The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
General Reference Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\longrightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
General Reference Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés, en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\longrightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE Toronto Public Library was opened for public use on the sixth of March, 1884. The urgent demand for books induced the Board of Management to consent to its being opened at that date, although only seven thousand volumes were ready for the shelves, and only a written catalogue could be supplied. Since that time the necessary alterations and additions have been completed ; about eight thousand volumes added to those already on the shelves of the Circulating Division ; and the present Catalogue has been compiled. Under these circumstances, it has been found advisable to limit the Catalogue to the simplest form of Author and Title-List. It is, however, intended to supplement this by the issue, at regular intervals, of a bulletin of new books and additions, and by a Subject Catalogue.

At an early date, efforts will be made to issue a complete Dictionary Catalogue.

About 11,000 works will be found catalogued in this volume. Each book has been entered separately, under the author's name, when known, and under the first word in the title of the book. In no case need a book be looked for under the prefatory articles *A*, *An*, or *The*. Thus "The Colours of Flowers, by Grant Allen," will be found under—

ALLEN (Grant), Colours of Flowers.

COLOURS of Flowers, by Grant Allen.

A new and improved Indicator has just been placed in the Reading Room on which every book in the Circulating Division is represented, and its absence or presence denoted. Each volume in this Catalogue has been made a separate entry, so as to aid the reader in quickly ascertaining this fact.

The Catalogue of the Reference Library, which contains about 11,000 volumes, will be printed as soon as the Card Catalogue now in preparation is completed.

JAMES BAIN, JR.,
Chief Librarian.

EXTRACTS

FROM THE

RULES AND REGULATIONS.

The Reference and Circulating Libraries shall be open every week-day from 9 a.m. to 9.00 p.m., except Christmas Day, New Year's Day, Good Friday, Dominion Day, any day appointed by Government or Civic Proclamation as a Public Holiday, and such other days as the Board of Management may direct for the closing of the whole or any portion of the Library.

No person shall be admitted in an intoxicated, disorderly or uncleanly condition. No audible conversation will be permitted, and no person will be allowed to smoke, partake of refreshments, spit, ramble about the room, or bring any dog into the building.

No person shall be allowed to pass within the enclosure, or take any books from the shelves.

No person under the age of 14 shall be admitted to the reading room or reference library.

Any resident of Toronto shall be entitled to borrow books on signing the application, and upon obtaining the signature of one rate-payer (who must be approved of by the chief librarian or the Secretary) to the following guarantee * * * * or upon depositing the sum of three dollars with the librarian.

Each borrower, on payment of five cents, shall be supplied with a ticket, inscribed with his or her name, address and register number, which must be renewed at the expiration of the time mentioned thereon. This ticket must be presented whenever a book is borrowed or renewed, and, if lost, will not be replaced until thirty days after written notice of the loss has been given, except upon sufficient consideration by the librarian. Immediate written notice of change of residence

must be given at the library. Neglect to give this notice will subject the borrower to forfeiture of privileges.

Each borrower is entitled to take one volume of octavo or larger size, or two volumes of smaller size than octavo, they being the same work.

Books may be retained two weeks, and may be once renewed for the same time.

Books of recent date, labelled "Seven-day Book," cannot be retained more than one week, and cannot be renewed.

A fine of three cents per day shall be paid on each work, whether bound in one or more volumes, which is not returned according to the provisions of the preceding rules. No other book will be delivered to the party incurring the fine until it is paid.

Should a book not be returned within fourteen days after the expiration of the prescribed time, an additional charge of twenty-five cents shall be added for costs of collection, and if the book is not returned within six weeks from the day of issue, legal proceedings shall immediately be taken to recover the value of the same, with all fines and charges.

Writing in books is prohibited, and all injuries to books, and all losses shall be promptly adjusted to the satisfaction of the librarian.

Any person abusing the privileges of the Library or violating these regulations shall be temporarily suspended from the use of the Library, and the case shall be reported to the Library Committee for proper action thereon.
