POTATO CROP BIGGER AND BETTER

Reports of Big Yields Come in From All Quarters—Bumper Crops Everywhere

It has been proved that it takes more than three months drought to ruin a New Brunswick crop, for the Observer is told that the potato yield is the biggest and best turned out for many a year. "Best crop in ten years" is being said by dealers and other buyers, and oats and buckwheat are producing heavily. These conditions are proving general, not only in the Valley and Acadian sections where rains fell just in time to revive the crops.

For a time, three or four weeks ago, there was every evidence that excessive prices would be paid for potatoes on account of the apparent short crop. At this date reports show no shortage of crop, nor is there as yet evidence of over-production. It has been shown by experience that a variation of 10 per cent above or below the average supply makes or breaks the price. As stated, there is no prospect of over-production and the price may remain firm, especially after the big rush to market that generally is made direct from the field.

A New York firm last week sent out the following letter, which almost certainly carries away by the present situation: "We strongly advise our friends not to be carried away by the present agitation in potatoes, resulting from the August crop report. Heavy correspondence which we have been receiving from all sections of the country during the last few days indicate a marked improvement in the winter crops. The Western States all have good crops, with the exception of Minnesota, Wisconsin and Michigan. In the latter three states, recent favorable weather has made a marked improvement and the crop in these States will probably be at least 75 to 80 per cent of last year. New York State shows present favorable conditions and much improved prospects."

"We firmly believe that the September crop report will show a decided increase in the crop, and that the buyers of the Maine people as well as the over-bullish, that prevailing prices are too high, and we anticipate lower prices in the fall, assuming continued favorable growing conditions in all other winter sections."

Ontario's potato crop has undergone a complete reversal of form within the past month, according to T. H. Bennett, of the United Farmers Cooperative Society. "The result that makes of the shortage which was anticipated at the first of August, notwithstanding the fact that the crop will equal the demand, if it does not exceed it. As a consequence, the farmer's price has dropped from \$3 to \$1.75 a bag within the last few weeks and may go to \$1.50. Even at this figure, however, the farmer is receiving a better price than he did the last couple of years, according to Mr. Bennett. "It is too early to estimate the late crop, but the present supply is adequate, both in the east and west," he said.

SIR GEORGE E. FOSTER BORN AT SOMERVILLE

Seventy-five years ago yesterday there was born at Somerville, just across the river from Hartland, a child who has since become one of Canada's most distinguished sons. This is the Honorable Sir George E. Foster, while Sir George is still hale and active, the honors which he has been bestowed upon him have fallen into decay and all traces of it are vanished. It stood within a hundred feet of the house now occupied by Alpheus Gray. Sir George's parents moved to Kings county while he was still an infant. The Observer congratulates Sir George on his 75th birthday, and as he is reported to be appointed to the Senate, expresses the hearty wish that in the semi-retirement of the red chamber he may spend many years.

TO RESIDE IN HARTLAND

Mr. and Mrs. William Townsley, who have made their home in this

city for the past couple of years, left this morning for Hartland where they will reside. Last evening a few friends gathered at the home of Mr. and Mrs. Jack Arsen, Bay Street, and gave them a farewell party. Mr. Townsley was on the staff of the D.S.C.R. hospital for some time.—Gleaner.

PRETTY CHURCH WEDDING YESTERDAY

A church wedding yesterday was the chief event of the week. The principals were William R. Rideout, eldest son of Mr. and Mrs. Willmot B. Rideout, and Miss Cecelia LeVine Webb, daughter of Mr. and Mrs. Weston Webb of Lower Hainesville. For the joyous occasion the Reformed Baptist church was very prettily decorated with maple leaves and gold-rod and a profusion of flowers. To the strains of Mendelssohn's Wedding March played by Miss Mary MacMillan, the bride, attired in a gown of white satin and bridal veil and carrying a bouquet of sweet peas, entered the church on the arm of her father. She was attended by Miss Grace Rideout as bridesmaid who wore a dress of pink satin. The groom was attended by his brother Earl Rideout. Rev. H. C. Mullen performed the ceremony which was witnessed by a throng of friends and other spectators. Misses Edith Rideout, sister of the groom, and Esther Gibson were ushers. After the ceremony the party repaired to the home of Dolph Nixon, with whom the bride had been staying for some time, and later took train for Fredericton, St. John and other points. The bride's travelling suit was blue serge with hat to match. Both the young people have many friends who will wish them much joy. They will upon their return reside at Somerville, where the groom is a progressive young farmer.

