The copy filmed here has been reproduced thanks to the generosity of:

New Brunswick Museum
Saint John

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

New Brunswick Museum
Saint John

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon la cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. On the trial of any such action it shall be sufficient to prove that the defendant at the time of making such assessment was a holder of one share or more in the said undertaking, and that such assessment was in fact made; and it shall not be necessary to prove any other matter whatsoever; and thereupon the said Company shall be entitled to recover what shall be due upon such call, and interest thereon.

15. 20. The Common Council in the City of Saint John, and the Commissioners of Roads in the several Parishes through which such Railway may pass, shall have the right to take up and open the streets traversed by the rails, either for the purpose of altering the grades thereof, or for any other purpose; and any Commissioner or Commissioners, Corporation, or person or persons, authorized by law to carry on any public or private works, as the laying down pipes for gas or water drains, sewers, or other work whatsoever, may also remove such rails, or any part thereof, for any necessary purpose within their power and authority, without the said Company being entitled to have or claim any compensation or damage therefor, or for any cost, expenses or detention occasioned thereby; provided always, that in case such works be disturbed by the Saint John Gas Company, or any other private Corporation now existing, or that may hereafter exist, then such private Company or Corporation shall relay the rails in as good condition as they were before such disturbance took place, and with the least possible delay.

21. Cars shall not be driven on such Railway, or any part thereof, at a greater speed than at the rate of seven miles per hour; and two or more bells shall be attached to each horse while in use on such Railway; provided that within the limits of the City of Saint John the rate of speed shall be regulated from time to time by the Common Council of the City; no freight or luggage shall be carried or conveyed on such line of Railway, on any of the cars driven or employed thereon, unless in charge of a passenger, and then the weight carried at any one time, in charge of any one passenger, shall not exceed sixty pounds.

22. The said Company shall have power to make, ordain, establish, alter and amend, at any general or special meeting,

23. A toll is hereby granted and established for the sole use and benefit of the said Company, upon all passengers, and also upon property of all descriptions which may be conveyed and transported upon said road, under the provisions of this Act, at such rate and rates of fare as may be established and determined from time to time by the Directors of the said Company; and the same may be recovered with costs by the said Company, in any Court of competent jurisdiction; and whoever fraudulently evades or attempts to evade the payment of any toll or fare established by the said Company, either by giving a false answer to the collector of the toll or fare, or by travelling beyond the point to which he has paid the same, or by leaving the rail car without having paid the toll or fare established for the distance travelled, or otherwise, shall be punished by fine of not less than five dollars nor more than twenty dollars for each offence, to be recovered with costs in the name of any person who may prosecute for the same before the Police Magistrate of the City of Saint John, or the Police Magistrate of the Parish of Portland: Whoever does not, upon demand, first pay the lawful toll or fare, shall not be entitled to be transported over the railways or tracks of the said Company.

24. When the accumulation of snow or ice on the streets or highways along the line of Railway shall be such as to permit the use of sleighs or sleds, it shall not be lawful for the said Company to remove the ice or snow from such line of Railway, but they shall have and provide suitable conveyances by sleighs and sleds; any person or persons cutting out or removing any ice or snow from the rails or track, in violation of this

25. The said Company, for the purpose of funding its floating debt, or for money borrowed for the purpose of constructing or equipping any of its railways or tracks, or the necessary works of the Company, may issue Bonds in sums of not less than one hundred dollars each, payable at periods not exceeding twenty years from the date thereof, and bearing interest not exceeding the rate of six per cent. per annum.

26. The privilege hereby granted to the said Company shall extend over a period of forty years from the passing of this Act, but should the said Company at any time give up the working and use of the said Railway, or cease to exercise the privileges hereby granted to them, they shall be bound to remove the rails after three months notice from the Common Council, and to put the streets traversed by the rails in good repair and condition.
