ENGLISH EVENING IN LAWRENCETOWN

Second Meeting of a Series Held in the Demonstration Building A Great Success

The second meeting of the series of social evenings for the Library was held in the Demonstration Building, Lawrencetown, Wednesday evening, February 8th, 1922. Being an English evening, Charles Dickens—Life and Works was the subject. The attendance was good, despite the fact that King Frost was stalking through the town.

Program as follows:—
Instrumental Duets—The Misses Borden.
Sketch of the Life of Dickens—Miss Blackadder.
Vocal Duets—Mrs. Edgar Shaffner and Mrs. Sanford.
Travelogue—By V. Morse, Paradise.
Reading—High Tide on the Lincolnshire Coast (by Jean Bigelow)—Mrs. Rev. A. H. Whitman.
Solo Vocal—Relief of Lucknow—Rev. A. H. Whitman.
Reading—Relief of Lucknow—Rev. A. H. Whitman.
Vocal Duets—Mrs. S. Purdy and Mrs. Chute.
Vocal Duets—Misses Harding.
Selection—Paradise Male Quartette.
Remarks—Rev. W. S. and Mrs. Smith and Rev. C. W. Robbins.

Refreshments and songs brought a delightful evening to a close. It is hoped that this, the second social gathering of these two societies may be followed by others in the future.
The programme for the concert to be given under the auspices of the Baptist Church at the Recreation Hall, at 7:30 next Tuesday evening, Feb. 21st, is being prepared. This will consist of readings, instrumental and vocal numbers, including selections from the Paradise Male Quartette. The admission will be the same as at the last concert: adults thirty-five cents, children twenty-five cents.

The sketch of the "Life of Dickens" by Miss Blackadder was a gem—full as it was of information, wit, and quotations, worthy in pamphlet form of a place in every library. The Travelogue by Dr. V. Morse taking us in imagination from Paris to Calais, thence to England visiting various places of interest such as Canterbury, Eton, London, Oxford, etc., and landing us safely in Lawrencetown gave us a great deal of enjoyment. Dr. Morse has the thanks of the Library Association for so bravely facing the elements to give us so much pleasure.

Now for our readers—Mr. and Mrs. A. H. Whitman, their selections were well in keeping with the subject, being purely English, were most admirably rendered and listened to with much appreciation. Mrs. Whitman's reading, a difficult one, showed her to be mistress of her art. A hearty vote of thanks was tendered to all those taking part in the program.

This report would not be complete without a word about our chairman, Dr. J. B. Hall, the worthy President of the Library. Surely Lawrencetown is to be congratulated on having one of her citizens such an enthusiast in the cause of education—for that is the main purpose of these evenings, and the uplifting of the ideals of the youth of our town.
His estimable wife, Mrs. J. B. Hall, is certainly an able supporter in all of the doctor's plans for the betterment of our town. We feel that his thoughts are better expressed in the following: Let us cherish our town 'tis with memories crowded
Delightful to trace midst the mist of the past,
Like the features of Beauty, bewitchingly shrouded,
They shine through the shadows, time over them has cast.

BAPTIST NOTES

Last Sunday was a successful day in the Bridgetown Baptist Church. All the services were well attended. The Sunday School had the largest attendance on record. Forty-seven were present in the men's class, and thirty-three in the ladies' class. A further report from the Every Member canvass showed that the objective was reached over \$5,000.00 being pledged for the work of the church for 1922. This is \$3,500.00 more than was pledged for 1921. About \$2,000.00 is available for repairs on the church building.
A most interesting meeting of the Ladies' Aid Society was held at the parsonage Tuesday afternoon, Feb. 7th. At this meeting, the study of

GRAND DIVISION IN SESSION

First Quarterly Session of the Grand Division of Nova Scotia, Held at Smith's Cove

The first quarterly session of the Grand Division of Nova Scotia convened with Home Division, 169, Smith's Cove, on Tuesday and Wednesday of last week. It proved one of the most interesting and inspiring sessions ever held in this part of the province. Upwards of fifty members of the order were present. Grand officers present were Grand Worthy Patriarch, Geo. A. McLeod; Grand Scribe, A. M. Hoare; and Grand Patron, Miss Ella McCrobie. Twelve new members (Past Worthy Patriarch) were initiated into the Grand Division during the session viz: Herbert H. Woodman, John H. Smith, Wendall Chute, Almon J. Cornwall, Arthur Cornwall, Wm. M. Cossaboom, Ralph Cossitt, Mrs. Sanderson, Mrs. W. B. Snow, Miss Frances J. Austin, Miss Bessie Woodman and Miss Blanche Woodman.

Encouraging reports were read showing the Order to be in a prosperous condition. A large increase in membership was reported. The business session was opened at 2:30. In the evening a largely attended public meeting was held in the Baptist Church, at which the members of the Order clothed in regalia sat in a body before a review of A. McLeod, of Halifax, head of the Order in Nova Scotia. Both of these were very strong and helpful addresses in behalf of the Temperance cause. Other inspiring addresses were given by A. M. Hoare, of Halifax, Grand Scribe; Mrs. Sanderson, of Smith's Cove, formerly of Glace Bay, C.B., and a strong worker in the Order, and Miss Ella McCrobie, Grand Patron of Young People's Work. A large choir mostly composed of members of the Order, provided music for this meeting. At the close of this meeting the members of the Order returned to the hall where a further business and social session was held. The sessions closed on Wednesday morning in time for the Grand Officers, visiting delegates, to partake of a lunch provided by the entertaining division, before boarding the east-bound train.

