Clay Adams' Trophy To Miramich League

Draws Forth Comment From New York City Paper. Local Paper Watched Even In the Big Metropolis.

The following is copied from the "Bronx Home News," of Sunday Oct. 8th, 1922. The "Home News" is one of New York City's leading newspapers and little did we think that the reports of our Base Ball games would ever be written about in the columns of one of New York's leading newspapers. It is only proof that your local newspaper is read from one corner of the globe to the other.

"With the big world's series going on in New York, other towns throughout the country are not without their own little important games. Even up in Canada, where baseball has taken a big hold on the sport loving public, they are holding the big series in every league, professional, semi-pro and amateur.

Clay Adams of the Adams-Senior Department Store, 125th St., west of Seventh Ave., recently returned from a trip to the province of New Brunswick, and while at Newcastle, the home of Mr. Adams, he happened upon one of these small world's series.

The game was played between the Newcastle and Chatham baseball clubs of the Miramich League, and

they were battling for the championship. Mr. Adams donated a beautiful silver loving cup, which was presented to the winners as champions of the league. The Chatham team succeeded in capturing the premier honors, by a score of 16 to 11. It was mainly through the interest of Mr. Adams that the season was brought to such a successful close, and that the little world's series was possible. The trophy was immediately termed the "Clay Adams Trophy" and caused as much interest among the players as the receipts for the players share in this series at the Polo Grounds.

While the home club lost the game, they nevertheless gave the visitors a hard battle. In the fifth, they drove the star twirler of the Chatham club out of the box, a feat which had not been accomplished by any team all season.

The home team really lost its game in the field, making ten bobbles, while they drove out 18 safe blows. Chatham made 20 hits and three errors. After the game both teams, according to the "Union Advocate" Newcastle's leading paper, gathered around the home plate and cheered Mr. Adams."

EMINENT SCIENTIST

HERE ON FRIDAY Newcastle is to be favored next Friday evening in St. James' Hall at 8 o'clock, in having C. W. Saleeby, M. D., F. R. S., who is a World Renowned Scientist and platform speaker to address its citizens. This is his first visit to New Brunswick and one and all are cordially invited to hear and greet him. Dr. Saleeby is Chairman of the Executive Committee of World League against alcoholism, and chairman of National Birth-Rate Commission of Great Britain. He brings a wonderful message and no doubt a large audience will be present to hear him. On this visit to New Brunswick he is only to spend nine days and Newcastle and Chatham have been allotted one of

these days. He opens his tour in Bathurst on Thursday, 19th inst and speaks in Chatham on Friday afternoon, and in Newcastle in the evening. From here he goes to Prince Edward Island, returning to Sackville on November 3rd, St. John City on November 5th, and Fredericton on November 6th. In these centres he will deliver lectures before the Rotary and Canadian Clubs. Mayor C. E. Fish will preside at the Newcastle meeting. Dr. Saleeby will be accompanied by Rev. W. D. Wilson, Secretary of the Alliance for the Suppression of the Liquor Traffic, and who is well and favorably known throughout the province. The admission is free and a large and representative gathering of the citizens is specially urged to be present to hear these gentlemen.

PARIS GIVEN HIS LIBERTY

St. John, N. B. Oct. 16.—John Paris who was held in custody for more than a year and who was tried five times in connection with the murder of Sadie McAuley on August 2, 1921, in Riverview Park here, was given his liberty yesterday morning, upon entering on his own recognizance of \$1,000. His case was brought before Chief Justice McKeown in the Circuit Court and application of G. H. Vernon, counsel for the defendant for discharge was heard and granted.

CHILD WELFARE WORK SHOWS POOR RESULTS

Miss Catherine M. A. Morrison of Loch Lomond, N. S. was in Newcastle over the week-end visiting the homes where "War Babies" had been adopted. Over fifty children had been visited throughout the two provinces, New Brunswick and Nova Scotia. Miss Morrison has been engaged in Social Service and Child Welfare for twenty five years and during this period has handled in the neighborhood of seven hundred and fifty children and mothers,—unwedded and unfortunate mothers.

Speaking of the success of the different institutions along the line of Rescue Work and Child Welfare, Miss Morrison stated that she could not claim more than forty per cent of all that she had assisted, as becoming good citizens.

In further conversation, Miss Morrison said that if one half the people, who took children into their homes would treat them half decent, the other half would turn out half decent citizens. She said there was a pressing need of an institution for the segregation of the feeble-minded and the abnormal boys and girls of the Maritime Provinces, and until such is established by the governments, social workers might as well try to sweep back the Miramich River with a broom, as to accomplish anything worth while in reform. She considered the marriage laws too lax and too often the poorest citizen married while the better citizen remained unmarried.

ON TRIAL FOR MURDER

At the supreme court sitting in Richibucto on Tuesday, Judge Barry presiding, the grand jury found a true bill against Ernest McEachren, charged with the murder of Gordon McLean at Mill Creek, Kent county, on May 1 last. The jury was chosen and several witnesses were examined for the crown in the afternoon. Dr. Abramson, provincial pathologist, St. John, testified that club with which the accused is alleged to have struck McLean had on it human hairs resembling those taken from the head of the dead man. No blood, however was found on the club.

WILL LOOK FOR GOLD IN VILLAGE OF SHIPPEGAN

J. H. Corbett, general merchant of Petit Rocher, has taken out a mining license for thirty acres in the village of Shippegan, Gloucester County. He is after gold, and supported his application for the license at the Department of Lands and Mines by displaying a small gold nugget. The latter looked genuine but the officials of the Department are extremely skeptical concerning the discovery of gold as a mineral in that part of the province. The formation of all north-eastern New Brunswick is middle carboniferous which never bears gold.

Mr. Corbett while here taking out his license said that he might be deception in the matter but he was going to find out. On Sunday he called the Deputy Minister, T. G. Loggie, concerning his find and asked concerning the steps he should take. Later he appeared in person at the departmental office and took out his license.

RETAIL MERCHANTS OPPOSE THE LATEST FORMS OF TAXATION

St. John, Oct. 11.—The eighth annual convention of the Provincial Branch of the Retail Merchants' Association came to a successful close at a complimentary banquet tendered the delegates by the local branch of the association here this evening, with speeches by Hon. Fred Magee; Provincial Minister without portfolio, Hon. J. B. M. Baxter, K. C., M.P.; Senator J. W. Daniel, and others.

Several important resolutions were passed by the convention. The income tax resolution demanded that the income tax, tax on receipts and tax on cheques, be abolished and, if necessary, the sales tax should be increased so as to assure sufficient revenue for the needs of the country.

The convention went on record as opposing any proposals for an eight-hour day for all manufacturing, producing and distribution classes.

A final resolution requesting that steps be taken to have all retired exempted from the operations of the Workman's Compensation Board was adopted.

G. F. FISHER WILL RUN FOR ST. JOHN MAYOR

G. Fred Fisher, was selected as a majority candidate on Saturday evening at the meeting of the executive members of the United Organizations of St. John, N. B.

The names of two candidates, Mr. Fisher and Roy A. Willett were placed before the meeting after other names had been eliminated for one cause or another, and the voting resulted in the selection of Mr. Fisher. The Willett men in the meeting then heartily made the vote unanimous.

A hydro platform upon which Mr. Fisher and Mr. Willett, the two candidates had agreed was submitted to the meeting and ratified.

The United Organizations have led the recall of Mayor H. R. McLellan because of disapproval of his policy in connection with the civic distribution of the hydro electric power being developed at Musquash by the provincial government.

Special Attraction at the Empress Theatre Wednesday night. Avery & Jones colored Comedians, Dancers and Singers. Don't fail to hear them. Prices 10c and 25c.

Red Cross Pageant Most Successful Affair

Stirring Address By Mrs. Kuyring of St. John Large Audience, Splendid Attention and Beautiful Tableaus.

The Red Cross Pageant which was held in the Opera House last Friday evening was a pronounced success in every particular. The Opera House was filled to its capacity and the large attendance thoroughly enjoyed the evening's entertainment. Among those in Newcastle and Chatham who took part were the following and the characters given in the order of their appearance.

Two Heralds Misses Peggy Mann and Lena Heckbert

Knowledge Mrs. Harold Ritchie

Humanity Miss Florence Hickson

Love Miss Marion Bate

Service Miss Mollie Robinson

Courage Miss Florence Fleiger

Mercy Mrs. Stanley Veno

Sacrifice Miss Hazel Blakeley

History Mr. G. M. McDade

Tableau "The Good Samaritan" Messrs. J. McFarlane and W. Smith

Tableau "Third Century" Queen Helena, Mrs. Florence Ball, Constance, her daughter Miss K. Armstrong

Page Eleanor Ball

Maidens Mrs. W. Nicholson, Miss Nan Creaghan

The Needy and Suffering, The Misses Robinson & Armstrong

Tableau "Twelfth Century" James Sargeant, Bryon Taylor

Crusader Charles Dickison

Flagbearers H. P. Zirnack

Tableau 1854 "Florence Nightingale" Miss Stella Noonan

Tableau 1864 Portrait of Henri Dinant

Tableau Red Cross in the Great War Red Cross Nurse Mrs. Chas. H. Gough

Army Medical Dr. Losier, Dr. W. S. Loggie

Stretcher Bearers, James Nicholson, Fred McDougall

Artillery Herb McLean

Infantry F. P. Heckbert

Kilties A. S. Cole

Air Force Cyril Creaghan

Tableau Canada in Flanders Rosalie Perkins

Enter Memory

Tableau, League of the Red Cross 1921

Flag Bearers 38 School Children

Lantern Slides with Address "O Canada"

Mrs. Kuyring

God Save the King

Trumpeter Mr. Walter McEachren

Orchestra

Mrs. H. B. McDonald, Mrs. M. Searle, Mrs. F. A. Miller, Miss McKendry, Miss Babineau, Miss MacLoon, Rev. F. H. Littlejohns, H. B. McDonald, W. McEachren, W. Chubb McLoon, J. S. Martin.

