Eton Choral Societies Were
Out in Full Force to
Greet Her Majesty.

SCENE WAS PICTURESQUE

On Grand Quadrangle of Windsor
Castle During the Festivities
in the Morning Hours.

THROUGHOUT ALL THE PROVINCES

The Day Was Celebrated and Ships
in Different Ports Were Dressed
for the Occasion.

London, May 24.—Toronto's rain to-day
substituted in Queen Victoria's 88th birthday.

At Windsor, where a general holiday is
being observed, the town was decorated with
flags, and the church bells were rung at
7 o'clock in the morning. The weather
cleared at about 11 o'clock, and a serenade
by the Windsor and Eton Choral Societies
was given in the Grand Quadrangle of
Windsor Castle. The sun then shone brightly.
The serenade was listened to by the
Queen and the members of the Royal
family, including the children of the Duke
and Duchess of Saxe-Coburg and Gotha,
the Duke and Duchess of Cornwall, Prince
and Princess Christian and Princess Henry
of Battenburg. Sir Walter Parratt, the
Master of the Queen's Music and private
organist to the Queen, wearing his official
robes, conducted the serenade from the
steps of the Queen's private entrance to
the palace, just below the oak room, where
the Queen was breakfasting.

Eton College Cadets.
The Eton College Voluntary Cadets
marched into the castle grounds, headed
by a band of music, and took up a position
in front of the castle. They were then
dismissed and the rest of the Eton boys
and military knights of Windsor. The
major and corporals of Windsor, in their
full robes of office, and the borough magistrates
were also present.

A Picturesque Scene.
The scene was extremely picturesque.
They all sang the National Anthem, and
then the program of music was commenced.
The Bishop of Wakefield's Jubilee
hymn, a four-part song, and two specially
written songs for the Queen. Finally,
the Eton boys gave three lusty cheers
in honor of Her Majesty, and the Duke
and Duchess of Cornwall, Prince and Princess
Christian, and Princess Henry of Battenburg,
the Master of the Queen's Music and private
organist to the Queen, wearing his official
robes, conducted the serenade from the
steps of the Queen's private entrance to
the palace, just below the oak room, where
the Queen was breakfasting.

The Mayor Was Knighted.
Sir Walter Parratt and the Mayor of
Windsor were then introduced to the
Queen and handed her a beautiful floral
bouquet. Her Majesty, who was seated
on the steps of the castle, then introduced
the Mayor, J. T. Soudry. Although the
official birthday celebrations in London
were postponed till June 5, all public
functions, many business houses and a great
many private residences are decorated. In
more flags were flying than at any time
since the Queen's Jubilee.

At St. Paul's Cathedral.
A great congregation assembled in St.
Paul's Cathedral this morning, where
thanksgiving services were held, and huge
crowds of people were waiting for admittance.
They grouped themselves in the
spaces about the building. The Lord
Mayor of London, John W. Moore; the
sheriffs, the aldermen, ward and mace-
bearers, and all the other functionaries,
in the robes of office, and the Bishop
of Canterbury, the Most Rev. Fred-
erick Temple, D.D., officiated and preached
the sermon, after which a Te Deum was
sung.

Throughout the Provinces.
Birthday celebrations throughout the
provinces, the ships in the different
ports were "dressed" for the occasion and
the warships were flying their flags at
the various arsenals and garrison towns.

In India, Too.
A telegram from Simla, the summer
capital of British India, says that impressive
Queen's Birthday services there were
attended by the viceroy, Lord Curzon,
of Kedleston, and the Indian and military
officials, in full dress. Royal salutes
were fired, and the public buildings
held a State dinner and levee to-night.
Departments from the Continent report
that a splendid reception will be given
in the European press.

Queen Plants a Sapling.
During the afternoon the Queen planted
an oak sapling on the east lawn of Windsor
Castle. She drove along Kenneth Drive to
the spot, and was assisted in the planting
by the Duke of Saxe-Coburg and Gotha.
All the members of the Royal Family
witnessed the ceremony.

Her Majesty Then Continued Her Drive
in the direction of Frogmore. The military
knights of Windsor presented an address to
the Queen at noon in the corridor of the
castle, and received the warm thanks of
Her Majesty.

A Pleading Incident.
Banquets and receptions were given by
the British Ambassadors and Ministers,
and the celebration in London will
begin to-morrow morning. An interesting
feature of the celebration here was the
attendance of the boys of the national
trunk-train at a matinee given by Mr. Herbert
Beethoven at the National Academy of
Theater, in which the Queen listened
by electro-phonograph to a recitation of
the story of the Queen's life by the
National Academy of Theater.

Message From the Pope.
London, May 24.—Her Majesty received a
telegram of congratulation from Pope Leo
XIII.

Hôtel Cecil Banquet.
London, May 24.—The birthday banquet,
given at the Hotel Cecil to-night, was
attended by many members of the American
Society in London. The American guests
were introduced to the American guests
as representing a commonwealth of States
under the protection of the Queen, but
never nearer than any country excepting the
colonies. Col. Taylor of the society, in
response to the Queen's address, paid a
tribute to the Queen, and read cablegrams
that had been received.

JACK ROACH WAS
CAUGHT AT BOSTON

Man Wanted in Connection With the Bank
Robbery at Napanee Has Been
Run Down.

Both Pare and Holden Brought This Former Kingstonian Into
Their Stories of the Now Famous
Burglary.

Every since the arrest and confession of
Pare, the Napanee bank robber, in July,
1898, the police of the continent have been
on the lookout for one John T. Roach, said
by Pare and his co-accuser Holden, to have
been intimately connected with the famous
robbery.

Caught at Boston.
News has reached the city of the arrest
of the long-sought-for John, as will be seen
by the following despatch:

Boston, Mass., May 24.—John T.
Roach of Montreal, alleged by the police
to be a professional pickpocket and all
round crook, has been implicated in the
robbery of the Dominion Bank, Napanee,
Ont., Aug. 28, 1897, when \$22,000
in cash and notes was taken. Roach
is fifth and last on the list of suspected
Napanee robbers.

Known in Toronto.
Roach is not unknown to the city police.
He was arrested in Toronto, May 14, 1898,
at the residence of Mrs. M. J. Kelly, in
company with John T. Roach, who was
charged with picking pockets. After
Roach's release he went to Fort Erie,
Ont., Aug. 28, 1897, when \$22,000
in cash and notes was taken. Roach
is fifth and last on the list of suspected
Napanee robbers.

His Part in the Story.
In regard to the Napanee bank robbery
he came early into the story. Holden in
his testimony declared that Roach was
with him when the unsuccessful attempt
to crack the Dominion Bank safe was
made in the early winter of 1897. A hole
was bored in the side of the safe and an
effort was made to punch off the bolts, but
in vain.

Roach Was Nervy.
Of his return, Pare says:
We asked: "Did you see him?"
He replied: "My money is my own."
I am interested in this matter, was his
reply.
Then I said: "If you don't stay you may
declare yourself out of the game."
He said: "I am going to stay. Nobody
can drive me out of the job."
Roach went away that night and that
was the last I saw of him till the job
was done in a letter.