FATHER AND SON BANQUET

About One Hundred and Sixty Men and Boys Enjoy Their Second Banquet

Thursday evening, February 9th, about one hundred and sixty men and older boys gathered in the school room of the United Church for Bridge-town's second annual Father and Son banquet. The President of the Boys' Work Board, Rev. C. W. Robbins, acted as chairman.

A very interesting program was carried out. Grace was sung, led by Rev. J. H. Freestone. Mr. A. M. Gregg conducted a lively sing-song. The following toasts were given:
To the King, proposed by Rev. E. Underwood, responded to by singing the National Anthem.
To the ladies, proposed by Owen Armstrong, responded to by Mrs. W. A. Warren, on behalf of the Ladies' Committee which was so largely responsible for the splendid supper.
To Boys' Work in the maritime provinces, coupled with the name of Mr. A. M. Gregg, proposed by Vernon Rice, responded to by Mr. A. M. Gregg, Boys' Work Secretary for the Maritime provinces.
To the Tuxis Movement in Canada, coupled with the name of Mr. Taylor Statten, responded to by Mr. Taylor Statten, Executive Secretary of the National Boys' Work Board of Canada.

The addresses of Mr. Gregg and Mr. Statten were of a very high order. They both pointed out to the large gathering of men and boys the great opportunities awaiting Canadian boys, and the great responsibilities resting upon Canadian fathers. Bridge-town was indeed fortunate in having these two national leaders present at her annual gathering. The inspiration of the evening will long be remembered, and this important phase of our community life will be carried on with greater zeal and efficiency in the coming days.
At the close of the addresses, a vote of thanks to the speakers was moved by Mr. J. T. Archibald, and seconded by Mayor W. A. Warren. A vote of thanks was also given to the officers and members of the United Church for the use of their building for this gathering, and to the Bridgetown orchestra for their kindness in furnishing music for this occasion. This was moved by Rev. E. Underwood, and seconded by Mr. S. L. Marshall. Mr. E. A. Hicks replied on behalf of the trustees of the United Church. Mr. H. B. Hicks, and Dr. Armstrong, the committee in charge of arrangements for the Middleton debate made an appeal for all the citizens possible to support our boys by going to Middleton Thursday evening, February 16th. (Announcement regarding this trip will be found elsewhere in this issue.)
The meeting closed by the singing of a song, led by Mr. A. M. Gregg. Quite a number remained after the meeting closed to take part in an Indian Pow Wow, conducted by Mr. Statten. This was brought to a close one of the most interesting and successful public gatherings in the history of Bridge-town.

A NARROW ESCAPE

What might have been a serious accident, occurred at Barton, Thursday evening, when H. W. B. Warner, M.P.P., wife and little daughter, were the principals. Mr. Warner and family were returning to their home in Plympton, from Barton, where they had been to see the minstrel show when the horse became frightened at an approaching automobile which was coming in the opposite direction. One of the chains on the car was loose, causing a racket. It was thought that the horse became frightened by the noise. Mr. Warner tried to catch the horse by the head but it reared and turned completely around throwing Mrs. Warner and daughter to the ground. The horse cleared himself of the sleigh and galloped with great speed up the road. Mr. and Mrs. Warner were badly bruised. Dr. Dickie was called to ascertain if there were any bones broken, but only found severe bruises.

BUY IN NOVA SCOTIA

(From The Halifax Herald)
Buy at home. Every dollar spent at home helps to keep the wheels of industry in your own city or town turning. Every dollar spent in your own city or town helps to give some other person employment. And it helps the man or woman who does the spending.
People forget about the efficiency of the dollar bill. The big enterprises grow from small beginnings. Business success is never attainable unless the small details are carefully watched. Economy in small things spells success in great things.
So it is with the spending of money.

RECEIVES CALL TO BANGOR

Rev. E. Spurr Has Received an Invitation to Preach at St. John's Anglican Church

Windsor, Feb. 11.—Rev. E. B. Spurr has arrived back from Bangor, Maine, where he has received an invitation to preach at St. John's Anglican church of that city, with a view to becoming the rector of that parish, the only Church of England congregation in the city.

Since Mr. Spurr's return he has received a telegram from St. John's Church offering him the rectorship at a salary of \$2,500 and all expenses of moving his family to Bangor. The offer also includes a rectory, taxes, heating, and lighting, and an automobile with the expense of upkeep included.
The telegram also informed Mr. Spurr that his election had been unanimous at the largest and most enthusiastic vestry meeting held in years. The visit of Mr. Spurr to the New England city was pleasant, and every courtesy was extended to him by wardens and members of this important church. St. John's church of England is a handsome stone structure, beautifully situated in handsome grounds.

Mr. Spurr has not yet decided to accept being loath to leave Canada, where loyalty to his native land inspires him for further duty here, if so the church's call decides.
Mr. Spurr is a native of Round Hill, Annapolis County, and a graduate of King's College, Windsor. His last parish was at Glace Bay, which he resigned over a year ago to take charge of the campaign for the rebuilding of King's.
At Glace Bay, Mr. Spurr was highly esteemed and universal regret is being felt at his departure. Mrs. Spurr was formerly Miss Campbell, daughter of J. B. Campbell, a former citizen of Windsor. She is also a graduate of King's College in Arts. Their departure from Windsor will be universally regretted, whether they decide to serve in the city of Bangor or in another part of Canada.

