

Watford Guide-Advocate

Volume XLVI—No. 45

WATFORD, ONT., FRIDAY, OCTOBER 29, 1920

\$2.00 PER YEAR IN ADVANCE
In United States \$2.50.

LOCAL HAPPENINGS

THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call phone 11, send by mail or drop item in GUIDE-ADVOCATE Letter Box.

Our Salts Plush Coats are beautifully lined, the newest cut, fine silky finish.—Swift's.

The Dominion Board of Commerce is no more, the three members having resigned. Requisite in pace. Please omit flowers.

The Presidential election in the United States will be held next Tuesday. The newspaper dopes generally point to a Republican landslide.

Gasoline is dangerous. It is one of the most rapidly volatilizing fluids. One pint of gasoline will impregnate 200 feet of air and make it explosive.

October 31st will be observed as Home Religion Sunday in Canadian churches as part of the continuation program of the Forward Movement.

The Labor party in Ontario has decided to make a demand upon the Legislature for eight-hour day legislation at the next session of parliament.

A Simcoe mother with four children receives \$100 a month war pension and is applying for help under the Mothers' Compensation Act. Some people are never satisfied.

"Mamma, why has papa no hair?" "Because he thinks so much, my dear." "But why have you so much?" "Because—go away and do your lessons, you naughty boy."

The weather we have enjoyed during October puts the Florida brand in the background. Flowers still bloom on the lawns and a myriad of colors are still on the trees.

"Ah, me," exclaimed a pious old lady, "our minister was a powerful preacher. For the short time he ministered the word of God among us he banged the in'ards out of five Bibles."

Construction work on the Waterworks System is being pushed forward. The excavation for the reservoir is completed, cement work under way, and some of the piping strung along the streets near the park.

We are selling a fine Coat, sizes 16 and 18 also 26 and 28, for High School Girls—the price \$22.00 to \$25.00.—Swift's.

Licenses have been issued for 153,000 motor cars in Ontario this year. Some idea of the growth in the number of autos in Ontario may be gathered from the fact that in 1903 there were but 220 motor licenses issued in the province.

Merchant tailors have been classified as manufacturers by a recent ruling of the Commissioner of Taxation at Ottawa. This means in effect that tailors are now compelled to collect a 2 per cent. sales tax, in addition to the "luxury" tax.

Of fifteen newspapers in Lambton county five years ago there are but six left. Forest is now the only town in the county with two papers. The high cost of paper and other materials, coupled with the high cost of living, has been exceptionally hard on the publishing business.

When dining at a restaurant if your check amounts to more than the price on the bill-of-fare would lead you to expect, keep your mouth shut and don't show your ignorance. It simply means that the prices have been raised between the time your order was taken and the moment your check was made out.

One day about seven weeks ago there was a great hustle putting up stoves. The next day the weather turned warm and the stoves so far have not been needed, either at early morn or late evening. If Kipling had spent this October in Ontario the "Lady of the Snows" would not likely have been written. The temperature has ranged between 45 and 79 during the entire month.

An exchange says:—A late fall and mild weather is predicted by numbers of amateur observers of celestial phenomena that have never yet made a mistake in their calculations. They assert, almost to a man, that the fall and winter season of 1920-21 will be one of the mildest ever recorded. Incidentally, weather observers state the coming mild weather will put a severe dent in the price of coal.

At a meeting of the Methodist church board in Toronto it was decided that an increase of twenty per cent. will be made in the annuities of the superannuated ministers of the Methodist church. The increase is from \$15 for each year of service to \$18. A superannuated minister having served 40 years will now receive an annual allowance of \$720. A Methodist minister's widow will receive two-thirds of that amount.

You can buy a fine warm Coats for girls 10 to 14 at Swift's, navy, brown and green, price \$10.00 to \$15.00.

Read the Guide-Advocate "Wants."

Service will be held in the Watford Baptist church at 11 a.m. Sunday, October 31st, instead of in the evening.

Watford Dancing Academy will meet every Thursday evening instead of Wednesday. Lyceum Hall, at 8 o'clock. 029-4

The prize list of the Brooke and Alvinston fair will be found on pages 2, 5, and 6 of this issue, also the list of prizewinners at the school fair held in connection.

The tax collector, S. W. Louks, will be at home after two o'clock in the afternoon to receive taxes. Call and get your receipt. There are heavy demands to meet and the town needs the money.

Returns in the referendum in Nova Scotia, Manitoba, Alberta and Saskatchewan held Monday, show that the people of those provinces decided to ban the importation of intoxicating liquors. B.C. voted last week for government control of liquor.

Second crop berries are plentiful this season in this district, some people gathering enough for table use. Mrs. A. D. Hone, St. Clair st., has some raspberries dead ripe and of fine flavor, the leaves on the bushes being as green as in the springtime.

The sisters of the L.O.B.A. and the brethren of L.O.L. 505 will hold a social evening in the Orange Hall, Watford, on Friday, November 5th, at 8 o'clock. Good program. Admission 25c. Come.

The next regular meeting of Tecumseh Chapter I.O.O.F. is to be held at the residence of Mrs. Tyne next Tuesday afternoon, Nov. 2nd, at the usual time. Every member is kindly requested to be present. Quotations on Hallowe'en.

On Friday afternoon last, at the public school, the prizes won by the children competing at the recent school fair held under the auspices of the Women's Institute were paid to the winners. Six of the ladies of the Institute were present for the distribution, also the local Presbyterian, Methodist and Cong'l ministers. The amount of prize money paid totalled \$62.30.

At the last meeting of Presbyterian General Assembly it was recommended that a "Woman's Sunday" be held in each congregation annually. Accordingly, on Sunday, October 31st, Mrs. Stirrett, of Petrolia, President of Sarnia Presbyterian, will give an address in the Presbyterian church building, at the morning service. Her subject will be "The Workers of the W. M. S. of the Presbyterian Church." The annual thankoffering will be received at that service. All will be welcome.

A Western paper asks: "What has become of the old-fashioned church supper, where some folks got away with a dollar's worth of food for twenty-five cents and at the same time felt serene in the belief that they were a great help to the Lord?" The answer of the Owen Sound Advertiser is: "Just a question of comparative values. Now they eat two dollars' worth for fifty cents. And feel, of course, that they're helping just twice as much."

The Act respecting dog tax and sheep protection which comes into effect on April 1st next, makes it compulsory for all owners of dogs to procure numbered tags, to be supplied by the council, and for killing dogs without tags. The minimum penalty for not procuring a tag is \$10. County councils are authorized to pass bylaws requiring all dog tax and license fees collected after 1920 to be paid to the county treasurer and form a sheep protection fund, all claims to be paid by the county, for which purpose valuers are to be appointed. Sheep are certainly of more value to any community than dogs and should be protected.

The credit of naming the city of Sarnia is given to Sir John Colborne, first Baron Seaton, who was appointed governor of Upper Canada in 1828. In 1821 Colborne was appointed governor of Guernsey, one of the Channel Islands, the Roman name of which was Sarnia. The same year what are now the townships of Moore and Sarnia were named by Sir John Colborne "Sarnia" from the Roman name of Guernsey and "Moore" after his lamented chief, Sir John Moore. At a meeting of the residents held January 4th, 1836, Capt. R. E. Vidal, R.N., in the chair, the name of "Port Sarnia" was formally adopted. There were then 44 inhabitants. They were divided in opinion. Some favored "Buenos Aires" and others "New Glasgow" when Sir John Colborne suggested "Port Sarnia." Prior to that time what is now the city of Sarnia was known as "The Rapids."

