NOTE THE DATES . . .

JAN. 30 & 31 — FEB. 1, 1958

WHO WILL BE QUEEN?

ARTS

JENNIFER PROSSER

Jennifer, who is the queen candidate chosen by the Arts faculty, came to U.N.B. from Mt. A. in 1955. Since then, she has been one of the busiest people on the campus. Interested not only in badminton, bowling and cheerleading, she has served in the S.R.C. and is at present a member of the S.D.C. (Students' Disciplinary Committee), and President of the Ladies' Society.

Although she is now living in Fredericton, Jennifer travelled widely, and spent much of her youth in India. Her course is Honours English and Education. She is now, at the age of twenty in her senior year.

Her plans for the future include some post graduate work (Continued in Col. 5)

5 Performances Musical Comedy

The gay and hilariously funny musical comedy "Around the World in 80 Minutes" has been added to this year's Winter Carnival. Producer-director-Author-Composer Stephen Patterson has his cast working to full capacity in preparation for tomorrow's first performance of the three-act show.

Seventeen wonderful new songs and unlimited humor fill the two hour production with enjoyable entertainment. "What is the average Canadian man" is the theme of the production. A Brigadier and owner of the Beavericton Daily Screech finds he is not the average Canadian as he previously thought. In order to find out just what the rest of the world thinks about the average Canadian he sends one of his reporters on a trip around the world. Charlie, the reporter, finds himself posing as a secret agent for Scotland Yard. In his trip across the Continent Charlie finds himself in circumstances that would make any Canadian boil. In France he meets the philosophers of the day and in Italy a beautiful seductive shepherd girl. At a Grand Ball in Austria he meets Nikita Kruschevand. From there he goes to China where he is taken prisoner by the Red Chinese and tried for treason. The Reds decide to send him to Siberia on a missile, but the missile is misguided and he lands in the land of Pogo. Even the Pogolandiers suspect him of being a spy and immediately order a senate investigating committee.

Opening night will be on January 29. Performances will take place throughout the week in Memorial Hall. A matinee will be given on Friday, January 31.

BUSINESS ADMINISTRATION

BIDDY MACINTOSH

Biddy, a pert freshette from Hartland, N.B., has been voted to queen candidacy by the Business Administration faculty. An avid sports enthusiast, Bidy can be seen at most college games, and spends as much time as possible at the curling rink. Her other interests up the hill include the Drama Society, Canterbury Club, reading, and drinking coffee at the Student Centre. She is, also a lover of music.

A pretty brunette with dancing brown eyes, Bidy's sweet smile and friendly personality have won her many friends up the hill.

Active in high school, she served on the Students' Council and numerous other activities. At present, she's a freshette representative on the Maggie Jean Social Committee.

Bidy's taking General Arts, a course which she hopes will help her to become a kindergarten teacher — we envy the children.

ENGINEERING

MARG MACLELLAND

Large serious grey eyes, curly brown hair, and noble features, set Marg apart from the crowd, and give ample reason why she was chosen Engineering Queen. A popular coed, Marg's first year up the hill is proving to be a busy one. Her numerous interests include cheerleading, archery, the Choral Society, skating, collecting jazz records, and, last but not least, talking. However, Marg finds time to keep up with her Arts courses in History and English.

In high school, Marg participated in intramural sports — Basketball and Badminton — and sang in school and church choirs. She has no definite plans for the future, but with her versatility and beauty, we know she'll succeed in whatever she attempts.

REMEMBER THE RED 'N' BLACK REVUE

FORESTRY

CAROL ANNE BARTER

A blue-eyed blonde from Fredericton High School, Carol Anne has been claimed by the foresters for their queen candidate. In high school, Carol Anne was a member of the Social Committee, and played intramural basketball, and badminton, as well as swimming, skating and playing tennis.

Up the Hill, she's a busy freshette, being a member of the cheerleaders, on the executive of the Ladies' Society, and one of those tireless people who paint the backdrops for the Drama Society. She's also enthusiastic about football, hockey, and music (Classical and Semi-Classical). Her hobbies are photography, painting, cooking and sewing. With her graceful personality, and poise, Carol Anne would be a welcome addition to any campus.

She hopes her course, Arts with a major in Biology, will lead her to a lab technician's position.

SCIENCE

LOREE BREMNER

Loree, a sophomore science student, was chosen by the Faculty of Science for the role of Winter Carnival Queen candidate. A native Frederictonian, Loree has won many friends up the hill with her sunny disposition and sweet personality. Green eyes, brown hair, a lilting laugh and a ready smile set Loree apart.

