SEA-LIMIT IS NO BAR TO LIQUOR SEIZURES

W. F. O'CONNOR GIVES OPINION TO PROBE BODY

Problem of Rum-Runners in Bay of Fundy Dealt With

IS FAR-REACHING

Says Sea-Bed is as Much a Part of Dominion as Dry Land

OTTAWA, Nov. 4.—Canada has the right to seize and confiscate British or Canadian rum-running vessels outside as well as inside the "three mile limit" along the Canadian coast lines. This is the contention of W. F. O'Connor, K. C., former counsel in the customs inquiry, who, at the request of Sir Francis Lemieux, chairman of the Royal Commission, has completed and presented his argument on this important question to Sir

Francis. Any evading of or attempt to evade Canadian revenue laws, committed on any British or Canadian ship, anywhere, even on or from the open sea, is punishable in Canada, Mr. O'Connor contends.

MAY BE SEIZED

The supply ship and those aboard her, in his opinion, may be seized at sea and brought into Canada for trial and anybody ashore who has aided or abetted the offence, is criminally liable with those on board the ship. Both ship and cargo, Mr. O'Connor declares, are subject to confiscation. Foreign ships and those on board them, engaged in like evasion of Canadian laws, are to a more limited, but quite sufficient extent, amenable also to Canadian criminal law. Mr. O'Connor further contends that

the problem of rum-runners in the Bay of Fundy, Northumberland Strait and the Gulf of St. Lawrence is also dealt with in the opinion submitted to Sir Francis Lemieux. Mr. O'Connor on this point, expresses the opinion that the sea-bed under these waters is part of the territory of Canada and that an offence committed on board any British or foreign ship in either bay, gulf or strait is as justifiable in Canada as if committed on a ship lying at a Halifax dock.

ONE RESULT

It follows from this argument, if sound, that Department of Customs has been releasing ships and cargoes that ought to have been condemned. The whole opinion, with quoted authorities, covers over 150 pages. If Mr. O'Connor's contentions are made good, apart from their importance as supporting Canada's ownership of a wide extent of marine territory, they will assist in rendering the problem of defence of the sea coast from smugglers a comparatively simple proposition. On the other hand, there is much in his argument which goes to the credit of the United States like powers to those claimed by him for Canada, which will enable a more effective policing of the United States coast.

ABANDON HOPE FOR ENTRAPPED MINERS

Grief-stricken Crowds Keep Vigil at Michigan Pit; 52 Reported Drowned

ISHPEMING, Mich., Nov. 4.—A grief-stricken crowd of women and children, most of them widows and orphans of the victims, kept vigil throughout the night about the great gaping mud-pit which marked the grave of 52 miners entrapped in the Hurley Hecker Iron Mine near here yesterday, when the bottom of a swamp over the shaft, gave way, flooding the workings.

Forty of the men unaccounted for and believed drowned or suffocated were married and all except a few leave children.

SCANT HOPE HELD

Huddled about bonfires and in company shacks on the mine surface, the little groups presented a pathetic picture. Hollow-eyed with despair, they clutched at the scant hope that in some miraculous manner, their loved ones may have been spared. They refused to leave the scene for any rest and spent the night alternately praying and hovering about the workmen draining the shaft.

Officials said it would require months to clear the shaft and indicated the mine may be abandoned.

Lifer Invents New Device For Mail Bags

KINGSTON, Ont., Nov. 4.—Norman "Red" Ryan, serving a life sentence at Portsmouth Penitentiary, for bank robbery, has perfected a theft-proof lock for mail bags, for which patent rights will be sought in the country's name, it was learned yesterday. The new device, it is understood, has been submitted to the authorities of the Canadian Post Department, who have been on the lookout for a more satisfactory lock than the one at present in use. As it lightens the bags by some three-quarters of a pound, through the abolition of ropes, straps and steel bars, in addition to increasing security, it has received favorable consideration, it is said. Two models have been forwarded to Brigadier-General W. S. Hughes, superintendent of prisons, who will seek to protect the invention.

TWO SENATORS MAY LOSE SEATS

Heavy Expenses of Vane and Smith May Be Cause

NEW YORK, Nov. 4.—Belated returns today indicated that from next March till the end of his term of office, the Senate will furnish a problem for President Coolidge. On paper, just one-half of the senators will be Republicans. Eight of that half will have a reduced majority in the House, but the insurgents will be a considerable factor there.

SENATE STANDING.

Complete returns show that the next senate will have 48 Republicans, 47 Democrats and one Farmer-Labor-Shippard of Minnesota. In the present senate there is a Republican majority of nine. The 48 Republicans in the new senate will include Brookhiser of Iowa, Nye of North Dakota and Blaine of Wisconsin, insurgents who were elected Tuesday, and as the following who did not have to go to the polls: La Follette of Wisconsin; Frazier of North Dakota, and Norris and Howell of Nebraska.

SUMMARY TO DATE.

SENATE.—Republicans, 21; Democrats, 14; to be held Nov. 29, 1, total, 36. HOUSE.—Republicans, 232; Democrats, 193; Farmer-Labor, 1; Socialist, 1; doubtful, 8; total, 435.

Formal Dress Banned Because of Expense

OWEN SOUND, Ont., Nov. 4.—Because it was thought that some of the students failed to attend dances given by the Owen Sound Collegiate Institute owing to the inability to buy expensive evening frocks, the board of education has placed on a ban against the wearing of formal dress at Collegiate dances. The board made it plain that it was not thought that any of the girls were extreme in the dresses they wore, but gave as the reason for the ban that competition in the wearing of clothes was becoming too keen with the result that the girls in moderate circumstances stayed away from dances rather than attend in dresses that would not compare favorably with those of their wealthier fellow students.

A NEWSPAPER'S primary aim is to please 100 per cent. of its readers, even though it realizes that it might be physically impossible to accomplish that object at all times. But when a newspaper receives an unsolicited bouquet from another publication in the same district, there is rejoicing on all sides.

Hence, there was a certain satisfaction when the mail arrived in The Telegraph-Journal office yesterday, in the fact that one of the letters was from a prominent Nova Scotia newspaper, enclosing a check for a subscription to The Telegraph-Journal, and with the envelope addressed as follows:

The Telegraph-Journal, The Maritimes' Greatest Newspaper, Saint John, N. B.

KINGS COUNTY MAN IS KILLED IN GRIST MILL

Walter Parlee, Ward's Creek, Caught in the Machinery

IS WELL KNOWN

Accident Happened Late This Morning—Survived by a Large Family

SPECIAL TO THE TIMES-STAR
SUSSEX, Nov. 4.—The community was deeply shocked this morning when it became known that Walter Parlee, of Ward's Creek, had been instantly killed while at work in his grist mill at that place. Particulars of the tragedy had not reached the town early this afternoon.

The accident happened about 11:30 this morning. Mr. Parlee while working around the machinery became caught in some way and crushed and soon died. The machinery he was stopped he had used before and he was about 82 years of age and well known and highly respected, not only in the locality in which he resided but in all parts of the county.

Mr. Parlee is survived by his wife, formerly Alice Brown; three daughters, Miss Vera, Boston, and Miss Effie and Bertha, at home; and seven sons: Clarence, the Canadian west; Harold, Fred and Roy, Boston, and Arthur, Herbert and Raymond, at home.

ENGLISH WOMAN IS ARRESTED IN ITALY

Mrs. Laden Charged With Making Degoratory Remarks About Fascists

BRITISH UNITED PRESS
LONDON, Nov. 4.—The Daily Mail says today that Mrs. Algonquin Laden, niece of Lord Dunsmore, probably would be tried soon in Italy on charges of making derogatory remarks about the Fascist Government.

Mrs. Laden's arrest was the result of a report that she had been seized at Volona, near Rome, October 3, after her remarks on the Government had been overheard in a restaurant. She was reported to have been released on bail, October 6, with liberty to leave the country. Except for the Daily Mail report, it appeared that she had taken advantage of this opportunity.

CHILD POISONED

Four-Year-Old Dies After Drinking Whiskey

NEW HAVEN, Conn., Nov. 4.—The death of a four-year-old child from drinking moonshine whiskey was being investigated here today. The child, Donald J. Noel, of West-haven, died Monday after suffering convulsions. The medical examiners' report said that death was caused by "probably acute alcohol poisoning by drinking moonshine whiskey from a bottle, thinking it was soda water."

Rev. J. F. Chase, Anti-Vice Worker, Passes

BOSTON, Mass., Nov. 4.—The Rev. Jason Franklin Chase, prominent locally for years as a campaigner against vice, and internationally known for his attempt last spring to suppress The American Mercury, is dead after a brief illness.

Conservative Meeting Asked For Winnipeg

TORONTO, Ont., Nov. 4.—A staff despatch to the Globe from Ottawa printed this morning says:

"Hon. Hugh Guthrie has received scores of letters urging that the National Conservative convention for the selection of a permanent leader be held in Winnipeg.

"Mr. Guthrie is not opposed to Winnipeg, but Mr. Baldwin thinks the convention should be held in Ottawa. "The matter will be dealt with by a committee of nine, representing each province. A delegation of five from each constituency in the Dominion will compose the committee."

HALL - MILLS CASE WITNESS COLLAPSES

Mrs. Gibson, "Pig Woman," Ill in Hospital; Mother Located, Report

SOMERVILLE, N. J., Nov. 4.—Mrs. Edna Gibson, a pig raiser who claimed to have been nearly when the Rev. Edward Wheeler Hall and Mrs. Eleanor Somers were slain in an abandoned orchard four years ago, and who was due to be the first witness on the stand at the murder trial this morning, was hospitalized today—suffering from intestinal trouble and grippe. She has a temperature of 102.

After Mrs. Gibson's collapse last night, it was reported here that the defence had located her mother, and planned to introduce her to attack Mrs. Gibson's credibility as a witness.

SURPRISE WITNESSES

The trial of Mrs. Frances Stevens, Hall and her two brothers, Henry and Willie Stevens, for the murder of Mrs. Mills, began yesterday. After the jury, the state opened its case with two surprise witnesses, whose testimony was intended to break down the alibi of Willie Stevens. They were aided by a photographer and Charles Lettice Mills, daughter of the murdered woman.

SEKS CO-OPERATION

Sir Henry also touched upon the feelings of the Canadian Board of Trade and congratulated the business men of the Dominion for taking this step. He expressed the hope that the Dominion board would establish a transportation committee with which the railway companies could deal and which would assist in promoting a better understanding of freight rate matters.

In concluding his remarks he counselled his audience to not be too worried about immediate problems. "There will always be problems," he said, "but remember this, the battles of today are the victories of tomorrow."

'The Khan,' Ontario Author-Poet, Passes

HAMILTON, Ont., Nov. 4.—Robert Kirkland Kerrigan, "The Khan" author and poet, died this morning at his home in Rockton after an illness of several months, in his 72nd year.

SHOP Talk

FEW writers are read and respected by millions of people. Dorothy Dix is one of the few. Every day millions of women—and many men, too—look forward with keen anticipation to the articles and advice of this remarkably popular writer.

Quite recently a member of The Evening Times-Star staff asked twenty women what they liked best in this newspaper. The answers revealed varied tastes, but EVERY WOMAN declared she read Dorothy Dix regularly.

Dorothy Dix is a writer endowed with sane, sound common sense. Her articles are full of human interest. There is nothing flippant or insipid about them. They are at all times interest-compelling.

Dorothy Dix's daily article is a worthy member of The Times-Star's family of features and is read with pleasure by young and old alike. Compare The Evening Times-Star with any paper three times its price.

THORNTON SEES NET EARNINGS OF \$45,000,000

Big Increase in C. N. R. Operating Income This Year

VALUE OF SYSTEM

Sir Henry Lauds Formation of Dominion B. of T. in Vancouver Speech

Canadian Press
VANCOUVER, B. C., Nov. 4.—A net operating income of \$45,000,000 for the Canadian National Railways this year, was predicted by Sir Henry Thornton, chairman and president of the company, during an address to the Board of Trade here last night.

This sum, Sir Henry pointed out, will be sufficient to pay all the interest charges on securities held by the public and to leave something over for application against loans made by the government.

The way to measure the value of the investment is by its earning capacity," Sir Henry said. "Applying the standard of the Canadian National Railways, we find that in 1922 the net earnings were \$5,000,000 while this year we hope to have net earnings of \$45,000,000. If you capitalize those sum at 5 per cent, you will find that the Canadian National Railways this year have an investment value of \$900,000,000 as compared with \$100,000,000. That is to say, the value of the National System, from the point of view of earning power, has increased fifteen times in four years."

IS SUPER-OPTIMIST.

Admitting the charge levelled against him that he is a super-optimist, the speaker throughout the whole of his address, preached the gospel of faith and hope and he cited as examples, the development of the great national resources being carried on in all sections of the country; the investment of huge sums of money in the dominion by foreign capitalists; and the rapidly increasing markets for the products of the farms of Canada and also of its industries.

Viscount Churchill's Divorce Is Sensation

LONDON, Nov. 4.—London's greatest divorce sensation of the year came Wednesday when Viscount Churchill of Wychood, once Lord-in-Waiting to the late Queen Victoria and King Edward, brought suit against the wife with whom he has lived for 33 years.

The defendant in the divorce action, which began at the Court of Session in Edinburgh, was before her marriage on New Year's day, 1887, Lady Verena Maud Lowther, daughter of the third Earl of Leathes.

TEACHERS CONFER

Carleton-Victoria Institute Meets at Woodstock

WOODSTOCK, N. B., Nov. 4.—The Teachers' Institute for Carleton-Victoria met in the Fisher School here today, with an enrollment of upwards of 200. Dr. W. S. Carter, Chief Superintendent of Education for New Brunswick, is in attendance, and Dr. Trueman, president of Mount Allison University, Sackville, and Mrs. H. G. McLeod, of Fredericton, are expected today. The speakers at the morning session were Mr. Turner, principal of the Fisher School, who welcomed the visiting teachers and gave an interesting description of the Beaverbrook European trip, and Inspector L. A. Moore, who took as his subject "Thoroughness in the Teachers." Dr. Carter gave the closing address.

TOM FOLEY DIES

CHICAGO, Nov. 4.—Tom Foley, who organized the original Chicago White Stockings in 1869 and was called the father of baseball and Billiards in the west, died here last night, aged 84.

Anti-Pillory Society Decries Stiff Collar Shall be Banned

PARIS, Nov. 4.—Women the world over have discarded corsets; why should man remain bound to the tyranny of the stiff collar? is the rallying cry of the Anti-Pillory Society. The society pledges its members to abandon stiff collars forever, even with

PRINCESS ASTRID of Sweden and Prince Leopold of Belgium will be united in marriage today with a civil ceremony at Stockholm. The religious part will come later at Brussels.

FOUR KINGS ATTEND STOCKHOLM WEDDING

STOCKHOLM, Sweden, Nov. 4.—In the presence of the crowned heads of four nations, Princess Astrid, 20-year-old niece of King Gustav of Sweden, was married today to Crown Prince Leopold, the Belgian heir apparent.

Mayor Carl Lindhagen of Stockholm officiated at the civil ceremony which will be followed by an ecclesiastical wedding in Brussels, the Belgian capital, next Wednesday.

HEALTH MINISTER PLEADS FOR UNITY

Hon. Dr. King Sees Dawn of Great Prosperity in Canada

NELSON, B. C., Nov. 4.—Hon. Dr. J. H. King, Federal Minister of Health, and Premier Oliver, British Columbia, were the guests of a banquet here yesterday.

Dr. King briefly reviewed public problems from an optimistic standpoint and made a plea for the sinking of party differences and the pulling together of all concerned for the good of the country. He predicted a great prosperity as dawning on Canada.

The only subject of policy touched upon by the minister was in connection with the Department of Soldiers' Civil Re-establishment. In solving the problems before him in that department he hinted that he might have to ask for more money, but felt confident that he would have the support of all the people in that matter.

