TONIGHT'S GAME

This evening the Pirates and Franks of the South End will play on the Queen Square.

ASKS MAJOR BIDDLE TO SELECT REFEREE

Tex Rickard Says Willard and Dempsey Agree to President of Boxing Control Board Naming Man to Referee Championship Fight.

Toledo, Ohio, June 10.—Tex Rickard, promoter of the heavyweight championship contest between Jess Willard and Jack Dempsey, here today requested Major Anthony J. Drexel Biddle, president of the Army, Navy and Civilian board of boxing control, to select the referee for the contest.

TIGERS WALLOPED PORTLAND

An exciting game of ball took place last evening when the Brook street Tigers walloped the Portland team to the tune of 12 to 1.

SINN FEINERS LOOK TO PRESIDENT FOR ASSISTANCE

Are Elated Over Report That Wilson is to Receive Irish Delegates.

London, June 11.—Sinn Fein hopes, already stated by the United States Senate's resolution, have been revived, says the Daily Mail Dublin correspondent, "by a statement from Paris that President Wilson has intimated an intention to receive Messrs. Walsh and Dunne. Sinn Feiners believe this is due to the Senate's action."

St. John's, Nfld., June 9.—The Vickers-Vimy entry in the London Daily Mail's \$50,000 trans-Atlantic flight competition made a trial flight here today. The machine, piloted by Captain Jack Alock, took the air at 5:47 p. m. local time, and descended 40 minutes later after a highly successful test.

With motors running perfectly, the big plane cruised over the city and surrounding country, and then headed out to sea for about 20 miles, returning at great speed. A landing was made at the new Vickers-Vimy airfield near Topowalk, where the machine will await suitable weather for the trans-Atlantic attempt.

Captain Alock said that the test was entirely satisfactory, and that he had been especially pleased by the performance of his wireless equipment.

Counsel—Now, sir, did anyone ever try to make you tell lies in connection with this case?

Witness—Y—yes!

Counsel—Ah! Now, remember you are on your oath? Who was it?

Witness—It—yes!

FRENCH NOT FAVORABLE TO THE RHINE REPUBLIC

Cannot Profit by it as Promoters of Movement Have Placed Republic Under German Republic.

Paris, June 10.—(By The Associated Press.)—The attitude of the French government toward the movement for a Rhenish republic is a passive one, according to a statement made today by a high French official on the French official position.

"The attitude of the French government toward this manifestation," the authority said, "is the same as the attitude of the other Allied governments, that is one of passiveness. Besides, the French government cannot profit by this manifestation since the promoters of the movement have placed the Rhenish republic under the German republic."

"The French forces have been instructed simply to maintain order and prevent outbreaks of violence on either side. Order has been maintained and thanks to the presence of the French as well as the other Allied armies."

HORRIBLE FACTS ON ARMENIAN MASSACRES

Member of American Relief Commission in Near East Returns Home With Harrowing First-hand Details.

New York, June 10.—Dr. George H. Washburn, of Boston, a member of the American Relief Commission, in the Near East, returned on the steamship Adriatic today with first-hand details of Armenian massacres.

He said: "Three-fourths of the male population of Asia Minor has been killed since 1915. Women and children are starving, and the Turks are holding 800,000 Armenians in the mountains away from their lands which have been expropriated. Constant guerrilla warfare between Turks and Greeks exists along the Black Sea."

LABOR UNIONS TRYING TO SAVE FRANK McCULLOUGH

Petitions for Commutation of Death Sentence Have Been Sent to the Dept. of Justice

Toronto, June 10.—With a view of obtaining the commutation of the death sentence of Frank McCullough, the murderer, who is to be hanged here on Friday morning, a number of local trades unions today sent telegrams to the Ministry of Justice, Ottawa. It is said that over four thousand members of labor unions have signed petitions for the commutation of the sentence.

A SLUGGISH LIVER CAUSED SEVERE HEADACHES

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

Healthy bile in sufficient quantity is Nature's provision to secure regular action of the bowels and when the liver is sluggish it is not working properly, and does not manufacture enough bile to carry off the waste products from the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in, followed by sick and bilious headaches, coated tongue, bad breath, heartburn, water brash, bad taste in the mouth in the morning, jaundice, floating specks before the eyes, etc.

Miss Dian Clark, Myer's Creek, Ont., writes: "I take pleasure in writing you concerning the good I have received by using Milburn's Laxa-Liver Pills for a sluggish liver. When my liver got bad I would have severe headaches, but I got better after I had used a couple of vials of your pills."

Milburn's Laxa-Liver Pills gently unlock the secretion, clear away all waste and effete matter by acting directly on the liver, and make the bile pass through the bowels instead of allowing it to get into the blood.

BELA KUN AGREES TO QUIT FIGHTING THE CZECHO-SLOVAKS

Bulletin—London, June 10.—Bela Kun, the Hungarian communist foreign minister, in reply to a message from Premier Clemenceau, according to a wireless despatch from Budapest, agrees to stop hostilities with the Czecho-Slovaks although he claims the Czecho-Slovaks are to blame for the fighting because they disregard the frontier fixed by the Allies.

GRAY HAIR

Dr. Tremaine's Natural Hair Restorative, used as directed, is guaranteed to restore gray hair to its natural color or money refunded. Pledge not to dye and non-injurious. Price \$1.00. For sale in St. John by The Hess Drug Co., Limited, 100 King Street.

SENATE ASSERTS ITS POSITION AS COORDINATE BRANCH OF TREATY MAKING POWER OF U. S.

Takes Direct Hand in Peace Conference Independent of President Wilson, Senator Lodge Asserting That "As Europe Had Meddled With Monroe Doctrine U. S. Was Justified in Interfering in Its Affairs."

Washington, D. C., June 8.—With vigor and precision the Senate today asserted its position as a co-ordinate branch of the treaty making power of the United States government, by definitely taking a hand in the peace settlement in Europe independently of President Wilson.

The action came at the end of a heated debate, and much to the surprise of the republicans, the administration forces suffered a complete collapse, not even putting up a show of opposition in the final voting.

Here it was that the Senate did in the precedent-breaking and history-making session of June 8.

It adopted without a record vote the resolution of Senator Johnson, republican of California, asking the State Department to send to the Senate the complete official text of the Peace Treaty, which has been kept from the American public and the Senate by direction of President Wilson.

In the same rapid manner it adopted the resolution of Senator Hitchcock, democrat of Nebraska, spokesman of the administration, proposing for an investigation of the "leak" of the Peace Treaty to Wall Street, either through official channels or by "leak."

By a vote of 60 to 11 it adopted the resolution of Senator Borah, republican of Idaho, expressing sympathy for the Irish people in their fight for self-government, and asking the Peace Conference to give the Irish representatives a hearing in Paris.

It resolved over President Wilson's head a protest from the people of Fiume against the refusal of the Peace Conference, concurred in by Mr. Wilson, to give Fiume to Italy.

And finally the Senate listened to a sharp speech by Senator Lodge, republican of Massachusetts, chairman of the Foreign Relations Committee, declaring that since Europe, and particularly England, had seen fit to meddle with the Monroe doctrine, a purely American policy, it was no longer proper for the United States Senate to take a hand in such European problems as the Irish question.

In view of the repeated assertions of the democratic leaders that the passage of the Johnson resolution would seriously embarrass the President, and their expressions of violent opposition to it during the last two weeks, their action this afternoon was unexpected. They did not even ask for a roll call on the vote and only a half dozen of them were in the chamber when the resolution was adopted.

The Johnson resolution directs the Secretary of State to deliver the peace treaty to the Senate for its ratification, if it is incompatible with the public interest. It is generally believed that the President will direct the Secretary of State to deliver the treaty to the Senate for its ratification, if it is incompatible with the public interest.

Senator Johnson contends that if the administration does make such an answer it will be placed in the position of refusing the treaty to the Senate while copies have gone into the hands of Wall Street interests.

The only negative vote on the Irish resolution was cast by Senator John Sharp Williams, Democrat, of Mississippi.

DAYLIGHT SAVING NOT POPULAR WITH THE UNIONS

American Federation of Labor Rejects Resolution Against Repeal of the U. S. Daylight Law.

Atlantic City, N. J., June 10.—A resolution, protesting against repeal by Congress of the Daylight Saving Law, was defeated at today's session of the annual conference of the American Federation of Labor. It was voted down after a spirited fight had been launched against it by delegates, especially from Ohio and the southwest, who said it worked a hardship not only upon labor, but interfered with work on farms.

Advocates of the resolution asserted the law had operated to the benefit of the working man generally. The resolution was taken up, out of order, by unanimous consent at the request of its sponsor, Elworthy Healy, of the stationary trimmer. Many delegates opposing the measure said it had been used by employers to cut down expenses at a means of requiring their men to work overtime.

The vote on the resolution was 189 against 154 for its adoption.

FLYING CIRCUS AT THE TORONTO EXHIBITION

Among the Notable Fliers Will be the Prince of Wales, Bishop, Barker and McKeever.

Toronto, June 10.—It is stated that there will be a flying circus at the Canadian National Exhibition this year and that among the fliers will be the Prince of Wales. Such famous "aces" as Bishop, Barker and McKeever will take part in the circus.

THE PRESBYTERIAN BUDGET GIVEN TO GENERAL ASSEMBLY

The Financial Board Recommends That the Estimates for the Whole Church for Year be Fixed at \$1,400,000.

Hamilton, June 10.—John A. Patterson, K. C., Toronto, presented the report of the board of finance at this year's annual session of the Presbyterian General Assembly. The ministers, he said, were not getting after the congregations hard enough. There was one thing, sometimes forgotten by the Good Shepherd, and that was shearing the sheep. The savings of congregations for 1918 amounted to \$900,000, an increase of \$41,274. Budgetary revenue, including congregational gifts, donations and other receipts, was \$1,096,846, as compared with \$984,766 in the previous year. However, the revenue fell short of estimated requirements by \$193,644.

The total amount received from all sources for the maintenance of missionary, education and benevolent work was \$1,382,723, compared with \$1,369,449 in 1917.