LAING—CLOTHIER

A very pretty wedding took place at the Brooke Parsonage, on Wednesday, October 27th, when Miss Ella Mae Morley Laing, the happy couple left on the evening train for Detroit. The ceremony was performed by Rev. T. A. Steadman.

PERSONAL

Basil Richardson was in Sarnia this week serving on the jury.

Miss Saunders of Shiloh, O., is visiting relatives here at present. Miss Evelyn Dadds, London, spent the week end at her home here.

Mrs. Keller and Mrs. Shirley Fletcher, Sarnia, were in town over Sunday.

W. D. Lamb, Sarnia, spent a few days in town with old friends this week.

Mr. and Mrs. Robert Taylor are visiting friends in Forest and vicinity this week.

Miss Minnie Dobbly, London, spent the Thanksgiving week end with Miss Louise Dodds.

Claude Newell and Glen Nichol are on their way to Australia, the first lap of a trip around the world.

Mr. and Mrs. George Dennis and two daughters, Guelph, spent the week end with Mr. and Mrs. W. H. Harper.

Mr. C. F. Abbott and daughter, Lillian, St. Charles, Ill., are visiting at C. Howden's. They will spend the winter in town.

Mrs. F. O. McIlveen was here this week looking after the removal of her household goods to her new home in Arnprior, where Mr. McIlveen has been appointed local manager of the Merchants Bank.

Miss E. A. Cosens, who has spent the past few months visiting her sister, Mrs. A. C. Tiffin, left last week for her home in Durham. She and her father, Mr. Chas. Cosens, purpose going to Ottawa in a few weeks to spend the winter with Mr. Cosens's son, Rev. T. W. Cosens.

WARWICK

When you buy Salts Plush Coat you get the best, size 36 to 46 at Swift's.

Mr. C. R. Williams, Main Road, returned home Saturday after spending a couple of weeks with his daughter, Mrs. Jas. H. Smith, London.

Mr. and Mrs. John Poole and her brother, Stephen Lester, all of Forest River, N. D., arrived here this week, on a visit to their brothers, Geo. Lester, Bosanquet, and Wm. Lester, Warwick, and other relatives and friends.

Mrs. Stirrett of Petrolia, president of Sarnia Presbyterian of the W. M. S., will give an address at Knox Church, Warwick, on Sabbath, Oct. 31st, at 2.30 p.m. Her subject will be "The Work of the W. M. S. of the Presbyterian Church." All are invited.

Anniversary services were held in the Calvary Baptist church on Sunday, Oct. 17th. These services were attended by large crowds. Rev. J. G. Brown, D. D. of Toronto, preached the anniversary sermons. The thankoffering taken at these services amounted to seven hundred and fifty dollars.

The Zion Methodist church recently, at considerable expense, redecorated their auditorium and have set aside next Sunday as the day of their anniversary. Rev. C. J. Moorehouse of Kew-wood is the preacher for the occasion. He will preach at 2.30 p.m. and 7 p.m. The recently organized choir under the leadership of Mr. Gerald Robertson will supply the music for the occasion. Come and enjoy these services.

Mrs. George Graham and son, Glen, moved to Watford on Friday last, where they will reside in future. On the eve of their departure about seventy of their friends and neighbors gathered at their home, on the 4th con. N.E.R., to spend a social hour with them and to wish them prosperity and happiness. Mr. John F. Smith, on behalf of the Bible Class of Bethel church, presented Glen with an address, set of brushes and pair of cuff links.

Last Sunday afternoon at an appropriate period in the service of the Zion Methodist church, Miss Florence Edwards, president of the Epworth League, came forward and on behalf of that society presented the church with a beautiful leather-bound Pulpit Bible. The pastor, Rev. A. C. Tiffin, received the gift on behalf of the officials and the congregation and in a few words returned thanks and made suitable reply to the appropriate remarks accompanying the presentation.

The Warwick Branch of the Women's Institute held their regular meeting in the Town Hall on October 14th, at 2.30 p.m., with an attendance of 15. The meeting opened with the "Maple Leaf" and the "Lord's Prayer." After the general business had been dispensed with Mrs. F. Auld gave a reading "Greetings to the I.O.O.F.," which was very interesting and Miss Annie Barnes gave a reading on "Thanksgiving" which was much enjoyed by all. The meeting closed with the National Anthem. Next meeting will be held in the Town Hall on Thursday evening, November 11th, at 8 p.m., when the young ladies will take charge of the program.

The sacrament of the Lord's Supper will be observed at Zion Cong'l church on Sunday, and a special fellowship offering will be taken on behalf of the missionaries in distress. The pastor, Rev. T. D. Rayner, will preach on "The Divine Forgiveness."

The Strathroy Furniture Co. will erect a saw mill on their property.

HALLOWE'EN DANCE

On Monday evening, November 1, there will be a masked dance in the Armory under the auspices of Lambton's 149 Chapter, I. O. O. E. The Alexandria orchestra, of Sarnia, will supply the music. Mr. Dalziel, the leader, needs no introduction to the people of Watford, as he had charge of the music at the opening of the armory. Costumes optional. Tickets \$1.50 a couple.

BROOKE

Mr. Hugh McLachlin attended the funeral of his cousin, Mrs. (Capt.) Geo. McCallum at Detroit last week.

The fowl supper given by the ladies of St. James' church in the church shed on Friday evening was a big success, socially and financially. A very large crowd swelled the receipts to \$275.00. The program was an excellent one, all the advertised talent, with one exception, being on hand to entertain. All present praise the excellent spread of viands and the quality of the intellectual feast.

Miss Florence Bowie, aged 17, daughter of Mr. John Bowie, 6th con., was killed about 4.30 on Tuesday when an auto she was driving was struck by a Grand Trunk eastbound train at the level crossing on the 7th concession near Alvinston. Her skull was fractured and death was instantaneous. Miss Bowie was motoring home from town and had picked up two school children, Oliver and Ann Wallis, neighbors of hers, who were also returning home from Alvinston. Both the children were injured but not seriously, the girl receiving nasty cuts on head and limbs. The train was in charge of Conductor Blackstone. Dr. Martyn, coroner, has ordered an inquest to be held.

D.D.G.M. PAYS OFFICIAL VISIT

Rt. Wor. Bro. Wm. H. Hunt, of Victoria Lodge, Sarnia, D. D. G. M. St. Clair District No. 2, A.F. & A.M., paid his official visit to Havelock Lodge, Watford, on Tuesday evening last. Seventy-five brethren assembled in the lodge room, including visitors from Alvinston, Arkona, Petrolia, Strathroy, Wyoming, Napier and Sarnia. A candidate received his third degree, the work being correctly and most impressively exemplified by Wor. Bro. Rich. Williamson, Master of the lodge, and his officers. After the labors of the evening were ended the brethren partook of a tasty and satisfying lunch served under the supervision of the Junior Warden and catered by Bro. Ben Cowan. A short toast list was then given presided over by Wor. Bro. Williamson and a most pleasant hour and a half spent in speech-making.

LAMBTON COUNTY FLOWING MATCH

Inwood, October 26.—James Smillie, of Inwood, was awarded first place for plowing in stubble at the matches held on McCabe Brothers' farm today by the Lambton County branch of the Ontario Plowmen's Association. He also took three special prizes. Results in the various classes follow:

Class 1, plowing in sod — J. H. Johnston, James Clark, J. Welch.

Class 2, stubble — James Smillie, C. Woods.

Class 4, stubble — Plowmen under 12 — D. Gibbs.

Class 8, sod, for tractors — R. J. Gardner, S. Capes, W. Bridges.

Class 9, stubble tractors — A. Dowling, J. R. McVicar, G. Risk.

Specials in the team classes resulted as below:

Best crown in sod — J. Welch, of Forest; best finish in sod, J. Welch; best team and equipment, C. Woods; best crown in stubble, best finish in stubble, and best plowed land, J. Smillie.

