INTERESTING LETTER FROM CAMPBELLTON BOY
Tells How Louis Annett Was Wounded and Taken a Prisoner.

The following letter has been received from a Campbellton boy who was in the same unit with Louis Annett when he was wounded and captured, and throws light on how it was done.

France, Nov. 10th, 1916

Dear Father:

Received your letter with clippings some time ago and was glad to get them.

We have moved to a new part of the line now since my last letter and it sure is a great change too; farther south. It is the quietest part we have been at yet.

Have made enquiries about Louis Annett and as near as I can find out he is a prisoner. Will give you an account as near as possible. The Battalion made an attack and took a certain trench and while they were holding it Louis was wounded just over the heart. One of the other sergeants tried to carry him out but he was too heavy and the Sgt. put him in a kind of sheltered spot alongside a Sgt-Major who was also wounded. So Louis is probably a prisoner. Fritz has been using the wounded very well down there and so he has a good chance.

This trench changed hands a good many times in a short time and he may have been taken out by our own Red Cross men and I hope so. Of course everything is so uncertain down here that it is very hard to get any information at all, but I have been enquiring as much as possible and trying to find out.

This is a very nice place we are in now and very quiet. There is little or no artillery work but quite a lot of trench mortars. They are pretty but we are away out of their range. There are seven of us in the dugout and we have a room in front of it with a (P.T. O.) fireplace in it which we use for a kitchen and living room.

There has been no cold weather yet, but quite a lot of rain.

The Graphics come pretty regularly and I am very glad to get them.

Saw Fred Graham, young Lebars and Merle Keith a short time ago and they were all O. K.

EDWARDS-FRASER.

A quiet wedding took place at the Methodist Parsonage, Campbellton, on Wednesday afternoon when John Raymond Edwards, a prosperous farmer of Ecuminae, P. Q. was united in marriage with Miss Grace Fraser, daughter of John Fraser of the same place. The best wishes of many friends follow the happy couple.

ACKNOWLEDGED FUNDS.

The following letter has been received from the Chief Superintendent of Education, Fredericton:

Fredericton, N. B., Nov. 24th.

J. B. Carr, Esq.,
Campbellton, N. B.

Dear Sir—

Enclosed please find receipt for Campbellton's contribution toward the relief of Belgian children.

Permit me to congratulate the pupils, teachers, and all concerned, upon the success of their efforts in this behalf. I can assure you that this Department greatly appreciates the generous response made by the children of Campbellton to this most deserving cause.

Yours faithfully,
W. E. CARTER,
Chief Superintendent.

DIED AT HOTEL DIEU.

A young woman, Catherine Harrel, died of typhoid at the Hotel Dieu on Friday. She was admitted on Monday.

REV. J. E. PURDIE TO LEAVE CAMPBELLTON
Has Accepted Call to Parish in Saskatoon—Had Other Calls.

Campbellton people who have become so well acquainted with the Rector of Christ Church, Rev. J. E. Purdie will regret to learn that he is about to sever his connection with the work here and has accepted a call to Saskatoon.

Rev. Mr. Purdie came here from St. John a little over six years ago when Campbellton was a town of shacks. He and Mrs. Purdie entered heartily into the work and to-day a handsome brick church, with a church hall and a Rectory have been built.

On Sunday morning last the Rev. J. E. Purdie announced to his congregation that since coming to this Parish he had received six calls to go elsewhere. Some few months after he came here he had an offer to go to a city where there was a fine church, with a good Rectory and Parish hall with Rector's office in it and \$400.00 per year more than he was receiving here. A few months later he received another attractive offer to go to British Columbia, moving expenses paid and several hundred dollars more a year. These both were declined believing God had not made way clear for him to go. Less than two years ago he had an opportunity to go to a Parish in Ontario. This was also declined. On the 28th of September last he was unanimously elected to the Rectorship of a progressive town in the Diocese of Saskatchewan. He wired his refusal feeling that this parish did not afford opportunities for the kind of work God wanted him to do. In early October he received a communication from an Archbishop in the same Diocese saying that St. James' church, Saskatoon, was vacant and that his name was being put in the hands of the Wardens and Vestry. Before the parish meeting took place he had an offer which presented a most attractive opening for work in the city of Toronto. While this latter was under consideration a wire came from the Wardens of St. James' church, Saskatoon, saying that he was elected to the Rectorship and also another from the Bishop of Saskatchewan ratifying the appointment. After much prayer and consideration Mr. Purdie wired his decision accepting this offer. These calls came entirely unsought for and from the most unexpected quarters. Saskatoon is a progressive city of 25,000 inhabitants. There are in the city four Anglican Parishes. Within the borders of St. James' stands the University of Saskatchewan and alongside Emmanuel Anglican Theological College. The Bishop is a strong, evangelical man and very keen on evangelistic work. The College and practically the whole Diocese is Evangelical.