The board recommended that the estimates for the whole church for 1920 be fixed at \$1,400,000, the \$250,000 being for the western section and \$115,000 for the eastern section. A yearly honorarium of \$500 a year to the moderator was recommended, as was also salary increases for many of the officers of the church. The agent of the church women's society and junior clerk of the assembly, secretaries of the board of foreign missions, Sabbath schools and young people's societies, home missions and social service and board of finance are scheduled for \$2,500 each; secretary of evangelist, social secretary, Sabbath schools and assistant secretary of foreign missions, \$3,000 each; secretary of church prayers, \$2,500, and the district superintendent of home missions, \$2,800. Specific Sundays were set aside by the assembly on which ministers may preside at their own churches in different phases of the work of the church.

The bishop of Niagara, Very Rev. Dean Owen and Ven. Archbishop Forsey were elected by the assembly as a delegation from the Church of England.

Out of the Synod meetings and addresses the hope that the spirit of unity, brotherhood and cooperation may be fostered," was one of His Lordship's remarks.

THE SYSTEM IS POISONED

By Failure of the Liver and Kidneys to Purify the Blood Relief Obtained by Use of Dr. Chase's Kidney-Liver Pills.

Too much eating of heavy, highly-seasoned food, too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive, the bowels are constipated, the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown. Headache, backache, aching limbs sound a warning note, and these are the first signs of the natural development is rheumatism, lumbago, and painful and fatal forms of kidney disease.

Dr. Chase worked out in his private practice a prescription which has come to be known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. No treatment has ever proven so successful in awakening the action of the kidneys, liver and bowels, and thereby cleansing the system of all impurities. For this reason Dr. Chase's Kidney-Liver Pills have a world-wide reputation as the most thorough cure for rheumatism, lumbago, chronic indigestion and constipation.

Mrs. Alex. Gordon, Walkerton, Ont., writes: "A few years ago I suffered from kidney and liver trouble with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed."

Mrs. M. Nickels, 192 Milton street, Saratoga, writes: "I have found Dr. Chase's Kidney-Liver Pills an excellent remedy. I suffered considerably with kidney trouble and backache, but after I had taken five boxes of the Kidney-Liver Pills they gave me relief. Since then, which was about five years ago, I keep them on hand, and use them whenever I feel the need of them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanross & Co., Limited, Toronto, Substitutes, only one disappointment. Insist on getting what you ask for.

HANDLEY-PAGE BIPLANE IN TRIAL FLIGHT

Had a Most Successful Tryout Yesterday, Developing Great Speed and Working Perfectly.

Harbor Grace, Nfld., June 10.—The Handley Page biplane, which is entered for the trans-Atlantic non-stop race, made a highly successful trial flight of one hour and ten minutes today. The crew of four, under the command of Vice-Admiral Mark Kerr, the great airship swept from the ground and swung in a circle over the town, then then started eastward at great speed, passed over St. John's and turning south flew to her starting point where a flawless landing was made.

PROMINENT LADY OF RIVER HEBERT BECOMES SUICIDE

While Visiting Her Mother in Moncton, Mrs. Samuel J. Mann, Wife of Bank Manager, Takes Own Life in Shocking Manner.

Special to The Standard. Moncton, June 10.—Suffering from a nervous breakdown and while temporarily insane, Mrs. Samuel J. Mann, wife of the manager of the Bank of Nova Scotia at River Hebert, N. S., took her own life in a tragic and shocking manner. Mrs. Mann, who had been in poor health, had been spending some weeks in Moncton with her mother, Mrs. Nelson L. Randall. She appeared to be about as usual when she retired last night, but did not appear this morning at her usual time. Her mother, thinking she was sleeping a little later than usual, decided not to disturb her. Around ten o'clock, however, after other members of the family had gone out, Mrs. Randall decided to call her daughter. Upon entering her room she was shocked to find her daughter cold in death with a gas mask over her face, and the clothes pulled tightly over her head. Later investigations showed that Mrs. Mann administered a fatal dose of ether by means of saturating handkerchiefs and putting on the gas mask belonging to her brother, Lieut. Charles Randall, a returned officer. When the shocking discovery was made by the unfortunate woman's mother, medical aid was at once summoned, but it was quite apparent that life had been extinct for some time.

Crozier Dr. Coleman was notified and decided to hold an inquest. After summoning the jury, the inquiry was adjourned until tomorrow morning. Mrs. Mann, who was the daughter of the late Nelson L. Randall, a former well-known official of the I. C. R., was about 31 years of age. She was married some five or six years ago to Samuel J. Mann, formerly of the Bank of Nova Scotia, Moncton. During her married life Mrs. Mann had resided at O'Leary, N. B., and River Hebert, N. S., where her husband was manager of the Bank of Nova Scotia branches. She is survived by her husband, who at the time of his wife's tragic death was at River Hebert, her mother, two sisters, Mrs. William Tait, Dorchester, Ruth at home, and two brothers, Charles W., chief clerk to L. S. Brown, chief superintendent Maritime Division, C. G. R., and Ivan A., prominent barrister of Medicine Hat.

MOTHER FOUND DEAD, SON PUT UNDER ARREST

Ottawa Woman Found Dead in Bed With Face Badly Cut and Bruised—Son Arrested Pending Investigation.

Ottawa, June 10.—Mrs. Margaret Lennox, living at 395 Arlington Avenue, was found dead in bed with her face badly cut and bruised, about seven o'clock this morning. Her son, William, aged 40, a returned soldier, was arrested and is being held on a charge of vagrancy. Her husband, Robert Lennox, who did not live at home, through the alleged quarrelling proclivities of his son, was informed by his son that the mother was sick. When he went to investigate he found her dead. The son claims that he was intoxicated last night and that when he came home another man was with him. He does not know who it was but says this stranger remained in the house when he went to tell his father of his mother's illness. An inquest will be held and the prisoner has been remanded on a nominal charge of vagrancy.

HANDLEY-PAGE HOP-OFF WILL BE DELAYED

Adverse Weather Conditions Reported from Mid-Atlantic Will Preclude Any Trans-Atlantic Start Today

St. John's, Nfld., June 10.—indications tonight were that the Vickers Vimy entry in the London Daily Mail's trans-Atlantic flight competition will not be able to hop off tomorrow, as Captain Jack Alcock, pilot of the plane, expected after his successful trial flight yesterday.

Unfavorable weather conditions reported to be prevailing in mid-Atlantic, and a lack of gasoline of the quality desired, are the two factors which, it is expected, will keep the machine in its hangar.

The steamer Graciana, due from Liverpool, is said to have aboard a supply of gasoline acceptable to Captain Alcock. If this should prove not to be so, Alcock will seek to obtain a supply from other aviation camps here or else import some from Halifax. Alcock desires to get away as soon as possible, as within another ten days he will be able to hop off tomorrow, which becomes full next Friday.

WITHDRAW AMERICANS FROM ARCHANGEL BATTLEFRONT

Bulletin—Archangel, Monday, June 9. (By The A. P.)—The last unit of American troops on the fighting front, south of Archangel, except engineers, were withdrawn today and will sail for home next Sunday.

AIRPLANES COME TOGETHER AND DEATH RESULTS

Buenos Aires, June 10.—Three aviators were killed this morning in a collision between two airplanes at the military flying grounds here. The machines met while they were flying at an altitude of nine hundred feet.

PRELIMINARIES IN THE TRIAL OF MRS. LUNDGREN

Nurse Charged With Murder of Her Patient, Miss Gay, by Administering Arsenic Poisoning.

Lawrence, Mass., June 10.—Preliminary testimony was heard today in the trial of Mrs. Beattie M. (Skels) Lundgren, for the murder of Miss Florence V. Gay. Only one witness took the stand, Mrs. Agnes Skels, of Andover, who was employed as a nurse in the Gay home for a period shortly before Miss Gay's death in December, 1917.

Mrs. Clifton testified that her employment ceased two days before Miss Gay died. She said that while she was there she never saw the doctor, but received all her instructions from Mrs. Skels, the nurse in charge of the case of Miss Gay and her mother, Miss Gray, she testified, complained of a sore throat a few days before her death, and failed steadily after that. She testified that Miss Gay was very sensitive about a skin disease from which she was suffering.

The jury visited the Gay home in Andover this morning. District-Attorney Wells then outlined the State's case, saying that it would be shown that arsenic had been administered to Miss Gay; that Mrs. Skels had admitted that she possessed a solution of arsenic for use in treating a skin disease, and that Mrs. Skels had the opportunity to administer it.

Evidence that clothing and jewelry owned by Miss Gay had been found in Mrs. Skels' room, the district attorney said, would establish a motive for the alleged murder.

Eyes Sore?

If your eyes or lids are sore; if they itch, burn or feel gritty; if your vision is blurred, your eyesight dim; if you are obliged to wear glasses, go to your druggist and get a bottle of Bon-Opto tablets. Dissolve one in a fourth of a glass of water and bathe the eyes from two to four times a day. Sound, comfortable eyes and improved eyesight will bathe the eyes from two to four times a day. Sound, comfortable eyes and improved eyesight will bathe the eyes from two to four times a day. Sound, comfortable eyes and improved eyesight will bathe the eyes from two to four times a day.

ST. JOHN, N. B., WEDNESDAY, JUNE 11, 1919.

WESTERN CONDITIONS.

The attitude of returned soldiers in Winnipeg and other western cities toward alien labor agitators and unreasonable strike committees brings a new element into the situation, and one which will tend to create a wider confidence in the ultimate settlement of the difficulties now facing that part of the country. It is betraying no state secrets to say that authorities at Ottawa were as deeply concerned about the probable action of organized returned soldiers as of unionized labor, because of the fact that the country would not be so deeply divided as it is now if the returned soldiers were not so bitterly hostile to the government and the industrialists.

TARIFF TENDENCIES.

Whether by the unrestricted importation of household necessities the cost of living shall be kept down, with consequent low wages and unemployment, or whether by means of a protective tariff industry shall be developed, abundant employment at high wages provided and the cost of living reach a proportionate figure, is the question on which opinion of every nation has divided. England for many years has had a success of free trade where other nations have failed.

with Austria this principle refused to be a party to the peace arrangements, and although it has had no soldiers, nor shed a drop of blood, it has been pleased to consider itself at war with its powerful neighbor.