PERTH TAKES TWO FROM AROOSTOOK

Perth, N. B., Sept. 5.—Perth won both ends of a double-header here today, defeating Fort Fairfield in the first game by 9 to 3 and shutting out Van Buren in the second game by 13 to 0. Billie is the first and Payton the second game pitched airtight ball for Perth. Brant of Van Buren was battered out of the box in the second game and his successor, Dempsey, was also hit hard. Mickellay, Perth's left fielder, made a fine run in his capture of a fly. McGweeney in left of Van Buren made the star play when, after making a shoestring catch, he turned a somersault but came up with the ball. A holiday crowd of fully 2,000 saw the game and left the field satisfied that Perth is a good showing for its home town. St. Peter's, Sept. 10.

MRS. EBEN LOCKARD

On Aug. 29, the death occurred of Mrs. Eben Lockard, at Presque Isle hospital, of appendicitis. Mrs. Lockard was 67 years of age, and leaves to mourn their sad loss, a husband, three small children, a widowed mother, Mrs. Willmot Clark of Woodstock, four sisters, and four brothers, besides a large circle of relatives and a host of friends. The remains were taken to Lower Hainesville for burial. Funeral services were held at the Reformed Baptist church, Rev. H. V. Bragdon officiating.

ERNEST BROOKS

The death of Ernest Brooks occurred at his home, Waterville, after a brief illness of typhoid fever on Saturday, Sept. 3. Mr. Brooks was a highly respected farmer and his early death is deeply lamented by many friends and relatives. Only a month ago his adopted son, Henry Yates, died of the same illness. Mr. Brooks is survived by his wife, formerly Miss Beris London, an aged mother and four sisters—Mrs. O. R. Beley, of Woodstock; the Misses Edith and Mabel Brooks, of Houlton, and Miss Helen Brooks.

450 BEANS FROM ONE

By all odds the greatest yield of beans reported is a stalk sent to The Observer by Charles Tracey, a well known resident of Lakeville. From a single bean there have developed 75 pods and there are an average of six well-developed beans to the pod. Those who have seen the stalk at The Observer office pronounce it a real curiosity.

COMPLAINTS LAID AT TOWN MEETING

Alderman Faulkner Registers Several Kicks—Thinks Engine Purchased Improperly, Also Points Out Defects of Street Department

The regular monthly meeting of the Town Council convened at the Town Hall Tuesday evening with all members except Alderman DeWitt. The treasurer's report shows that the sum of \$241 had been collected during August, \$65.52 expended, and a bank balance of \$334.44. Alderman Faulkner lodged a complaint against the other two members of the fire and water committee, DeWitt and Hagerman, to the effect that whereas a 15 h.p. crude oil burning engine has been installed in the pumping station without his being notified, the town had not really purchased the engine, and the responsibility was on the two mentioned members of the committee. The Mayor ruled that in so far as the order being placed by the Chairman of the fire and water committee without the Town seal being affixed to the order the question was out of order in that respect.

The Chairman of the fire and water committee not being present, Councilor Hagerman said that the matter had been thoroughly gone into at last meeting and that he did not propose to discuss it further as he would only be marking time. The engine installed is of first class workmanship and design, giving the very best results, so much so that it has reduced the consumption of fuel from 55 cents per hour to less than 20 cents.

Ald. Faulkner also attacked the agent of the Fairbanks Morse Co., from which company the engine was purchased. Their representative, F. Hagerman, was present and upon motion was heard. He answered the insinuations of Ald. Faulkner to the effect that he had received no rake-off so far as his company had to do with this report, and to put himself right with the taxpayers.

Considerable discussion ensued over the extension of the sewer on Hillcrest avenue. Ald. Faulkner severely criticized Ald. Hatfield for not doing the work, seeing that the last session had left it in his hands. Hatfield replied that road money could not be spent for putting down sewers without the formation of a sewer district and those receiving the benefit taxed accordingly, this being the general policy of the Town as regards water. A petition from the residents of High street, requesting that the extension was left with the water committee. A number of other matters in the line of complaints and enquiries were also discussed and the Mayor left them with the several committees to report.