Roach's Alleged Share.
The division of the spoils after the
robbery gave Roach \$1,000. But \$100 of
this he owed Mackle for board, and another
\$100 was deducted as a fine.
For Pare's part of the story, see
another letter from Jack Roach to hold
him \$200 for his share if successful. We
agreed to give him \$100 for sending that
letter, and deducted it. Roach really got
\$200 as he was to pay Mackle \$100 for
board.

Was One of the Trio.
At the trial in August and November,
several witnesses recalled Roach's photo
with him, and it is clear that he was one
of the three who were in the bank. The
three went up to Belleville, met Mackle
and spent the next few weeks in the
vicinity of Napanee, camping out in
the woods.

A Somewhat Significant Incident Which Took Place at the German Capital.

Berlin, May 24.—(Special.)—Sir Charles Tupper's journey to-day to Sherbrooke, in company with Messrs. Cochrane, Bergeron, and Milis, Casgrain, Bell, M.P., and others, will be a triumphal march over the Province of Quebec. At St. Hyacinthe, the leader, referring to the cry that had been raised against him in Quebec at the last election by Sir Wilfrid and his friends gave a piece of unwritten history. Sir Charles said that after the treaty which he had negotiated at Washington in 1858, he had returned to London and resume the duties of Secretary of the Colonies. He had been to Labrador, and he had seen the work of the fish blockade raised. The mail steamer Virginia Lake, which attempted to force her way through the ice, and was compelled to return to this port. The fish blockade had been raised. The mail steamer Virginia Lake, which attempted to force her way through the ice, and was compelled to return to this port.

The speaker said, however, that he had refused, and persisted in his advice, that Sir Hector should be the successor to Sir John Macdonald.

Those Pearl Hats for Men at Dinneen.
The refreshing effect of a featherweight soft felt pearl hat on a man's temper and general condition on a hot day is alone worth the price of the hat. Most men feel cooler in these hats than they feel in straw, and perhaps the most important consideration which has popularized these lightweight pearl hats this season is the fact that they are so-called fashionable. They are about a dozen different shapes, in width of rims and height and fullness of crowns, in the new soft pearl styles. Dinneen's, and the prices are from \$1.50 to \$3. In the furthest temperature-street show window at Dinneen's a special display is made of hats laid over from lots, in which full lines of sizes can no longer be had. These are being cleared at \$1. These are regular \$2 and \$2.50 qualities. If the desired size should happen to be among them you will secure a bargain at \$1.

James T. Kirby is Dead.
A Montreal promoter taken off suddenly in New York.
New York, May 24.—James T. Kirby, 65 years old, a promoter, of Montreal, died suddenly to-day at the Mills Hotel on Bleeker-street. Kirby is believed to have caused death. Kirby came to this city about 10 months ago for the purpose of organizing a company in connection with the Nicaragua Canal. His wife lives in Napanee, Ont., and he has two daughters live in this city, and a son in Chicago.

PEOPLE CELEBRATED

Montreal Had a Great Military
Gathering With Gen.
Hutton in Command.

QUEEN'S OWN WENT DOWN
And the Eighth Royals of Quebec Also
Joined With the Local
Troops in Review.

FLAGS AND BUNTING AT OTTAWA.

Winnipeg and the Great West
Celebrated the Day More Gen-erally
Than Ever Before.

Montreal, May 24.—(Special.)—The fea-
ture of the Queen's birthday celebration in
Montreal was a grand military review and
field day. The local corps were augmented
by the Eighth Royal Rifles of Quebec, and
the Second Queen's Own Rifles of Toronto.
The proceedings were also taken part in
by the Grand Army of the Republic Veter-
ans, Vermont Post, located in Montreal.
The whole of the troops mustered about
4000, formed in review order under the
command of Major-General Hutton, and
were inspected by His Excellency the Gov-
ernor-General, who was accompanied by
his staff. The display was one of the
finest of its kind ever seen in Montreal.

AT THE CAPITAL
There Was a General Observance
of the Day and an Exhibition
Game of Lacrosse.

Ottawa, May 24.—(Special.)—The Queen's
birthday was generally observed here as
a holiday, mostly all day, by business, being
closed and flags flying from the public
buildings, schools, etc., a very notable ex-
ception being the Young Men's Christian
Association, from whose dagstaff no flag
was spread to the breeze.

In the afternoon there was an exhibition
game of lacrosse at Lansdowne Park be-
tween the Shamrocks and Capitals, which
was won by the latter by a score of 5
to 4.

Celebrated as Never Before.
Winnipeg, May 24.—(Special.)—The Queen's
birthday was celebrated as never before
throughout Manitoba. The day was
beautiful, and there were attractive pro-
grams of sport in every town and village
in the west.

ACROSS THE BORDER.
Hamilton Veterans, Mayor Tested
and Others Celebrated
at Buffalo.

Buffalo, N.Y., May 24.—British flags were
much in evidence in Buffalo to-day. The
visit of our Hamilton veterans, with the
and the desire to honor Queen Victoria
brought out a display of bunting in the
downtown district. There were many
to that of the 4th of July. The Union
Jack was to be seen everywhere.

The veterans from Ontario, the
British Army and Navy Veterans, and W.
W. Cooky Post, G.A.R., were given a royal
reception on their arrival at 11 o'clock.
Chapin Post, headed by the 7th Regiment
Band, were at the depot with a local recep-
tion committee, headed by Mayor
Major Testez, ex-Mayor Colquhoun, Henry
Cattell, M.P., Rev. Mr. Beattie, and other
distinguished persons.

A parade was at once formed and the
parade was a most interesting one. The
procession disbanded at Chapin
Post's headquarters, where the Canadian
veterans were entertained. Mayor
Mayor Diel escorted the Canadian offi-
cials to the T.M.H. house, where luncheon
was served.

During the day a cabaret was sent
to the Hamilton Veterans, consisting of
the following: "Her Majesty's Army and Navy
Veterans Society of Hamilton, Ont., and
Chapin Post, G.A.R., join in sincere ven-
erations."

Public exercises in honor of the Queen's
birthday and the anniversary of the
of the Hamilton veterans were held in
the Central Presbyterian Church at 2 o'clock.
The services were conducted by Rev. Mr.
Mayor Diel and was replied to by Mayor
Testez of Hamilton, after which speeches
were delivered by Messrs. W. W. Colqu-
houn, Henry Cattell, U. S. Consul But-
ler of Hamilton and others. The visiting
veterans and their officers were home
shortly after 7 o'clock to-night.

Good Racing Weather.

A FIND.

Prices of "Semi-ready" are based on cost of cloth and workmanship.

The difference between an \$18 and a \$20 suit is principally in the cloth.

We happened on a genuine "find" of the best Scotch Tweed at a price that enables us to sell for \$18 what ordinarily can be put in our \$20 suits.

In two shades of gray, irregular fine stripe, rich, soft, one of the best produced by the famous Nobles' looms of Howick. Lined with Beatrice T will Serge. Satin Vest and sleeve linings.