Campbellton friends will join with the Graphic in wishing Rev. and Mrs. Purdie every success in their new field of work.

PUBLIC PROPERTY & STREETS.

Your committee to whom are referred all matters relating to Public Property and Streets respectfully submit that they have had under consideration the application of Mr. W. J. Comeau for rent of store on east side of building. We interviewed the ladies of the Women's Institute who are engaged in Red Cross work in this room and find a desire amongst them to hold the room for their use, as well as the Tipperary Club and LaTouquet Club. Under the circumstances we do not feel like depriving the ladies of the use of the room and would therefore recommend that Mr. Comeau be notified that at present we cannot rent the room.

This report was adopted.

Coun. Alexander reported from the committee to interview the McLennan Foundry & Machine Works, stating that they had met with the manager and a rate of five cents was agreed upon.

Coun. Alexander further stated that when the electric power schedule was fixed by the Council it was agreed that all accounts over \$100.00 per month should be allowed a discount of 50 per cent. In some way this latter had been omitted, and he moved as follows:

That the Electric Power rate schedule be amended by adding the following words: "accounts of \$100.00 and over per month a discount of 50 per cent. Carried."

Coun. Harquail reported that there was a serious shortage of coal for the Power house and it seemed almost impossible to get a supply. There was enough on hand to carry over into February. Many dealers had been approached but none could guarantee delivery.

The matter was left in the hands of the Electric Light committee. The Council then adjourned.

WOUNDED HEROES RETURN HOME.

Corporal Clarence Duncan and Private Seely Johnson Arrive Wednesday.

Two more Campbellton boys have arrived home wounded from the front. They are Corporal Clarence Duncan and Private Seely Johnson.

Corporal Duncan enlisted with the 26th Battalion and was wounded in the left elbow, making the arm stiff. He has been discharged as unfit for further service.

Private Seely Johnson is home on leave and expects to return to duty. They returned on the Local, Wednesday, and were met by an enthusiastic crowd at the depot, who gave them three rousing cheers as they stepped off the train. As it had been announced that they would arrive on the Limited many people were disappointed in not seeing them.

Friends of both the boys are to-day warmly greeting them.

FORMER DALHOUSIE MAN DIED AT DORCHESTER, MASS.

Many citizens of Restigouche Co. will regret to learn of the death of Mr. H. A. Johnson, formerly postmaster of Dalhousie, and for many years Secretary-Treasurer of the Municipality of Restigouche. His death occurred on Nov. 25th, at Dorchester, Mass. The late Mr. Johnson was a very capable and obliging official and his family will have the sympathy of many friends in their sad bereavement.

KILLED IN ACTION.

Corporal Boyd Nichol.

Corporal Boyd Nichol was the son of Mr. and Mrs. Wm. Nichol, Glen Levis, and was 24 years of age. He was one of the first to enlist at Campbellton and went overseas with the first contingent in the 12th Battalion. He was transferred to the 15th and was at the front with the first Canadian division for over a year. He was killed in action September 26th.

Ottawa, 16th Nov., 1916.

Dear Mrs. Nichol:

It is with feelings of very great regret that I learned today of the death in action on September 26th, 1916, of your son, Corporal Boyd Nichol.

I am writing this letter for the purpose of extending my very sincere sympathy to you in your bereavement. Nothing of course can lessen the effect of the blow and of the sorrow caused to you and his family and intimate friends, but at the same time it is a satisfaction to know that he died serving his country, fighting in defence of those who were left at home and of the free institutions that are so dear to the heart of every Canadian and Britisher.

Again expressing my very deep sympathy, I am,

Yours very truly,
J. D. HAZEN.

TIPPERARY SALE AND TEA

To send some Zam-Buk to your soldier friend at the front. With the coming of cold weather, the men in the trenches all suffer, more or less, with chapped hands, cold cracks, chilblains and cold sores, and the soldier who has some Zam-Buk on hand to apply immediately any of these painful ailments make their appearance, will be saved hours of suffering.