Judges — John McCormick, Warwick; John Dodge, Euphemia; John Thomas, Watford.

LAMBTON COUNTY CORN TO IMPROVE GRADE OF CORN NOW GROWING IN NEW MEXICO

Petrolia, October 23.—The box of corn shipped by W. P. Macdonald, Secretary of the Lambton County Corn Growers' Association, to the Corn Show open to the world, held at Albuquerque, New Mexico, was delayed in transit. The corn arrived shortly after the judging was completed.

H. B. Watkins, Secretary of the Albuquerque Chamber of Commerce, has written Mr. Macdonald asking that he be allowed "to retain the corn and distribute it to their fellow farmers in order to improve the grade of corn that they are now growing."

The Albuquerque Herald, commenting on this shipment of corn, states:—"A fine exhibit of Canadian corn sent by W. P. Macdonald, of Petrolia, Ontario, was declared by the judges to be the best general exhibit, but it arrived on the third day of the Festival."

CHOP STUFF

John Berdan, a veteran citizen of Strathroy, died while dressing one morning recently.

Burial plots in the Hilldale cemetery, Petrolia, now sell at \$50 instead of \$25. A lot may be perpetually maintained by the owner paying an additional \$50.

Seven year old Freda Coudon, of Strathroy, lost the sight of one eye while playing with her brother, who threw a stick with a nail in it, the nail piercing the eye.

The new nurses' home at Petrolia was opened with due ceremony on Friday. The building, with furnishings, is the gift of Mr. J. L. Englehart, founder of the hospital.

Wm. Bright, 8th con., Bosanquet, while working on the roof of James Culley's residence, same concession, last Wednesday, slipped and fell to the ground. He was badly shaken up but no bones were broken.

Two Watford men have invented a luminous auto license plate that can be readily read on the darkest night at a distance of 200 feet, that will assist in preventing speeding and theft.

It now costs \$8 to get into the United States and \$10 to get out. The theory over there appears to be that a man will be willing to pay more to get out of the country than to get into it.

The St. Marys Argus has been purchased by the Journal of that town and ceased publication this week. Thus St. Marys is added to the one paper towns. The Argus has been published 60 years.

Hamilton Herald.—A member of the Calgary Trades and Labor Council wisely says that education should be a fifty-fifty affair—half in the school and half in the home. In too many homes, however, the proportion contributed is somewhat less than the proportion of alcoholic content in the near-beer of commerce.

A clergyman in Toronto lost his hat one evening recently and was obliged to wear home a shabbier one which had been left in its place. Next day the hat was returned by the penitent appropriator, who thus apologized: "I'll never take a minister's hat again. You cannot think what queer things I've had running through my head ever since I put on that hat."

Wilfred, the 10 year old son of Mr. and Mrs. Fred Slaughter, Bosanquet, had a leg broken in a very strange way the other day. He was in the mow assisting his father to unload clover, when the trip rope failed to work properly and the lad was struck and knocked over by a bunch of hay. In some way one leg was broken above the knee. He is progressing favorably.

Lilly May Cope, aged 5, and her brother, Albert, aged 9, children of Henry Cope, Petrolia, were badly scalded on Saturday night. They were sitting near the stove on which was a pot of boiling water, while their mother was hanging out some clothes. In an effort to take off the pot they upset it. The little girl was so badly scalded that she was taken to the hospital. The boy fared better his burns not being of such a serious nature.

Mr. Wm. Stevens, proprietor of the C. P. R. stables, Strathroy, takes much pride in his drivers. He has one pony whose only weakness is the love of tobacco. If a stranger shows any affection for her by patting or petting and he attempts to leave the stall without treating her to a chew, she at once resents the oversight, and he finds it utterly impossible to escape her heels, unless he produces the tobacco, or someone comes to his rescue.

A large McLaughlin touring car owned and driven by Mr. Fred Lampman, 2nd line of Plympton, was badly wrecked and its occupants all more or less injured when it turned turtle on the 2nd line on Monday. In the car at the time were Mr. Lampman, his son and two daughters, Mrs. Wm. Lampman, daughter-in-law, Miss Myrtle Wark and Mr. Fred Stacey. It was at first feared that Mr. Lampman's daughters had been fatally injured, but fortunately the doctor has pronounced them to be out of danger. No one appears to know what caused the accident.

A single issue of a certain popular journal in the United States would supply enough paper for all the books bought by all the United States public libraries in a year two or three times over. Three periodicals combined use enough paper in the course of a twelve-month to Kindle the earth with a page-wide strip 148 times, while the ink used amounts to 3,600,000 barrels. The quantity of string used annually in tying up parcels for delivery is estimated to reach 13,000 miles. In view of these figures, it is scarcely surprising that a paper merchant should declare that America is using more newsprint than her mills can produce, and that prices are still rising.

PRIZEWINNERS AT BROOKE AND ALVINSTON SCHOOLS EXHIBIT

Held in Conjunction With the Brooke and Alvinston Fall Fair October 12-13, 1920. The following is a list of the first ten prize winners in each class. In every class a prize of 10c was awarded to each child making an exhibit.

Lenora McCoubrey. Essay on "Preparation and Care of a Flower Garden"—Irene Downing, Bessie Munro, Jean McIntyre, Bessie Campbell, Jean Downie, Irene Campbell, Nettie Alderman, Ruby Ward, Ruth Cooper. Essay on "Fitting and Training of Colt for School Fair"—Kenneth Campbell, Orville Shugg, Archie McPhail, Cecil Robinson, Richard Mills, Norman Alderman, James B. Gray, D. A. Sutherland, John Lucas, William Alderman.

Annett. Best animal in class—Harvey Werden. Specials. By S. J. Lucas—Alex. R. McLachlan, Merchants Bank—L. Matthews & Son. Molsons Bank—Angus McLachlan. R. A. Germain—Daniel McIntyre. Syndicates—Daniel McIntyre. H. A. Gilroy—D. B. Ferguson. M. E. Muma—Walter Brown. Mark Burford—John A. McAlpine. Wm. Benstead—Lewiston Pride. Angus Graham. Wm. Benstead—Dunure David, Alex. R. McLachlan. F. Slaght—2 year old colt—W. E. Werden. F. Slaght—Brood mare—D. B. Ferguson, Angus McLachlan. Royal Bank—J. F. Moore. J. Bishop—Walter Brown, Johnston & Atkin—John Cann. J. P. McVicar—D. B. Ferguson. Henry Johnston—Walter Brown. Dr. Bannister—Walter Brown. Albert Bass—Foil sired by General Joffre—Walter Brown, Wilfred McCabe.

OF INTEREST TO WOMEN

This is a Short Letter, But It Proves the Reliability of Lydia E. Pinkham's Vegetable Compound.

Bothwell, Ont.—"I was weak and run down, had no appetite and was nervous. Thenceforth you took care of me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial."—Mrs. W. J. Brady, R. R. 2, Bothwell, Ont.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old-fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read, and answered by women only.

Hen, Wm. Gould. Any other variety—Cock, A. E. Doan, Hen, A. E. Doan 1 and 2, Cockerel, A. E. Doan 1 and 2, Pullet, A. E. Doan 1 and 2. R. I. Red, rose comb—Cock, Wm. Gould, Hen, Wm. Gould. Single comb—Cock, Wm. Gould, Hen, A. E. Doan, Wm. Gould. Leghorn—A. E. Doan swept entire class, taking 24 prizes.