WHAT THEY SAY

On to Berlin New York Herald—After all, what difference does it make whether Germany signs the peace treaty or do not sign it? If they have nothing at all to do with it, that treaty will have a chance of being something more than a "scrap of paper."

A Chemist's Institute Toronto Mail and Empire—The formation of a Canadian Institute of Chemistry in Montreal is of interest to everyone concerned with the advancement of science in this country.

A Word for Journalism New York Globe—A good newspaperman is as sound in his scholarship, within the limits of his time and material, as any college professor.

No Half Measures New York Times—It may be necessary to repeal shipping legislation on practical business lines.

No New Problem New York Tribune—Between the law and the bomb there can be no compromise.

Writing Examinations The New Brunswick Pharmaceutical Society examinations are being conducted by the Board of Examiners commencing yesterday morning at the Natural History Rooms and will last throughout today.

The Brayley Drug Company, Limited
At most stores, 50c. a bottle; Family
size, five times as large, \$1.

London, Sunday, June 1.—(Corre-
spondence of the Associated Press.)
For four months Sidney Meredith,
an attractive musician of twenty-two,
dressed like a prince and three times
to the winds in fashionable hotels on
the \$2,000 to \$2,500 a week he ac-
quired through the daring theft of
automobiles in London. He finally
came to grief, however, and has been
sentenced to three years' imprison-
ment.
Meredith has a thorough driving
knowledge of cars, and this, together
with his appearance, was his stock-in-
trade. He would not attract atten-
tion as he climbed into a big car
standing in front of club or hotel and
drove away, and he confined himself
largely to this method. He confessed,
the police say, to stealing thirty ma-
chines in the four months he oper-
ated.
Meredith is credited with saying he
sold each car quickly to a syndicate
of wealthy men who, he believes, often
made from 400 to 700 per cent. profit
after repainting the machines and
otherwise changing their appearance.
He declined to divulge their identity.

**Entertainment in
Seamen's Institute**

Large Audience Delighted
With Four Act Comedy
"Rosemary" Presented
Last Evening by Junior Aid
of Carmarthen St. Church.

The entertainment given by the
Junior Aid of the Carmarthen street
Methodist church last evening in the
Seamen's Institute proved a decided
success both from the point of attend-
ance and excellence of the work done
by the participants in the performance.
The vehicle chosen was a four-act
Southern comedy, "Rosemary," and
the young ladies in the cast acquitted
themselves like professionalists. A
pleasing feature of the evening was
the presentation of a handsome bou-
quet to little Vera Roberts. Between
the acts Miss Gieble and Miss Gieble
solo and a number of young ladies
presented the "Gypsies' Festival."
The cast for "Rosemary" was:
Rosemary, from South Carolina—
Estella I. Fox.
Aunt Hepzibah, a Boston gentle-
woman—Bessie Tyrer.
Cousin Kestib, from Vermont—
Bernetta Evans.
Grandma Enderly—Ethel Brindle.
Kate, Rosemarys chum—Freda Hoyt.
Laura, engaged to Augustus—Emma
Macatlay.
Gwen, a secessionist—Katherine R.
Williams.
Lucilla, a volunteer nurse—Gertrude
Bickerstaff.
Fanny, the sergeant's sweetheart—
Bertha Thorne.
Martha and Mary, the twins—Do-
rothy R. Canston and Jean Hoyt.
Norah, an Irish housemaid—Mrs. J.
W. Finn.
Aunt Jimmy, Rosemary's mammy—
Ethel McGilroy.
Topsy, mammy's granddaughter—
Vera Roberts.
Juno, a runaway slave—May Al-
corn.
Time—"The Civil War."
The cast for the "Gypsies' Festival"
was:
Gypsy Queen—Jean Hoyt.
Little Gypsy Jane—Freda Hoyt.
Peddlar Boy—May Alcorn.
Chorus of gypsies, etc.
The entertainment was directed by
Miss Estella Earle, and Miss Myrtle
Fox acted as accompanist.

FOR TEACHERS' LICENSE.

The examinations for teachers' license began yesterday morning with
227 writing for license within the
province. The examinations are con-
ducted at Fredericton, St. John
and Chatham. Inspector William M.
McLean has charge of the examina-
tions here, six the first class and three
the second class papers. The first
paper on School System and Civics
was handed to the candidates at 9:45.
Inspector McLean is supervising at
the Convention, where several of the
Sisters are writing. M. D. Sweeney is
presiding at the Centennial School,
where the examinations are also being
conducted.

THE FIRST MEETING.

The first meeting of the committee
chosen under the Conciliation Board
agreement to consider the by-laws of
the Police-men's Protective Association
was held in the Mayor's office yester-
day morning at 11 o'clock. Chief
Justice McKeown, chairman, presided,
and the other members of the com-
mittee, the Mayor and the Commis-
sioner of Safety for the city, and
President Campbell, Trades and Labor
Council, and President Colwell, Police-
men's Protective Association, were
present. Preliminary matters were
taken up, and a second meeting will
be held next week.

DENTISTRY EXAMINATIONS.

The examinations for membership
into the Dominion Council of Dentis-
try commenced yesterday morning and
will end on Tuesday, June 17th.
Dr. A. F. McAvaney is supervising
the examinations, which are being
written at his home, Duke street.
There are two candidates taking the
papers, W. Gillespie, Moncton, and
Frank C. Thomas, St. John. Both
young men graduated in dentistry from
Dalhousie College this spring. On
passing these examinations the candi-
dates are entitled to practice their
profession in every province of Can-
ada with the exception of Quebec.

Y. W. C. A. SUMMER CAMP.

The Y. W. C. A. are planning a sum-
mer holiday camp for girls in the
Maritime Provinces and have selected
a site at Wallace, N. S. It is planned
to operate this camp during July,
August and September, each girl be-
ing allowed to stay there for two
weeks.

**Medicine Man of
Local Government**

Was Called on by Mrs. H.
Hornbeam Yesterday—
Says He Could Do a Lot if
He Had That Mysterious
Million.

"I saw the Medicine Man of the
local government," said Mrs. H. Horn-
beam, and I asked him what he would
do about that mysterious million."
"A million! What couldn't I do
with a million," said he. "I had great
ideas on my mind, but I had no money
to carry them out."
"I know it," said I. "But you've
made a great mistake. Talking about
you to Hiram I've often said, now
there's a man who would do a lot if
he had that mysterious million. He
would stand up and take notice, if he
had that mysterious million. He would
keep quiet about them, and content
yourself with publishing those pathetic
little booklets which tell us the sad
and moving stories of the lives of
microbes. If you had only remained
a bold free lance, how you might have
ministered to the public weal."
"Great reformers should never put
their necks in the noose of office.
Think of it. Here's the government
has a million and nobody knows what
they are going to do with it—and you
only allowed a paltry ten thousand to
save us all from the dread enemies of
disease, death and starvation. Sad
sore heads, my dear woman, I think of
it. It were sure Mr. Veniot would
spend that million it wouldn't be so
bad. You'd have the consolation of
knowing that something was being
done for the public health, and your
close is good for the health, and travel-
ling Mr. Veniot's permanent roads is
said to be the finest exercise available
for the good people of this province.
But that million, I am told, is for tem-
porary purposes, and Mr. Veniot only
spends money for permanent purposes,
and the only temporary purposes pos-
sessed by the government that any-
body knows about is to have another
investigation into the question how
twelve the N. B. Power Company and
the city of St. John. I don't know
whether that will cost a million, but I
suppose the Premier figures it may do
so before it is finally settled. In any
way I don't suppose he's worrying
about a few dollars more or less, as
he calculates to make the city and the
power company a million richer, he, I
suppose, thinking that neither the bot-
tles know how to spend money, which
so far as the commission form is
concerned is an unqualified spender
like Mr. Veniot couldn't learn much
about spending money on permanent
roads from what has been going on in
St. John. Nevertheless you, as a
Health officer ought to have money
paid by a postage stamp to mail a let-
ter to inform the commission form of
government that the water works
would be a popular sight upon the
dusty streets."

THE FIGHT THAT FAILED.

Two young chaps, one slightly taller
than the other, were busily engaged
in pulling of a miniature Willard and
Dempsy argument along the King
Square bandstand yesterday afternoon,
when they were forcibly interrupted
by a middle-aged lady, who took the
part of a peace conference. The
kodak artist, who was all "set" to pro-
tograph the knock-out punch, took the
interposition good-naturedly and sauntered
off for another material.

RED SHIELD ENTERTAINMENT.

What is known as the "In-Gathering"
of the Salvation Army, Red Shield
dramatic work was held last night at
the Citadel, Charlotte street, under the
direction of Brigadier and Mrs.
Edwards. The play, "The King of
Kings," was a stirring affair, and the
amounts collected by each company
of the division, which embraces the
Fundy coast of Nova Scotia, Prince
Edward Island and New Brunswick,
were announced on the second, with
pictures of the commanders of each
corp.

**FAIRVILLE IMPROVEMENT
LEAGUE.**

The officers of the Fairville Improve-
ment League have approached Commis-
sioner Bullock in the matter of a
longer lease for "Firemen's Park" than
one year, and it is understood the
commissioner is favorable to giving
this lot to the park as a playground.

BONDS ON SALE.

The Conny Secretary has for sale
an issue of \$100,000 five per cent.
bonds and is now receiving applica-
tions. The bonds are twenty year
issue in denominations of \$500 each,
interest payable half-yearly. They
will be dated July 2, 1919.

FIRST AID INSTRUCTOR.

P. P. Begin, first aid instructor for
the C. N. R., delivered the second lec-
ture in the course to the St. John
yesterday afternoon. Later it is in-
tended to hold competitions with other
classes.

**World's Record Is
Broken By Tanlac**

Bottles Sold in Four Years
Would Form Track of Tan-
lac That Would Reach from
New York to Denver, Colo.