WED AT ZEALAND STATION

FREDERICTON, N. B., Nov. 4.—The wedding of Charles Haskell Morehouse, son of Mr. and Mrs. Melley Morehouse, of Zealand Station, and Miss Edith Lillian Burt, daughter of Mrs. Harley Burt of the same place, was solemnized at St. Paul's church, Zealand Station, Wednesday night. The ceremony was performed by Rev. A. F. Bates, rector of Fredericton, in the presence of a large congregation. Appropriate hymns were sung by the choir. The bride was given in marriage by her brother, Darrell Burt. The young couple will reside at Zealand Station.

Temperatures

Table with 2 columns: Location and Temperature. Locations include Toronto, Montreal, Quebec, etc.

THE WEATHER
SYNOPSIS—The depression which was in the Upper Mississippi Valley yesterday has disappeared and pressure is now high throughout the United States and relatively low over Northern Canada. The weather is showery in the Maritime Provinces and fair in the other provinces.

FORECASTS:
Fair and Cool
MARITIME—Fresh northeast shifting to northwest winds, showery. Friday, fresh westerly winds, fair and cool.
NEW ENGLAND—Fair tonight, Friday mostly cloudy and somewhat warmer. Moderate to fresh northwest backing to west and southwest winds.

DEFINITION OF LEGAL CASES BEING VIEWED

Formula for Governing Future Treaties Also Sought

HEAVY PROBLEMS

Dominions Want More Consultation on Foreign Affairs, Says London

By HERBERT BAILEY
British United Press.

LONDON, Nov. 4.—While the Imperial Conference is outwardly still running smoothly, everybody, including even Premier Hertzog and Mr. O'Higgins of the Irish Free State, is very optimistic as to the outcome of the controversial issues which are being fought out in committees at protracted sittings, leaving no leisure for delegates. The issue of the powers of the judicial committee of the Privy Council has come up for discussion in a committee of the Conference, and the whole question of what class of legal cases shall be referred to the Privy Council, if any, are in future to be referred to it at all, is being viewed.

The committee of legal delegates is also trying to find some formula which will govern future treaties made by British or the dominions with foreign powers which do not affect other parts of the Empire. While the discussions on the Locarno Treaties have been shelved for the time the lesson of those treaties is being impressed upon the delegates and it is hoped that some memorandum which will, in future deal with the dominions stand. This is proving a most difficult problem involving long discussions and so far the delegates have been unable to agree on the fact that the problem arises with difficulty.

FOREIGN POLICIES

The dominions want more consultation on foreign affairs and more information from time to time on such matters, while the question of the future status of the high commissioners, particularly in relation to the keeping of the dominions informed on foreign policy, will be discussed.

There is a definite movement among some dominions to give the high commissioners semi-ambassadorial rank but not really definite proposals have yet been made and the matter has only been discussed informally so far. Some issues that have been brought up were not expected to be discussed very fully at this time, such as the Privy Council issue, and this is making the conference assume an importance much greater than that which was given to it before the delegates assembled.

Rickard Plans Huge Arena For Chicago

CHICAGO, Nov. 4.—Tex Rickard is going to build a sports arena costing around \$6,000,000 in Chicago, situated on the Madison Square Garden in New York. The building will be completed by December, 1927, and will be used for hockey, boxing, bicycle racing and other sports.

CEREMONY ON NEXT TUESDAY IN FREDERICTON

Unveiling of Portrait of Chief Justice Sir J. D. Hazen

On next Tuesday at Fredericton at the opening of the November session of the Appeal Division of the Supreme Court of the province, a portrait of Chief Justice Sir Douglas Hazen, will be unveiled.

It was said this morning that it was expected that Hon. H. A. McKewen, chairman of the Board of Railway Commissioners and a former chief justice, probably would be at the ceremony, and would officiate at the unveiling, it was said he probably would act. Dr. F. R. Taylor, K. C., is expected that Hon. J. B. Baxter, president of the Barriesters' Society, will make a short address and as it attorney-general, will be present in his official capacity and as well as other prominent members of the bar from various parts of the province.

C. F. Inches, K. C., and C. F. Sanford, K. C., formed the committee that had charge of the affair.

CHIEF JUSTICE LUDLOW

Another portrait added to the collection is that of Chief Justice Ludlow, who was the first chief justice of the province. This one was procured through the kindness of Sir Douglas Hazen and J. M. Robinson.

Local News

UNDERGOES OPERATION Gerald Henderson, 41 1/2 Main street, of the staff of McAvity & Sons, Ltd., was operated on for appendicitis at the General Hospital last evening. He was reported this morning to be somewhat improved.

HELP ORPHANAGE A contribution of \$15.55 has been received from the Agricultural Society of Highfield, Queens county, by H. Usher Miller, secretary of the New Brunswick Protestant Orphans' Home, the amount to be applied to the maintenance fund of the organization.

POTATO EMBARGO It was said this morning at the C. P. R. local headquarters that the railway embargo on potatoes from northern New Brunswick and Maine into the ports of Boston and New York was still in effect and that the tubers could be shipped to these places only by permit. It was said this embargo was caused by congestion of terminal facilities at these ports.

WINNERS ANNOUNCED The supper and sale conducted by the ladies of St. Joachim's church in the church hall was brought to a successful close last evening. More than 200 suppers were served and the various booths and games were well patronized. The prize winners were: Diner prize, Miss Lillian Sheehan; men's team board, Rev. F. P. Walker; ladies' team board, Mrs. William Daley; doll drawing, ticket No. 116, Miss Mary McDonald, Eastmount; drawing for silk umbrella, ticket No. 1, Miss Mary Hughes, 97 Sydney street; bean guessing contest, Miss Lillian Sheehan.

Funerals

Harold J. Evans The funeral of Mrs. Harold J. Evans was held this morning at 8:30 from 30 Elliott row to the Cathedral for high mass of requiem celebrated by Rev. Francis Gillen. The funeral was largely attended and many spiritual and floral offerings were received. Interment was in the new Catholic cemetery, the prayers at the grave being read by Rev. C. J. Carroll.

Edward Quirk The funeral of Edward Quirk was held this morning at 8:45 from 167 St. James street to St. John the Baptist church for high mass of requiem by Rev. A. W. Kinella. Many spiritual and floral offerings were received. Interment was in the new Catholic cemetery, the prayers at the grave being read by Rev. C. J. Carroll.

Mrs. A. J. Kirkpatrick The funeral of Mrs. Andrew J. Kirkpatrick was held this afternoon. After a short private service at the home in Rotherbay the body was taken to the Anglican church at Gondola Point for service. Both services were conducted by Rev. Canon A. W. Daniel, of Rotherbay. Interment was in the Church of England cemetery at Gondola Point.

Black-Vickers A very pretty and interesting wedding was solemnized by Rev. P. W. Dixon at St. Mary's church, Newcastle, N. B., at 7:30 Wednesday morning, November 3, when Miss Mildred Vickers, daughter of the late James and Mrs. Vickers, was united in marriage to Hubert Black, son of Mr. and Mrs. William Black, both of Newcastle. The bride wore a navy portlet tulle suit with bronze picture hat and shoes and stockings to match and a fox fur. She was attended by Miss Josephine Salome who also wore a navy portlet suit with black picture hat and ivory squirrel choker. Mr. Thompson Dunn supported the groom. The bride is one of Newcastle's most popular young ladies and she has been employed on the staff of the N. B. Telephone Company for the last six years.

6 Coast Guard Boats Found In Liquor Trade

BOSTON, Mass., Nov. 3.—Six Boston Coast Guard boats, ferrying liquor from Rum Row to a "union price" of \$1 a case, have led to a Federal investigation that has revealed coast guard boats as regular rum carriers, with some of their officers as part owners in Rum Row vessels, according to a copyrighted story in the Boston American tonight.

The facts have been revealed by a confided Coast Guard participant to National Coast Guard commander William J. Wheeler in a series of secret examinations of coast guardsmen here, the story says.

Details of the manner in which the coast guardsmen landed their liquor were printed by the paper in an interview with a member of one of the patrol boats.

MAILS FOR BRITAIN

Arrangements for Week Ending Nov. 13 Announced Despatch of mails to the United Kingdom for the week ending Nov. 13 will be as follows: Business correspondence for Great Britain and countries via Great Britain and correspondence special, addressed for the New York route to connect with the S. Full mail for Great Britain and countries via Great Britain to connect with the White Star S. S. Doric, sailing from Montreal to Liverpool on Saturday, Nov. 13, at daylight. This steamship will also be used for direct parcel post for Belfast. Close 5 p. m., Nov. 12.

DISASTROUS FIRE

Many Villages Destroyed; 28 Killed in Transylvania

BERLIN, Nov. 4.—Despatches from Sofia today said a disastrous fire was spreading in Transylvania and had destroyed several villages. The fire, estimated that 28 persons and thousands of cattle had been killed.

Deaths

John Spencer NEWCASTLE, Nov. 3.—John Spencer, of Douglastown, died at the Hotel Dieu Hospital Wednesday evening, Oct. 27, after a short illness. He was aged 77. He is survived by one son, Harry, with whom he resided. The funeral was held Friday morning from his son's residence, Douglastown, to St. Samuel's church where requiem mass was said by Rev. D. J. Murdoch. Interment was in St. Samuel's cemetery. The pall-bearers were Charles Fitzgerald, David Galliver, James Sullivan, Charles Williamson, James Woods, and Thomas Hayden.

Mrs. Malcolm Amos NEWCASTLE, Nov. 3.—Word was received Monday morning by relatives of the death of Mrs. Malcolm Amos in Edmondston, she was found dead in bed at the home of her son, M. E. Amos, with whom she has resided for several years. Mrs. Amos was 79 years of age and formerly lived at Lower Derby. She is survived by three sons, George, of Lower Derby, Malcolm, of Edmondston, and Capt. C. S. Amos, of Newcastle; also two daughters, (Margaret) Mrs. Hutchinson, of Edmondston, and Katherine, of Saint John. The remains will be brought to George Amos' home at Lower Derby where the funeral will be held Thursday afternoon at 2 p. m. to Lower Derby United Baptist church where service will be conducted by Rev. H. K. Grimmer.

Mrs. Jacob Earl YARMOUTH, Nov. 3.—The death took place at Pleasant Lake, Yarmouth county, this morning, of Ella Maude, wife of Jacob Earl, of that place. She had been ill for several months. Mrs. Earl was formerly Miss Collins of Westport, N. S. But since her marriage to Earl, who is her only surviving near relative, she has resided at Pleasant Lake. The funeral will take place on Friday at 2 o'clock.

TO ATTEND LAUNCHING

YARMOUTH, Nov. 3.—Mayor Kinney, Yarmouth superintendent of the Boston and Yarmouth Steamship Co., and Mrs. Kinney, also General Manager Graham of the Dominion Atlantic Railway, left Yarmouth last evening for Boston. From there they will proceed to Philadelphia to witness the launching of the new Boston-Yarmouth liner Yarmouth, which takes place on Saturday from the Cramp's shipyard at that port.

I am going to put this home brew question fairly up to the Dominion Government. I am going to create such a pressure and agitation in this province that home-brewing will have to stop.

Coats of Charm

Vogue Coats and Therefore The Style-Values

For Coats that ARE Coats—for Values that ARE Values, be fair to your purse and appearance by first judging those you see in greater variety and individuality at THE VOGUE.

\$25 for \$15

The cosiest, the thickest and softest of fancy Tweeds, heavily furred and yet warm without weight. An entirely new order in broad plaids and checks, tile weaves and color combinations, trimming touches. Vogue \$25 Values for \$15.

\$29.50 Choice

Blues, Wine Reds and Blacks in outstanding selection in fluffily furred Needle-points, Broadcloths, Suedenes, Peachblooms and Novelty Tweeds of imported distinction. Many with stole shawl furring down to hem, slenderizing tucks, heavy interlinings, Crepe or Brocade linings. A number are half price because travelers' samples.

\$39.50

Leopard fur lined, collar and cuffed—that's but one of a group of furred and fur-lined treasures at but \$39.50. Or all-wool Needle-points of that softness and close weave bespeaking highest quality and effect. Opposum or Moufflin fur-rings in solid or two-tone to harmonize. Crush collar: shawl, deep shawl and shawl stole. Dolman sleeve, half-Dolman or peasant. Many linings of durable brocade. \$60 Coats for \$39.50.

FURS LESS

Number 1 Chapelle Seal Coats, Vogue price \$87, in sizes 34 to 40. Beaverine Coats in sizes up to 38, Vogue price likewise lower at \$87. Pelts arranged like Mole, like Beaver or diagonals. Number 1 grade Chapelle with Squirrel collar and cuffs or perfectly formed and tipped Black Sable, a Vogue Value at \$150.

For Evening Gowns that ARE Gowns—for Dresses that ARE Dresses—for variety and style values in all Frocks and Coats, go to

Premier Duplex and a motor-driven brush, too! THE PREMIER DUPLEX has two ways of getting the dirt. And it uses both at the same moment. It has strong suction, and a motor-driven brush, too. The brush picks up threads, and loosens grit. The strong suction gets everything. With double action it gets all the dirt. Both motor and brush are ball-bearing. That means that the Premier Duplex needs no oiling, but serves without care for long years. Come in and see a demonstration today. Premier Duplex ELECTRIC VACUUM CLEANER Made in Canada

WOMEN TO HEAD JURIES IN MAINE

History Made in Jurisprudence of Neighboring State at Bangor

BANGOR, Me., Nov. 4.—For the first time in the history of Maine, and possibly in New England two juries were drawn in the Superior Court recently, at the opening of the November term with in each instance a woman as foreman. Ethel C. Carleton of Dexter being elected foreman of the first trial jury and Ida Beaulieu of Millinocket, foreman of the second.

NO COMPANY YET

Firm of Which Hon. M. Doherty is Head is Interested

TORONTO, Nov. 4.—Hon. Manning Doherty, whose firm, the Doherty, Eason Company, Limited, holds an option to purchase the Seagram distillery, stated that no company has been formed to buy the distillery, nor has anyone been engaged for the post of manager. He had nothing definite to announce.

SURPLUS EXPECTED

Belgian Budget Anticipates 1,500,000 Francs in Excess

BRUSSELS, Nov. 4.—The Belgian budget for 1927, submitted to the cabinet yesterday by Premier Jaspers, contemplates a surplus of 1,500,000 francs. This will be devoted entirely to debt funding.

DEBATE IN TORONTO

University of Minnesota Students Meet Canadians

TORONTO, Nov. 4.—Three University of Minnesota debaters, Arnold Karlins, Frederick Renaud and Harold Stassen, took part in a debate on the resolution "That in the opinion of this house, the influence of the United States on Canada has increased, is increasing and ought to be diminished."

ACROSS CANADA

BERWICK, N. S. — Lightning, passing over this town before daylight, struck a chimney of the residence of H. D. Patterson, entirely demolishing it, knocking out the fireplace, tearing apart the kitchen stove pipe and stove, and tearing the telephone from the walls. Mr. and Mrs. Patterson suffered no harm.

UPPER STEWACKE, N. S. — Wm. Brown, of Eastville, is improving slowly after having been kicked by a colt, which he went to water after having skinned a wildcat, instead of a coon, as reported. The colt knocked him over and jumped on his leg several times.

TORONTO — When the burglar alarm in the premises of the Bank of Toronto set up a clamor, residents and pedestrians fled to the scene, in eager expectation of a battle between desperadoes and police. Search of the premises yielded no sign of burglars; and it was concluded that rats gnawing at wires attached to the alarm caused the uproar.

OTTAWA — Canada's automobile exports increased. In the last 12 months the value of these exports was \$40,706,948. In the previous corresponding 12 months the value of automobile exports was \$38,813,829.

OKAVILLE, Ont. — Poim Maxin, international champion Alfrede dog, is dead. He had competed in dog shows all over the continent with remarkable success. Norman McKenzie, K. C. of Regina, Sask., was the owner.