The following Newcastle children from Harkins Academy and St. Mary's Academy also took part in the presentation of the pageant, while in Chatham the children of that town took a similar part.

Glady's Matchett, Hazel Maltby, Margaret Gulliver, Sadie Whitney, Geraldine McMichael, Gwyneth Belyea, Davida Troy, Marjorie Lindon, Helen Lawlor, Henrietta Ball, Alice McEvoy, Gertrude Falconer, Moira Desmond, Gertrude Champion, Yvonne Brown, Ethelwynne Ferguson, Marion Corbett, Edith McWilliam, Mary Crocker, Dorothy H. Russell, Marjorie Ferguson, Eileen Morrissey, Jessie Taylor, Kathleen Morrissey, Gertrude Maltby, Alice Russell, Lillian Brooks, Margaret Boyle, Katherine Stables, Francis Astle, Lillian Weldon, Addie Belyea, Jeanette Price, Bernice Price, Louise Allison, Isabel Stables and Eleanor Ball.

Ushers—Misses May McEvoy, Mona Lindon

Attendants—Miss Louise Manny, Lyle McCormack

Attired in Red Cross Costumes.

Mrs. Kuyring, with the aid of lantern slides opened the entertainment and in her remarks, splendidly explained the work of the Red Cross Society to the community and spoke of the great work done by the Society during the war. The war being over the Societies work was by no means done and she gave an outline of the Peace Program. Three great projects made up the peace program viz.—the provision of gifts and extra comforts for our Disabled Soldiers in New Brunswick Hospitals, continued assistance for the Junior Program now being launched, and the Relief in time of extreme need not covered by other organizations or in time of sudden disaster. In conclusion Mrs. Kuyring made a strong plea for the Red Cross Membership in New Brunswick for 1923, and by so doing, prove the patriotism of the province.

Music has its part also in "The Pageant," and our native talent, oft tried and always successful in the past, undoubtedly adds to their laurels in the opportunity this new departure presents in this Province.

The music rendered by the Orchestra added much to the delightfulness of the evening. The numbers played were most appropriate to the setting of the pageant, and were much enjoyed by the audience. The tableaus were all most artistically arranged and showed much taste, experience and originality.

The "Third Century" and "Red Cross in the Great War" Tableaus were exceptionally good and each drew forth loud applause from the audience, which was not content with one showing, but demanded a repetition.

"Canada in Flanders," in which Miss Rosalie Perkins admirably cited "In Flanders Field" was also greeted most heartily.

"League of the Red Cross 1921" in which thirty eight school children as flag bearers took part was delightfully shown, and the chorus "O Canada" sung by the children and the individual characters was most fitting finale to the pageant.

The subject characters, Knowledge, Humanity, Love, Service, Courage, Mercy, Sacrifice, Memory and History were most appropriately represented by each individual, and many favorable comments were expressed regarding them. The Newcastle and Chatham Red Cross Societies are to be congratulated on the great success of their Pageant, and it is to be hoped that the good work, which they are doing in this community will be recognized and appreciated by each and every citizen becoming a member of the Society.

The Character "Humanity" as played by Miss Hickson was exceptionally well taken, as was also the character "Knowledge" by Mrs. Harold Ritchie. The Newcastle Committee, under the direction of Mrs. Chas. Sargeant and Mrs. A. E. G. McKenzie with the assistance of Misses, Connie Armstrong, Jean Robinson and others is deserving of the highest praise for the success of the pageant.

The local members of the Red Cross Society had given wide publicity to the movement and the untiring efforts of the local society resulted in the great success that the project deserved. The Opera House was tastefully and appropriately decorated for the occasion; the costumes and scenes were most attractive, which were to a large extent designed and made by the performers themselves.

The Newcastle audience gave the entire program their profound attention, which demonstrates how sincerely the citizens of the town appreciate the wonderful work done by the Red Cross Society and especially that of the local branch. The children who took part, excelled in the manner in which they conducted themselves, which speaks well not only for the training they received from the local committee in charge, but also for their home and school training.

TRAVEL PERMITS TO BE REQUIRED IN PROVINCE

The Advisory Board of the New Brunswick Department of Lands and Mines at its last meeting decided to adopt the system of travel permits for all persons entering the main forest areas of the province, similar to the system in effect in the Province of Quebec. This permit-system is a precaution against fire and conditions have been such during the past year in this province and elsewhere that many forest-fires have been assigned to carelessness on the part of casual travellers.

Official notice is given today that after May 15th, 1923, travel-permits will be required of all persons entering main forest lands. Official notice also is given that the New Brunswick Scalers' Act 1922 will be put in effect October 1st, 1923.

DO WOMEN WORK AS HARD AS MEN?

Yes. And They Must Keep Well and Strong

Two Interesting Letters

Toronto, Ontario.—"When my husband was called back to England in 1914 I took Lydia E. Pinkham's Vegetable Compound to strengthen me so I could work. I had a trouble that used to make me weak, but I am able to do my work now and am perfectly satisfied with your medicine. I still get it at the chemist's and I strongly recommend it to anybody I hear of suffering as I did. You may publish this if you wish."
—Mrs. E. HOSKING, 599 Yonge St., Toronto, Ontario.

I Did Not Feel Like Working

"I was in a general run-down condition with a weak back and a tired feeling so that I did not feel like working. My mother was taking Lydia E. Pinkham's Vegetable Compound and recommended it to me, so I have taken it and my back is better and I am now able to do my work. I recommend the Vegetable Compound to my neighbors and you may publish my letter."
—Mrs. JOSEPHAT A. GRENIER, Box 47, Carbon, Alberta.

Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial.

Stiffness
It is astonishing how quickly Minard's Liniment relieves stiffness and lameness.

Gives Great Relief

"Mrs. A. R. Calvert, 26 Park Ave., South West, writes: 'My husband has frequently, always with good results, been afflicted with rheumatism and stiff joints. I have told several people about Minard's, and others are using it.'"

"Mrs. Fred Johnson, Box 733, Thorold, Ont.—'I suffered very much with neuritis in my face last winter, was advised to try Minard's Liniment, and was relieved immediately after first application. I persevered in using it and it has entirely gone. This winter I can go out without tying up my face and give the credit to Minard's Liniment. Have told several people about Minard's, and others are using it.'"

MINARD'S LINIMENT
King of Pain
Yarmouth Nova Scotia

ASPIRIN

UNLESS you see the name "Bayer" on tablets, you are not getting Aspirin at all

Accept only an "unbroken package" of "Bayer Tablets of Aspirin," which contains directions and dose worked out by physicians during 22 years and proved safe by millions for

Colds	Headache	Rheumatism
Toothache	Neuralgia	Neuritis
Eafache	Lumbago	Pain, Pain

Handy "Bayer" boxes of 12 tablets—Also bottles of 24 and 100—Druggists.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacturers of Monocristallinester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

NEW DIRECTORATE OF C. N. R. SYSTEM ASSUMES CONTROL

The new directorate of the Canadian National Railways lines assumed control of the government system at a meeting held at local headquarters of the system. The retiring directors also held a brief final session and formally executed the transfer of the system to the new directors of the Canadian National Railways, the Grand Trunk Railway and the Canadian Northern Railway. Major Graham Bell, vice-president of the government controlled railways, presided in the absence of the president Sir Henry Thornton, who is on his way to England to wind up his affairs there before assuming his new duties in Canada. The retiring president, and general manager, D. B. Hanna, presided at the final meeting of the former board.

Following the meeting of the new directorate, the following appointments were announced: W. D. Robb, vice-president and general manager of the Canadian Northern system.

C. G. Bowker, general superintendent, Toronto, promoted to be vice-president and operating manager of the Grand Trunk Railway.

W. R. Davidson, promoted to general superintendent of Grand Trunk, headquarters at Montreal.

R. A. Fish, General Superintendent Grand Trunk, Montreal, transferred to Toronto.

Robert P. Ormsby, Secretary of the Canadian Northern Railway, acting secretary of the new board of directors.

Hon. G. P. Graham, Minister of Militia and Defence, and Acting Minister of Railways, handed out a statement to the newspapers after the meeting to the effect that Sir Henry Thornton, the new president, and his colleagues on the board, will be given a free hand in their administration of the government railways. Asked if it was the intention of the government to remove the headquarters of the system from Toronto, Hon. Mr. Graham said: "That is a matter which will be left entirely to the discretion of the new directors. They will be privileged to locate their headquarters at a place which in their judgment, will work for the greatest success of the whole enterprise."

The armistice convention was signed in Mudania on Tuesday at eleven o'clock. The representatives of all the powers concerned affixed their signatures to the revised protocol which General Harington had presented for acceptance to Ismet Pasha, and which the Nationalist delegate forwarded to the Ankara Government for its decision.

General Harington had informed Ismet Pasha that the convention embodied Great Britain's last word and that the other powers gave their unqualified support to the terms.

All Powers Have Affixed Signatures

The delegation consisting of T. W. Caldwell, M. P. G. G. Porter and H. H. Hatfield, who met the representatives of the C. P. R. and Canadian National Railway in Montreal to ask a reduction in the export rail rates on potatoes for export in New Brunswick, report that their request has been granted. The reduction will amount to three cents per hundred pounds between St. John and points as far north as Florenceville and Centreville, and three and a half cents north of these points to St. John. This means a saving of ten cents a barrel to the farmers of New Brunswick, and crop of approximately 3,000,000 barrels.