A quiet, business-like fabric endorsed by fashion. Price \$18, extra trousers \$4. Your money back if dissatisfied.

Orillia Beat Markham. Orillia, Ont., May 24.—The champions won their first match of the season today from Markham. The game was only an exhibition, but the class of Orillia was the best. Markham had on one junior, while Orillia were minus Hanley, Churchill and Thomson. The weather was ideal for lacrosse, and over a thousand people witnessed the game. Markham captured the two first games; the Orillia scored three. Markham tied with the sixth and made a great dash for the seventh, but Quinn got the ball out to Curran on the scores. Odd game. With eight minutes to play Markham made a great effort to tie, but there was no more time. The Orillia were not up to their last year's form, but it is felt here that they are the dangerous class this season and they were matched very closely. The teams were: Orillia, R. Quinn (C), G. Zell, J. Keller; point, F. Ryan; cover point, J. Hamilton; defence, field, T. Doyle, F. Scott, T. Lattimer; centre, L. Doyle; back, J. Scott, R. Quinn; half, W. Barlow; outside home, E. Pennock; inside home, J. Lattimer; Captain, D. Lattimer.

Orillia (7): Goal, R. J. Frost; point, J. Quinn; cover point, R. West; defence field, D. O'Connor, C. Hammond, C. Boyd; centre, E. Dunn; home field, J. E. Curran, T. Wilkinson, G. Armstrong; outside home, H. O'Connor; half, J. James, R. Watson; captain, M. J. Yenta.

Umpires—B. Ferris, Markham; T. Markham, Orillia. Referee—J. C. Churchill, Markham.

Score of the Game.
 Cornwall May 24.—This morning at 10:30 a game of baseball was played. Score: Cornwall 5, Orillia 1. The 20-mile road race of 22 wheelmen started from the Market-square, thence to Bedford and back to the Agricultural Park grounds. H. Donatt came in first, G. Calbert, fourth; J. Humpries, third; G. Calbert, fourth; E. Belcher, fifth. George Patterson secured first time prize, A. E. Axon, second time prize. G. Binley of Niagara Falls was riding the road on the home stretch his wheel broke down.

Basball at Preston. Preston, Ont., May 24.—(Special).—The principal event of the Queen's Birthday celebration at Preston today was an exhibition game of baseball between the Park Nine of Hamilton and the Preston B. C. C. Hamilton won in a garbion finish by the following score:

R.H.E.
 Hamilton . . . 0 5 0 4 3 0 3 0 15 14 7
 Preston . . . 0 4 5 1 0 0 1 1 0-12 18 5
 Umpires: Leong and Scott; Hender-son, Billings and Puffer. Umpire—F. Morrison of Hespler.

Thorold Beat St. Catharines. Thorold, Ont., May 24.—The first baseball match of the season of the Niagara District League was played here today between St. Catharines and Thorold, resulting in an easy victory for Thorold. Score, 22 to 7. St. Catharines gave up the game at their half of the seventh inning. St. Catharines battery—Langley, Tobin and Richardson. Thorold battery—McEvoy and Dogberry.

St. Mary's Beat Uxbridge. Uxbridge, May 24.—Uxbridge defeated Thorold yesterday in a match between St. Mary's and Uxbridge. St. Mary's won by a two-day, the brilliant batting of the home team being the chief feature. C. Maddocks umpire.

Morning game—R. H. E.
 Uxbridge . . . 3 0 2 1 3 4-16
 St. Mary's . . . 1 0 1 4 2 5-13
 Batteries—Medcalf and Defoo; Keoh and Wiggin.

Afternoon game—R. H. E.
 Uxbridge . . . 5 2 3 1 0 0 3 9-15
 St. Mary's . . . 0 2 2 2 4 0 1 3-14
 Batteries—Morris and Defoo; Reid and Wiggin.

Thamesville Beat Chatham. Thamesville, Ont., May 24.—A lacrosse match was played here between Chatham and Thamesville Intermediates, under the auspices of the Thamesville Fire Co. The home team winning by three games to two.

At Petrolia yesterday—R. H. E.
 Petrolia . . . 7 5 2
 Detroit A. C. . . . 4 5 2
 Batteries—McGammwell and Dranger; Burnet and Phillips. Attendance about 400; weather fine.

At Alvinston yesterday, Petrolia Juniors 10, Alvinston 8.

John Smith Won at Guelph. Guelph, May 24.—A large crowd was in attendance at the bicycle races at the Petrie Athletic Grounds this afternoon. The weather was perfect, and some good races were pulled off. Following are the results:

One mile novice—W. N. Burns, Tilsonburg, 1; G. L. Moore, Toronto, 2; T. R. Thompson, Hamilton, 3. Time 2:45.
 Two-mile open—H. Ryan, Guelph, 1; J. E. Short, Toronto, 2; G. C. Abbott, Hamilton, 3. Time 5 min.
 Petrie Track Handicap—H. Ryan, Guelph, 1; W. O'Connor, Guelph, 2; M. Foster, Guelph, 3. Time 5 min.
 Umbrella race—T. R. Thompson, Hamilton, 1; R. Morgan, Hamilton, 2; Finn, 3. Time 2 min.
 One mile open—John Smith, Toronto, 1; G. L. Moore, Toronto, 2; G. C. Abbott, Hamilton, 3. Time 2:30.
 Pursuit race, 4 1/2 miles—John Smith, Toronto, Time 12:50.

Kingsingtons Win Both Games. The Kensingtons Football Club visited Woodbridge on the holiday and played two games in the football tournament. In the first game they defeated the Toronto Junction team rather easily by 2 goals to 0, but in the second, against Woodbridge, they had to play a hard and set game. Their fast combination and great defence play of Easton and Humphrey were too much for their opponents. Toronto scored two goals to 1. The Kensingtons lined up as follows: Pittam, Easton, Humphrey, Brown, Smith, Lett, Quaye, Quaye, Argon, Wilson and Bert Rogers.

Iroquois Kickers Won. Iroquois, May 24.—The first game of the Western Division of the Ontario Football League was played here this afternoon between Iroquois and Chesterville. During the first half Iroquois scored a goal and during the second half each team scored one, giving the game to Iroquois by 2 to 1.

Mimico Asylum Cricket Club defeated Hamilton yesterday on the Asylum grounds by an innings and one run, the scores being Hamilton 43 and 64, Mimico 108. The Asylum bowling was good in both innings, and to this department much of the victory is due. In Hamilton's first innings Broughall a new man, proved very destructive, and A. Beemer was also well on the spot. He also fielded well. In Hamilton's second innings Somerville and A. Beemer again proved too much for the visitors' defence. Gibson, 10 not out; Marsland, 23, and Glasco, 10, were the highest scorers for the Hamilton men. For the Asylum, Gregory, with 84, and Somerville, 34, led the score. The most successful Hamilton bowlers were E. Martin and Marsland, who captured six and four wickets respectively. Following are the scores:

THE TORONTO WORLD.
 ONE CENT MORNING PAPER.
 No. 83 YONGE STREET, TORONTO.