The chairman of the road committee reported very favorable progress on the streets and sidewalk, showing that good results were being received for the money expended. The sidewalk from Prince to Queen is now ready for the concrete, a distance of 361 feet, costing \$250.

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-lives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-lives'.

'Fruit-a-lives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

THE OBSERVER

HARTLAND, N. B., SEPT. 8, 1922.

TO SUBSCRIBERS

During this week a very special inducement is being offered to every subscriber whose subscription is due. Each is given a generous offer of renewal, and we look for prompt returns. An account more than a year due will on September 30 be sent to a collection agency. This will cost the subscriber one third more than if our offer is accepted.

It is absolutely necessary in carrying on the Observer to have all subscriptions paid promptly. The greater number of our readers pay regularly every year, but there are those who appear to think a bill is not due until it is sued.

Come, please, friends, let September be a banner month for subscription renewals.

Right here we want to again thank the faithful subscribers who stand by us year by year, paying promptly and giving us an occasional word of appreciation.

WHY NOT SENATOR SMITH?

Among the numerous applicants for the vacant Senatorship it is doubtful if there is one who has stronger claims on the party than Hon. B. F. Smith, ex-M. P. P. of East Florenceville. Mr. Smith has been running elections for over twenty years and has given and taken some pretty hard knocks for his party. He is an able and shrewd politician, and it can not be said that a man who is not afraid to face Hon. F. B. Carvell on the hustings is lacking in courage. The appointment of Mr. Smith would give representation in the Senate to one of the finest agricultural districts in Eastern Canada.—Fredericton Mail.

H. Waken of Aroostook Jct. The ceremony was performed by Rev. J. Robinson Belyea, rector of Andover, in the presence of the immediate relatives of both parties.

The bride attended by her mother only, entered the church to the strains of Mendelssohn's Wedding March beautifully rendered by Mr. Sherlock of Toronto. She was met at the altar by the groom, unattended and the double ring service was impressively performed. She looked very charming, attired in white georgette and bridal veil of white tulle, caught with a wreath of lilies of the valley and carried a lovely bouquet of roses, carnations and maiden hair ferns. After the ceremony the bridal party motored to the home of the groom where with the relatives a sumptuous dinner was partaken of. At two o'clock the happy couple left on the southbound express amid beautiful showers of rice and confetti, for Montreal, Quebec, and other points of interest. On their return they will reside at Aroostook Junction where the groom is a building contractor, and also a popular and efficient employe of the C. P. R.

NERVOUS, IRRITABLE, AILING WOMEN

Mrs. Britton Tells How She Was Restored To Health After Suffering for More Than A Year.

Another Triumph for Lydia E. Pinkham's Vegetable Compound

Dundas, Mich.—"I had inflammation and a displacement and weakness, and it had been suggested so long that I should get my mind and nerves so that I was very irritable. I had severe pains every month, so that I was often obliged to lie in bed for two days at a time. I suffered for more than a year before my friends said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' So I purchased one bottle after another until I had taken ten bottles, then Lydia E. Pinkham's Vegetable Compound received so much benefit from this treatment that I am now able to do my own work."—Mrs. W. D. Britton, R. No. 2, Elmwood, Mich.

Another Michigan woman says: "I was bothered for a long time with female troubles and was so nervous I felt almost afraid at times. I also had a pain in my right side and was certainly in a bad way. Lydia E. Pinkham's Vegetable Compound has relieved me of these nervous feelings and pains and I am much better in every way. I don't know just how many bottles I have taken, but I took it for nearly a year and it has done me a world of good."—Mrs. Jessamie Granger, R. No. 3, Box 51, Kalamazoo, Michigan.

Good health is a woman's greatest asset. With it she may be the inspiration of her husband, a happy mother, and the life of the home. Without it she suffers agonies herself, household duties are a burden, and her family is made miserable by her condition.

Is it any wonder that these women were nervous and irritable after suffering so long from such deranged conditions? Such ailments act directly upon the nerves, and it has been said that a large percentage of nervous prostration, nervous dependency, "the blues," and nervous irritability of women arise from some derangement of the female organism.