Her interests up the hill include skiing, skating, music and the Biology Club. She sings in and plays the piano for the Choral Society. She is working for the Red 'n' Black Revue and is in the process of mastering the organ in addition to the piano. It is obvious that she loves music in general. Her favourite composer is Beethoven.

Honouring in Biology, Loree's ambition is one day to do medical research. UNB's scientists made a wise choice for their candidate for the 1958 Queen.

JENNIFER PROSSER

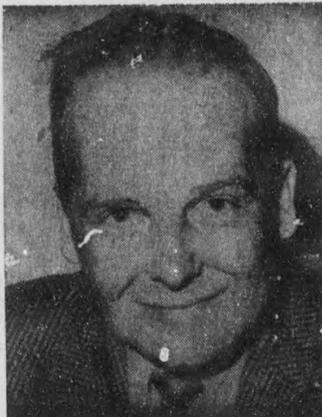

after which she would like to work in the field of social service.

A true "five feet two, with eyes of blue", Jennifer has blonde hair and charming smile. Her hobbies include cooking, sewing, and collecting "anything to do with the sea". If you ask her what she likes most, she'll answer with a quick smile, "Camping and sports cars."

Cancelled Lectures For Carnival

Students are advised that all lectures Friday afternoon and Saturday morning will be cancelled. This action was taken by the President in order that UNB students may take part in the Carnival.

"Stars of the Show"

PLAYING THE LEADS in the musical comedy "Around the world in 80 minutes" are from left to right in the top row: Carl Wallace from Saint John N.B., Arts 3; Heather Hughson from Fredericton, N.B., Arts 1; George Andrin from Oshawa Ontario, Mechanical Engineering 5; and in the bottom row: Stephen Patterson, Producer-Director-Author-Composer from Fredericton N.B., Arts 2; Iain Barr from Scotland U.K., Forestry 5; and Carol Ann Brewer from Fredericton, N.B., Science 1.

1958 UNB Winter Carnival Committee, 1958

Pictured above are the hard working students who have unselfishly devoted much time and energy toward making the Carnival a success. Seated in the front row are: Jean Baird, Science 3 (Queens); Anne McCready, Arts 2 (Prizes); Jack Ellison Civil 4 (Chairman); Mary Love, Arts 2, (Secretary); Biddy Wilson, Arts 2 (Accommodations); Standing L. to R. Roy Sperano, Civil 4 (Decorations); Jim McLeod, Mechanical 4 (Publicity); Ted Boswell Forestry 3 (Tickets); Bob Wightman Science 4, (Sports); Dave Fairburn, Arts 2, not asleep, just tired (Parade); Phil Hooper, Bus. Ad. 2 (Treasurer).

A Reminder . . .

For the third time since the initiation in 1956 the population of U.N.B. approaches the celebration of its Winter Carnival. That first one was a success in spirit but perhaps not quite in terms of finances. The second one, last year, was a success in finance and in spirit, but a bit too much as regards the latter. No doubt, we all remember that on a few occasions during that festival some of us were somewhat carried away by spirit and spirits, which resulted in deserved reproaches from the President's Office. We will also remember that that year the last part of the Carnival narrowly missed being cancelled, and for good reasons.

This will be the third Carnival. That we have a Carnival is due to the hard work of Jack Ellison and his group of enthusiasts; but it is also due to Dr. Mackay's willingness to forget last years goings-on and to his belief in the feeling of responsibility among the students. It will be up to this years outcome whether we will have a Carnival again next year. We are among the last to suggest to squelch a true Carnival spirit, but the latter is not synonymous with 'mass-drunkenness'.

The Campus Police will have a difficult job to do, but they can only do this when they receive the co-operation of the student body. Their directions are printed elsewhere on this page, just as a reminder for some of us. Let's just make it a 'good' Carnival eh? G.B.

From your Carnival Chairman
JACK ELLISON

The first performance of the 'musical comedy' tomorrow night begins the third annual U.N.B. Winter Carnival.

This year's Committee felt that some new major event should be added to the Carnival program for your enjoyment and we sincerely hope that "Around the World in Eighty Minutes" will meet with your approval.