Polands, whitecrested, black-cock, A. E. Doan, Pullet, A. E. Doan. Bearded Cock, A. E. Doan. Unbearded Hen, A. E. Doan. Pullet, Frank Dymond. Games, black or brown red—Hen, A. E. Doan. Cornish—Cock, Willie Kenny, A. E. Doan. Hen, Willie Kenny, A. E. Doan. Cockerel, Willie Kenny. Pullet, Willie Kenny.

"Household Effects \$500.00"

A True Story
 By R. L. Wood

RECENTLY a farmer died, leaving an estate valued at \$25,000. Of that sum, \$500 represented "household effects."

Before his death he frequently deplored the fact that his grown-up children had left home and gone to the city. His disappointment was not that he had lost money by their desertion, which had compelled him to leave part of his farm unworked for want of help. He was an affectionate father, who liked to have his children near him. He could not understand why they should want to drift away one by one.

Strangers may have wondered also until they read that item in the inventory of the estate—"Household effects, \$500."

Waiting for Better Days

For a generation that family had lived in a house with an irreducible minimum of furniture. When as a young fellow the farmer had taken his blushing bride home, he did not have a great deal of money to put into furniture. Both were content to wait for better days. But when better days came, and there was a modest sum available, it was spent on better accommodations and furnishings for the live stock. That was fine. That was humane. It was also good business.

One of the Best in Several Counties

In time the farm came to be one of the best equipped in several counties. The machinery was of the very latest and best description. The

live stock were glad and content to stay on the farm. But the young folks were not content to stay.

There were four sons and two daughters. A piece of furniture had been added to the house from time to time, generally the second-hand furniture store supplied the need. For years the family managed with just as little and as their furniture as could be made by their own hands. The stable and barn were comfortable, but inside the old farmhouse there was neither comfort nor beauty.

\$6,000 at 6 Per Cent

An item in the inventory showed \$6,000 invested in securities paying 6 per cent. Part of that money invested in comfortable, artistic furniture would have transformed the farm into a real home and would have made the farmer infinitely better, both in cash and moral dividends.

The house furnished with suitable and moderately priced furniture, instead of its scattering of cheap odds and ends, would have attracted the children. Children naturally crave for its presence, and their natures might have been inclined to remain on the farm and the mother might not have been left alone to carry on the dairying and other duties.

A Hard Chest Against the Wall

Bare walls and scantily covered floors, a hard chest against the wall in lieu of a couch, offer feeble counter-attractions to the lure of the city.

The children who deserted the farm probably did not blame the lack of home comforts for their desertion. They were not jealous of the cows and horses because of their more comfortable quarters. They carried away with them many happy memories of the old homestead.

But they want, and can you wonder when you read that illuminating item? —"Household effects, \$500."

"Better Furnished Homes Mean Greater Happiness"

Beautiful furniture transforms an ordinary, uninteresting house into a real home, in which it is a pleasure to live.

It brings an atmosphere of cheerfulness and brightness into every room. It delights the eye. It gives rest and comfort to the body. It brings contentment to the mind. It gladdens the heart. It makes home life more attractive. It makes people take more pride in their homes.

Nothing that you can buy will give your family more years of happiness and solid satisfaction than modern furniture.

And beautiful, well-made, Canadian furniture is obtainable in moderately priced sets and individual pieces, as well as in the more elaborate and expensive suites.

THE HOME FURNISHINGS BUREAU

Bank of Hamilton Bldg., Toronto, Canada

Note—The Home Furnishings Bureau does not sell furniture or goods of any kind. Its object is to promote a greater interest in the furnishing of Canadian homes. Your local dealer will be pleased to give you any information you desire about suitable furniture for your home.

Guide-Advocate

FRIDAY, OCTOBER 29, 1920.

THE COUNTRY WEEKLY

The Financial Post some weeks ago had a good word to say for the country weekly paper:

"A rural weekly and small city daily is more of a public institution than a money making enterprise. There are few editors of rural and smaller daily papers who are not underpaid, self-sacrificing public servants. They give more than they get from their communities. Another phase of good work these local papers do is to keep those who go out into the world, to the big centres and to foreign parts, in touch with their old homes. This is really a great national service, a good investment for the country. There are few men and women who do not hope to go back to and do something for the old home. If the world treats them well they want to share the good things with the schools, churches and institutions in their old homes. Many of them do. These generous thoughts can be best retained by keeping them constantly in touch with the doings at home. There is only one way—the local newspaper. No matter how busy we are we take time to read that."

THE LATE ISAAC NEWELL

One more of the old settlers of the S.E.R., Warwick, has passed away, in the person of Isaac Newell, in his 84th year. He was born on the 9th concession of Malahide township on June 26th, 1837, and in the year 1850 came with his parents to Warwick township, where he spent the rest of his days. He was a Fenian Raid veteran, a Conservative in politics and an Anglican in religion. He was made an Orangeman in 1855 and at the time of his death was an honorary member of the Order. In 1861 he was married to Nancy Leacock, of Brooke. Besides his wife who survives are two sons and five daughters—John T., farmer, in Alberta; Isaac H., blacksmith, Watford; Mrs. Warren A. Woolley, Strathroy; Nancy J., registered nurse, Toledo, O.; Emma F., of London; L. Ethel, of Strathroy, and M. Victoria, at home. Two sisters also survive, Miss Margaret Newell of Warwick and Mrs. Hastings of Windsor.

The funeral took place on Wednesday, October 28th, from the family residence, lot 22, cor. 6, to St. James' church cemetery, the Rev. S. P. Irwin conducting the service. The pall bearers were Isaac and Thos. Foster, Isaac Kadey, Isaac Hastings, Thos. Newell and S. McLellan.

BABY'S OWN TABLETS ALWAYS IN THE HOME

Once a mother has used Baby's Own Tablets for her little ones she always keeps a supply on hand, for the first trial convinces her there is nothing to equal them in keeping children well. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion, colds and simple fevers, and making teething easier. Concerning them, Mrs. Saluste Peltier, St. Dumas, Que., writes—"I have used Baby's Own Tablets for the past ten years and am never without them in the house. They have always given the greatest satisfaction and I can gladly recommend them to all mothers of little ones." The Tablets are sold by medicine dealers or direct by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Wedding Announcements and Invitations of the finest quality at The Guide-Advocate.

PETTYPIECE—HARPER

Victor A. Pettypiece, younger son of Mr. and Mrs. H. J. Pettypiece, of Forest, and Miss Leila Ruth Harper, younger daughter of Mr. and Mrs. Samuel Harper, of Forest, were quietly married Friday morning at Corunna, by Rev. Fr. J. G. Labelle. The young couple left immediately for a short stay in Toronto, the bride wearing a brown broadcloth suit with Hudson seal trimmings. On their return they will reside in Forest.

BORN

In Warwick, on Sunday, October 17, 1920, to Mr. and Mrs. Wm. Brandon, a son. In Brooke, on Sunday, October 17, 1920, to Mr. and Mrs. Silas Werden, a daughter. In Adelaide, on October 19, 1920, to Mr. and Mrs. George Hawken, a son, Gordon Frederick. In Bosanquet, on Saturday, October 16, 1920, to Mr. and Mrs. Jas. H. Campbell, (4th con.) a son.

DIED

In Strathroy, on Saturday evening, Oct. 16, 1920, Thomas Petch, in his 75th year.

CHOP STUFF

The gate receipts at the B.A. fair amounted to \$1150.

Crude oil for furnaces will likely be tried out in Glencoe the coming winter.

Thos. Petch, who was injured by a steer at Strathroy, died in the hospital a few days later.

Mrs. Wm. Cross, of Strathroy, was found dead in bed. Her husband died two months ago.

David Wagstaff, of Caradoc, died of blood poisoning ten days after he ran a silver into his finger.