BRANDON, Manitoba — Julian Gaucher, Cree half-breed, who was accused of murder, growing out of a lemon extract spree at Whitefish Lake, Alta., was sentenced to life imprisonment for wounding his brother-in-law.

WINNIPEG — Alderman Sam Carson, representative of the St. Boniface city council, and ex-Alderman D. C. McFee have traded houses. For Alderman Carson's residence on Eugene street, Norwood, the former alderman will exchange his own residence at 151 Horace street, Norwood. They were opponents in the last elections.

VANCOUVER — As aftermath of a fire which destroyed the house of her mother, near Alet Bay, sentence of two months' imprisonment at Okakilla jail was imposed on Mrs. Cook, who is an Indian of the Nimpkish tribe, for drinking liquor on an Indian reserve. For supplying the liquor to her, Billy Hunt, an Indian, was fined \$20 and costs.

DEBATE IN TORONTO

University of Minnesota Students Meet Canadians

TORONTO, Nov. 4.—Three University of Minnesota debaters, Arnold Karlins, Frederick Renaud and Harold Stassen, took part in a debate on the resolution "That in the opinion of this house, the influence of the United States on Canada has increased, is increasing and ought to be diminished."

ARE 15 YEARS WED

Mr. and Mrs. John Jamieson Are Honored

Mr. and Mrs. John Jamieson, 58 Wall street, were guests of honor at a very pleasant party last evening, when about 30 friends gathered at their home to honor them on their 15th wedding anniversary. A delightful evening was spent at cards. The prize winners were Mrs. A. Wilson, Mrs. H. Dakin and Mrs. J. Jamieson. Andrew Hay, on behalf of those present, presented a beautiful china set to the honored couple who suitably expressed their thanks. Delicious refreshments were served by Mrs. A. Jeffrey, Mrs. M. Strong and Mrs. A. Stackhouse.

TO OPERATE BUSESSE

Boston Street Railway Company Prepares for Strike

BOSTON, Mass., Nov. 4.—The Boston and Worcester Street Railway Company will continue its service by motor coach when its 200 operatives go on strike Friday, it was stated in a statement issued here last night by the company's receiver.

HATES MOONSHINER

RENFREW, Ont., Nov. 4.—"The moonshiner, the man who distills death in a swamp, is the lowest and most detestable type of human being. He is a desperado and murderer rolled in one. I would have no more to do with a man who brought a carload of beer into Renfrew and sold it openly, than I would have towards a moonshiner." These words were engendered into remarks by County License Inspector Haycock, in the course of an interview regarding the report that 30 stills were operating in this county at the present time.

FEAR UNFOUNDED EARTH SETTLING

Dr. A. P. Coleman Sees Its Connection With St. Lawrence Earthquakes

OTTAWA, Ont., Nov. 4.—According to W. H. Collins, director of the geological survey branch, department of mines, there is no noticeable sinking movement in the North American continent. Mr. Collins asserts that there is always a certain amount of movement, more so in a mountainous country. As loads wear off the top of mountains in the lowlands, but a sinking movement is general, continuing in a buty, look section. The adjustment of the earth's surface is a natural year in and year out. No record of unusual sinking movements have been received at the geological survey office.

FISHMAN FIRED AT IN MACHIAS, ME.

Believe Retreating Men Sought Money Received From Sale of Lobsters

MACHIAS, Nov. 4.—Samuel Wright, a fisherman living alone on Cross Island, and one of the islands in Machias bay, had an unpleasant experience one morning last week when at dawn as he was making preparations to go and pull his lobster traps, he heard a noise outside his camp, and thinking it was his son who had come from the mainland, called for him to come in. Almost immediately as he arose there was a shot and a bullet penetrated the camp, coming in at one side and going out at the other, just missing Mr. Wright's head. He went to the door and could see the figures of two men making off, but at the gray light could not distinguish who they were. Shortly afterward he went to the Cross Island Life Saving station about one-half mile, and related the incident, but it might mean time their escape and no clue to their whereabouts was found. It is believed that robbery was the motive. Mr. Wright had just sold a quantity of lobsters and had a large sum of money in his possession in the camp.

FIVE HOLD-UPS ARE REPORTED IN OTTAWA

OTTAWA, Nov. 4.—Two holdups were reported in the city last night, making the fifth holdup within the city limits this week. John Bradley was held up at the point of revolvers by two men opposite his home on Isabelle street in the residential district. He was relieved of \$89 in cash. Harry Arbib reported early this morning to the police, that he was accosted by a rough-looking man on Lyons street in the more exclusive section of the city and told to hand over his "change." Mr. Arbib dodged and struck his opponent who returned the blow, cutting a deep gash on the back of his head, with some metal instrument, believed to have been a revolver. Mr. Arbib's assailant then ran away. Three holdups were reported on Monday to the police.

AIR ROUTE ACROSS ATLANTIC PLANNED

French Government Appropriates 600,000,000 Francs For New Venture

PARIS, Nov. 4.—Appropriation of 600,000,000 francs to establish a trans-Atlantic aviation line between Dakar, in the French colony of Senegal, and Buenos Aires, the Argentine capital, was announced by the French finance ministry yesterday.

SAFELY ACROSS OCEAN

Mrs. E. S. Hennigar, of Orange street, yesterday received a letter from her son, Rev. Dr. E. C. Hennigar, stating that he had arrived safely at Yokohama on September 30, en route to Matsumoto, Japan, for missionary work. Rev. Dr. Hennigar was here last summer and left Saint John on his return last August.

The Audit Bureau of Circulation audits the circulation of The Evening Times-Star.

SAINT JOHN, N. B., NOVEMBER 4, 1926.

HOLDING PUBLIC INTEREST

MANY people in the city will be interested to learn that the matter of the proposed recall of the City Council is now definitely shelved, for the time being at least.

INDIAN VILLAGE INDUSTRIES

IT IS interesting to note that Bombay is following the lead given by the United Provinces some fifteen years ago, and intends to foster provincial village handicrafts.

CITY MANAGER PLAN

AFTER thirteen years' experience with the City Manager plan of civic government, the City of Dayton, Ohio, through its research bureau, has issued a pamphlet in which it gives a resume of the accomplishments of the city under that scheme.

MARKETING APPLES

THE Calgary Herald says there is great need of an orderly system of marketing Canadian apples. It points out that British Columbia has a huge crop of finest quality, but because the prairie farmers have a delayed harvest they are slow in purchasing apples, and the question of storage becomes a matter of vital importance to the British Columbia growers.

BEWARE A COLD WINTER

NEW JERSEY fishermen are now making a bid for fame as weather prophets. Seabright is in a fair way to eclipse the day. The coming winter is to be cold, says Seabright. The signs are coming in the fall of weakish and frostfish, also of mossbunkers; heavy feathering of gulls returning from northern waters; many fishawks about, and the unusual height of ground-swells. These portents are not to be dismissed lightly.

WHO ARE THE PATRIOTS?

SOME of our people love their country so much that they can be persuaded to go to the polls election day, if it does not rain or if no one invites them to play golf or go motoring.

BAD NEWS FOR THE PESSIMISTS

THE country can't be going to the devil when books on history and philosophy jump to the top of the best-selling column.

Dayton's Experience With City Manager System

THE City of Dayton, Ohio, which was the first large city to adopt the city-manager system, has just completed 13 years under that form of city government, and a pamphlet summarizing its results has been issued by the Dayton Research Association.

HOW LONG?

"WE CANNOT let the children of a drunken father starve or freeze?" This sentence appears in a letter from Rev. John V. Young of this city, which is printed in today's Times-Star.

POEMS I LOVE

"Home," By Richard Le Gallienne. MR. LE GALLIENNE has not written many sonnets, but the handful he has given us are distinguished by that grace and beauty which he puts into anything he touches.

Timely Views On World Topics

MONEY ABSORBING LIVES IN AMERICA. By The Right Rev. Arthur Foley, Bishop of London. I TELL you quite frankly that I have found the business men of your nation so absorbed in the accumulation of money that they are beginning to lose sight of religion and of all the better things in life.

After Dinner Stories

THE minister, taking a walk early in the morning, found one of his parishioners lying peacefully in a dry ditch. "Ah! where have you been, Andrew?" demanded the good man, sternly.

Just Fun

HE WAS looking for a rich wife, and thought he had found what he required. "I love you," he said, "more than I can tell in words." "Try figures," she replied, coldly.

Other Views

THE VALUE OF LAND (Winnipeg Tribune) LAND is essential to support the living and to provide a last resting place when the spark of life is gone. It must be had as a mooring place for the soul and a landing field for ships of the spirit.

CIVILIZATION'S SCHOOL

IN THESE days when we are hearing so much in praise of autocracy and military discipline it is well to be reminded of the fact that there is only one real training for a civilized state, and that is the training of freedom and personal responsibility. The world, it cannot be emphasized too often or too much, began in the discipline of authority. It has worked its way by slow degrees to the discipline of liberty. Of course there is a lot of lost motion where people are free. But at the end of the journey they have traveled further and on better lines than those whose lives are ordered.

INTER-EMPIRE RELATIONS ARE CONSIDERED

London Newspaper Comments Editorially on Situation

By GEORGE HAMBLETON
Canadian Press Correspondent

LONDON, Nov. 4.—The Daily News dealing editorially today with the question of inter-empire relations, says: "For our part we hope the representatives of the home government will do something more useful than express opinions about the advantages of consulting the dominions on foreign affairs, or make general promises to keep the dominion governments in close and regular touch on diplomatic movements and negotiations."

REFERS TO CHANAK

After referring to Chanak and Locrino episodes, the News adds: "To be candid we believe the British cabinet is fully alive to the fact that this perilous system cannot be persisted in and that some way must be found to ensure not only that the dominions shall know what is happening but also that they shall enjoy an effective share in policy control."

The News continues, however: "We should appreciate just what any attempt to draw up hard and fast legal formulas defining the exact constitutional position of the dominions on Great Britain's foreign policy. Any such formula would lead almost inevitably to the production of a fixed written constitution which, in view of the genius of the British race, would cause endless difficulties and probably prove in the long run to be a fatal source of friction."

KILLED IN ATTEMPT TO ESCAPE "TOMBS"

Four Die in Spectacular Attempt to Break Out of Prison in New York

NEW YORK, Nov. 4.—Two men were arrested today charged with aiding the spectacular attempted break from Tombs prison yesterday in which four men were killed and three were wounded.

They were Oscar Amborg and Robert Warner, of Brooklyn. Amborg, the police said, is a relative of Hyman Amborg, alleged murderer who shot and killed himself when escape from the high prison walls became impossible. The police said Amborg was suspected of being implicated in smuggling weapons to the prisoners who made the unsuccessful dash for liberty. The dead are Peter Malone, warden; Jeremiah Murphy, a guard; Oliver Glantz, alias Bertha; and Burke, a Chicago gangster recently brought here to face a charge of robbery, and Hyman Amborg, under indictment for murder in a jewelry store robbery.

ONE BADLY WOUNDED

The wounded are Daniel O'Connor, guard, J. Allen Stoddell, a spectator on a nearby building, and Michael (Red) McKenna, a prisoner charged with murder in connection with the robbery of the Reid Ice Cream Company. McKenna was said to be so badly wounded he would probably die. Three prisoners started the attempted break yesterday that drew hundreds of other prisoners into a near panic and brought 800 policemen to battle with them in answer to a hot call.

TAXI-DRIVEN HELD ON THEFT CHARGE

Stanley Colwell, Formerly of Saint John, Implicated in Fredericton Case

Special to The Times-Star
FREDERICTON, N. B., Nov. 4.—Stanley Colwell, taxi driver, formerly of Saint John, but for some years a resident of Fredericton, pleaded guilty this morning to a charge which made him a principal with Harry Mount and John McGoldrick in the breaking and entering of the premises of J. Clark & Sons, Ltd., and the stealing of 11 fur coats, the value of which is in excess of \$2,000.

J. J. F. Winslow, K. C., appeared on behalf of Colwell and made a presentation of the matter to the court. He urged that clemency be shown in the matter of the matter to the court. He stated that there had been no premeditation on the part of Colwell. He had received a telephone call early in the morning to meet Mount and McGoldrick with his car. He had done so, and when he found the two they had the fur coats in their possession. Counsel also presented before the court the fact that the police both Saint John and Fredericton give Colwell an excellent record previous to the present case.

REMAINED UNTIL FRIDAY

Police Magistrate Limerick remanded the prisoners until Friday for consideration. The charge originally was having stolen goods in his possession. Mount and McGoldrick were sentenced Wednesday, the former to five years and the latter to two years.

On Friday, in addition to Colwell's case, there will be charges of theft against Seymour Chase and George Crowley, both of whom were arrested in connection with the Clark robbery.

Yours,
KATY.

NOTE:—So Jack had left Fredericton, had he? There is something fishy somewhere. Tomorrow's letter is an eye opener. Don't miss it.

RECORD CORN IN ENGLAND

Owing to the hot summer in England there was an exceptional growth of corn (or maize, as it is called there). This picture, taken at Hooedden, one of the few places where this crop is grown annually in the British Isles, shows many stalks over nine feet high.

Red Cross Workers Having Busy Time at Points in N. B.

The Junior Red Cross supervisors, Miss Jessie L. Lawson, and the organizer of Red Cross home nursing classes, Miss S. A. Barrington, are having another busy trip to provincial points. In her latest letter to provincial headquarters Miss Lawson referred to the community meeting which both Red Cross workers had addressed in Hampton last week. Later she had visited the Junior Red Cross, Upham, Lakeside and Smithtown branches at Hampton.

At Lakeside the day before the Junior Red Cross raised \$80 by a concert and social, and arrangements had been completed to have the school building painted on the inside. The branch at the school at Upham was visited next. The supervisor, who has visited very many of the schools in the province, refers to Upham school as the nicest she has yet seen. The Smithtown branch has only recently been organized.

On Thursday and Friday the supervisor was at the Teachers' Institute in Sussex. Grade VIII Juniors at Sussex found the institute a golden opportunity. They made and sold candy to the teachers to raise funds for their crippled children's fund. They also served afternoon tea for a gathering of the Junior Red Cross directors at the institute, and had their room and tea table prettily decorated in red and white, with many small Red Cross emblems.

Their president, Margaret Colpitts, and vice-president, Jean MacDougall, presided at the tea table in a very dignified and efficient manner. The Juniors had made very dainty souvenir cards which were presented to each of the directors.

Miss Lawson this week visited Sussex Corner school where two teachers are about to organize Junior Red Cross branches. She also hoped to call on the branches at Roanville and Lower Millstream, and two branches in the Sussex school.

AT BELLEISLE BAY.
On Tuesday evening Miss Lawson and Miss Barrington spoke of their branches of Red Cross work at a Junior Red Cross entertainment held at the home of Lemuel Hamilton at Belleisle Bay, under the direction of Miss Alice Vallis, the teacher of the school and leader of the Junior Red

Cross branch. The addresses were heard with much interest and an excellent entertainment program was given. Candy was sold and the total proceeds which amounted to a satisfactory sum will be given to the Junior Red Cross and the society funds.

Yesterday Miss Lawson and Miss Barrington left for Queens county and other centres in that district.

FATALLY INJURED

Malcolm Macdonald, Glace Bay Miner, Killed by Horse

Canadian Press
GLACE BAY, N. S., Nov. 4.—Malcolm Macdonald, miner and war veteran died yesterday in St. Joseph's Hospital from injuries received when he was kicked by a horse. He was 45 years of age and had only lately returned to work after having been laid up for some months from an injury sustained in the same mine.

COAL PEACE NEAR

British Situation Completely Changes, Says Delegate

LONDON, Nov. 4.—Leaving a secret conference, miners officials this afternoon, a prominent delegate said there had been a complete change in the situation and that there were hopes of peace.