The Winter Carnival Committee Chairmen have worked very hard to make this year's Carnival even more successful than in the past. Many obstacles have to be overcome to put on such an event as the Carnival and I would like to take this opportunity to thank just some of the very many people who have aided this: the committee Chairmen and their very hard working committees; the cast and stage crew of the musical comedy including its writer Stephen Patterson; the University officials; Professor Edwards and Mr. Macaulay, our faculty advisor; the members of the S.R.C.; the Ski Club; the City Merchants; the Brunswickan; the Daily Gleaner; C.F.N.B. and C.S.H.J.-T.V.

I hope that we may count on the wonderful support of the students of U.N.B. upon whom the real success of the Carnival depends. This year's ticket sales must again be limited due to the problem of space at some of the major events. It would be advisable to obtain your tickets early to avoid disappointment.

In closing I would like to wish everyone, on behalf of the various Committees, a very enjoyable Winter Carnival 1958.

BOMBSHELLS EXPLAINED

Do not fear when you hear noises reminiscent of the Battle of England during the Winter Carnival days. The Russians are not invading Fredericton, neither are these the exhaust explosions of a new Sputnik. They are simply Winter Carnival bombshells that are used to indicate the beginning of every event.

This is a new idea. It was found that in the past Carnivals people were not always in time for the events, and it is in this way that the Carnival Committee thought to draw attention to the particular goings on. Fifteen minutes prior to each event a bombshell will explode over the city. These bombshells will be heard throughout the city. Keep an ear open for the bombshell and an eye on the Winter Carnival Program on the back of this issue so that you will not miss any of the fascinating events.

ATTENTION!

Following are general discipline rules governing actions of Campus Police at university functions:

1. Any student at a student function displaying the fact that he has in his possession intoxicating liquor shall have his name reported to the SDC, shall have the liquor confiscated, and shall be asked to leave the function by the Campus Police.
2. Students making a display

Big Crowds Expected Again

Advance ticket sales for the Carnival indicate that this year a record crowd will again be on hand.

Separate admission tickets for the musical comedy will be sold at the door — Memorial Hall — @ \$1.00; for the hockey games Co-ed's vs Englishmen and Mount A' Mounties vs the Red Devils on Saturday afternoon @ \$.75 and to the masquerade skating and opening ceremonies on Thursday evening @ \$.50 both at the Lady Beaverbrook Rink.

All events held at the Gymnasium will require a Carnival Pass which may be obtained at the University Bookstore throughout the day and at the SRC office at the Students' Memorial Centre between 10:30 A.M. and 1:00 P.M. This Carnival Pass covers all events during the weekend's festivities for the price of \$1.50.

In the downtown area tickets can be bought during store hours at George's Men's Wear and Creaghans Department Store, both at Queen Street.

SNOW SCULPTURES

Entries for snow sculptures close no later than Wednesday night (tomorrow) January 29 at 6:00 P.M. Any person wishing to enter sculptures phone GR 5-8426 or -3042.

of profane language at any student function are liable to discipline through a report from the campus Police to the SDC and which will result in a fine.
 3. Unbecoming conduct at student functions may result in discipline through the SDC acting upon a report from the Campus Police.

Badminton Tourney

An Intramural Badminton Tourney, open to both men and women shuttlecock enthusiasts, will commence at 9 am Friday, Jan. 31. Deadline for entries for the tournament, in which there will be singles, doubles and mixed competition, has been set for Thursday Jan. 30. However, a limited number of post entries will be accepted Friday morning. Anyone interested should contact Ted Jack (5-5655).

RAIDERS HIT CENTURY MARK

The University of New Brunswick Red Raiders won and lost in a pair of basketball games played on the road last weekend. On Friday they overwhelmed Fort Kent Normal School 101-54 and the following afternoon dropped a close, well-played contest to Aroostook State Normal School of Presque Isle, Maine. The score in the second tilt was 65-55. As a result of their weekend activities the Raiders now have a four wins-five losses record in Northeast College Conference competition this season.

Howie Kirkpatrick led the Red Men in their scoring spree against Fort Kent. He netted a total of 26 points to earn individual scoring honours. Bob Wightman and Don Bryant with 17 and 16 points respectively were the only other Raiders in double figures. For the Teachers Paul Ouelette caged seventeen, while Don Wharton scored 12 points.

The big difference in the Aroostook game was not in the floor play, but at the foul line. UNB scored only 7 of their 19 free throws while Aroostook netted 25 for 32, which more than accounted for the ten-point margin of the winners.

Scoring-wise Johnny Gorman was the only Raider who managed to be in double figures. He hooped 14 points. For the Presque Isle squad Robertson had 16; Moran scored with 12, and Cote was close behind with 11 points to lead the home town offensive.