STATION AT LUNENBURG IS BURNED

Building Is Totally Destroyed By Fire Fanned By Wind.
Lunenburg, Feb. 7.—The Canadian National Railway station here was completely destroyed by fire of unknown origin which broke out late to-night. By the time the fire fighting apparatus had arrived on the scene the flames had gained such headway that there were no hopes that the station might be saved, and all efforts were concentrated on the surrounding buildings.
Fanned by a strong wind, the flames at one time seriously threatened the nearby residence of A. J. Hebb, also the Cottage Hospital, and the Lunenburg Foundry, all of which are in a radius of 250 yards of the station.
After a stiff battle of several hours duration the fire crews succeeded in bringing the blaze under control, but the building and contents are reported to be a total loss. An estimate of the damage or the amount of insurance could not be learned last evening.

DENOUNCES "QUEEN OF SHEBA" MOVIE FILM

Toronto, Feb. 7.—In an attempt to save the rest of Canada from viewing the film called the Queen of Sheba, the General Ministerial Association, on the motion of Rev. Leonard Skeay and Rev. Ronald McLeod, have decided to petition the board of censors. "It was monstrous," was the way Mr. Skeay summarized his impression of the film version of the Bible story to the assembled ministers at the Central Y.M.C.A. last evening. "Abominable" was another strong word he used to describe this super-film.
Mr. Skeay, who confessed he liked good movies, told of a visit he had made with his wife to see the play in question. The whole Bible story was distorted, he declared, and the only interpretation that people, especially those who had never read the story in the Bible, could take away with them, said Mr. Skeay, would be that God almost encouraged immorality.

KEEP LITTLE ONES WELL IN WINTER

Winter is a dangerous season for the little ones. The days are changeable—one bright, the next one cold and stormy, that the mother is afraid to take the children out for the fresh air and exercise they need so much. In consequence they are often cooped up in overheated, badly ventilated rooms and are soon seized with colds or grippe. What is needed to keep the little ones well is Baby's Own Tablets. They will regulate the stomach and bowels and drive out colds, and by their use the baby will be able to get over the winter season in perfect safety. The Tablets are sold by medicine dealers, or by mail at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

The effectual fervent prayer of a righteous man availeth much."

KARSDALE

Your correspondent heard on Saturday with deep regret that the Editor of THE MONITOR had passed to the great beyond. Mr. Dunham was a man whom to know was to esteem, and the closer the acquaintance the deeper the friendship. His place cannot be easily filled. To the grief-stricken bereaved we extend our most sincere sympathy.

OUTRAM

As this is the first time writing since the New Year we feel it is not yet too late to wish 1922 a glad, prosperous year to THE MONITOR, Editor, staff and readers.

Mr. Coleman, of Middleton, has purchased the eagle from Mr. Alfred Healy that he caught in a trap several months ago.

The chief sports in this place at time of writing are skating and coasting—the young folks are certainly enjoying them. It's fairly good coasting when one can go for a mile without scarcely getting off the sled.

Mr. and Mrs. A. M. Healy spent the 16th and 17th in Hampton and St. Croix Cove, visiting the former's sisters, Mrs. Elijah Risteen, and Mrs. Wm. C. Hall.

We are very sorry to hear that Mr. H. G. Healy, of Middleton, fell on the ice in January, fracturing his hip, and is quite ill in the Middleton Soldiers' Memorial Hospital.

Mr. Avard Marshall and son, Talmage, spent one day recently guests of Mr. and Mrs. J. E. Stocomb, of Mt. Hanley.

Our school has again re-opened, under very favorable supervision of Miss Susie Banks, of Port Lorne, as teacher. When school closed for the holidays the children came home very glad, and pleased with the nice treat given them by their teacher, and when school opened they seemed equally as glad to start again. This speaks a good word for the teacher, Miss Banks.

Messrs. Milton O'Neil and Talmage Marshall spent part of the past week in Hampton visiting friends.

Mr. Roscoe Marshall, of Arlington, and Mr. Elbert Britton, of Bridgetown, who drove through this place on Sunday to Mt. Hanley where they attended church, were stranded on their return by the terrific wind storm and were the over night lodgers at Mr. Bayard Marshall's.

The unusual gale on Sunday night, and the cold days following it, were the worst witnessed in this place for a long time, if not ever.

Mr. George Risteen, of Port Lorne, visited Charles Healey, Sunday, 22nd.

Mr. Tommy Green, of Port Lorne, was the week end guest at Mr. J. D. Banks.

Mr. and Mrs. Avard L. Stocomb were calling on Deacon Bayard and Mrs. Marshall one day last week.

Mr. Alfred Healy went to Middleton on 25th to see his brother, H. G. Healy, who is ill there.

SAVED HER FROM AN OPERATION

So Think Mrs. Tracey of Ontario, Regarding Lydia E. Pinkham's Vegetable Compound

Knightsbridge, Ontario.—I took Lydia E. Pinkham's Vegetable Compound at the change of life for trouble that women often have at that time. I had not been well for a year and was not really able to do my work. A friend who had taken the Vegetable Compound herself recommended it to me and I think it has saved me from an operation. I highly recommend it to all women who have troubles like mine, and am willing for you to use my testimony.

FIFTY YEARS OF HISTORY OF BRIDGETOWN METHODISTS REVIEWED

Dr. M. E. Armstrong Gives Recital of Leading Events of Profridence Church At The Jubilee Celebration.

The celebration of the 50th anniversary of the dedication and opening of Providence Methodist Church, Bridgetown, is but the celebration of an important event in the record of nearly 100 years of religious effort by this particular denomination in this community, and not by any means the story of a beginning; it is an important milestone along the way of its more or less interesting history of almost a century of religious work in this community.