Prospects that the miners' delegate conference tomorrow would vote to seek peace are voiced by the London newspapers.

GLACE BAY COLLIERY BOYS OUT ON STRIKE

GLACE BAY, N. S., Nov. 4.—Some 40 boys employed at No. 4 (Caledonia) colliery were on strike last night and today, following the dismissal of one of their number for remaining away from work. The mine however, is carrying on, operating last night with a loss of about 200 tons.

The Kitty-Katy Letters

Confidential Communications Between Two Charming Girl Friends—One Married

DEAR KITTY:—
My train must have passed Jack's train as I came up to Fredericton, because the clerk at his hotel said he had left for Saint John a few hours before.

That spoiled the whole day for me. I can't understand why Jack never wrote to me even once while he was gone. He must have some good reason but the mystery is on my mind all the time.

About the piano, of course I am going to buy it in Saint John. As I told you, I have practically decided adequate, there might be some real reason for buying out of town. But I've nearly completed buying my trousseau and everything has been selected right here. I am going to continue to buy at home as long as I am able to get what I want here.

Yours,
KATY.

NOTE:—So Jack had left Fredericton, had he? There is something fishy somewhere. Tomorrow's letter is an eye opener. Don't miss it.

Vigilance of French Police Officer Frustrated Revolt

Canadian Press
PERPIGNAN, France, Nov. 4.—The Catalan revolutionary movement, which ended here yesterday with the arrest of 98 conspirators, went on the rocks because a French policeman thought that they were near enough the boundary line, he and co-operating political police arrested the ringleaders.

The French policeman, who had his share in guiding the revolutionary movement in the way in which he thought it ought to go was Commissary Bringer of the first Brigade of the Paris Police. Bringer ferreted out the headquarters of the State of Catalan which was bold enough to post its colors on a building in the Bois Colombes, a suburb of Paris. For more than a year he followed the activities of the revolutionary leaders whose ostensible object was the separation of Catalonia from Spain.

When the plotters, equipped for mountain warfare with full uniforms of khaki and plentiful supplies, set out from Paris, Bringer mixed with them without detection and accompanied them to Bordeaux. From there they

went toward the Spanish frontier. Then, when the French policeman thought that they were near enough the boundary line, he and co-operating political police arrested the ringleaders.

Protests Ownership Of Autos By Students

UNIVERSITY, VA., Nov. 4.—Battered and decrepit flivvers may be collegiate, but they aren't scholastic, according to Edwin A. Alderman, President of the University of Virginia.

An unusually large percentage of college students possessing automobiles fail to graduate, President Alderman asserts in a letter, made public today, which will be sent to parents of prospective students before the next term opens. The letter urges parents to give serious thought to the question of providing their son with an automobile during his college career."

ITALY TO CALL IN SOME PAPER NOTES

Notice Received Here From Consul-General at Montreal—To be Redeemed

Word has been received in the city, through the consul-general of Italy at Montreal, that the government of Italy has declared by proclamation that 25 lire notes, issued by them, will cease to be legal tender on December 31, 1926, and will be declared worthless on June 30, 1927. It is believed that this step has been taken in order to reduce the amount of currency outstanding in Italy and that this denomination has been selected for the purpose as they have never been particularly popular. The consul general has sent this notification broadcast in order that all Italians residing in Canada might have an opportunity of redeeming these notes.

The Canadian Bank of Commerce, which has received this notification, announced today that it was prepared to cash these 25-lire notes any time up to December 15.

Ships' Bars Padlocked When Lady Howard Sights Drinking

LADY ISABEL HOWARD

NEW YORK, Nov. 4.—Officers and crews of British liners are suffering inconvenience under the American prohibition law—all because Lady Isabel Howard, wife of Sir Esme Howard, British ambassador to the United States, saw passengers drinking on a vessel after it had entered New York harbor. An agreement between Great Britain and the United States provides for the closing of bars on British vessels when they enter the three-mile limit, established off our coast.

Lady Howard protested to her husband that the agreement was being violated by vessels of her own country. Now, not even mineral water, tobacco, cigars or cigarettes are sold on vessels of the largest British line while in American ports. Captains of the various steamers hold the keys till the wide open spaces of the sea are reached.

Passengers may still buy liquor at sea and drink it in American territorial waters, officers say. And that the folk Lady Howard saw drinking had bought "theirs" prior to crossing the three-mile limit.

Successful Bridge Held By Valcartier Chapter in Pythian Castle Yesterday Enjoyed

The Valcartier Chapter, I. O. O. F., of which Mrs. F. R. Taylor is the regent, held a most successful and altogether delightful bridge at the Pythian Castle yesterday afternoon. Bridge was played at 32 tables and prizes were won as follows: First, Mrs. Walter Gilbert, second, Mrs. John E. Sawyer, consolation, Mrs. A. P. Barnhill and the lucky number prize was won by Mrs. C. B. Allan. At the tea over the table was most attractively arranged with a silver bowl of scarlet geraniums and white asters as central decorations, four tall red candles in silver candlesticks surrounding it. Mrs. G. Heber Vroom, regent of the Municipal Chapter, I. O. O. F., Mrs. L. P. D. Tilley, vice-regent of the Municipal Chapter, Mrs. George K. McLeod, regent of the DeMolles Chapter, and Mrs. Frederick J. Harding, regent of the Royal Standard Chapter, presided over the tea and coffee cups were assisted in serving by members of the Valcartier Chapter. The committees were as follows: Tickets, Mrs. J. E. Fisher and Miss Kathleen Magee; bridge, Miss Audrey McLeod and Mrs. D. L. MacLaren; tea, Mrs. Sydney Jones; Mrs. Frank Miller had charge of the candy, which was sold in attractive red, white and blue paper cartons. Among those present were Mrs. H. F. Puddington, Mrs. Thomas Bell, Mrs. G. Ernest Barbour, Mrs. Frederick Peters, Mrs. G. Heber Vroom, Mrs. J. M. Robinson, Mrs. L. P. D. Tilley, Mrs. S. A. Jones, Mrs. W. E. Foster, Mrs. Sherwood Skinner, Mrs. Busby, Mrs. John E. Sawyer, Mrs. Colin Mackay, Mrs. Hugh H. McLean, Mrs. John Belyea, Mrs. King Hazen, Mrs. F. C. Mortimer, Mrs. Harold Ellis, Miss Sophie Robertson, Miss Ellis, Miss Bessie Seely, Miss Edith Gilbert, Miss Kaye, Mrs. Griffith Bishop, Mrs. Hugh Connell, Miss Helen Connell, Mrs. J. William Hart, Miss Alward, Mrs. Andrew Jack, Mrs. Ada Bayard, Mrs. Boyd, Mrs. Chandler, Mrs. A. H. Campbell, Mrs. Atwater Smith, Mrs. John W. McKean, Mrs. D. C. Malcolm, Mrs. Ralph Robb, Mrs. Lewis, Mrs. William Vassie, Jr., Mrs. Heber Turnbull, Miss Maud Addy, Mrs. A. P. Barnhill, Mrs. F. J. Peterson, Mrs. F. T. Dunlop, Mrs. A. P. Patterson, Mrs. F. J. Harding, Miss Jessie Fleming, of Newcastle, Mrs. George D. Scarborough, Mrs. John Gillis, Jr., Mrs. Allan Beatty, Mrs. Arthur Rankin, Mrs. Harold Rising, Mrs. L. De V. Chipman, Mrs. Blake, Mrs. W. A. Henderson, Mrs. J. E. Argentine, Mrs. Chester Alden, Mrs. Frederick Barbour, Mrs. George Oland, Mrs. F. Maclure Scandens, Mrs. George Roy, Mrs. Frederick McDonald, Mrs. Fraser Gregory, Mrs. Percy McAvity, Mrs. D. W. Ledingham, Mrs. Harry Haines, Mrs. James Currie, Mrs. Douglas White, Mrs. Cecil West, Miss Edith White, the Misses Lynch, Mrs. A. C. Currie, Mrs. J. F. Tilson, Mrs. Eric Thompson, Miss Nora Thompson, Mrs. Gilbert, Mrs. R. K. Miller, Mrs. Freeman Hamm, Miss Helen, Miss Alice Lockhart, Mrs. H. A. Campbell, Miss Kathleen Sturdee, Miss Alice Tilley, Miss Elizabeth Potter, Miss Margaret Tilley, Miss Viola McAvity, Miss Peggy Jones, Miss Margaret Henderson, Miss Helen Allison, Miss Constance White, Miss Kathleen Branscomb, Mrs. B. P. Mrs. Duval Tells of Mission Work in Nigeria

Mrs. Louis Duval, missionary on furlough from Nigeria, gave a very inspiring address to the W. M. S. of the Carleton United Church Tuesday evening when she spoke before a special meeting in connection with the observance of the 85th anniversary of the church. Mrs. Duval described the mode of travel and the climate in Nigeria. There are now 1,000 miles of railway in that country and in the 24 years since she had first gone to that land the number of church members among the natives in the country had grown from 500 to 16,000. She interestingly told of her work among the women. She attributed much of the interest taken by her husband, Rev. W. A. Henderson, in the African races to the fact that his great-uncle Edmund Flewelling had done splendid work among the colored people in this vicinity and had built a church for them to worship in at Loch Lomond. Mrs. E. T. Bortram, president of the society was in the chair and led the devotional service. A plan for raising talent money was decided on and a committee was appointed consisting of Mrs. W. D. Williams, Mrs. Campbell, Mrs. R. Thompson and Mrs. William Haslam to carry the plan into effect. It was announced that Miss D. M. Mitchell, Dominion organizer, would address a united meeting of Parvill, Carleton and the West Side Kirk W. M. societies on Nov. 15.

Players At 105 Tables At Bridge and Forty-fives of North End Division C. W. L.

The North End Sub Division of the Catholic Women's League held a very successful and delightfully arranged card party last evening in St. Peter's rooms, Douglas avenue. Cards were enjoyed at 105 tables. There were 60 tables of forty-fives and the winners were: Ladies, first, Miss N. Harrington, silver candelabra and stand; second, Mrs. James Harley, cake plate; third, Mrs. Fred Conlogue, breakfast set; gentlemen, first, Percy Howarth, fountain pen and pencil; second, George Reid, scarf; third, Myrel Bonner, pack of cards. At bridge play there were 46 tables occupied. The prize winners were:

Shower For High Tea Is Held By Children of Mary

The Children of Mary of the Cathedral parish held a most enjoyable social evening last night at the St. Vincent De Paul rooms in Waterloo street when they had a shower for the fancy work booth at the Cathedral High Tea which opens in the Y. M. C. Y. next week. A great variety of lovely pieces were brought in. Cards were played and suitable prizes were presented to the winners. Vocal and instrumental music was also enjoyed and delicious refreshments were served. The hall was very prettily decorated in Halloween trimmings. Miss Josephine McNamara, the president, was the convener of the very delightful affair and the was ably assisted by the members of the executive.

Reads Paper On Missionary Work of Presbyterian Church

The central group of the Presbyterian Women's Missionary Society met at the home of Mrs. J. S. Malcolm, 187 Duke street, on Wednesday afternoon. Miss Ethel Shaw, president, was in the chair and led in the devotional program. Two members were chosen. It was decided to read the "Burning Bush" by Dr. McBeth, during the season. Miss Shaw read a paper she had prepared for the Presbyterian in Woodstock during the summer, entitled "The Presbyterian church, a Missionary church." She said that as early as 360 A. D. a monastery was established in Galloway, Scotland, and a church built, dedicated to St. Martin. Miss Shaw then traced the life of the Presbyterian church, tracing out strongly the lines of such eminent Presbyterian missionaries as Dr. Goforth and Dr. Wilkie, who at the last great call of 1923 with their wives went back to continue their life work in China and India. Miss Shaw was given hearty thanks for her excellent paper. At the close of the meeting refreshments were served by Mrs. R. Guild, Mrs. Porteous and Mrs. D. Haines.

City Teachers To Give Addresses On Beaverbrook Tour

The annual meeting of the Ladies' Association of the Natural History Society will be held on Nov. 11 at 2:30, it was decided at a meeting of the executive yesterday afternoon at which Mrs. Margaret Lawrence, president, was in the chair. The executive decided to open this season of the Kate M. Mathew memorial lecture course on Nov. 18, when three of the city teachers who were privileged to enjoy the tour of the British Isles as the guests of Lord Beaverbrook this summer will tell of their trip. The three teachers are Miss Jessie Wilson, Mrs. Andrew Campbell, Mrs. J. Woodland, Mrs. Earle White, Mrs. Martin Campbell, Mrs. E. Murray, Mrs. William Cornfield, Miss Mabel Campbell, Miss Stella O'Dell and Miss Zella Woodland.

CHAPTER MEETS

The Duke of Roxburgh Chapter of the I. O. O. F., held its November meeting last night at the residence of Mrs. Gilbert, 19 Paddock street. It was a large attendance of members. Mrs. Walter C. Allison, the regent, presided. Plans were made for the activities of the coming month which will include the giving of an entertainment for the soldier patients in the Lancaster hospital. A wooden chest, thoroughly oiled once a year with cedar oil will serve as a cedar chest. If preserving pans are greased with butter when making marmalade it will not burn.

Social Notes

Prior to his departure for Tucson, Ariz., Mr. Frank Starr was the guest of honor at a very delightful dinner given by Mr. Frank Starr at the Cliff Club on Monday evening.

Weddings

The wedding of Miss Mary A. Alexander, daughter of Mrs. Bridget and the late James E. T. Alexander, and Thomas E. Mantle took place at 8:30 o'clock on Monday morning in Trinity church with Rev. C. Gordon Lawrence officiating. The bride, who was attended by the bride's friend, Miss Margaret Couper, played "O Perfect Love." The bridesmaids were Miss Helen Galbraith, youngest son of Mr. and Mrs. T. H. Galbraith, of Lunenburg, N. S. The bride was daintily attired in silver grey Bouche. After the ceremony an informal buffet luncheon was served. The bride's traveling dress was of rosewood tulle and coat of ermine and with opossum. She wore a close fitting hat of blue and silver with scarf to match. The happy couple left for the east on the evening train, amid showers of rice and confetti. Mr. and Mrs. Galbraith will reside in West Saint John, where Mr. Galbraith is employed with the C. P. R.

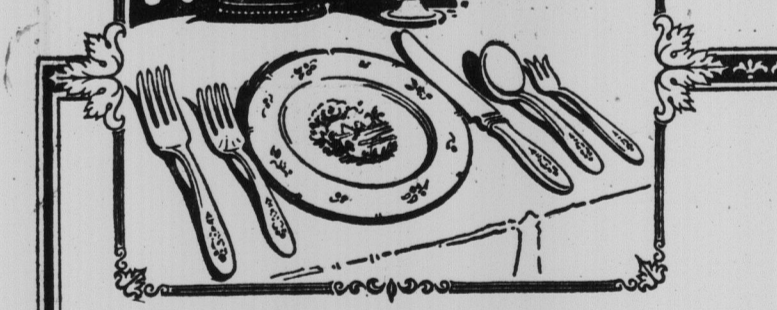

Women Find

Great comfort in this new hygienic pad that discards easily as tissue—no laundry

KOTEX

No laundry—discard like tissue. As easily disposed of as a piece of tissue. No laundry. No embarrassment. You get it at any drug or department store simply by saying "KOTEX." You ask for it without hesitating. Costs only a few cents. Eight in 10 better-class women employ it. Proves old ways an unnecessary risk.

Modernize Your Table

Allison, the regent, presided. Plans were made for the activities of the coming month which will include the giving of an entertainment for the soldier patients in the Lancaster hospital. A wooden chest, thoroughly oiled once a year with cedar oil will serve as a cedar chest. If preserving pans are greased with butter when making marmalade it will not burn.

