won the title. That was in 1903. The Pittsburgh Nationals won three of the first four games and then the pioneer Red Sox went in and took four straight. The weather was ideal for this afternoon's clash. Although there was an autumn chill in the air this morning, the bright sunshine bade fare to bring back summer-like conditions later in the day. The probable batting order follows: Chicago—Flack, r. f.; Hololich, s. c.; Mann, l. f.; Peskert, c. f.; Merkle, 1st b.; Pick, 2nd b.; Deal or Zider, 3rd b.; Killifer, c.; Hendrix, p. Boston—Hooper, r. f.; Shean, 2nd b.; Strunk, c. f.; Ruth or Whitman, l. f.; McInnis, 1st b.; Scott, s. c.; Thomas, 3rd b.; Agnew, c.; Jones, p. TO THE PEOPLE OF ST. JOHN AND VICINITY THE KNIGHTS OF COLUMBUS OF AMERICA have pledged themselves to raise \$50,000,000 for Catholic Army Huts for boys of all creeds in the fighting forces of Uncle Sam. THE KNIGHTS OF COLUMBUS OF CANADA have pledged themselves to raise \$500,000 for not only Catholic Soldiers but for fighting men of all religious denominations. THE KNIGHTS OF COLUMBUS OF NEW BRUNSWICK are setting out to collect over \$75,000 as their quota of the Canadian amount. THE KNIGHTS OF COLUMBUS OF THE CITY OF ST. JOHN are organized with the fond hope of securing \$25,000 of the New Brunswick allotment.

So Here's the Proposition in a Nutshell

On the 16th and 17th of this month (Monday and Tuesday next) canvassers will call upon as many people as possible for private and personal subscriptions to this most worthy fund. Wednesday the 18th inst. will be observed as a General Public Tag Day for a thorough, far-reaching and systematic effort to give everybody the opportunity to add their bit to this fund. THURSDAY, FRIDAY and SATURDAY, 19th, 20th, 21st. will be devoted to the holding of an INDOOR FAIR and LAWN FETE on the beautiful grounds of the Knights of Columbus, Coburg street, for which preparations have been going on for weeks.

GASOLINE CONSERVATION THOSE engaged in the Oil Industry are putting forth every effort to adequately meet the heavy demands for gasoline and other oil products created by war requirements. We have every confidence that these efforts will be successful. A grave shortage is extremely unlikely, but a limited conservation of gasoline is now advisable. If Canadian owners of pleasure cars, motorcycles and motorboats will discontinue the use of these vehicles on Sundays for purposes of pleasure, a gasoline reserve may be built up within a few weeks that will be ample insurance against any serious shortage. Imperial Oil Limited understands the difficulties involved in meeting the overseas requirements of our Government and her Allies. We cheerfully accept the situation, and are glad to co-operate in the patriotic purpose to conserve gasoline. Our Country's needs come first. As an evidence of our co-operation all Imperial Service Stations will hereafter be closed on Sunday throughout Canada, this ruling to be effective for the duration of the war. IMPERIAL OIL LIMITED

NOVELTY SHOWER
A novelty shower was tendered Miss Dora Kent in Fairville last evening at the home of Mrs. Robert Hickey. A large number of friends were present and an enjoyable evening was spent in games and music. The presents received were numerous. This was the third shower tendered Miss Kent.

PROMINENT ENGINEER IN TOWN
H. H. Vaughan, president of the Engineering Institute of Canada, which will meet in annual convention at Halifax starting tomorrow, arrived in the city at noon and between 11 and 12 o'clock is the guest of George McAvity. Mr. Vaughan is one of the highest authorities in the maritime provinces. Mr. Vaughan said he is a member of the Dominion Bridge Company which operates a subsidiary plant in Lower Canada.

POSSIBLE DANGER IN BATHING
There is a belief among some parents and family physicians that bathing in close proximity to sewer exits along the Courtney Bay shore and at Marble Cove as well as inner harbor spots, is endangering the health of children who use these places mostly. Several cases of illness bordering on typhoid have sprung up recently among little ones in the habit of bathing in these waters. If there is any foundation for an idea of this kind, the health authorities will probably investigate and place warning signs in conspicuous places. It is a well-known fact that Courtney Bay shore on the city side is dotted with huge pipes emptying the sewerage of the eastern slope of the town. It is said the Marble Cove slope takes care of Douglas Avenue sewerage to a certain extent.