Before the erection of this splendid edifice there was a Wesleyan Chapel and Mission House on street level, containing the Court House, called School street, because it contained the first school house of the town. The Mission House was the absence of a main street, occupied by Mrs. Todd and the church sat between there and the adjoining house owned by Horace Bishop. The land for the church was purchased in 1825 and soon afterwards the buildings were erected and by 1829 both were in use, the older Mission House at Granville being sold and our minister moving into town.

In 1824 the resident Methodist minister of Granville was Rev. Sampson Busby, his circuit reached from Berwick in the east to Sandy Cove, Digby County, in the west. In this vicinity he had some adherents, at that day, but they had to go to Granville Chapel, five miles below, for services, where there had been a church and quite regular meetings for upwards of 50 years previous to this or since 1782. Between 1821 and 1824 the irregular hands in this vicinity were laid off into town lots and our town was born, and what had hitherto been a "Hick's Ferry" sought a more euphonious name, and was soon called Bridgetown. A school was early established and an academy followed, where the Court House, its and a school master secured. This first teacher was Andrew Henderson, who had been teaching in the local church in Charlotte, N. C., and was in the habit of making annual mission tours to the new settlements of this province and New Brunswick, and even travelled as far as New York City in these missionary wanderings, and it was while he was absent on his last evangelistic visit to the United States that Sampson Busby was invited to fill his pulpit here, in 1824.

From that time forward the Methodist Church has had its headquarters here so it would be correct if we were to say that Methodism at Bridgetown was here in the Baptist Church. The original church, established between the two churches here, continued, and in later years it was quite common for Baptists to own their services in the old chapel and for the leading Methodist brethren to attend regularly the Sunday morning service at the Baptist meeting house, day and night, and to occupy their own pews.

Class meetings were held in early growing years of the new society at the home of the school master, who lived in the house now owned by Mr. Swift on Water street, and for years the residence of the late Capt. Peter Nicholson.

The ministers serving our town from that beginning in 1824 to 1870 when Rev. Dr. Heertz came here, are shown in the groups hanging in the church.

Beginning with the one above named they ended with the Rev. John Addy who went away as Mr. Heertz came in the summer of 1870.

I noticed, a few days ago, that Dr. Heertz had recently celebrated his 50th birthday, and when he came here, to serve this big circuit, and had scarcely reached his 25th birthday when he launched the project for a new church.

As one looks over the list of members of that day, we are amazed at what they undertook, at the faith they showed, at the splendid courage they exhibited.

The old chapel was not old as years count in the life of a building, but to our young minister, just from St. John, neither the building nor the situation seemed just right for work he foresaw for it to carry on in doing its part in the growing town at that time in our history, no matter how it may have seemed to those who built it nearly fifty years before when there were but few buildings in the whole town.

The street was not a main one and had galleys narrow, of course, and things looked cramped. The chapel measured about thirty by fifty on three sides, it had a bell tower and a high one shaped pulpit.

A Lesson FROM Ancient Rome

Two thousand years ago the athletes and fighting gladiators of the Roman Empire to ensure speedy healthy healing of wounds, sores and injuries used magical herbal oils and balms.

Taking a lesson from the Ancients, an eminent firm of manufacturing chemists undertook a search to recover these lost secrets. Certain rich herbal oils and essences were at last found and a scientific means of blending and refining them devised.

After lengthy and costly experiment a super-balm was evolved which contains these potent herbal saps in the most perfect form. To this new discovery was given the name Zam-Buk, to indicate the highest achievement yet attained in the healing art.

Treatment of skin diseases and injuries has been revolutionized by Zam-Buk. Its healing and antiseptic power enhanced by the complete absence of raw, irritating chemicals, children's scald troubles, etc., yield rapidly to Zam-Buk.

The Trustee Board of that day was: Joseph Wheelock, Minister Tupper, Geo. Murdock, Albert Bath, Arch. S. Foster, all of the Trustee Board and all of the building committee are gone, save Rev. Dr. Heertz. The only others left today still living are those who were children at that time and were at this celebration, recalled the months of building and how they watched with interest the work being done in the new there, was there in more modest form and watched its big neighbor slowly rise, but there were no buildings in the main street on the cross streets from there to the school house.

The name "Providence" was given it because no accident had occurred during its erection.

Of the lay leaders of that date something should be said as we gather here to commemorate this 50th anniversary and consider the splendid work they have given us. Some of them during their lives assisted in building the first church forty-five years before so they had not received the name of "fitted church home" as we felt heir to when we began to worship here.

What self-denying devotion they showed and with their hands and hearts, with us they worked at this great task. There were no rich ones amongst them but they all copriouly freely and till they died had hearts without reserve, they worked at this great task. There were no rich ones amongst them but they all copriouly freely and till they died had hearts without reserve, they worked at this great task.

The names found in the old books prominent at that time, there was Joseph Wheelock, then an old man but he was a true and true man now lives. He had seen the first church erected and was a school trustee with Alex. Fowler and Dr. Piper when the first school was established here and was prominent in all the activities for the betterment of the new town. Geo. Murdock and Miner Tupper were related by marriage, both carried on business. Both were liberal, broad-minded Christian men and progressive citizens of the young town. Mr. Tupper lived in a brick house that stood where now Hon. Mr. Daniels now lives, while his place of business was called the "London House" and was the shop now owned by Mrs. E. B. Chubb on Queen street. Mr. Murdock conducted the Tannery and a boot and shoe shop and general store where Messrs. Lloyd and Todd now live. Mr. A's home at this time was the little white house beside Mack's meat shop. He afterwards erected the brick house where George Bent now resides. Captain Peter McKay, who ran a packet to St. John and Halifax, was a fourth one in town who was prominent.