Mrs. J. N. Drost, of Bath, N. B., was guest of honor at a delightful birthday party on the occasion of her 63rd birthday. Mrs. Drost was the recipient of a large number of lovely gifts, for which she expressed her thanks in a few suitable words. At the tea hour a beautiful floral arrangement, featuring 60 lighted candles, was the centre of attraction. Among those present were Mrs. E. M. Colquhoun, 193 Bridge street. Among those present were Mrs. Stanley Williams, Mrs. Key Longley, Ralph Kirk, Al Day and Percy Jones.

Mrs. MacKay, wife of Rev. Alexander MacKay, B. A., was at home in the manse to the ladies of Chipman and Carleton on Tuesday, Oct. 26. Mrs. MacKay was assisted in receiving by Mrs. Percy Flewelling. Miss Bessie Forsythe attended the door. Mrs. Dr. Armstrong presided over the tea and the guests to the tea room, where delicious refreshments were served. The nicely appointed tables were decorated with pumpkins and late autumn flowers. Miss Esther Baird and Mrs. A. M. Scribner served with Mrs. G. B. Richardson and Mrs. Stanley Chase replenishing. Rev. Mr. MacKay was inducted into the pastorate of Chipman United church on Oct. 8 and since then he and his wife have been making many friends in the congregation and vicinity.

A very delightful dinner was served at the home of Harry Saunders, St. Stephen, Halloween eve in honor of his nephew, Gordon Saunders, and Miss Eva Ella Ritchie, both of Upper Kent, who were married Saturday morning. The dining room and table were tastefully decorated with Halloween colors, a miniature bride and groom adorning the centre of the table. Mrs. Olive Coffey and Mrs. Sarah Crosby, of Calais, Me., served the guests. Those

WORK AMONG THE LEPERS TOLD OF BY MISSIONARY

Rev. Mr. Konkle Describes
Activities of Mission
Society Abroad

The Mission to the Lepers, which was started 32 years ago, has grown to such an extent in that time that it now is carrying on its work in 16 different countries, co-operating with 33 missionary societies and is established in 97 different stations. Rev. H. N. Konkle, secretary of the society, who arrived in the city on the Digby boat last night, gave a most impressive account of the far-reaching work of this society in his address in St. John's (Stone) church last evening and showed a very fine series of lantern slides depicting the work among the lepers in many countries, including Japan, Korea, Formosa, Burma, India and China, as well as the work in the New Brunswick leper hospital at Tracadie.

There are now 10 lepers at Tracadie and nine in Island hospital on the west coast of Canada, making a total of 19 in this country and these are all supported by the government. In the United States there are 500 lepers. Mr. Konkle stated, and of the total number in the world some 2,000,000. The distribution is as follows: Japan, 600,000; Korea, 200,000; India, 200,000; China, 300,000. The Mission to the Lepers has for its goal the carrying of the gospel message to every leper in the world.

Mr. Konkle described the pitiable conditions of the lepers in eastern countries, where they were driven from their homes and from the towns and villages and became hopeless wanderers. The mission hoped to reach each and all of them and it was necessary to build leper homes to take care of them.

The mission accepted those that came as far as it was able to do so and provided food, clothing and treatment, but for its chief objective it had the caring for the spiritual needs of these sad outcasts. He said that it was now caring for more than 8,000 lepers and more than 800 untainted children in its own institutions and reaching 10,000 lepers in 22 government institutions, making in all more than 19,000 lepers with whom the mission was in touch. Of that number, he said, more than 8,000 were Christians.

He told of the co-operation of the Mission to the Lepers with the work of the Anglican Church Mission in Kan-
ga in India.

The treatment of leprosy with chaulmoogra oil is now generally practiced and Mr. Konkle said that while it could not be stated that an absolute cure had been obtained, it was certain that temporary cures had been effected as during the three to four year period that it has been in use all symptoms of the disease had vanished from those who had been treated. There are two or three preparations made from this oil and the one used by the mission was the chyl extract, oil of chaulmoogra.

It is hoped that the temporary cure may as time goes on prove that it is an actual absolute cure.

Mr. Konkle is speaking tonight in St. Luke's Sunday school and on Sunday he will preach in St. Luke's church in the morning and in St. Mary's church in the evening.

NEWSPAPERS should be considered as candidates and not injure one's chances of election by supporting him.

RECALLING ROMANCE OF "GREAT ADVENTURE"

No matter what conflicting claims have arisen as to the discoverer of America, nothing can detract from the glamour which surrounds the story of Christopher Columbus. It is certain that the European development of North America is a direct result of the daring and fixed purpose of the Portuguese navigator whose discovery of the West Indies on October 12, 1492, is celebrated every year on the recurrence of that day. The group of illustrations above shows an authentic portrait of Columbus and, right above, his appearance at the Court of Isabella of Spain soliciting her aid in his venture. Below is a motion picture recreation of Columbus' meeting with the Spanish Council, in January, 1492, to present his theories and tell of his projected voyage.

Deaths

Thomas L. Morrissy

Word was received in the city yesterday of the death of Thomas L. Morrissy, which occurred in London, Eng., on Nov. 1. Mr. Morrissy was a former resident of Saint John but had resided for many years in Montreal where he was prominent in insurance circles.

He had been general manager for Canada of the Union Assurance Society of London ever since that company entered the Canadian field, but had retired and sailed last month for England on a vacation, accompanied by Mrs. Morrissy, who is a daughter of the late Sydney Peterson, of this city.

He is survived by his wife, one daughter and one son, Colonel Sydney Morrissy, of Montreal.

Mr. Morrissy was in the city as recently as August of this year and his many friends were greatly shocked to learn of his death. He has extensive property holdings in Saint John and a short while ago he offered to the city for the sum of \$200,000, the large vacant lot in Prince William street, opposite the Customs House.

Robert Steen

Friends throughout the province heard with much regret of the death of Robert Steen, of St. George, which occurred at the home of his granddaughter, Mrs. West Matthews, St. George, on Oct. 30, following a sudden seizure of heart trouble. Mr. Steen, who was 77 years of age, had been a life-long resident of St. George and by his kindly good nature and fine qualities had won the warm regard of all

who knew him. He is survived by one daughter, Mrs. George Bates, of West Saint John, and four sons, Frederick, of St. George; Robert, of Rockwood; Mr. James, of Freeport, Mass.; and Melvin, of St. George.

The funeral took place on Sunday, Oct. 31, at 2 p. m. from the residence and interment was made in the Baptist cemetery. The funeral was largely attended and the services were conducted by Rev. Mr. Saunders.

Alice M. Hayes

The death of Alice Mary Hayes, daughter of Mr. and Mrs. John Hayes, occurred yesterday morning at the home of her parents in South Bay. Miss Hayes, who was 15 years old, was a pupil of South Bay school and had been in ill-health for the past few

months. Mr. and Mrs. Hayes lost a 12-year-old son about a year ago.

The funeral will take place Friday at 2:30 p. m. from St. Rose's church.

Besides her parents, Miss Hayes is survived by a brother, Edward, two sisters, Nellie and Sylvia Hayes.

RECORD PAPER OUTPUT.

ST. JOHN'S, Nfld., Nov. 3.—The Newfoundland Pulp and Paper Company turned out what is said to be a record amount of newspaper for a four-machine mill on Thursday and Friday, last. It was revealed here today. The amounts were respectively, 408 and 408 tons. Both this company and the Anglo-Newfoundland Development Co. are working to full capacity and the report is current operations may soon be started on the erection of another plant on the Gander River.

C. P. REPORTS GRAIN 87 PCT. THRESHED

1,862 Cars Loaded in Day, Setting New Record on The Prairies

WINNIPEG, Nov. 3.—According to the latest and most comprehensive report on crop conditions in the prairie provinces which has been received at the headquarters of the Canadian Pacific Railway, approximately 87 per cent of all grains have been threshed in Manitoba, Saskatchewan and Alberta. The estimates of grain threshing along all lines of the Canadian Pacific by provinces are: Manitoba, 81 per cent completed; Saskatchewan, 90 per cent, and Alberta 89 per cent. Fine weather has prevailed in Alberta for the past two weeks.

RE-ELECTED HEAD OF MONCTON NURSES

MONCTON, Nov. 3.—Miss A. J. MacMaster, R. N., superintendent of Moncton City Hospital, was re-elected president of the Moncton Chapter of the New Brunswick Registered Nurses' Association at the annual meeting of the association held at the home of Mrs. H. L. Britton Weldon street. Other officers re-elected included: Miss Ro-

RECORD FOR LOADING
A record for grain loading was es-

tablished Tuesday when a total of 1,862 cars were loaded in the three provinces. Marketing reached 2,853,464 bushels. Out of a total of 2,152 cars of grain inspected, 1,034 cars were on the Canadian Pacific lines.

The grain is flowing steadily east and west, yesterday seeing 8,500 cars in transit to the head of the lakes and 1,476 moving west from Calgary. Delivery of 983 cars were made at Fort William, with 1,014 cars unloaded and with 3,450,000 bushels moving out by boat. Yesterday's figures for storage totalled 36,197,000 bushels.

Vancouver storage facilities are reaching capacity with close to 5,004,912 bushels. Unloading at that port reached 144 cars yesterday.

Representatives to the Local Council of Women were named as well and are Mrs. H. E. Britton and Mrs. D. L.

She sailed and sailed...
The shopping seas... seeking her
Silver Treasure... and then at last—
She found it!

OF COURSE she wanted the right silver service. It was her first thought after the honeymoon cruise. But though she voyaged bravely from store to store, that "just right" set of her dreams persistently eluded her.

Sets of "sixes" were offered a-plenty. But one sometimes needs more than sixes.

And then, at last, she found it! The chest of her fondest quest. A selection of Eights! Not too many, not too few—but just right for normal table needs... with a spare or two for the guest in the offing.

Eight of each, in hollow handle dessert knives with stainless steel blades, dessert forks, tea spoons and dessert spoons... with a dainty sugar shell and a butter knife.

You'll share the thrill of a treasure-finder, too, when you see this happy-medium selection... The PRECES OF EIGHT set in 1847 ROGERS BROS. Silverplate... now being specially featured by all silverware merchants.

It's the "big-number" in THE SILVERWARE SHOW now holding sway at all silverware stores. And, with it, you may have the popular UTILITY SERVING TRAY... the silver held in a removable velvet pad, which, when taken out, leaves a dainty tray for serving teas and luncheons. The PRECES OF EIGHT Set and the tray... all for \$51.25.

Specially featured November 1st to November 22nd by all Silverware Merchants

GREAT GROWTH IS HISTORY OF THE GILLETTE

Safety Razor, at Silver Jubilee, Sees Marvellous Business Expanse

The history of the Gillette safety razor seems more in keeping with the tales of the Arabian Nights than with sober facts of the 20th century.

In the short space of 25 years this simple article of utility has given rise to an organization with branches in every civilized country in the world, and its distribution is limited only by the boundaries of the earth.

The Gillette Safety Razor Company was founded September 25, 1901, by King C. Gillette, who was employed by the Baltimore Seal Company as a salesman.

It is one of the romances of business that men have taken to shaving themselves. How beards have changed since the days of 80 years ago! How many recall the beards of yesterday.

To recall the barber's days of old. Gentlemen, as distinguished from ordinary men, no longer shaved themselves, but were shaved by their valet or went to the barber shop.

The shaving brush, soap, individual mug, and sponge at the barber's, also had his bottle of bay rum, which he used on a pot of cosmetics.

Then about 30 years ago the safety razor was invented. It did not come into general use until about 1910 or so, since which time the number of users has been increasing by the millions.

The amazing Gillette sales record shown from 31 razor sets sold in 1903 to 14,862,098 in 1925; blade sales 14 dozen to 52,983,338 in 1925.

Cash dividends paid have totalled \$84,487,597, with never a dividend missed in 20 years.

The company issued in connection with the silver jubilee a well prepared book of some 150 pages. It tells the story of the Gillette invention, its wonderful growth in popularity and its gain in business life from a \$30 original capital stock paid in.

The first 10,000 shares brought \$50,000 into the treasury and against this is shown to aggregate of the company's present 2,000,000 shares as being about \$204,300,000 in the open market. The book is fully and profusely illustrated.

LUXURY KEYNOTE OF PARIS TRAIN

New Paris to Calais Movement Makes Very Fast Time For Journey

PARIS, Nov. 4.—The Golden Arrow, the new train de luxe which is to run between Paris and Calais in connection with the mid-day cross-Channel service with Dover, recently made its inaugural trip.

This new express, which made a record run from Paris to the Channel port, covering the distance of 180 1/2 miles in 135 minutes, may be described as the most wonderful train in the world. It is undoubtedly the last word in luxury and modern comfort in railway travel.

It is composed of 10 specially built Pullman cars of a new model, in which everything has been studied to spare fatigue and annoyance to passengers and give them the maximum of comfort.

ARE FITTED UP. Instead of having a restaurant, car travelers can obtain what meals they want without leaving their seats.

A kitchen, with its own chef and waiters, serves every pair of cars. Each carriage is composed of a large saloon, divided into two, with accommodation for 24 persons.

On each side are small tables with big velvet-covered arm-chairs. The chairs are loose and can be moved as the passenger desires.

The color of the carpet and upholstery is different in each car. Outside the cars are painted in chocolate and dark brown, with a big golden arrow in yellowish cream, with a cream roof.

as fortune in your tea cup

INDIANS DEDICATE STADIUM WITH WAR DANCE

Hoop-la, the Redskins are out for scalp again! But only in athletic contests this time. With thousands of Indians celebrating—one of the chief events being a war dance contest—a \$250,000 stadium at Haskell Institute, Lawrence, Kansas, now is duly dedicated and is ready for "warfare."

P. E. I. HORSES WIN AT AMHERST FAIR

Home Bros., of Winslow, Capture Three Firsts; Swine Clubs Banquet

AMHERST, Nov. 8.—Many sensations were furnished in the Horse Show tonight when surprises were sprung in the various classes.

Home Bros., of Winslow, P. E. I., captured three classes while Thomas Etter took two of them and H. S. Fyfe the remainder.

Tomorrow night the main event of the show will be on the program. Twelve saddle horses ridden by ladies and gentlemen will prance around the sawdust ring.

Honors in the various dairy classes were well divided with W. A. Tremman, Fred S. Black, Ing Bros., Stead Bros., J. E. Milligan, J. E. Baker & Son and Logan Bros. dividing the initial honors.

Dickie Bros., of Onslow, N. S., were well up in the running, accompanied by W. A. Fremming of Truro.

The abattoir commenced operations during the afternoon and 88 head of livestock was sent to the block, including 38 swine, 20 lambs and five veals.

KING'S EAST L. O. L.

Decision to Change Annual Meeting to October

PENOBSCOT, Nov. 3.—The King's East County Lodge of the Loyal Orange Order held a very successful quarterly meeting with Martin Luther Lodge No. 104 in Penobscot, on Tuesday evening.

A. Wallace presiding. Much business was transacted. A motion was placed on the books to change the date of annual meeting from February to October to make it more convenient for those at a distance to attend.

Very encouraging reports of the advancement of the work were given.

TELLS OF RACE WITHOUT VICES

Australian Author Delates of Finding Tribe of Savages

LONDON, Nov. 3.—Tales of a savage race of 600,000 years behind civilization, and so primitive that they have no vices, were told recently by Jack McLaren, an Australian author and wanderer who has arrived in England with a message of greeting to the King from a black monarch.

Nararakid, chief of the Walulabs, a race of "lotus eaters" who wear no clothes, do not work, dwell in the open air, and live on fruit and the animals they kill for sport, sent his message as "king of the black people" to the king of the white people.

It has been delivered at Buckingham.

Nararakid believed himself king of the world before McLaren arrived on the shores of Cape York, at the most northerly point in Australia that stretches toward the islands of New Guinea.

He finally accepted, with amusement from which he hardly ever recovered, that there was also a monarch who ruled over the white people.

WAS FIRST WHITE MAN Mr. McLaren was the first white man the Walulabs ever saw. He realized the fertility of the land on which they lived and went there to develop a coconut plantation.