When Women Get Together
 what do they talk about? Their ill-health! They tell about their aches and pains, describe their symptoms in detail, endeavoring to prove their special trouble the most trying and dangerous. Why do they do this? Because they have no one to tell them that they are not alone in their suffering. Many a woman has known how to get well, but she has kept her secret, and her health has suffered. Placed her duty as she is, she has to find a way to get well, and she has found it in the shape of a woman who has suffered from the same trouble. This woman is the one who has found the way to get well, and she is now willing to tell the story of her recovery to all who are suffering from the same trouble. The story is as follows: The woman was suffering from a severe case of dyspepsia, which had been in existence for many years. She had tried every medicine and every diet, but nothing had done her any good. She was becoming more and more emaciated, and her health was rapidly declining. One day, she was reading the paper, and she came across the advertisement for the "Ludella" Ceylon Tea. She bought a box, and she drank it. To her surprise, she found that she was getting well. She was able to eat, and she was able to sleep. She was able to do her work, and she was able to enjoy life. She was able to get well, and she was able to live again. She is now a strong and healthy woman, and she is willing to tell the story of her recovery to all who are suffering from the same trouble.

IMPERIAL FEDERATION.
 The Royal Colonial Institute is doing good service in the cause of Imperial Federation. The paper reads that the Empire from time to time are for the most part right up-to-date, and deal with the subject of Imperialism in an intelligent, practical way. A paper read by Hon. Sir John Robinson, into Premier of Natal, on May 3 last, is a resume of the history of the Empire during the century, with some suggestions as to the possible changes in the constitution that will take place during the century that is at hand. The author of the paper believes that Imperial unity is a sine qua non of the future existence of the Empire. Unless the tie that binds the Empire together is drawn closer, it is inevitable that the nature of things relax and weaken. We are at the parting of the ways, and the course of events must tend towards either closer union or ultimate disruption. So says Sir John, and we commend his remarks to the serious consideration of Mr. Joseph Chamberlain and the British Federation. The latter will speedily undo the mischief it has already made in its action towards the Pacific. Instead of quibbling over details, the British Government should have jumped at the opportunity of agreeing to a project that means so much towards the consummation of a federation that every Briton is longing to see accomplished. Speaking of Imperial Federation, Sir John Robinson thinks it will not be undertaken in a practical way until Australia and South Africa have formed confederations similar to that of the Canadian colonies. That the former will do this is a matter of course, but whether in South Africa the movement has already, so far as a local union is concerned, become an accomplished fact. The creation of these consolidated political fabrics in North America, in Australasia and South Africa will enormously simplify the task of statesmen in combining them all within a confederacy, and a representative Imperial system. The confused and often conflicting voices of many separate colonies will then be confined to the stronger and deeper utterances of a few united Provinces. Strictly Imperial interests and questions can then be dealt with intelligently and effectively, and with a clear conception of claims that have to be reconciled and ends that have to be attained. Two possible methods are suggested by Sir John for securing representation for the colonies in the Imperial Administration. One is the creation of a new consultative, if not governing, body, to be known as the Council of the Mother Country and the colonies shall be proportionately represented. The other is the very simple process of adding colonial representatives to the House of Commons. Precedents for both courses may be found in the history of the Empire. The former is the method adopted in the appointment of colonial members to the Privy Council. Already the nucleus of the machinery required for the constitution of an Imperial Council exists in the present Agency-Generalships, the Agency and importance of which, in the present day, are being felt more and more. The latter is the method adopted in the appointment of colonial members to the House of Commons. The latter is the method adopted in the appointment of colonial members to the House of Commons. The latter is the method adopted in the appointment of colonial members to the House of Commons.

YESTERDAY BREAKS THE RECORD.
 Two facts impressed themselves on the minds of observing citizens yesterday. The first was that the population of Toronto is at least a million. The second fact is that the population of Toronto is in better shape financially than ever were. Never were so many people in circulation on the streets as yesterday, and never was money more freely spent by all classes of the community. The attendance at the Woodbine course broke the record, and the visitors at Munn Park. The Island ferry service was inadequate to handle the crowds that went to and came from the sandbar. The attendance at High Park was about a pair with what prevailed at the opening of the season yesterday, that the Street Car and the Ferry Companies are going to have their facilities taxed to the utmost to handle the traffic this summer. Considering the strain to which they were put, the Street Railway people

A RIDER GETS A TORN FACE—A BOY GETS A BAD GASH.
 Mr. J. Galbraith was wheeling a cart at the corner of Adelaide and Simcoe streets at yesterday evening, when he collided with a horse. He was thrown from the cart, and his face was torn by the horse's teeth. He was taken to St. Michael's Hospital. A boy named John Smith was riding his bicycle on the same street, when he was struck by a horse. He was thrown from the bicycle, and he was taken to St. Michael's Hospital.

RE A CASH REGISTER.
 Lewis A. Schropp of 82 West King-street was yesterday morning having a wash at 104 Bleecker-street. The document was found yesterday with the name of R. W. Perrie to an order for a cash register. Schropp gave himself up last night at Police Headquarters and was immediately admitted to bail.

More Facts About the Wonderful "Pianola"
 It is safe to say that nothing in the last ten years has excited so much interest in musical circles as the introduction of the Pianola. Our warehouses have been crowded for the last two weeks with musicians—many of whom came with doubt, but all of whom departed amazed and delighted at the perfection with which this attachment could render the works of the great masters upon any piano to which it may be affixed. There is nothing mechanical about its effects. The operator need not be a pianist—the attachment plays all the notes itself—but he absolutely controls the touch, tempo and expression.

Among last weeks purchasers were some of the most prominent members in Toronto society.

The pianola reproduces with equal fidelity a Beethoven sonata or a Strauss waltz.

BRICKS FROM GOLDEN STAR

Shipment of Bullion Valued at \$22,600 is Now Announced—Sophie Mountain Strike.

RICHES OF THE SIMILKAMEEN.

In the Boundary Country—Developing Bathmillen and Other Properties Out There.

Yesterday was observed as a holiday on the Canadian Mining Exchanges.

Golden Star Bullion. Mitchell, Wallace & Co., have received a telegram from their correspondent, stating that a shipment of bullion from the Golden Star mine would arrive yesterday and that it amounts to \$22,600.

Sophie Mountain Strike. A Rossland advice speaks of a strike of six feet of ore on the Black Iron claim. The Black Iron is located on Sophie Mountain on Big Sheep Creek, a short distance from the Walteras. The property is owned principally by Hugh McDonald, and he has been developing it for a long time. There is a large surface of quartz, and the Sophie Mountain section is making a number of strikes this year.