From Granville in those days there came three families of Batts, a good wagon full in each case. Joseph Fellows, an esteemed and faithful official, and Charles Parker, each with several children, men in mid life and always ready to do their part. Across the river was Weston Fowler, who was a son of Alex. who for forty years previous had served this church in many respects and was also a capable local preacher. The son, and his gifted wife, who still lives, were now doing their part. Then there were the Currells at Bloody Creek, father and mother, two sons and their wives, and an unmarried son and daughter, adults, who for many years were regular attendants of both Sunday and week night services. To the east of the corner was the Morse family, Mrs. T. and Misses. The Baggies is the only one now remaining, were generous contributors, and faithful members of the society here in the seventies.

The splendid spirit of this small group of men and their equally loyal and devout wives and families can scarcely be overstated. They all worked hard and were ever ready to go twain when the call was to go miles, and we who gather here now to honor their memory and recount the blessings we are heir to, can but poorly imagine the sacrifices they made to give it to us. The women carded and spun, knit and sewed; they baked and cooked and served many, many times to raise funds that this church might be free of debt when it was completed and all was done with delight and with a prayer for more strength to do still more.

The opening services in January, 1872, brought out large congregations, although at an unfavorable season for the year. The balance of the winter the pastor held a series of special services that were particularly marked for earnestness and numerous conversions.

In the spring following the opening of the church, Dr. Heertz purchased the present parsonage. It had been built by an Anglican clergyman and as he had moved away, his home was to be sold. There was fear that it would not be willingly sold to a Methodist minister, so it was necessary to use some stratagem in the deal; accordingly Mr. Burdick was sent to buy the house and it came into the hands of the trustees through him. Dr. Heertz terminated his pastorate here in July, 1873, moving to Grand Pre.

His last year was spent in the new parsonage and of course he had more than a whole year in the new church. At his severance with the church here he was presented by the congregation and others with a gold watch suitably engraved. This is the only time that I am aware of that the congregation has ever inducted in such luxuries or jewelry, but it was the golden age of the church's century and great occasions demand such recognition, and I feel sure had he not been given this memento from a grateful people we would have given him a bigger one today.

His predecessors on this field had been largely men past middle life, so the change to a young man, with the vigor and enthusiasm and, withal, our venerable friend, with the buoyancy of youth and a zeal that consumed him, and I was going to add with twins in the parsonage, being the very first building was first planned, we can see how the various Methodist elements of the period or age had combined to do something worth while, all the signs were right, and during the balance of the decade the church was served by S. F. Huestis, A. Stewart, Des Brisay, and John Parker. Mr. Huestis came as Dr. Heertz went away and he has told me that he never quite got hold of the work. He was not very well, and found that the demands of the river to affect him to some degree, so at the end of a year he exchanged places with Mr. Des Brisay, who was at Windsor and who was a very young man. Mr. Huestis still living and has always been much interested in the church, but always felt that Dr. Heertz had set a pace and left the people in such an enthusiastic state that it made it hard for him to keep the step up, although Mr. Huestis was a very successful preacher, and under his leadership the church was kept throughout his whole life.

Mr. Des Brisay was a young man also, and while in poor health threw himself into the work most heartily and in connection with other moral and social issues in the town, was of much assistance. He became exceedingly popular as a preacher, his sermons were spoken of as showing freshness and originality while his reading was very wide and far reaching, and as a lecturer here in his own church, and in the court house, where a literary society carried on a course of lectures during the winter season, his voice was frequently heard. He died in October, 1876, in the 36th year of his age, and is buried in our cemetery. His father, the Rev. Albert Des Brisay, was stationed here fifty years before the gifted son, and was a very popular supply.

The work of the balance of the church year, left vacant by the untimely death of Mr. Des Brisay, was carried on by the young men then stationed on the mission at Dalhousie, Rev. John Craig and the following year Caleb Parker came to the circuit and remained his full term, and was during his ministry that the Dutch Reformed Reform boom struck Bridgetown and carried everything before it, like a prairie fire. Mr. Dutcher, a rector of the nature of John B. Gough and had a wonderful talent in moving people to action. He came to the circuit from the States and in Yarmouth within a few days and two meetings had over 4000 names to his pledge and an active temperance band to enforce laws and destroy liquor, that was too large to be held in any one hall.

People hearing of this aggressive temperance work sent for Mr. Dutcher and anxiously awaited his visit here. His first meeting was held in the old Baptist Church and the same remarkable results that had occurred at other places were repeated and at the first meeting four hundred signed the pledge and organized the Dutch Reformed Club, with the late Dr. DeBosis as the first president. A hundred more were very soon added and meetings were held in the Court House from week to week. The liquor dealers were waited upon and threatened if they did not give up the business. Some of them did, and joined the new cause, others offered to stop if the temperance forces would buy the rum they had in stock. Our own minister and congregation had an active hand in this reform. As a young boy, I remember attending one of these meetings in the Court House in 1877 when it was still a powerful organization and still believed that such law was better than no law, when it came to checking the liquor traffic.

Capt. Frank W. Spurr, of Deep Brook, has been the guest for several days of his cousin, Miss Harriett Spurr, of Melvern Square. He has been spending the past year at home, but, although a man of over sixty-five years of age, is planning to take up the sailing business again. The Capt. has had a wide experience, following the sea since he was thirteen; thirteen times shipwrecked; first mate of a man-of-war during the war. The man-of-war was torpedoed, he, the pilot, and three Norwegians, being the only survivors. Capt. Spurr was away hours and a half in the water before rescued by a passing ship.