He cleared the jungle, after teaching the savages the meaning of work, planted trees that matured in eight years of careful tending, collected his first crop.

Vegetable or fruit fritters take the place of meat on a vegetable platter.

The thirtieth anniversary is the pearl wedding.

Great interest attaches to reports of a remarkable method for treating goitre recently demonstrated at the W. T. B. Laboratory, 2131 Y. M. C. A. Bldg., Battle Creek, Mich.

It is used by the patient herself in her own home and it is said that the largest and most hideous goitres begin to recede almost in a day. They gradually get smaller until in three or four weeks they are often gone entirely.

The treatment is perfectly safe for anyone to use and many believe it will prove the long sought specific for all goitres. A little book issued by the laboratory explains the method fully and will be mailed free for the asking to anyone interested.

BOY, 14, SENTENCED TO GET WHIPPING

TORONTO, Nov. 3.—Judge Matt directed in the Juvenile court today that the 14-year-old boy, who, with an older companion, kept two young girls in a shack in North Toronto as an aftermath to a Halloween party, should be whipped by his father in the presence of a police constable, after two days in the detention home.

WILL: "You say he's a smart man?" Bill: "Yes; instead of having a wrecking company to raze his old building, he lured a jazz band and held a Charleston dance on the premises."

HAVE NO LAWS "They had no laws outside the word of the king. They could not write or count beyond their fingers. They had no religion apart from the folk love and legends which were passed down from the parents to the children. They knew no love—they understood only fear. They had no tools except a throwing club and a spear, which was just a wooden pointed stick. They made fire with sticks when it was necessary and they carried the same fire round for years. They never buried their dead, but simply wrapped them in bark and carried the remains around with them until decomposition made it impossible. After that the bodies were left lying anywhere."

TANKER ASHORE SAN PEDRO, Cal., Nov. 4.—The Associated Oil tanker, Solano, went ashore at Point Arguello, more than 100 miles north of here shortly after six o'clock tonight, and an SOS picked up by the Federal Telegraph Radio Station.

BETTER THAN SODA Hereafter instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. Be'ides, it neutralizes acid ferments in the bowels and gently 'cures this souring waste from the system without purging. It is far more pleasant to take than soda.

INSIST UPON "PHILLIPS" Each bottle contains full directions—any drugstore.

FOR Sour Stomach PHILLIPS' Milk of Magnesia

The Musicone

The Most Successful Loud Speaker Ever Introduced

The Musicone, announced little more than a year ago, introduced a revolutionary speaker principle and took the loud speaker market by storm.

Its overwhelming popularity, which has involved the replacement of thousands of old-type loud speakers, establishes beyond challenge the Musicone's superiority.

And now comes the Super-Musicone. Its larger cone has the same patented acting unit as the smaller Musicone. This unit—not the cone shape—is the secret of Musicone excellence. The Super-Musicone offers, by virtue of its larger proportions, still more superb volume. It produces throughout the entire range of tone with richer resonance and lifelike fidelity.

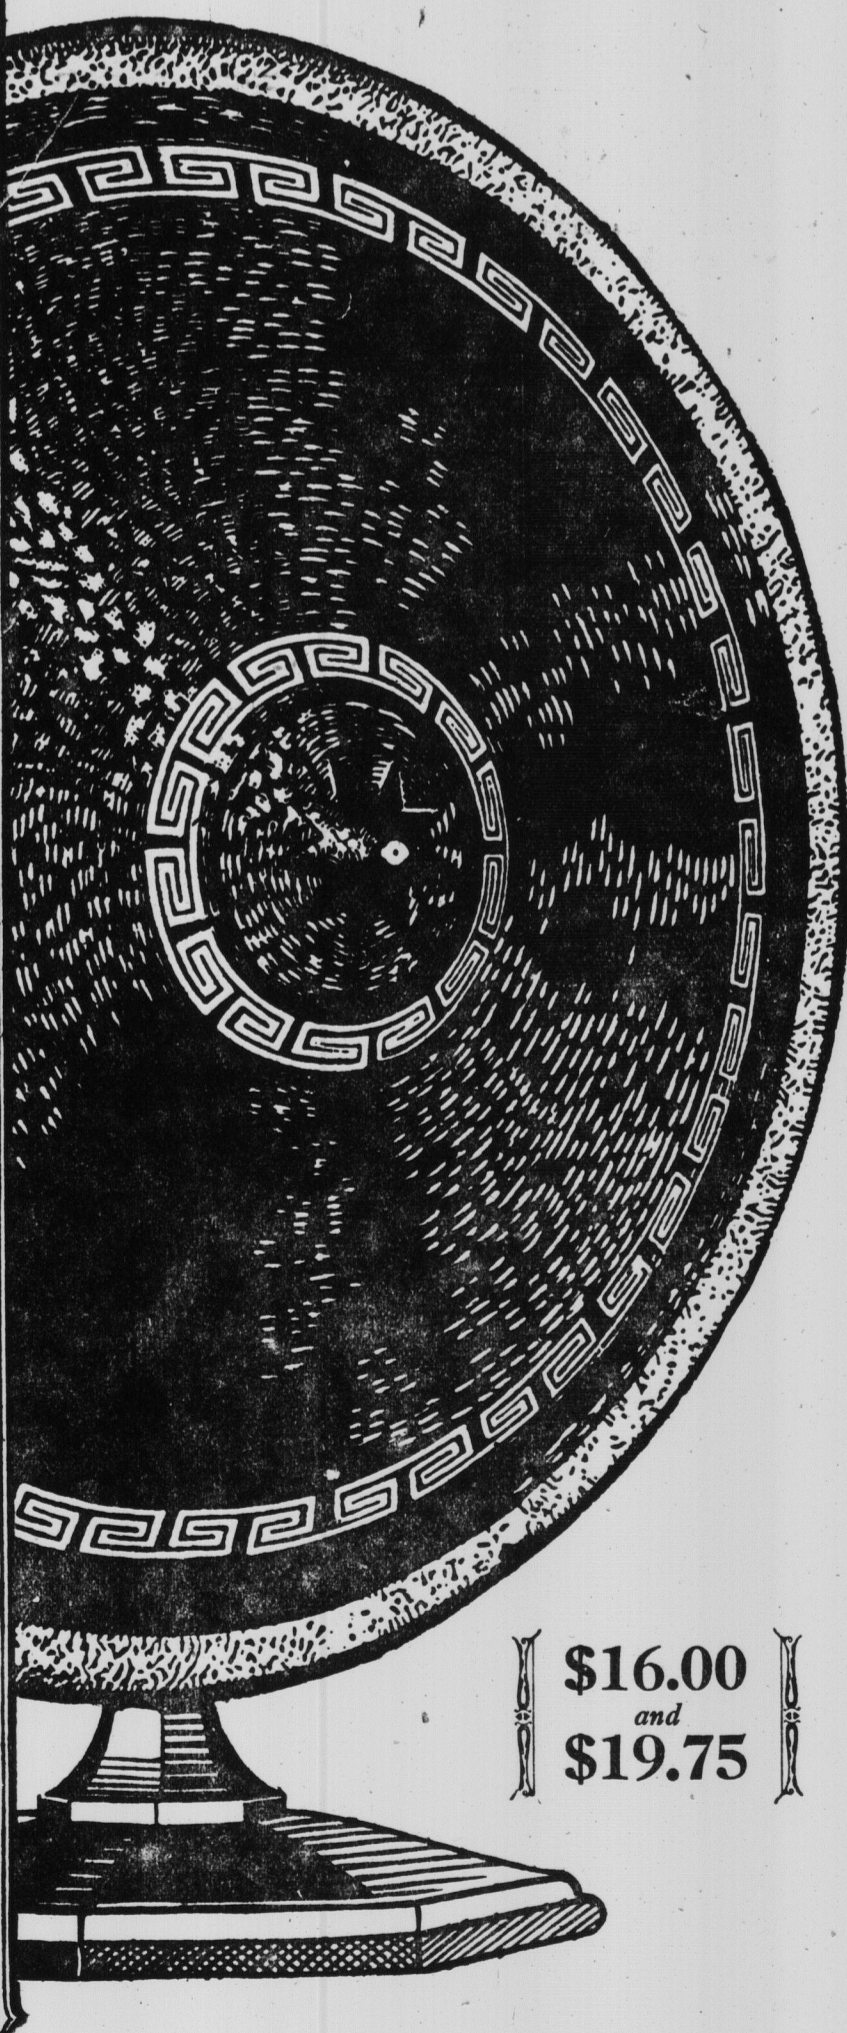

The Authorized D-C dealer will gladly demonstrate how the Musicone brings out the best in your radio set. Ask him to show you the new DeForest & Crosley models recognized everywhere as Canada's greatest radio value.

Inter-Provincial Trade Plan

Following a paper read before one of the committees of the Canadian Board of Trade, at its recent convention in this city, by E. A. Cunningham, chairman of the Public Affairs Committee of the Board of Trade, and discussion thereon, the following resolution was adopted: "Whereas, there has been in the past in parts of Canada, certain surpluses and shortages of products of the land and of industry, which, if fact and known in other localities, could have been readily absorbed to the relief of suffering and increase of inter-provincial trade; and whereas, it is recognized that a necessary exists for some machinery to be set up to facilitate trade between provinces for the improvement of economic conditions; and whereas, a proven plan has been submitted to the Board of Trade through the medium of Associated Boards of Trade, throughout Canada, whereby surpluses and shortages may be communicated each to the other; therefore, be it resolved, that a special committee representative of all special committees representative of the Board of Trade, and with the assistance of the Boards of Trade and Chambers of Commerce throughout Canada, and the transportation companies to organize and put the said plan into operation."

MR. CUNNINGHAM'S PAPER.

Mr. Cunningham's paper follows: "The necessity exists for a medium to improve inter-provincial relations, and, inasmuch as sentimental considerations are desirable, something more effective and definite is required. Satisfactory relations by trade intercourse, which brings us to the necessity of creating machinery for the promotion of inter-provincial commerce. Commerce is built upon the exchange of surplus and deficit. Unless there is a surplus to exchange, there will be no commerce, and unless there is organization to assist absorption of surplus, stagnation and dissatisfaction must ensue. The plan which is suggested in the following is for the purpose of facilitating and increasing trade intercourse, thus promoting improved inter-provincial relations."

AN AMERICAN EXAMPLE.

"There is in the United States a system known as the 'Shippers Advisory Board'. During the past few years, it has done most excellent work in certain precise lines. The organization was founded under the auspices of the Trade and Commerce Commission, with the cooperation of the railways, in order to bring shippers and transportation companies into closer contact for better distribution of cars and to promote interchange of commodities between states."

HOW IT WORKS OUT.

"In the United States, the Advisory Board has a fixed agenda, and the country has been divided into fourteen regions, each region having a manager or secretary, who investigates the conditions within his region and communicates with the other thirteen regions to move the surplus or supply the shortage. The regional secretary has but thirteen other regions to communicate with, and these respective secretaries reach the trade channels through existing trade associations and organizations; that is to say, if a shortage of hay, for example, became apparent, he would communicate this fact to the other thirteen regional secretaries to seek relief; and those regions where a surplus exists are put into contact with dealers where a demand will absorb it, and this movement is anticipated far enough ahead to avoid suffering or economic loss and with profit to both. Advance information, the result of local study, can in this way greatly assist in equalizing and increasing the volume of inter-provincial trade."

APPLIED IN CANADA.

"The adaptability of this plan to Canadian affairs must become immediately apparent. Canada could be divided into regions to conform generally to provincial lines. The Maritimes might join forces, and the East and West Kootenay as well as Northern Ontario, on account of the diversity of products, might be represented as separate regions, making in all perhaps ten regions in Canada, each having their salaried secretaries for the purpose of promoting inter-provincial trade relations. In some way the 'Shippers Advisory Board' in the United States has been organized without a single railway man being on any except what is called the 'contact committee'. In other words, it is really a Shippers Advisory Board composed of shippers, manufacturers and business men generally, divided into committees, with a chairman of committee from each industry. The chairman of the coal industry will assemble others in the same line to join him, and they together compile statistics and report the needs of that industry. Hay, iron, feed, regarding steel, cement, oil, sand and gravel, etc., exportable surpluses are reported, so that they can be quickly absorbed. Such an arrangement in our case would not be without value."

PLEA FOR THE MARITIMES.

"We are aware of the delicate situation in the Maritimes. Is there not much in the Maritimes which could be used profitably by the other provinces if a means were provided for communicating an intimate knowledge of those resources? Are the Montreal hotels using all the oysters and fish which the Maritimes can supply? Are all parts of Canada posted as to the products of the steel industry of Nova Scotia? The point I wish to bring out here is that as there is an acute Maritimes problem, and it is a problem so acute as to have been spoken of as threatening the stability of the Confederation. "Would not a situation such as this be relieved by keeping each of the provinces advised of the surpluses and of the needs of the others, and so promote a volume of trade which would make for a closer binding of Canada as a young nation. "Potatoes by the carload have been produced in the West and an outlet has been at times found with difficulty. In my knowledge, Alberta had at one time a great shortage of hay, whereas Quebec had a surplus; the discovery was not made, however, and relief not supplied until many cattle had been dumped on the markets. The machinery outlined would anticipate this shortage and supply the needs before the point of loss and suffering was reached. It is obvious that these contacts should be formed through units in a great national organization such as the Canadian Board of Trade."

Letters To The Editor

A MOVING APPEAL.

Editor Times: Sir,—I want to thank you for what you said in the Telegraph-Journal about the needy ones of my parish, but now may I, through your valuable paper, make a direct appeal to the hearts of the people for help? I dislike these appeals, and I know the people are tired of tag days and requests for help, but I am simply compelled to do it as I am face to face with a great deal of genuine poverty among my people, and my "poor fund" shows a good sized deficit. We are facing the worst months of the winter, and in behalf of the needy ones I beg for help. I cannot have a tag day or make a public canvass in any way, but yet have so much poverty to contend with. Probably not half the people realize just what some people have to suffer. I think I can honestly say that 85 per cent of the people who come to the dire need, having no food or fuel. The poverty is caused by unemployment. In some cases a man will get a day here and there, but he cannot support his family on that; then there is sickness and intemperance. We cannot let the children of a drunken father starve or

SIDE-LINKING UP PROVINCES.

"It has taken many years to develop the imperative need of a Dominion-wide organization or Board of Trade to link up the provinces. Instead of each trying to work out its own local problems. Steps were taken last December in Winnipeg to bring a nation-wide organization into being. All honor to the men who have brought this great organization into operative existence. The International Public Affairs Committee for Canada 1925-1926 wishes to respectfully submit a proven plan, which will avoid making too heavy a demand upon the time and attention of busy public spirited business men, and will embrace all of Canada in its scope, working through established channels for a more prosperous Canada."

BUYING AT HOME.

"Our total imports in 1924 amounted to \$800,000,000. A casual glance over the details which make this up indicates an importation of 22,000,000 pounds of fresh, chilled and frozen pork in a pork raising country, and whilst we cannot hope to get an unanimous approval of a plan which will produce close inter-provincial contacts, and sentimental contacts are made permanent and are fortified by trade interchange and the American settler who has come into Canada through western ports has no knowledge of the east, and will no accustom to at home—an American made plan is consequently asked for. European settlers are rushed through to the west from Atlantic ports and are likewise in the dark to the production of the east, so that some machinery is due to be set up to bring closer contacts; and, as that cannot be sustained if altogether emotional, you will probably get the point that one phase of Shippers Advisory Board machinery lends itself to adaptation by the business men in the provinces of Canada, through an Associated Board of Trade secretary in each province, under the direction of the Canadian Board of Trade, and with the co-operation of the Trades and Commerce Department and transportation companies. Ten or twelve men would then have as their object in life the linking up of Canada upon national district lines as it is at present."

COMMERCE DEPARTMENT.