MILITARY TONE TO WEDDING OF TODAY
Major C. J. Morgan and Miss Edna J. Ready Married in St. Rose's Church

A wedding of more than ordinary interest this morning was that of Miss Edna Josephine Ready and Major Cuthbert J. Morgan, commander of No. 7 Canadian Garrison Regiment, which took place in St. Rose's Church, Fairville, at half past nine o'clock. The marriage ceremony was performed by Rev. Charles Collins in the presence of a large number of relatives and friends.

The bride, who was given away by her uncle, Louis Ready, wore a magnificent costume of ivory duchesse satin trimmed with duchesse lace and an overskirt of georgette crepe. On her head was a pretty Grecian band with clusters of orange blossoms, and veil attached, and she carried a large bouquet of bridal roses.

Miss Inez Ready, sister of the bride, was the bridesmaid, and carried a large bouquet of sweet peas. The groom was supported by Captain Edward Mooney. Major Meseroux and Dr. J. G. Harrington officiated as ushers.

At the conclusion of the ceremony the bride and groom left the church, to their surprise they were greeted with appropriate air, played by the band of the Battalion Band, under the direction of Band Sergeant Perkins, and cheers from the members of the Canadian Garrison Regiment, who were lined up outside the church. They were escorted to a barouche, which was surrounded by the band of honor and then driven by the soldiers to the home of the bride in Manawagonish road. En route the band played some spirited airs. The remainder of the bridal party drove home in automobiles and upon their arrival a dainty wedding luncheon was served. The guard of honor was in charge of Captain Patchell and was composed of the officers and men of the regiment.

Major and Mrs. Morgan will leave this evening on a bridal tour through upper Canada. On their return they will take up their residence in Earle street, West St. John. Their popularity was attested by the large array of magnificent presents received.

Brennan-Dalton.
A very pretty wedding was solemnized in St. Peter's church at five o'clock this morning when Rev. F. J. Coughlan, C. S. R., who was celebrant at nuptial mass, united in marriage Miss Martina J. Dalton, daughter of Mr. and Mrs. William J. Dalton, and Albert Brennan of Fairville. The bride, who was given away by her brother, Dr. J. T. Dalton, looked charming in a suit of royal blue chiffon broadcloth, with hat to match, and carrying a bridal bouquet of American beauty roses. She was unattended. Following the ceremony a dainty wedding breakfast was served at the home of the bride's parents, 889 Main street, after which Mr. and Mrs. Brennan left on a honeymoon trip to Montreal, Toronto and Niagara Falls. They were the recipients of a large number of magnificent as well as useful presents.

ARE SUBSTITUTES GETTING SCARCE?

Since the food control regulations have been in force, most families have been diverted from their habits of eating to a certain extent and new diets have taken the places of those in which restricted ingredients are included. Now it appears some of the new foods are growing short in supply. A householder scoured the town for a certain cereal for an invalid a few days ago only to find that it was practically out of the market.

Another unfortunate condition that home folk are beginning to agitate about is the poor condition of some perishable substitutes. It is a well-known fact that some meals become wormy and spoiled after a certain length of time in store. Since the general use of these prescribed foodstuffs and the regulations governing the purchase of them in double ratio to the white flour, etc., households are apt to become pretty well overstocked and naturally it is hard to keep perishable cereals free of taint. Dealers state they have trouble keeping their supplies of substitutes in good condition in wholesale lots.

INVOKE LAW ON UNFAIR DEALER

Dr. Keirstead, Food Board Deputy Speaks of High and Varying Prices Asked by Some Grocers

Dr. W. C. Keirstead, of Fredericton, food board deputy for New Brunswick, who came to town on the noon train, told the press that because of excessively high prices asked by grocers in various parts of the province and because of wide disparity in quotations on some articles of food, there might soon be some interesting developments in which the stern hand of the law would be felt. In a town along the government railway a few days ago the food deputy himself discovered a difference of fifteen cents on a 24 pound bag of white flour. Before leaving the place he warned a dealer asking \$1.90 that if he did not mark his flour to \$1.65 he would seek to have his license cancelled.