Alex. Curry, of Sarnia, is in a serious condition the result of being struck by a train at a crossing at Point Edward.

R. J. White, a Moore tp. farmer, will be the U.F.O.—I.L.P. candidate for West Lambton at the next Dominion election.

Miss Minnie Brown, of St. Marys, raised a cucumber this season that weighed 4 lbs. and 1 oz. and measured 30 1/2 by 13 inches.

The onion crop in the Leamington district is so large this year that prices have dropped from \$2.50 to \$1.50 per bag.

Thomas George Code, of Cobalt, son of R. Code of Alvinston, was married on September 22 to Miss Ruth Catherine Bachelor, of Newark, N. J.

Terrence MacSwiney, Lord Mayor of Cork, died on Monday in Brixton prison on the 74th day of his hunger strike.

Our Wheat Fields.

At no time in the history of Canada has her wheat fields meant so much to the world as now. Canada produces wheat of the finest grades and in such large quantities as to place in account of the work that has been done is contained in the May number of the Agricultural Gazette, the official organ of the Department of Agriculture at Ottawa. It is there shown that the most widely grown varieties were developed by Canadian scientists. Preston, Stanley, Huron, Bishop, O.A.C. No. 104, Marquis, Ruby, and Prelude have each their valuable factors. The history and characteristics of each are given. The Seed Branch and the Department assist the Canadian Seed Growers' Association in extending the growth of pedigree varieties. The Seed Branch itself encourages seed crop competitions and seed fairs, tests seeds for farmers and merchants, inspects seeds on sale, and has, through the Canadian Seed Purchasing Commission, ensured supplies of dependable seed wheat during recent years.

Monument to Men's Folly.

"The run of sockeye salmon in the Fraser river, once the greatest salmon river in the world, no longer can be called great," declared J. T. Babcock, Assistant Commissioner of Fisheries for British Columbia, in addressing the Canadian Fisheries Convention in Vancouver. "The Fraser is fished out," he said, "and this condition is a monumental record of man's folly and greed." The only redeeming feature is that it is not too late to take steps to restore the Fraser to its former greatness, he added.

Canada's Greatest Dam.

The greatest dam in Canada has recently been finished, impounding the waters of the Jordan river, near Vancouver. It is of concrete construction, nearly 900 feet long, and the total height measuring from the breast to the bottom of the buttress foundations is 126 feet.

If one be troubled with corns he will find in Holloway's Corn Remover an application that will entirely relieve suffering.

Turnbull's Underwear for Ladies and Children—the best make—for sale by Brown Bros.

Mrs. McPherson, London, is the guest of her cousins, Mrs. Fred Jackson and Mrs. Robt. Crawford.

A number of ladies from here attended the Women's Institute Convention held in London this week.

Rev. Ratcliffe spent Sunday in Wyoming, occupying the pulpit of the Presbyterian church there.

The Masonic Lodge enjoyed the visit of D. D. G. M. Hunt of St. Clair district, Sarnia, last Thursday evening.

A large stock of Butterick Patterns on hand. These patterns are advance styles and true to size.—Fuller Bros.

Mrs. A. A. Barnes and Mr. Earl Stoner attended the anniversary services held in Calvary Baptist church on Sunday, Oct. 17.

The town council appointed the following as the public library board: Revs. C. L. L. Couzens, F. Ratcliffe, and F. Eastman.

Mr. and Mrs. Rae Eastman and two children of Innerkip are spending a couple of weeks visiting relatives in and around the Ark.

Mr. and Mrs. Garnet George and two daughters, and Mr. and Mrs. Broughton, London, visited relatives in town over Sunday.

Mrs. A. Smith and daughter Barbara, Mrs. R. Smith and Mr. A. Dawson, of Wyoming called on Arkona friends on Friday.

Always the same rich, full-flavored tea.
Sold only in the sealed air-tight Red Rose Carton.

ANNOUNCEMENT

The 2nd Fall Term at the Sarnia
Business College begins
MONDAY, NOVEMBER 1st
and following days of the same week

There are ten reasons why young people receive a superior training at this school. Write for them.
We excel in placing graduates in lucrative positions.
Young man or young woman. You need a business training. Commence next week at the

Sarnia Business College

A special club rate on the Delineator Magazine is being given for a short time. This is one of the best magazines on the market. Illustrating Butterick Fashions.—Fuller Bros.

Mr. Will George was in London over Sunday and was met there by Mrs. George's son, Harold, who has been away on a two week's visit with friends in Thorndale, London and Delaware.

Mrs. Griffin, Mrs. Gage and Mr. Fred Donaldson, of Crosswell, Mich., were the guests of Mr. and Mrs. Geo. Donaldson on Saturday. On their return home they were accompanied by Miss Margaret Donaldson.

The Rev. Hilyard Jones, of Wheatley, has received a call to the Arkona Baptist church at a salary of \$1500 a year and parsonage, which he has accepted. He will commence his ministrations on Sunday, Nov. 7th.

Mr. and Mrs. T. Pressy, Miss Shirley Pressy and Miss Joyce Fuller attended the Nurses' Graduation Exercises in Sarnia on Tuesday, October 19th, the guests of Miss Lydia Pressy, who graduated that day as trained nurse.

A large number of young people from the Baptist Church attended the B. Y. P. U. Rally which was held at Strathroy on Thanksgiving Day. Three of the members of the Arkona society, Mrs. Ed. Dickison, Miss Grace McLeish and Mr. Basil Hobbs took part in a debate against representatives from the Wortley Road Church, London, the Arkona B.Y.P.U., won in the debate.

BROOKE FARMER MISSING

Alvinston, Oct. 25.—Anxiety continues to grow in the minds of the friends of A. Shortt, farmer of Brooke Township, who has been missing from his home since Friday morning, as another day wanes without news of his whereabouts being secured.

During the pay a rumor was current here that Shortt had been seen working on a farm at Shetland, but this report was later contradicted, and fears that he has committed suicide continue to grow. Mr. Shortt has been in poor health lately never having properly recovered from an attack of influenza which he suffered from last year, and his friends fear that in a temporary fit of depression he has done away with himself.

The investigation of a story told by a small boy that he had seen Mr. Shortt going towards the river, led to the river being dragged, but without results.

It is known that the missing man had for some time thought of going to Texas for the winter, and in the minds of his friends there is still the hope that news may yet reach them that he has gone south.

Later—Shortt was discovered Monday working for a Euphemia farmer. He was committed to the Hospital for the Insane at London.

KERWOOD

Mrs. (Dr.) Preston is visiting her son George in Detroit.

Mr. Quince Cook is now on the Royal Bank Staff, Strathroy.

Dr. Graham, of Washington, visited his sister, Mrs. Chas. Foster.

Mr. and Mrs. J. J. Earley are visiting their daughter, Mrs. E. Payne of Chicago.

Miss Hattie Rogers and Miss Dobson of Toronto spent a few days here recently.

Several ladies from Kerwood and vicinity are attending the Women's Institute Convention, London.

The Ladies' Aid will hold their next meeting at the home of Mrs. Monicom on

Wednesday, Nov. 3rd, A good attendance is requested as there is much sewing to be done.

The Women's Institute held a very successful meeting at the home of Mrs. Frank Hull. The spacious rooms being well filled with members and guests. D. C. Ross, M. P., gave a very instructive and pleasing address on the laws concerning women and children, the ladies are very grateful to him for his valuable information. Miss Morton, superintendent of the Strathroy hospital, gave an address on hospital work and its many needs. Miss Currie, teacher of the Kerwood school, gave an excellent paper on "The Little Things of Life". Several fine selections were given on the victrola, afterwards a dainty lunch was served. The next meeting will be held at the home of Mrs. E. Callaghan.