LOCAL DEATH ROLL

MRS. PERCY JONES

Windsor, Feb. 10.—Sorrow prevails here to-day among the host of friends of Mrs. Percy Jones, formerly Miss Stella Smith, eldest daughter of Mr. and Mrs. Stuart C. Smith, Halifax, who passed away at four-fifteen this morning, at the Payzant Memorial Hospital, where she has been ill for a week, suffering from pneumonia.

Mrs. Jones was a graduate of P. M. H. training school, afterward becoming the superintendent of the Hospital, conducting it with marked executive ability.

Over a year ago Miss Smith and Percy Jones, Divinity Student, at King's College, were married in Halifax.

Mrs. Jones continued in the work of her profession as matron at the King's Collegiate School, intending to remain there until her husband's graduation next May, when they intended settling in parochial work in Ontario.

From the first grave fears were entertained for her recovery, but the attending physicians, nurses and friends fought the disease.

Surviving sisters are Miss Inez Smith, Canadian Bank of Commerce, Middleton; Mrs. Fred Tremain, Halifax, and Dorothy, at home. Mrs. Smith has been with her daughter for some days, and Mr. Smith arrived from Halifax to-day.

The remains were taken from the Hospital to the residence of E. E. Armstrong, where the funeral services will be held Sunday at two-thirty. Interment will take place in the Smith family lot, Mt. Denison.

Mrs. Avarid Forsyth, New York, who is visiting at the home of her son, Volney, Halifax, came to Windsor this week to see her niece, Mrs. Jones, during her illness.

JOSEPH Z. HIRTLE

Mr. Joseph Z. Hirtle, a highly respected resident of Clarence, died Saturday morning, February 4th, 1922, aged fifty years and eight months. His death came after a long fight for life carried on quietly, but none the less bravely, for four years, and it was only after the strength and sight were lacking for active life, that he was confined to his house.

He was the son of Joseph and Harriett Hirtle, of West Northfield, Lunenburg County, and married Louise Mailman, daughter of Mrs. Charles Mailman. They moved to Clarence in April, 1914. In religion he was a Lutheran and during his life in Clarence was a constant attendant of the church, and an active and sincere Christian, supporting every good work in the community.

He leaves beside his wife to mourn their loss, three brothers, George, of West Northfield; Percy, of Cambridge, Kings County, and William, of Beachmont, Mass., and two sisters, Mrs. Almon Jodrey and Mrs. Howard Wentzell, both of West Northfield. The funeral was from his late residence in Clarence, Monday morning, at 9:30 o'clock, and a very large number of neighbors and friends attended, paying their last tribute of respect to a good citizen and kind neighbor.

The service was conducted by his pastor, Rev. W. S. Smith, and the church choir gave suitable music. The remains were taken to Bridgewater by the afternoon train and burial Tuesday morning in Pine Grove cemetery, where the service was also conducted by Rev. W. S. Smith and Rev. G. B. Piter, of Bridgewater.

CAPT. BENJAMIN T. CARTER

(Courier)

Capt. Benjamin T. Carter, master mariner and one of the best known residents of Hopewell Cape, died quite suddenly at his home there on Saturday morning. His death occasioned widespread regret, not only in the community in which he lived but throughout the whole county. Although he had suffered a paralytic affliction some years ago and had not been in robust health since, the captain had been as well as usual and only the day before his death had been able to attend to his home chores and duties as he was accustomed to do.

On Friday evening after tea he was stricken with paralytic attack and passed away at three o'clock on Saturday morning. Captain Carter was in his seventy-ninth year and was one of the best known and most successful of her sons, and they have been many, that Albert County has given to the profession of the sea. His life's career from a sailor boy to commander on some of the finest sailing ships afloat furnished a notable instance of what industry and integrity can accomplish under adverse circum-

stances. He leaves a widow who was Mrs. Jessie MacNaughton, mother of Mrs. J. J. Wallis, of Digby.

WILLIAM R. PRINCE

B.; and Gordon, at home. The funeral was held from his late residence at Lawrencetown Sunday afternoon at two-thirty o'clock.

Mr. Dunn had just left his home to distribute his morning milk when on one of the steepest hills the wagon skidded on the ice and overturned, emptying its contents into the street. Mr. Dunn and little son Webster, who was also with him, were thrown to the ground. It was feared that his little son had been injured but upon calling a doctor found only several cuts of a minor nature, which had been caused by the breaking of the bottles. Mr. Dunn was apparently alright with the exception of several bruises.

CREDITS DUE EX-SERVICE MEN AND DEPENDENTS
What Are Their Addresses?

In the hands of the Department of Militia and Defence their is still a considerable sum of money belonging to ex-members of the Canadian Forces and Dependents. Diligent search in the majority of cases has failed to reveal the whereabouts of the persons to whom this money is payable.

As a contribution to the splendid work being accomplished by the Great War Veterans' Association of Canada in its "Clean Sweep Campaign" to secure settlement of all outstanding claims, the MONITOR has decided to publish gratuitously the names of all those ex-service men and dependents who have credit balances on the books of the Department. The accompanying list is the "second" instalment.

YOU CAN HELP!

Every reader of the MONITOR should scan these lists carefully. If the address of any of those noted is known to you, for the names and addresses followed by the address, on a piece of paper, place it in an envelope, marking the envelope "Militia Department Credits," and mail it to the "Departmental Secretary-Treasurer, G.W.V.A. of Canada, Citizen Building, Ottawa."

Below is the second list of ex-service men and dependents whose accounts on the books of the Department of Militia and Defence, Ottawa, show credit balances.

Applications for these balances should be accompanied by satisfactory proof of identification, such as certificates from the manager of a chartered bank branch, officers of the local branch of the G.W.V.A., clergymen, professional men and civic officers. References can be made through G. H. Warey, Secretary-Treasurer G.W.V.A. of Canada, or to the Assistant Director of Pay Services, Departmental Secretary-Treasurer, Sliter Street, Ottawa.

A further list will be published next week.

BRICKLEY GETS A REAL SURPRISE

Winnipeg Man Takes Tanlac To See Result—Three Years' Trouble Quickly Ended

"To be frank about it, I didn't believe half I was reading about Tanlac, but just to satisfy myself I tried the medicine, and now here I am ready to speak up myself and tell of my experience," said William Brickley, 331 Beverley St., Winnipeg, Man.

"My trouble all started three years ago with indigestion and I went down hill until I had a nervous breakdown. I was in bed for several weeks and my stomach was left in worse condition than ever. I fell off in weight and could not eat enough to get my strength back. The pains in my stomach were awful and gas would form and fill me all up until I felt perfectly miserable. My nerves were all undone. I slept poorly and was restless all the time and easily excited. I felt worn out from morning till night.

"Well, I'm a great believer in Tanlac now. I took it with a doubting mind, but that didn't seem to make any difference, for I commenced to pick up right off and it wasn't long until I felt good all over. Evidently, I eat three good square meals every day now, sleep fine and have picked up in weight, my nerves are as steady as a die and my work comes easier. When I bought Tanlac I certainly bought health."

Tanlac is sold in Bridgetown by S. N. Wear, and by leading druggists everywhere.

"YOU'LL LIKE THE FLAVOR"

OPENING OF METHODIST CHURCH

The following description of the opening of Providence Methodist Church in January 14th, 1873, is taken from the "Provincial Wesleyan of 1872 and was written by Rev. J. H. Davies, then a retired minister living at Bridgetown.

Bridgetown.—Dear Mr. Editor.—Permit me to lay before your numerous readers some items of intelligence relative to our Church. According to arrangement the opening of the new Wesleyan Church took place on the 14th of January. That Sabbath day was to me, and I doubt not, to many others, one of the most interesting, important, and pleasing days ever experienced in Bridgetown. I had often, in visiting and passing by this very beautiful edifice for some weeks past, admired the skill of the artist who planned, the faithfulness of the workmen who were engaged in building, and the liberality of the friends who had furnished so amply the means of its erection; and felt my heart grateful to Providence that had given its sanction and blessing to this good and holy enterprise. But on the Sabbath of dedication the crowning blessing seemed just ready to be bestowed on the multitude who were seated within its walls, ready to hear the solemn announcements of Divine Truth from God's ministers. The pews and aisles were completely filled by an interesting and attentive congregation, consisting of many inhabitants of the village and its environs, and by not a few from more distant parts of the country.—to the number, I suppose, of four hundred. This, for our locality, is a large concourse of persons.

The service was opened with singing, and prayer by Rev. Fletcher Bent. The sermon was preached by the Rev. James England, from Psalm 27th, verse 4th, with his accustomed clearness of thought, devout manner, and pulpit ability; and the dedication service was conducted by the same. The trustees came forward and presented to Bro. England, in behalf of the congregation and society, the Church for dedication to the worship and service of Almighty God, under the name of "Providence Wesleyan Church."

At three o'clock a congregation still more numerous than that of the morning assembled. The discourse was preached by Rev. George Armstrong, pastor of the Baptist Church of Bridgetown, from 1st Timothy, 3rd chap., 15th verse. This sermon was delivered with much fluency and fervour,—with sacred unction, and propriety of thought, and was eminently encouraging to the lovers of Christianity, and admonitory to its foes. I felt it very profitable to my own soul.

We were expecting to hear a sermon from the Rev. John L. Spangue in the evening, and were anticipating utterances reminding us of the benediction of the sanctuary, and a reach of thought, both striking and beautiful, but he could not be with us. He had received a telegram of his mother's death, and had to attend her funeral near Liverpool. Bro. Hertz received a note from him to this effect whilst in the morning congregation.

Our superintendent minister with his promptitude in the performance of duty, preached in the evening, although comparatively unprepared for the occasion. His sermon was founded on Isaiah, 4th chap., 5th verse. It was faithful, animated, eloquent, and suitable to the occasion. The building was well filled. Rev. Mr. Gordon, of Bridgetown, and Rev. Joseph Hart, of Granville Ferry, were expected to assist in the two last services, but were prevented, I believe, by unforeseen circumstances. Three collections were made amounting to \$114. On Monday afternoon the preference of the pews was sold, amounting to \$2,500.

The Rev. Geo. O. Huestis, of Cambridge on the evening of Monday, delivered a lecture on "Our Young Men." The lecture was good in language, appropriate in sentiment and illustration, and well suited to be practical and useful. It was listened to by a large assembly with attention and pleasure. But, Mr. Editor, I must curtail my words of eulogy lest your sensible printer, who it seems does not like to put much of praise in type, should clip away some of the sentences, and render it necessary to send a second edition to complete the sense, and give better satisfaction. After the lecture the new holders and other friends remained to hear a statement of the financial condition of the Church. The statement, made by Rev. W. Hertz, was most satisfactory. The building that had cost about \$6,000 was found to be in debt to the amount of only \$500. This announcement put all hearts in tune for praise to God, and for increased and immediate exertion to defray the debt; and it was done then and there, before parting. One friend whose first gift was \$400, added \$100. Another who had done the same originally, announced another gift of \$50 and soon after \$15 more. Another \$400 subscriber added \$25, and one who had paid \$200 gave \$65 more, and another who had subscribed \$120 made an increase of \$20; and so the benevolent spirit went from new to new, until \$40 stood as the whole debt on the

building, which was speedily liquidated by eight friends.

On this pleasing occasion I was led to admire the facility with which men could give to a good and noble cause, when influenced by good example and right views and feelings; but it was to me an incentive to more right appreciation and admiration of the efforts of our ladies of the congregation, that had led to this very evening's result,—the extinction of the debt of \$500. They, by providing for "tea meetings," continued for succeeding and sometimes stormy days and nights, and in various ways (for they have the tact for varied and effective effort in a good cause) so contributed to the funds necessary, as to pay for the land on which the church stands, and the lot behind it; and also of providing various articles useful to the building,—such as seats for the basement rooms, &c., &c., raising, by their patient exertions, about \$700. If this had not been done by them, the debt announced that evening would have been \$1,200 instead of \$500.—a sum that might, I think, have been too great even for the enthusiasm of the meeting to wipe away then and there. May God bless the ladies of Bridgetown for their exertions in ministering to the completion of the church; and may He bless pastor and people, that our church members, and many new converts, may fervently use the language of Bro. England's text, Psalm 27th, verse 4th, in attending "Providence Church."

Yours truly,
T. H. DAVIES,
January 18th, 1872.

DO YOU FEEL WEAK AND RUN DOWN

In This Condition a Tonic Medicine is Needed

The condition being "run down" is one that doctors do not recognize as a disease. But those who are run down in health know that it is not a fancied affliction. The expression "run down" applied to health means a condition in which the bodily functions are enfeebled. Appetite fails, the digestion is impaired, the nerves are impoverished, the complexion becomes pale or waxy, there is no animation, but rather worry and mental depression. Fatigue is a constant symptom. No particular organ being affected, you must look for relief to the blood. As it circulates through every part of the body, any improvement in the condition of the blood is quickly felt throughout the entire system. In cases of this kind a tonic medicine is what is needed and Dr. Williams' Pink Pills are recognized as a valuable tonic because of their direct action on the blood, and through the blood on the nerves, giving tone to the system generally and restoring vigor. Where the system is run down the value of this medicine is shown by the statement of Mrs. Gregory J. Murphy, Lower Ship Harbor East, N.S., who says:—

"About a year ago I was completely run down. I was so nervous and weak that I could scarcely do my housework, and the least exertion left me breathless and tired out. A neighbor advised Dr. Williams' Pink Pills, and so much good did they do me I feel quite a different woman. I hope some other suffering woman may benefit by my experience."
Dr. Williams' Pink Pills can be had through any medicine dealer, or by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

CASTORIA For Infants and Children In Use For Over 30 Years

Always bears the Signature of *Chas. H. Fletcher*

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. POET'S CORNER

THE DEAR OLD HOME PAPER

(Georgia White, in Springfield Reporter.) It's a modest little weekly. Every devoted to the news Of the country place, whose doings It painstakingly reviews.

It is not concerned with matters. Of a national import. But neglects them for the items Of the purely human sort: And it's given to extolling, Every kind of town affair, Till those mentioned in its pages Have a quite important air.

To sing everybody's praises It is never known to fail. It is never long as their offences Do not get them into jail. And it never lends its columns To an underhanded "knock," Though anonymously begged to Publish what is "common talk."

It is always granting favors To unreasoning cranks. Printing notices forever. Without price and without thanks. Nay, it's very much more likely To be called up in a rage, Just because free advertising Wasn't on the forecast page.

Though it's speaking well of others, It is very seldom stirred By the laudatory phrases In its honor that are heard. In a sweetly fluttering tone, Often take the neighbors' paper To save paying for their own.

TEST OF A MAN The test of a man is the fight he makes. The grit that he daily shows: The way he stands on his feet and takes. Fate's numerous bumps and blows. A coward can smile when there's naught to fear. When nothing his progress bars, But it takes a man to stand up and cheer.

It isn't the victory after all. But the fight that a brother makes. The man who, driven against the wall, Still stands up erect and takes. The blows of fate with his head held high. Bleeding and bruised and pale, Is the man who'll win in the end by and by.

It's the bumps you get, and the jolts you get. And the shocks that your courage stands. The hours of sorrow and vain regret. The prize that escapes your hands. That test your mettle and prove your worth; But the blows you take, on the good old earth, That shows if your stuff is real. —Dallas Saturday Night.

YOU CAN, IF YOU THINK YOU CAN. If you think you are beaten, you are; If you think you dare not, you don't; If you'd like to win, but think you can't, It's almost a "cinch", you won't. If you think you'll lose, you've lost; For out in the world you'll find Success begins with a fellow's will— Its all in the state of mind.

Full many a race is lost. Ere even a step is run. And many a coward fails Ere even his work's begun. Think big and your deeds will grow. Think small and you'll fall behind. Think that you can, and you will— Its all in the state of mind.

If you think you're outclassed, you are; You've got to think high to rise; You've got to be sure of yourself before You can ever win the prize. Life's battles don't always go To the stronger or faster man. But soon or late the man who wins Is the fellow who thinks he can.
