This Sarsaparilla is a combination of

Its ingredients are so skilfully com-bined, that the full alterative effect of

each is assured, and while it is so mild

as to be harmless even to children, it is

still so effectual as to purge out from the

system those impurities and corruptions which develop into loathsome disease.

The reputation it copys is derived from its cures, and the infidence which

prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being

received, and as many of these cases are

publicly known, they furnish convincing

evidence of the superiority of this Sar-

saparilla over every other alterative medicine. So generally is its superi-ority to any other medicine known, that

we need do no more than to assure the

public that the best qualities it has ever possessed are strictly maintained.

THE IRISH PEASANT .- Says the Pall Mall Gazette: -- When it is said that the Irish peasant is incorrigibly lazy, we ought to remember that in most of Ireland it is exactly the labor of these peasants that has given to the land whatever value it possesses, and that when they go to the Eng-lish harvest their industry is of the most strenuous.

A WATER PROOF LOCOMOTIVE .-The locomotive which, with its train, went down with the Tay Bridge, is now running regularly between Glasgow and Edinburgh. For three months it lay in the bottom of the Tay, but when it was brought up it was found uninjured, except the funnel, dome and weather board, which had to be renewed.

DEATH OF A TRAFALGAR VETERAN. -James Coull, one of the best known inhabitants of Montrose, Forfarshire, died recently at Coull, The advertising rates in the WERKLY STAR | who had reached his 96th year, was when a young man seized by a press gang while serving on board a merchant ship, and drafted on board took part in the battle of Trafalgar. He afterward joined H.M.S "Shannon," and in the capacity of quartermaster steered that vessel into action on the occasion of the memorable fight with the "Chesapeake" off Boston harbor on the 1st of June, 1813. In that action he was severely wounded, a round shot completely shattering his wrist.

to the Giver of all goods things the year.

We had a lengthy article under the above caption but had to suppress it for want of space.

### EDITORIAL NOTES.

The Local Government is in session at Fredericton.

The Opposion now have neither a policy nor a leader. One portion of the party repudiates Blake the other repudiates Mackenzie.

Beyond question Messrs. Lawlor and Coggin have been illegally elected. They therefore do not represent us; and Chatham stands today without | through the Republican ranks all over conneillors.

The Canadian Ministers are get- from New York. ting no end or banquets in their favour through the Upper Provinces. The country has entered on an cra of prosperity and the people feel it.

At the next election the following counties will send supporters of the York State Legislature by, over 1,000 Government to the Commons, beside majority. those already there. York, St. John, Charlotte, Sanbury, Westmorland, Northumberland, Gloucester. The Government will have decided gains through the other provinces as well.

#### CHAMPIONING THE GOVERNMENT'S ENEMIES.

IF the Advocate continue to throw openeits columns to Mr. Collector still is it for a reputed Conservative jurnal then to throw open its columns for the excuses of cither him or his friends. Mr. Ferguson has and when duty to the public service nere. and the party demands our exertions observed are most of them largely in advance of the Government upset we know no stop. Other rotten sheep too shall be duly exhibited in our columns.

THE PACE OF PROSPERITY.

The downfall of the country was predicted by leading Grits as a result of the National Policy. Even the stupid and illiterate ones forecold blue ruin. For example Mr. Jabez Snowball said the N. P. would ruin the lumber trade of Northumberland. Our readers know all about that. And here is further proof from the port of Newcastle for October just passed. Notice the comparison with October of last year-and then you have the rate at which "this country is going to the dogs."

IMPORTS FOR OCTOBER.

1879 \$1371 \$788 \$3453 EXPORTS FOR OCTOBER.

A ble in this emergency. InVenice now from Herat has been looted between majority of these voters elects the no one would think of clossing the Girishk and Farral; the result will be to THIS was Thanksgiving day, President. But the vote goes in a streets without a boat; and when arrest all trade from the north. Own and the people of the Dominion way that to us seems queer; more than young ladies go out to make their ing to the uncertainty as to the future, had great reason to be thankful that quite unfair. Suppose out of the population of sowing their land.