Just push
back the rugs
and start the
Victrola

Then—"On with the dance!" That's how easy it is to "put life into the evening" when you have a Victrola. And good dance music is only one of the endless joys it brings.

Have you a Victrola? You can have—on the easiest of terms.

sufferings of millions who are stricken by famine and disease. Part of the fund will be used for purchasing in Canada suitable supplies and thus the Red Cross will furnish the bridge across which some of our surplus milk will reach the enfeebled children in war-stricken areas. Those who assist will not only have the satisfaction of having contributed to relieve the sufferings of others less fortunate but by helping others will thereby indirectly help themselves.

FROM GENEVA.

Organizer for League of Red Cross Societies Tells of Need of Europe's Orphans.

"While we at home are intent on industrial expansion and a place in the sun, Europe in its war-weakened condition is fighting for its very existence," said Donald W. Brown, director of the department of organization in the League of Red Cross Societies of the World, which has its headquarters at Geneva, Switzerland. He visited Toronto to learn the peace program of the Canadian Red Cross Society and to establish closer contact between it and the league.

Millions of War Orphans.

Having just arrived from Europe, Mr. Brown was able to give the Canadian Red Cross some first hand information concerning the people of Europe. He called attention particularly to the condition of the children, so many of whom are now orphans. While the exact number who have lost one or both parents during the war cannot be determined, the most conservative estimate places the number at over ten millions. This number seems quite consistent with the heavy war casualties among so many nations.

Dependent Upon Charity.

The condition of these children is in most cases very pitiable. Many of them have no homes and they are dependent upon whoever may be charitable and kind enough to help them. But there are few who are able to give such help for the mass of the people of Russia, Poland, parts of Roumania, Czech-Slovakia and other countries are so poor that they have not resources for themselves. Consequently in the great area between the Baltic, the Black and the Adriatic Seas, there are millions of children who face the next few years, and particularly the coming winter, without hope of proper care unless outside assistance is given them.

Disease Prevalent.

In addition to the unhappy condition of the children the adult population are in the direst of misery on account of disease. Suffering has been accentuated by lack of food and clothing, nursing and medical attention, and tuberculosis, smallpox, typhus and dysentery are continuing unchecked.

Typhus which has so often proved a scourge and menace to the human race is again prevalent, and unchecked will most likely extend its ravages to an alarming degree.

British Empire Appeal.

For these urgent reasons, Mr. Brown said, the League of Red Cross Societies has made an earnest appeal to the people of the British Empire and he was glad to hear that the cause of the suffering children was being taken up in Canada. He had learned that an appeal on behalf of the British Empire Fund would be made in Canada by the Canadian Red Cross during Armistice week and wished for it every success.

Typhus in Canada.

In its earlier days Canada suffered from the ravages of a disease then known as "spotted fever" but now known generally by the name of typhus. It is a disease that spreads rapidly and is very destructive of human life. In the years 1846-47 it was brought to Canada by immigrants and caused great loss of life. It is only by taking urgent measures to stamp it out in the centres where it is now raging that it can be prevented from extending.

From Cherry Blossom Land

The Japanese Give Good Example

It is a proverb of Cherry Blossom Land that beauty of face and figure depend on womanly health.
 What is it that makes our Canadian women often pale, sallow-faced, with dark circles under the eyes, and very old for their age? Women suffer in girlhood from backache, spine-ache and headaches, followed by irregularities and as a result disease of the womanly organs are more common than any one but a physician in active practice could suppose.

ONTARIO WOMEN TESTIFY
 Chatham, Ont.—"Dr. Pierce's medicines have been used in my family at home (especially by my father and mother) ever since I can remember. They always proved very satisfactory. Through overwork I at one time became all run-down in health, was on the verge of a complete nervous breakdown. I went on ailing for about two years, during which time I suffered terribly. I took Dr. Pierce's Favorite Prescription and it soon built me up in good health and cured me of the nervous condition. I consider it an excellent medicine for the ailments of women."—MRS. CHAS. TITUS, Jr., 28 Duke St.

Just in Time To Save Lives

THE visitor was ushered into the little living-room. Through a back window one glimpsed three children busy over mud pies. The last time the visitor had seen the young mother and her husband had been at the Muskoka Free Hospital for Consumptives. Some months previous to that both had developed tuberculosis. Future health—life, indeed—depended on prompt measures. Yet, if the husband stopped earning, how could they live. Their despair had been tragic. In just such cases the "Muskoka Free" fulfils its mission. Husband and wife were sent there and given every care. Grandmother, with financial help from the Samaritan Club, kept the children. To-day, they are home again, cured.

"We went just in time," said the young wife gratefully, a tender light in her eyes as she glanced at the little mud-pie cooks.

Contributions may be sent to Sir William Gage, 84 Spadina Avenue, Toronto, or to Geo. A. Reid, Treasurer, 222 College Street, Toronto.

Food Plentiful in Canada, Scarce in Europe—Needs of the Children.
 The development of the dairy industry of Canada during the past two decades has been surprisingly rapid. Quick to realize the profits to be derived from milk production and the great value of dairying in conserving the fertility of the soil, the Canadian farmer has not hesitated to increase his investments in dairy cattle. The industry expanded during the five years of world war. Canada, being distant from the theatres of war, although handicapped by the drafting into military service of half a million of her most vigorous manhood, was able to continue the development of many of her important industries, particularly agriculture.

It was not so in Europe. There the fiery blast of war, which left profits in some parts of the world, almost extinguished not only industry but national life itself in other. The drain upon manhood was so great that now in hundreds of thousands of families no adult males remain. Europe moreover is filled with orphan children whose prospect of life is marred by the lack of all that is necessary to bodily and mental growth. In most cases the earning power and consequently the purchasing power of their families is utterly destroyed.

Turning again to Canada we find there a surplus production of the commodities that are so badly needed in Europe. Condensed milk for instance is a commodity that is a prime necessity for the children of the poor communities of Europe but the nations to which they belong have no means of purchasing it for them. The Canadian Red Cross is going to endeavor to supply part of their needs by means of a general appeal for contributions to be made during Armistice week on behalf of the British Empire Fund, which is to be used by

DISTRESS IN EUROPE

British Empire Effort to Help Smaller Nations.

Canadian Red Cross to Organise Appeal on Behalf of Orphans—Call to Be Made in Armistice Week.

An urgent appeal for aid to combat the widespread disease and distress in the war-stricken areas in Europe has been made by the League of Red Cross Societies to the nations which have suffered least from the war. In response a War Relief Fund has been undertaken in Great Britain with an Empire-wide appeal for contributions. The Fund is under the immediate patronage of His Majesty the King and has the support of all parts of the Empire.

His Excellency, the Governor-General of Canada, having received communications from London upon this matter, consulted the Prime Minister, and with his approval referred the question to the Canadian Red Cross Society, and it was arranged for an appeal to be made in Canada during Armistice week in November. The Fund will be known as "The British Empire War Relief Fund."

To Make Known the Need.

The Canadian Red Cross Society accepted the task of making this appeal known throughout Canada only in view of the relentless circumstances and the humane desire to help to alleviate the terrible suffering of a large number of peoples. The reasons are numerous and compelling. Large populations are suffering from distress and disease. Millions of innocent children are among them. Even in time of peace great numbers of their people lived close to the bread line. The war drained them of all their surplus resources.

Through the years of strife they were denied all but the barest necessities, and their condition now is pitiful indeed. History has repeated itself. The diseases which took such fearful toll of human life after the Thirty Years' War, the Seven Years' War (1757-65), and the Napoleonic Wars are again widespread, and now there are millions of people in Galicia, Poland, Jugo-Slavia and Roumania who, in addition to being poverty stricken, are in the direst straits and despair on account of disease. In some twelve countries, most of which were either our Allies or friendly to the Allied cause, modern civilization is faced with the inevitable consequences of a great war through partial famine and pestilence.