This is an age of big business, and
although the public has become ac-
customed to big figures, the story of the
marvelous growth and develop-
ment of Tanlac forms one of the most
interesting chapters of America's last
four day commercial history.
Four years ago very few people had
ever heard of Tanlac. Today it un-
questionably has the largest sale of
any medicine in the world. In the
brief period of only four years' time
this now famous remedy has leaped
from obscurity into the very pantheon
of success. Its fame, in fact, has long
since spread beyond the limits of the
continent, and numerous inquiries re-
garding it are now being received
from many foreign countries.
Very few people, however, fully re-
alize what a really wonderful record
Tanlac has made. Indeed, if it were
not for the unquestionable facts and
figures given out by the largest and
best known drug firms of the country
the story of its success would be hard
to believe.

Up to January first, the total sales
of Tanlac amounted to approximately
twelve million bottles. The demand
however, is increasing, for during the
first ten weeks of this year over one
million bottles were sold and distrib-
uted in the United States and Canada,
the exact figure being 1,306,186 in
three months.
At this rate, therefore, the sales
for the present year will amount to
more than five million bottles. This
will mean that 17,000 bottles of Tanlac
will be sold during every day of the
year, or 2,100 bottles for every hour
of the average working day.
These figures are too stupendous for
the average mind to grasp, but one
may visualize what twelve million
bottles means by imagining them laid
out in a single file end to end. Thus
the total length of a track of Tanlac
from New York to Chicago, and
on to Denver, Colorado; or they would
form a double track of Tanlac from
the Great Lakes to the Gulf of Mex-
ico. Piled end on end they would in-
crease to 135 times as high as Pike's
Peak, or rise 13,333 times higher
than the Woolworth building in New
York. The total length of a track of
Tanlac would be 135 times as high as
the Empire State building, and the
demand for Tanlac has become so
great that its sales instead of being
measured by the gross as other
drugs are, is now measured by the net
weight of the Tanlac in car loads.
The demand for Tanlac has become
so great that its sales instead of being
measured by the gross as other
drugs are, is now measured by the net
weight of the Tanlac in car loads.

Says His Only Guilt Was
Not Beginning the War
Early Enough.

Berlin, Saturday, May 17.—(Corre-
spondence of the Associated Press.)—
General Friedrich von Bernhardt,
the military victor of the Saltration
of Kaiser Wilhelm and Responsibility
for the War," declares that the former
Emperor's only guilt was in not begin-
ning the operations, and I am telling
you that he was not equipped. He says
of the Kaiser:
"To the last moment he believed
that he would surrender his imperial
crown to the Allies. He would not
take part in the fighting. In this belief
he negotiated to that end and only
with difficulty could be induced to take
up the game that had been thrown
down to him."
General von Bernhardt admits, how-
ever, that certain personalities involu-
ed in the Kaiser's assumption of the
crown.

**THIS WOMAN
SAVED FROM
AN OPERATION**

By taking Lydia E. Pinkham's
Vegetable Compound, One
of Thousands of Such Cases.

Black River Falls, Wis.—"As Lydia
E. Pinkham's Vegetable Compound
saved me from an
operation, I cannot
say enough in praise
of it. I suffered from
organical troubles and
my side hurt me so
I could barely get up
from my bed, and I
was unable to do my
housework. I had
the best doctors in
Eau Claire and they
wanted me to have
an operation, but
Lydia E. Pinkham's
Vegetable Compound cured me so I did
not need the operation, and I am telling
all my friends about it."—Mrs. A. W.
Brazier, Black River Falls, Wis.

It is just such experiences as that of
Mrs. Brazier that has made this famous
root and herb remedy a household word
from ocean to ocean. Any woman who
suffers from inflammation, ulceration,
displacements, backache, nervousness,
irregularity or "the blues" should
rest until she has given it a trial,
and for special advice write Lydia E.
Pinkham Medicine Co., Lynn, Mass.

**Excitement on the
Governor Carleton**

While on Voyage in the Bay
Yesterday What Was
Thought to be Conning
Tower of U-Boat Proved a
Floating Beer Barrel.

"Aho, Aho! On deck there."
The cry came from the foretop of
the good ship Governor Carleton as
she ploughed the weary waves yester-
day morning, bearing the city fathers
on a voyage of exploration around the
rockbound coast of Partridge
Island.
"Where away?" was the stentorian
shout from the flying bridge.
"Three points on the weather bow.
The ship's sails."
"What do you make it?" roared the
stentorian voice.
"It looks like the sea serpent," hail-
ed the lookout. "No sir, I think it's
a submarine."
Turning her brave bows towards
the object of these remarks the good
ship put her best foot forward, and
sped on her way, bearing the stentorian
enemy, if so it should prove.
Meantime the city fathers had as-
sembled in solemn convocation on the
wind-swept decks determined to wait
and see what was going to happen.
"Look out," cried the lookout in a
voice of alarm, as he rolled the chew
of tobacco to his laboured cheek.
A sudden excitement pervaded the
gallant ship. All hands perceived the
undersea commotion of two shapes
rushing beneath the waves towards the
ship, resembling as her propellers thrust
like mad. Swift and straight the
came on.
"By George," said Mr. George Waring,
superintendent as he stood shoulder to
shoulder with the devoted captain, facing the onrush
of those sinister shapes coming
through the sea.
"If they strike us what will hap-
pen?"
While they pondered upon this lost
in thought the captain executed a
masterly manoeuvre with his good
ship, which groined with the sudden
strain put upon her rails as the city
fathers leaned over to watch more
closely the sinister shapes speaking
towards them. That skillful man-
oeuvre brought the ship out of the
way of being hit, and all hands
breathed a sigh of relief as the two
perpetrators sped by chasing some fish
in the sea that apparently appealed to
their appetites.
By that time the good ship had
drawn near to the spot where the
lookout thought he had seen a U-boat
in demiplunge, showing her conning
tower above the waves.
"What do you make it now?" hailed
the deck.
"It's a beer barrel—no, it's a whisky
barrel," cried the lookout.
And the good ship turned back to
confront with the city fathers what
pleased to have escaped so easily
from the adventure, and all the tarry
handed sailors who accompanied
them tallied yarns of their adventures
of other days, recalled by the sight of
a whisky barrel bobbing forlornly
upon the desolate sea.

Vacation-Time Footwear

Now is the time to
select your Vacation-
Time Shoes—the shoe
you will travel in;
the shoe you will want
to wear both for a com-
fortable outing as well
as the shoe that you
will want to look best
in.

Here are new Summer Shoes that combine smart
appearance with good wearing qualities.

**DETROIT SEEKS
REMEDY FOR ITS
CITY TROUBLES**

Municipal Ownership Viewed
as Only Solution of Long
Standing Traction Trouble.

Detroit, Mich., June 9.—Municipal
ownership is Mayor Cousins's solution
of the long standing controversy with
the Detroit United Railway Company,
which reached its climax late Satur-
day night in a strike of carmen who
had been refused wage increases be-
cause the city would not permit the
company to make a charge for trans-
fers in addition to a flat five cent fare
on all city lines.
With the complete stop of all
services continuing today Mayor
Cousins's asked the city council to
ask a special election, within twenty
days, and submit a proposal to bond
the city for \$10,000,000 with which to
build a municipally owned traction
system.
The council will act on the request
tomorrow night.

Get Back Your Grip on Health

Physician Gives Practical Advice on What to Do to Help Build up Your Strength, Power and Endurance—Explains How Organic Iron—Nuxated Iron—Helps Put Renewed Vim and Energy Into the Veins of the Weak, Nervous and Run-down—

Thousands of men and women are languishing their constitutions, laying themselves open to illness and literally losing their grip on health simply because their blood is thinning out and possibly starving through lack of iron.

To possess the power, energy and endurance that win the blood should be rich in strength-giving iron. For this purpose physicians below explain why they prescribe organic iron—Nuxated Iron—which by enriching the blood and creating thousands of new red blood cells often quickly transform the flabby flesh, toneless tissues and pallid cheeks of weak, anemic men and women into a glow of health. It increases the strength of delicate, nervous, run-down folks in two weeks' time in many instances.

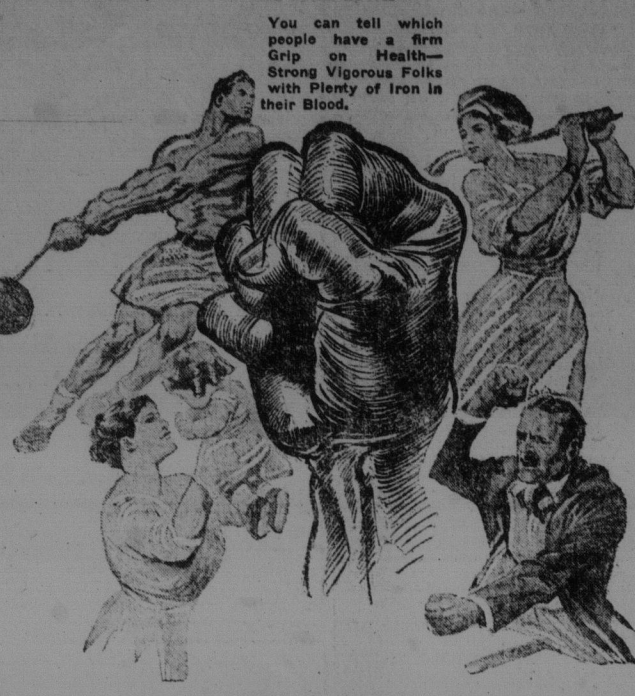

In explaining why he regards iron as an absolutely essential to the greatest development of physical and mental power, and discussing the probability of building up a stronger race of people by increasing the supply of iron in their blood, Dr. George H. Baker, formerly Physician and Surgeon, Monmouth Memorial Hospital of New Jersey, says:

"Iron is absolutely necessary to change food into living tissue, muscle and brain. Refined foods and modern methods of cooking have robbed us of much of the iron which Nature intended we should receive and for supplying this deficiency and increasing the red blood corpuscles I know of nothing more effective than organic iron—Nuxated Iron. From a careful examination of the formula and my own test of Nuxated Iron, I feel convinced that it is a preparation which any physician can take himself or prescribe for his patients with the utmost confidence of obtaining highly beneficial and satisfactory results.

The fact that Nuxated Iron is today being used by over three million people annually as a tonic, strength and blood-builder, is in itself an evidence of tremendous public confidence and I am convinced that if others would take Nuxated Iron when they feel weak and run-down it would help make a nation of stronger, healthier men and women.