Suppose out of the gondola and paddle from door to door. Here they are obliged to wade along, or wrangle through the sowing their land. for his manifold favors during recorded for the same side as the 18. mud. If we expect to be equal From several sources confirmation ar In other words each State goes solid with the times we must shake off rives of the statement that a general to one side or the other. In this way our old customs and be up and tribal rising will take place in the Tilden at last election lost the election, doing. Let us first have the scows winter. The Zemindawar sirdars have hough by throwing all the states then beyond doubt, the ladies will forbidden all supplies to leave the counogether and counting the individual soon follow with dainty little try for Candahar under the penalty of paddle boatspros and cons he had a fine majority. On the second Wednesday in Feb

> ruary the result will be officially declared. We this afternoon received the following despatch from New York.

(Special to STAR.) NEW YORK, Nov. 3. A Waterloo defeat for the Demo crats. Garfield elected. New York gives Garfield 40,000 majoricy. Rhode Island, New Jersey, and Connecticut have all gone Republican.

This then is a great day of jubilation

#### (Special to STAR.)

A number in Chatham and Newastle will be pleased to learn that R. D. Williams who accompanies T. D. Adams to Miramichi on his summer visits, has been elected to the New

#### CROWN LAND SALES AT FREUERICTON.

The following special despatch to the STAR from Fredericton gives particulars of the Crown Land sales held there yesterday :-

FREDERICTON, Nov. 3. Ferguson and other bitter enemies of the Government, it will fix the imwas lively, Richards holding the pression surely that it has "turned fort. Sales commenced at 12 o'clock over." Mr. Ferguson's desertion of and were as follows: -2,000 acres in his party and his gross mismanage. Restigouche, 10 lots in all, bid off in ment of office is bad enough—worse \$1.55 to \$2.96 per acre; 10 000 acres been unfaithful to his party and un- to \$2.01 per acre; 700 acres on Bass derry, St. John County at \$1 per The prices realized it will prices, \$1.00 per acre."

From this it will be seen that the prospects for the timber trade the coming year, are better than for a long time before. Entered as we have into a better era, speculators have confidence, and open their purses freely. The light of the new day is shining.

### THE FIRST CHURCH AT NEPISIGUIT.

THE exertions of the French Jesuits in an evil and licentious age to spread the blessing of religion and civilization among the savage tribes of Canada will be fremembered by the world while undannted courage and unexampled self devotion present any merits in the eyes of the human race. The first among this devoted band was Enemond Masse a native of the VALUE. city of Lyons, who like the great \$126,518 Apostle of the Gentiles disdained not to labour with his own hands since in company with his companion

Second, that the imports for October to obtain a supply of fish for the Healy are, "If you don't give up, past have more than doubled the im- famishing people among whom the the Land League will visit you." ports for October 1879—whereas the dwelt. It would be hard Alfonso, he penned the Shah, the shab-Hutchison's mill is humming now, and employs a good many men. It was reported that Morrison's mill would start up again, but we fancy it is getting too to give a closer of a better description of this age of frauds that ne hook-nosed, spat upon the kirt of the Empress Augusta, and up again, but we fancy it is getting too to give a closer of a better description of this age of frauds that ne hook-nosed, spat upon the kirt of the Empress Augusta, and the weather.

The was a hook-nosed, spat upon the kirt of the Empress Augusta, and this noble type of man and correstant to clear it.

The kind of a commissioner we want.

There is a general complaint among fession like him.

There is a general complaint among the people of the neighborhood about this in this age of frauds that ne hook-nosed, spat upon the skirt of the Empress Augusta, and the ever met. He was a hook-nosed, spat upon the skirt of the Empress Augusta, and the ever met. He was a hook-nosed, spat upon the skirt of the Empress Augusta, and the ever met. He was a hook-nosed, spat upon the skirt of the Empress Augusta, and the people of the neighborhood about this originality is of the most startling to clear it.

The kind of a commissioner we want.

There is a general complaint among the people of the neighborhood about this originality is of the most startling to clear it. far advanced in the season new. Yet we movement showed the possession of He went to England to negotiate a loan, matter; but they are without redress. I learn that the Gulf Stream waters pour up Belle Isle Strait this fall, at a higher temperature than ever before since note has been taken of it; and that for this reason we have had unusually mild the middle, left the reason we have had unusually mild the middle, left the reason we have had unusually mild the middle, left the mater; but they are without redress. I matter; but they are without redress. Some con'emptible thieves went abourd the Gladiator lying at Muirheads wharf Saturday night, and stole about 90 lbs. of beef. The police think it was "a shame."