"It will be of interest to quote the following message just received by me from Washington bearing on this vital matter: "Only assistance so far given by Commercial Department has been Plan for the section and Pacific Coast. Four men from department conducted transportation survey lasting approximately three months with South East Advisory Board in Florida. Two men from department are here assisting regional Advisory Board Pacific Coast for several months in movement of perishables."

"This indicates the part which the United States Trades and Commerce Department takes in the movement of an organized effort to let the people of Manitoba know that it has a surplus of manufactured products to dispose of. Why not have the same in every province, not as a spasmodic endeavor but by means of simple and direct operating machinery, which will be functioning when the enthusiasm of friendly meetings, banquets and conventions has given place to the imperative demands of one's own business? "Why not go a step further, and have the machinery link up each of these provinces in the simplest way to take the message from the other provinces and deliver it to its own business men, and also to reverse the process?"

Canada refused reciprocity, prefer

"A bench patrolman at Atlantic City has found a way to avoid the muscle-lameness that results from standing around all day in a wet bathing suit. Just pat on a few drops of Sloan's Liniment. Don't rub. It's the liniment—not the rubbing—that helps. You'll get relief right away. I've tried all sorts of other things, but nothing gets results like Sloan's."

ART SCHOOL IS WELL INTO WORK OF THE SEASON

Studio Has Been Improved—Regret That President Leaving City

The art school conducted by Mrs. E. R. Holt, under the auspices of the Saint John Art Club, is well into the work of the new term and has a large enrollment in each class.

The studio in the Market building has been much improved and is quite attractive in its new arrangements, but there is still great need for models and draperies for the students to use in their work.

MARIE DEDICATES MUSEUM OF ARTS

Speaks Dramatically, Calls Her Trip From Rumania Journey of Love

MARY HILL, Wash., Nov. 2.—Queen Marie of Rumania dedicated the Marie Hill Museum of Fine Arts today in a dramatic address in which she explained that her long journey from Rumania, which reached its climax in the bare halls of the museum, was a mission of love and understanding.

Referring to criticism of her visit, Marie declared she would give no other explanation of it. Her Majesty touched also upon an under-current of adverse comment concerning her friendship for Samuel Hill, founder of the museum, and Miss Louise Fuller, former dancer and close friend of the Queen.

"Samuel Hill is my friend," she said. "He not only is a dreamer but is a worker."

"Samuel Hill once gave me his hand and said if there was anything on earth that I needed, I had only to ask. Some may even scoff for they do not understand. But I have understood so when Samuel Hill asked me to come overseas to his house built in the wilderness I came in love and understanding. Samuel Hill knows why I came and I am not going to give any other explanation."

LOSS IS SHOWN.—Annual financial report of the Canadian Cotton Mills Ltd., for the year ended September 31, shows a net loss of \$147,173, as compared with a loss of \$31,607 in 1925.

"Let the Maritime Provinces Flourish by Their Industries." BORDEN FACTORY-TRURO, N.S.

STAY OUT, SAYS LAND OF LIBERTY

Anna Komarnicka, 30, who has lived in the United States for the past 14 years, was barred by immigration officials upon her recent return from a visit to her dying father in Poland.

Komarnicka was detained at Ellis Island, New York, awaiting the decision which now means that she cannot re-enter the land of her adoption. Her re-entry permit, she says, was stolen from her in Paris.

FOX RANCHES IN WEST FLOURISH

Truro Man Finds Many Mariners on the Pacific Slope

MONCTON, Nov. 3.—Leonard McKenzie, of Truro, director of the Canadian National Fox Breeders' Association, who passed through Moncton today on his return from the Pacific coast in the interests of the fox breeding business, reports the business in the west, particularly in British Columbia, to be in a flourishing condition.

Among the large ranches in that section of the country is that of the Western Canada Silver Black Fox Company at Chilliwack, B. C., and the ranch of Dr. Donbar and Dr. Champion, both former Maritime Province men.

Practically all of the stock in the British Columbia ranches originated or descended from stock shipped from the Maritimes, particularly New Brunswick and Prince Edward Island. Mr. McKenzie has shipped a large number of foxes to places in the west and will be shipping more a little later on in the fall.

He says that business conditions generally in the west are splendid, Vancouver being especially prosperous. While in the west, he said, he met large numbers of Maritime Province people and he had yet to meet one who was not prospering.

Speaking of mining prospects in that section, more particularly in northern Manitoba, Mr. McKenzie said that the prospects there were very bright. One company alone was making preparations to spend \$10,000,000 in development work and when asked what was showing to justify such a large expenditure he replied that there was some \$300,000,000 worth of paying ore in sight.

This is Mr. McKenzie's sixth trip to the Pacific coast within a year.

BLACK HEADS TRUST. HALIFAX, N. S., Nov. 3.—Hon. W. A. Black, Conservative member for Halifax in the Federal House and former minister of railways, was elected president of the Eastern Trust Company at a special meeting held today. He succeeds Hector McInnes, K. C., who resigned.

HALIFAX MAN DIES. HALIFAX, N. S., Nov. 3.—George Harris, 77, died suddenly this afternoon as he was entering the Wanderers Athletic field to witness a High school football game in which his son was to play. The game was postponed indefinitely.

VENIOT HONORED IN HOME TOWN

Personal Friends and Party Opponents Attend Banquet at Bathurst

BATHURST, Nov. 3.—From all sections of the county of Gloucester representative citizens gathered tonight in the Gloucester Hotel here to honor Hon. Dr. P. J. Veniot, Postmaster-General of Canada, Gloucester's member in the House of Commons and New Brunswick's representative in the federal cabinet. Besides the leading party supporters of Dr. Veniot the banquet was attended by a number of well known political opponents of the minister who joined with the party friends to do honor where honor was due.

Following the serving of the dinner in the de luxe style for which Mine Host Leger is famous, C. T. Richard, chairman, prefaced an interesting program of toasts with short but felicitous remarks.

PROPOSES TOAST. S. R. Leger, M. L. A., led the singing in the National Anthem in response to the King and the toast to the guest of the evening was proposed by Hon. Senator Targem. Hon. Mr. Targem referred to his close association with Hon. Dr. Veniot and attributed a great deal of his own success in the political field to his support. He likened the minister to a son and he regarded Dr. Veniot from a father's point of view.

HON. DR. VENIOT'S REPLY. Hon. Dr. Veniot, in reply to the toast, expressed himself as very grateful to the people of Gloucester county for their continuous support, which enabled him to reach the position he now occupied and as well as those he had occupied previously. He stated he was now 88 years of age and would devote the balance of his life to the interests of the people.

THE DUNCAN REPORT. Dr. Veniot took occasion to refer to the Duncan report and the criticism made by some because the report had not been published. He did not propose to disclose any of the contents of that report but at the same time he thought that from what had been published relative to the report the people could understand that the government had very good reasons in the interest of the Maritimes in not being too hasty in giving the contents of the report to the public.

MARITIME RIGHTS. Referring to Maritime Rights, so called, Dr. Veniot said he believed the main points in these rights were central to railway rates and development of our seaports and these matters they tried to reach the government to assist as far as possible. He would like it understood, however, that in dealing with conditions in the Maritimes the reports of Saint John and Halifax were not the only ones requiring attention. Dr. Veniot said he was prepared to do everything in his power to see that those two ports receive consideration but he also expected the people of those two places to co-operate with him in seeing that

Rice Named To Conduct Probe in N. B.

FREDERICTON, Nov. 3.—Emericson C. Rice, barrister, of Pettitcodiac, has been appointed a special commissioner for the provincial government for the purpose of conducting an investigation into certain alleged irregularities in connection with the expenditure of provincial funds for public works in Queens and Northumberland counties in 1925, which were drawn to the attention of the public accounts committee during the last session of the Provincial Legislature. Notice of his appointment as a commissioner appears in today's issue of the Royal Gazette.

proper attention was paid to the fishing industry on the North Shore. He had recently, in a trip along the shore, been impressed as never before with the hazardous conditions under which the fishermen worked.

With regard to agricultural matters Dr. Veniot stated that New Brunswick was importing \$4,000,000 worth and Nova Scotia \$7,000,000 worth of agricultural products when practically all this requirement should be raised at home. He felt sure the government would encourage the farming industry in these provinces and he would stand back of any move to bring about increased production by the farmers of New Brunswick and Nova Scotia.

OTHER SPEAKERS. The toast to The Dominion was proposed by Gregory T. Percy and responded to by Charles Morrissey, M. L. A. for Northumberland; The Province of New Brunswick, proposed by J. E. Connolly and responded to by J. A. Doucet, M. L. A.; The County

Rev. A. V. Morash In Apohaqui Lecture

APPOHAQUI, Nov. 3.—Under the auspices of the "Onwego Club" of Apohaqui, Rev. A. V. Morash, of Sussex, gave an instructive and most interesting lecture illustrated by lantern slides in the United church on Monday evening, Nov. 1.

The set of pictures, "Japan then and now," were varied, many of them showing the beautiful natural scenery of that far-off land, but the greater part of the scenes were illustrative of the wonderful effect due to the labors of the missionaries of Christianity.

Preceding the lecture, a program of music and readings were given by the members of the Club, as well as a number of choruses. Mrs. Coby Jones and Miss Evelyn Erb were heard in readings and Mrs. George Short sang a solo.

At the conclusion of the lecture, Mrs. J. V. Wright, leader of the "Onwego Club," expressed the appreciation of the club members for the kindness of Rev. Mr. Morash in presenting the lecture.

The "Onwego Club," which had its inception in a class of the Union Sunday School, has done much charitable work since its organization several years ago and great credit is due the leader, Mrs. Wright. A silver collection was received, amounting to \$9 to be added to the funds of the club.

STRUCK BY AUTO. MONTREAL, Nov. 4.—Fred Lewis, 55, died here last night from injuries suffered earlier in the day when he was struck by an automobile.

OUTPUT OF COAL AT SPRINGHILL MINES

FREDERICTON, Nov. 3.—Somerset Realty, Ltd., is incorporated with head office at Saint John, and capital stock of \$5,000. Those incorporated are E. B. Harley, C. M. Bostwick and B. R. Armstrong, all of Saint John.

two days at all the collieries, with an additional half day at No. 7 on account of a strike of dafal hands.

The output of the Springhill collieries for the month of October was 41,603 tons. Number 2 colliery produced 23,839 tons; No. 6, 8,224 tons, and No. 7, 8,449 tons. Shipments amounted to 34,712 tons. Twenty double shifts were worked at Nos. 2 and 7 mines, and 2 1/2 double shifts at No. 6. There was a loss of

TO LET—Rooms and board, 84 Sydney street. 11-5
TO LET—Board and room, Princess Park, corner Princess and Sydney. 11-5

DEATH OF BROTHER ENDS HUNTING TRIP
One of Two Youths Killed in Discharge of Gun at Ontario Portage
PORT WILLIAM, Ont., Nov. 3.—Tragedy has terminated the dreams of two Wisconsin youths who left here a week ago for the wilds of northern Ontario where they intended to trap during the winter. Michael Tubacki, 20, of Armstrong Creek, Wis., and his brother Lewis, left last Wednesday to establish trap lines in the northern woods. Today Michael returned bringing the body of his brother, Lewis, who was fatally wounded while alighting with a gun from their boat at Irish Lake portage and died in the arms of his brother two hours after the accident. Michael paddled 25 miles for help and later, with police officers returned to the scene of the tragedy. Today he is enroute to his home with the body.

BRIDGE IS FINISHED AT CROOKED CREEK
HOPEWELL HILL, Nov. 3.—The new bridge across the Crooked Creek tidal stream at Albert, for which A. E. Smye had the contract, is completed with the exception of the overhead covering and some work on the approaches, which will not be done till spring. The contract price for the erection of the bridge was in the vicinity of \$16,000. Mr. Smye left last week to inspect to be sure all records are correct.

150 OUT OF WORK AT SPRINGHILL MINES
Seepage of Water at 6,500 Foot Level Seen as Serious
SPRINGHILL, Nov. 3.—Work in the 6,500 foot level of No. 2 mine here was stopped today on account of water flowing into the mine. It is believed that this water is coming from No. 2 mine, which was abandoned a year ago. If this continues it may prove a severe drawback to the coal output here and will mean a lot of unemployment. Some General Superintendent Nicholas and Mr. Herd, of Sydney, are here today looking over the situation. Some 150 men are now out of work. The union is endeavoring to have an extra shift put on one of the other mines to find employment.

WINTER PASSENGER PROSPECTS GOOD
Excursion Traffic Overseas Over Canadian National Promises Big Increase
MONTREAL, Nov. 3.—Winter excursion traffic from Canada overseas promises to be heavier this year than for some years, according to information reaching C. W. Johnson, passenger traffic manager of the Canadian National Railways here. This is partly due to better conditions in Western Canada, the crops of the last two years having been such as to help the farmers there. The last of the steamship sailings from Montreal will be operated to Great Britain and European ports, while special trains will be operated to catch the regular Christmas sailings from Halifax. Arrangements made with steamship companies for the handling and ticketing of passengers to all European ports direct from Canadian National offices have proved of great assistance to Canadians bound for overseas, and it is expected that many will winter holiday journeys this year.

WESTFIELD NOTES
WESTFIELD, Nov. 3.—Miss Evelyn Peters leaves for Detroit tomorrow night on account of the illness of her sister, Mrs. Arthur, and is closing her school services at St. Peter's church. Today he is enroute to his home with the body. Michael paddled 25 miles for help and later, with police officers returned to the scene of the tragedy. Today he is enroute to his home with the body.

STORY OF VALERIAN LOSS IS REVEALED
Crew and Lt.-Comm. Usher Cleared of Blame in Sloop's Sinking
HAMILTON, Bermuda, Nov. 3 (via Halifax and Bermuda Cable)—The striking Bahamas with only 35 tons of coal in reserve owing to the storm in the islands, ran into the hurricane of Oct. 22 and after fighting squalls that beggared description and gales of tornado force finally succumbed almost within sight of the harbor port and safety, was revealed by the court martial Monday of Lieut. Commander William Usher and the survivors, all of whom were honorably acquitted.

After 9 Years She Eats and Sleeps
"I had stomach trouble for 9 years, and the gas pressure in my stomach made me restless and nervous. Adierka helped me so that I can eat anything and sleep good. I don't suffer any more with gas." Mrs. E. Touchette.
Because Adierka acts upon BOTH upper and lower bowels, it gives the system a REAL cleansing, and clears out old poisons which cause nervousness, sleeplessness, headache. Just ONE spoonful daily, GAS, nervousness, flatulence, bloated feeling, so that you can eat better and sleep better. Even if bowels move daily, Adierka brings out much additional poison which you never guessed was in your system and which may have long caused trouble. No matter what you have tried for stomach and bowels, Adierka will surprise you. At leading druggists. In Saint John at Ross Drug Co., and other leading druggists.

FACTORY SPACE FOR RENT
We have good factory space for manufacturing or storage, with or without heat. Located in the wholesale district. Building has power elevator and is well lighted. Desirable lease will be given to proper parties. Apply
Energy Electric Co.
44 Dock Street. 11-5

QUICKLY DRIVES OUT ALL RHEUMATIC POISON
Torturing Pains and Swollen Joints Vanish When Rheumal is Used or Money Back
If you want quick gratifying relief take one teaspoonful of Rheumal night and morning. Almost from the first day you should realize that when Rheumal is in your system, it acts on the blood, stomach and liver, forcing the dangerous poison to leave the system in the natural way—that is, through the bowels. It matters not whether you are tormented with pain, crippled with swollen joints or distressed with occasional attacks of Rheuma, guaranteed by Wasson's two stores and all druggists, Rheumal will drive out the Rheumal poison. Rheumatism is a dangerous disease. It often affects the heart and causes death. If you have it in the slightest degree get a bottle of Rheumal today and drive it from your system right now.

