Johnson, looking into the eleva- tor opening through a window (which should never have been there), literally lost his head. The lesson is one which should be suggestive to all who have these modern conveniences on their pre- mises. The February number of Wood's House hold Magazine is really a marvel of which can be furnished for only one dollar is year; considering the cost and the qual- ity this the cheapest magazine which comes to our table. Its articles have at chasteness about them which is not al ways found in cheap periodical literature Its pages are filled with excellent arti- cles. The magazine contains three en- graving—a prety house design—also th New York Fashions (illustrated) prepar- ed expressly for the Household by Mine Demorest. The publisher announce that hereafter the magazine will alway be illustrated. A ludicrous case of mistaken identif occurred in Montreal recently throug the unfortunate resemblance of tw young gentlemen. One of them was re- cently married, and the other is still bachelor. The married person went to dinner party, while the unmarried or went to a convivial eutertainment. an owing to a miscalculation of his capacit for wine, he spoiled his night's amus ment. While a glimmer of reason r- mained he endeavored to get home. I the time the young man reached a ca stand his mind had become so confuse that he was unable to remember his ow	and to examine them in reading, toil ther they might select their own pieces to read. Out of the forty selections mad thirty-eight were of poetry and of the most of these of the tragic style. Since the year 1440, it is computed the upwards of sixteen thousand voyage have been made across the Atlantic, be the various steamship lines between New York and Liverpool. From 1840 to the end of 1873, eight steam passenger pack ets plying between New York an Europe have been totally lost, the Press dent being the first, and the Ville of Havre the latest. The newest Parisian handkerchief has a cafe au lait centre of linen, and is about twelve inches square. In the four co ners is a simple tulip embroidcred with the finest round point lace. The combination is very curious, but excees ingly handsome and effective. Of cour- no one will be foolish enough to app these handkerchiefs to the nasal orgo under any circumstances. English society is looking for ward to the arrival of the Duke of Endi burgh and his new Russian wife, the free ment, and the idea that possess the Prince of Wales and induces him excep within the shadow of the throw the or Males and induces him excep within the shadow of the throw the Prince of Wales and induces him excep within the shadow of the throw the Grand Duchess Maria, in his disposition to add to be social in his disposition.