Commenting on the use of Nuxated Iron as a tonic, strength and blood-builder, Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, said:

"Thousands are held back in life for want of sufficient iron in the blood,

A weak body means a weakened will. You can tell which people have a firm Grip on Health—Strong Vigorous Folks with Plenty of Iron in their Blood.

Iron—or if you don't want to go to this trouble then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the package. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were alling all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form. And this after they had, in some cases, been doctoring for months without obtaining any benefit.

Manufacturers' Note: Nuxated Iron recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Wasson's Drug Store and all other druggists.

NUXATED IRON For Red Blood, Strength and Endurance

Paint, To Save Money

Every unpainted surface, inside and outside your home, is losing money for you. Wear and decay start at the surface. Paint protects the surface and prevents decay.

Paint preserves wood, metal, even brick and cement; not only the outside of the house, but also the walls, floors and furniture in it.

MARTIN-SENOUR PAINTS AND VARNISHES

give you the paint and varnish best suited for every surface, to protect as well as beautify; to save repairs; to add value to the whole property.

Paint, to save money.

"100% Pure" Paint
The Paint for wear and weather.

Senour's Floor Paint
The old reliable—it wears, and wears, and wears.

WOMEN'S AUXILIARY REPORTS REVEAL HEALTHY GROWTH

The Fredericton Diocese Now Has 2,567 Active Members—Mr. Robinson Resigns as Treasurer.

Special to The Standard. Fredericton, N. B., June 10.—The reports of Mrs. H. J. Roberts, of St. Joan, recording secretary, presented at this afternoon's session of the 13th annual meeting of the Fredericton diocesan Women's Auxiliary, gave statistics showing 2,567 active members in the diocese.

"There are now in the diocese of Fredericton 71 senior branches, with 2,550 members, and 24 girls' branches, whose membership numbers 437, making a total of 96 branches and 2,987 members. Of this large membership seven are general life members, and 156 are diocesan life members, thirteen of whom became the recipient of this honor during the year," declared the report, which also gave other interesting statistics and reviewed the year's work.

Mrs. C. A. Robinson, of St. John, the treasurer, announced her retirement, after three years of office, in her annual report, ending March 31st, 1919, amounting to \$7,922.86, an increase of \$3,307.35. However, it was pointed out that of the latter amount \$2,668.37 was contributed to the endowment fund for the Esquimes and Indians, so the increase in purely W. A. funds is \$5,254.49. This, with the balance on hand at the beginning of the year, made a gross total of \$9,270.55. Disbursements amounted to \$5,230.73, of which \$537.45 was voted to diocesan missions, \$844.90 to Canadian missions, and \$828.38 to foreign missions. The balance on hand in the Bank of Montreal amounts to \$4,039.82, part of which will be voted at this meeting.

The afternoon session opened with the reading of her annual report by the president, Mrs. Thomas Walker, of St. John, and was really the first business session in the diocese. The reports of the other officers that were presented formed part of the review of the year's work, and when the diocesan secretary, Mrs. M. J. O'Brien, presented her report, a prayer was offered for Junior work, which was reported to have fallen off somewhat during the year. Mrs. O'Brien's report was presented with a life membership by the executive in appreciation of her faithful and valuable services as treasurer, her resignation being accepted with regret by the executive and the whole auxiliary.

The Dorcas secretary, Mrs. John H. Roberts, presented an interesting letter from the Dominion secretary, Miss H. Allison, of Toronto. The opening of the question box provoked a great deal of discussion, and the various questions asked and the answers. The reports from the various branches showed new interest in the work in many cases and were well received. Following a meeting this evening of the delegates from the girls' branches, a reception was held at Bishop's court, where the Bishop and Mrs. Richardson entertained the delegates to the meeting, who number more than 150.

The meeting will continue tomorrow and on Friday.

ARRANGING FOR SERIES OF DANCES

Will be Given by G. W. V. A. and Y. W. P. A., the First Being Held Next Tuesday Night—Committee on Arrangements Chosen.

The joint committee from the G. W. V. A. and the Y. W. P. A., who are arranging for the series of dances to be given under the patronage of the Brigadier General Macdonnell in the G. W. V. A. rooms met last night and completed the arrangements for the first of the series which is to be given on Tuesday, June 17.

It is planned to make these the social event of the season for the city and no pains will be spared to that end. The ball room is to be put in first class condition and the refreshment table will be the particular charge of the young ladies of the Y. W. P. A., and they have demonstrated on many occasions their abilities in that line.

There is charge of the arrangements are Miss Madeline de Soyres, Miss Alice Hatch, Miss Genevieve Kilen, Miss She don, Lieut. W. K. Clawson, Lieut. R. J. Harrington, Sergt. D. McNevin and Sergt. Poole.

Special to The Standard. Newcastle, June 9.—A fire which broke out in the lumber store near the Edward Sinclair Co. mill, about a mile and a half above this town, at two o'clock today, has up to a late hour, done damage estimated to be between \$150,000 and \$200,000, and was still burning. The mill was not in danger, unless a shift of wind occurred, and the damage is practically covered by insurance. The Newcastle fire department under Ben Matby, and the Chatham fire fighters, under William A. Skidd, and a large corps of volunteer fire fighters, among them about one hundred Indians, and the J. B. Snowball Co.'s boat, the St. Nicholas, did splendid service in confining the fire to the mill.

PRES. BEATTY OPTIMISTIC OVER CANADA'S FUTURE

Believes a Bumper Crop Will Restore the People's Confidence, and Thinks it is Coming.

Winnipeg, Man., June 7.—E. W. Beatty, K. C., president of the Canadian Pacific Railway, who arrived in Winnipeg today from the West, where he has been on an inspection trip, said he was optimistic regarding the future in Western Canada. He says crops prospects in the West were never better.

"A bumper crop will restore the people's confidence. That is the best cure the industrial could have," he said in an interview. "This industry will right themselves, and there is no mental trouble due to the war."

"If we get a good crop, and prospects were never better, then things will right themselves, and there is no mental trouble due to the war." "All agree that there is something wrong with the cost of living," he said in reply to a query. "The government should at once undertake a thorough investigation to discover how this was brought about. The investigation should be scientific. If it finds there are too many handling the products of the soil it should increase production and thus create a greater market for soil products."

Commenting on the strike situation in Winnipeg, Mr. Beatty said, "I do not get strikers very far." Mr. Beatty added there was a good deal of uncertainty as to what would ultimately be done as far as the strike was concerned in Vancouver. With regard to his company's development in Alberta, the president stated that plans were at present before the railway board for the construction of the Empress branch, and also a line from Empress to Melorum. It was expected that these would be approved at an early date, when this work would be proceeded without delay. The company, he said, had also under consideration a line running north from Empress through Coronation and Whitefoot Lake.

Mr. Beatty looks for considerable immigration from the old country and from the northern parts of Europe, which will be a great benefit to agriculturalists, he asserted.

THE PEDERSONS WERE ACQUITTED

New York, June 9.—Captain Adolph C. Pederson and his son, Adolph K., were acquitted a federal jury today on the charge of causing the death of Axel Hansen, a sailor on the barkentine Puko, of which they were officers. The jury was out six minutes.

TREMENDOUS WHEAT CROP FORECASTED BY U. S. GOV'T

The Whole Crop is Not Quite up to the Record Reached Last Year.

Washington, June 9.—A wheat production of 1,236,000,000 bushels this year combining the winter wheat and spring wheat crops was forecast today by the department of agriculture from the condition of the crop June 1. Winter wheat production is forecast at 829,000,000 bushels compared with 839,915,000 bushels forecast last month making it the largest ever grown. Condition of winter wheat was 94.9 per cent of a normal compared with 100.5 last month, and 83.8 last year. Spring wheat production is forecast at 348,000,000 bushels compared with last year's production of 359,000,000 bushels, which was a record crop. Acreage this year is 22,593,000. Condition of the crop June 1, was 91.2 per cent of a normal, compared with 85.3 a year ago.

In Doubt. "How's your garden getting along?" "If the green things coming up are flowers it's fine; if they're weeds it's terrible."

—UNDER THE FILM TITLE—

"AN EYE FOR AN EYE"

A SEVEN-REEL SUPER-PHOTOPLAY

THE CARPET OF BAGDAD! Did you believe in its magic powers when you were a child? Sit upon this mystic rug once more and be transported into the innermost secrets of the East and the great African desert. Nazimova will be your beautiful genie. Then glimpse the follies and hypocrisies of smart society in the West—something the Bedouin runaway girl could not understand. A love affair of intense emotions.

The characters in the story are the Bedouin dancing girl, a French naval commander, his young nephew, the Commander's unfaithful wife, her lover, Bedouins, Sailors and others.

BURTON HOLMES TRAVELOGUE

IMPERIAL

ESCAPED BRITON TELLS FULL STORY OF AFGHAN PLOT

Late Amir's Murder Planned by Younger Son, Aminullah, Now Ruler, and War Party.

OFFICER MADE SCAPEGOAT

Usurper, Supported by British, Denounced Guiltless Ruler's Full Heir to Nobles' Coward.

Bombay, May 30.—J. W. McLaughlin of the Joust Engineering Company who has been at Jellalabad, Afghanistan, since June, 1918, supplanting an important electrical installation there, and who escaped from Jellalabad at the outbreak of hostilities, arrived here late Friday night in response to my invitation to give me a full account of the progress of events in Afghanistan and to the violation of British territory.

The first subject that Mr. McLaughlin dealt with was the assassination of the late Amir. This, he declared, had its origin largely in the discontent of a number of people who had been anxious that Afghanistan should be a part of British India. The great obstacle to this was the fact that the British were fully occupied with many and her allies in Europe. The people formed themselves into a party, one act of which was to spare for and carry on a war against British India. The great obstacle to this was the fact that the British were fully occupied with many and her allies in Europe. The people formed themselves into a party, one act of which was to spare for and carry on a war against British India. The great obstacle to this was the fact that the British were fully occupied with many and her allies in Europe. The people formed themselves into a party, one act of which was to spare for and carry on a war against British India.