Railways Reduce Rate on Potatoes

The delegation consisting of T. W. Caldwell, M. P. G. G. Porter and H. H. Hatfield, who met the representatives of the C. P. R. and Canadian National Railway in Montreal to ask a reduction in the export rail rates on potatoes for export in New Brunswick, report that their request has been granted. The reduction will amount to three cents per hundred pounds between St. John and points as far north as Florenceville and Centreville, and three and a half cents north of these points to St. John. This means a saving of ten cents a barrel to the farmers of New Brunswick, and crop of approximately 3,000,000 barrels.

CATARRAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions.

Circulars free. All Druggists.
F. J. Cheney & Co., Toledo, Ohio.

A POLITICAL APPOINTMENT

The New Glasgow Chronicle is one of the most pronounced Liberal Journals in Nova Scotia. Referring some weeks ago to a newspaper rumor that Mr. Sinclair, ex-M.P. for Guysboro, was likely to be the Nova Scotia representative on the Canadian National Board of Directors, the Chronicle said:

If Mr. Sinclair's health prevented him from being the Liberal candidate in Guysboro-Antigonish a year ago, surely he is not strong enough now to undertake duties far more onerous. It is not on account of qualifications that we would object to Mr. Sinclair going on the Railway Board, but on account of his age and his health, and therefore inability to perform work far harder than that which he was compelled to forego. Besides, he knew parliamentary work to the letter; railway work he would have to learn. But what is the use of arguing; the appointment should not be thought about. If the railway problem is to be solved it will be by men, strong men who know the work.

But Mr. Sinclair was appointed and on the admission of the Liberal Journal quoted as above, the appointment is purely political. Mr. Sinclair is a worn out politician, too old for further party service and in poor health, so he is provided for at the public expense. What is more serious is the fact that Mr. Sinclair is the sole representative on the Maritime Provinces on the Canadian National Board.

GILLETT'S LYE

Comparatively few people realize to what extent Gillett's Lye can be used to advantage in every home. For instance, with one can of Gillett's Lye and five and a half pounds of lard or grease, ten pounds of good hard soap can be made. Use one tablespoon Gillett's Lye in gallon of water for cleaning and disinfecting refrigerators, sinks, garbage cans, tiled floors, baths and toilets.

Useful for over 500 purposes.

LIQUOR BANNED ON ALL SHIPS FOR U.S. PORTS

Under a sweeping opinion rendered by Attorney-General Daugherty, and confirmed by President Harding, the sale or transportation of intoxicating beverages on all American ships, public and private, is prohibited, while any foreign vessel entering an American port with liquor on board as cargo or in stores, or even in a sealed bar, will be regarded as violating the prohibition enforcement law and dealt with accordingly.

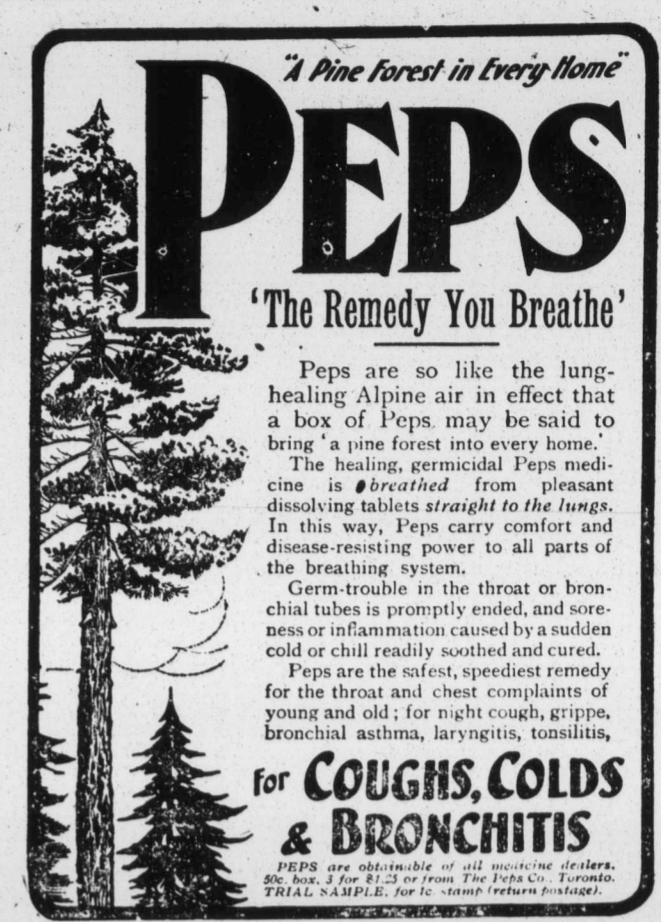

The far-reaching character of the new Government policy is emphasized by its applications to foreign vessels calling at American ports while in transit. This means, for example, that a foreign vessel leaving a foreign port for another foreign port would be violating the Volstead Act if it stopped en route at an American port, provided, of course, that it carried intoxicating beverages. Thus a British passenger vessel sailing from Vancouver for Sydney Australia, and calling en route at Honolulu, Hawaiian Islands, would be amenable to seizure at Honolulu. The new ruling applies to all American vessels even on the high seas and to all foreign vessels within the three-mile limit of national territorial jurisdiction.

EVERYTHING BUT THAT
Notice in a Kansas hotel—"We will watch your horse, we'll hold your baby, crank your Ford and argue with your wife, but we don't cash stranger's checks."

Your Grocer
thinks well of King Cole Tea and confidently recommends it. He has intimate knowledge of its persistently increasing sale, and his experience tells him that back of this must be genuine merit in the tea itself.

HOOLIGANISM

According to the Chatham "World" of Saturday, 14th inst. Hooliganism is rampant in Chatham. At least, the "World" says it was, on the evening of the Red Cross Pageant. In a very pronounced manner the "World" rebukes the hooligans and also the audience and those in authority, for not putting a stop to the unseemly behaviour of those responsible for the interruptions, during Mrs. Kuhring's address. It is not by any means a pleasant undertaking for a newspaper to publish such a denunciation of conditions in their own town as the "World" has done in this case, but it is gratifying to know that the press has the courage of its convictions and does not hesitate in speaking plainly whether it hurts or not. While the doing of such speaks well for the press, it by no means speaks well of the conditions prevailing in the sister town, and throws a bad impression to outside parts of the province.

The same Red Cross Pageant was shown in Newcastle the night following the Chatham presentation, and the attention given by the audience throughout the whole evening was in marked contrast to that of Chatham, as depicted and alleged by the "World".

The "World" has not only drawn the people's attention to the condition of affairs, but has also given a remedy for same, which if acted upon would no doubt have the desired effect and rid Chatham of such hooliganism, which the "World" says has disgraced the community. To eliminate such undesirable rowdism as the "World" mentions would certainly be one of the first and best steps that Chatham could take, to boost their town.

NO MORE PUNCHED

The St. John Board of Trade has received a bulletin from the Canadian Railway Association notifying them that after December 31, 1924, the railways of Canada would refuse to accept molasses in puncheons and suggesting that barrels or tins be used. They had found the puncheons too frail a container for the weight of the package and in consequence they were all the time receiving claims for damage, and had decided the only way to overcome the difficulty was to cut out carrying them.

Secret Skin Troubles
MEAN NIGHTS & DAYS OF ITCHING TORTURE.

A well-known physician says that he comes across many terrible cases of secret skin disease. Because there is a natural disinclination to seek advice, the sufferer either neglects the trouble in its early stages, or else aggravates it by use of some poisonous mineral ointment. Whilst this may hide up surface trouble, it also drives disease further into the skin.

You cannot thoroughly and permanently banish diseases like eczema, tetter, psoriasis, ringworm, etc., unless you first destroy all disease germs. Zam-Buk does this quickly and thoroughly.

Zam-Buk is unique in its germicidal and healing strength. Its soothing herbal essences penetrate into the skin right into the weakened and diseased inner tissues, killing the germs and uprooting disease at its very source.

The first dressing of Zam-Buk ends the dreadful itching and when all sore inflamed tissues have been thoroughly soothed and purified by Zam-Buk, every trace of disease is made to disappear, and there is a splendid new growth of clear healthy skin.

Zam-Buk
UPROOTS SKIN DISEASE

Don't suffer skin torture a day longer! Get Zam-Buk today! Apply to the most itchy spots, home or away, use it for healing cuts, burns, scalds, sores and poisoned wounds; also for weakening, painful piles.

Grade II.—Billy Morrissy, Edith Belyea 1, Roxane Troy, Chester White 2, James Holst, Louis Lifsches 3.

Grade I.—Janet Murray, Edith Delano 1, Willie Dutcher, Flora McDonald 2, Charles Stables, Rosamund Crocker, Andrew Vickers 3.

Miss Hill's Dept.
Grade I.—George Foran, Evelyn Fitzgerald 1, Ernest Mullin 2, Emily Lake, Edith Harris 4.

HOOLIGAN DISPLAY AT CHATHAM MEETING

(Chatham World)
"Boost your town, don't knock it" has degenerated from a slogan to an unmeaning fetish if the reports which we have received of the Red Cross entertainment of Thursday evening are correct, and we believe they are as our informants are trustworthy and reliable. When we consider the highly desirable and philanthropic objects which are set as the motives of the Red Cross activities, when we visualize the station and character of the lady—a stranger to our town—who delivered the address on the matter pertaining to the methods and work of this grand organization, it makes one's gorge rise to think there was not one biped in the shape of a man to stand up in the audience and demand that such dastardly and cowardly tactics should at once cease.

As a matter of fact it seems that during Mrs. Kuhring's address a group of young blackguards in the gallery kept up a continuous round of interruptions, even going to the limit of calling upon the lady-lecturer to "shut up and sit down" and at all times making a great deal of noise for lecturer and audience alike.

During all this exhibition of home, school and civic training there was not one appeal made by anyone not even by our hard-worked police force, to accord the lady who was addressing the commonest courtesy of silence.

It is about time that such unseemly behaviour was put a stop to, and in the name of decent citizenship we call upon Mayor Mersereau and all those in authority to take steps to this end.

BRITISH PRESS UNABLE TO DEFINE PREMIER'S STAND

London, Oct. 15.—First commentators on the speech of Premier Lloyd George in Manchester yesterday writing in the Sunday morning papers, after strenuous efforts to find between lines and to discover what the Premier had in mind as to his personal responsibilities, were unable to accept the speech as an answer to the various charges laid against the responsibility of misman-

Pangs Of Neuralgia
This Painful Trouble is Due to Poverty of the Blood

Neuralgia is one of the most painful maladies that afflicts humanity. The trouble is usually seated in the face or head, following the course of some nerve, but it attacks other parts of the body as well. It is characterized by acute pains, sometimes steady, at other spasmodic and darting. But whatever course it takes the pain is agonizing and almost unbearable. Medical authorities agree that neuralgia is due to poverty of the blood—that the nerves are actually being starved. It is further agreed that if the blood is purified and enriched the trouble will disappear. It is for this reason that Dr. Williams' Pink Pills have been so successful in treating neuralgia. They enrich the blood which feeds the starved, aching nerves and thus bring relief to the sufferer, whose general health is also improved. Proof of the value of these pills in cases of this kind is given by Mrs. M. Brown, R. R. No. 1, Warsaw, Ont who says: "I have taken Dr. Williams' Pink Pills and can recommend them as being the best medicine I know of for neuralgia. Two years ago I had an attack of this trouble in the neck and shoulder. The repeated attacks of the pain were of such frightful intensity that my life was almost unbearable. I consulted two doctors and took their medicine but without relief. I had taken Dr. Williams' Pink Pills several times when they helped me wonderfully, and I decided to try them again. Before I had taken more than a half dozen boxes the pain had disappeared, and I have since enjoyed the best of health, thanks to Dr. Williams' Pink Pills."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

ing affairs of state, especially of the Near East problem.

The Sunday Times declares that the speech means nothing if not an early general election. Although the Premier did not indicate any date for an election, the paper expresses the opinion that the present parliament which stands prorogued until November 14 will not meet again and that its dissolution will be announced early this week. In that event the journal believes the elections will be early in November and the new parliament assembled in the course of a few months. This view is shared also by The Observer which sees in the speech an unmistakable appeal to the Liberals. At the same time, the paper declares there was no "casting of the die, no Caesarian gesture," and that the address has left the Premier free to take any one of several different courses. The paper considers that Lloyd George's utterances in part, look as though he has determined to resign and hand over the government to the Unionists. The Observer admits that the Manchester speech lost no friends for Lloyd George and thinks that it may regain many for him. If he quits now, it will mark the beginning of his recovery of power, the paper thinks.

The Observer's editor, J. L. Garvin, in a four column spread declares that his recent articles attacking the government's Near Eastern policy have not been an indictment of Lloyd George personally but of the system, and that it was neither intended nor implied in an article published a month ago. Garvin holds, nevertheless, that "there is no spot on the world's map where we can call our foreign policy successful," and that the spending of twenty to thirty million pounds sterling in mishandling the Near East problem is "one of the sublime jokes of history."

London, Oct. 15.—The Times in an analysis of the speeches of Premier Lloyd George and Mr. Chamberlain says they should be read in conjunction and points out that while Mr. Chamberlain appealed mainly to the Unionists and solemnly warned them that any revolt against the Prime Minister would be a heavy responsibility likely to result in the eventual accession of a labor ministry, Mr. Lloyd George appeals more to the Liberals, but held out a hand to the men of the parties who were neither Unionists nor revolutionaries. By implication the Premier told the Conservatives that if they wish to remain in alliance with him they must subdue the revolt in their own party.

A DAY WITHOUT MUSIC
The city council of Portland, Ore., has decreed that Wednesday, Nov. 4 shall be a day without music. Not that the Portland officials have any objection to music, or any marked antipathy to particular instruments or performers. Quite the contrary. They desire to promote the love of music by demonstrating what a dreary world this would be, for even a single day, without it.

"No music day" is merely a part of "music week."

Presumably the demonstration will be impressive. The unwonted silence of the hurdy gurdy and of the neighbor's alleged phonograph will cause each Portlander to reflect upon how meaningless life would be if those customary delights were abolished. Likewise, the youthful student of the piano, forbidden for a day to play his scales and exercises, will no doubt, despite his suffering for the time being, emerge a more devoted admirer of practicing than he had ever thought of being.

WHERE THE GOOD GOODS COME FROM

CONSIGNMENT OF SALMON SEIZED

Fredericton, N. B., Oct. 13.—Following the close of the salmon fishing season, fishery officials on the north shore of New Brunswick have been engaged in attempts to trace large quantities of salmon that have been taken illegally and shipped in wholesale quantities to various dealers throughout the province. The evidence which has already been gathered by the officials investigating points to wholesale operations along the Miramichi river.

Already two large consignments of salmon have been seized and every effort is being made to trace the ship pers in these cases. A shipment is reported as having been made recently from districts along the Miramichi in which the fish have been packed in pork barrels and shipped under pork labels.

A large consignment, which was seized in St. John, is said to have contained almost two tons of fish, while a local seizure made here resulted in over one hundred pounds being taken.

Very few cases of fishery violations have been reported along the St. John River district recently. Low water in the river has caused a cessation in the movements of fish in the river for the present.

"Perjury," the William Fox special with William Farnum which enjoyed a sensational run in a Broadway, New York, theatre, will begin an engagement next Monday and Tuesday at the Empress Theatre. During its run on the most famous entertainment thoroughfare in the world, New York reviewers declared that no more gripping photodrama had been shown since the presentation of William Farnum in screen version of Victor Hugo's "Les Miserables."

ITEMS OF INTEREST

HARKINS ACADEMY

GEORGE STOTHART, Editor. Once more the pupils of High School take the greatest pleasure in laying before the public our school prospects, and hope they will take as much interest in this column as they did last year. Manual Training has been started in our school this year, much to the delight of the higher Grades. Mr. Goggin we find is a very nice teacher and makes the work very interesting and we know under his tuition we shall soon be advanced scholars in Manual Training. High school and Grade 8 are the only classes which are taking Manual Training, owing to the cause that Mr. Goggin can be present in Newcastle on Thursdays and Fridays only. The classes are arranged thus: On Thursday mornings Grade 8 take their lessons, Thursday afternoon the non-Latin class of Mr. Barnett's department, Friday morning the Latin class of Mr. Barnett's department. Our Manual Training room is on the basement floor, and is very nicely equipped with hardwood floor and walls. There are fifteen desks, each desk is well equipped with its necessary paraphernalia, and I the editor of the Latin class of Mr. Barnett's department can say that we spend a very enjoyable afternoon with Mr. Goggin.

What the Girls Have to Say. Considering the present equipment which we have to do with in the Domestic Science Department, we are getting along exceedingly well. The pupils take a deep interest in the work, and we are looking forward to good results. Arrangements to have the Kitchen, Pantry, and Sewing Room fully equipped with all the necessities is now under way, and it is expected that everything will be in readiness in the very near future. The spacious class room on the third floor is especially well adapted for this work, and is large enough for all three studies. On account of not being equipped with all the necessary cooking utensils, much of the girls time at present is being spent in sewing. A number of girls are showing excellent skill in this particular study, which in the days to come will be of much service to them.

Ans.—J—s Ha— The school census taken on the first of October revealed the fact that there are 543 pupils enrolled in Harkins Academy at present in comparison with 515 last year's enrollment. The Editor hopes to be able to tell you about the class marching system which was adopted in H. A. this term in the near future. The Athletic Assoc. is preparing a fast foot ball team this season. No title of games to be played will be found elsewhere. Miss Dunnitt's dept. Grade V, has carried the attendance honors for several weeks.

KINDLY REMIT YOUR SUBSCRIPTION TO THE ADVOCATE

PERSONALS

Mr. Caesar Coudal of Montreal is visiting his brother George C. Coudal. Mr. and Mrs. James Stables left on Wednesday's limited for Toronto. Q. E. Campbell left on Wednesday to spend a vacation at his home in Dorchester. Mrs. M. E. Beynon left on Tuesday for Torrance, Cal., where she will spend the winter months. Rev. J. B. Champion returned last week from Toronto, where he attended the Methodist Conference. F. E. Locke has returned from a three weeks vacation spent in New York and Providence, R. I. Jack Corbett left on Wednesday for Halifax where he has accepted a position in Chittick's Drug Store. Mr. Fred H. Leake left last week for Moncton where he has accepted a position with Mr. J. B. Nugent. Mrs. Wm. Young has returned from a pleasant visit to her sister Mrs. Wm. Murphy, Cambridge, Mass. Mrs. John H. Troy returned last week from Moncton, where she was the guest of her sister, Mrs. Thos. Tozer. Miss A. Elva McCurdy spent the week-end with her father Mr. E. A. McCurdy in Old-Barns, Colchester County, N. S. Rev. W. D. Wilson, of Fredericton Secretary of the Alliance for the Suppression of the Liquor Traffic was in town on Thursday. Mrs. Kuyring of St. John was in town last week in connection with the Red Cross Pageant. While in Newcastle, Mrs. Kuyring was the guest of Mrs. W. A. Park. Mr. Walter J. Sutherland, manager of the Newcastle Opera House, leaves tomorrow for St. John, where he will complete arrangements for a number of high class films, which will be shown at the Opera House in the near future. Mrs. Annie Connolly, who has been visiting her daughter Mrs. John O'Neil for the past three months returned to her home in Charlottetown, P. E. I. She was accompanied by Mrs. O'Neil and three children.

WEDDINGS

MATCHETT—MATCHETT. A very pretty wedding took place at the Mansie, Redbank on Wednesday afternoon, September 27th at five o'clock, in the presence of quite a number of friends, when Miss Leva B. daughter of Mr. and Mrs. Hiram Matchett and Theodore W. Matchett were united in marriage by the Rev. Wm. Girdwood. The bride wore a dress of white satin and was attended by Miss Jane Porter. Mr. Albert Allison supported the groom. The bride received many beautiful and useful presents including silverware, cut glass and linen. After the ceremony they motored to the bride's home where tea was served to friends and relatives. Their many friends extend to them best wishes for their future happiness. CLEVELAND—McTAVISH. A wedding of much social interest took place at the Presbyterian manse, Millerton, at 11 o'clock Wednesday morning, when Elizabeth M. McTavish and Grover W. Cleveland were united in marriage. The ceremony was performed by Rev. W. McN Matthews. The bride was dressed in a brown broadcloth suit, blue feather hat, mink fur, and carried a bouquet of Ophelia roses and carnations. There were no attendants. After the ceremony a delicious dinner was served to immediate friends and relatives at the home of Mrs. W. H. Belyea. Numerous presents in cut glass, silver, china and linen were received by the bride. From the Lounsbury Co. Ltd. with whom she has been employed for the past five years, the bride received a cheque, and also a substantial cheque from the groom. The happy couple left on the Ocean Limited for St. John where the groom is employed with the Dominion Bridge Co., and where they will reside for the present.

BEAUTY OF THE SKIN is the natural desire of every woman, and is obtainable by the use of Dr. Chase's Ointment. Pimples, blackheads, roughness and redness of the skin, irritation and eczema disappear, and the skin is left soft, smooth and velvety. All dealers of Edmondson, Bates & Co., Limited, Toronto. Sample free if you mention this paper.

Father Time Approves our tire vulcanizing, for it is our process which adds long life to both shoe and inner tube. In these days of costly tires, it pays as well to have tires vulcanized as to have on shoes repaired—only, in case of an automobile, you save many times what you save on shoe leather. Well worth trying!

Words Of Praise For Baby's Own Tablets

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for her little ones she will use nothing else. The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; relieve colds and simple fevers; promote healthy sleep and make teaching easy. Concerning them Mrs. Omer LeBlou, Maddington Falls, Que. writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

FRIDAY THE 13TH. Considerable is heard from time to time that Friday of the week and the 13th of the month are unlucky days. In one particular case we know of a certain person who started on a trip from the Pacific to the Atlantic coast, on Friday the 13th day of the month in the year 1913, and the party had no difficulty in reaching the destination point, and since that time has been successful in every undertaking. In this case the popular superstition did not measure up.

GOOD MORNING! HAVE YOU ORDERED DWYERS? Afternoon Tea from 4 to 7 will be served at the Step Inn, Mrs. Dunn's Tea Rooms by the Catholic Women's League on Wednesday afternoon, the 18th for 25c. Lunches will be served after Dime. Proceeds in aid of St. Mary's New School.

SOME FACTS ABOUT THE QUAKER MILLS

More than 60,000 Cars Used Each Year to Distribute Their Products. Upwards of a million dollars is spent annually advertising the products of The Quaker Mills. The Quaker Mills are the finest and most modern in the world. Their goods are sold in all civilized countries of the globe. Over 60,000 cars are used annually to distribute their products. The harvest from 1,000,000 acres is used each year for the manufacture of Quaker Oats alone. Laid end-to-end the packages of Quaker Oats seed each year would extend through the centre of the earth and project into space 8,000 miles beyond. The wonderful increase in flour sales and the world-wide distribution of the various products manufactured by this company is a tribute to their "Quaker Oats," which denotes "Simple Honesty." Some of the well known lines are Quaker Oats, Tillsens Oats, Puffed Rice, Puffed Wheat, Quaker Cornmeal, Tillsens Scotch Oatmeal, Quaker Macaroni, Quaker Spaghetti, Quaker Cornflakes, Tillsens Health Bran, etc. The Quaker Oats Company while best known as manufacturers of Cereal products, are also among the largest flour millers in Canada, their mills having a capacity of over 4,000 barrels per day. In 1916 their fine mill at Peterborough, Ontario, was burned and was immediately replaced by what is considered the finest and most modern flour and cereal mill in America. Visitors to Peterborough are cordially invited to call on them and see for themselves why Quaker Mills Products are so popular.

OBITUARY

MRS MARY ANN PETRIE. The death of Mrs. Mary Ann Petrie, Maple Glen, occurred on Wednesday at her home after an illness extending over several years. The funeral was held on Friday 13th inst. Arthur Petrie, Newcastle; John of Maple Glen; David of the Lowell, Mass. police force, and Joseph, a well known traveller of St. John are sons of the deceased.

MRS FRANK RICHARDSON

On Tuesday evening, Oct. 3rd, Mrs. Frank Richardson, only daughter of Mr. and Mrs. William McKenzie, died very suddenly at her home, Chatham Hill, under very sad circumstances. She leaves four children, one an infant but nine days old. She was recovering from her recent illness and expected to sit up the following day, was sitting up in bed with her baby in her arms, when she complained of weakness and in a few moments had passed away. She had suffered from trouble for some time. Mr. and Mrs. McKenzie, who were in Halifax at the time were summoned reaching Newcastle the following morning. Much sympathy is expressed for Mr. Richardson and family in their sad bereavement. The interment will be held at the home of Mr. and Mrs. McKenzie, brother of Mrs. Richardson.

William Farnum Here

In Fox Super-Special

"Perjury," a William Fox special production presenting William Farnum in a role which is said to make supreme demands upon his dramatic genius, will begin a run at the Empress Theatre next Monday and Tuesday. The production enjoyed a special run in a Broadway, New York, theatre, where it created a sensation. Metropolitan reviewers declared it one of the most intense human interest dramas ever seen on the screen. Harry Milarde directed the big special, and the cast includes Sally Crute, Wallace Eskias, John Webb Dillon, Frank Shannon, Frank Joyner, Grace La Vell, Gilbert Rooney and Alice Mann. The story of "Perjury" requires the famous screen star to display varying emotions of tremendous intensity. The hero, Robert Moore, appears first as a strong and successful man of 45 years, manager of a large factory, and a happy husband and father, genial and cheerful. From this he is transformed by suspicion and jealousy into a person in unceasing torment. Red rage flares in his mind, and then comes a despair, followed by submissiveness as prison doors close upon him for twenty years. Through the long term in prison Robert develops a kindness and saintliness of character which endear him to the warden and guards. There is pathos in the situation, but the tragic element has passed. The scene in which the prematurely aged convict leaves the prison, and those immediately following, are said to be the most touching portrayals ever given by William Farnum.

Robert Stead's Greatest Book

IN HAPPY NOVEL OF THE NORTHWEST

"Neighbours" is Nearer the Heart of Canada than Any Other of Famous Canadian Author's Books.

Romance of the Last Great Tide of Settlement in Saskatchewan Country is Big Theme.

You will never have to ask that question, "What is Canadian literature?" again when you have read Robert Stead's latest and, so far, his greatest novel, "Neighbours."

ROBERT STEAD. Author of "Neighbours," "Dennison Grant," "The Cowpuncher," "The Homesteaders," etc.

This new book runs true to the Stead tradition of a good story, real humour, pure love and a real idea—even some real mystery, and it has more of the real atmosphere of life in it, than any other which has come to us in a long while. It is true writing, and will add fresh laurels to the fame of this already well-beloved author.

"NEIGHBOURS," a happy novel of the Northwest, by Robert Stead, Hodder & Stoughton, Toronto, \$1.75

Strength

Strength of muscle does not indicate strength of nerves. On this account many people who look healthy enough suffer from nervous troubles and cannot understand what is ailing them. Sleeplessness and irritability are among the early symptoms. Indigestion and tired feelings soon follow.

Read this letter from an Ontario man:
Mr. W. L. Gregory, Charles St. E., Ingersoll, Ont., writes: "I had been troubled for quite a while with indigestion. At times there would be a twitching of the nerves of my stomach; and I also found it difficult to get a good night's sleep. I am a moulder, and owing to the nature of my work my system became run-down. I took a treatment of Dr. Chase's Nerve Food, and found great benefit from this medicine. They did me a great deal of good. I have not been bothered at all with indigestion since, and can sleep much better. I have recommended Dr. Chase's Nerve Food to many of my friends, as I think it splendid for anyone run-down and needing a tonic."
Dr. Chase's Nerve Food, 50c a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto

BRITAIN SAVES CIVILIZATION OF WHOLE WORLD

Former U. S. Ambassador to Turkey Tells What Was Done in Last Two Weeks

Henry Morgenthau, former United States Ambassador to Turkey, who spoke in place of Herbert Hoover, Secretary to Commerce, at a meeting of the American Bankers Association, made a deep impression on his auditors when he declared that "Great Britain saved the civilization of the world within the past two weeks."

"If the Turks had been permitted to enter Thrace as a warlike nation," said Mr. Morgenthau, "and with the determination to crush the Greeks, the Bulgarians would have arisen, they would have had a revolution and it seems to me that the Germans would have taken courage and would have said, 'If Kemal with his few untrained soldiers can make a stand against the Allies, why can't we do it?'"

"Great Britain today is standing a tremendous strain to protect the preservation of present-day things. Mr. Morgenthau concluded. "She is under a terrific strain, and you men who are moneyed men and represent money, let us together for a moment, let us realize that you are the guardians of civilization as well as Great Britain and that we have to stand back of it and do our share."

"Turkey, under the rule of Abdul Hamid was for thirty years continually exploiting her people. They were living—the Turks—as parasites on the other peoples that lived in their country. When this Young Turk party was organized, after they came into power, they discovered in a very short time that these centuries of misrule of the Turks had so completely depopulated them of all sense of freedom or desire for self-government even, that the only way in which they could continue their power was to be Abdul Hamids themselves, or that instead of one they were certainly 30 to 35, because there was an executive committee of the union and a progress party, which really was then and is now the invisible Government of Turkey. This committee can best be compared to the leaders of an organization like Tammany Hall.

BIG LUMBER CUT EXPECTED IN THE NORTH

Conditions in regard to the lumber cut on the North Shore during the coming logging season are most encouraging at the present time. Similar conditions are expected to prevail in other parts of the province and the entire lumbering outlook is bright.

A. T. Murchie, Chief Scaler, who has returned from the North Shore states that after covering the country as far down as Jacques River he made an estimate of seventy-one million feet. With other districts taken into consideration that total will be increased considerably.

To Investigate Deaths From Tetanus At Toronto

Apprehension felt in Toronto that the defective suture material used in surgical operations menaces recovery of patients in some cases, was increased by the death of Charles Seymour, aged 22, in St. Joseph's Hospital. The young man, who was operated upon for appendicitis on September 22, died of tetanus or lockjaw, the malady which last week caused the death of Dr. Norman Allan, one of the best known Toronto surgeons, several weeks after he had undergone an operation for gallstones. An inquest has already been opened in the case of Dr. Allan, and one will be held also in the case of Seymour.

COULD HARDLY MOVE IN HER BED

Eight Boxes of "FRUIT-A-TIVES" Completely Relieved Her.

MADAM RICHER. Labelle, P. Q., April 18th, 1921

"It is my duty to tell you and publish to all what your remedy 'Fruit-a-tives' has done for me. I suffered with Rheumatism for ten months; could hardly move in bed, and was miserable all the time. I tried several physicians and took many remedies, but they left me at the same place, in bed and suffering, the Rheumatism was so bad. I finally started in taking 'Fruit-a-tives' and continued the treatment regularly as I found myself getting better. After using eight boxes of 'Fruit-a-tives' (which cost only \$4.) I am completely well without a trace of Rheumatism."

Madam J. RICHER. 50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Questions and Answers On Forestry

Q. What are the commonly accepted causes for the series of forest fires that have ravaged Northern Ontario periodically?
A. The Porcupine fire in 1911 and what is known as the Claybelt disaster of 1916 were both due to unrestricted land clearing fires started by settlers for the purpose of burning up the wooded debris on their farm lands. Everyone recognizes the necessity of using fire for this purpose but the operation is rendered highly dangerous unless closely supervised by government officers. No such burning should be allowed except where wind and heat conditions make it reasonably safe. The general public sentiment in Northern Ontario has always been in favor of a rapid burning for farming and mining purposes. This course cannot be accomplished except at the cost of human life and the destruction of millions of dollars of real property.

Q. What is the best time in the Fall to transplant young Maple Trees?
A. After the leaves have fallen and before frost has set in heavily. Make sure to disturb the roots as little as possible, paying attention particularly to the small hair roots which are vital to the recuperation of the tree in its new position. Make the planting hole plenty big enough to accommodate the roots and sit in the finest soil immediately about the roots and tramp the earth firmly.

Q. Have many of the municipalities in the United States or Canada attempted to build up municipal forests with the object of a future fuel supply as well as developing an area for recreation?
A. Several Canadian municipalities have already started communal forests much on the plan of the French and Swiss communal forests. One of the most notable is that of Carthage, N. Y. On a tract of two thousand acres 585,000 trees have been set out in order to protect the watershed areas on which the municipal water supply depends and to provide for future supply of timber. Trees are set out in rows and are now measure from 15 to 18 feet in height and 6 inches in diameter. This tract eventually will furnish a million board feet of lumber a year. In Europe, where planted forests are a well-established source of revenue, returns of from \$7 to \$12 an acre are secured from community forests.

DO YOU PAY YOUR BILLS?
Some men are constitutionally irresponsible to their financial obligations. They hold their debts very lightly and incur them very easily. There is something radically wrong in the Christianity of a man who gets the reputation of failing to pay his bills. Our modern age needs a new emphasis on the ethics of daily life and of every day business dealings. Many men who claim to be Christians and who in perfectly good faith sign their names to a pledge that commits them to definite financial responsibilities, easily turn aside from this contract as though no moral obligation had been incurred. Nothing deals the cause of Christ more paralyzing blows than financial slackness on the part of Christian men and women. And one of the most telling arguments for the reality of Christ's experience and Christ's power to control the various aspects of life, is his sensitiveness to material obligations in the midst of financial straits and limitations where carrying such obligations is not easy but where a Christian conscience is in control.

DEMAND ABOLITION OF CAPITAL PUNISHMENT

Bungling of Execution of Benny Swim Results in Robert Bickerdike, M.P., Renewing Agitation

Montreal, Oct. 11—A special despatch from Ottawa to the Star says: The bungling of the execution of a murderer at Woodstock adds stimulus to the demand of the Prisoners Welfare Association for the abolition of capital punishment. A delegation headed by Robert Bickerdike, M. P., interviewed Hon. J. A. Robb recently, and asked that on his coming trip to Australia he inquire as to the method of punishment for murderers there, and also how Australia treats prisoners generally.

The delegation took occasion to renew their protest against perpetration of capital punishment. Parliament so far has turned a deaf ear to the proposal of the association to substitute life imprisonment for hanging, and there is no indication of any change in that position. What is talked of, however, is electrocution instead of hanging. There is no official hangman, and never has been, though for some years, one individual did most of these gruesome jobs. The responsibility of employing the hangman is placed on the local sheriff, who may engage someone, or do it himself.

Want Chief Inspector Removed From Office

The annual meeting of the New Brunswick Temperance Alliance was held at Woodstock on Tuesday, when reports were received from Rev. W. D. Wilson, the general secretary, and the executive, and business of much importance was transacted.

Reports from different parts of the province to the Alliance were to the effect that no serious attempt was being made to enforce the law. A resolution was passed heartily concurring with the opinion of the executive that Chief Inspector Hawthorne be removed from office, and that a man be appointed who will be more strict in the enforcement of the act.

Among other resolutions was one urging the government to pass an order-in-council to prohibit the exportation of liquor, and another asking the government to do away with the export liquor agencies, which the Alliance claims opened the door for the illegal distribution of liquor.

The meeting was presided over by Donald Fraser.

MINISTER OF PUBLIC WORKS EXPECTED

NOT SOMETHING NEW BUT SOMETHING GOOD

BEAVER FLOUR

FOR almost fifty years Beaver Flour has been demonstrating to Canadian women that it is unrivalled as the best flour for general baking purposes.

The chief reason for this is that "Beaver" is a blended flour,—containing all the richness and goodness of the world-famed Ontario Winter Wheat combined with enough Western Hard Wheat to give it strength.

BEAVER FLOUR

enables any cook to produce bakings that are real food treats.

Bread made with Beaver Flour has that delicious, nut-like, homemade flavor so much sought after by all who appreciate good things to eat; while pies, cake and pastries are noted for their lightness, crisp flakiness and even texture.

Beaver Flour has earned its enviable reputation for superiority. If you are not using it now—try it! Sold by your grocer.

Old Time R. R. Man Says It Is Grand

"Both myself and wife have taken
Tanlac with fine results," said P. P.
Folkens, 130 Dominion St., Moncton,
New Brunswick, a few days ago. Mr.
Folkens has been employed in the
Canadian National Railway shops in
Moncton for thirty-six years.

"As for my own case, I had a trouble
that upset me so I could neither
eat or sleep to do much good. At
last it was just my nerves, and then
my stomach went wrong and I got
into a general run-down condition,
and was fast losing my strength.

"About this time so many people
were praising Tanlac, among them
a clergyman, that my wife, who was
feeling run-down, but not exactly
sick, decided to try the medicine.
She took a few bottles and it made
her feel so much better that she
couldn't help praising it and telling
people what it had done for her.

"So I concluded to try some my-
self and can truthfully say it was
Tanlac that brought me through my
trouble. It did for a whole lot of
good just at the time I needed help
the most. It set my stomach in or-
der, fixed up my nerves so I could
get a good night's rest so I could do
my day's work and not lose time.
My wife and myself will always have
a good word for Tanlac."
Tanlac is sold by all good drug-
gists.

CROP REPORT FOR 1922

A summary of conditions on Octo-
ber 10th issued by the Provincial
Department of Agriculture states—

The season of 1922 has been favor-
able to those crops which thrive
in copious rains; hay, grass pas-
tures grain and roots made rapid and
vigorous growth. Abundant rough-
age for stock was gathered in all
districts and a large surplus of hay
is for sale. Owing to the soft state
of the hay meadows, caused by a
late June freshet and to unfavorable
weather during the late hay harvest
period, a smaller area was mowed
this season. The acre yield is esti-
mated at one and one half tons on
715,000 acres.

Grass pastures were excellent
throughout the growing season and
cattle made rapid growth, or re-
sponded measurably in milk yield af-
ter a recovery from short rationing
of roughage during the winter. Fac-
tory dairy prices were lower than
last year, though the increased out-
put will bring to the patrons of cre-
meries and cheese factories close to
one million dollars.

The acreage devoted to grain
shows a slight increase over last
year. Such threshing as has been
done indicates that the yield per
acre of wheat, oats, buckwheat and
mixed grain is substantially greater
than last year. The yield of buck-
wheat is the best in years, and will
average 25 bushels per acre on an
acreage of 45,000. The acre of wheat
will average 17 bushels in the Pro-
vince, with many fields running as
high as 28 bushels per acre. The
acre yield of oats is 30 bushels on
296,000 acres. Heavy rains which
occurred just before harvesting be-
gan, caused the grain to lodge, mak-
ing harvesting particularly trying.

The potato crop is less than last
year by four million bushels. The
acreage, (74,000 acres) is the same,
the shrinkage being due to a lower
acre yield. In the commercial dis-
tricts only slight traces of rotting
occur. In other counties, Sunbury,
Kings, Kent and Westmorland, con-
siderable rotting is reported on low
lying ground. The yield per acre,
that part of the total crop which was
grown especially for purposes, which
was inspected by officers of the Do-
minion Provision of Botany and nas-
sed the requirements for certificate
for export, will approximate 300 bu-
shels per acre on one thousand ac-
res graded Extra No. 1.

The acreage of various crops, and
a provisional estimate of the total
yield is as follows:—

New Brunswick Acres	Total Yield
Spring wheat	27,000 450,000
Oats	296,000 8,658,000
Barley	8,400 193,000
Buckwheat	48,000 1,140,000
Mixed grains	4,050 123,000
Potatoes	75,000 13,781,000
Turnips, etc.	17,700 5,845,000
Hay and Clover	715,000 1,144,000

The numbers of the various clas-
ses of livestock, with the exception
of hogs, remain about the same as
last year. An increase in the valua-
tion per head of cattle and sheep
is however, noteworthy.

To Represent Canada

The Lunenburg fishing schooner
Bluenose last year's international
champion will represent Canada in
the International races off Glouces-
ter, October 21 and 23. It was an-
nounced following a meeting of the
Nova Scotia race commission and
the captains of the vessels entered
in the Nova Scotia championship
series.

LUMBER CUT

A cut of 65,000,000 feet of lumber
will be made on Crown Lands in the
northern part of the province, this
winter, according to an estimate of
the chief scaler. Last winter on the
Crown Lands referred to, no lumber
was cut.

Lumbermen in the north report
that they have disposed of all their
old stock and that prospects are
good for a busy season.

PLAYERS TO TOUR THE ORIENT

At least three members of the
New York Giants, and three of the
New York Yankees, will participate
in the tour of the Orient that has
been organized to further the growth
of baseball beyond the Pacific.

While the official roster has not
yet been completed for the party that
will gather at Chicago next Sunday
to sail from Vancouver in time to
reach Yokohama, Oct. 31, it is
known that George Kelly, whose hit
won yesterday's game for the Giants,
Arthur Nehf, and Emil Meusel, the
slugging outfielder, will go from the
Giants squad.

From the Yankees will be Joe
Bush, who pitched two toting games
for his team, including that of yes-
terday, Walte Hoyt, the sensational
boy pitcher, and Fred Hoffman, sec-
ond string catcher.

Other players billed to go are Tom
Griffith of the Brooklyn club, Joe
Sewell and Stephenson of the Cleve-
land Americans, Amos Strunk and
Felix of the Chicago Americans, and
John Lavan, St. Louis Nationals.

The men are selected not only for
ability, but for their gentlemanly con-
duct on and off the field and their
selection is subject to the approval
of Commissioner Landis.

WILL INVESTIGATE SWIM HANGING

An investigation is to be held by
the provincial authorities in the man-
ner in which the execution of Benny
Swim was carried out in Woodstock
last week, according to the announce-
ment given out by Hon. J. P.
Byrne. The investigation will
be held at Woodstock under oath.

Hon. Mr. Byrne said tonight that he
was appointing a commissioner to
take the evidence under oath to give
to the people of the province the au-
thentic account of what really hap-
pened at the terrible affair where
the unfortunate man was not killed
by the first fall and had to be car-
ried back to the scaffold after being
cut down, and hanged again. He de-
clared that there has been so many
different versions of the affair and
that the public, especially in Wood-
stock and the vicinity were so great-
ly aroused over the hanging that the
department considered that an inves-
tigation should be held.

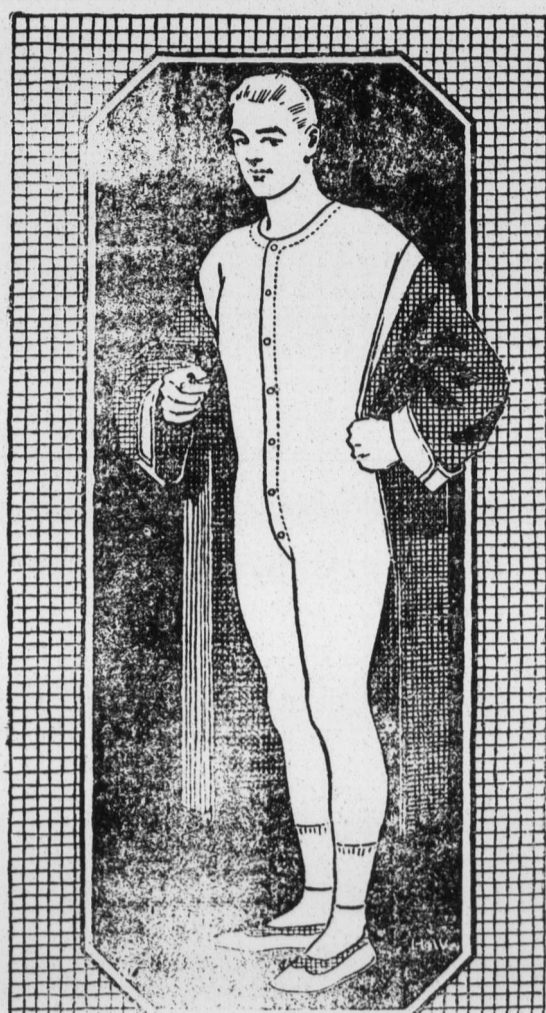

Lloyd-George Does Not Intend To Resign

Premier Lloyd George has clearly
no intention of resigning office at the
orders of his numerous newspaper
critics. On the contrary, he is deter-
mined to fight them and at Man-
chester Saturday he is expected to
make a vigorous reply to these critics
and defend his Near Eastern policy.

Should there be a new crisis in
the Near East, this may, of course
entail a change in his plans.
In well-informed circles it is also
stated that there is no question of
dissolution of Parliament at the pre-
sent time, and that, therefore, the
Prime Minister's speech will not take
form of an election mandate. At the
same time there is extraordinary ac-
tivity in all political centres and
rumors that the Prime Minister may
have some new legislative program-
me concerning international reforms
to expound.

British Councillor of Exchequer Postpones Visit to U. S.

Sir Robert Stevenson Horn, Chan-
cellor of the Exchequer, has indefi-
nitely postponed his debt funding mis-
sion to the United States according
to the Daily Express. This action is
in consequence of political situation
in England.

GEORGE ROYAL IMPROVING
George Royal who was stabbed at Grand Downs recently is improving. The preliminary hearing of Vincent Albert, who did the stabbing will be held on Thursday, 19th inst. George M. McDade has been retained by Albert as counsel.

RUMMAGE SALE
The Rummage Sale held by the Miramichi Hospital Aid in the Town Hall, last Thursday was a success in every particular. The donations were many and varied and everything was disposed of quickly and at favorable prices. A substantial sum was realized for the needs of the Hospital.

WON BARRELL OF APPLES
The guessing contest for a barrel of apples contained in a barrel of No. 1 Gravenstein's, which was given by the Maritime Produce Co. in aid of the Miramichi Hospital closed last Saturday afternoon at 5 o'clock. The number of apples contained in the barrel was 438, and was correctly guessed by Harold Russell of Newcastle, to whom the barrel has been delivered. The guesses ranged from 255 to 600.

DRIVE TO THE RIGHT
Communications have been sent by Hon. P. J. Veniot, minister of public works, to all of the teachers in the schools of the province, requesting them to inform the pupils that the change in the rule of the road from "drive to the left" to "drive to the right" becomes effective on Dec. 1, 1922. In this way notice of the change will be given to the great majority of the people in the province.

TELEPHONE EXCHANGE
The N. B. Telephone Co. Ltd. have made a big improvement in the local exchange building. Both inside and out, the building has been practically made all over, and the appearance to the street has been greatly improved. The interior has been thoroughly renovated and is now up-to-date and convenient in every particular for the operators to give the public first class service. Mr. Willard Lewis the local manager will be pleased to show visitors throughout the building at any time.

WONDERS NEVER CEASE
The wonderful success of the Family Herald and Weekly Star of Montreal has been more marked year by year continuously for half a century. There are households literally by tens of thousands all over Canada where for thirty, forty and fifty years the Family Herald has not only been a welcome weekly guest, but one indispensable to the home life. The success of the Family Herald of Montreal has been so conspicuous and overwhelming that Publishers everywhere refer to it as a phenomenal journal. The price of subscription to it looks ridiculously small when the wonderful contents of the paper are considered. Those who do not know it can, we understand, have a sample copy free by writing to its Publishers, Montreal.

SALVATION ARMY
The Newcastle Corps of the Salvation Army is doing excellent work in this locality, since the new officers Captain and Mrs. Capson took charge in September last. Almost every week-end new converts, ranging from one to three, have come to the penitential form and made their peace with God. The Corps now consists of from 20 to 25 members which is the largest number for years. On Sunday 8th inst. two soldiers were enrolled, and Sister Ada Robertson of St. Stephen N. B. Corps was also transferred to this corps. The Harvest Festival was a great success, and the target will be reached. The Sale of Vegetables was held Monday night, and a large congregation was present. All articles were disposed of at satisfactory prices and the quality and quantity have never yet been excelled in this corps. A substantial amount was realized, which will help materially in reaching the target. This winter is being looked forward to as the best the corps has ever had and the soldiers are going into the spirit of the work with keen interest. The local officers are beloved by the members of the corps and they also have the heart sympathy and co-operation of the community.

Look for the Mark!
The Norwegian "Fisherman Mark" of quality and goodness that is on every bottle of
Scott's Emulsion
assures you health-building, vitamin-bearing cod-liver oil in its purest form, pleasant to take, readily assimilated and transformed into strength.
The "Fisherman Mark" should be on every bottle of emulsion you buy.

SAW HENRY SWIM
It is reported that Mr. and Mrs. James Dale of Blackville N. B. who were in Boston, Mass. recently, saw Henry Swim of Doaktown, who has been missing for the past two weeks.

MAKE READY FOR WINTER
Last week the fountain in the public square was overflowing and considerable rubbish was floating on the top of the water. The fountain has fulfilled its functions for this year and could now be shut off and made ready for the winter months.

CARD OF THANKS
The local Committee in charge of the Red Cross Pageant and Tabernacle are most grateful to all who in any way assisted in helping to make the Pageant the great success it was. The receipts in Newcastle amounted to \$113.55.

BUILDING PROGRESSING
The carpenter work on the new P. J. McEvoy building, Castle Street is progressing rapidly. The weather for building this fall has been excellent and good advantage of same has been taken by Mr. Burton Somers the contractor. The building is now being wired for electricity.

LOGS SOLD AT AUCTION
The unmarked and dead log rafts floated this season at the South West Boom were sold by public auction in front of the Post Office on Saturday afternoon at 3 o'clock, by J. R. Lawlor, Auctioneer. A parcel of 800 logs rafted was sold to Mr. Cyril Creaghan for \$80.00, and some 2000 pieces on the bank were also bid in by Mr. Creaghan at 19 cents per stick.

SURPRISE PARTY
A number of Mr. and Mrs. D. J. Gulliver's friends took them by surprise last Friday evening when they invaded their home on their first wedding anniversary. The party included a number of friends from Douglas town, and Mr. and Mrs. Gulliver were the recipients of many useful articles. A pleasant evening was spent in games and amusements, after which refreshments were served and the party left for their homes.

FORMER NEWCASTLE MAN RISES TO HIGH POST IN U. S. POLICE FORCE
Captain David Petrie, Chief of the Criminal Department of the Lowell (Mass.) Police Force was in town last week having been summoned here owing to the death of his mother, Mrs. David Petrie, which took place on Wednesday.

It is 32 years ago since Mr. Petrie left Newcastle for the United States and he has been connected with the Lowell Police Department for the past 17 years. He joined the force as a patrolman and in that space of time has risen to the high rank which he holds today.

CARD OF THANKS
Mr. Wm. Hare of Whiteville, who lost seven buildings, including his home in a recent fire has commenced to rebuild. Mr. Hare carried no insurance and his loss was a heavy one. He was absent from home at the time of the fire and practically nothing was saved. Considering the heavy loss sustained Mr. Hare finds it rather difficult to rebuild and is anxious to erect buildings for himself and stock before winter sets in. The neighbours have been very kind and have given him much assistance. Mr. Hare will appreciate any kindness bestowed on him, and takes this opportunity of thanking, Messrs. Edward Sinclair Lumber Co. Ltd.; J. Ritchie & Co.; James Robinson Ltd.; Fraser Companies Ltd.; George Burchill & Sons; O'Brien Ltd. and Mr. Geo. Flett for contributions of lumber and brick.

REV ALEX FIRTH GOES TO DOAKTOWN
At an adjourned meeting of the Presbytery of Miramichi held Friday in St. James' Hall, Newcastle, the call from the Upper Miramichi congregation to Rev. Alex. Firth of Doaktown was dealt with. Messrs. D. Baldwin and H. F. Brown of Nelson and Robert Jessamin of Doaktown appeared in the interests of the congregation. They spoke in appreciative terms of the ministry of Mr. Firth for nearly nine years among them and expressed sincere regret at the prospect of him leaving them. Mr. Firth, in a few feeling words stated his desire to accept the call. On motion of Rev. L. H. MacLean and Rev. J. H. A. Anderson, presbytery acquiesced in his decision. Mr. Firth's ministry in Doaktown and Nelson to terminate after Sunday Oct. 22 and his induction to the pastoral charge of Upper Miramichi to take place in St. Thomas Church, Doaktown on Thursday, Oct. 26th at 7.15 p. m. Rev. L. H. MacLean was appointed interim moderator of the session of Doaktown and Nelson during the vacancy. At the induction service on the 26th, Rev. F. W. Thompson, moderator of Presbytery will preside and induct, Rev. J. H. A. Anderson will preach, Rev. G. A. Grant will address the minister and Rev. W. M. Matthews the people. The clerk reported that Rev. A. Craize of Bass River had moderated in a call from the congregation of Rexton and Richbucto in favor of Rev. W. A. MacQuarrie. The report was received and on motion the Presbytery adjourned to meet in the Presbyterian Church at Harcourt on Thursday, Oct. 19th at 1.30 p. m. to hear and consider the call from the above congregation.

UNCLE TOM'S CABIN
The Opera House was filled on Thursday evening to hear "Uncle Tom's Cabin." Young and old were present and all enjoyed the play.

TO INVESTIGATE
J. Bacon Dixon of Fredericton has been appointed a commissioner to make an investigation of the circumstances surrounding the execution of Benny Swim at Woodstock recently.

MRS. T. A. CLARKE
COR. SECRETARY OF W. C. T. U.
At the annual W. C. T. U. Convention for N. B. and P. E. I. held at Woodstock, Mrs. T. A. Clarke, of this town was elected corresponding secretary.

NELSON WEEK AT FARRAH'S
This is Nelson Week at A. D. Farrah & Co's store. Saturday next, October 21st, is the anniversary of the great battle of Trafalgar, in which Nelson won for Great Britain the mastery of the seas. In this battle the great Admiral Nelson was killed and before action he signaled "England expects every man to do his duty."

The firm of A. D. Farrah & Co. are commemorating this week as Nelson Week, in honor of our sister town, Nelson, across the Morrissey Bridge, which has been named after the great Admiral. A large portrait of Admiral Nelson is on exhibition in the windows of this enterprising firm. The celebration is in the form of offering their many customers, extraordinary values and quality. Five per cent discount will be given in money on all purchases during Nelson Week. Cheque Forms are printed in the advertisement on Page 3 of this issue, which are to be clipped and filled out by the purchasers.

Be sure to call this week, and secure your wants for the coming winter months and thus save yourself many dollars.

Sleeping In Open Air Advocated

No Longer a Fad, it is Necessary—Curative and Preventive Medicine

(From the Executive Officer, Massachusetts-Halifax Health Commission)
A few years ago we looked on outdoor sleeping as a fad. To-day it is one of the necessities of curative and preventive medicine. When reformers began an aggressive fight against tuberculosis not many years ago, just a few were brave enough to hazard modern outdoor methods of sleeping. "Wise neighbors and friends wagged their heads, saying, "If they survive the trial, they will soon grow tired of exposure." To-day thousands sleep in the open air while every tuberculosis sanatorium requires patients to sleep on the porches. Once the habit of sleeping in the open is established, indoor sleeping becomes unbearable and uninviting.

It is interesting to note the growth of the custom in the vicinity of sanatoriums, Kentville and Wolfville each exhibit many more sleeping porches attached to private houses than may be seen in the city of Halifax. The habit radiates from the Sanatorium. Nowadays no city dwelling should be considered complete without a sleeping porch. The architect who neglects to plan a sleeping porch while planning the house should be looked on as a "back number." Housing Commissions should always include sleeping porches in their housing developments.

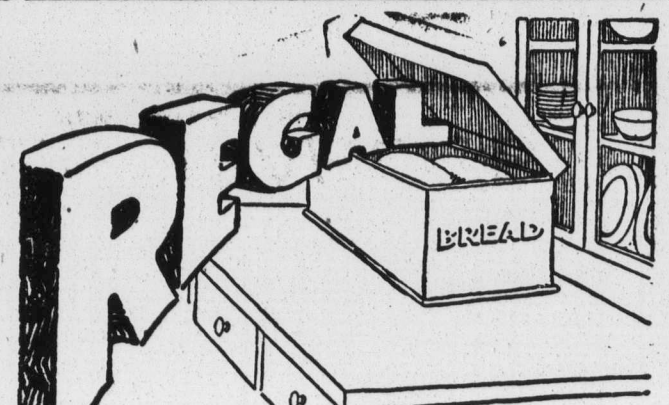

To enjoy this invigorating and stimulating custom, one needs a comfortable preferably a warm room, easy of access for dressing purposes. There one should dress for outdoor sleeping and there or in the bathroom, dressing for the day should be done.

CONSIDER THE BOY
In the old country, it is usually the son, or the sons, of the house, who get the greatest amount of material consideration. In Canada, conditions are nearly always reversed. If there is any petting going the rounds it is flaxen-haired Dot who gets it all; while freckle-faced Bob, whose boyish soul longs for a little tenderness, has to take it out in longing. He is treated as an outlaw in the drawing-room and he is never credited with other than material desires. To be sure, no boy that is worth his salt cares very much about being fussed over in public but his capacity for absorbing affection and consideration, that are judiciously and unflatteringly given, is boundless. If the little boy and the growing boy were given as much loving thought and care as the girls in the family, there would be fewer Commissions of Inquiry sitting solemnly upon the subject of "How To Reclaim Our Young Men."