Pte. E. Westfield of 4th Company, 3rd Worcester Regiment, writes: "We wish our friends would send us out more Zam-Buk. It is splendid for sore hands, cold cracks, cold sores, etc."

Nothing ends pain and heals so quickly as Zam-Buk, and being germicidal, it prevents blood-poisoning.

THE TONIC THAT BRINGS HEALTH

"Fruit-a-lives" Builds Up The Whole System

Those who take "Fruit-a-lives" for the first time, are often astonished at the way it builds them up and makes them feel better all over. They may be taking "Fruit-a-lives" for some specific disease, as Constipation, Indigestion, Chronic Headaches or Neuralgia, Kidney or Bladder Trouble, Rheumatism or Pains in the Back. And they find when "Fruit-a-lives" has cured the disease, that they feel better and stronger in every way. This is due to the wonderful tonic properties of these famous tablets, made from fruit juices.

Dalhousie, N. B.

20th Nov., 1916.

Editor of Graphic, Campbellton.

Dear Sir:—

In the "Tribune" some weeks ago and more recently in the "Graphic" it was stated that the water supply of the Town of Dalhousie had been "tested" and was above suspicion.

To allow these statements to go uncontradicted would mean concurrence in their truth. As a matter of fact, no official examination of the water of Dalhousie has been made, which is authoritative of the slightest legal value.

Our water system consists of a reservoir in the hills, three miles from town, fed by a mountain brook, and of a well in the middle of the village. This latter was bought by Mayor Montgomery, for town use, from himself, The Dalhousie Land Co., for two thousand dollars.

The difference of opinion about the quality of our water supply centres in this well. From its situation, and the character of the water we are supplied with, where its contents are pumped into the main, the majority of people here thought and think it dangerous, and the Provincial Board of Health was asked to investigate.

Dr. Mullin, Secretary of the Board, an official of the New Brunswick Government at a salary of \$50.00 a month, was sent to make a report, on which the Provincial Board of Health might act intelligently. Dr. Mullin on his arrival, examined the surroundings of this hill, and elicited the following facts.

The well is fifty-five feet deep, situated on a slight elevation and surrounded on two sides by a swamp which approaches to within seventy-five feet of it, on three sides it is surrounded with privy pits, cess pools and pig pens, the nearest being 30 feet away, there being in all from fifteen to twenty within a radius of two hundred feet of this well. The proprietor of one privy, which is situated on higher ground, and eighty feet away stated that it had not been cleaned out for thirteen years, the pit and under the floor had in all that time been filled with water, which was sucked dry when this well was pumped.

Directly on top of this well, for two years before and one year after it had been purchased and used for a public water supply, stood a henhouse with the accumulated manure from a population of five hundred hens, and all the territory around and about and immediately over these walls had been used as a hen run. This hen house was removed, the manure carted away by W. S. Montgomery a few weeks before in anticipation of Dr. Mullin's visit.

When this well is pumped, every private well, with two situated in the swamp, within a distance of two hundred feet is sucked dry.

For seventy-five years this swamp and all the territory tributary to this well has been soaked with fecal matter.

It is obvious that when one privy and all the wells within two hundred feet are sucked dry, that every privy, cess pool and other cavity-containing fluid is also exhausted and that this

ANOTHER BONAVENTURE BOY WOUNDED

Private James Allison of Escuminac Reported Wounded in Action.

The following telegram was received at Escuminac last week:—

Ottawa, Nov. 20th.

I regret to inform you that Private James Allison, artillery, officially reported wounded Nov. 10th. Will send further particulars when received.

Private Allison belongs to Escuminac. Last spring another brother was killed in action.

Private Allison enlisted in Vancouver 6th Howitzer Battery.

so called well is only a catch basin for all the filth in the vicinity.

The above are the conditions Dr. Mullin found of which he took copious notes as each person told his or her story.

In his report, which is found in the official blue book of the Provincial Board of Health for 1915, Dr. Mullin for a reason known to himself suppresses all the above facts, but describes the surroundings of the wells as "deplorable", unsatisfactory and "disgraceful". The doctor says further that an inspection twice a year, and cleaning their closets and swamps twice a year, will make this well safe and above suspicion as a public water supply. Does he propose to constipate the local contributors to these necessary utilities for 363 days in the year with extract of strawberry or some such popular remedy.