A Previous Epidemic.

That the epidemic is now one of alarming proportions and terrible in its effect may be noted from the following quotation from "The Times":
"At present the worst results of typhus are confined to Galicia, where the schools are closed, business is at a standstill, and civic life is crippled. The whole community is faced with starvation, whilst the absence of clothing and drugs makes it impossible for the authorities to make any headway against the epidemic. Here we have a country into which the idea of modern sanitation has never penetrated; for the most part there is no water supply in the smaller towns and villages save wells, whilst the work of sewers is done by open gullies running through the streets. There are no doctors, no nurses, and no beds, and the miserable typhus-stricken patients lie unattended on the bare floor. Throughout the rural districts whole families exist in miserable one-roomed huts, their diet consisting of starvation rations of potatoes and beet, both bread and meat being luxuries rarely seen. In almost every hut there are several cases of typhus and in many instances whole families are stricken with the disease, and are perforce left to die unattended."
Many Countries Are Suffering.

What is said of Galicia is true of other countries of Europe, such as Estonia, Lithuania, Latvia, huge territories of the Ukraine, Soviet Russia, Jugo-Slavia and Czecho-Slovakia. Nor is typhus the only affliction. Tuberculosis, smallpox, dysentery and relapsing fever are also ravaging large areas.

Lack of Medical Aid.

These terrible conditions have been called to the attention of the people of the British Empire in a statement by the Right Hon. Arthur J. Balfour, who, speaking for the Council of the League of Nations, says:
"Men, women and children are dying by thousands, and over vast and civilized areas there are neither medical appliances nor medical skill sufficient to cope with the horrors by which we are faced. Governments have in certain cases done all in their power to bring relief, but there remains a vast field for charitable enterprise which can be dealt with only by voluntary effort."

Eleven Million Orphans.

Dr. Livingstone Farrand, chairman of the Central Committee of the American Red Cross, who has just returned from Europe, states that there are 11,000,000 fatherless children in Europe who face the next few years without hope of adequate care unless outside assistance is given.

WOULD GUARD BURIED CITIES

Archaeologist Believes Important Discoveries Are Certain to Be Made in the Holy Land.

A great opportunity offers in Palestine. Prof. Flinders Petrie, the eminent archaeologist, has appealed, in a little book on eastern exploration, to the British people to take immediate steps for the preservation of all historic sites and buildings which have fallen to Britain through General Allenby's conquest of Palestine. He says that the buried cities and ruined monuments of the holy land ("Palestine is full" of them) must at all costs be guarded with reverence. Professor Petrie is especially anxious concerning the holy city, and urges that building on the old sites sacred to three religions should be forbidden. Modern scientific sanitation is against piling more buildings on these ruins. There is a clean and sanitary alternative; extend a suburb down the valley of Rehphaim to the southwest, where the railway is, or to a better site two miles northwest in the valley running down from Ramah. The present city has "bad water and bad access" it ought to be kept for its historical value, and modern life ought to be removed to suitable healthy ground. Professor Petrie believes that with careful research, discoveries will be made of importance. The documents of early Palestine were clay tablets which can only be destroyed by crushing. Clay documents of David's or Solomon's reign or of the judges may be found.

For Suffering Children.

No stronger call could be made to humanity than that of suffering children, and on their behalf particularly the Canadian Red Cross will appeal throughout Canada during Armistice week. Each provincial division of the Red Cross will have charge of the arrangements in its own province, and all Red Cross workers should put themselves into touch immediately with their local branch or with the Headquarters of the Provincial Division if no local branch is organized.

Dress in Jugo-Slavia.

The national dress of the women of Jugo-Slavia is very beautiful, and they wear it every day, a custom now all too rare in Europe. Over the long, white skirt, of a hand-made linen, plaited like the Greek, they wear a brilliantly embroidered apron. The blouses, of the same material as the skirt, have long clumsy sleeves, a high collar, hung and dangling with beads of gold, silver or coin. From the neck to the narrow waistline, like the breastplate of the men, are two pieces of meticulous embroidery—these, with white veils on their heads, flowers in their hair, worsted stockings, and you have the peasant women from the mountains. They stand together with baskets of fruit in the sun of the little squares.

No Hurry.

Mrs. Newrich—Our pictures look all right, but we haven't a single old master in our house.
Newrich—Never mind, Jane; they will all be in a few hundred years.—Boston Transcript.

The Winnipeg Telegram has ceased publication after a life of 27 years.

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

"The Bloomin' Old Rag Overhead"

A SMALL Union Jack rippled amid the tree tops. There seemed something valiant about it, a gay, won't-be-downhearted spirit, when you heard its history.
A doctor at the Muskoka Free Hospital for Consumptives was talking. "The sad thing is, it's young people, eager, hard-working boys and girls, that are making up those who make the best Canadians, because they're ambitious. See that flag? The fellows in that pavilion were determined to have a flag. Each contributed the little he could. They got the flag, but poor chaps, they're disappointed—it's so tiny."
Yes, tiny up among the towering pines, but defiantly proclaiming "What we have we'll hold." And in the cots beneath, laid, weak and ill, but battling for health, ladies whose precious pennies bought "the rag overhead," are echoing its dauntless spirit—"What life we have we'll hold." Lads worth saving surely!
Contributions may be sent to Sir William Gaird, 24 Spadina Avenue, Toronto, or to Geo. A. Reid, Treasurer, 223 College Street, Toronto.

F. H. Lovell's Bakery - Confectionery

If you don't believe that the Ford Truck cuts down the cost of transportation, we will prove it to you.

Manufacturers, wholesalers, retailers, have proved it for themselves and have stated their positive satisfaction over the performance of this efficient truck.

The fact that there are so few used Ford Trucks for sale is in itself positive proof that the man who has once used a Ford Truck is unwilling to part with it.

We can give you some interesting facts about what this Truck has actually accomplished under the most trying conditions.

"THE STORE OF QUALITY"

ANNOUNCING 'THE DOMINION LIGHT'

I wish to announce to the farming community of Lambton that I have secured the agency for the Dominion Farm Lighting Unit, — an all-Canadian made plant, built by the Dominion Steel Products Co., Brantford. Recognized after the most exhaustive tests to be absolutely the most efficient lighting plant on the market today. One of these new plants will be on exhibition here and for demonstration purposes in the course of a few days. Every farmer today is interested in electric power and lighting for his farm, —and you are cordially invited to investigate the merits of "Dominion Light."

WATFORD

EAST LAMBTON TEACHERS' INSTITUTE

The East Lambton Teachers' Institute was held in the schoolroom of the Methodist Church, Petrolia, on Thursday and Friday, October 14th and 15th, with the president, Miss M. Reid, of Watford, in the chair.

The following resident clergymen kindly took charge of the devotional exercises at the opening of the sessions, Rev. Mr. Richardson, Rev. J. Yule, Rev. J. D. McCrae and Rev. Cannon Hill.

On Thursday, Miss A. B. Neville, Household Science Teacher of the London Normal School, gave two splendid addresses on "Food and Work in Ungraded Schools," and "Correlation of Household Science with the other Subjects of the School Curriculum." The speaker pointed out that Household Science is closely related to the other subjects—arithmetic, composition, art and especially hygiene; and as mental ability depends so much upon physical fitness, every child should have some idea of the relative food values of the commoner foods and that the hot lunch should receive more attention in every rural school.

Miss Reid, instead of delivering the usual President's address, dealt with the Federation of Women Teachers. The main object of the Federation is to raise the professional status of the female teachers and in order to be most effective, 100 per cent. membership is necessary.