Meanwhile at Saint John on Saturday the UNB Red Bloomers lost to the Rotarians, 56-50, in a game that could have gone either way. Marlene Mason scored 21 points for the Port City girls and Dorothy May got 18. For UNB Jo Carr caged 16, while Peg Colpitts and Dede Smith chalked up 14 points each.

BROWN DEFENDS CREASE

"Get out of my crease" seem to be what Dalhousie goalie Claude Brown is telling UNB's Tommie Jarrett. Brown was the star of Friday night's game in which Dalhousie defeated the Red Devils 4-3.

RED DEVILS SPLIT TWO

The Dalhousie University Tigers edged the UNB Red Devils 4-3 in an intercollegiate exhibition hockey game at the Lady Beaverbrook Rink last Friday night. The Tigers forged to a 3-0 lead at the end of the first period and picked up another goal in the second for a 4-0 lead. The Devils started to move in the final period and pierced goalie Claude Brown's armour for three markers.

Right winger Doug Cudmore scored two goals to lead the Dal marksmen and Perry and Lemay notched one each. The UNB goals were all scored in the third period by Pete Coombes, Ed McLellan, and Don Morrow.

Outstanding figures of the game were former UNB goaltender Claude Brown, now playing for Dalhousie. Brown blanked the Red Devils for two periods and over the entire game stopped 34 shots. In the UNB cage Lynch stopped 29 shots and played a steady game.

Referees Wif Miles and Vic Leury handed out 19 penalties, 17 minors and two misconducts. UNB picked up 7 minors and Dal received 10 minors and the two misconducts. Tiger defenseman, Dave Gardiner got both misconducts and was thrown out of the game when he received

the second one, in the final minutes of the third frame.

UNB's passing and defensive work was poor in the first two periods. A completely different team came on to the ice in the third and demonstrated the style of hockey that they are capable of playing. The sustained action left Dalhousie forwards leg-weary and winded.

In Sussex Saturday night, the Red Devils took a 6-3 decision over the Southern New Brunswick Junior Combines. The Combines is a team composed of Junior players from Fredericton, Sussex, Moncton, and Saint John. This was their first taste of competition and with only two practices behind them they put up a good show.

The Devils were not pressed severely but still had to play good hockey to win. Don Morrow scored two goals and Soward, McLellan, Coombes, and Parent picked up singletons.

John Bassett started the game in the nets for UNB but he sustained a cut above the eyebrow during the first period melee and was forced to retire for the night. Bassett made 8 stops and Lynch who replaced him stopped 21.

REMEMBER THE
RED 'N' BLACK REVUE

Carnival Sports Highlights

Once again a full weekend of sports events are on tap in connection with this year's Carnival. A full and varied program is presented this year beginning in the swimming pool on Friday afternoon and lasting until Sunday when the last skiers leave the slopes at the Royal Road.

SWIMMING.

Friday afternoon, at 2:00 P.M. Mermen will step to the starting blocks against their counterparts from Acadia, Perennial Maritime Intercollegiate and Open Champions, the UNB swimmers appear to be no exception this year with outstanding returnees in Roy McEwan, Nick Teller, Tom Stephenson, Dave Sanger, Doug Paton and Brian Arthur, to mention but a few of the large squad assembled by coach Amby Legere. The nine-man Acadia squad is rumoured to be power-packed featuring several swimmers who have broken intercollegiate times. The Acadia swimmers include Paul deWolf, Will Tronter, Ralph Chown, Marius van Nooten, Wayne Hall, Ted Taylor, Max Arnold, Benno Botterbusch, James Giffin.

No girls team could finance a Carnival trip so that Coach Legere will have his Mermaids battling it out between themselves. The Mermaids have dominated the Maritime Intercollegiate waterways for the past several years and with such standouts as Ann Vickory, Eleanor Hoyt, Janet MacNair and Ann McCready will be strong contenders again this year.

BASKETBALL

Friday night the first intercollegiate basketball games of the season are scheduled for the Lady Beaverbrook Gymnasium. In the first game of the evening, the UNB Red Bloomers will meet the Acadia Co-Ed's at 7:00 P.M. Coached this year by former UNB stars Iris Bliss and Sally Scovil, the Bloomers have combined a handful of returnees with some outstanding first year talent to come up with a powerful, high-scoring sextet. Most of the scoring this year has come from three year veteran Peg Colpitts and freshettes Diane Smith and Jo Anne Carr. Other forwards include Fran McCollum, Kathy Hartt and Eileen Stiven. The defensive squad is headed by returnees Sheila Caughey and Biddy Wilson. First year performers defensively include Lorraine McElmon, Lorraine Gardiner, Edie Grant and Judy Reade.