The doctor also included and published in this report what purports to be an analysis of water taken from this well. To be of any value he must be prepared to swear that it did so. Doctor Mullin handed the specimen of water, which came from this well trusealed, into the hands of men who had a two thousand dollar interest in the purity of this water. They had it in their possession for at least two hours. This report is not worth the paper it is written upon as Dr. Mullin does not know and cannot swear where the water came from which he sent for analysis.

Water from this swamp was pumped into our houses by night for some weeks two years ago. During the day, reservoir water only flowed, on a certain day about noon, the Rev. Dr. Polley and Rev. A. Coleman took a specimen of the reservoir water, in the evening of the same day, from the same tap, under the same conditions when the well was being pumped, they took a specimen of the mixed water. They sterilized the bottle, took the specimen, packed and expressed them, and are in every way responsible for the accuracy of the test. The report of Dr. Cornell, Bacteriologist of the Ontario Board of Health on the two specimens, was, that the sample of reservoir water taken at noon was absolutely pure, the mixed specimen taken at night was unfit to use and that this well should be condemned.

About this time some explanation had to be offered as to why the water supplied was so disgusting. What more simple than to secure what purported to be an analysis of the reservoir water, showing to be hard. This was secured and at the time could be seen on the Town minutes, it stated in effect that the reservoir water was dangerous to use, and the analyst advised that the reservoir be treated (Continued on page four)

HAS ENLISTED WITH

HOME GUARDS
Mr. Joseph Martin has enlisted with Home Guards and left Tuesday evening for Quebec. Joe volunteered for overseas service, but was turned down.

OBITUARY

Much sympathy is tendered Mr. and Mrs. Wm. Christie of Shives Athol in the loss of their little daughter, Georgina, who passed away Thursday evening, following a severe sickness from measles. The little one was buried on Sunday afternoon the funeral being largely attended.

TWO ALARMS OF FIRE

An alarm of fire was rung in Saturday evening for a chimney fire at the Landry building, opposite the depot. No damage was done.

An alarm was rung in about one o'clock Sunday afternoon for a fire on the roof of Mr. W. P. Gray's residence, corner of Andrew and Arton St. It was extinguished before much damage was done.

ST. JULIEN—BEEBE

On November 27th a quiet but pretty wedding took place in Athol Catholic Church when Rev. F. M. Lantagne, united in marriage J. C. R. St. Julien, son of the late J. C. St. Julien of Montreal to Bella Beebe, daughter of the late David Beebe of Port Daniel West, who has been teaching in Mann's Settlement for the last four years. After the ceremony the couple went to the home of Mr. George Brown, Campbellton, where a dainty tea was served. After spending a few hours with friends the happy couple left on the Limited for their wedding tour.

SO SAYS THE GRAPHIC

Dalhousie, Jct., Nov. 25th.

If the Americans can pay \$6.00 per cord and freight for our pulp wood and make a profit on it, why do we not get together and build a pulp and paper mill here. It seems to me that a company could be formed of Restigouche people to build and equip a mill.

Your truly,

A READER

The Graphic agrees with "A Reader" The time seems opportune for such an enterprise and one should be built at once.

BATHURST CURLERS

JOSEPH CHAMBERLAIN

A well known and much respected citizen of South Tetegouche died last Friday in the person of Joseph Chamberlain after a very short illness from blood-poisoning. Mr. Chamberlain was one of the best known men in these parts. He has been a trapper and hunter for many years, and always had many tales of his experiences to tell which made his frequent visits to town a source of entertainment to many of his friends.

The surviving family consists of four sons, Joseph, Gilbert, Silas and Alexander, and two daughters, Miss Ellen and Mrs. Adelard Pitre, all residing at Tetegouche.—Bathurst Light.

100 YEARS

and more, people with chest and throat troubles have tried to cure them by pouring cough syrups, lung tonics and the like into their stomachs. All a mistake! The Peps way is different.

Peps are tablets made up of Pine extracts and medicinal essences, which when put into the mouth turn into healing vapors. These are breathed down direct to the lungs, throat and bronchial tubes—not swallowed down to the stomach, which is not sailing. Try a 50c. box of Peps for your cold, your cough, bronchitis or asthma. All druggists and stores or Peps Co., Toronto, will supply

INCREASING TRADE FOR IMPERIAL OIL CO.
Additional Warehouse Capacity Needed to Attend to Increasing Business.