Miss F. Brown, in dealing with Primary Work, pointed out the importance of pictures and story-telling in the earlier stages. A variety of seat-work, such as paper-cutting,

modelling and word building is necessary to keep the little ones busy. The whole reader should be covered in spelling.

During recess period, Miss L. Cameron, of Watford, favored the audience with a very pleasing solo.

Thursday evening the teachers were entertained at a social function in the Parish Hall of the Anglican church, and a very pleasant time was spent by all present. Vocal selections were rendered by Mrs. C. Jones, Miss J. Hoban and Master Ned McRobie; also addresses by Revs. Canon Hill and Richardson and Messrs. J. E. Armstrong, M.P., and J. Taylor. Mr. McRobie delighted all with some splendid phonograph selections. After the program refreshments were served.

Friday morning session opened with the report of the Nominating Committee, as follows:—
 Hon. Pres.—Mr. N. McDougall, B.A.
 Hon. Vice.—Mr. P. McKichan, B.A., Mr. M. Cameron, B.A.
 President.—Mr. Duncan Ewart.
 Vice-Pres.—Miss M. Davis.
 Sec.-Treas.—Mr. W. J. Kelly.

Executive Committee.—The officers and Miss Buchanan, Mr. W. A. Kelly and Mr. J. A. McDonald.

Physical Training Committee.—Mr. N. McDougall, Mr. R. Henderson, Miss H. Truan, Miss F. Edwards and Miss Park.

Auditors.—Miss M. Ford, Miss Stapleton.

Delegates to O. E. A.—Mr. Lyle Oliver, Miss J. Leach.

In discussing the Institute Reading Course, Mr. McDougall suggested the forming of Reading Clubs in connection with each branch library. Messrs. N. McDougall, D. Ewart and W. J. Kelly were appointed to deal with the

re-distribution of the Institute books. As the financial report showed a deficit, the fee for 1920 was raised to 50 cents.

Mr. McDougall, in his remarks, was pleased to note the gratifying increase in teachers' salaries, due partly to special conditions but for the most part to great industrial development and democratic evolution. The nations of the world are being rapidly drawn into closest competition, and in order to be a successful participant, each must be well equipped educationally. In closing, he advised a careful oversight of all school grounds and premises. In order to insure systematic work, teachers should follow a carefully prepared timetable and not give too much time to individual work.

Mr. A. C. McPhail, in dealing with Entrance Literature, showed the need of improvement from the 1920 answer papers. Correct oral expression and reading depends solely upon a child's knowledge of the general meaning of the passage.

Mr. D. Ewart gave a splendid paper on 1st and 2nd Class Arithmetic. Addition and subtraction facts should be taken together. Problems should be concise and practical; mental work should receive more stress and drill is the secret of success.

The delegates to the O.E.A., Miss N. Harper and Miss McGuire, gave very interesting reports of the 1920 meeting.

On his retirement from the teaching profession, a unanimous vote of appreciation was tendered Mr. W. H. Shrapnell, of Watford, for his splendid services in connection with the East Lambton Teachers' Institute.

The Friday afternoon session was brought to a close with a discussion

on teaching of Agriculture and Fifth Class work.

MIDDLESEX AND LAMBTON BAPTIST RALLY

The annual Thanksgiving Rally of the Baptist Young People's Unions of Middlesex and Lambton counties was held on Monday, October 18th, in the Strathroy Baptist church.

The weather was ideal and the biggest attendance in the history of the Rally was registered. Delegates numbering some 300 from various societies throughout the two counties were present in good spirit, and the program of the two sessions (afternoon and evening) was carried out with dispatch and profit.

The three societies winning the pennants for the largest delegation were Egerton street, Adelaide street and Wortley Road, all of London. The Strathroy society obtained second place, but, through its president, Miss L. Strtham, stated that in view of the advantages in its favor, the visiting societies should have preference.

The afternoon session began with a vigorous song service, followed by a model meeting, which was put on by the Adelaide street Society, London. It was a missionary program, and six young ladies representing six great fields of missionary endeavor, —India, China, Bolivia, Africa, Japan and Korea, spoke.

Miss L. Pratt, of Petrolia, on furlough from India, gave a vivid account of missions in the Telugu country, a portion of India where Canadian Baptist missionaries labor. She stated that with the going into effect of a new law, whereby the Indians would have control of their educational work, Christian teachers would be needed lest Hindu beliefs should dominate the lives of the children.

There was also a great need for industrial workers at this time, and for more Christian pastors and doctors. The address made a fine young people their individual responsibility, even though their realm of service might not be abroad.

A keenly contested debate on the subject, "Resolved, that the B.Y.P.U. is more important than the prayer meeting," proved a most interesting feature of the day. The affirmative was upheld by three members of the Arkona society, and were opposed by three members from the Wortley Road society. Arkona getting the decision by a slight margin.

Rev. Robert White, of Brantford, a strong and sturdy Scotchman, gave an illuminating address in the evening on the four elements required for holiness, viz: Will-power in union with the will of God; a conscience void of offence; a loving heart and a loving mind. Pointed illustrations were used in each case to enforce these truths. The address was listened to with close attention, and was most inspiring.

The sessions were presided over by Rev. A. C. Bingham, London, who was re-elected president, with Rev. L. S. Haverstock, Strathroy, vice-president; Mrs. E. B. Dickson, Ark-

ona, secretary-treasurer; and Messrs. F. C. Pierce, London; Duncan Stewart, Ailsa Craig; and Rev. A. A. Barnes, Watford, councillors, as the new executive.

Resolutions recognizing the splendid work of the retiring secretary-treasurer, Miss L. Statham, Strathroy, and the right royal hospitality of the Strathroy society, were passed.

The delegates were served a sumptuous hot supper in the basement. The word heard on every hand at the close of the evening session was "The best yet."

The Rally will meet at Petrolia next year.

RICH, RED BLOOD THE GREATEST NEED

Nearly All Ills Are Due to Poor, Watery Blood—How to Improve Its Condition.

To be in a healthy condition the human body requires a constant supply of rich, blood. Nearly all the ills from which people suffer arise from one cause—poverty of the blood. If the blood is rich and red it absorbs nourishment from the food which passes into the stomach and distributes that nourishment to the brain, nerves, muscles and all the organs of the body. When the blood is weak and poor in quality it cannot do its natural work of feeding the brain and body, and the result is weakness and disease.

Headaches and backaches, loss of appetite, poor digestion, nervousness, pimples and unsightly blotches on the skin, all indicate that the blood has become impure—that it is not doing its appointed work. If this condition is not remedied it will grow worse and worse, and a complete breakdown will eventually occur. To bring about a healthy condition of the blood no medicine can equal Dr. Williams' Pink Pills. Their one mission is to make new, rich blood which reaches every part of the body, bringing with it new health and increasing vitality. Thousands have testified to the benefit they have found in the use of Dr. Williams' Pink Pills when run down in health. Among these is Mrs. Bertha Kendall, Darling avenue, Toronto, who says:—"In the summer of 1918 I was in poor health. My appetite was variable, and I was weak and unfit for work, and I suffered a great deal from nervous headache and palpitation of the heart. A lady friend recommended Dr. Williams' Pink Pills, which I used with splendid results, as by the time I had taken six boxes I felt like a new woman. I think Dr. Williams' Pink Pills are worth their weight in gold to every nervous, sick woman, as they cure quickly and save big doctor bills."

Dr. Williams' Pink Pills may be had from any dealer in medicine or by mail at 50 cents a box or 6 boxes for \$2.50 from "The Dr. Williams' Medicine Co., Brockville, Ont.