The Similkameen Region. From Rossland Miner. J. R. Rea has returned from the Similkameen country. He has been prospecting since early in May. He reports that there are a large number of properties in that section and that the locations are being made every day. The agents of capitalists are following in the wake of the prospectors. Among those who have recently visited that section are Dr. Deeks of Montreal, ex-Governor O'Rourke and others, who are there for the purpose of acquiring properties for themselves or for principal. The present centres of activity are the Twenty-Mile Creek, Tulmension River Camp and Upper Mountain. At Twenty-Mile Creek about one hundred locations have been made recently. The ore found there is principally oriented iron carrying free gold. The ledges are from four to five feet in width. The Nickel Mine on this property is the best in the camp. The ore on this property assays as high as \$300 to the ton. It is also a large property, which is actively engaged in developing it. The Bonter Brothers of Rossland own the Anaconda group of three claims there. One ledge on the Anaconda claims is three feet wide, and carries 28 per cent gold. The other ledge is 18 feet in width and carrying silver values. There are also three ledges of copper ore, 18 feet in width and carrying silver values. The ore is similar to that found on the Rossland property. The Bonter Brothers in this camp, asks \$40,000 for it. There are a large number of locations on Copper Mountain.

Work on the Rathmillen Group and Properties on the Path-Anderson Mountain. Grand Forks, B.C., May 18.—J. M. O'Toole of Rossland, president of the Rathmillen Company, which owns sixteen adjoining claims in Summit Camp, has arrived here to direct development work on extensive scale. Operations were recently suspended owing to the presence of water in the mine. A steam power boiler, hoist and pump will be ordered shortly. Thus far about \$8000 has been expended on the development work, principally in gold.

The case of Mr. G. O. Archibald, of Hopewell Cape, N.B. (a cut of whom appears below), is one of the severest and most intractable that has ever been reported from the eastern provinces, and his cure by Milburn's Heart and Nerve Pills has been reported from the fact that he was given up as incurable by worthy and respected physicians.

Mr. G. O. ARCHIBALD'S CASE. Didn't Walk for 5 Months. Doctors said Locomotor Ataxia.

MESSRS. T. MILBURN & CO.—"I can assure you that my case was a very severe one, and had it not been for the use of Milburn's Heart and Nerve Pills I do not believe I would be alive to-day. I do not know, exactly, what was the cause of the disease, but it gradually affected my legs, until I was unable to walk hardly any for five months."

"I was under the care of Dr. Morse, of Melrose, who said I had Locomotor Ataxia, and gave me up as incurable."

"Dr. Solomon, a well-known physician of Boston, told me that nothing could be done for me. Every one who came to visit me thought I never could get better."

"I saw Milburn's Heart and Nerve Pills advertised and thought I would try them anyway, as they gave more promise of helping me than anything I knew of."

"If you had seen me when I started taking those wonderful pills—not able to get out of my room, and saw me now working hard every day, you wouldn't know me."

"I am agent for P. O. Vickery, of Augusta Maine, and had sold 300 boxes of the pills in 80 days and won a fifty dollar prize."

"Nothing else in the world saved me but those pills, and I do not think they have an equal anywhere."

"The seven boxes I took have restored me the full use of my legs and given me strength and energy and better health than I have enjoyed in a long time since."

Hopewell Cape, N.B. In addition to the statement by Mr. Archibald, we have the endorsement of two well-known merchants of Hopewell Cape, N.B., viz.: Messrs. J. E. Dickson and J. Brewster, who certify to the genuineness and accuracy of the facts as given above.

Milburn's Heart and Nerve Pills are sold in a box of 12 for \$1.25 at all drug-gists, or sent by mail, T. Milburn & Co., Toronto, Ont.

The following is Mr. Archibald's letter:

reported from the eastern provinces, and his cure by Milburn's Heart and Nerve Pills has been reported from the fact that he was given up as incurable by worthy and respected physicians.

The disease, Locomotor Ataxia, with which Mr. Archibald was afflicted is considered the most obstinate and incurable disease of the nervous system known. When once it starts it gradually but surely progresses, paralyzing the lower extremities and rendering its victim helpless and hopeless, enduring the indescribable agony of seeing himself die by inches.

That Milburn's Heart and Nerve Pills can cure thoroughly and completely a disease of such severity ought to encourage those whose disorders are not so serious to try this remedy.

The following is Mr. Archibald's letter:

C.P.R. will run within 50 feet of the property.

I. Gaw, William Newlands and David Shannon of Kingston, Ont., are here locating a site for a planing mill and a saw and door factory, which at the outset will employ 100 hands. They will obtain their lumber on the north fork of Kettle River. They decided to locate here after visiting other points in the Boundary country.

James E. Walker of Spokane has returned from a trip up the north fork of Kettle River. He was greatly impressed with the magnitude of the development work done on Pathfinder Mountain since his last visit two years ago. The Diamond Hitch and Mammoth, formerly an undeveloped prospect, is beginning to look like a mine. On the property there are two or three shafts, an incline and several deep open cuts. The prettiest sight he witnessed was three feet of solid ore in the tunnel averaging \$35 gold per ton.

Mr. Walker said that if drifting in on the ore contained, incidentally, the Diamond Hitch Mt. pit to have the largest body of ore on Pathfinder Mountain.

Mr. Walker said that if drifting in on the ore contained, incidentally, the Diamond Hitch Mt. pit to have the largest body of ore on Pathfinder Mountain.

The same ledge traverses the next claim, the War Cloud, in which Mr. Walker is interested. The property has been opened up by means of two shafts and several open cuts. The formation is a quartz matrix, showing glass and iron with good gold and silver values. At the bottom of a 30 foot shaft there is three feet of good gold.

Mr. Walker said he still entertained the opinion he expressed three years ago to the effect that Pathfinder Mountain could yet prove second to none in British Columbia.

Golden Star. Mr. S. J. Sharps received a telegram from Duluth that the clean-up from the Golden Star has arrived, and the amount is \$22,600. This is a very large amount of bullion, especially on account of the small amount of gold and silver actually carried down for nearly ten months. This will surely place confidence in our people that the mine is all right.

WHERE MEN ARE NEEDED. Demand for Labor Greater Than the Supply Just Now at Grand Forks, B.C., May 18.—(Special Correspondence).—The demand for labor is far greater than the supply. This applies in the same degree to several other points in the Boundary Country. The class that are especially wanted are miners, capable of handling steam drills, wood-choppers, laborers and carpenters. There are not enough of the latter, owing to the activity in building circles here. Wages to miners and carpenters are \$2.50 per day.

J. P. Graves estimates that \$75,000 in wages will be expended here this summer in connection with the building of the Graby smelter. Many carpenters and bricklayers will be needed. At least \$60,000 will be devoted to building a dam and the flume in connection with the proposed smelter. The brick required for the office buildings and smoke stacks will be manufactured here; likewise at least 2,000,000 feet of lumber. The company will also erect a large warehouse. The smelter will be completed late in the fall. Its payroll will average \$700 a day. It is expected that the smelter company within the next year will expend in building operations and in wages to the tune of not less than \$200,000. The bricklayers here are paid \$5 per day.

A CRUEL BLACKSMITH. Branded a Little Five-Year-Old With a Hot Iron Just to Amuse Bystanders. New York, May 24.—Five-year-old Morris Brant suffered agonizing pain yesterday afternoon by William Masterson, who is employed as a horseshoer at 323 Delancy-street. Magistrate Kudlich and Agent Weithing of the Gerry Society caused the boy and found that five letters had been branded into the child's flesh, but only two were legible. Masterson was arrested and taken to court, where Agent Weithing said that he had been under the impression that Masterson had committed the outrage for the amusement of some bystanders and brought his note, which says he was employed as a horseshoer at 323 Delancy-street for examination.