Institute that for this rounced teek. His thin half, scrapt lously parted in the middle, left the made in Paris. He went into a cotton will see that the public is not exposed outlines of his mouth visible. Will be the dangers of plague every day and obliged to wallow in filth as if they were presented by Miss on the strong lines of his face and there is a sort of a bulldog resolution visible that makes spectators readily believe in the Gulf Stream life along the northern when the middle, left the made in Paris. He went into a cotton mill in Manchester, and five hundred to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is power and determination are imprinted to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is power and determination are imprinted to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is power and determination are imprinted to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is power and determination are imprinted to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is power and determination are imprinted to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is wanted now—wite this power pigs. A middle district man is a sort of a bulldog resolution visible.

In the High School the prize was furnished by Mr. J. Snowball, a case of mathematical instruments, was won by Robert made in Paris. He went into a cotton mill in Manchester, and five hundred to the dangers of plague every day and obliged to wallow in filth as if they were pigs. A middle district man is a sort of a bulldog resolution visibl the Gulf Stream life along the northern parts of the Province would be harder to bear in late fall and winter; and it would be almost im ossible to live in New-at 11 o'clock in the Cathedral, His here, the moist wind actually piercing to the Cathedral o'clock in the Cathedral, His here, the moist wind actually piercing to the Cathedral of the C your heart. Though this be true, the a man before them who had felt the mercury seldom falls below 8° or 10° heats of Africa and the colds of Russia; Fahrenheit; while here we have it who had seen Kings crowned "as only He saw the Grand Duke Nicholas in a Robert Murray for commissioner. Messrs Woods & McEwin have frequently down to, and below, 20°; Kings are crowned," and seen them, too, boat on the Danube. About 55, he was tall was in the office before and did his duty so opened a new tin shop in McCully's though we do not feel a tenth of the humbled to the very dust. They saw in and well set, vith a rugged and blustery well. Put this before the council; never his subject being Mary Queen of Scots. We have seen a host of press notices of this lecture, and from the many we quote the field. Few this lecture, and from the many we quote the field. Few groaning dying covered the field. Few the field from?" "Shipka Pass," "The deuce store—then our trade can be better and

A LEFTER FROM BARNABY RIVER.

DEAR SIR, -Having occasion recently to pass by Barnaby River Station on the I. C. R. several times by rail, the conviction was forced upon me that the care of H. M. Mails, was a matter of not much importance, inasmuch as I noticed each time a small boy signing the usual acknowledgement of the safe receipt of the mail bag, and then carrying the same away. Afterwards I travelled through the section of country around about the Station and I learned on enquiry that the postmaster. Mr. John McDonald is either unwilling or unable to perform the left entirely on the hands of the above named boy who is, I should judge about eight years old. Complaints are numerous, about the way in which the office is run, one man asserting that it was almost impossible for to get a letter registered because the postmaster did not know how it was done. Rumor has to get his quarterly returns made out THE public schools have been ex- properly, being unable to do it himself. # Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysi-pelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors. Tetter, Salt Rheum, Scald Head, Ringworm. Ulcers, Sores, Rheumatism, Neuralgia Pain in

the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation General Debility, and for Purifying the

This Sarsaparilla is a combination of vegetable alteratives — Stillingia, Mandrake, Yellow Dock — with the Iodides of Potassium and Land, and is the most efficacious medicine yet known for the diseases it is intended to cure. Its ingredients are so skilfully com-bined, that the full alterative effect of

each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it says is derived from its cures, and the synfidence which

prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are unblick them. publicly known, they furnish convincing evidence of the superiority of this Sar-saparilla over every other alterative medicine. So generally is its superi-ority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

For restoring Gray Hair to

which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its

with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness SHIPPING BLANKS, by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm

#### it. If wanted merely for a HAIR DRESSING.

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a gratefu

Every year increases the populari-y of this valuable Hair Preparation; thich is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OF FADED HAIR to its youthful color, arking it soft hustrous and silled making it soft, lustrous and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker are stronger. In baldness, it restoes the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fever applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quali and I consider it the BEST PREPA-RATION for its intended purposes." Sold by all Druggists, and Dealers in Medicines
Price One Dollar.

Buckingham's Dye. FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor warn off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.