Plot Suspected by Amir. Meanwhile three officers of the bodyguard implicated had each promised by Habibullah that he would marry one of the Amir's daughters, his favorite Queen, Ulli Hazrat. Fulfillment of this promise continued being deferred, causing constant procrastination on the part of the Amir, the conspirators surmised. He had suspicions of what was afoot, and he used all his efforts to strain any active discontent which assassination might arouse.

McLaughlin's Narrow Escape. During the days, that for both McLaughlin's escort and his baggage disappeared. When he reached Dacca, which had the advanced headquarters of the British forces, they tried to get him on the pretext of having made for the missing escort and baggage. He dissuaded them from course, and was enabled to continue his journey.

On the way down from Dacca to the Indian border McLaughlin was subjected to hostile demonstrations. Crowds of Sikhs, Afghans and British gathered at the roadside, and he was, of course, not inaccurately, snatched from the hills. In the end, eight hours of travelling from Dacca, he reached the British advance in the Khyber Pass, where he transferred to Peshawar. He was received by Sir George Ross, and treated with the utmost respect and courtesy.

While this had been going on, the soldiers at Jellalabad had been deeply attached to the Amir, and, moreover, having been in charge of his person at the time of the assassination, felt that they reflected upon their honor and

Late Amir's Murder Planned by Younger Son, Aminullah, Now Ruler, and War Party.

OFFICER MADE SCAPEGOAT

Usurper, Supported by Uncle, Denounced Guiltless Rightful Heir to Nobles as Coward.

Bombay, May 30.—J. W. McLoughlin of the Joust Engineering Company, who has been at Jelalabad, Afghanistan, since June, 1918, superintending an important electrical installation there, and who escaped from Afghanistan at the outbreak of hostilities, arrived here late Friday night in response to a call from the Standard. He gave a full account of the progress of events in Afghanistan which led to the violation of British territory.

The first subject that Mr. McLoughlin dealt with was the assassination of the late Amir. This, he declared, had its origin largely in the discontent of a number of people who had been anxious that Afghanistan should be a part of the British Empire.

Plot Suspected by Amir. Meanwhile three officers of the bodyguard implicated had each been promised by the Amir that he should marry one of the Emir's daughters by his favorite Queen, Ulli Hazrat.

Prisoners Freed and Honored. When the prisoners arrived at a place called Jiddak, within the sphere of influence of the Khabuli troops, who had by this time become attached to the fortunes of Aminullah, they were taken to the Emir's tent, and they entered Khabuli not as suspected murderers but as ill-used martyrs.

McLoughlin's Narrow Escape. During the days, that followed both McLoughlin's escort and all his baggage disappeared. When he reached Dakka, which had become the advanced headquarters of the Afghan forces, they tried to detain him on the pretense of having a search made for the missing escort and baggage.

On the way down from Dakka to the Indian border McLoughlin was subjected to hostile demonstrations by crowds of Shikaris and Afridis, who gathered at the roadside, and he was repeatedly, but inaccurately, sniped at from the hills.

While this had been going on at Khabuli the soldiers at Jelalabad, who had been deeply attached to the late Amir, and, moreover, having been in charge of his person at the time of the assassination, felt that his death reflected upon their honor and that it

PRINCE OF WALES WILL VISIT THE UNITED STATES AND BE NEWPORT GUEST IN AUGUST

Son of King George and Heir to English Throne to be Entertained by Mrs. Ogden Goelet Following Trip to Canada.

Announcement at Luncheon.

It was at a luncheon given on May 27 for General Sir Arthur Currie, commander of the Canadian Expeditionary Force, by the Canada Club of London, that the Prince of Wales, one of the chief guests, announced his intention of coming to America this summer.

The arrival of the Prince will be coincident with that of the Honorable Lady Herbert, who is the widow of the late Right Honorable Sir Michael Herbert, brother of the Fourteenth Earl of Pembroke. The Honorable Lady Herbert was Miss Lelia B. Willson and is a sister of Mrs. Goelet and Mrs. Vanderbilt.

Others in Newport at that time, it is expected will be the Duchess of Marlborough and her son, the Marquis of Blandford, and it is quite possible that Messrs. Michael and Sidney Herbert, sons of the Honorable Lady Herbert, will be there.

When the prisoners arrived at a place called Jiddak, within the sphere of influence of the Khabuli troops, who had by this time become attached to the fortunes of Aminullah, they were taken to the Emir's tent, and they entered Khabuli not as suspected murderers but as ill-used martyrs.

Children Cry for Fletcher's CASTORIA. The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Dr. J. C. Fletcher and has been made under his personal supervision since its infancy.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance.

GENUINE CASTORIA ALWAYS Bears the Signature of Dr. J. C. Fletcher. In Use For Over 30 Years. The Kind You Have Always Bought.

TURKS TORTURED, BURNED AND SLEW CHRISTIAN RACES

Armenians Herded Like Cattle, Flesh Cut, Wounds Seared, Declares Bishop.

Disappointed by the attitude her youthful husband displayed soon after the marriage, Mrs. Warner, resident with her parents and upon their advice sued for annulment.

Disappointed by the attitude her youthful husband displayed soon after the marriage, Mrs. Warner, resident with her parents and upon their advice sued for annulment. Instead of proceeding in Washington, the young woman began her action here and convinced Alfred H. Townley, referee, that she was entitled to her freedom.

When they were married Mrs. Warner was nineteen and her husband eighteen. From their friends and Mrs. Warner's parents they had concealed their courtship, which began at the Hog Island shipyard. In June 15, 1917, the young couple made a hurried trip in an automobile from Montreal to this city and obtained a special dispensation from Mr. Lavelle permitting the marriage, which was performed by the Rev. James P. Heaton of St. Andrew's Church.

Both the bride and her husband continued to keep the affair a clandestine one, even when they met in the home of parents at No. 1870 Wyoming avenue, Washington. For fear of exciting the suspicions of Commander Parsons, Miss Agnes Reppey, without revealing her alliance with Warner.

Where did you spend the hours with your husband while he was at the Repeyev home? Mrs. Warner was asked. "In the parlor and no place else," she replied. "He never even took the wife to his room."

SENATE VOTES TO REPEAL THE KELLOGG BILL. Bulletin—Washington, June 10.—The Senate late today without a record vote, passed the Kellogg bill for repeal of the law authorizing government control and censorship of telegraph, telephone and cable wires.

HE KEPT WEDDING TOO SECRET; BRIDE WINS ANNULMENT

Even After Marriage They Met Only as Acquaintances, Avers Mrs. V. B. R. Warner.

Concealed Wedding From Friends.

Government Prize of \$50,000 for First Flight. A prize of \$10,000 is offered by the Commonwealth Government for a flight from Great Britain to Australia on a machine manned by Australians.

Both the bride and her husband continued to keep the affair a clandestine one, even when they met in the home of parents at No. 1870 Wyoming avenue, Washington. For fear of exciting the suspicions of Commander Parsons, Miss Agnes Reppey, without revealing her alliance with Warner.

Where did you spend the hours with your husband while he was at the Repeyev home? Mrs. Warner was asked. "In the parlor and no place else," she replied. "He never even took the wife to his room."

SENATE VOTES TO REPEAL THE KELLOGG BILL. Bulletin—Washington, June 10.—The Senate late today without a record vote, passed the Kellogg bill for repeal of the law authorizing government control and censorship of telegraph, telephone and cable wires.

ADD A DELICIOUS FLAVOR

to left-overs. Makes second cuts equal to first. Makes the monthly allowance go further.

BEER RAIDS IN NORTH ENGLAND

Thirsty Ex-Soldiers Storm Public Houses and Help Themselves. Extraordinary scenes are taking place in Lancashire owing to the shortage of beer.

WHEAT PRICE MUST BE MAINTAINED

U. S. Wheat Director Says it is Absolutely Necessary That the Government Guaranteed Price be Assured of the Producer.

New York, June 10.—Maintenance of the government guaranteed price of \$2.25 a bushel to the wheat producer is absolutely necessary to assure the production needed to care for world wants, it was declared here today by Julius Barnes, United States wheat director, presiding at a conference of 250 representatives of all the grain industries of this country.

STOCKS TOOK SLUMP ON NEW YORK STOCK EXCHANGE

Renewed Expression of Concern on the Part of Federal Bank Officials in Washington Regarding Excessive Speculation Was Considered the Dominating Factor in the Depression—The Turnover Approached the Two Million Mark.

New York, June 10.—Renewed expression of concern on the part of federal reserve bank officials in Washington regarding excessive speculation was considered the dominating factor in a depression of from one to eighteen points in prices on the Stock Exchange today.

The turnover in shares approached the two million mark. The rate on call money for mixed maturities advanced beyond its customary six per cent, and this conformed to the understanding that the federal reserve board regarded as impracticably any method of favoring speculation, owing to the fact that there is so much government financing in progress which must not be subjected to interference, the rate on industrial loans ruled at nine per cent. late in the day.

In some quarters the opinion was expressed that an analysis of the federal reserve bank's letter to its members asking for information as to the extent of borrowings for speculative purposes showed that the communication was not intended to deal with investment in seasoned securities, but rather only with certain oil properties and other enterprises believed to be worthless.

After publication of this interpretation late in the session, prices improved somewhat, but the market closed heavy and its tone was decidedly uncertain. Short covering was also a factor in the late moderate recoveries. Virtually only the tobacco group exhibited sustained strength during the day, and the advances of six points in American Submarine Tobacco Company stock in other shares were attributed to reports that some of the large interests had organized a company to extend their operations into the foreign retail field.

LAKE STEAMERS AGROUND IN FOG

Sault Ste. Marie, Mich., June 9.—Three lake steamers, one a passenger liner, are aground on Lake Superior for about a week as the result of heavy fog last night and this morning. The carrier Wilkinson, one of the largest boats on the Great Lake, is on Point Iroquois on a rock bottom. Tugs have been sent to her assistance.

MANY DIVORCE CASES ON FILE WITH SENATE

During Present Session 58 Divorce Petitions Have Been Recommended.

Ottawa, June 9.—According to a return tabled in Parliament today 58 applications for divorce have been received by the Dominion Senate since confederation, and 241 divorce bills have been passed by the Upper House. During the present session up to May 31, 58 divorce petitions have been received and 42 divorces have been recommended. In connection with seven applications all the fees have been remitted, while in ten cases the fees have been partially remitted.