SHEDIAC FOLKS ILL
SHEDIAC, Nov. 3.—Camille Cormier, chairman of the Board of School trustees, has gone to Quebec for special medical treatment. Miss Helen Armstrong, of Chipman, teacher in the primary department of the Central school building, has been obliged to give up her duties temporarily and go to her home because of ill health. She is improving and hopes to return after Thanksgiving. Her classes are being instructed by Miss Margaret Livingston, a high school student. Gerald Breaux, son of William A. Breaux, C. N. R. station agent here, who recently underwent an operation at Hotel Dieu Hospital, Moncton, is making steady progress toward recovery.

DEATH OF BROTHER ENDS HUNTING TRIP
One of Two Youths Killed in Discharge of Gun at Ontario Portage
PORT WILLIAM, Ont., Nov. 3.—Tragedy has terminated the dreams of two Wisconsin youths who left here a week ago for the wilds of northern Ontario where they intended to trap during the winter. Michael Tubacki, 20, of Armstrong Creek, Wis., and his brother Lewis, left last Wednesday to establish trap lines in the northern woods. Today Michael returned bringing the body of his brother, Lewis, who was fatally wounded while alighting with a gun from their boat at Irish Lake portage and died in the arms of his brother two hours after the accident. Michael paddled 25 miles for help and later, with police officers returned to the scene of the tragedy. Today he is enroute to his home with the body.

WESTFIELD NOTES
WESTFIELD, Nov. 3.—Miss Evelyn Peters leaves for Detroit tomorrow night on account of the illness of her sister, Mrs. Arthur, and is closing her school services at St. Peter's church. Today he is enroute to his home with the body. Michael paddled 25 miles for help and later, with police officers returned to the scene of the tragedy. Today he is enroute to his home with the body.

FIRST ANNUAL OF WOMEN'S A. A. F. OF C. AT MONTREAL DEC. 7

WILL ELECT OFFICERS AND DISCUSS PLANS

Present Ones Only Provisional—Men to Aid as Advisors

The first annual meeting of the Women's Amateur Athletic Federation of Canada has been called for December 7, at Montreal, when it is expected that representatives from all parts of Canada will be in attendance.

Miss A. E. M. Parks, of Toronto University, is provisional secretary, and Miss Marion Belding, who has been selected to officiate as president for the Maritime Provinces.

The whole subject of girls' athletics throughout the Dominion would be brought up in a thorough manner, it was said.

Miss A. E. M. Parks, of Toronto University, is provisional secretary, and Miss Marion Belding, who has been selected to officiate as president for the Maritime Provinces.

It seems that Coach Zuppke of Illinois insists the deception is brought about by the elbow pads used by the Penn squad, rather than the indiscriminate padding of the ball.

The contention is made that by folding the arms across the chest, when the football is tackled, it appears as if every member of the team had a football tucked away in his armpit.

Without desiring to take a definite stand in the matter, it is believed that the Penn coaches would not resort to unsportsmanlike tactics, it certainly seems as if the men actually worked would tend to make it far more difficult to locate the ball-carrier.

It is said that the Penn innovation has been sanctioned by the rules committee, which has put the stamp of legality on the stunt.

FROM the Pacific coast comes a new form of strategy that makes interesting reading, even should it prove the bunk.

Hollywood has offered its best makeup artist, who will use movie grease paint on the intelligent countenances of the Jones-coached team.

Such a scheme would enable Coach Jones to ring in Al Johnson, who could entertain with "Mammy" songs during intermission, without having any charge of professionalism raised.

WINNIPEG, Man., Nov. 3.—Canada is gathering her soccer forces for the forthcoming invasion of New Zealand and, according to announcement today by Sam Davidson, secretary of the Dominion Football Association, the tourist team will depart for the Antipodes early next May.

DES MOINES, Ia.—Joe Lehman, Toledo, Ohio, best Bearcat Wright, Omaha, 10 rounds.

DENVER, Colo.—Jack Malone, St. Paul welterweight, won a decision over "One Step" Watson, Omaha, negro, four rounds.

Interpretation of Rules Big Factor In N. B. Wanderers Games

Donovan Is Challenged

A TELEGRAM has been received at this office from "Nedder" Healey, of Halifax, issuing a challenge on behalf of Fred McDonald for a fight with Louis Donovan, the local featherweight.

TWO N. B. TITLE GAMES TODAY

U. N. B. and Mount Allison Clash at Fredericton

FREDERICTON, N. B., Nov. 4.—Two provincial rugby titles are being settled on the College Field ground here this afternoon.

Commencing about midnight last night, when the members of the competing teams were safely tucked away in their beds, the weather man started spitting snow.

Because "Pie" Currie, receiving half, was not out for the final drill of the back field yesterday, reports that U. N. B. would be without another of their regulars caused some excitement last night.

The Mount Allison Academy team arrived with the Varsity team last night, and their game with Fredericton High preceded the intercollegiate match.

THE LINE-UPS

U. N. B. team line-up follows: Forwards—Thompson, Anderson, Currie and Chestnut; Full-backs—McLennan, Woods, Dabell, McMurray, Macaulay, Fowler and Perrie.

Leaf Leader Goesto Browns

ST. LOUIS, Mo., Nov. 3.—Dan Howley will take charge of the St. Louis Browns as manager, at once.

It is understood the new pilot will receive an amount in excess of the \$15,000 he has been getting.

COLLEGIANS AND SOLDIERS SUSPEND PLAY

ATHLETIC RELATIONS OF SYRACUSE AND WEST POINT SEVERE—PLAY TOO ROUGH

SYRACUSE, N. Y., Nov. 4.—At a conference in New York City between Chancellor Charles W. Flint of Syracuse University and Brig. Gen. Merck B. Stewart, Superintendent of the United States Military Academy, concerning recent developments in the athletic relations of their institutions, it was agreed, according to an announcement made here, "the situation involved no difficulties which could not be satisfactorily adjusted in time, but without passing judgment on any past events, it is advisable temporarily to suspend athletic contracts until such time as most effective players, who were mutually agreed upon by them."

Chancellor Flint invited General Stewart to discuss the situation with him following the Army-Syracuse football game on Oct. 16, in which five players were hurt, and another, Quince Carr, Syracuse dash and high point scorer of the east up to last Saturday, and Trapsell, star of the Army line, who suffered torn ligaments in his knee, probably is out for the remainder of the season.

GEORGIA PEACH TO PLAY NO MORE

Is Tired and Wants to Rest—May be President of Brooklyn

AUGUSTA, Ga., Nov. 4.—Trust Eymond Cobb, better known as the "Georgia Peach" and the greatest hitter in baseball's history, has swung his last bat in a baseball game. Ty was back home today in the town where he first received recognition as a baseball player, having resigned as a color-manager of the Detroit team of the American League, after a colorful career of 21 years on the diamond.

WANTS TO REST

"I am tired and I want to rest," Ty said. "The game is getting harder each year, and I am getting older. My legs are still good, my eyes are as good as ever, but I can't take chances any more. A ball player who can't take chances ought to quit. That's what I am doing."

It was said he did not expect to play baseball again, although he said he expects to obtain an interest in a baseball club. (New York reports indicate there is a possibility of Cobb becoming president of the Brooklyn Dodgers, an office due to be made vacant by Wilbert Robinson, who has declared he will devote his entire efforts to managing the Dodgers next year.)

He has swung my last bat in a baseball game," he said. "You know I am going to be 40 years old December 18."

Bowling

The Y. M. H. A. and the K. of P. split two points each last night in a regular inter-association league match on the Imperial alleys.

Ty Cobb Resigns

DETROIT, Nov. 4.—The tocsin has sounded for Ty Cobb.

After 21 years of brilliant baseball the Georgian, wearying of constant criticism for his failure to develop a pennant winning club, resigned today as manager of the Detroit Tigers.

George Moriarity, the American League umpire, who made his baseball reputation as third baseman for the Detroit team, will be the new manager. His selection was announced today by President Frank J. Navin.

WILL ATTEND TO BUSINESS

Cobb left for his Augusta, Ga., home immediately after tendering his resignation. Friends said that Cobb will devote his entire time to varied business interests (he is generally reputed to be the wealthiest of the baseball players) and will not don a uniform for at least a year.

Disension was often reported in the Detroit club. This player and that player were said to be unable to "get along" with Cobb. His handling of pitchers was objected to by many.

CAREER BEGAN IN 1905

Cobb began his Tiger career in 1905. He has never played with any other major league club. The financial success of the Detroit Baseball Club is intertwined with the days in which Cobb was baseball's "greatest attraction."

For many years he was such a box office magnet as Babe Ruth is today. It was his versatility as much as his batting that won him the designation of the "greatest ball player that ever lived."

MacTier Cup Fixture At Capital On Nov. 15

FREDERICTON, Nov. 3.—Manager J. B. Carr, of U. N. B. rugby football squad tonight received a wire from H. Gunn, of Montreal, representing the MacTier Cup Trustees, stating that McGill University English rugby team, as Quebec-Ontario winners, would play U. N. B. here on Monday, Nov. 15.

On behalf of U. N. B. the date was accepted and J. F. McCarthy, the Mt. Allison coach, was suggested as referee. Mr. McCarthy will be here the preceding Saturday to referee the U. N. B. Wanderers game and could be retained here for the second contest. The U. N. B. team completed preparation for the Mt. Allison game here tomorrow by giving the backfield a light workout.

The Mt. Allison University and Academy teams arrived tonight with a number of supporters.

IS REORGANIZED

The Stone Church Badminton Club reorganized for the season on Tuesday night when officers were elected for the current season. Rev. J. L. Fleming was re-elected honorary president of the club, while Henry Morrisey was re-elected president. The other officers are, vice-president, Theodore Harrington, secretary, Shirley Ellis, and treasurer, William Curran.

An invitation has been extended the club to enter a team in the Saint John Badminton League.

SPECIAL TO THE TIMES-STAR

FREDERICTON, Nov. 4.—J. F. McCarthy, coach of the Mt. Allison University Rugby squad, who has been selected to referee the two matches between the Wanderers A. A. C. of Halifax, and the University of New Brunswick, has forwarded a letter to the managements of each of the competing teams, specifying that he intends that rugby union rules shall be observed in their entirety. The letter states that there are 36 rules and specifies the chief of them.

Mr. McCarthy is particular to mention the rule covering equipment and helmets, as coming under the clause banning parts of uniform which may injure an opposing player.

His will not forbid the use of serum caps of chamois leather.

AMERICAN LEAGUE ALL-STAR TEAM

Committee Picks Mythical Championship Team From The Players

CHICAGO, Ill., Nov. 4.—A mythical all-star baseball nine of American League players was unofficially selected today by the same committee appointed by President Ben Johnson to name the most valuable player in the league.

The trophy committee is composed of eight baseball writers, one in each American League city and one from the National League, and was organized and named on its own initiative, following:

Second base, George Burns, Cleveland; shortstop, Joe Sewell, Cleveland; pitcher, George Uhlenhuth, Cleveland.

Y.W.C.A. TRUCK MEET SET FOR SATURDAY

The Y. W. C. A. intermediate and junior gymnasium pupils are to have their truck meet on Saturday at this week.

Miss Hazel McCready, physical instructor, has the preparation well in hand and the girls have been getting into good trim hoping to make some creditable records. There will be between 50 and 60 girls entered for the various events, which will include 50 yard dash, 100 yard dash, high jump, running broad jump, standing broad jump, basketball throw and medley relay.

The field meet will commence at 3 o'clock and after it is all over the contestants are to be regaled at a supper at the Y. W. C. A. recreation centre.

SEA FENCIBLES' COLORS TO BE LAID IN CHURCH

Ceremony to Take Place Sunday; Military Parade Planned

The Colors of the Saint John Sea Fencibles are to be laid up in St. John's (Stone) church on Sunday morning when there will be a military church parade, and a guest of honor for the Colors will be supplied by the 3rd New Brunswick Medium Brigade.

Local News

ONE THIS MORNING

One man charged with drunkenness was arraigned before Magistrate Henderson in the Police Court this morning and was given the usual option of paying \$8 or spending two months in jail.

PROPERTY PROTECTED

While Policeman McElhiney was patrolling his beat on Prince William street last night about 9 o'clock, he discovered that a rack of magazines in front of N. Palmer's barber shop had not been taken in. He put it in the Royal Cafe, which is in the same building, for safety.

KILLS WILD CAT

Ralph Dobson, 44 Thorne avenue, encountered a wild cat yesterday afternoon on the empty Bay street between the East End Grounds and killed the animal by a blow on the head with a stone. The cat was about two feet, three inches in length. Mr. Dobson collected a bounty of \$5 on his kill.

CALLED TO MONTREAL

Rev. A. L. Fleming, rector of St. John's (Stone) church, left evening last evening for Montreal where he had been called for a conference regarding Hudson Bay work which will be attended by Rt. Rev. J. G. Farthing, D.D., Bishop of Montreal, Rev. Canon Goulet, D.D., general secretary of the M.S.C.C., with Colonel Stanley, a member of the government of the Hudson Bay Company, who was recently in Saint John. Mr. Fleming will be back in the city at the end of the week.

MRS. HARRY SELLEN HIT BY AUTOMOBILE

North End Woman Receives Injuries to Head in Accident

Mrs. Harry Sellen, 109 Acadia street, received severe injuries and cuts about the head at 6:10 o'clock last evening on the corner of Main and Portland streets, when she was struck and knocked down by an automobile driven by Harold Day, of Millidgeville.

UNITS TO MARCH AT 10:35

The units will form up at the Army at 10:25 a.m. on Sunday and march off at 10:35. The route will be along Carmarthen, St. James and Germain streets and Wellington Row.

ORGANIZED IN 1833

The Saint John Sea Fencibles were organized in 1833 and ranked fourth among the militia battalions in Saint John. The uniform worn by its officers and men was scarlet, probably with blue facings.

A. J. GRAY NAMED TO MONCTON POST

The appointment is announced of A. J. Gray as general freight agent of the Canadian National Railways, with office at Moncton. The appointment is effective from Oct. 25.

Laymen Hear Talk On Vocational School

The Laymen's Association of the Mission church met last evening and listened to an instructive address on Vocational School matters by Fletcher Peacock, director. George E. Howie, the president, was in the chair and there was a large attendance.

Street Car Service Held Up in Market Square After Accident

Four automobile collisions occurred in the city yesterday, one in the afternoon, two in the early evening and another at 10:15 o'clock, the latter causing considerable damage to the two cars while in the other cases the damage was considered slight.

CONSIDERABLE DAMAGE

The Dean car had the radiator smashed in, the lights damaged, the left front wheel broken to pieces and the front axle badly bent. The front of the Dean car was so closely jammed against the side of the street car that the latter was unable to move forward or backward and the street car traffic was blocked on all lines at the corner for about 20 minutes, until the damaged auto was moved by a large number of men to one side of the tracks.

THE MAHONY CAR

Mr. Mahony's car sustained a broken pane of glass, a broken steering wheel, a hole punched through the roof, along with some other slight damage.

EARLY LAST EVENING

About 7 o'clock last evening an auto truck and a passenger car situated at the corner of Prince Edward and Union streets. The latter car received a broken rear wheel and the side was broken in while the other car received a broken bumper and had an axle bent.

PLANS FOR CARLETON POPPY SALE MADE

Final arrangements have been completed by Carleton branch Canadian Legion B. E. S. L. for a thorough and systematic sale of poppies and wreaths on Saturday of this week, which is Poppy Day.

As Hiram Sees It

"I was thinking," says I to the town squire, as we walked the path of moonlight on Long Reach, "that them four d'Amours brothers you was talkin' about, that owned most all the land along the Saint John an' Kannelobecus two hundred an' forty year ago."

Samuel Greenburg Gets \$127.50 Verdict

A verdict for \$127.50 in favor of the plaintiff was returned in the County Court yesterday afternoon in the case of Samuel Greenburg vs. Richard Syraque.