Who Commands the Trim Steamer Garden City—Brief Sketch of His Career. Capt. Robert Cooney, who commands the trim steamer Garden City, needs no introduction to citizens of Toronto. People who have enjoyed a trip under his care during the past seven years, will never forget the genial and obliging Robert. Although only 33 years of age, he has had a wide experience on the water. He was born in Port Dalhousie and at 14 years of age en-

gaged himself with a vessel. For years he traded between Chicago, Duluth and Kingston, and it was on the latter voyage that he met the Modjeska. Capt. Cooney is also a favorite at the American ports and at one time was the only Canadian captain that dared enter Buffalo harbor. He possesses many presents, which he has received from various associations and clubs. He took a big excursion party to Oshawa yesterday, when he again endeared himself to many thousands.

N. P. GRANTED RIGHT OF WAY. Forage La Prairie Evidently Wants the Competing Line—F. R. Ouellette Opposed It. Forage in Prairie, Man., May 24.—The Council has unanimously granted the Northern Pacific Railway for its western extension a width of 33 feet on Pacific-western lands.

This was vigorously opposed by Manager White and W. H. Culver for the C.P.R., and the Council has decided that the company can now apply at Ottawa for leave to cross the C.P.R. tracks, which could not be done before the law was carried.

County Court Cases. The cases set for trial in the County Court to-day are Hogg, Wilmut, Glover and Brook v. Metropolitan Life Insurance Co. (four cases).

YANKS INVADING KINGSTON.

A Lot of Soldiers Came Over and Captured the Limestone City Yesterday.

THEY WERE ABOUT 600 STRONG

And Canada's Soldiers Gave Them a Full Sway Without Making Any Resistance.

Kingston, Ont., May 24.—Six hundred United States soldiers, naval reserves and military cadets today joined the Kingston militia units in honoring the Queen's Birthday. The visitors had a brilliant time. They owned the city.

The visitors came from Syracuse, Auburn, Elmira, Oswego, Rochester and Watertown, N.Y., and represented the Third New York Battalion, under command of Major A. M. Hall of Oswego, N.Y.

The forces came by steamer from Oswego, and reached here at 6 a.m. They fired a salute of 21 guns from the vessel, and Port Henry responded with a reverberating volley, by order of the Minister of Militia.

Twenty thousand witnessed the review at the Exhibition Grounds in the forenoon. They enjoyed the marching and saluting, and were enthusiastic over the way "the boys" cheered the Queen and fired volleys in her honor.

Major Hall received the gift, and gave the flag a place of honor in the ranks. Lieutenant-Colonel Henderson, D.O.C., was reviewing officer. The Canadian forces were a Battery, Royal Military College Cadets and 14th W.O. Rifles, all city corps.

The College Cadets of Manitowish, N.Y., in blue and white and gold, were a brisk, active force. The navy reserves of Rochester, N.Y., were sturdy and hardy, the militia men quick and bright, but the Canadians outshone them, the cadets of the C.C. going by like a stone wall. The infantry had the British swing and step and caused a bounding feeling among the spectators. The dash and fervor of the artillery as it went by at a gallop was an interesting sight.

The citizens lived in giving hospitality, and the visitors were most enthusiastic over the way "the boys" cheered the Queen and fired volleys in her honor.

TORONTO PEOPLE AT BARRIE. The Elms Went North to Play Lacrosse and the Crawfords and Arctics to Play Baseball.

Barrie, Ont., May 24.—Queen's Birthday was celebrated here in the sporting line by a cricket match between Barrie and Orillia, Barrie winning by 12 runs, Orillia having one wicket to fall in the second innings.

The Elms and Crawfords went to Toronto to play lacrosse with the Toronto Elms and Barrie Intermediates the latter won by 7 goals to 0.

The baseball match between Barrie and Orillia was played at the latter place and was won by the visitors by 12 to 1. A second baseball match between the Crawfords and Orillia was played. The former team winning. A large crowd arrived here from Toronto to witness the game.

Georgetown Celebrated. Georgetown, Ont., May 24.—Splendid weather brought out a large crowd to the races and other sports held here to-day. In the morning there was an exciting baseball match between the Resolute of Toronto and this town, which resulted in a victory for the former by 13 to 0.

The races in the park in the afternoon were all very keenly contested, and added another to the long list of successful meetings held here. In the evening a very successful concert was given by the Georgetown Dramatic Club.

Games at Galt. Galt, May 24.—A lacrosse match was played here to-day between Galt and Orillia, and resulted in a victory for Galt by 5 to 0.

A cricket match was played between the Night Owls of Toronto and Shamrocks of Galt resulted in favor of Galt by 10 to 0.

CAPTAIN ROBERT COONEY, Who Commands the Trim Steamer Garden City—Brief Sketch of His Career.

Capt. Robert Cooney, who commands the trim steamer Garden City, needs no introduction to citizens of Toronto. People who have enjoyed a trip under his care during the past seven years, will never forget the genial and obliging Robert. Although only 33 years of age, he has had a wide experience on the water. He was born in Port Dalhousie and at 14 years of age en-

gaged himself with a vessel. For years he traded between Chicago, Duluth and Kingston, and it was on the latter voyage that he met the Modjeska. Capt. Cooney is also a favorite at the American ports and at one time was the only Canadian captain that dared enter Buffalo harbor. He possesses many presents, which he has received from various associations and clubs. He took a big excursion party to Oshawa yesterday, when he again endeared himself to many thousands.

N. P. GRANTED RIGHT OF WAY. Forage La Prairie Evidently Wants the Competing Line—F. R. Ouellette Opposed It.

Forage in Prairie, Man., May 24.—The Council has unanimously granted the Northern Pacific Railway for its western extension a width of 33 feet on Pacific-western lands.

This was vigorously opposed by Manager White and W. H. Culver for the C.P.R., and the Council has decided that the company can now apply at Ottawa for leave to cross the C.P.R. tracks, which could not be done before the law was carried.

County Court Cases. The cases set for trial in the County Court to-day are Hogg, Wilmut, Glover and Brook v. Metropolitan Life Insurance Co. (four cases).

THE DAWN OF A NEW ERA

'PERSPIRINE'

The mind of our race has made many strides since the days of St. Paul. Gropping through the darkness of the senses men owe to reason, science and letters, all that is best in nature—in the dark days of old distress and misery was endured by scores of men sweating under the straps, etc., producing in turn irritation and skin disease, and making life miserable. An absolute cure for the above is to be found in a few applications of 'PERSPIRINE,' a liquid preparation for sale by all druggists, or on receipt of price, 50c to S. BASSETT & CO., Agents, Toronto.

Lugsdins' Big Moving Sale.

We're getting 84 Yonge St. in order to move there.—The house is in the hands of the architects and plans are being submitted to get the premises up in splendid style. We intend it shall be the finest hat and fur store in the city.—But in the meantime we're holding a big clearing sale.