COST OF MILK PRODUCTION GIVEN TO COMMISSION

Prof. Toole of Guelph Agricultural College Gives Result of His Observations.

Ottawa, Ont., June 9.—Professor Toole, of the Guelph Agricultural College, gave the cost of living committee of the Commons, this afternoon, figures of cost of the production of butter, beef and pork. These figures were the result, he said, of tests undertaken, superintended or observed by himself.

For the year ending February 25, 1918, a careful account was kept of the cost of 487 Oxford county farmers. Five hundred dollars was allowed to the farmer as wages and seven per cent. for his investment. Other expenses were accurately allocated and they found that the average of milk was \$2.17 per 100 pounds.

U. S. SENATE WANTS TO KNOW THE REASON WHY

Washington, June 9.—Investigation of how copies of the peace treaty got into the hands of certain persons in New York was begun today by the senate foreign relations committee, and before it was fairly underway a copy of the document was presented to the Senate by Senator Borah, Republican, Idaho, and ordered printed in the congressional record. It was a copy brought to the United States by a Chicago newspaper man, probably one of those now on sale in the Scandinavian countries.

TERRORIST PLOT INCLUDED 130 TOWNS OF VIRGINIA

Charleston, W. Va., June 9.—More than 130 towns in West Virginia were marked by terrorists for bomb explosions, according to a map and evidence found in possession of Edwin L. McGury, alleged I. W. W. leader, arrested in Millsburg last Thursday, it was announced at the Governor's office here today. Governor Cornwall, who is investigating ramifications of the nation-wide plot in West Virginia, said a round-up of radical agitators would be made as a result of data secured in the McGury.

Large Cargo of Sugar.
The S. S. Carib's cargo comprised
18,500 bags of raw sugar, delivered to
the Atlantic Refineries. The West
Indian boat will load part of her cargo
here and sail for Halifax for the bal-
ance before proceeding northward.
Due This Week.
The S. S. Manchester Port, from
Manchester direct, is expected here
this week in ballast. After loading
part of her cargo she will proceed to
an American port.

WEDDINGS
McKee-Galley.
The home of Milton W. Galley, 132
Princess street, was the scene of an
interesting event at a quarter after
six o'clock yesterday morning, when
his daughter, Miss Hilda Maud, was
united in marriage to Aubrey S. Mc-
Kee, also of this city. The ceremony
was performed by Rev. E. A. Boyd,
in the presence of the immediate
relatives. The bride looked very
charming in a traveling costume of
grey and black. She was accompanied
by her bridesmaid, Miss Hilda Maud,
and Mrs. McKee left for Charlottetown
at 8.30.

SEATED TENDERS, addressed to
C. B. Brown, Chief Engineer, Mon-
cton, N. B., and marked on the
"Tenders for Tantramar River Bridge"
will be received up to 12 o'clock noon
on Saturday, June 28th, 1919, for the
construction and completion of the
substructure for a double track Rail-
way Bridge over the Tantramar River
about one mile east of Sackville, N. B.
Plans and specifications are avail-
able at the office of the Chief Engineer,
form of contract may be seen at the
following offices:
The General Manager, Canadian
National Railways, Montreal, P. Q.
The Chief Engineer, Canadian
National Railways, Moncton, N. B.
Tenders must be submitted in du-
plicate on the tender forms supplied
for that purpose.
Each contractor tendering must
submit with his order a security de-
posit in the form of an accepted
cheque on a Chartered Bank of Can-
ada and made payable to the "Can-
adian National Railways" for an
amount of Twelve Thousand Five
Hundred Dollars (\$12,500.00). Security
deposits will be returned to all un-
successful tenderers. Security de-
posit of successful tenderer will be
forfeited to the Railway if contractor
refuses to enter into a contract based
on his tender when called upon to do
so. Contractor's security deposit
cheque will be returned on satisfactory
completion of the work.
No revision of any tender will be
considered if received by the Chief
Engineer on a Monday after 12 o'clock
later than 12 o'clock noon, Saturday, June
28th, 1919.
All conditions of the Specifications
must be complied with and tender
lowest or any tender not neces-
sarily accepted.
F. P. BRADY,
General Manager,
Montreal, P. Q., June 9th, 1919.

OBITUARY
Miss Kathleen Joudrey.
Amherst, June 10.—Miss Kathleen
J. Joudrey, 25 years of age, died at
her home here today. Miss Joudrey
was formerly in charge of the local
branch of the Western Union Tele-
graph Company here. She was a
daughter of the late Jacob Joudrey,
for many years station agent at the
local depot.

**Be Careful What You
Wash Your Hair With**
Don't use prepared shampoos or any-
thing else, that contains too much al-
kali, for this is very injurious, as it
dries the scalp and makes the hair
brittle.
The best thing to use is just plain
mulsified coconut oil, for it is pure
and entirely greaseless. It's very
cheap, and beats anything else all to
pieces. You can get this at any drug
store, and a few ounces will last the
whole family for months.
Simply moisten the hair with water
and rub it in, about a teaspoonful is all
that is required. It makes an abun-
dant amount of rich, creamy lather, cleanses
thoroughly, and rinses out easily. The
hair dries quickly and evenly and is
soft, fresh looking, bright, fluffy, wavy
and easy to handle. Besides, it loosens
and takes out every particle of dust,
dirt and dandruff.

**Easiest Way to Remove
Ugly Hairy Growths**
(Beauty Culture.)
Here is a method for removing hair
or facts that is unflattering and is quite
inexpensive.—Mix a thick paste with
some powdered delatone and water
and spread on hairy surface. After 2
or 3 minutes, rub it off, wash the skin
and every trace of hair has vanished.
No harm or inconvenience results
from this treatment, but be careful to
get genuine delatone.

Pay your out-of-town accounts by
Dominion Express Money Order. Five
dollars costs three cents.

AROUND THE CITY
GENERALLY FAIR.

NEW YORK SPECIAL.
A special train of New York Central cars passed through the city yesterday afternoon for Halifax to meet the steamer Olympic and carry first class passengers through to New York.

KING SQUARE PAINT.
Although it has been some weeks since the benches were placed on King Square there is hardly a day that some lady or gentleman doesn't carry away some of the red paint on their clothing.

COAL HANDLERS' MEETING.
The coal handlers met last night in their rooms, 53 Germain street, and discussed general business, especially labor conditions in the province and city as affected by their work. Charles Young presided, and there was a fairly large attendance.

SCHOOL INSPECTORS SELECTED.
Dr. Brown, district health officer, was present yesterday at a meeting of the Queen's county sub-district health board at Gagetown, when the school inspectors for that county were selected. He will return to the city today.

85TH MEN HOME.
Among the passengers arriving in the city yesterday afternoon from Halifax were four N. B. members of the 85th N. S. Highlanders, who arrived home on the S. S. Adriatic last Sunday. These men were expected on Tuesday, but stayed over to take part in the welcoming reception at Halifax.

TUNISIAN AT QUEBEC.
The C. P. O. S. liner Tunisian arrived at Quebec yesterday afternoon. Charles Robinson received a wire last evening that one soldier from St. John, Private H. Parker, who is accompanied by his wife and child, arrived on her. The Olympic is due at Halifax tomorrow morning at 8 o'clock.

DRIFT NET FISHING.
Drift net fishing for gaspereaux has come into its own again. Last evening in the harbor about forty boats were out, and the surface of the water was aboil with the net floats. Steamers passing up and down the harbor had their work cut out avoiding the fishermen. In most cases fairly good catches were reported.

GIVEN A SHOWER.
The home of W. R. Kierstead, Chesley street, was the scene of a most enjoyable event last evening, when a number of the friends of Miss Julia Kierstead, who is to be one of the principals in an interesting event in the near future, gave her a shower. The evening was spent in music and games and passed all too quickly for the guests.

SEVEN SEAS CHAPTER.
The Seven Seas Chapter of the Daughters of the Empire met last evening at the home of Miss Helen Robinson, the regent, Dorothy Jones, presiding. Miss Alice Wilson was elected standard-bearer. Reports were received and plans for the summer work were discussed. The chapter will take charge of the Y. M. C. A. entertain during the last week of the month.

IS A LOCAL MAN.
Lieut. Col. Harris, who returned to Canada on the R. M. S. P. Chandlere Monday night, is a native of New Brunswick. Baturst being his birthplace. For some time he had been commander of the Royal Garrison at St. Lucia, and during the trip home was officer commanding the sixty-odd troops who returned from West India service. After visiting friends in the province, Colonel Harris will proceed to his home in Ottawa.

FOUND WANDERING ABOUT.
Leonard Johnston, a seven-year-old lad, of Mecklenburg street, was found wandering about the streets yesterday afternoon. The youngster had strayed from his home and when taken to the guard room at central police station could not give his name. Mrs. Jacobson, of Main street, took charge of the child, and went around to several places trying to locate its home. The boy was claimed by his parents after he had been returned to the police station.

COUNTY NEW BOND ISSUE.
The County Treasurer is receiving applications for bonds to be delivered by the County of Saint John on 2nd of July, 1919.
These bonds are an issue of \$100,000 to pay for improvements at General Public Hospital. Each bond is for \$500, bears interest at 5 p. c., payable 1st January and July. Bonds repayable in 1929.
Blank subscription forms may be signed at Bank of Nova Scotia, Prince William Street, or at County Office, 108 Prince William Street.

THE POLICE COURT.
James McKinney, who was arrested Monday and charged with violations of the Prohibition Laws, pleaded not guilty yesterday morning in the police court. He left a deposit of \$400 for his appearance.
Arthur Martin, charged with assaulting and beating his wife was remanded for medical examination.
Russell Logan was remanded on a charge of not being able to give a satisfactory account of himself.
Edward McCann, charged with being drunk also with vagrancy was remanded.

THREE ST. JOHN STUDENTS.
Three St. John students have passed the seasonal examinations at Dalhousie University, Halifax, in the medical department, first year. How-ard M. Jamieson, son of Robert A. Jamieson, of Germain street, a former Standard reporter, and who also spent three years in the army, passed first year in medicine, all examinations, and one dissertation on Histology and Anatomy. Ives Anglin, son of Dr. and Mrs. J. V. Anglin, and Arthur Sharp Chesley, son of Mr. and Mrs. John J. Chesley, both passed in Physics, Chemistry, Biology, Histology and Practical Anatomy.