The same thing is being done here, there and elsewhere, Dr. Keirstead said, and officials are now addressing themselves to the task of regulating profits. If grocers and general dealers refuse to accept the ruling of the food board in the matter of profit margins on wheat flour and substitutes, the power of the law will be invoked.

The food board allows one-half cent a pound profit on the small packages of wheat flour, such as the twenty-four pound bags, etc., and one cent on substitutes. This is the standard upon which it is expected all dealers will agree. However, of late it has been discovered that some grocers, especially in small towns and villages are some what gouging the innocent people with exorbitant prices and blaming it on the food authorities.

The public is warned against profiteering. Be wary of the unfair dealer, the dishonest dealer. If any persons have specific and well-grounded complaints the food board wants this information.

PERMISSION GIVEN FOR CHURCH MORTGAGE
Presbytery Deals With St. David's Application

Resignation of Rev. F. G. Mackintosh of Sackville Withdrawn—Rev. James Ross Nominated as Moderator of Maritime Synod

Several matters of importance were dealt with at the quarterly session of the Presbytery of St. John, which opened in St. Andrew's church this morning. The moderator, Rev. W. Townsend, presided, and the present were: Ministers, Rev. Frank Baird, Woodstock, clerk; Rev. Messrs. J. A. MacKegan, Alex. Grant, E. E. Watt, Dr. A. Morrison, G. Gough, H. S. Raynor, J. A. Sutherland, P. C. Macintosh, T. P. Drummond, S. R. Peirce, F. F. Dowling, Messrs. Howie, J. G. Forbes, Alexander Donald, A. D. Malcolm and W. S. Clawson.

The matter of vital statistics was discussed and, in order to insure a complete and uniform record of births, marriages and deaths, the clerk was instructed to prepare forms for a book which will be used by all the congregations.

St. John, asking permission to place a mortgage on the new building now under construction, was presented by Rev. Mr. MacKegan, A. D. Malcolm, Peter Chisholm and A. R. McIntosh. The Presbytery was informed that the contracted price of the new church is \$105,000; that \$71,000 was on hand or in sight, and that the mortgage asked for \$35,000. It was agreed that the permission be granted and the congregation was commended for the spirit and enterprise shown and assured of the sympathy of the presbytery and their wishes for success in the desire to secure a new church home.

The resignation of Rev. F. G. Mackintosh of Sackville was withdrawn, at the request of his congregation to which he had agreed. He had resigned in order to clear the way for union or co-operation with the Methodist church, but this had not been found feasible.

Rev. James Ross, superintendent of home missions in New Brunswick, was nominated for the moderatorship of the home mission board to revise upwards its financing \$500 the maximum grant for augmented congregations.

The resignation of St. George presented by Rev. H. Penwarden of St. George remained out of college for another year. This was referred to the board of education and Dr. Morrison and the clerk were appointed a committee to deal with the matter of Mr. Penwarden's course and his continuance at St. George.

F. T. Murphy of St. John; D. R. Usher of Grand Bay and H. H. Tibbets of Andover were added to the roll of elders as additional members under the new regulation of the general assembly.

Rev. Dr. D. N. MacIsaac of the Presbytery of Stratford, Ont., who was present, was invited to a seat in the presbytery.

The session is being continued this afternoon.

A THOUGHT ABOUT THE FUTURE

"With the present exhibition buildings in South End in such dilapidated condition from war-work, what better place could the city and government find for a new equipment than right out here?" The speaker was a prominent citizen accompanying a Times man out the Millidgeville avenue towards the river. The location pointed out was a large dry meadow area about half-way out with delightful surrounding country, wooded places; ground for race track and stock yards; elevations for grandstand buildings and plenty of land additional for a sporting park, baseball and field and track events.

The location is about ten minutes from the city by automobile, and no further away from the centre of activities than the Halifax fair grounds or similar plants in other places. When the war is over there will doubtless be many returns to peace-time activities, and among the first to get the people together in friendly competition for the sake of starting all over again at high speed production—for which the war period has been excellent training—will doubtless be the time-honored and almost indispensable exhibition.