Our entire stock of new goods for the season is opened up here.—Some of it will be very hard to move without soiling.—Rather than take the chance of its being damaged a particle, we are willing to lose most of the profit, to clear out as much of our summer stuff as possible before moving day, and we are offering to give on our entire stock of fine English and American hats, and our beautiful range of dress hats, walking hats, and sailors for ladies.

A Straight Discount of 10 per cent on all our regular prices, excepting only Youmans and Hawes hats for men. The sale has been running for ten days now.—That these prices cuts have been appreciated by everybody is evident from the quick selling that has been going on, particularly among our high priced goods.—We bought big anticipating a big business, and this big reduction means big money saving to you.

Just one item—25 cases of fine English and American pearl soft hats, beautiful quality, summer weight, that were regularly sold at \$3.00, will clear \$2.50

Why the stock of the Rainy River Gold Mining Co. is a first-class, safe investment.

(1) Their "Wimbor" property (800 acres), alongside the railway, with a flag station and switch, has large ore bodies that will pay right from the surface. A shaft on one of the "Electro Gold" property (280 acres), near railway, has the great "Scramble" vein for over 2000 feet, which is proved to be over 60 feet wide shaft at 15 feet in solid ore averages \$6.50.

(2) Their "Leadur" property (80 acres), within two miles of custom mill at Keewatin, by land or water, has 50 feet wide vein, assaying 10 miles from mill by water, has a balanced ore vein about 500 feet wide. Assays on surface from \$8 to \$50.

(3) Their "Lockwood" locations (200 acres), in the edge of Manitowish, are finely mineralized and surface assays have ranged from \$4.50 to \$238.

(4) Their "Pictoria Lake" property (100 acres) has splendid ore veins. One 10 feet wide assayed on surface \$6.50.

(5) Their "McCallum Point" property (112 acres) has long been considered by prospectors one of the richest in the Lake of the Woods.

(6) Their "3000" property (180 acres), lying alongside of railway, within two miles of Keewatin, has large ore veins.

(7) Their "War Eagle Lake" properties (100 acres) are reported to have highly mineralized ore veins, but no assays have been made.

(8) Their other properties, aggregating at least 20, are in description equal with the above. A limited number of shares only will be sold to start the shipment of ore. OFFICES—Rat Portage, Ont.; 54 Yonge-street, Toronto; 71 Broadway, N.Y. 246

A Glorious Day and Excellent Exhibits

Made Richmond Hill Fair

a Success.

A GREAT TIME AT ONTARIOVILLE.

The Annual Rally of Christian En-

deavors Held Yesterday—Other

Notes of the County.

If there is one day more than any other

in the year that brings bliss to the hearts

of the villagers of Ontarioville, that day

is May 24, because on that day the annual

spring fair is held.

The weather of yesterday and the

splendid transportation facilities provided

by the Metropolitan Railway, the crowd

outlasted that of any previous occasion.

As early as 7 in the morning the throng

began to gather, and till 5 in the evening

the cars and streets were continually adding

to the large assemblage that had accumu-

lated in the village.

The visitors were a most orderly crowd

and the services of Chief Browne

were scarcely called into requisition.

Excellent Exhibits.

The directors had made ample provision

for a large list of competitors in the var-

ious departments, and the judges, especially

in the horses, had a very difficult task to

perform. Some magnificent specimens of

horses were exhibited, and especially might

be noted in the contest for the best

gentleman's turnout, where after many

spurs to show the gait of the animals,

and much technical examination, that shown

by Mr. G. Gallanough, Thornhill, carried off

the prize.

In Canadian heavy draughts, Mr. George

Ormanly captured both first and second

prizes in the harness race. In harness

race, J. J. Ash, Unionville, first, and

F. Gallanough, Thornhill, second, and single

seater, by Mr. J. Proctor taking second prize.

The cattle event was up to the standard

of the horses shown, were probably the best

that have been exhibited here in years, and

a similar comment might be made on the

sheep.

The poultry, dairy products and fine arts

and indoor work did not produce competi-

tion sufficient to make this branch of the

fair as interesting as it might have been.

Targets for Catskills.

Two incorrigible boys named William

MISSION WAS NOT MASSACRED.

The Fourteenthamy Mission Repulsed the Attack of the Surrounding Tribesmen.

Tripoli, May 24.—A messenger has arrived here from the Fourteenthamy Mission, which was supposed to have been massacred by Arabs, reporting its arrival at Ain, in the Sahara, where the mission fortified itself and repulsed the attack of the surrounding tribesmen, of whom ten were killed without any loss on the French side. A report of the mission, numbering 50 men, is reported to have been attacked and to have suffered severe losses.

U. S. SAILORS MUTINY.

There Was a Hot Time on the U. S. Survey Steamer Blake Off the Indies.

New York, May 24.—A despatch from Bridgeport, Conn., says: George B. Beardsley, formerly of this city, and whose father now resides here, is second officer in command of the United States survey steamer Blake. In a letter to his father, Mr. Beardsley writes that a mutiny occurred on the ship while he was in command of the West Indian coast. Mr. Beardsley at first attempted to reason with the rebellious crew, but as they would not listen to him he used force and soon a number of the mutineers were quelled and refused to support their leaders. This resulted in a free fight, in which arms and noses were bitten off. The mutineers were finally put in irons and placed in the brig. A report of the mutiny went to the Government, but has not been made public.

McKENZIE IN NEW YORK.

It is Said He is Trying to Get Running Rights From the N. P. R.

Winnipeg, May 24.—It is reported that Mr. William McKenzie is in New York this week, conferring with President Meillon of the Northern Pacific Railway, with a view to procuring running rights over that road, with terminal facilities. It is understood that if this is not accomplished the company will build an independent line into the city from Portage la Prairie.

LITTLE WILBERT WAS DROWNED.

Fell into the Water and Was Not Found Soon Enough.

Burlington, Ont., May 23.—A sad drowning accident occurred here last night, when Wilbert, the 13 month old son of Robert Tuck of the lakeshore lost his life. The little fellow was playing around the house and fell into the water, but was not found until 10 minutes in the water, but was beyond all aid when taken out. His parents are heartbroken.

A Magic Pill-Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Subdued, and to all appearances vanquished, it betrays its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach cause much suffering. To these persons Vegetable Pills are recommended as mild and sure.

Thomas Loves' Body Found.

Brantford, Ont., May 24.—The body of Thomas Loves, drowned on the G. T. I. bridge during high water time, about a month ago, was this morning found about a mile and a half below the bridge, partly embedded in sand on the Two Fish Islands. The body was somewhat decomposed.

Death of Mrs. Jankeway.

Stayer, Ont., May 24.—Mrs. Jankeway, wife of Dr. Charles E. Jankeway, the well-known writer, and mother of Mr. Harry W. Jankeway, editor of the Stayer Sun, died on Tuesday, May 23, aged 70 years. The funeral took place this afternoon, and was largely attended.

Duel May Prove Fatal.

Paris, May 24.—M. Castele Mendes, the French author and dramatic critic, who fought a duel with swords, yesterday on the Ile de la Grande Gatte, with M. Van der, and who was seriously wounded in the abdomen, is in a grave condition, suffering from internal hemorrhage.