The second game of the evening will see the Red Raiders tangle with the St. Dunstan's Saints from Charlottetown, P.E.I. Don Nelson's charges will be gunning for another sweep of N.B.-P.E.I. intercollegiate honours this year as they prepare for another crack at perennial Maritime Champions - St. F.X. The Raiders feature a tall, powerful squad capable of copping the Maritime title which they lost by 2 points last year. Defensively they have performed well this year but after Christmas their offense slumped considerably in several games. A recent road trip seems to have indicated an upward trend in their scoring however, and the Raiders will be out to win this important one.

Intercollegiate rules stipulate that only 10 men can be dressed

for a game so that Coach Nelson will have a big decision as to who must sit this one out. Another question mark is, hustling Bobby Porter out with a severely twisted ankle. Veterans on the Red and Black quintet include, Don Bryant, Ron Manzer, John Gorman, Bob Wightman, Lon Taylor and Steve Vaughn, while newcomers include Howie Kirkpatrick, Don Hodgson, John Kelly, Dave Petrie and Al Casey.

The Saint Dunstan's Saints evidently have their share of veterans and tall players under the tutelage of Father McGuigan, their coach. The Charlottetown squad was the only team to beat the Raiders on their march to the Maritime final last year. However, they lost their most valuable man in John Kelly who is currently toiling as a standout guard for U.N.B. Following is the St. Dunstan's lineup: Lorne McGuigan (6'3"), Alfred Morrison (5'11"), Bob Fearon (6'1"), Peter McGonnell (6'2"), Bill Farmer (6'2"), Gerard Tingley (6'5"), Brian Noonan (6'1"), Gil Collins (6'0"), Mike Swift (5'10"), and Robert Linegar (6'0").

HOCKEY

All roads lead to the Lady Beaverbrook Rink on Saturday afternoon. Following the annual match between UNB Coeds and the English students at 1:30 P.M., the first intercollegiate hockey game of the year will see the UNB Red Devils vs the Mount Allison Mounties.

Although minus several standout performers from last year, Pete Kelly and Ted Bedard have put together a better balanced, fast, powerful aggregation which shows promise of becoming a top contender in the Maritime Intercollegiate play again this year. Veteran performers for the Red and Black include Pete Coombes, Pete Mockler, Pete Chalmers, John Benson, Hedley Savoy, John Sears, Glen Parent and Bud Pierson. Talented newcomers to the squad consist of Tom Jarrett, Bob Soward, Glen Mowatt, Curry McCarthy, Don Morrow, John Basset and Jerry Lynch.

Coach Kelly expects Saturday's game to be a big one and feels confident his charges will be up for it.

In last year's action packed game the visiting Mounties went down to a 5-0 defeat and will be out for revenge. Major Waldo McCormack lost several outstanding players last year but has put together another fine squad this year, as evident from their 5-2 win over St. Dunstan's University. Returning from last year will be standout goalie, Harry Stirling, not to mention fast moving forward Dick Vansnick and rugged defensemen Mal Joyce and Neil Sargeant. Other performers for the Garnet & Gold will include George Tsonos, Jim

McIntyre, Roy Maxwell, Dave MacLeod, Gorham, Tim Dickie, Henderson, Watt, George Stevens and Yeamans.

SKIING

While all this action is taking place on the campus, skiing enthusiasts will be playing the hickories on Royal Roads slopes. Buses will be running to and from the hill at times to be announced.

The Red Falcons will be attempting to retain their Maritime Intercollegiate and UNB Open championships that they have won for the past two years. They will meet strong teams from Mt. A. St. F.X. and the Halifax Ski Club. Returning to the squad this year is Colin Bergh, Roger Houde, Pete Dykeman, Jack Cushing, Lloyd Higgs while newcomers Don Taylor and Hans Anvik have given the team depth and strength as was seen when they nearly upset a powerful University of Maine squad earlier this year.

Conditions at the present time are good. There is five inches of hard packed snow and the course is extremely fast.

Schedule of events.

Maritime Intercollegiate Ski Meet — Jan. 31 and Feb. 1.

UNB Open meet held in conjunction with the Maritime Intercollegiate meet on Feb. 1 and 2. Jan. 31

10:00 am Downhill Races
