WEDNESDAY MORNING APRIL 30 1919

VOL. XXXIX.—No. 14,049 TWO CENTS

ORLANDO PUTS ITALY'S CASE BEFORE NATION'S PARLIAMENT

AYEARST IS EXORCERATED FROM SHARING CHARGE

Sir William Meredith Sums Up Investigation of License Department, Discounting Evidence of Detective W. Duncan.

After sitting three weeks to hear evidence, Sir William Meredith, who was appointed commissioner to investigate the charges made against John A. Ayearst, chief license inspector, by H. Hartley Dewart, K.C., in the legislature, yesterday promulgated his findings in which he completely exonerated Mr. Ayearst from the charge that he had shared in the profits of private detectives.

The commissioner after listening to Mr. McKay, K.C., who appeared for Hartley Dewart, did not give Louis Monahan, counsel for the inspector, a chance to make a statement, saying at the same time "I will not hear you, Mr. Monahan. I have arrived at my conclusions."

"I may say here I think the evidence does not show that there was any agreement ever entered into with Mr. Ayearst, but he should share in the money which Hinch and Solomon received from the Duncan Detective Agency. It is established to my satisfaction that there never was any agreement or expectation on the part of Mr. Ayearst to share in the money. I think that there never was any agreement that he should so share."

Further, said the commissioner in his finding, there was an offer by Solomon to give Mr. Ayearst one-third of the money, which was proved. It was also proven, however, that Ayearst refused to take any part of the money. "I have no doubt," said Sir William, "that the statement is true that he refused to take the money."

Nothing Singular.

In regard to the special account, on which Mr. McKay laid so much stress in his summing up, the commissioner said he found nothing singular in the money being deposited in this way. The commissioner accepted the story told by Solomon that the money had been handed to Mr. Ayearst for two reasons: one that the money was intended for the money to be kept together and that it should be divided up. The other reason was that if Hinch got his money he might go and ruin the case against the conductors, which Solomon had worked up. "The money was deposited with Ayearst without any intention of his sharing in it."

WIND AND RAIN AGAIN POSTPONE ATLANTIC FLIGHT

Aviators May Wait Till Full Moon Brings Favorable Flying Conditions.

ALL WAS IN READINESS

Australian Says That if Rival Hops Off, He Will Start Also.

St. John's, Nfld., April 29.—With another sudden change to bad weather, the start of the transatlantic flight of Harry Hawker, Australian, and Capt. Frederick P. Raynham, his British rival, has been postponed to some time from two days to a fortnight hence, when the full moon may bring hoped-for flying conditions.

Out of a clear sky at breakfast time, a stiff easterly and northeasterly wind swept down this section of the Newfoundland coast, bringing rain in its wake, to make another of the raw, dismal days which have kept the aviators in bondage.

The most optimistic predictions call for at least 48 hours' continuation of present conditions, and the both flyers and their crews held themselves in readiness for a "hop off" during the early morning, by mid-afternoon the wind had shifted to the west, the wind was abandoned, and the hangars were deserted.

Capt. Raynham, coming from a long conference with meteorological experts, expressed the opinion that probably three days would elapse before there is an improvement in the weather here. Reports from ships in the eastern Atlantic within a hundred miles or so of shore were favorable, however, and the storm in England is blowing itself away.

Both Start, or Neither.

Capt. Charles W. Morgan, Raynham's navigator, said tonight that their Martinsyde would not be held in port because of a slight rainstorm alone, and Capt. MacKenzie Grieve, Hawker's navigator, announced that, "bad weather or good, if the Martinsyde goes, we go, too."

Anticipating a double start in the race, Major Arthur Partridge, referee, this morning announced the opinion of Capt. J. F. Campbell, aide-de-camp to Governor Sir Alexander Harris, as assistant referee to officials at the start of one of the seaplanes.

The prospect of continued delay in the start of the Hawker and Raynham planes has brought to the fore talk of the United States navy's attempt to fly its N. C. craft from this coast.

Two American naval radio operators were reported to have been here to join the British Royal Air Force meteorologist. Nothing has been seen of any American naval vessels in these waters, however, and nothing definite has been heard here of the navy's plan for the start of its fliers.

Hawker received a cable message today, telling of an offer of a British manufacturer to add \$10,000 to the \$50,000 prize of the London Daily Mail for the overseas flight.

MACHINISTS' OTE FAVORING STRIKE IS FAR REACHING

Six Thousand Metal Workers Involved by Employers' Refusal.

RAILROADS AFFECTED

Transportation May Be Held Up From Coast to Coast.

By an almost unanimous vote, some 1700 machinists, assembled at a special meeting in Massey Hall last night decided to go on strike for better pay, shorter hours, overtime rates, and bettered general working conditions on May 1, 1919. This action by District 46 of the International Association of Machinists last night brought to a crisis the unsettled labor condition which has been prevailing in the general metal trade of the city for some time.

When polled, the strike vote showed that 97.2 per cent. of the votes cast called for an immediate strike unless the demands which were presented to the employers about a month ago were met immediately. The meeting was attended by delegates from out-of-town lodges, on whose home districts the Toronto lodge's action will have great influence in determining their future action in making this a province-wide strike.

All the other allied trade unions of the city, among whom are the patternmakers, electrical workers, sheet metal workers, molders, coremakers, boilermakers, blacksmiths, metal polishers, and others of the same ilk, will take the same action as the machinists did at meeting of their own. The vote at Massey Hall last night was for the Toronto machinists only, but strike votes will be taken today by Kingston, Ottawa, and Bramford, while other towns will follow in due course. It is understood, however, that the plumbers and steamfitters are not going out.

Determined to Win.

The determination of the men to win out was evidenced at the conclusion of the meeting last night, when one of the officials of the union stated to the press: "If we are out for ten days we will bring out every machinist on the railroads handling transportation from coast to coast." This statement is based on the fact

(Concluded on Page 4, Column 5.)

A GRAVE HOUR FOR THE WORLD AND VERY GRAVE FOR ITALY

Orlando Will Not Return For Signing of Peace Treaty

Paris, April 29.—Ambassador Page telegraphed from Rome today that he had gathered from Premier Orlando in a long conference Monday that the premier did not intend to return to Paris for the signing of the peace treaty. The premier expressed regret that the time was so short before the arrival of the Germans. This was only one of the disturbing complications presented by the Italian situation as the time approaches for the delivery of the peace treaty to the Germans.

The Italian premier, the telegram from Ambassador Page added, felt that his action either way would have serious consequences, but it was preferable to have trouble without Italy, rather than from within Italy, because the present state of public feeling in Italy would not justify the signing of a treaty which did not include Italian aspirations.

Ambassador Page said he had taken steps to have the Italian authorities suppress manifestations against President Wilson. As a result of one of the principal demonstrations in Rome was given up.

Should Premier Orlando not return for the signing of the treaty, it would give the situation a more serious aspect than the departure of the Italian delegation as the allies would be required to take final action without the participation of Italy.

While there is every desire to avoid this result, the indications are that the allies will proceed with the signing if Italy decides to withhold participation.

Premier Orlando, Before Chamber of Deputies, Declares His Country's Claims Are So Just That International Treaties Should Be Set Aside for Them—Must Preserve Calm and Serenity

Rome, April 29.—The chamber of deputies tonight voted confidence in the cabinet by a count of 382 to 40, the latter votes being cast by socialists.

Rome, April 29.—Admitting that the world situation at the present is grave, and for Italy "very grave," and that it was the duty of Italy to "preserve the greatest calm and serenity," Signor Orlando, the Italian premier, today delivered his expected address to the chamber of deputies concerning the peace conference at Paris.

"The principal duty in this grave hour for the world, and very grave for Italy," said Signor Orlando, "is to preserve the greatest calm and serenity."

"This statement aims to be only an impartial declaration of facts, so that parliament may have all the elements necessary to pass judgment on the work of the government, and the Italian delegation at the peace conference, as well as on the situation created by the last painful events."

"I think it opportune to recall briefly the attitude of the Italian delegation in that phase of the negotiations which began about the middle of March. At that time the preparatory work was finished, and a program for definite deliberation had to be decided upon. Questions concerning peace with Germany were given precedence, but it was agreed that those regarding Italy should follow immediately."

Founded on Just Reasons.

Premier Orlando said that Italy believed that her claims were founded on such high reasons for justice and right that any international treaty or agreement should be set aside so that they might be accepted.

He admitted that he received on April 14, the American memorandum dealing with the Adriatic question, and added that until that time he had always been assured that the American delegation had not reached any definite conclusion regarding Italy.

There was certainly divergence of views between the two governments (Italy and U.S.) but never did I believe that such differences were irreconcilable. Several times I insisted that the program of the Italian territories was based on principles which were an integral part of the Italian government."

Hurt Every Italian Heart

Following Premier Orlando, Professor Luigi Luzzatti, as spokesman for the majority in the chamber, declared that the allies had never rewarded Italy's sacrifices as they deserved to be rewarded. Italy's restoration, he added, ought to be at least to equal that of the other allies.

The speaker said President Wilson's message had hurt every Italian heart and that the chamber must give a firm and clear reply which would constitute a renewed expression of its confidence in the government.

"Too much blood has been shed and too many sacrifices, both for the present and for the future, have we made," continued Prof. Luzzatti, "for us not to be entitled to the demand that our sons along the Adriatic shall be able to feel themselves under the protection of their longed for motherland."

The speaker again declared that it was the duty of all the deputies to rally round the government. Deputy Turati, the official leader of the Socialist party, declared that the Socialists would not only be defenders of the sacred right of self-determination in the case of Fiume, but also of the equally sacred right of revolutionary Russia.

"For the same reason," continued

(Concluded on Page 4, Column 6.)

METHODIST WEALTHY COMBAT SOCIALISM

Millionaires Start Campaign Against Platform From Vancouver to Halifax.

Methodists plutocrats are organizing an anti-socialist campaign, according to information received by some of the general conference officers. One Methodist holding a high position at the Wesley Buildings stated to The World yesterday afternoon that the Methodist millionaires and their associates were reported to be organizing an agitation in the Methodist church from Halifax to Vancouver against the socialist platform adopted at the general conference at Hamilton. This is expected to manifest itself at the annual conference meeting which will begin next month. A fight over the social reform pronouncement is assured. The fact that Sir Joseph Flavelle barely escaped defeat in the election of lay representatives at the general conference, as quoted as an indication that the Toronto conference will stand by Rev. Dr. Chown, Rev. Dr. T. Albert Moore and other advanced general conference officers in upholding the findings that co-operation and not competition should be the governing principle in Canadian industry.

Very Nice Fellow.

Bro. Parsons was described at the Methodist offices as "a very nice fellow." But the expression was also used that a poor drunkard was better than a rich profligate.

Rev. Dr. W. Creighton ridicules the idea that the principles in which the high and mighty captains of industry among the Methodists make their fortunes are above criticism. Dr. Creighton said "The gospel refuses to be confined within narrow ecclesiastical barriers, but reaches out to touch commerce and industry, legislation and politics, and concerns itself with all that concerns the well-being of our race. It demands the right for the poor man to live respectably, it concerns itself with his hours of labor, its conditions and its wages, but does so not as a matter of mercy, but of divine justice."

THE DINEEN'S WINDOWS

The Dineen Co. wish to call your attention to today's window display of men's hats. In the north Yonge window we will show hats by such famous makers as Dunlap, Hillgate, Stetson, Christy and Heath, as well as our special line of Canadian hats at \$2.75.

Don't forget Dineen's is the place for rain and spring overcoats. Place 140 Yonge St.

WILL TRY LEDEBOUR

Berlin, April 29.—Georg Ledebour, the Socialist Democratic leader, and Herr Baemig, a Socialist editor, will be placed on trial May 19 for alleged complicity in the recent disorders in Berlin.

WINNIPEG FACING LABOR TIE-UP

Winnipeg, April 29.—Winnipeg is facing grave industrial unrest, and May Day may witness a complete tie-up of street railway service, police and fire departments, and thirteen building trades—affecting about 5000 men altogether. The increasing cost of living, it is stated, has caused organized labor in almost every trade and industry to demand increased pay, and there is a tendency to insist on shorter hours and the "closed shop."

Strenuous efforts are being made to effect settlements, but little progress is being made.

BRITISH MAILS.

The next British and foreign letter mail will close at the General Postoffice as follows:

Regular ordinary mail, 6 a.m., Friday, May 2, 1919.

Supplementary letter mail, 11 a.m., Friday, May 2, 1919.

Regular registered mail, 12 midnight, Thursday, May 1, 1919.

Supplementary registered mail, 10 a.m., Friday, May 2, 1919.

KIAOCHAU COLONY IS PROVING ANOTHER PEACE OBSTRUCTION

Chinese and Japanese Demands Conflict and Council of Three Finds it Hard to Reconcile Them.

Paris, April 29.—No settlement of the Kiaochau question was reached at the lengthy conference held today between Baron Makino and Viscount Chinda and the council of three, and a member of the Japanese delegation said he did not know whether another conference would be held tomorrow.

Kiaochau is now rivaling Fiume as a peace stumbling block, and is attracting much attention. The Chinese proposition to let Japan keep Kiaochau and the former German concessions for one year under pledge to turn them back upon China's reimbursement of Japan for the cost of capturing Tsingtao has been unfavorably received by the Japanese.

The Japanese are willing to agree to the return of Kiaochau, but upon the condition that they retain the port of Tsingtao, and the right to cooperate with the Chinese in the operation of the German-owned railways and mines in Shantung province.

The Chinese maintain that the Japanese proposals threaten China's sovereignty, and if adopted would put into effect the terms of the secret agreements forced upon her by Japan.

Hoping to Reach Compromise.

While the situation is difficult, the premiers are endeavoring to arrange a compromise whereby the German possessions in China will be formally turned over to Japan, with provisions insuring their return to China in the event of nations under just conditions.

The session ended late this afternoon without any decision on either the Japanese or Belgian questions.

The financial experts of the United States and France were called in while the Belgian delegates were being heard regarding the necessity of earlier payment to them of their share of the reparations. The discussion was left unfinished.

The Reuter correspondent says he learns from Belgian delegation circles that the situation in Belgium is so serious that unless financial aid is received from the allies it may be impossible for the Belgian delegates to sign the peace treaty.

BILL TO AUTHORIZE CANADA AIR BOARD

Presented in Commons—To Control Aerial Navigation and Issue Licenses.

Ottawa, April 29.—In the house this afternoon, Hon. A. K. Maclean presented the government bill to authorize the appointment of an air board for the control of aeronautics in Canada. The board is to consist of not less than five nor more than seven members. It will be appointed by the governor-in-council. The chairman will be a minister of the crown, and the departments of naval service and of militia will each be represented.

Generally speaking, the board will supervise all matters connected with aeronautics. It will study the development of aeronautics in Canada and other countries, and undertake such technical research as may be required. It will construct and maintain all government aerodromes and air stations. It will investigate all proposals for the institution of commercial air services within, or partly within, Canada or the limits of the territory whither of Canada. The board will also draft for the approval of the governor-in-council such regulations as may be necessary for the control of aeronautics.

Pilots' Licenses.

It is further proposed to give to the air board certain powers of regulation and control over aerial navigation, and to that end it will be entitled to license pilots and all other persons engaged in the navigation of air craft. Provision is made for suspension and revocation of licenses. There will be registration and licensing also of aircraft, air dromes and air stations.

The air board will lay down conditions under which air craft may be used for carrying mail, goods and passengers, and will be empowered to license commercial services.

Mr. Maclean added that the establishment of such a board was considered the best means at the present time of securing control over air services. After a trial it might be found that further legislation would be necessary.

The bill was read a first time.

SENDS AN ENVOY TO SEE ORLANDO

Premier Lloyd George Will Advise Against Inclusion of Fiume Under Italian Control

Paris, April 29.—The British prime minister has again intervened in the Italian situation by sending one of his trusted associates to communicate personally with Premier Orlando at Rome.

While the desire is to conciliate Signor Orlando, yet the premier is advised against the inclusion of Fiume under Italian control, as likely to make a settlement difficult if not impossible.

The person bearing the message was a member of the Asquith cabinet with Mr. Lloyd George.

PRIEST-LED TROOPS IN KOLCHAK'S ARMY

Bolshevik Paper Says They Are Known as the "Regiments of Christ."

Archangel, April 29.—According to the Bolshevik official newspaper, the Moscow Izvestia, there have appeared recently in the ranks of the army of Admiral Kolchak on the eastern front, special regiments known as "Regiments of Christ." The newspaper says the regiments are led in action by priests dressed in their vestments and carrying crucifixes. These troops are reported to have shown extraordinary bravery.

Other Bolshevik newspapers say that at a meeting of the executive committee of the Moscow Soviet it was shown that the expenses of the soviet have aggregated 1,200,000,000 rubles, while the income of the soviet was only 710,000,000 rubles. The newspapers assert that 100,000,000 rubles have been expended on the maintenance of children of the Red Guards, and that the cost of distributing this sum amounted to 20,000,000 rubles.

One home, which accommodates fifteen children of members of the Red Guard, has an administration of eight persons, and over this administration there is a committee composed of twelve other persons.

RUMOR THAT KEMP WILL SOON RESIGN

Also Reason for Believing Reorganization of Cabinet Will Take Place.

Ottawa, April 29.—The Journal today says:

Sir Edward Kemp, who, according to cable despatches, has left England for Canada, and will be in Ottawa within ten days, will not, it is understood, return overseas. The reason advanced for this is that his work in London, where he is the overseas minister of militia, is completed.

Sir Edward's return to parliament is awaited with considerable interest, as he is expected to take the first opportunity to reply to the vast deal of criticism that has been leveled against Argyle House and his administration generally.

Incidentally, Sir Edward will be home in time to take part in the debate on the budget, and in this connection it is interesting to note that he is a minister and a protectionist.

There are rumors that Sir Edward's return will shortly be followed by his retirement from the ministry, but this of course is entirely lacking in confirmation.

There is reason for believing, however, that when Sir Robert Borden returns from Paris, there will be a general reorganization of the cabinet and that Sir Edward, who has had four years of strenuous work, may be one of those affected by the changes.

Sir Arthur Currie, it is understood, will remain in England until all the troops are home.