Joined the Trades' Council.

The Journeymen Horseshoers' Union met on Thursday night and decided to become affiliated with the Trades' Council. These members were selected to attend that body's Messes. McKague, James Smith, William H. Lodge.

Cutting Wants a Divorce.

New York, May 24.—Robert L. Cutting has brought suit for an absolute divorce against his actress wife, Minnie Seligman, who is now playing at a "continuous performance" theatre in this city.

Children should always increase in weight. Not to grow, not to increase in flesh, belongs to old age.

Present and future health demands that this increase in weight should be steady and never failing.

To delicate children, Scott's Emulsion brings richer blood and firmer flesh. Better color comes to the cheeks and stronger muscles to the limbs. The gain in weight is substantial; it comes to stay.

THE TAMPA BOYS AT MADOC

They Gave the Mining People an Exhibition of Drill Which Was Interesting.

MINING MEN ALSO DRILLED.

The Day Was the Greatest in the History of the Town—Great Crowds Turned Out.

Madoc, Ont., May 24.—The special train from Toronto and Belleville, bringing the Tampa Cadets, arrived at 10 o'clock this morning. Eight railway coaches were crowded. The procession was formed at the station, with the Cadets leading the way. The Bicycle Club and drummen from Madoc, Belleville and Madoc taking part presented one of the best processions ever seen here.

On arrival at the grounds, the baseball match between Toronto Cadets and Albert College, Belleville, was put on, resulting in a 2 to 1 in favor of the Cadets.

Noon hour having arrived, the crowd dispersed for dinner. The hotel accommodations being limited, dinner was put on at 10 o'clock, and the dining rooms were crowded till 4 o'clock.

A Mass of People.

The grounds in the afternoon were simply a mass of people. The drill by the Cadets was exceptionally good. The drilling contest by miners created great excitement, it being the first of its kind ever put on a program in these parts.

First and second prizes were carried off by the Canadian Gold Fields team, who drilled 100 inches in hard rock in 10 minutes' time.

The lacrosse match between the Tecumseh and Madoc teams was won by the Tecumseh in three straight sets.

The mineral exhibition was one of the attractions of the day, and was pronounced by everybody as being grand.

The Cadets were evidently well pleased with their trip, and appeared to enjoy themselves immensely, and, without exception, it has been the best celebration ever held here in every respect. The management are delighted with their success, and everybody is happy.

The seats for the concert to-night were sold in advance.

WOODSTOCK'S CELEBRATION.

Bicycling and Baseball, Besides Other Sports, Made Up a Great Program.

Woodstock, Ont., May 24.—The celebration opened here this morning by a tradesmen's procession, nearly every business firm in town being represented in some way. Then the Hay Baseball team played the Crescents of Toronto, resulting in a tie, 4 to 4.

The baseball team played St. Thomas, resulting 11 to 1 in favor of the Bains.

Bicycles Races.

The opening of the afternoon program was a quarter-mile amateur, open, bicycle race—Sherrett, Brantford, 1; Moore, Toronto, 2; Wilton, Tilsburg, 3; Time 2:17. One mile factory, local—Howell, 1; Robinson, one prize given.

Two mile factory race—Elliott, Beachville, 1; Montgomery, Woodstock, 2; Storey, Norfolk, 3; Time 5:45.

Half mile amateur—Moore, Toronto, 1; Sherrett, Brantford, 2; Deely, London, 3; Time 1:40.

100 yards foot race, Collegiate cadets, to Col-Burgess 1, Brink 2, Turner 3, Time 1:15.

One mile amateur, open—Sherrett, Brantford, 1; Moore, Toronto, 2; Hannan, Toronto, 3; Time 2:26.

One mile county championship, dead-end between Wilton and Stratton, both of Tilsburg.

Boys' shoe race, local—Lawrence 1, Morrison 2, Wright 3.

Assault at arms—Sergt. Grant of 48th Highlanders, Toronto v. Private McChyne of 48th Queen's Laners, Imperial service, bayonet v. bayonet, and sword v. bayonet. Bain Baseball Club v. St. Thomas Dominions, afternoon game—Bain 7, St. Thomas 2.

HOW'S THIS FOR A BIG FISH?

This Brook Trout, Caught by Mr. James Allego, Weighed Just Four Pounds.

There are thousands of followers of Izak Walton in Ontario who would shove up their last cent to catch a fish of extraordinary size. It is generally the man who least expects him who gets the big fellow. But Mr. James Allego of Simcoe caught one such on Tuesday.

General Lawton is Now Taking a Rest After His Marvelous 30 Days' Campaign.

Manila, May 24.—(6:25 p.m.)—Two companies of the Third Infantry and two companies of the 22nd Infantry, forming Gen. Lawton's rear guard, returning from San Miguel to Baling, yesterday, escorting a signal party, which was picking up wire laid with Gen. Lawton's expedition, found that the insurgents had re-occupied the country and had fighting followed from daylight until the Americans camped at night. But the troops completed their work, though harassed by the enemy.

One American was killed and 41 were wounded. The troops captured 20 prisoners and 30 rifles.

Five Men Were Drowned.

It is reported today that five men, instead of one man, were drowned by the sinking of a raft, loaded with soldiers of the 14th Regiment, at the Taig Ferry yesterday. Twenty insurgents were killed and 40 wounded in the engagement with the British reconnoitering party in the vicinity of Santa Arita yesterday.

Lawton a Fighter.

General Lawton with most of his troops arrived at Malolos. His remarkable expedition marched 120 miles in 20 days and had 21 fights, captured 23 towns, destroyed 2800 bushels of rice and only lost six men killed and 31 wounded. The general himself was not wounded.

The United States commissioners and many American officers celebrated Queen Victoria's birthday today on board the British first-class cruiser Powerful.

LAWTON TAKING A REST After His 30 Days of Successful Campaigning With 6000 Men.

New York, May 24.—Gen. Lawton, after 30 days of successful campaigning, is resting with 6000 men at Candaba, says a Manila special to The Journal. He said: "It pained me when we got into San Isidro to see on the walls of the prison there the names of the 15 Americans from the Yorktown. From Colonel Ray, the Spanish officer, whom we rescued, I learned that one of the American prisoners escaped from his captors. His freedom was short-lived, however, for he was afterwards recaptured. He was stretched on the ground before his fellow-prisoners and 20 lashes were given to him.

"We found a letter near San Isidro, written by one of the Yorktown crew, saying that they were being kicked, that their hair was being pulled out, and that they were cruelly treated in various other ways and praying their fellow countrymen to hurry to their release."

Sherman's Denunciation.

New York, May 24.—A Pittsburg special to The World says: John Sherman, secretary of State, was in Pittsburg today on his way to Mansfield, Ohio, where he will spend the summer. He was vigorous in denunciation of the Administration and its conduct of the war against the Philippines.

He said: "The war that is being waged by the United States Government against the Philippines is as cruel as it is unnecessary. We promised them independence, and instead gave them merciless and devastating strife. It is too bad that we ever got into this trouble with those people."