The Imperial Oil Co., Ltd. branch here have let the contract to the J. & D. A. Harquail Co., Ltd., for the enlarging of their warehouse here. The size of the warehouse will be doubled, and space provided for the storage of a large stock of case goods, Rayo lamps and stoves. All case goods, etc. needed to supply the Gaspe coast and northern New Brunswick trade will be stored and shipped from the Campbellton branch. The local office has been in operation for a little over a year and a half, and it speaks well for the energetic local manager, Mr. H. J. Currie, that he has been able to show such a growth in business as to warrant this change. The increased facilities will enable the local office to attend to shipping more promptly in future.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

"THE BATTLE CRY OF PEACE"
Nine Reel Super Vitaphone the Acme of Film Realism to be Shown Here.

Mr. S. W. Dimock, Manager of the Campbellton Opera House, when in Montreal some time ago saw the above picture in the Imperial Theatre there and at once secured the picture, making as early a date as possible for its presentation here. The dates secured were Dec. 6th and 7th for Campbellton and Dec. 8th for Dalhousie. The citizens of these towns will therefore be given an opportunity on these dates to see one of the best pictures ever thrown upon the screen, and that also at a much lower price than charged elsewhere, as in Campbellton and Dalhousie the admission fee has been placed for adults 25c., children 15c. As there are nine reels in this picture there will be only one show. Doors will be open promptly at 7.30 and performance will start at 8.15 sharp. Patrons are particularly requested to be in their seats on time.

Below we give a few of the press notices on the above picture:—
Toronto News:—"The Battle Cry of Peace" is a tremendously impressive picture, and a terrible sermon on the necessity of military preparedness on the North American continent.
Toronto World:—"The Battle Cry of Peace" is the most wonderful of all films, and its series of thrilling pictures showing the bombardment of New York from land, sea and sky, Wall Street district in flames, the dynamiting of public buildings are of the most sensational kind.

Owing to the large increase of my business, I have accepted the agency for the House of Hobberlin, Made-to-Measure Suits.

OBITUARY.

MRS. MARY QUINN.
The death occurred on Saturday, November 25th of Mrs. Mary Quinn, widow of the late Thomas Quinn, at the residence of her daughter, Mrs. Andrew O'Connell. Deceased had been ill for several months. Two sons and two daughters are left to mourn the loss of a loving and devoted mother. The sons are James and Arthur of Cross Point and the daughters are Mrs. Andrew O'Connell of Campbellton and Mrs. Daniel Lawlor of Matapedia. Mrs. Quinn was in her seventieth year. The funeral took place on Monday, interment being in the Mission church cemetery. Sympathy is extended to the family in their sad bereavement.

RETURNING TO THE FRONT

Lieut. Alfred Gillis, who returned from the front a couple of months ago to recuperate from wounds received in the firing line in Belgium, has sufficiently recovered to enable him to return to his post again and left this morning for overseas, to rejoin his unit with the artillery at the front.

Lieut. Gillis as one of the first of our Campbellton boys to answer the call of his country and went overseas with the First Canadian Contingent which has made an enviable record for Canada throughout the whole war.

He enlisted as a private but his ability as a soldier was soon recognized and he was only a short time at the front when he received his Commission as a Lieutenant, being promoted from the ranks while in active service on the firing line.

He has been through the bloody battles of Neuve Chapelle, Langemarck, St. Julien, Festubert Givenchy St. Eloi and Ypres, receiving his wounds at the latter place.

Since coming home he did good work in recruiting for the "Kilties" and was offered a command in that Battalion but declined, as in all probability it will be several months yet before they will be going overseas and his desire was to get back to the firing line as quickly as possible.

Lieut. Gillis has a host of friends throughout the country with whom he is deservedly popular and while regretting his departure, from a social point of view, we admire the splendid spirit of self sacrifice by which he is actuated in again returning to the field of action, where such men as he are solely needed.

We trust however that when the fiery struggle is over we shall again welcome the return of our hero, "with blushing honors thick upon him."

BE PATRIOTIC—WEAR RUBBERS

British Government Has Given You Rubber at Low Price, So You Can Wear Rubbers and Overshoes to Protect Your Expensive Shoes.

Before the war a cow cost sixty dollars; now a cow's hide costs as much. This means expensive shoes—the same quality as before with a price fast approaching double that formerly paid.