THE SITUATION IN EUROPE

The Associated Press issues the following: everything virtually in readiness for the handing over of the peace treaty to the Germans at Versailles, the Italian situation looms large as an impediment in the way of unanimous agreement on the part of the entente and associated governments.

The situation in Italy still remains critical, the people demanding the fulfillment of the claims of the Italian delegates to Fiume and the Dalmatian coast and islands. So tense is the situation that Vittorio Orlando, the Italian premier, at a conference with Thomas Nelson Page, the American ambassador to Italy, left Mr. Page with the understanding that the premier did not intend to return to Paris for the signing of the peace treaty.

Great demonstrations have been held in Italy to demand the realization of Italy's aspirations, and Premier Orlando gave the ambassador the impression that, owing to the critical situation and the fact that the premier's action either in going to Versailles or remaining away from the peace conference would have serious consequences, it would be preferable to have the trouble come from within Italy rather than from within the kingdom.

A despatch from Paris says that while the non-return of Orlando would give the situation a more serious aspect than did the departure of the Italian delegation from Paris, the

allied and associated powers would proceed to the signing of the treaty, notwithstanding Italy's non-participation.

The main German delegates are now due at Versailles, but it is probable that the peace treaty will not be delivered to them until Friday, as on the previous day, "May Day," a 24-hour strike which will dislocate transportation and communications is on the program of the labor unions.

The council of three conferred throughout Tuesday with Baron Makino and Viscount Chinda of the Japanese delegation with reference to Kiaochau and with the Belgian delegates who are pressing for the payment of their share of the reparations, owing to the stringent financial situation in Belgium. No definite decision on either question was reached.

The British and a delegation, has given out its views with regard to that section of the covenant of the league of nations dealing with the Monroe doctrine. It is declared that the Monroe doctrine and similar understandings "have shown themselves in history to be not instruments of national ambition, but guarantees of peace." It is expressly stated that the Monroe doctrine "has become an international understanding."

It is reported that the first meeting of the league of nations probably will be held in the White House at Washington in October of the present year, with Woodrow Wilson presiding.

YORK COUNTY AND SUBURBS

DANFORTH WANTED EXPLANATION OF HYDRO CANVASSING

Deputation Approach York Township Council—Hydro Won't Erect Poles Without Guarantees.

A deputation of the residents of Danforth Park district, headed by W. Curtis, president of the local ratepayers' association, visited the York township council offices yesterday, to receive an explanation as to why the Toronto Hydro-Electric representatives have been canvassing the residents of the district, and requesting them to sign guarantees, or put up cash deposits for the installation of the electric light.

F. W. Peasnell of the Toronto Hydro-Electric Commission, explained to The World that the usual mode of procedure only was carried out in requesting guarantees from the residents of Danforth Park district for the cost of expenditure in erecting poles and wires, etc., in a new section. Altho the bylaw has been passed, the York township council cannot act until the legal time expires, when the Hydro authorities will be helping the township officials in that section to hasten the installation, owing to the many demands for light in the district.

UNFINISHED ROADWAY LEADS TO ACCIDENTS

The loose gravel on the unfinished roadway between Sherbourne and the head of Parliament street was removed yesterday by the works department owing to the grooved tracks being filled and covered by the continuous motor and other vehicles crossing the lines at the bend near the Rosedale viaduct. According to the statement of an eye witness of the street car accident on Saturday when a Blouar car was derailed at this point, the grooves were filled by the action of the wheeled traffic crossing over the tracks two hours after they had been cleared of gravel.

A complete list of the number of residents needing the Hydro Electric light and their location will be presented to the York Township Council at their next meeting by a deputation of the Danforth Park Ratepayers' Association, consisting of W. Curtis, president; J. Moore, secretary, and D. McCarthy. The question will also be referred to the Hydro Electric Commission regarding guarantees from the ratepayers when the bylaw is already passed by the vote of the people.

PAPE AVENUE CAR LINE

Slow progress is being made on the construction of Pape avenue car line. Alderman R. Honeyford stated yesterday that only one tender was received by Works Commissioner R. C. Harris for rails in connection with the project and that he (the commissioner) considered the price quoted was too high. The works commissioner will now endeavor to buy rails on the open market. In the meantime the people of that congested district wait their cars for miles daily to the nearest car line. Should no rails be forthcoming within the next few days, arrangements will be made to hold an indignation meeting by the residents of the section, according to a prominent resident of Pape avenue.

BEACHES

Indignation is expressed in the Beaches district regarding the action of certain aldermen who, it is alleged, are trying to exclude the young men from holding their games and amusements on the Don Flats and the parks in the suburbs. "We want our young people to enjoy themselves while they may in the open air in healthy recreation," said a prominent business man in the Beaches district, "and this action of these civic representatives is successful, will drive our young people to seek pleasure in poolrooms, movies and other pleasures," he said.

Alderman F. M. Johnston, interviewed by The World yesterday regarding the matter, stated that he was not opposed to professional ball playing in the parks or on the Don Flats, but that the professional players should be separated from the senior amateurs and both agree that they should not play in the parks at the same time. The Parks Commissioners is at present working out a solution of the question at the present time which he believes will be satisfactory to all parties concerned," said the alderman, who added that he is supported in his efforts by Alderman Baker.

EAST TORONTO SEPARATE SCHOOL TAXES.

Notices have been sent out by the separate school board, all separate school supporters in the east end and through the city generally, stating that the landlord pays the taxes of the houses which the tenant occupies, but the tenant, if a Catholic, has the absolute right to direct the school tax to the separate school.

DANFORTH BOYS' CLUB.

Under the auspices of the Danforth Boys' Club, an illustrated lecture was given by Frank Yelch, entitled "Europe Before and After the War," in Hope Methodist Church, Danforth, last night. There was a large attendance and Denton Massey occupied the chair.

OAKWOOD

Among the speakers at the recent annual smoker in connection with Oakwood Ratepayers' Association were: Dr. Robert Godfrey, M.L.A.; J. A. Macdonald, third deputy reeve, York Township council; Dr. Clarke, W. H. Edwards and others. The membership is steadily increasing and many former soldier members returned from overseas have rejoined the association.

EARLS COURT EPWORTH LEAGUE CONCERT.

An Epworth League concert was given by the league in connection with the Central Methodist Church last night in the church auditorium. Rev. E. C. Hunter presiding. Jules Brassi was the feature of the evening, assisted by Misses Verna Johnston, Addie Franklin, Selby Chapman, Olive Isaacs, Audrey Isaacs and Minnie Cowan. This concert is the wind up of the concert season in this section. The proceeds are devoted to the Epworth League funds.

BANK HOURS CHANGED.

Announcement is made by the Earls-court local banks that on and after May 12 the banking hours will be changed to 10 a.m. to 3 p.m. daily, Saturdays 10 a.m. to 12 noon.

CAR CHARGED MILK TRUCK.

An auto truck driven by the owner, George Taylor, of R.R. No. 2, Weston, was in collision with a west bound civic car on West St. Clair avenue at 2:30 p.m. yesterday. This part of the avenue is partly blocked by building operations. Taylor was turning to avoid the obstruction he omitted to notice the coming car as it crossed the intersection at St. Clair avenue and which caught the truck head on, smashing the radiator and shattering the glass windows. The truck was loaded with milk cans. Motorman Wilson, in charge of the civic car, had full control of his car, perhaps more serious damage might have resulted. The traffic was tied up for about ten minutes.

Electric Heater Caused Death of Little Girl

An electric heater in the home of Mr. and Mrs. Green of 585 Ossington avenue caused the death of the ten-year-old daughter, Evelyn, and injured a younger child, Olive, age 4. It is thought that Evelyn turned on the heater, when her night clothes became ignited, and before her mother could reach her she was burned to death. The funeral took place yesterday, and much sympathy is expressed for the parents.

RIVERDALE COUNCIL'S ACTION DISGUSTS RESIDENTS

"The refusal of the city council to allow the grant for music in the parks during the summer season has disgusted numerous ratepayers throughout the ward," said A. J. Smith, president of the Riverdale Horticultural Association, to The World yesterday. "The people of the east end and the city generally have had quite sufficient sorrow and worry during the winter season, and the grant of \$5000, which would have given joy to thousands of citizens, both young and old in the enjoyment of band concerts in our parks, should have been unanimously granted. Another group of civic reformers are trying to curtail the games and amusements of our young men and boys in our parks. What is wrong with our city council? They were not sent to the city hall to kill the innocent pleasure and recreation of our citizens," said Mr. Smith.

UNITED CHOIR CONCERT.

Under the joint auspices of Simpson Avenue Methodist Church choir, Woodgreen Tabernacle choir and the Broadview Y.M.C.A. orchestra, an excellent concert was held at Simpson Avenue Methodist Church last night. The following artists assisted: Mrs. Kate Jackson, The Elgar Male Quartette and Miss Ethel Stott, reader.

G.W.V.A. SOCIAL.

A well-attended euchre and social was held last night under the auspices of the Riverdale branch G.W.V. in Play-ter's Hall, Danforth avenue, and several handsome prizes were awarded to the successful euchre contestants.

NEWMARKET MRS. J. NOLLER DIES

The death occurred yesterday at her home in Newmarket of Mrs. James Noller, 83 years of age. Deceased was an active worker in the local Presbyterian church. She is survived by her daughters and four sons. The funeral will take place to Newmarket cemetery on Thursday.

Kingston, Ont., April 29.—The local branch of the Great War Veterans is recommending that the Dominion convention that the federal government institute and carry on a scheme of life insurance for the veterans of the great war. It is further recommended that the words "non-partisan" be struck out of the constitution. This amendment to the constitution will, it is thought, tend to strengthen the association in its political policy in the future.

HILLCREST "LADIES OF CRANFORD" WAS GREAT SUCCESS

"The Ladies of Cranford," a delightful little play, put on by the young women of the Timothy Eaton Memorial Church, which packed the auditorium of the church last night. Portraying as it did, Cranford, the play staged in three scenes, was splendidly presented and would have done no discredit to professional theatre.

The leading artists were Miss Edith Norrie, Miss Gladys Vere, Miss Alice Webster, Miss M. E. By, Miss Beal, Miss Alice J. Smith, Miss Dorothy Bell, Miss Ardith Hill, Ruth Pollock, Jane Blackford and Miss Alice Quibell. Others who took part were Miss Alice Rowe and Horace Corner, in vocal and violin solos. The proceedings were adopted by the auspices of the Young Ladies' Mission Circle of the Eaton Memorial Church and a large sum was realized for mission work. Mrs. E. L. Cummer, B.A., deputed herself to preside over the proceedings of the play and to her efforts much of the success was due.

TODMORDEN DIPHTHERIA OUTBREAK.

An outbreak of diphtheria has occurred in Todmorden in the upper section of Leslie street, end of the district. The disease is not spreading to an alarming extent, according to the statement of a local doctor.

LEAGUE OF NATIONS TO MEET IN WASHINGTON

Paris, April 29.—It has been virtually decided that the first meeting of the league of nations shall be held in Washington next October. Plans are being formulated for the holding of the meeting in the White House under the presidency of President Wilson. Meanwhile Lord Robert Cecil and other representative men of various nations have discussed the holding of the meeting in Washington and found general approval of it among the delegates, so that it has virtually been settled upon.

WEST TORONTO

A new Masonic lodge will be instituted in West Toronto on Thursday evening by Dr. MacCallum, D.D.G.M., and will be named after the late Major-General Mercer. "The General Mercer Lodge" will be started under the mastership of Bro. A. J. Anderson, P.D.D.G.M., and an efficient list of officers has been approved by the Grand Lodge. A life-size portrait of the late general from the brush of E. Wylie Grier will be unveiled on the opening night.

AURORA DECIDE ON MACADAM.

A public meeting was held in Aurora last night to discuss the proposed sewerage system and the advisability of improving Yonge street within the town. A. E. Ames and Dr. McClenahan, M.O.H., Hamilton, addressed the meeting. After some discussion the meeting decided in favor of macadamizing the road, but the matter of sewers was left over until another meeting when fuller estimates will be presented.

TROOPS FROM SIBERIA IN CANADA TUESDAY

Victoria, April 29.—Bringing the first large contingent of Canadian troops back from Siberia, the C. P. O. S. Montague is scheduled to arrive here Tuesday next. The Montague, which sailed from Vladivostok on April 1, has on board 55 officers and 1,026 men.

OFFICIAL SUMMARY MADE OF TEN THOUSAND WORDS

Paris, April 29.—The final draft of the treaty is virtually completed. The men in charge of the work say they have no further doubt that they will be able to finish their work by Thursday or by such time as delivery is made. The latest count shows a total of 80,000 words in the treaty.

An official summary of 10,000 words has been made. It is in such shape that it could be made public at once, but the intention is to hold it for publication throughout the world at about the same time that the treaty is delivered to the Germans. The various governments are calling their summary everywhere for simultaneous release when authorization is given by the conference.

SCORE'S GREAT ESTATE SALE.

No matter how many suits or how many kinds of suits a man may boast of hanging in his wardrobe, he does not feel that the outfit is just quite what it should be if there is not a suit of blue serge. DEFINITE SETTLEMENT OF MONTREAL STRIKE

Montreal, April 29.—Definite settlement at last has been arrived at in the carters' strike, the men being ordered back to work by their leaders. The masters have added a further concession of half an hour time for meals to their other concessions. The strike started officially on April 21 and the men gain an established wage of from \$18 to \$20 per week, being an increase over the old wage of from \$12 to \$16 per week. Time and a half is granted for overtime and double time on Sundays. Hours are fixed at ten a day. The union has not been officially recognized by the employers, but they will raise no objections to men joining or belonging to it.

ABOUT TIME.

If no one has as yet called it the peace that passeth all understanding, it's high time someone did.

POLES NOW MARCHING ON MINSK FROM VILNA

Paris, April 29.—Polish troops, having driven the Bolsheviks from Vilna, are marching on Minsk, according to information given The Temps, by M. Wasilewski, formerly Polish foreign minister in Lithuania, the former minister said that the Polish diet had voted the following declaration: "The Polish military activity in Lithuania is not meant for the purpose of anticipating the decisions of a peace conference or to annex territory to Poland against the will of the inhabitants. It is only intended to protect the inhabitants against invasion. The liberation of White Russia and Lithuania, M. Wasilewski added, would make an end to Bolshevik plans to invade Poland through those territories.

FIUME OFFICIALLY WELDS ANNEXATION TO ITALY

Rome, Sunday, April 27.—Further details of the meeting held in Fiume today show that the national council of the Adriatic city notified Premier Orlando that all the political powers state and municipal, had been placed in the hands of Gen. Graziola, who was asked to exercise supreme authority in the name of King Victor Emmanuel. It was stated that by this action Fiume intended officially to weld its annexation to Italy.

BREVITY THE SOUL OF IT.

Father told son that if he ever wanted help at college to wire him and be as brief as possible. He soon needed help and the wire read like this: "Dad: S.O.S. P. D. Q. R. S. V. P. Son."

SUPPORT OF ITALY BY SENATOR LODGE

Declares Italy's Safety Should Come Before Commercial and Economic Considerations.

Washington, April 29.—Demands of Italy for the port of Fiume, denied which led to the withdrawal of her Italian plenipotentiaries from the peace conference, were upheld tonight by Senator Lodge of Massachusetts. Republican floor leader in a telegram sent to Italian societies of Boston.

Senator Lodge declared that Italy's demands rested on the ground of international safety and protection, whereas reasons which had been advanced for turning the port over to the Jugoslavs were "purely commercial and economic."

He asserted that inasmuch as Italy had sacrificed a half million of her people and burdened herself with heavy debts in aiding France, England and the United States to repel the German onslaught, he could not see how her request could properly be refused. The senator said he could not understand why arrangements had not been made for satisfying Italy's desire for military and naval control over the Adriatic and at the same time providing the Jugoslavs with a port through which they would have access to the sea.

EXPRESS MEN RECEIVE INCREASES IN MAY

Montreal, April 29.—An increase of \$25 a month in salary and the introduction of an eight-hour day for all men except those assigned to trains were awarded by the Canadian Express Company by the arbitration board which considered the case. The increase in salary dates from May 1. Both the men and the company have agreed to accept the finding of the board.

Rally of the Whitley Club in St. John's Presbyterian

Hamilton, April 29.—A rally of the Hamilton Whitley Club was held in St. John's Presbyterian Church tonight. The speakers were Mrs. Harrison of West China, Mrs. B. Benson of India, and H. Titcombe of Algeria. The members of the club are all former delegates to the Women's Missionary Society.

EATON'S DAILY STORE NEWS

A Graduate Baby's Nurse will be in attendance in the Infants' Wear Department. She will be glad to weigh any baby that is brought to the department, and will give a nice little souvenir card recording the weight. Any advice pertaining to the care and healthful dressing of babies will also be given.

JACK AND JILL

Such Jolly Dishes
Cups and Saucers, Plates and Bowls, Patterned Gaily With Nursery Rhymes.

MUCH EASIER to learn letters off the plate your jam's on, isn't it, than learning them out of a school book? That's why some of these nice nursery plates have the alphabet running around the edge instead of a border of flowers or bands. You may have them done in green or brown—price 20 cents each.

Plates patterned with Jack and Jill and Margery Daw are also 20 cents each. The deeper, heavier "feeding plates" that are more like soup plates—for porridge, milk puddings, etc.—are to be decorated with Bye-Baby Bunting at 65 cents, and decorated with Boy Blue at 50 cents.

A set of plate, mug and bowl, ornamented with the cow, the moon and the cat from "Hi Diddle Diddle," is a big attraction at 75 cents for the three pieces. Nursery cups and saucers patterned with Humpty-Dumpty, Goosey Gander and other familiar friends are 50 cents. Porridge bowls beautified with "I Love Little Pussy" are \$1.00 each. And jam pots, with Bye-Baby Bunting, are \$1.50 each.

Soap, Tooth Paste and Powder for the Kiddies

In Wee Packages, Cakes and Tubes at—Just Imagine it—Only 2 Cts. and 7 Cts. Each.

THEY are the dear little baby size tins of talcum, tubes of paste and cakes of soap—just the right thing for a little girl's or boy's dressing table.

You may have a choice of Infant's Delight or Blue Bird soap. Blue Bird talcum powder and Taylor's tooth paste are two other preparations that are offered. All will be featured on Thursday at a special price: the soap 2 cents a cake, the tooth paste 7 cents a tube, and the talcum powder 7 cents a tin.

Cunning little vials of perfume in assorted odors are another attraction for the kiddies. Each wee bottle has a "dipper," and a metal cap on top. Some show wee imitation forget-me-nots standing in the perfume. Price, 10 cents each.

T. EATON DRUG CO. LTD.

Another Bubble Book—Number 5

The Book That Sings

THIS is a fairy story, called "The Pie Party," with three records to play on your talking machine—records of the nursery rhymes, Little Jack Horner, Sing a Song of Six Pence, The Queen of Hearts, and Good King Arthur. And, like all the other Bubble Books, it has lots of drawings of all the people in the story and the songs. The price is \$1.25.

May---The Children's Month in the Store

Yes, for a whole month the little tots will be the specially honored guests of the Store. All the Jubilee attractions for that time have been planned for them—lovely surprises every week. No, we won't let the secrets out until the time comes, but watch the papers for announcements. The celebration begins on Thursday

With a Merry May Day Fete of Fun and Fashions

May-pole Dancing—May Day Singing—Maytime Toggery—Also a Jolly Little Playlet Called Miss Jubie Lee's Party
Performed by a Number of Clever Little Children

This will take place in the "Auditorium" in the Furniture Building, continuing on Friday and Saturday as well: Thursday and Friday—From 10.30 to 11.30 a.m., and from 3 to 4 p.m. Saturday Morning (two performances)—From 9.30 to 10.30 o'clock, and from 11 to 12 o'clock.

Tickets for the May Day Fete may be had by applying to the Month of May Bureau, on the Third Floor of the Store.

Hello There---Little Boys and Little Girls

WHAT days are next best to Christmas? "Birthdays," did you say? Of course they are—the first day you're four years old instead of three, or seven years old instead of six, or five years old instead of four. Perhaps you're going to have a Birthday yourself very soon. Or have you just had one?

Well, once upon a time a Store had its first birthday. It was a long time ago—long before you were born. Way back in eighteen hundred and sixty-nine was the year it was born. There weren't any telephones then. If it had wanted to have some other little Stores in to tea—if such a queer thing could have happened—someone would have had to go and call on them, or write a letter to invite them. And if they lived far away they would not have been able to come to the party in a motor car or a trolley car—even if they had been small enough Stores to ride around that way. For it was long before electric cars or motor cars were made. It was when street cars were drawn by horses. Just think of it. Though you mustn't imagine that the driver drove in a fast, jolly way like a butcher's boy. No, he just jogged along about like a man who's driving a load of hay. But then there was no need to hurry. He hadn't very far to go—only

"It was a mere baby of a Store—only three stories high."

from the market on King Street (near the big old Cathedral, you know) along to Yonge Street and up Yonge Street to Bloor. That was the only car line there was in Toronto. No Belt Line, no Avenue Road, no Dundas. And I wish I had room on this page to tell you how nice the trip was between Bloor and College Street—past pretty cottages with flower beds and farms with lovely vegetable gardens. Not many farms on Yonge Street, below Bloor, now, are there?

But to go back to the Birthday we were talking about. It was a mere baby of a Store, needless to say—with only about three teeth and only learning to walk, as it were. It had no elevators, of course, and no such thing as a moving stairway—oh dear, no. It stood, in fact, only three stories high, and had only two show windows in front—one on each side of the door. Over this door was written its name, which I had forgotten to tell you was THE T. EATON & CO.—a name that you knew how to say almost as soon as your own name, didn't you? Did anyone ever tell you it was once a little one-year-old store, with only one wagon to carry its parcels—drawn by a pony called Maggie?

But, bless you, Stores grow up just like little boys and girls. It went on having Birthdays. There was the day it was eight years old! It was, as you might say, by this time wearing short trousers—a sturdy, independent, little Store, as they often say about little boys who are eight years old. It was able to sell a lot more things. Before this it sold only ribbons, silks, prints, cloth, buttons, needles, and things like that. But it was quite a bit bigger by this time, of course. It had about twenty people selling at the counters. It stretched forty feet farther back on Queen Street, for, as I was almost forgetting to tell you, the place where this little Store stood was the southwest corner of Yonge and Queen. And now it began to sell carpets, oilcloths and mantles, as they used to call ladies' coats in those days. Ask your grandmamma some time to tell you about the mantles that were worn in those days when she was young—and about the queer wire thing called a "bustle," for all the world like a bird-cage, that people stuck into the backs of their skirts to make them stand out.

Little Boy and Little Girl, whoever you are or wherever you are, the Store requests the pleasure of your company, in the month of May, for all the fun and jolly things it has planned. Watch the newspapers every day to find out what's going on, and then come and bring along your Mamma and Papa and Big Sisters and Big Brothers and Aunts and Uncles, too, if you want to. Come as often as you like. As we said before, you are to be the special and honored guests.

THE T. EATON CO. LIMITED

The Scribe

ONE FOOT UP THE OTHER FOOT DOWN

Skipping Ropes—such a fine lot to choose from, priced 5 cents, 10 cents, 20 cents, up to a splendidly long, thick rope with big painted handles at 35 cents. —Fifth Floor.

For Little Gardeners

Rakes, Hoes, Spades and Watering Cans

SOME OF THESE gardening tools are done up in sets of three—rake, hoe and spade. You can get them in various sizes to suit little, littler and littlest size girls and boys—35 cents, 50 cents, 90 cents and \$1.00 the set.

Children's size watering cans are 30 cents and 60 cents.

In the smaller sizes garden tools can be had separately—forks 20 cents and spades 35 cents.

These For the Sand Pile.

Or for the beach, for that matter—sand pails with shovels at 15, 25 and 35 cents and \$1.00 for the two pieces.

And the most fascinating moulds to make sand pies, turning the cakes out patterned with ducks, elephants or horses—6 moulds in a set—price 40 cents the set.

Six patty pans and a wee spade are 25 cents the set.

Sand sets of pail, shovel, sieve and 4 moulds—75 cents the set.

Big painted sand pails—rose or green—are \$1.00 each. —Fifth Floor.

Kazoos, Bones and Mouth Organs

Trumpet kazoos, 15 cents each; imitation "bones," 10 cents a pair; and mouth organs at 40 cents, 50 cents and 75 cents each—these are some of the attractions for the small boy, in the Musical Instruments Department. —Fifth Floor.

Boys and Girls Who Live Out of Town

IF you see something advertised on this page during Children's Month that you want your mother to buy for you, get her to write to the Shopping Service about it, if she cannot come to the Store herself. One of the Shoppers will do the choosing and buying for you in splendid fashion—just as well as if you and your mother would do it yourselves. Address your order to the Shopping Service.

QUINCY T. LADNER
HOLD CONFERENCE
ON SOCIAL PROBLEMS

Secretary of Dominion Trades
Council Defines Labor's
Antagonism to Aliens.

SHOULD GO SLOW
Better to Build Canada of
Good Material, Says
P. M. Draper.

The precise position and the part the alien plays in regard to labor in Canada today was the outstanding question broached at the dinner in St. James' parish house in Toronto last night, when there was an interchange of views on social and industrial problems between labor leaders and clergymen.

After J. M. Draper, secretary of the Dominion Trades and Labor Congress, and others had spoken, N. F. Davidson, K.C., referred to the apparent growing power of the alien and thought that this element did not now control the labor movement, he would like the views of representative labor men on the situation.

Mr. Draper replied that the question was a large one, and the first place he had to go to was to the organized labor, he said, speaking for organized labor, we had no part or parcel in bringing these men into the country. For years organized labor represented to the Dominion government that the people coming into the country should come from the British Isles. (Applause.)

I speak by the book, because I have seen these men in the country. We found in this country many large employers of labor, such as the mine operators and the steel mills. There was a demand of any kind made by white labor to ameliorate conditions, brought in from the United States. I am one of those who believe that we should go slow in building up this country. We don't want to be a country for rich-quick people who exploit all kinds of foreign labor, of men who do not speak our language, who have not sympathy with us at all, and yet they are brought into this country and put into our best industries for no other purpose, in our opinion, than to make dividends for the people who hold stocks in these mines and other interests. Referring to the Chinaman, Mr. Draper said he was no doubt a peaceable citizen, but speaking for organized labor, "we don't want him in this country."

The speaker, proceeding, stated that in certain cases so-called foreigners did make some trouble during the war, but some of them were justified in doing it. The strike at the head of the Great Lakes had been referred to. There were two sides to that. These men were not met in the open, they were not met at the strike who had been avoided. But we have got these men here," continued Mr. Draper, "and we have got to do the best we can for them. We have had to bring them into labor organizations to protect themselves. Otherwise our organizations would have been useless as an industrial force to compel employers of labor to render us justice. We have endeavored to educate them along the lines we have followed."

Situation exaggerated. W. J. Stevenson said he did not believe in the 22,000 to 35,000 men who composed organized labor in Toronto that there were really 100,000 men. He said that there were 100,000 men in the city probably something like 6,000 or 7,000 male adults, and the rest were females, some of them very revolutionary, and 85 per cent. of them compose the foreign element. He said that the situation was exaggerated in the press by reporters who were out for "a good story."

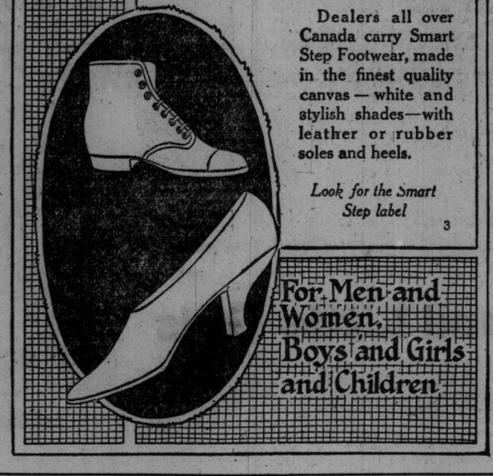

Mr. Draper, in his remarks proper, hoped this meeting would be the means not only of bringing representatives of the Church of England and organized labor more closely together, but would be the cause of all the Christian churches and organized labor getting down and talking to each other like men should do. "Don't condemn the working man before you hear him," he counselled. "Give him a chance to tell what he can do. Treat him kindly. There are some who are radicals in our movement, but I think in our country they are in the great minority, and after all we must have radicals in every movement. The world is not going to tell him so. One thing the labor movement stand is to be flamed by a politician, by a dignitary of the church or anyone."

Speaking of his visit to England and France with the peace conference delegates, Mr. Draper said he found that in Great Britain there was a great deal of industrial unrest and there was still that. He remarked it would be a mighty good thing if the labor men put up men in this Dominion. They had put up men supported them, but they had not made up his mind so far as he could to have action for the purpose of having legislation enacted that would be beneficial to the industrial classes, and in this regard, he believed it was of great importance. He said that in Great Britain, but it is of a bloodless character and the men will get out of it by constitutional means." (Applause.)

Eradicating Racism. Having stated that he knew the French-Canadian fairly well, Mr. Draper declared that the fruits of victory in Europe were to be conserved, they must set up a united Canada and eradicate racial differences. He also firmly asserted that the trades union movement was not organized for the express purpose of manufacturing or engineering strikes, but was willing to negotiate, arbitrate, and conciliate.

THE DAY AT OTTAWA

By TOM KING

Ottawa, April 29.—The majority of the western members have returned from their Easter vacation and are talking just now more about the favorable conditions for seeding and the necessity for railway construction than they are about the tariff. They will probably state again their position on the tariff at the Unionist caucus called for Thursday morning. The Liberals had a caucus this morning, principally devoted, it is said, to make further arrangements for their coming national convention.

This afternoon the house gave second reading to Hon. J. A. Calder's bill to amend the immigration act. Mr. Calder presented the measure in rather a lengthy speech, which discussed the immigration problem in a general way, but concerned itself little with the provisions of the bill. Indeed, the bill is so drafted that it can be administered pretty much as the government pleases. It is one of restriction, but it is restriction by order-in-council to meet particular cases rather than by a general rule of exclusion. The government in-council may prohibit or limit in number for a stated period or permanently the landing in Canada, or the landing at any port of entry, or the entry of immigrants of any nationality, race or religious sect, or of immigrants of any specified class or occupation, because of any economic, industrial or other condition temporarily existing in Canada, or because such immigrants are deemed unsuitable, having regard to the climatic, industrial, social, educational or other conditions or requirements of Canada.

This clause, the minister explained, was the permit our debarring the "Menonites, the Hutteners, and other people. It would also permit the temporary exclusion of skilled or unskilled labor at any or all ports of entry, whenever our own domestic labor market becomes congested. The prohibited classes, which may not be admitted at any time or at any place, may extend to the whole of the world, including those who advocate the assassination of government officials. No class is to be hereafter admitted to Canada who cannot read in some language or dialect. Finally the rule of exclusion prevails against enemy aliens and those who "have been enemy aliens." During the war all Germans, Austrians, Turks and Bulgarians have been prohibited from landing in Canada by order-in-council. That order-in-council is not repealed.

The Japanese are not especially dealt with because their number is decreasing in Canada, and the Japanese government is strictly limiting immigration. The Chinese head tax may be removed, and some agreement made with the Chinese government to limit emigration along the lines agreed to by the government of Japan. At present all Asiatic labor is denied admission to the port of British Columbia by order-in-council.

Mr. Calder, in beginning his speech, laid great stress upon Canada's need for more population. He pointed to the enormous national debt, the burdens incident to our excessive railway construction, the insufficient home market for our manufactures, and the disproportion between our urban and rural populations. Yet as he proceeded it was hard to see where we were to get our immigrants. There is to be no special propaganda in the United States, and none at all on the continent of Europe. The British soldiers who desire to settle upon the land may

IN FEDERAL HOUSE

Calder Says Canada Needs
People, But at Present
Chiefly Farmers.

MILITIA ESTIMATES
Total of Four Millions Passed
—Future of Militia Units
Still Unsettled.

Ottawa, April 29.—Hon. J. A. Calder's immigration bill, the major-general Mewburn's militia department estimates, were the features of the proceedings in the commons today. Mr. Calder's bill was under discussion in the afternoon, while the militia estimates were under review throughout the evening sitting.

In second reading of the immigration bill, Mr. Calder waited an hour with the various aspects of the immigration problems of the Dominion. While emphasizing the necessity of increased population and greater production of the waste spaces of the country may be filled, he recognized that there must be more attention paid in the future to the class of people to be brought into Canada, while more must be done to make new arrivals good Canadians than has been done in the past.

S. W. Jacobs of Montreal, favored the bill, but only on the treatment of peoples of enemy countries. He said that the score that enemies of the past might soon become "friends." This attitude was vigorously criticized by Mr. Donald Sutherland.

Militia of Canada. Major-General Mewburn's estimates called forth very little criticism at the evening sitting. The minister stated that the future position of the militia of Canada will not be settled until after demobilization is completed, when a committee will visit the several provinces and ascertain the opinions of the people. Several members of the house, including Hon. Rodolphe Lemieux and other Quebec members, thought that there should be a more active militia in the province of Quebec. This was productive of some complimentary remarks about Quebec by Mr. H. M. Mowat, member for the district.

The minister of militia spoke in terms of praise of the services rendered by officers of the permanent staff, who had not been permitted to go overseas. He said that the Canadian army had offered to resign their posts in favor of men who had served in France.

The militia and defence estimates totaling over four million dollars were all passed, and the house adjourned at 10.40.

Mr. L. J. Gauthier asked Sir Thomas D'Almeida, minister of militia, whether the young men entering under the military service act could not be released so as to return to the farms for seeding. Sir Thomas White said that the minister of the acting minister of justice had to be consulted.

Immigration Act. Hon. J. A. Calder said to amend the immigration act then came up for second reading. The minister of immigration drew attention to the fact that the immigration problem in Canada. Some people thought that Canada was for Canadians, and would admit no immigrants unless they were British citizens. Others advocated an open door with certain restrictions, while still others would include only certain classes of immigrants.

Mr. Calder said there was no doubt about Canada being able to take care of immigrants, but the question arose as to how it could be best taken care of and how the load could be decreased if possible. In answer, he said that one million or two million more people would make the situation much easier. The object should be to secure a sufficient number of immigrants to the railway system so far as transportation is concerned, and that has been over-developed, but the time would come when every one of these transcontinentals would pay. There are many other solutions—people and production. Ever since Confederation too much attention had been paid in city building. This was an agricultural country and we had not paid enough attention to getting people to plow the land.

Policy of Open Door. The time had come, Mr. Calder went on, when Canada should consider whether the policy of the open door was to be maintained. Mr. Calder asked what, in the past, Canada had done for the emigrants she had invited. "There is only one answer," Mr. Calder proceeded, "We have done practically nothing. We have only adopted the policy which prevailed in the United States, and turn over the construction of public works to the regular army. We had an engineering and construction corps overseas which could well take in charge the construction of our railways, harbors, and other public works."

American Officers Hooded. Copenhagen, April 29.—There have been noisy anti-American demonstrations in the streets, according to a report received by way of Germany, and British and French troops kept order.

Want Chiefly Farmers. Steps must be taken, Mr. Calder said, to increase unemployment in Canada. Since the armistice the government had been discouraging the entry of skilled and unskilled labor. The policy should be to encourage the immigration of farmers, with necessary capital to enable them to establish themselves.

The minister said they were excluding all skilled and unskilled labor from Asia. Mr. Lemieux remarked that he had been informed there was a strong tendency on the part of many Belgians to come to Canada.

British Soldiers Coming. Mr. Calder agreed that they would make good citizens, but the time was not yet for bringing people from continental Europe to Canada. He was

performed helper may be advanced, providing the minimum rate for machinists is paid.

Official Reply. The present trouble is an outcome of a schedule presented by the Metal Trades Council on April 1 to some 220 employees in the city. The official reply came from the Employers' Association on Thursday last and was considered at a meeting of the men's executive. It was a refusal of the request for shorter hours, increased pay, overtime rates and a bettering of general working conditions.

There was no suggestion in the employers' reply of opening negotiations to which the Metal Trades Council replied that May 1 was the date set for settlement.

Last night's action will involve some 6,000 men, including workmen in the allied trades of the city. It will affect in its entirety, unions who have members engaged in the iron industry, among other big firms affected, are the well-known companies and plants: Canadian Alloys-Chalmers; Fairbanks; Morse; John Inglis Co.; machine shops, job shops, boiler makers, boiler shops, boiler shops and all plants where construction of machinery of every kind manufactured from metal is affected.

A GRAVE HOUR FOR THE WORLD

(Continued From Page 1.)

Following are the minimum rates of pay for the different crafts: Pattern-makers, 90c per hour; electrical workers, 80c; boilermakers and coremakers, 75c; metal polishers, 60c; plumbers, 80c; plumbers' helpers, 50c; boiler-makers—Layer out and fangers, 60c; boiler-makers, 80c; machine fitters, 60c; fangers' fire heaters, 64c; helpers and grivet heaters, 60c; boiler-makers' apprentice rate: First year, 25c; second year, 30c; third year, 35c; fourth year, 45c.

Blacksmiths—Heavy forgery, \$1.48 per hour; heater for heavy forge, 78c; helper for heavy forge, 68c; second forger, \$1.25; helper on second forger, 68c; smiths on heavy forge, 95c; helpers on heavy forge, 64c; toolsmiths, 90c; general smiths, 80c; general helpers, 58c; forging machine operators, 80c; tip welders, 70c; heavy hammer drivers, 64c; other hammer drivers, 58c; acetylene welders, 80c; acetylene burners, 75c; general laborers, 50c.

Boiler-makers—Layer out and fangers, 60c; boiler-makers, 80c; machine fitters, 60c; fangers' fire heaters, 64c; helpers and grivet heaters, 60c; boiler-makers' apprentice rate: First year, 25c; second year, 30c; third year, 35c; fourth year, 45c.

Operators now at the trade shall receive 55, 60, 65 and 70 cents per hour for first, second, third and fourth years respectively. No operators shall be taken on after December 31, 1918, and those already in the trade shall receive the minimum rate for machinists after four years' service as operators. Minimum rate for helpers, 55 cents per hour. The above rates apply to all employees, male and female. In cases where a machinist cannot be supplied within 14 days the most ex-

THE AMERICAN MEMORANDUM. Paris, April 29.—The memorandum delivered to Premier Orlando on April 14 dealing with the Adriatic situation contained the salient points of the text of the statement issued by President Wilson April 23.

After pointing out that the president said he felt bound to square every conclusion reached by him, as accurately as possible, with his fourteen points and principles laid down in subsequent addresses, which were formally adopted, with a single reservation, by the powers associated with Germany, and that he did not feel at liberty to suggest a new basis for peace with Germany and another for peace with Austria.

After pointing out that the complete dissolution of the Austro-Hungarian Empire had given a new aspect to the settlements which must be made are the eastern boundaries of Italy, the president said he was quite willing that Italy be accorded along the whole of her northern boundary, in contact with a neutral territory, all that was accorded by the Pact of London, which it was clear that the London

W.M. WARD PLEADS FOR BROTHERHOOD

International Secretary Tells Audience at Massey Hall of Relief Work.

WHAT WOMEN DID

Wonderful Sacrifice of Canadian Women on Flanders Fields.

The hunger for brotherhood is the cause of all the unrest in the European nations," declared William Ward, international secretary of the Brotherhood Council of Great Britain, during the course of his address, delivered at the banquet, held under the auspices of the Christian Mens Federation of Canada at Massey Hall last evening.

Mr. Ward outlined the brotherhood movement in Egypt and Palestine, and gave a descriptive and interesting account of the splendid work the federation did in France among the soldiers. He explained how the movement had spread to Australia, New Zealand and Africa, who were strongly united into one strong federation of love and good fellowship.

"I wish I could tell you all that has been done with the \$100,000 the Christian Men's Federation of Canada subscribed for relief work, and how it has been expended to relieve the deplorable conditions in war-stricken countries," said the speaker, who explained how the relief work was carried out, and the great benefit it was to those who had become practically destitute thru the ravages of the war.

Mr. Ward paid a splendid tribute to the women of Canada for their work in connection with relieving the distress in France and Belgium. He told of one instance in which a group of Canadian women had made as headquarters a shattered house in the centre of a vast area of devastated country. This they had made the centre of their activity, and the deprived of every luxury, having to carry their water for miles, and forced to cut their own firewood, they pluckily stood the test and were responsible for bringing to the homeless destitute peasants the fulfillment of a number of their direct needs.

WANT THE HOSPITAL. This morning a strong delegation of men and women will meet at the city hall at 10 o'clock to protest against the closing down of the Reception for the Mentally Afflicted, situated on Gore Vale avenue.

TO MEET EMINENT SURGEON. Sir William Osler, Bart., regius professor of medicine in the University of Oxford, is asking all the professors of medicine in the United Kingdom to meet Dr. Duncan Graham, the recently appointed professor of medicine in the University of Toronto, at dinner.

THE COUNTRY COUSIN. A unique and an amusing character who looks down on persons carrying wicker suit-cases, is one of the central figures in "The Country Cousin," the Booth Tarkington-Julian street comedy coming to the Princess next week, with Miss Alexandra Carlisle in the steller role. He is a young blood of the New York Four Hundred, and is supremely confident of his accomplishment in all the social graces.

HONORABLY ACQUITTED. John Covodas, recently arrested on a theft charge, and honorably acquitted, has been given his old position back by the Mercury Mills Limited. No blame was attached to him.

Water Rates are now due. Avoid losing discount by paying at once.

C. P. R. INAUGURATE RECREATION CLUB

The inaugural meeting of the Canadian Pacific Railway Recreation Club was held in the Simcoe street freight offices on Friday, the 25th inst. The chair was occupied by T. Collins, superintendent of the Toronto terminal division, others on the platform being Col. C. W. P. Ramsey, C.M.G.; Angus MacLachlan, K.C.; A. L. Herzberg, district engineer, and Frank Taylor, president of the C.P.R. Recreation Club, Montreal.

Frank Taylor of Montreal in a most interesting address told of the Montreal club's progress. During the evening vocal solos were given by Miss Backus, Miss Curran and Miss Moorhead, Mr. Wilson, and H. McCue. W. T. Turk also contrived a violin solo. An impromptu dance with refreshments concluded a most successful inauguration of the club.

The following members of committees were proposed and unanimously accepted: Executive committee—F. M. Hunter, V. A. G. Dey, J. A. Irvine, A. U. Bain.

POLICE COMMISSION HAVE BUSY TIME

Large Number of Deputations Causes Extra Session for Routine.

Owing to the large number of deputations, who were on hand to appear before the board of police commissioners, the meeting was adjourned before routine police business was discussed. Magistrate Denison had to leave the meeting at 3:30 and when he did so it was agreed to adjourn the session until this afternoon when the promotions of the police force will be passed upon by the commissioners.

A deputation from the board of control, board of trade and Rotary Club were present to ask the commissioners to change the present law regarding the parking of motors. The deputation did not get before the board and will endeavor to do so again today. Most of the time was taken up with speeches of residents of the beach who protested against a dance hall being run in the vicinity of Leuty avenue on the lake front.

Motor Thieves. The minister of justice replied to the board concerning the request of the commissioners that the minimum penalty for motor thieving be increased to one year imprisonment without pardon. He promised to inform the police of the minimum penalty for this offence.

BEELIAN PRIMA DONNA. In honor of Miss Belge, the Belgian prima donna, a tea was given at the rooms of the Heliconian Club yesterday. The president, Miss Lena Adamson, assisted by Miss Lucy Doyle, received the guests, and Mrs. Barron poured tea. The guest of the occasion was a figure of interest, not alone because of her position as a singer who had early made a name for herself in the Antwerp Opera House, but more especially on account of her fine patriotic work.

STRUCK HIS WIFE IS POLICE CHARGE

Wife of Lewis L. Ward Has Head Dressed at Hospital.

Lewis L. Ward, manager of the Invictus Shoe Shop at 93 Yonge street, was arrested in that store last evening by Constables Pickering and Turner on a charge of aggravated assault upon his wife. Ward is alleged to have struck his wife causing an injury to her head. The police say that J. Morrow, a soldier living at 48 York street, entered the store and separated the couple. A large crowd congregated around the premises, and the police hurriedly walked the prisoner to Court street station.

WILL HOLD CONFERENCE RE MOUNT PLEASANT. At yesterday's meeting of the board of control, Controller Cameron suggested that the board meet Works Commissioner Harris and the aldermen of wards 2 and 8 regarding the starting of the work on Mount Pleasant Road. It was decided to arrange for this conference taking place some time next week.

DENTAL SOCIETY HOLD CONVENTION

Clinics to Show Vast Strides Recently Made in Profession.

The great advance in dental science during the past five years was fully demonstrated at the sessions of the Ontario Dental Society's convention, held yesterday. A record attendance of dentists from all over the province is reported and the greatest enthusiasm prevails. For the first time in the history of the Ontario Dental Society progressive clinics are being carried out.

The following officers were elected for the ensuing year: Honorary president, Dr. J. H. Lind; president, Dr. J. A. Bothwell; stratford, vice-president, J. A. Fleming; Prescott; secretary-treasurer, J. A. Bothwell; Toronto; architect, G. A. Kennedy; Toronto; board of governors, Drs. F. J. Conboy, H. A. McKim, J. P. MacLachlan, E. L. Gausby, C. E. Brooks, O. Plaxton; oral hygiene committee, Drs. A. W. Ellis, F. C. Hubbard, F. J. Conboy, H. E. Eaton, J. P. MacLachlan; advisory committee, Drs. Harold Clark, A. D. A. Mason, R. G. McLaughlin, W. A. Secombe, T. H. Wylie.

COMPOSING STAFF BID "BOB" KERR FAREWELL

After thirty years' service on the composing room staff of The Toronto World, Robert Kerr, one of the most widely known among the newspaper printers of Canada, has severed his connection with this paper to take a position in Halifax. Mr. Kerr was last night presented with a handsome traveling bag and safety razor set, as an expression of the good will and hearty wishes for his success in his new sphere. The presentation was made by Charles H. Wilson, chairman of the office "chapel," who referred to Mr. Kerr's long and pleasant association with The World, and the many employees who have worked side by side with him over a long period of years. Mr. Kerr replied briefly, referring to many pleasant memories of past days in The World office which he would always treasure.

VETERANS

Items of Interest to Returned Soldiers Will Be Printed in This Column if Phoned or Sent in.

SCARBORO VETERANS. Machinery necessary to an energetic campaign for funds with which to build two clubhouses has been set in motion by an executive committee of the Scarboro G.W.V.A. One of the proposed clubs will be located in the northern part of the township, and the other in the southern sector. It is proposed that the clubhouses will be used as social centres for civilian as well as veteran citizens, and it is suggested that once or twice each week a motion picture show would be operated by a returned soldier.

Parliamentary branch of the G.W.V.A. have arranged two weekly dances to be held in Belmont Hall every Wednesday and Saturday. The regular meeting of the branch will be held in Belmont Hall on Thursday evening.

WAR GRATUITY RULES.

Ottawa, April 29.—The following information is issued by the department of militia with a view to clearing up existing difficulties regarding soldiers' war gratuity rules. The statutory declaration must be forwarded thru the district paymaster of the military district in which the applicant was discharged, after a certificate has been attached showing the amount of post discharge pay already paid.

15TH BATTALION RECEPTION

For the several entertainments to be given by the 48th Highlanders in Toronto, some tickets are being reserved for widows and parents of men who served in any of the overseas battalions, companies or drafts of the 48th Highlanders and who died in service. They are requested to apply between the hours of 10 and 5 p.m. and 8 to 10 p.m. at 88 King St. West as early as possible as tickets are limited.

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success Which "Fruit-a-tives" Has Achieved.

One reason why "Fruit-a-tives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema, and other Skin Affections, is because it is the only medicine in the world made from fruit juices.

It is composed of the medicinal principles found in apples, oranges, figs and prunes, together with the nerve tonics and antiseptics of proven repute. Fifty cents a box, six for \$2.50, trial size, 25 cents. At all dealers, or sent postpaid by Fruit-a-tives Limited, Ottawa.

Veterans' Meetings

Wednesday, April 30. Parkdale Auxiliary dance, Davie Dancin' Academy, 8 p.m. Thursday, May 1. Riverdale G.W.V.A. general meeting, Odell's Hall, Broadview avenue, 8 p.m. West Toronto G.W.V.A. Ladies' Auxiliary dance, St. Julien Hall, Bloor and Lansdowne. Friday, May 2. Mass meeting at Massey Hall on behalf of Imperialists, under the auspices of the G.W.V.A. 8 p.m. Originals' Club executive at No. 3 Edward street, 8 p.m. Saturday, May 3. Veterans' Club Drive campaign parade at Queen's Park, 2:30 p.m. Tuesday, May 6. Grand military tattoo and spectacular trench raid, Riverdale Park, 7 p.m.

Kingston — Major Norman Grace, Kingston, has been placed in charge of the military hospital at Penflect, England. He is a Queen's graduate.

"BIG FOUR" PLEDGE UNITED EFFORTS

Labor, Business, Y.M.C.A., G.W.V.A., and Repatriators Will Co-operate.

A unique document which sets the seal upon co-operative community service in Toronto was drawn up and signed Tuesday afternoon by the principals of the "Big Four," which make up the central organizations in the campaign to raise \$1,500,000 in Toronto. The document, which is headed "A United Appeal for Community Service," pledges the Repatriation League, the G.W.V.A., Y.M.C.A. and Federation for Community Service to commend the campaign to the entire community, and to present a united front, each endorsing the work of each other. It is signed by the leaders of the above bodies.

The co-operative idea which dominates the "Big Four Drive" is again illustrated by the combination of labor and business men for a canvass of factory and other business employes. While this will be in charge of the Rotary Club, a labor advisory committee was constituted on Tuesday as follows: Controller W. D. Robbins (chairman), A. E. O'Leary (president of the District Labor Council), W. J. Hevey (secretary of the District Labor Council), James Simpson, R. J. Stevenson, J. Gunn and A. Conn. The committee has adopted as its slogan: "One per cent. of six months' pay in six monthly payments." This is an exception to the general rule, that subscriptions will be payable in quarterly instalments. Members of the committee have agreed to address factory employes, if necessary, in advocacy of the campaign.

IMPROVED SERVICE FOR METROPOLITAN

Application will be made to the Ontario Railway Board for an order to improve the service on the Metropolitan and Scarborough and Mimico divisions of the Toronto and York Railway, according to a motion adopted by the board of control yesterday. The mayor also asked for a memo

Advertisement for Cat's Paw Rubber Heels and Rinex Soles. Features an illustration of a shoe with a rubber heel and text describing the benefits of cushioned heels. Includes the text: 'Every Step is Cushioned', 'The constant hammering of hard heels and stiff leather soles on harder pavements, jars the whole system and tires you quickly.', 'Cat's Paw Rubber Heels and Rinex Soles', 'cushion the heel against side-walk impact and give a lightness and spring to each step that enables you to walk long distances without apparent effort.', 'Besides being waterproof—they cut shoe bills in half. On all shoes, demand Cat's Paw and Rinex, the "heels and soles of health."' and 'DOMINION RUBBER' logo.

Large advertisement for Farmers' Dairy Milk. Features an illustration of a child and a woman with a milk can. Text includes: '5 fresh eggs 3/4 lb. steak 1 quart of Farmers' Dairy Milk', 'YOU would not think of feeding a child 5 eggs, or 3-4 lb. steak, or 1-2 lbs. chicken every day. Certainly that would soon ruin the child's health.', 'But you can give your child the same amount of nourishment every day, in a quart of milk, and the child will be better for it in every way.', 'That is the secret of milk as a food value. It is a light, pure food, rich in body-building nourishment. It is a "balanced" concentrated food that supplies more and better nourishment than any other food in the world. And it is also the cheapest food value in the world.', 'Milk is rich in protein. And protein is that substance that builds bone and muscle and repairs worn tissues.', 'Every child should have at least a quart of milk every day. Begin now to give your children more of this wholesome, health-giving nourishment.', 'And be sure they get Farmers' Dairy Milk. Pure, safe milk from the most up-to-date scientifically equipped dairy on the American continent.', 'Phone now Hillcrest 4400. Our Salesman will call at your door next trip.', 'THE FARMERS' DAIRY', 'Buy Tickets 14 for \$1 Make an Extra Saving', 'Walmer Road and Bridgman Streets', 'Phone Hillcrest 4400'.

Telephone Calls: Private exchange connecting all departments, Branch Office—40 South McNab Street, Hamilton, Telephone Regent 1616.

War Memorials.

An advisory committee on war memorials for Ontario has been organized under the auspices of the Ontario Society of Artists, the Society of Graphic Art, and the Ontario Association of Architects, the leading officials being Mr. G. A. Reid, president; Mr. A. Frank Wickson, vice-chairman, and Mr. H. E. Moore, secretary.

The best intentions are not always rewarded with the most beautiful results, and when money is to be spent it might just as well be spent to beautiful purpose as not. It is the object of the committee to be available for consultation and advice, and to act as a bureau of information on all matters pertaining to war memorials.

They direct attention to the fact that whatever the memorial be, large or small, costly or simple, it is the art quality of the memorial that gives it a permanent value, and renders it a thing of beauty and a joy to its neighborhood, or, falling this, condemns it to oblivion and the obloquy of a public obstruction.

A valuable circular has been prepared containing suggestions regarding the purpose of the memorial, the money available, the form, the site, the material, and other considerations. Suggestions are also made as to the type of memorial, fountains, symbolic groups, bridges and viaducts, public buildings, flag staffs, mural paintings, tablets, gateways, portrait statues, and stained glass windows are among these suggestions.

Goderich and Hydro Power.

Goderich is still agitated over the idea of getting a flat rate for Hydro-Electric power for all parts of Ontario. One of the Goderich officials has been writing to the press defending the idea, and asserting that it is not a plan to benefit Goderich merely, but for the advantage of places that pay twice as much as Goderich does.

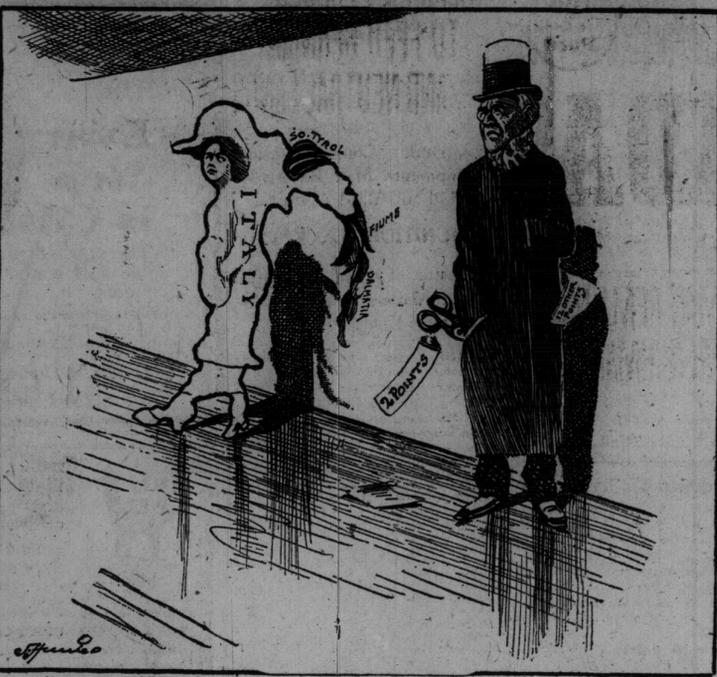

This is an unfortunate illustration for his argument. Coal and Hydro power are on all fours as regards price, but postage is not, and for one special and particular reason. The postal service is a monopoly, and coal and Hydro power are not. If the mails were not protected against competition, the short hauls on the bulk of the letters would never be realized to pay for the long hauls.

If a hundred and fifty municipalities in Ontario joined together to own a coal mine anywhere they would make a common charge for the overhead expense as far as the overhead had a common incidence. Say the mine was in the United States. All the coal coming to Ontario would come in, let us assume, by Niagara Falls.

R.C.H.A. Returns in June; Recruiting a Permanent Unit

Kingston, April 29.—Report has been received that the R.C.H.A. is in England, but it is not expected in Kingston till June. Reorganization of the R.C.H.A. into a permanent force unit is proceeding, and men of the C.E.F. enlistment who wish their discharge are being granted it, as new men are being enlisted to take their place. Lieut. Slade is recruiting in Ottawa and Lieut. Jordan in Toronto.

"DON'T YOU DARE TOUCH MY PLUMES"

dealers who were not handicapped by helping to pay the cost of the railway charges of coal carried to Toronto, to Goderich, or other points.

Now this is exactly the case with Hydro-Electric power. The power is produced at Niagara, and has to be carried, just as much as coal is carried, to the place where it is to be used. Power is not carried in wagons, like coal, but over cables and wires.

It is clear that it does not cost as much for power in Niagara, where it is produced, as in Dundas, where it has been carried over the cables. Consequently Niagara is charged for the cost of production, and not for carriage. If the cost of carriage to Hamilton were added to the Niagara price, the other power companies would undersell the Hydro power, and the Niagara people would very sensibly buy from them.

Most of the power delivered in Ontario goes from Niagara to Dundas. All of that power shares the common cost of conveyance to Dundas. It is routed from there over different lines east, west and north. The cost, so far as it is common to any group of municipalities is divided among those municipalities. So far as cost is special and particular to any municipality it falls on that municipality alone.

Ex-Kaiser Will Be Prosecuted As Instigator of Crimes?

London, April 29.—The Evening Standard claims that it has the highest authority for asserting that William Hohenzollern will be prosecuted and tried, not as originator of the war, but as one of the instigators of crimes as provided in the report of the commission on war responsibility.

Sgt. P. Houghton, D.C.M., M.M. Returns to Galt Highly Honored

Galt, Ont., April 29.—Sergeant Peter Houghton, D.C.M., M.M., with bar, and Legion of Honor, French decoration, has just returned to the city and has a record of winning most decorations of any man to leave Galt. Sergeant Houghton is an original first. He left Galt on Aug. 22, 1914, and in four years and nine months overseas was only a casualty once.

SWISS TO EAT NO MEAT FOR FIFTEEN DAYS

Berne, April 29.—Because of the increasing difficulties of provisioning Switzerland with meat, the federal council has decided to forbid the eating of meat from May 5 to May 19, throughout the nation. During this period the killing or sale of cattle also is forbidden. The governments of the cantons have been ordered by the federal council to take extremely strict measures for the enforcement of these orders.

COLOR PREJUDICE HANDICAP TO LEAGUE

Manchester Guardian Regrets Feeling Roused by Withdrawn Japanese Amendment.

London, April 29.—The Manchester Guardian, while considering the Japanese amendment to the covenant of the league of nations far too vague, regrets that "nothing has been done toward satisfying the deep emotion it expressed," and considers that so long as color prejudice endures any league of nations will be an imperfect instrument.

The Guardian says that statesmen cannot march far ahead of their people in matters of this kind, although they should encourage, rather than encourage, prejudice, and hopes that so far as the color ban is founded on ignorance, lack of sympathy and misunderstanding, the co-operation of the league of nations will tend to dispel it.

Galt to Combine Celebration of Peace and Honor to Heroes

Galt, April 29.—Probably on the day to be fixed by the peace conference, two months after the signing of peace, when all allied countries will unite in celebrating the event, Galt will tender its returned heroes a big reception. This date is favored, and a special committee from the city council, soldiers' aid and war veterans now have the matter of arranging the nature of the celebration in hand.

Ex-Kaiser Will Be Prosecuted As Instigator of Crimes?

London, April 29.—The Evening Standard claims that it has the highest authority for asserting that William Hohenzollern will be prosecuted and tried, not as originator of the war, but as one of the instigators of crimes as provided in the report of the commission on war responsibility.

Canadian Manufacturers to Exhibit Their Goods in Athens

Ottawa, April 29.—A large industrial exhibition, in which Canadian manufacturers are being invited to cooperate, is being arranged in Athens, the Greek capital, in September and October by the federation of British industries, a metropolitan combine, designed to regain trade lost during war.

A Line of Cheer Each Day of the Year

By John Kendrick Bangs. (Copyright, 1919, by the McClure Newspaper Syndicate.)

To contemplate success is very sweet. Was when success considers self complete. And holds no further urging to the soul To carry on up to some higher goal. Our prizes won, however rich they be, Soon lose their charm and lustrous brilliancy.

RAILWAYS IN WEST TO DIVIDE TERRITORY

C.P.R. Agreeable to Making Arrangement With Government Lines.

Ottawa, April 29.—The bill to authorize the Canadian Pacific Railway to construct several branch lines in western Canada was considered by the railway committee of the commonsense this morning, with Mr. D. C. Coleman, manager of western lines in attendance, to make any explanations asked for by members of the committee. R. L. Richardson expressed the opinion that the minister of railways should say whether or not any of the proposed lines will occupy territory which should be covered by the government system of railways.

AMERICANS AND BLACKS CLASH In British Repatriation Camp

London, April 29.—In a clash at the Winchester repatriation camp last night between Americans and South African black soldiers, one or two Americans were injured, none, however, seriously, a Winchester despatch to the Exchange Telegraph Company says, ill feeling between the Americans and the blacks came to a crisis last night when the blacks attacked them with sticks. British troops restored order.

MANCHESTER UNITY, I.O.O.F.

At the quarterly district meeting of the Manchester Unity, I.O.O.F., held last night at the Sons of England hall, the concert committee reported that the annual concert held recently at the Foresters' Hall was a great success, financially as well as artistically, and after payment of expenses amounting to \$100 and returning the organizing loan of \$50 to the district, leaving a balance of nearly \$100 to benefit the Widows' and Orphans' fund. The committee reported in favor of holding the concert on a larger scale next year.

Mulock, Manager, Ontario Branch: A. E. Hossain.

THE PROMOTER'S WIFE

By JANE PHELPS.

Whimsical Thoughts Keep Barbara Awake.

CHAPTER LXXII. It was with such thoughts that I waited for Nell. My confidence fully restored—I thought; my heart filled with love. It was long after midnight when he came in. "I thought you never would come, dear. I so wanted to explain things to you, and I have scarcely seen you since you came home," I said after kissing him.

"You will oblige me very much if you will postpone your explanation, or forget it altogether. I am very tired and in no mood for talk." Of course, I said no more. I felt sure something had happened to upset Nell; something unpleasant. Had it been at Blanche Orton's? The thought was upsetting to say the least. I wished it were morning and Mr. Frederick would come. I perhaps then would get at the cause of Nell's abrupt repulse; his refusal to talk.

I was restless, and unbidden thoughts, many of them unwelcome, filled my mind. I recalled the time I found the imprint of Blanche Orton's cheque on the blotter in Nell's office. Even as long ago as that she had been mixed up in his affairs in some way. I seemed to be having a streak of bad luck, almost. I had been so happy, then came Lorraine with the tale of Mr. Powers going to her father, and the other things I had heard. Nell was still angry with me, would not listen when I tried to tell him I had not meant anything wrong when I went to his office. Yes, I was unlucky just now.

Then with the abruptness with which we turn from one thing to another in the night when lying awake, I recalled a long ladder I had seen a few days previous raised against a building. It was one of the double sort, stretched wide apart for safety. I watched the people as they approached it, recalling the old superstition anciently passed under the ladder. Finally quite an elderly woman came along laden with parcels, and she deliberately shifted her load so that she could pass under the ladder. I spoke to her.

"Why did you go under the ladder? It is bad luck isn't it?" "No, miss. It brings you good luck. Also some folks think the other way." So as I lay wide awake I thought that no matter what one did perhaps it didn't make much difference in the end. If you went around the ladder or under it, it all depended upon your point of view whether it brought luck or not. Wasn't it so with life? Then my thoughts shifted again to my hope for a social career, a successful one. I recalled the many lists of those whom I wished to cultivate I had made, and destroyed until the final one which suited me was complete.

The clock struck four. I remembered nothing more until Ada called me. "It is nearly 5 o'clock, ma'am." I had not heard Nell when he got up, so soundly had I slept in the late morning. Now I heard the water running and knew he was in his bath. I should have to hurry. I did so want to talk to him. He had fallen asleep almost immediately he had gone to bed, and would be rested. Perhaps he would listen to me.

I was down almost as soon as he. "Now Nell, you must let me talk a little," I commenced after he had his first cup of coffee. "I didn't mean to do anything to displease you, anything wrong by going to your office. I did it because I loved you. If I did not, I shouldn't care so much when people told lies about your business." He

are the choice of those who appreciate speed, safety, sturdy wear and thoroughly reliable service.

REGINA LABOR MEN FOR ONE BIG UNION Will Recommend Minimum Wage of Twenty Dollars for Women.

Regina, April 29.—At the largest meeting of the Trades and Labor Council and the first meeting at which women took part, a motion supporting the one big union carried unanimously. The women supported it with the men.

Recommendations passed to submit to the industrial commission on labor and capital, which sits here shortly, include one that all women workers should get a minimum wage of \$20 per week for a 40-hour week. The council also asked that the local unions take a sympathetic strike vote to ascertain if the unions will support the strikers in the building trades.

BURLESON ORDERS RETURN OF CABLES TO OWNERS

Washington, April 29.—Postmaster-General Burleson issued an order today returning the American cable systems to their owners, effective at midnight, May 1.

Richard Sargent, Watchman, Is Victim of Brutal Attack

St. Catharines, April 29.—Richard Sargent, night watchman at the Engineering and Machine Works of Canada, formerly known as Jencks' Machine Works, was set upon last night and beaten, receiving injuries that may prove fatal.

MONROE DOCTRINE PEACE GUARANTEE

British Delegation in Paris Says It Has Come to Be International Understanding.

Paris, April 29.—The British delegation issued today a series of commentaries on the covenant of the league of nations, expressing their definite views and making some changes from the official analysis issued on Sunday.

"Article 21 makes it clear that the covenant is not intended to abrogate or weaken any other agreements so long as they are consistent with its own terms, into which members of the league may have entered or may hereafter enter for the assurance of peace."

"The Monroe Doctrine and similar understandings are put in the same category. They have shown themselves in history to be not instruments of national ambition, but guarantees of peace."

"The origin of the Monroe Doctrine is well known. It was proclaimed in 1823 to prevent America from becoming a theatre for intrigues of European absolutism. At first a principle of American foreign policy, it has become an international understanding, and it is not illegitimate for the United States to say that the covenant should recognize that fact."

"In its essence, it is consistent with the spirit of the covenant, and, indeed, the principles of the league as expressed in article 10, represent the extension to the whole world of the principles of this doctrine; while, should any dispute as to the meaning of the latter ever arise between the American and European powers, the league is there to settle it."

"It is particularly noted that the commentaries state that the Monroe Doctrine has become an international understanding."

CANADIANS ASSISTED IN BOLSHEVIK REPULSE

London, April 29.—Bolshevik forces attacked the allied troops on the Murmansk railway at Kurgomni on Monday, but were easily repulsed, says a statement today from the British war office. The members of the British war office left a number of prisoners behind.

The statement says that in the recent operations near Uroszero, Canadian, French and North Russia troops and the Slavo-British legion cooperated with a French armored train, the crew of which showed great gallantry.

CALLS FOR DEATH PENALTY.

Paris, April 29.—At the trial today of Sen. Humbert, Captain Mornet, the government prosecutor, in his address to the jury, said that the only verdict given in the case should be the same as that meted out to Bolo Pasha—the death penalty.

BRITISH PRESS ON THE COVENANT

Majority of Papers Give Lukewarm Welcome, But Condemn None of Its Principles.

London, April 29.—While on the one hand the amendments take the right direction but it criticizes the rejection of Japan's plea for equality.

"The sooner the covenant can be put amended covenant of the league of nations do not welcome it heartily, there is nowhere is any condemnation of its principle."

"The Daily News, the most ardent champion in London of the league, in its operation, the better," says The Daily News. "Only then will the real greatness of President Wilson's triumph become clear."

"The Daily Chronicle questions whether in its present form the league will meet any of the demands which the future is likely to make upon it. The newspaper criticizes what it considers the weakness of the amendments, of which it says:

"Most of them have been inserted to win over reluctant opinion in America. We need not seriously criticize the incorporation of the Monroe Doctrine into the covenant," the Daily Chronicle continues, "the effect is to give great extent to the league's liabilities, if not its privileges."

"The rejection of the Japanese plea for race equality mooks all our humanitarian professions."

"Difficulties of idealist. The Daily Express, while welcoming the covenant and wishing it triumphant success, says it would be foolish to ignore the slender basis for the best of hopes. It calls attention to the extreme difficulty under which the idealist labors when he approaches severe practical issues, and adds: 'Even future is likely to make upon it the fact that the Monroe Doctrine is expressly inviolate.'"

"The Morning Post describes the experiment. 'The world gains nothing whatever by the signature of the covenant so far as the present position is concerned,' says The Post, 'who it possibly may years hence be.'"

"The Daily Mail joins heartily in the felicitations which the peace conference bestowed on President Wilson on the triumph of his momentous idea, and sees in the league a guarantee of enduring peace."

BRANTFORD EXPECTS A LACK OF STRIKES

Brantford, Ont., April 29.—Indications are that Brantford as usual will be strikeless on May 1 of this year. There is only one outstanding matter to be adjusted, that being the eight-hour day for machinists and recognition of the union. This question, however, will not be subjected to negotiations and will continue to be negotiated until an amicable settlement is reached, at least, that is the opinion of the rank and file of the union.

Your Buying Guide for Tea That Will Ensure Unfailing Satisfaction, is the name

100 Per Cent Pure

AYEARS IS FULLY EXONERATED FROM CHANGE OF SHARING

(Continued From Page 1).

any understanding or expectation that he (Ayears) should in any way share," said Sir William.

In regard to the circumstances surrounding the cheque for the witnesses' fees being deposited in that account, the commissioner stated that he thought that there was nothing in the matter, as Ayears had made no application for the fee. Solomon had received the cheque and had offered it to Ayears, who declined it, and who had practically made a present of it to Solomon.

The question of a division of three equal parts being made of the money was also dismissed by the commissioner, who said, "If Ayears was to get a share, why in the name of common sense was the money left in the bank?"

Slashing Attack.
A slashing attack was made by Sir William on the evidence given by Walter Duncan, chief of the Duncan Detective Agency, who had testified that he, Solomon and Hinch, while they were in the employ of the government.

"I entirely discredit the evidence of Duncan as to the arrangement under which he employed Hinch and Solomon. (Duncan said that Hinch and Solomon were to be employed by the government. I have no doubt, as Hinch and Solomon testified, that it was a distinct understanding that they should not do any work for the C.P.R. which would in any way interfere with the work of the department. Duncan understood perfectly that that was the basis under which they were permitted to take these men into his employ. His story bears the impress of untruth. He was compelled to admit that it was unlikely that a man would give up a permanent position for one which was admittedly temporary."

Could See No Reason.
Duncan, stated the commissioner, had on two occasions been informed of the work that the men were doing. Another circumstance which Sir William stated spoke strongly in favor of Ayears was the fact that he had not been seen since the charges against him, he had returned two sums of money to the fund. Sir William could see no reason why Ayears should have been permitted to force if the arguments of Mr. McKay had any foundation.

However, the commissioner stated that Mr. Ayears had been concerned; he would have been better off if he had refused to deposit the money at all. It was, also, a matter of fact that Ayears had borrowed money from a man under him, as it would give rise to criticism and suspicion; it was a thing that should not have been done.

In his summing up, Mr. McKay spoke for more than an hour, but his address was interrupted when the Homer case was mentioned by the commissioner. Especially did Sir William denounce P. F. Cronin, a reporter for The Toronto World, for what he called "gutter journalism."

"Cronin's actions were most scandalous," said the commissioner. "I don't believe that Cronin believed his own stories." The stories, declared Sir William, were deliberate invention, and the putting forward of these charges was a cowardly and dishonest act. The statements made by the Toronto police said Vancouver, each ten employees are entitled to one membership in the council, the employees having equal representation, and at joint meetings there are discussions and decisions on matters of working conditions and hours. There is no profit-sharing, and it was stated that the workmen had been making no effort to secure access to the company's books. It was stated that the men had been given a six-day week as the result of the council's considerations, and had arrived at the decision to grant no credit for goods, and to deliver no milk where a bottle was not left. More had been accomplished in three or four months than in years before, said John Bruce, an employee of one of the dairies.

VANCOUVER DAIRIES IN JOINT CONTROL

Industrial Inquiry Told of Success of Western Experiment

Vancouver, April 29.—According to statements which the Matthews industrial relations commission heard here this afternoon, the partial administration of the Vancouver dairies by a joint industrial council representing employers and workmen is proving successful. Three concerns account for 100 employees, or 75 per cent. of the dairy employees of Vancouver. Each ten employees are entitled to one membership in the council, the employees having equal representation, and at joint meetings there are discussions and decisions on matters of working conditions and hours. There is no profit-sharing, and it was stated that the workmen had been making no effort to secure access to the company's books. It was stated that the men had been given a six-day week as the result of the council's considerations, and had arrived at the decision to grant no credit for goods, and to deliver no milk where a bottle was not left. More had been accomplished in three or four months than in years before, said John Bruce, an employee of one of the dairies.

MEASURES PASSED TO FEED GERMANY AND NEUTRAL LANDS

Economic Council Decides Shipments May Be Made Without Allied Approval.

MUNITIONS EXCEPTED

Director - General Charged With Matters Tending to Increase Coal Production.

Paris, April 29.—The supreme economic council at its meeting Monday passed upon measures for feeding Germany, and the northern neutral countries and Switzerland. It was announced that the naval armistice authorities have removed restrictions on German fishing in parts of the North Sea.

The official statement on the meeting issued today reads: "Concerning German fishing in the Skagerrak and Kattegat, the council was advised that after its action at the last meeting upon the German request for permission to fish in those waters, the naval armistice authorities have removed restrictions as to the Kattegat, and have extended the North Sea limits so as to permit the German fishermen to make use of a passage free of mines, to and from the several fishing areas."

"It was reported to the council that the blockade section has taken appropriate steps to give effect to the decision of the council that the rationing regulations established during the war with respect to the importation of commodities into the northern neutral countries and Switzerland be suspended. In consequence, hereafter all commodities other than a specified list of war material may be imported into those countries without restriction of quantity. It has also been decided that shipments of foodstuffs from the countries in question to Germany may be made without the requirement previously existing that each shipment receive the approval of the inter-allied trade committee in the respective countries."

To Facilitate Commerce.
To facilitate commerce and the forwarding of relief supplies, the council agreed to the recommendation of the blockade section that hereafter shipment may be made through Germany of all commodities except unfinished munitions of war, provided the shipments are covered by a license of an inter-allied trade committee, or where no such committee exists, by a license from the relief administration.

The council considered the important question of facilitating commercial and relief traffic on the Danube River, but deferred final action in order to permit the further study of the several methods of regulation which were proposed.

"In pursuance of its plans for improving coal production and distribution to meet the present general deficit in the European coal supply, the council decided that the director-general of relief, for the present be charged with all matters in an endeavor to increase the coal production in the former empire of Austria-Hungary as far as possible. The director-general of relief is to work through the mission of the communications section of the council which is charged with the operation of the relief railways and the distribution of food supplies in the territories in question."

TIME-TABLE CHANGES ON GRAND TRUNK RAILWAY SYSTEM

Important changes in the passenger train schedule on the Grand Trunk Railway System will be made, effective Sunday, May 4th, 1919. These changes will take effect from papers found in and from Cobourg and intermediate points; also Peterboro. On same date, Grand Trunk Railway System will inaugurate Toronto-New York service through sleeping cars and coaches via Lough police said Vancouver, each ten employees are entitled to one membership in the council, the employees having equal representation, and at joint meetings there are discussions and decisions on matters of working conditions and hours. There is no profit-sharing, and it was stated that the workmen had been making no effort to secure access to the company's books. WILLIAM HYSLOP LAID TO REST

Tire Trade Representatives of U. S. and Canada Follow Hearse.

CLUB DELEGATIONS Of Every Variety, Athletic and Social, Pay Last Honors.

The funeral of the late William Hyslop, who died at Wellesley Hospital Saturday, April 26, from influenza, was held from the family residence yesterday afternoon at 2.30. The services were conducted by Rev. (Cap.) J. B. Paulin, pastor of Rosedale Presbyterian Church.

Rev. Mr. Paulin paid an eloquent and touching tribute to the memory of the deceased, who by virtue of his vigorous and sterling character had endeared himself to all that knew him.

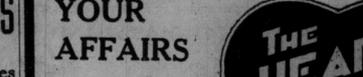

Interment was at Forest Lawn Mausoleum. A large number of sorrowing friends followed the remains to the final resting place.

At the family residence the remains lay surrounded by veritable banks of flowers, sent by various friends of the deceased. The funeral was notable for the many prominent men connected with the automobile and rubber tire industries in both Canada and the United States. With the arrival of the morning trains from across the border the gathering of friends at the Hyslop residence soon bore an international aspect. Friends Filled House.

The late Mr. Hyslop was a member of the various athletic and social clubs and also belonged to the Ashler Motor Club of this city. Delegations from the various organizations were present, which, together with the other friends of the deceased, filled the house and outside lawn overflowing.

Among the prominent out-of-town people present were: Mr. Dinnberger and family, Buffalo; Charles E. Baumhacker, Forbes Varnish Company, Detroit; J. M. Uppercue, Cadillac Motor Car Co., New York; J. S. Bretz, Cleveland; J. S. Draper, broker, Toledo; W. J. Lamb, Pisk Tire Co., Detroit; E. J. McLester, L. S. Tire

Winning Sixth Straight, White Dodgers and Red Sox Lose Their First.

At Philadelphia (National League)—Philadelphia stopped Brooklyn's winning streak by taking advantage of Cadore's wildness and bunting half their hits in the third inning. The score was 8 to 5. Cadore got off to a ragged start, the Phillies making four runs on one hit, three bases on balls and two errors. Jacobs was effective in the early innings, but beginning with the fourth Brooklyn hit him hard and often, although the Phillies' lead was too big to overcome. Score: Philadelphia... 4 3 0 0 1 0 0 — 8 16 0 Batteries—Cadore, Mamaux and Krueger; Jacobs and Adams.

At Cincinnati—Manager Moran's team won its sixth straight victory by beating Pittsburgh, 8 to 1, and assumed the leadership of the National League, as Brooklyn lost to Philadelphia, thus breaking the tie for first place which had existed since the opening day of the season. Ray Fisher, formerly of the New York Americans, pitched strongly, while Cooper was hit very hard in the first and fifth innings, and gave up the lead. The score: R.H.E. Pittsburgh... 0 0 0 0 0 0 0 — 1 3 0 Cincinnati... 2 0 0 0 4 2 0 — 8 16 0 Batteries—Cooper, Miller and Schmidt; Fisher and Raridon.

At Chicago—May's tight pitching enabled St. Louis to beat Chicago, 1 to 0. Chicago made only four hits and had few chances to score. Jim Vaughn opposed May and was hit eight times. Sharp fielding, including five double plays, kept St. Louis from additional scores. Hits by Stock, Schultz and Snyder in the second inning produced the one tally. Score: R.H.E. St. Louis... 0 0 0 0 0 0 0 — 1 8 1 Chicago... 0 0 0 0 0 0 0 — 4 11 4 Batteries—May and Snyder; Vaughn, Martin and Killifer.

At Boston—Boston-New York game postponed; cold weather. At Washington (American League)—Boston lost its first game of the season, being defeated by Washington, 4 to 2. Harper pitched a fast game, scattering the world's champions only four scattered hits. Both of Boston's runs were due to errors by Javvrih. Score: R.H.E. Boston... 0 0 0 0 1 0 0 — 2 4 2 Washington... 0 3 0 0 0 1 0 — 4 11 4 Batteries—Penock, Dumont, Winn and Walker; Harper and Pleinich.

At New York—The Philadelphia Americans defeated New York in the second game of the series by a score of 7 to 1. Johnson pitched a strong game, scattering the Yankees to six scattered hits. Shore, the former Boston American star, pitched his first game for New York, but was ineffective in the seventh, but before Mordridge could retire the side five runs had been scored. The score: R.H.E. Philadelphia... 0 0 0 2 0 0 0 — 7 8 2 New York... 0 0 0 0 0 0 0 — 1 6 2 Batteries—Johnson and Perkins; Shore, Mordridge, Russell and Ruel.

At Detroit—Bunching hits in the fourth inning, and taking advantage of Bush's error in the fifth, after Jackson had hit safely, Chicago defeated Detroit, 3 to 1, making it two straight. Cleoette allowed Detroit but one run, which was scored on Cobb's double, followed by singles by Veach and Heilmann, resulted in Detroit's score. The score: R.H.E. Chicago... 0 0 0 2 0 0 0 — 3 11 0 Detroit... 0 0 0 0 0 0 0 — 1 6 2 Batteries—Penock, Dumont, Winn and Walker; Harper and Pleinich.

At St. Louis—Morton held St. Louis to five hits, while his team-mates bunched four of their six hits off Sotoloro in the first four innings, and Cleveland won the first game of the series, 2 to 0. Rain caused the postponement of two previously scheduled games. Score: R.H.E. Cleveland... 0 0 0 2 0 0 0 — 2 11 0 St. Louis... 0 0 0 0 0 0 0 — 0 6 0 Batteries—Morton and O'Neill; Sotoloro, Loudermilk and Severid.

The Ontario Branch Reinstates Boxers

The governors of the Ontario branch of the Amateur Athletic Union met last night and lifted the ban on ten boxers who had completed in an unsanctioned bout, on hearing an explanation concerning a retraction from Lieut. Bob Dibble. The O.A.L.A. asked reinstatement for nine players who belonged to semi-pro teams last year. The request was sent back for further information. The union will co-operate with the government in securing athletic grounds and facilities for communities.

The Grand Army of Canada baseball team will practice again on Thursday night at 8 o'clock at Trinity College grounds, south end, and all returned or discharged soldiers are invited to turn out. The Grand Army want a practice game for next Saturday. Phone Manager Naughton at headquarters, 1 Elm street, Adelaide 232.

Withrow Park Lawn Bowling Club Skips

The Withrow Park Lawn Bowling Club held a general meeting last night in Player's Hall and elected their skips for the season as follows:

G. Bond	G. S. Marlor
S. Widdings	C. Kamm
W. Bernard	E. Hynes
A. B. Ellis	E. A. Weiderhold
F. Montgomery	S. Holmes
G. E. Lee	A. Turner
J. Wallace	C. Cook
W. McCaffery	J. Taylor

SOCCER NOTES

The Ontario Referees' Association will hold their monthly meeting on Wednesday, April 30, at 8 p.m., in the Sons of England Hall, when all referees are especially requested to be present, also any new referees. Business very important.

All Parkdale F.C. players are requested to turn out for practice at 6.30 tonight at Lappin avenue. Meeting after practice.

All signed players of the Baraca Club are requested to meet at McKenzie Park tonight at 6.30 sharp. The first division team will oppose the third in a practice game. There will be an opportunity for any new players to have a tryout in this game. The grounds are on Avenue road, near Cottingham street.

Tonight (Wednesday) Parkdale Rangers F.C. will hold a meeting, rear of 156 Lappin avenue, at 8.15. Members are requested to note new meeting night.

TORONTO CRICKET CLUB TO ENCOURAGE THE BOYS

Reorganized After Three Years' Inactivity, and Again at Varsity Campus.

The Toronto Cricket Club reorganized last night at an enthusiastic meeting in the University Club after being off the crease since 1911. It was decided to ask all boys who had played in the prep schools now resident in Toronto, and others to become members at the nominal fee of \$1. The club will be held again on the old field, the north Varsity campus, which will be placed in shape as early as possible. Besides in the City League the club will play friendly games and "colts" matches, likely playing two teams in the field some Saturdays and holidays. Officers were elected as follows:—

Hon. presidents, Mr. John Gibson, Sir Robert Falconer; president, Sir Jas. Woods, vice-president, G. S. Lindsey; Stair Dick Lauder, G. H. Gooderham, W. J. Henry, C. S. Laidlaw, A. Penner; secretary, S. Denison; treasurer, G. E. D. Green; executive committee, W. Sanders, P. Henderson, N. Searnam, A. C. Heighington, S. S. Milia, A. M. Inglis, J. W. Gillespie; auditors, I. S. Lounsbrough, R. C. Lee.

T. & D. Junior League Referees for Saturday

The T. & D. Junior Council met last night and appointed the following referees for games on Saturday:

Baracas v. Parkdale—R. Moriarty, 11 Delaney crescent.

Merton v. Jubilee—W. Brown, 26 Merton street.

Wychwood v. Linfield—Osborne, 1132 Wychwood street.

H. Palmer v. Riverdales—J. Glendenning, 322 Morley avenue.

St. George v. Second—A. Kerr, 232 Campbell avenue.

Second Division.

Parkdale R.A. v. Dunlops—G. E. Steele, 321 Sampson avenue.

Sons of England v. Linfield Rovers—R. Broadhurst, 555 Concord avenue.

St. George v. Rangers—S. Williams, 477 Yonge street.

Roston Rovers v. Dufferin United—W. Dymott, 41 Brock crescent.

Aston Rovers' secretary is J. Y. Entwistle, 60 Hillsboro avenue. Linfield's secretary is J. Woodcock, 11 Woodycroft avenue. Rangers' F.C. secretary is E. Kane, 707 Pape avenue. Club secretaries take notice.

Referee Armstrong, after May 1, 28 Ardmore street.

The following is the local T. & D. junior team and reserves picked for the Toronto-Hamilton all-stars game, which will be played at Hamilton on Victoria Day (May 24):

Goal, Stevenson (Rangers); right back, Hadlow (Parkdale); left back, Phillips (Linfield); right half, Stuppard (Rangers); centre half, Whiston (Linfield); left half, Bell (Parkdale); outside right, Taylor (Parkdale); inside right, Hardie (Linfield); centre forward, Mason (Parkdale); inside left, Moir (Linfield); outside left, King (Parkdale).

Reserve team—Goal, Frazer (Linfield); half-back, Crute (Second); Thomas (Wychwood); halves, McCutcheon (Parkdale), Taylor (Jubilee), Parkinson (Swansea); forwards, Chalmers (Baracas), Jones (Dufferin), Stuppard (Jubilee), Macfarlane (Linfield), Turnbull (Linfield).

The council feel that they have picked the best possible team, irrespective of the players' club, and it is to be hoped the various clubs will fall in line with the council's decisions. Whiston of Linfield will captain. All picked players are to notify the secretary of the league at once, if willing to play in this game.

OPENING TODAY

Today's opening games in the International League are: Toronto at Newark, Buffalo at Jersey City, Rochester at Baltimore, Binghamton at Reading.

THEY'RE OFF, BOYS, AT NEWARK TRACK

It is Said That Much New Material is Due Immediately.

By Ida L. Webster.

Once again the day of the International League opening dawned, and as yet no one has had the nerve to say that the home club is going to be licked; but then, it is very early in the morning, and the guns around these parts do not seem to have enough of a kick in them to tell the time, let alone make any suggestions on the outcome of the ball game.

Speaking of the chances of the club immediately before departure, James J. the golden-haired president of the club, said: "I never did go in for telling fortunes, and anyway, if it ever got abroad that I did make a good guess, some guy would have made the game to pass an opinion. That is, as you may suppose, a matter of personal idea only."

Immediately before departure, James J. the golden-haired president of the club, said: "I never did go in for telling fortunes, and anyway, if it ever got abroad that I did make a good guess, some guy would have made the game to pass an opinion. That is, as you may suppose, a matter of personal idea only."

Immediately before departure, James J. the golden-haired president of the club, said: "I never did go in for telling fortunes, and anyway, if it ever got abroad that I did make a good guess, some guy would have made the game to pass an opinion. That is, as you may suppose, a matter of personal idea only."

FIGHT RESULTS

At Philadelphia—Law Tender of that city easily defeated Jimmy Duffy of New York in a six-round bout. Tender had the better of every round.

At South Bend, Ind.—Frankie Mason outpointed and outslugged Johnny Brian in every one of the ten rounds.

At Tulsa, Okla.—A rally in the fourteenth round won a 15-round decision for Billy Miske of St. Paul over Bill Brennan of Chicago. The men are heavyweights.

SHE KNEW WHAT SHE WANTED.

Mrs. O'Toole (shopping): "I want to see some mirrors, hand and even the Floorwalker: "Hand mirrors, madam?" Mrs. O'Toole: "No; some that you can see yer face in."

ED. MACK LIMITED CLOTHIERS TO ALL MANKIND

WE TAILOR clothes to measure—if you prefer them that way. Splendid tailoring, too—unusual tailoring. But it takes time—you have to wait and you have to "try on," etc., etc. If time is important we can rig you out just as well, the same good tailoring, the same good fabrics, the same late styles, the same good fitting garments—in our Ready Tailored Clothes. Honestly now, we can give you all the smart models, the best fabrics, ready to slip into. No waiting. No delays. \$20 to \$45.

Returned Men, Listen! EVERYTHING FOR A QUICK CHANGE TO CIVIES—SUITS, TOPCOATS, SHIRTS, TIES, SOCKS, GLOVES, UNDERWEAR.

ED. MACK LIMITED 167 Yonge St. (Opposite Simpson's) We Close at 6 p.m. Open Saturday Nights

TORONTO LAWN TENNIS CLUB ELECT OFFICERS

Japanese Players Enter for the Annual Canadian Championships in July.

At the annual meeting of the Toronto Lawn Tennis Club the following were elected directors for the year: H. C. Boutbee, R. A. Burns, T. H. Hall, A. L. Morrow, J. Allan Ross, E. S. Glasco, G. H. Meldrum, C. D. Henderson and F. M. Kimbark.

The Eastern Canadian lawn tennis championship event will be played off on the grounds of the Toronto Lawn Tennis Club during the week commencing July 5 next. The celebrated Japanese player, Ichijima Kumagae, and S. Kashio, have sent in their entries, and Hiroaki Taylor and Vincent Richards, the junior and boy champions, respectively, of the United States, will also be here, as well as several prominent lady players. Vincent Richards is only 16 years of age, but already a tennis star of the first magnitude, and he and W. Tilden are doubles champions of the United States.

Hope Lost a Leg But Still Plays Tennis

London, April 29.—The Wimbledon public will have a lively recollection of Hope Crisp, the Cambridge University football and lawn tennis blue. To the general regret, Hope Crisp in the war lost his right leg, which was amputated high up to the thigh. He is still irrefragable, however, for, with the aid of an artificial limb, he intends to play in the championships in June next, and, as a preliminary, to take part in the open tournament at Roehampton.

AMATEUR BASEBALL

The West Toronto Baseball League will hold a meeting at St. Vincent's Club rooms, on May 2nd, at 8 o'clock. All clubs are requested to have two delegates present, as some very important business will be discussed.

West End Y. senior team will practice Wednesday at 6 p.m. at Dufferin race track. The following are requested to be on hand early: Crowe, Moriarty, Rutledge, Piercy, Kerr, Dukelaw, Burrows, Reed, Abernethy, Rowcliffe, Hall, Gerry, Baker, W. Price, A. Price, Yeoman, Allan, Crilly, Hoese, J. W. W. Long, Frank Lancaster, Art. Lancaster.

The Hillside Midget Baseball League will meet at Hillside A. C. Christie street and Yarmouth road, today at 8 p.m. All managers of teams please be on hand.

The Hillside Juvenile Baseball League will meet at Hillside A. C. to reorganize for the coming season, April 30, at 8 p.m. All former teams will be welcomed.

The Western City Senior League will hold a meeting on Thursday night at 8.30, at 335 Clinton street. The league will decide either a fifteen or eighteen game schedule. The eighteen game schedule necessitates several twilights, while some of the managers consider fifteen games too short. Twilight games, which were inaugurated by the western city last year, proved a great success, and the executive are dubious about dispensing with them altogether.

St. Francis will practice Wednesday and Friday nights. A full turnout of players is requested. Manager Carey has arranged an exhibition for Saturday next with St. Michael's College. This game is called for 2 p.m. at the college. This will be a chance for the fans to give the Saints the once-over. The following players are signed and will be seen in action on Saturday: Monkhouse, A. Ghann, Conway, Currie, Healey, Marsalik, Genian, Morris, Koster, Britton, C. Glynn, McKewen, Woodruff, Finley, Byrne. A short meeting will be held after practice Friday night.

O. A. L. A. Council Will Group the Clubs

President Westwood has called a meeting of the O.A.L.A. council for Friday next at 8 p.m. at the Ingoquo, when the first draft of the grouping will be proposed. Any lacrosse club wishing to play this year should let the secretary know not later than Friday, in order to get properly grouped. The secretary's address is J. S. Dundas, 1158 Yonge street. Tel. Bel. 1134. Prospects are bright for a record season.

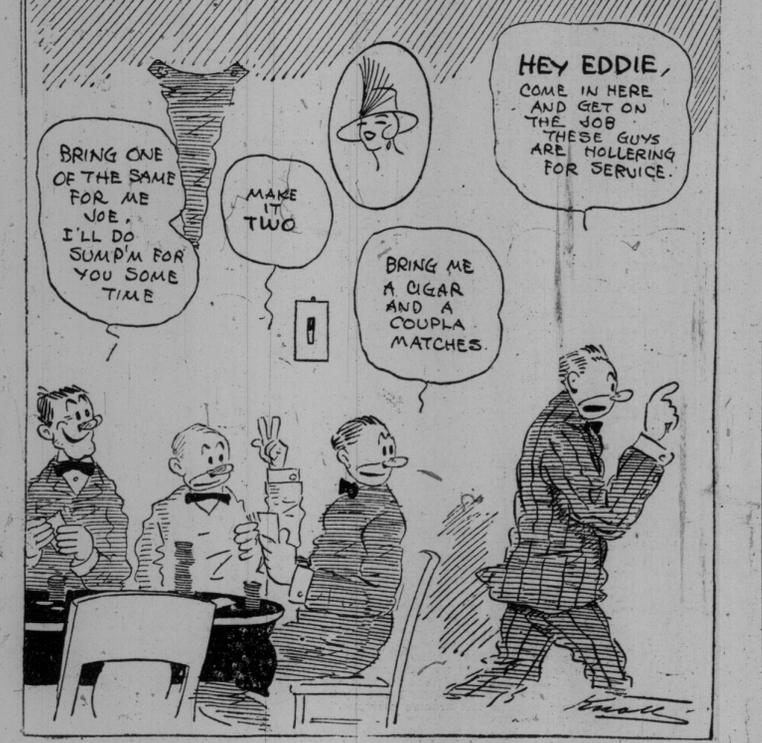

The much admired Beardmore plater, Ladder of Light, moved a comfortable three-quarters in 1.26.2.5. Veima Poly and Gantun Groom, one-quarter in 26.2.5; Plymouth Rock (plater) and Callaghan, one-quarter in 27.2.5; La Rina, one-quarter in 28.4.5; Ladder of Light (plater), three-quarters in 1.27.2.5; Pepper Sauce, one mile in 1.49.4.5.

The Davies' King platers—Pleasure Bent, 4, three-eighths in 42.3.5; Bugie March, Fair and Warner, and Golden Bud, three-eighths in 43.5.5. Alice in Wonderland, in company with the two-year-old, Player, one-quarter in 27. Weather windy; track slow.

Kingston, Ont.—The schooner Julia B. Merrill went aground off Fairhaven in a terrific gale. She was running light on her way to load coal at that port.

WHO IS RUNNING MAY DAY MEETING?

Parks Commission Want Assurance as to Its Character.

Following an application by W. J. Hevey, on behalf of the May Day conference committee, to hold a celebration on May 1 at Queen's Park, the parks committee of the city council yesterday agreed to grant the request, subject to the commissioner being satisfied that the demonstration was being run under the auspices and control of the Trades and Labor Council. Parks Commissioner Chambers said he understood if there was information to show that the Trades and Labor Council was not the organization responsible for the character of the meeting the use of the Queen's Park would be cancelled.

Mr. Hevey said: "We don't want the same thing to happen as was reported to have happened the other day. When 'God Save the King' was struck up everybody left."

A leaflet issued by the May Day conference committee has been sent to the mayor anonymously. It includes the following headings: "A universal protest against exploitation," "Take a holiday of your own," "Solidarity," "The leaflet, among other things, states: 'The way to get liberty is to take it. Take a day off. Let the boss worry about his profits. You should worry about the work. The more you work (for the boss) the poorer you become. Besides May Day is your day.'"

The committee favored the establishment of a rose garden in Withrow Park.

LITTLE CHILD KILLED BY MOTOR CAR

Frederick Alfred Rounds was instantly killed with running across the street yesterday morning in answer to a call of his mother. The child ran from the sidewalk without first seeing if the road was clear, and ran in front of a motor car. The car struck the boy with great force, killing him instantly. The child was three years and nine months old, and lived at 387 Pape avenue.

CARD FROM McCULLOUGH?

W. W. Dunlop, inspector of prisons, yesterday received the following note on a postcard mailed to him from Kingston: "I see by reports in the Toronto papers that you are the one who is examining Currell, my guard. So you know by the note I left, Currell was drugged. Don't be too hard on him; it was my fault. Catch me if you can." (Signed) "Frank McCullough."

Repay—

MAY 6-7 8-9

to the fullest extent that money can repay—the service that soldiers, and those who ministered—and those who will minister—to the needs of soldiers' wives and children, have rendered to the community.

Give Liberally to the "Big Four" Fund

GREENSHIELDS HOME ASKS ASSISTANCE

Must Close Doors to Aged Gentlemen Unless Aid is Received.

The management of the Julia Greenshields Home have decided to appeal to the generosity of Toronto for an endowment of \$50,000 for their institution. It is pointed out by the management that thru the generosity of the late Julia Greenshields, Toronto was presented with this beautiful and valuable home on University avenue, in which during the last twenty years over one hundred ladies have spent their declining years in happy and peaceful surroundings.

MINING COMPANIES IN BOUNDARIES ACTION

Before Justice Rose in the non-jury Assize Court yesterday O'Brien's Ltd., the well-known mining firm opened an action against the Las Roca Mining Co., for trespass, and also for a declaration by the court defining the boundary line dividing two mines in the Cobalt district owned by the principals in the case. The testimony yesterday consisted mostly of identification evidence. R. H. Parmenter is appearing for the plaintiffs, and G. Robertson is acting for the defendants. The case will proceed this morning.

HORSE TO GIVE WAY IN FEW YEARS TO MOTOR

At the closing exercises yesterday of the Ontario Veterinary College, Hon. G. S. Henry, minister of agriculture for Ontario, announced that it was the last time there would be a general presentation of diplomas at the college, as, under new legislation, making a four-year term, the diplomas would be presented thru the University of Toronto. However, next year some diplomas would be presented to returned soldiers, and a few others who had been delayed in their studies.

Captain Rev. Church Succeeds To Elm Street Pastorate

Captain Rev. Edward F. Church has accepted a call to the pastorate of Elm street Methodist church and will assume office tomorrow. He succeeds Rev. A. Lloyd Smith, who has been appointed one of the associate secretaries of the Methodist mission board.

FOUR MONTHS AT FARM

John W. Kelly was found guilty in police court yesterday morning of forgery, and was sentenced to four months at the jail farm.

FIRE LIMITS TO EXTEND TO BALMY

Ald. Baker's Suggestion Finds Majority of Council in Support.

Permission was asked at the property committee yesterday by the National Electro Products Company to erect temporary buildings on Atlantic avenue, pending the construction of a plant in the Ashbridge Bay industrial area. E. L. Cousins, harbor manager and engineer, said the company had capitalized of \$1,000,000 and that it was a desirable industry. Subject to the report of officials a two-year permit was granted.

REV. BEN SPENCE HAS THIRD REBUFF IN COURT

In a judgment handed down at Osgoode Hall yesterday the second appellate court dismissed the appeal launched by Rev. Ben Spence for an order of prohibition to restrain Magistrate Kingsford from trying the famous "Parasite" case.

WILL OUTLAWED THRU ABSENCE OF WITNESS

Mrs. Wilhelmina Fletcher, and her two children Duncan and Agnes, will share equally in the estate of James Fletcher, father and husband, who died in Toronto Dec. 23. The testator made his will two days before his death, in which he left the entire estate valued at \$2,000 to his wife; the residuum to be divided among three children all of whom reside in the province of Quebec.

Horse Bite Brought Child Five Hundred in Damages

Judge Denton yesterday awarded John Hyde \$500 in his action on behalf of his infant daughter, Edith, against the Parisian Laundry for injuries received when one of the defendant's horses bit the girl on the shoulder at the Queen's Hotel July 8, 1918. From the award \$300 is to be paid into court to be handed over to the girl when she reaches the age of twenty-one.

WILL REPRESENT METHODISM

Rev. Dr. James Endicott, general secretary of the Methodist home and foreign mission fund, has been authorized to represent Canadian Methodism at the meeting of the governors of the West China Mission University, to be held in London, England in the fall.

No Increase in Ferry Fares for Coming Year

The fares of the Toronto Ferry Company will not be increased this year, the docks, etc., having been leased to the company at the same rental as last year on condition that the fares would not be raised.

SOCIETY

Conducted by Mrs. Edmund Phillips.

The Queen's Own Chapter, Imperial Order Daughters of the Empire, gave a dinner at the King Edward last night in honor of the officers of the regiment who have returned from overseas. The first formal dance of the kind since the great war, and no more fitting place than the King Edward could have been chosen to give it in. The management have assisted in everything given for the soldiers during the war to the utmost in every way. Although many of the men were in uniform there were many uniforms, and with the costly frocks of the women it was a gay and beautiful scene.

The Queen's Own Chapter, Imperial Order Daughters of the Empire, gave a dinner at the King Edward last night in honor of the officers of the regiment who have returned from overseas. The first formal dance of the kind since the great war, and no more fitting place than the King Edward could have been chosen to give it in.

"BIG FOUR" STAGING REALISTIC RAID

Capt. O'Hara Takes Charge of War Scene in Riverdale Park.

It is expected that work on the trenches, which are to be the scene of a raid on Tuesday evening, in connection with the "Big Four Drive" to raise \$1,500,000 in Toronto, will be begun today on the east side of the Don in Riverdale Park. This natural amphitheatre will afford large accommodation and give everybody a good view of the proceedings.

ANNOUNCEMENTS

Notice of future events, not intended to raise money, 20 per word, minimum 50c; to raise money apply to: Patriotic Church or Charitable purpose, 10 per word, minimum \$1.00. If held to raise money for any other than these purposes, 20 per word, minimum \$2.50.

THEOPHY—MR. FRANCIS G. HANCOCK, Chicago, will speak tonight at the Masonic Hall, Gerrard and Logan Avenue. "The Mission of Theosophy," Thursday, May 1, at 8, Parkdale Assembly Hall, 2 Lansdowne Avenue. "Practical Theosophy," Friday, May 2, at 8, Wyckwood Theatre, 1356 Bathurst street. "The Habit of Happiness."

TORONTO ISLAND DELIVERY. Delivery of The Morning World at Hanlan's Island, Centre Island and Ward's Island will resume on May 1st. An early and efficient service is assured. Orders to telephone 5308 will receive prompt attention.

HUNGARIANS WITHDRAW BEFORE RUMANIANS

Copenhagen, April 29.—A further withdrawal of the Hungarian troops to Bekes and Chaba (about 120 miles southeast of Budapest), in the face of the Rumanian advance, is reported in despatches from Budapest under date of Monday, Mako, 110 miles southeast of Budapest, and Nagy Lak, 15 miles southeast of Mako, were occupied by Serbian forces on Sunday.

Faces a Charge of Non-Support; Allowed Suspended Sentence

Hamilton, Ont., April 29.—George Hill, a returned soldier, was sentenced to four months by Magistrate Jeffs today after Hill had pleaded guilty to a charge of theft.

Mrs. Percival Foster Appointed Recreation Centre Hostess

Mrs. Percival Foster, who was the hostess-in-charge of the Hostess House at the Beamsville R. A. F. camp, and a member of the local association, will be hostess of the new recreation centre at 95 King street west, which will be opened during the month of May. A graduate of the Margaret Eaton School will take charge of the recreation hall.

GENERAL CHANGE OF TIME.

Canadian Pacific change of time will take place Sunday, May 4th, from which date summer train schedules will be effective.

W. C. T. U. RECEIVE AT WILLARD HALL

The reception given at Willard Hall last night by the Toronto and North Toronto Unions of the W. C. T. U. drew a large number of members and friends who nearly filled the big recreation rooms of Willard Hall.

BAPTIST ASSOCIATION HOLDS ANNUAL MEETING

The annual meeting of the Toronto Baptist Association was held in the Emmanuel Baptist Church, corner Wellesley and Jarvis streets, last night. The president, E. H. Richards, in the chair, addressed the members of the association. Dr. Farmer, the secretary, H. C. Hawkins, gave a report of the work for the year. Musical numbers were given by Mr. and Mrs. T. L. Crossley.

Home Wrinkle Recipe— Astonishing Results

Such startling, sensational results come from a very simple, harmless, home-made wrinkle-remover, there's no excuse for anyone wearing those hateful marks of age and worry. No need of fooling with worthless pastes, creams, skin "skin foods" which don't feed the skin. No rubbing, massaging, steaming—senseless methods which loosen skin and underlying tissue, aggravating wrinkles, flabby condition. Better, saner, surer, is the Lockyer's Sulphur—thousands freed of wrinkles, enlarged pores, sagging cheeks, double chin—thousands younger looking, happier!

BUSINESS GIRLS' CLUB.

Mrs. A. O. Rutherford, honorary president of the Dominion W. C. T. U., addressed the members of the College Street Business Girls' Club at their quarterly meeting held in College Street Presbyterian Church, urging the young women to take advantage of the opportunities afforded them by the ballot to realize their principles and ideas.

MAIN GERMAN PARTY REACHES VERSAILLES

Versailles, April 29.—The main German peace delegation arrived at the Vaucresson station at 9.30 o'clock this evening and came to Versailles by automobile.

"I Am So Short of Breath"

"IT MUST be your heart, Grand Dad." "Yes, I suppose it is. I am getting old, you know."

"Oh, you are not so old. You have got run down after the cold you had and will be all right when you get your blood built up again."

"Well, I hope so, dear."

"You remember how weak my heart was, Grand Dad, when I used to be pale and anaemic. It was no joke for me to climb these stairs then."

"You are all right now, aren't you?" "I never felt better in my life, Grand Dad, and if you will use Dr. Chase's Nerve Food for a while you will get strong and well, too. That is what cured me."

"But do you think that the Nerve Food is any good for old men like me?"

"I Am So Short of Breath"

"I am sure it is. I often read letters in the newspapers from old people telling about what a great benefit it has been to them by enriching the blood and increasing their vitality."

As an example of what Dr. Chase's Nerve Food does for people of advanced years, here is a letter from Mr. James Richards, 73 Dundas St., Belleville, Ont., who is 89 years of age. He writes:

"I was suffering from a weakness of the heart, shortness of breath and frequent dizzy spells which used to force me to go and lie down for a time. I secured Dr. Chase's Nerve Food and received such splendid results that I continued its use until I am now feeling fine and am not troubled with these symptoms any more."

Dr. Chase's Nerve Food, 50c a box, 6 for \$2.75, all dealers or Edmondson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

ON CHICAGO MARKET

Hughes, Harcourt & Co., 307 Royal Bank Building, secured the following wire at the close of the Chicago market yesterday: The sensational break of over 1c from yesterday's close to today's low caught considerable long corn that was bought on the recent upturn. As the market declined, stop orders added to the general weakness.

Cash corn was equally as weak as the futures, elevators buying corn on a delivery discount under the May, ordering to store, probably for delivery purposes. Industries were also buying, but at the same discount as the elevators. There was nothing in the trade to suggest a revival of the demand. Buyers reduced their bids as fast as the future market broke.

The corn weakness was too much for the oat market, large quantities of long oats being unloaded, and while the market receded in price there was good buying by commission houses on a scale down to 20c below the day's market to some extent, but the selling continued through the session.

Winnipeg, April 29.—Wheat seeding in Central Saskatchewan is near completion, according to George Carver, secretary of the Prairie Provinces branch of the Canadian Manufacturers' Association, who returned to Winnipeg from Saskatchewan yesterday. Mr. Carpenter says that outstanding progress has been made with the work of the land, that the seed bed is in excellent shape and that western men are optimistic at prospects.

Reports received at the grain exchange are to the effect that wheat is above ground at many points in Southern Alberta and Saskatchewan. Winnipeg, April 29.—Wheat seeding in Central Saskatchewan is near completion, according to George Carver, secretary of the Prairie Provinces branch of the Canadian Manufacturers' Association, who returned to Winnipeg from Saskatchewan yesterday.

Winnipeg, April 29.—Wheat seeding in Central Saskatchewan is near completion, according to George Carver, secretary of the Prairie Provinces branch of the Canadian Manufacturers' Association, who returned to Winnipeg from Saskatchewan yesterday.

HOLLINGER MAKES STRIKING ADVANCE

McIntyre and Other Gold Stocks Heavily Bought in Strong Market. Hollinger, which leaped upward in price in a sensational manner reminiscent of the bullish demonstration that attended the signing of the armistice last November, provided the great outstanding feature in the local mining market yesterday, although other issues were by no means neglected.

There was spirited trading in a number of stocks, McIntyre, Lake Shore, Keora and Beaver being particularly prominent, and an optimistic feeling was much in evidence throughout the day. Transactions totaled nearly 200,000 shares, and the most significant circumstance was the exceptionally heavy investment-demand for the best class of mining securities. New York was again a big purchaser of leading gold stocks, and took almost everything offering at present prices.

The persistent character of the buying was shown in a leap by Hollinger from 6.53 to 6.70 between sales, and a wager was made by one broker that prices would cross the seven dollar mark today. Predictions made by well-posted market followers that the speculative frenzy in oils and other stocks would be turned in the direction of mining were soon to have been well based. "The country is full of money," is a saying that has grown threadbare by repetition, and with ample funds available, and with producing mines of the north preparing for production on an unexampled scale, conditions are extremely favorable from a market point of view.

Brokers and mining men in general are emphasizing the point that a boom in the generally accepted sense, has not developed, and that the great bulk of the buying is of a distinctly investment character, stocks going into the strongest hands and steadily curtailing the floating supply. Later on, if expectations are not much astray, there will be a movement in the price of issues which appeal more particularly to the speculatively disposed public at large.

Hollinger's performance in selling up to 6.76, and retaining practically all its gain by closing at 6.55, as compared with 6.48 at the close on Monday was a remarkable one. Odd lots sold as high as 6.80. Big interests in New York are evidently taking a lively interest in Hollinger and also in McIntyre, which advanced two points to 1.80, and closed there. Transactions in Hollinger reached 466,500 shares and in McIntyre 650,000 shares. The New York \$2.50 is talked of as a not remote objective for McIntyre. The intention of the McIntyre management to go down to the 250-foot level is an indication of great faith in the possibilities of the mine at depth. Lake Shore set up a high record at 1.18. Three points above Monday's close, and 20 to 51, closing at 1.12 for a net gain of 1.14. Kirkland Lake's admirers contend that it is due for a 10-point rise to place it in line with other gold stocks. Keora had another day of very active trading, closing at 1.70, after touching 22.1-2 and closing at 21, unchanged from Monday. Baldwin at 35.1-2 was up 1.1-2. Gold Leaf was 4.1-2, up 1-4. Wassaika at 60 and Davidson at 60 were stationary.

Beaver stood out conspicuously in the silver list along with Adanac. The turnover in Beaver ran above 20,000 shares, the high being 48 1-2 and the closing at 48, showing a net gain of 1.1-4. In some quarters the opinion is held that despite its recent sharp advance, is the best value in the silver list. There was a revival of activity in Adanac, nearly 40,000 shares being traded in the closing at 19, the high of the day, showed an advance of a point. At the close 18.3-4 was bid for any part of 25,000 shares. Some of the other silver stocks were inclined to softness. McKinley-Darach selling a point lower at 49, Mining Corporation repeating its low level at 1.75 and Nipissing declining five cents to 8.75. Truvelty at 29.1-2 was off 1-2 and Timiskaming at 36 3-4 and Ophir at 93-4 were fractionally lower.

CONTROL OF BALDWIN MAY CHANGE HANDS Directors Leaving For New York In Connection With Offer Made. New York is waking up to the merits of the gold fields of Northern Ontario. Stock control of several gold mining companies in West Shilling Tree has already passed to that great financial centre. But New York is not by any means satisfied. It usually does things in a big way. It wants more. Last night a well-known member of the Standard Stock Exchange, left to settle the details of a big deal. Another company operating in West Shilling Tree and to which two directors of the Baldwin Gold Mine leave for New York in connection with an offer made some time ago for the control of that fine property.

PLAIN TALKS ON INVESTMENTS

By Mark Harris

This is your last day to purchase Castle Oil stock and be in time for the next regular quarterly dividend of 4 1/2%, which is payable May 10th.

I don't want to hurry anybody, but if you have any idea of becoming a stockholder in this company why not act today and secure this four and one half per cent. dividend?

Four and one half per cent. is as much as many high-class bonds pay in a year, and by ordering your Castle Oil stock today you receive this full dividend just the same as though you had owned the stock for the full three months.

I have already given many reasons why one should buy Castle Oil at \$1.25 per share, so I don't think it necessary to repeat them all over again.

The first good reason is because the stock returns 18% yearly as an investment, and 18 per cent. in itself is a mighty good reason to invest money.

The second reason is "Shetland," and although "Shetland" may not mean anything to the reader, it certainly does mean something to "Castle Oil."

Shetland is a new gas district in Ontario that was recently opened up by the Castle Oil drilling a test well.

This well came in with a flow of 300,000 cubic feet of gas daily, and 300,000 feet of gas at 20 cents per thousand means \$60 a day.

Ten gas wells of this character would mean \$600 a day, and as there is very little expense to a gas well, it would be practically all profit.

The Castle Oil Co. holds over 5000 acres under leases at Shetland, which is enough ground to support 100 gas wells, so it does not take any expert mathematician to figure out why Shetland means potential possibilities for Castle Oil.

Up to date there has been no income from this new gas district, but before another three months goes by I expect to see the earnings from Shetland exceed the earnings from the producing oil wells at Mossa—in fact I expect to see earnings from Shetland so large that Castle Oil stock will be quoted at several dollars per share.

Perhaps you think this a bold statement, but if you do I am sure you don't know much about the possibilities of gas, otherwise you would realize that large profits from gas are almost a certainty.

When the Tilbury gas fields were opened a few years ago I knew one company that spent only a trifle over \$20,000 in developing properties that sold easily for several million, and I honestly believe that Shetland will prove a better gas field than Tilbury.

If it does Castle Oil will develop into one of the really important producers, because Castle Oil holds nearly all of the best located leases in this new district, and is, therefore, in a position where the greatest benefit must accrue to the company.

On merit alone Castle Oil is the one best purchase of today, and I advise every investor to purchase the stock while the price is \$1.25 per share.

Remember, this is positively your last day to buy Castle Oil and secure the next quarterly dividend, which is payable May 10th.

Wire, write, or phone me today. Faithfully yours, Mark Harris

ROYAL BANK BUILDING, TORONTO. Telephone, Adelaide 52.

West Tree Mines Ltd.

After careful and exhaustive investigation into the merits of WEST TREE MINES, LIMITED, shares, and a critical examination of the property owned by this company we unqualifiedly endorse this issue, and advise the purchase of the stock.

At the pre-listing offering price of 28c per share we regard the stock as one of the very best opportunities for large speculative profits that has presented itself for years in Canadian mining circles.

Present indications are that the limited amount of stock to be sold in this initial offering will be quickly oversubscribed. We therefore advise quick action on the part of those who desire to participate in this attractive offering.

A policy of "first come, first served" will be followed. Send us your order early. ISBELL, PLANT & CO. MAIN 272-3. STANDARD BANK BLDG.

SHARP GAINS IN LOCAL MARKET

Maple Leaf, Canada Bread, Canners, Mackay and Tucketts Are Prominent.

Sharp advances in Maple Leaf Milling, Canada Bread, Dominion Canners, Mackay and Tucketts' Tobacco gave a distinctly bullish tinge to the Toronto stock market yesterday. Nearly 3000 shares were changed hands and advances were quite general, the issues mentioned stood out with particular prominence. Funds for market purposes are being freely supplied, but the tariff uncertainty remains as a disturbing influence, and it is doubtful if the upward movement will be carried to any considerable extent.

Maple Leaf Milling is fairly running wild these days, much to the gratification of shareholders, who see profits mounting up in quite a dizzy fashion. After a strong opening at 147, there was an uninterrupted advance to 149, with the closing at the top figure, representing a net gain of 2 points. The strength and activity in Canada Bread was a natural offshoot of the rise in milling stocks based upon an improved outlook for the industry in general. Canada Bread was in better demand yesterday than had been noted for some time and finished strong at 20 3/4, a net advance of 1 1/4. Dominion Canners was the most active stock of the day, with a turnover of 671 shares, and rose 2 1/2 to 43 1/4, closing, like other stocks, at the best price of the day.

Tucketts at 36 1/2 was up 1 1/2. The buying of Tucketts, which has resulted in a sharp rise in the past week, remains unexplained. There is a rumor that a dividend declaration on the common is impending, and another report that the company will be consolidated with the Tobacco Products Company. Nova Scotia Steel was dealt in only a small extent, but reflected the strength of this issue in New York by rising five points to 60, the highest level in many months.

Outside of Mackay the feature of the utility group was Barcelona with a rise of 3 1/4 to 103 1/4. Toronto Railway continued its ascent by moving up 5 1/2 to 44 1/2. Brazilian at 53 3/4 was unchanged.

The war loans were fairly active, but were inclined to be easier.

The day's transactions: Shares, 2960; bonds, \$147,000.

DECLINE IS SHARP IN CORN AND PORK

Action to Curb Excessive Cost of Foodstuffs Causes Panicky Selling.

Chicago, April 29.—Overwhelming rushes to sell swept all grain and provisions prices heading downward today on the board of trade.

The biggest fall was in corn and pork, respectively, 11 1/2c a bushel, and \$1.80 a barrel. Action which the board of trade officials and the federal wheat director had initiated against excessive cost of foodstuffs did much to force the avalanche of unloading. Besides a long-threatened free movement of corn and hogs from rural sources had finally unnerved speculators who for months have been winners by anticipating the skyward flight of the market. Closing prices of corn were excited at the lowest point of the session, a net decline of 9 1/2c to 11 1/2c, with July \$1.53 3/4 to \$1.54 1/4, and September \$1.51 to \$1.51 1/2. Oats lost 2 1/2c to 31c, and provisions 20c to \$1.80.

Weakness of prices in the corn market was evident as soon as trading opened. All members of the board of trade had received in their morning mail notice to report any open deals in July and September corn of more than 100,000 bushels. This notice implied that any undue speculative operations which pointed toward higher living cost were about to be curbed with a ruthless hand. Then the liberal arrivals of corn and hogs here from the country further unsettled the confidence of holders and deprived the market of support. On the ensuing downward plunge of values, stop-loss orders to sell owing to exhausted margins were uncovered in profusion. At this juncture, when the pit was already semi-demoralized, an announcement was made that the government would largely discontinue purchases of wheat flour for export, if necessary, to stop speculative trading. The immediate result was paralysis of demand for corn. Violence of the breaks in the market now reached the acme as the closing gong drove the crowd of brokers from the floor.

Corn tumbled with corn. Provisions shared in the flurry of selling brought on by the same factors that swept the grain markets downward. Buyers were hard to find.

BROAD TRADING IN NEW YORK STOCKS

U. S. Steel Reacts Sharply After Advance — Shipings — Lead Market.

New York, April 28.—The scope of the trading on the stock exchange today expanded visibly, a greater variety of issues being quoted than at any of the recent past. Market attention was directed toward events across the water, greater interest being manifested in the quarterly meeting of the United States Steel directors, which did not convene until the market had closed.

U. S. Steel was dull and hesitant until midday, when heavy buying sent the stock up to 102, from which it reacted sharply, closing at 101 1/2, a gain of 5 1/2. The action of the steel board in passing the "extra" one per cent common dividend occasioned no surprise in conservative circles. Market strength was shown by utilities, especially telegraph and telephone shares, presumably as a result of Postmaster-General Curb's recommendation that the cable lines be soon restored to private ownership.

Shipings led the entire market under guidance of Atlantic-Gulf at a net gain of 5 1/2 points. Marine common advancing almost 3 points and Pacific Mail 2 3/8. Material advances in American International and United Fruit were dispensed at the end. Food and allied specialties displayed unwonted activity, sugar shares rising from 2 to 9 points, with variable gains for National Biscuit, California Packing and American and Continental Cans.

Oils were unstable on heavy offerings of Royal Dutch and Mexican Petroleum, also, some of the less prominent issues were firm to strong. Early gains of 2 to 3 points in secondary rails were largely cancelled. Sales amounted to 1,550,000 shares.

U. S. STEEL BONUS IS NOW DROPPED

Earnings for the Past Three Months Show Further Contraction.

New York, April 23.—Directors of the United States Steel Corporation at their quarterly meeting today omitted declaration of an extra common dividend.

The directors declared the regular quarterly dividend of 1 1/2 per cent on the common and 1 1/2 on the preferred.

At the last quarterly meeting the extra common dividend was one per cent, and six months ago was two per cent.

Total earnings for the quarter just closed after deducting all expenses incidental to operations, were \$3,212,384, which compare with \$36,354,165 the previous quarter.

Net income was \$22,874,249 and surplus \$4,822,316 compared with \$25,437,193 and \$2,997,255, respectively, for the previous quarter.

STANDARD OIL'S EARNINGS.

New York, April 29.—The Standard Oil Company of New York earned \$43.9 a share on its capital stock in 1918, or more than three times as much as it paid in dividends, according to the annual report.

ORE RECEIPTS AT TRAIL.

The Consolidated Mining and Smelting Co. of Canada, Limited, reported ore receipts at Trail smelter from April 15 to April 21, as 7,420 tons, and from Oct. 1, 1918, to date, as 156,001 tons.

Trust Company Executorship is Equally Desirable For Small and Large Estates

ALL estates whether involving \$500 or \$5,000,000 are entitled equally to the benefits of a Trust Company's administration. These benefits insure to small estates the same business experience and judgment and the same safety measures which protect large estates.

Our trust officers invite your personal interview or correspondence.

TUCKETTS IS FEATURE IN MONTREAL MARKET

Report of Prospective Absorption of Tucketts Company Regarded as Improbable.

Montreal, April 29.—Today's market for Canadian securities continued generally strong, but with the largest gains confined to stocks influenced individually.

Tucketts' Tobacco scored the best gain of the day, one 1/4 points on sales of only 120 shares, making a new high for the year. The "street" had the choice of two rumors in this respect, one that the company might pay a dividend, and one that it might be bought out by the Tobacco Products Company, both of which were generally classed as impossible.

Mackay advanced to a new high for the year at 76, a net gain of 2 points, accompanied by the report that the American government was to pass back the wire systems to the original owners. The steel stocks were strong, Dominion advancing 1/2 at the close, Canada adding 1/2 at 64, a new high for the movement, and returning 1/2 at the close, and Nova Scotia advancing 3 points in New York to 60, although not traded in here, evidently based on tips emanating from Boston that the Canadian and American steel issues were due for a big rise.

Total business for the day with comparisons for the corresponding day a year ago:

Shares	9,797	1918	1,936
do. unlisted	5,830	1918	40
Bonds	\$111,800	1918	\$5,500

TRADE TOPICS

The feature of the week in business is the reasonable slackening in dry goods orders. There can be no expansion in business while uncertainty exists regarding values.

In wholesale drygoods a seasonal quietness prevails, but cotton mills are working to capacity. High values and scarcity in woollens and linens are still pronounced. Ready-to-wear clothing and millinery are in active demand with prices stiffening.

In wholesale groceries there are no new features, but with the opening of navigation there is a more active distribution. All lines of canned goods are in good demand, and sugar and molasses are in good supply at unchanged prices. Raisins are advancing and in teas, Java is plentiful, and prices firm in all lines, but no change in the tea trade is expected before next fall.

In wholesale boots and shoes a firm trade is reported for domestic and imported goods, but held up in the eastern Canada owing to labor troubles.

In wholesale leathers there is an active export trade in sole leathers, and some foreign orders for kid leathers is reported.

Manufacturers of buttons quote advances ranging from 5c to 50c per gross.

In wholesale hardware a fair business is passing in shelf goods and agricultural tools, and builders hardware is just commencing to move.

The fallure hat continues light. Remittances are of a most satisfactory character. Retail trade is good and, with few exceptions, is well supplied. The provision market is practically unchanged, but there is a tendency upward in smoked and cured meats. The butter situation is also unchanged.

NEW BANKERS' TRUST BOARD OF DIRECTORS

Montreal, April 29.—The board of directors of the New Bankers' Trust Company, which is closely allied to the Merchants' Bank of Canada, is announced as follows: K. W. Blackwell, president; D. C. McCarow, vice-president; A. J. Dawes, F. Robertson, A. B. Evans, F. H. Wilson, G. L. Gaine, E. J. Hearst, E. Merritt, J. D. G. Klippen, J. M. Kilbourn, W. A. Meldrum, W. B. Leitch and Lieut.-Col. J. R. Moodie.

James Emery, already announced, is manager of the new institution, and J. E. Kilburn, secretary.

SARNIA BONDS SOLD

The City of Sarnia made a good sale of its bonds, getting a good price realized at 5 1/2 per cent. The sale was of an issue of \$111,992, and the highest bidder and purchaser was W. L. McKinnon & Co. of this city. The bonds were \$104 1/2. The bonds bear 6 and 6 1/2 per cent, and are of varying maturities up to 1933.
