ONE CENT DROP LETTERS.

Bill to Lower Rate in City Drop Letters. Ottawa, May 5.—Hon. Rudolph Lemieux, postmaster general, has given notice of a government measure to reduce the postage rate on all drop letters in cities where the letter carrying system is established, from two cents to one cent. This is along the line of the policy of the government to devote the steadily increasing postal revenue of the country to a reduction of the rates and the betterment of the service wherever possible. The reduction will mean a considerable decrease on the postal taxation in each city of Canada where the number of letters posted for delivery by the same city forms a large proportion of the total mail.

MARINE DEPARTMENT INVESTIGATION.

Ottawa, May 5.—Pending the resumption on Monday next of the public inquiry by Judge Cassels into the charges made against the marine department, Messrs. Watson and Poirer, the counsel appointed to assist the commission, will be again going through the files of the department with a view of summarizing the officials to explain anything that might look like an overcharge of public funds or any other misuse of public funds. Col. Goulet, deputy minister of the marine department will probably be through the files of the department with a view of summarizing the officials to explain anything that might look like an overcharge of public funds or any other misuse of public funds. WITH THE FARMERS

INTERNATIONAL BUREAU.

Ottawa, May 4.—Dr. J. G. Rutherford, veterinary director-general and live stock commissioner, and T. K. Doherty, chief clerk and private secretary to the minister of agriculture, will leave for Rome next week to represent Canada at a meeting of the representatives from most of the civilized countries of the world with a view to the inauguration of an international agricultural institute with headquarters at Rome.

The meeting is to be held on May 23 and the delegates who attend will form the central international committee to draft proposals for consideration at a general conference to be held in the same city in August next.

The formation of the institute promises to lead to most important results. It is intended that the institute shall form a central bureau for the gathering of authentic international crop statistics and for dissemination of the latest knowledge relating to scientific agriculture in all parts of the world. It will also provide a means for a comparison of official statistics and concerted action on any question of general importance to agriculturists the world over.

SATURDAY'S GRAIN MARKETS.

Winnipeg, May 8.—Market today was dull and featureless, but price recovered somewhat during the afternoon. At opening, wheat was higher on steady cables and cold weather reports throughout Canada and United States, but conditions could hardly be considered unfavorable. As day wore on wheat developed a rather nervous tone, and with little wheat offered market became congested. There was not much gossip about pit, but whatever there was a bullish nature. Reports from Kansas told of big damage in state, while other reports from Kansas told of improved demand for lower grades of cash wheat for export, and slight decrease for contracts in Minneapolis. May opened 1.02 1/2, closed 1.02 1/2; July opened 1.06 1/2, closed 1.07 1/2; September opened 1.07 1/2, closed 1.07 1/2; October opened 1.07 1/2, closed 1.07 1/2.

MONDAY'S GRAIN MARKETS.

Winnipeg, May 5.—Higher cables, a big decrease in visible and warehouse shipments only half what they were a year ago, were the features in the market. Chicago May wheat was very jumpy and showed a range of 2 1/2, but closed only 1/2 higher than Saturday. In Minneapolis the range was not so marked, but prices for May were up one cent at the close, July 1 1/2 and September 1/2. Winnipeg was one of the duller of the season until the last fifteen minutes, when bidding was brisk and the range was 1/2 for May and 1/2 for July higher; oats 1/2 lower. There was a very strong market in cereals but the fluctuation was narrow and there was only an advance of 1/2 to 1 cent for May and 1/2 to 1/2 for July and September.