Common Council
Regular Meeting

Protest Against People Building on Streets Not Provided With Sewers Laid Over Street Railway Given Permission to Put in Switch.

The city council yesterday granted the Street Railway permission to put in a switch at Union and Sydney streets, and ran cars around the block north of King Square.

Commissioner Fisher said such permission should be conditional on payment by the Street Railway of a bill for \$178 incurred by the city for paving a turnout on Main street in 1918.

Commissioner Thornton—"Why should we hold up something that will be a benefit to the people to make the company pay a bill we cannot legally collect?"

A communication was received from the Board of Health requesting of the city forbid the issue of building permits on properties west of Adelaide street and north of Victoria street, which are not provided with sewers.

Commissioner Jones moved that hereafter the Building Inspector be instructed not to issue permits to any person or persons who intend to erect dwellings in any street or place unless and until such street or place is provided with sewerage and water, and that in the meantime the Common Council be instructed to notify the Board of Health that this council is in sympathy with the views expressed in the resolution of the board, and is prepared to cooperate as far as possible in giving effect to them.

Commissioner Fisher objected to a hard and fast rule. There should be an exception. There were places in Stanley ward where it would be unfair to hold up building operations because sewers would not be put in for years.

Commissioner Thornton—"Shouldn't the city be obliged to provide sewers where they are needed? We are all the time talking of housing schemes." Commissioner Bullock moved that the matter be laid over, and the commissioner of sewerage be instructed to make a report to the committee of the whole. This was adopted.

The Mayor said complaints were being made that vandals were destroying trees on Queen Square. Commissioner Fisher—"It's a pity people won't respect their own property. We are losing a lot of trees." Commissioner Thornton said he had given instructions to the police. Trees were being damaged all over the city. This was a shame.

Commissioner Fisher asked permission to accept the lowest tender for granite paving for Union street. Commissioner Thornton—"Why ask such permission. The commissioner is required to accept the lowest tender." Commissioner Fisher said they had to tender for stone blocks, but they might be cheaper than granite.

Commissioner Thornton—"I thought that you were opposed to stone because they had to be imported?" Commissioner Fisher—"Not from the United States. They come from Scotland." Commissioner Bullock suggested that if the commissioner of works had any doubts he should prepare a fuller report after tenders were in.

A. McIntyre was given permission to erect an electric fixture in front of premises 327 Main street. Ordered that Butler house, Milford road, Lancaster, be sold to Michael and Agnes Butler for \$400. Commissioner Bullock reported that he had accepted tenders from the Colwell Fuel Company for hard coal at \$14.40 and soft coal at \$7.20; the latter at the pockets. Action continued.

Much satisfaction can be derived by the ultimate consumer as well as the merchant in the new tariff revision which was received at the customs department here yesterday. The main feature of the new tariffs is the fact that the war tax on all preferential goods has been removed. Among the goods affected are British teas, the tax on which has been reduced to three cents a pound; foreign teas remain the same price as heretofore. The war tax on coffee and nuts, of which there is an enormous trade, has been removed, and the fruits are now exempt from war-time taxation.

One of the most important changes, however, is that affecting the textile trade. The official announcement that the war tax on all linens, cotton goods and woollen materials, raw and manufactured, will meet with great approval not only among the dealers and manufacturers of textiles, but also by the average consumer, who usually has to "pay the freight."

PICTURES OF THE RIVER WERE TAKEN

Motion Picture Expert from Ottawa Obtained Excellent Views Yesterday While on Trip from Fredericton to St. John.

J. M. Alexander, the motion picture expert from Ottawa, who has been taking views of the St. John river, and C. B. Allan, secretary of the "All New Brunswick Tourist, Game and Resources Association," reached the city last evening by the steamer D. J. Purdy. They left Fredericton yesterday morning in a rain storm, but this cleared away before Gagetown was reached, and Mr. Alexander was successful in getting some good pictures of the lower part of the river.

Monday was spent here, and Mr. Alexander got some fine views of the city and vicinity. In the morning he visited East St. John, West Side and Rockwood Park, and in the afternoon took a number of snaps of the harbor from Fort Howe, and the Reversing Falls at low tide.

LINE FOREMAN GIVES HIS VIEWS

Robert J. Cochrane of N. B. Power Company Appeared Before Commissioners in Connection With Proposed Electrical By-Law Respecting Installation.

Yesterday the city commissioners heard Robert J. Cochrane, line foreman of the N. B. Power Company, in connection with the proposed by-law respecting the installation of electrical apparatus. Mr. Cochrane said it was a matter of indifference whether the company or private contractors put in the switch and cut-out boxes making connections with an interior light system. But he thought one or the other should have charge of the work, otherwise there might be confusion, as one member of the firm might call up the power house and another a private electrician. When a fuse was put in duplicate should be provided, otherwise when a fuse blew out, the new one put in might carry too heavy a current and spoil the whole inside installation.

Mr. Cochrane said that during thunder storms householders would do well to open their switches, as danger to the installation was thus largely avoided. SIR EDWARD DAWSON ARRIVED YESTERDAY. President of Associated Chambers of Commerce of British West Indies Will Take up Matter of Increased Trade With Canada.

Among the passengers on the Chaudiere yesterday was Sir Edward Dawson, president of the Associated Chambers of Commerce of the British West Indies, who is on his way to Montreal to take up the matter of increased trade with the West Indies and Canada. Sir Edward believes there is a great opportunity for a reciprocal treaty with the islands and Canada to the mutual advantage of each. He advocates a preferential tariff between the two countries.

THE NEW TARIFF REVISION RECEIVED

Returned Men Here Yesterday. Quite a number of soldiers arrived in the city yesterday and were given a warm welcome home. The morning express from Halifax those who had come across on the Lapland reached here, and were met at the depot by Charles Robinson, secretary of the Returned Soldiers' Commission, and representatives of the citizens' reception committee and of the K. of C. Army Huts. They were given the usual treat of cigarettes, chocolate, etc., and then proceeded to the Armory for breakfast, after which they were given their discharge, and the men for outside joints left last evening for their homes.

R. M. S. P. Chaudiere, which arrived yesterday, brought about sixty soldiers who had done duty at St. Louis, the majority of whom are for the regular force at Halifax. They were met by Charles Robinson and marched to the Armory, leaving last night for their ultimate destinations.

Vocational School An Assured Fact

City Fathers Recommend School Trustees Apply for Power to Establish, Equip and Maintain School - Mayor's Vote Swung Resolution.

By the Mayor's vote the city council yesterday adopted a resolution recommending that the Board of School Trustees be requested to apply to the Vocational Educational Board for power to establish, equip and maintain a vocational school, extending forth and including in the such application the plans of any proposed building and the nature of the instruction desired.

Commissioner Fisher said he was in favor of the resolution, provided the city controlled the expenditure. A letter was read from Mr. Peacock of the vocational educational board, saying that under the act the city council would have absolute control of expenditure as it assessed for school purposes. In school districts where the trustees assessed, they would have control.

Commissioner Jones said they were not a hint or suggestion, but should not assume responsibility for the recommendation unless they were prepared to go ahead and establish a proper technical school plant. He said it had been hinted that the school board was opposed to such education, but a recent report of the board recommended that the city commissioners take a plebiscite on the question. The School Board was behind in its finances and he therefore opposed the recommendation to add further burdens.

Commissioner Fisher said the city commissioners should be prepared to go ahead with the matter, slowly at first. If necessary, though he could not see why St. John should not provide facilities for education that were badly needed. There was not enough opposition to warrant a plebiscite. He found general approval of the idea. Commissioner Jones said they already had classes in mechanical drawing and wood working. They would have to provide for a new school building on the West Side soon, and could not afford to embark on a technical education scheme.

Commissioner Thornton said they need a new school building in the North End; the present wooden building on Newman street was overcrowded and unsuitable. Applications for money for educational purposes were the most of the year. Nobody knew how much money would be needed for technical education; possibly \$35,000, if they provided a suitable building.

The Mayor thought they should fix a limit of expenditure for technical education; not more than \$4,000 or \$5,000 at the outset. Commissioners Fisher and Bullock thought they should give the school authorities an opportunity to formulate plans. Anyway they would know what they would not go to ask for a large amount of money.

INDIANTOWN NOTES

The first native strawberries were brought to the city yesterday on the Oceanic by the firm of John A. Dougan, Hamstead. A picture that is attracting considerable attention at Indiantown is one of the sunset of 1887, being shown in P. Nase & Son's window. This shows a man in a boat in the vicinity of Bridge street. Today the river steamers D. J. Purdy, Majestic and Champlain adopt daylight time.

CHARMING WASH FROCKS FOR WOMEN AND MISSES. May Be Had From \$5.00 to \$25.00. The alacrity with which Wash Frocks move these days is simply amazing. The demand, due to the unusual heat in colonial, therefore we cannot in advance describe any one or two lines, but since new stocks are arriving daily—indeed almost hourly—we may say we have an excellent stock of Dresses of Glasgow, Hamstead, Beach Cloth, plain and floral Voiles and Net, made in a host of different ways, variously trimmed with feathers, ribbons, etc. in sizes to fit the smallest miss up to the stout woman. We feel quite certain that all women will be pleased with Dykeman's Display of Summer Frocks, which suggest but a few of the wearing necessities women need for warm weather. June Fashion Sheets and June Patterns in stock today.

IMPORTANT NOTICE CONCERNING TOMORROW.

The presentation of George M. Cohan's "Forty-Five Minutes From Broadway" by the St. Peter's Church Y. M. C. A. at the Imperial tomorrow afternoon and evening will be after the first shows, namely at 3.30 in the afternoon and 8.45 at night. The Imperial will show its great Nazimova picture prior to the amateur show at both sessions. Between the two attractions the good Keith house will be performing the big things. The Cohan production is assured of a big house, as indicated by the advance sale.

Poultry Netting
A poultry "run" ensures the protection of hens and chicks from animals who would, otherwise, prey upon them.
We can supply you promptly with good, strong Poultry Netting at the following prices:
