The copy filmed here has been reproduced thanks to the generosity of:

New Brunswick Museum
Saint John

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

New Brunswick Museum
Saint John

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The absence of any work of the kind in Canada, and the frequent enquiries after the information to be contained therein, is the only apology the Editor has to offer for this effort.

It is intended that this work shall, in the future, be made to fill the place in Canada that the "Bankers' Almanac" and the "Bankers' Directory" supply in England and the United States, respectively.

In order to facilitate the requirements of Bankers and kindred professions, it has been thought best to solicit advertisements, not only of Banks and Bankers, but also of Manufacturers of Bankers' Supplies of all kinds, and with that object in view an Order Form is attached, giving every particular regarding space, price, &c.

The Book will be Royal Octavo and bound in English Cloth, with Title in heavy gold lettering on front cover, and guaranteed to be first-class as regards paper, printing, binding, &c.

It is desirable, therefore, that the orders be sent in as soon as possible, as the number of the first edition shall be governed by the number of orders procured.

N. S. GARLAND, F.S.S.,
Editor.