If women who are in this condition would only profit by the experience of others and take Lydia E. Pinkham's Vegetable Compound at once, much suffering and unhappiness would be averted, as everyone knows a nervous, irritable, ailing mother makes the home unhappy and her condition irritates both husband and children.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

BEULAH MARIA KIMBALL

Beulah Maria Kimball, younger daughter of Mr. and Mrs. Frank T. Kimball, of Fort Fairfield, died at the home of her parents Wednesday evening, Aug. 5, after a long illness of tuberculosis.

Miss Kimball was born in Fort Fairfield April 19, 1896. She was a member of the class of 1914 at the Fort Fairfield High School, but was compelled to leave school in the junior year because of ill health.

In February, 1913, she accompanied Mr. and Mrs. Roy L. Kinney, her brother-in-law and sister to Fellsmead, Florida, where she regained her health, afterwards attending State University, Deland, Fla. one year. She then returned to Fort Fairfield after nearly two years' absence, remaining over a year, when she became a victim of tuberculosis.

At her request her parents took her to Fellsmead, Fla., last winter to be near her only sister, Mrs. Roy L. Kinney, but her health gradually failed, so her mother and sister brought her home June 23rd, since which time she failed rapidly until the end came at midnight, August 5th.

The funeral service was held at the home Friday afternoon at 2 o'clock, all details being carried out as the deceased had requested. Rev. H. Smith Dow, pastor of the Reformed Baptist Church was the officiating clergyman, who spoke sympathetically, using for his text the 23rd Psalm. Prayer was offered by Rev. Guy L. Wilson. A quartet composed of Mrs. Robt. Slipp, Miss Alma Slipp and Howard and Wm. Cogswell furnished the music, while the pallbearers were the three brothers, Lawrence, Beryl, and Hollis Kimball, and three cousins, Jean, Leroy and Herrick Kimball. The flowers at the funeral were numerous and beautiful.

During the last few weeks of her illness, Miss Kimball was tenderly cared for by Mrs. Elton Roach, trained nurse of this town.

Miss Kimball was a devoted Christian girl, being especially interested in Sunday School and Christian Endeavor work. She leaves behind many firm friends in Fellsmead, Fla., and her home town, who sincerely regret that a life so beautiful in every way should be cut off at so early an age. Fort Fairfield Review.

HE WAS ALARMED ABOUT HIS WIFE

Says She Was Only A Shadow of Her Former Self Before She Began Taking Tanlac

"My wife and I will praise Tanlac as long as we live, for it is nothing less than wonderful the way it has restored her to good health again," said A. J. Johnson, of 49 Cornwallis street, Halifax, N. S.

"For about a year before she started taking Tanlac she was in such a run-down condition that she could hardly drag around. She had no appetite and in fact she was afraid to eat very much because of what she suffered afterwards. Whatever she ate would sour and ferment and blast her up something awful. She was also troubled with terrible headaches and dizzy spells. Her nerves were in such a bad state, she lost weight and became so weak she couldn't remain up long each day. I was very worried about her, for although she had tried just about everything in the way of medicines, none of them seemed to do her any good.

"We heard of so many people being helped by Tanlac that my wife decided to give it a trial. The first bottle did her so much good that she kept on with it until now she is well as she ever was in her life. She has a fine appetite and can eat anything without having the least trouble afterwards. She has gained ten pounds in weight and is stronger in every way. She is never bothered with headaches or dizzy spells now and her nerves are so steady she sleeps all night and gets up in the morning feeling fine and able to do the day's work."

Tanlac is sold by leading druggists everywhere.

A propos of potatoes, and kindly don't think me a Baron Munchausen when I tell this for I still have the spuds intact for proof of my veracity. W. S. Wiggins here certainly has the best of the season. Out of one hill dug at random he found three large potatoes weighing 5 1/4 pounds. The largest of the trio measuring 21 inches in circumference and weighs 2 lbs 5 ounces. The brand is "Barbar" and to discover a potato like that in a hill would surely make anyone exclaim "I have found it!"

Many of the citizens are attending the different Fairs of their choice.

Wilmot Weeds left on Tuesday for Wolfville where he will enter Acadia College for the fall term.