"What's to be done?" asks the man or woman in moderate circumstances.

"Buy Rubbers and Save your Shoes" is the answer the British Government gives.

The British Government has put the price of rubber down so that you may benefit. Think of this and the price of the shoe in the price of other staple articles. Then, be patriotic and wear rubbers—rubbers made from British Government rubber—and save your shoe leather from winter's snow and fall rains.

BLACK CAPE

The sad news was received here sometime ago, that Pte. Cranston Woodman was killed in France between Oct. 1st and 2nd and now reports are being circulated that this is not correct, but his father John Woodman has received no further word from Ottawa so we are of the opinion that the report received from Ottawa that Pte. Cranston has given up his life for his King and country is correct.

Pte. Everitt and Edgar Campbell and Pte. Philip Fairservice of the 209 Battalion have arrived in England safely.

Mr. Wm. Johnston and daughter Maude have returned from Campbellton.

Mr. and Mrs. D. L. Campbell and little son Lawrence have returned from Bonaventure where Mr. Campbell has been for the past summer in the employ of McLean and Edwards.

The many friends of Mr. Steele Campbell will be sorry to hear that he is in poor health but trust that he may soon recover.

Mr. John Burton who has been very ill at his home here was removed on Saturday to Chandler, where he will be with his brother, Mr. Wm. Burton. Friends in Black Cape wish him a speedy recovery.

Mr. and Mrs. Edward Hardy of up river have received word from Halifax that their son Pte. Richard Hardy of the 89th Battalion who has been dangerously ill is now recovering.

Mr. Archibald Campbell has accepted a position as clerk with the Cascapedia Mfg. and Trading Co., at Chaleurs.

Five carloads of potatoes have been shipped from here this fall, Mr. R. M. Henderson loaded four cars and Mr. George Kerr of Capin loaded one. The prices paid were from \$1.50 to \$1.40 per barrel.

We are told that one of our prosperous farmers sold potatoes this fall to the amount of over three hundred dollars.

We understand that a car of potatoes were loaded at Capin last week. The price paid was \$2.75.

Mrs. Duncan Campbell and Miss Myrtle Campbell left sometime ago for Montreal where they are visiting Mr. and Mrs. John Baker.

NEW CARLISLE

The potato fever is about over for this fall. About 25 cars have been shipped from this vicinity.

Mr. J. O. Shearer made a trip to Campbellton and Matapedia, Saturday the 18th, returning on Tuesday the 21st. Lieut. O. Shearer left by train on the 25th for Gaspe where he will engage in recruiting work for a few days.

Rev. Father Ferne was here for a few days last week, he is now making a trip down the Gaspe Coast.

The Red Cross Society has been very busy packing Christmas boxes to send to the soldiers at the front.

The Presbyterian Sunday School for the past two weeks has been quite busy collecting for the Belgian orphans, 7 collectors, that is a collector from each class, the results were that \$78.00 was collected and this amount will be sent to the Secretary Treasurer of the Montreal Committee and from there to the Brussels orphanage supported by the Presbyterian Sunday School of Canada.

Many thanks are extended to those who so heartily responded by their gifts coming from all denominations showing a good spirit in the needy and worthy cause.

Communion service was observed in the Presbyterian Church, Sabbath past, the 26th, and although the numbers present was comparatively small yet the amount of \$28.52 was the offering for the schemes of the church.

We are sorry to hear Mrs. John Grand about his usual store work after being laid up for three or four

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

LADIES'
OUTFITTERS

ANOTHER BRAVE LAD GIVES LIFE FOR HIS COUNTRY.

Mrs. James Edwards of Fleurant
Point, Bonaventure Co., P. Q., last
week received the following message
from Ottawa, informing her of the
death of her son:
Ottawa, Nov. 28th.

Mrs. James Edwards,
Fleurant Point, P. Q.
Deeply regret to inform you cable
from England states 437674 Private
John Edwards, infantry, previously re-
ported missing, now missing, believed
killed September 8th. Will send fur-
ther particulars when received.
Signed
Officer in Charge Records.

Private Edwards was 39 years of
age and since 1901 had made his home
in the west. In August 1915 he de-
cided to do his bit and gave up his
position to become a member of the
51st Battalion then being recruited in
Edmonton, Alta. The 51st passed
through Campbellton the latter part of
April enroute for overseas.
