FIRST MEETING OF NEW COUNCIL

Stirring Session at Monday's Meeting Two Investigations to be Held

AN ELECTION PROTEST

The first meeting of the new town council was held on Monday evening under the chairmanship of His Worship Mayor Murray. The full board of councillors was present, when the minutes of the last meeting of the old council were read and confirmed.

A communication was read from the Town Solicitor stating his opinion with regard to the sewer on Patterson Street and the letter was laid on the table.

Communication read from John M. Riddle asking for a position as assistant in the engineers office. Referred to Water and Sewerage committee.

Communication from A. T. LeBlanc with regard to the flooding of L. Cantin's basement owing to the overflowing of the Water Street sewer, was referred to Water and Sewerage Department.

Communication read from Max M. Mowat protesting against the election of Samuel Laughlan as a councillor for Ward Two, on the fact that said candidate was Secretary of school trustees and was thereby not eligible. Mr. Laughlan spoke briefly in defense of his position, and, after discussion it was resolved to hold a special meeting on Wednesday evening to deal with the protest.

Communication read from the Building Inspector relative to moving picture shows and also in forming the Council that the temporary permit of Mr. H. Sansom for a planing mill expired May 1st.

First part of letter was referred to By-law and Legislation committee and the inspector was instructed to notify H. Sansom of the date of the expiring of his permit.

Councillors Miller, Alexander, and Lunam were appointed a committee for the nomination of standing committees. After this committee returned their report was received and adopted.

The following is the list of the standing committees:

By-laws and Legislation, The Mayor, Messrs Stewart and Miller; Financing and Auditing Messrs Miller, Alexander and the Mayor; Assessment and Appeals, Messrs. Ellsworth, Laughlin and Alexander; Police and License, Messrs Lunam, White and Laughlin; Public Property and Streets, Messrs Pinault, Miller and Ellsworth; Water and Sewerage, Messrs Alexander, the Mayor and Stewart; Electric Light, Messrs Stewart, Lunam and Alexander; Fire Protection, Messrs White, Ellsworth and Pinault; Education and Improvement, The Mayor Messrs Lunam and White; Public Charities, Messrs Laughlin, Pinault and Miller.

Max M. Mowat was heard before the Council in a matter which reflected on the past electric light committee. He asked that the Council grant an investigation into the working and management of that committee, as the Editor of the Tribune had stated in his columns that he had made grave charges against that committee and was prepared to prove them. Councillor Lunam said that as a member of that committee he thought Mr. Mowat was perfectly justified in asking this investigation and clearing his character and moved accordingly. Councillor Alexander as the other member of the committee, seconded the motion, and His Worship asked the editor of the Tribune who was present if he was prepared to appear before the Council

RESTIGOUCHE MAN DIES AT OCONTO

George Crooks Aged Native of Restigouche Passes Away.

LEFT HERE IN 1876

George Crooks, a resident of Oconto county for the past thirty-six years, passed away at his home in the East, ward early Tuesday morning, having been badly crippled with rheumatism for several years. He was 73 years old and was one of the most widely known citizens of the county.

Deceased was born in the parish of Eldon, Restigouche county, New Brunswick, Canada, December 23, 1839 and in 1870 was married to Miss Margaret McKenzie of Campbellton, New Brunswick. In 1876 he removed to this county and has resided here continuously since. For fourteen years he was employed by the Anson Eldred company at Stiles and for thirteen years by the Holt Lumber company as barn-boss. He leaves besides his wife, two sons, Don and George jr., and two sisters, Mrs. R. O. Stiles and Mrs. William Dunville, both of whom reside in Restigouche, N. B., Canada, to mourn his death.

The funeral was held yesterday afternoon at two o'clock from the Presbyterian church and was very largely attended. The following named were present from outside the city: Herbert Crooks and wife, Gertrude Crooks, Mrs. Clayton Crooks, Archie Campbell and wife, Robert Campbell and Mary Campbell, all of Oconto Fall, Mrs. Robert McIver of Stiles Junction, Mayme Williston of Marquette, and Charles Benkey and wife of Stiles.

Interment was had in Evergreen cemetery, Rev. McLandress officiating. The pall-bearers were as follows: James Urquhart, G. H. Armstrong, James Ramsey, James Herald, K. M. Flemming and William Pettigrew.

George Crooks was a man of sterling worth, an honest and an upright citizen and one whose death will be keenly felt. The sympathy of the community goes out to the bereaved family.

Deceased was charged with the case of Mr. C. S. O. Crockett would not promise to come before the council stating that the law courts was the place for Mr. Mowat to take action if he was aggrieved. After hearing the opinion of the Town Solicitor the motion was carried. The investigation to be held as soon as possible.

Council then adjourned, SPECIAL MEETING

A special meeting of the Town Council was held on Wednesday evening for the purpose of considering the protest entered by Mr. Max Mowat against the election of Council Laughlan.

There were present His Worship Mayor Murray and Councillors Alexander, Ellsworth, White, Pinault, Lunam, Miller and Laughlan.

Town Solicitor McKenzie was also present as well as A. T. LeBlanc on behalf of Mr. Laughlan.

Mayor Murray briefly pointed out the duty of the Council in regard to the matter reading the section from the Act which gave the Council its authority. He also stated that his only desire was to have the town's business properly and legally transacted.

Mr. LeBlanc, on behalf of Mr. Laughlan, stated that in his opinion the Council had no jurisdiction on account of wrong procedure in the first instance. He claimed that the wording of the Act in regard to contested elections contemplated a de-

INVESTIGATION AT CAMPBELLTON

Commission Hear Evidence in The Case of G. E. Asker the Harbor Master

A PALTRY CASE

On Monday the investigation on the conduct of Mr. G. E. Asker Harbor Master at the late election was held in the Waverly Hotel before Commissioner Knowles of St. John. Mr. A. E. G. McKenrie appeared for Mr. Asker and Mr. O. Smith for the complaint.

Oswald Smith gave evidence which was to the effect that he saw Mr. Asker go up the street with two men he did not know and go into the polling booth. He did not know the men nor did he know if Mr. Asker had canvassed their votes. He considered that this was political partizanship. Mr. John Letourneau also gave evidence which showed that he had approached Asker to use his influence to get him a job on the I. C. R. Mr. Asker told him to look after that himself. And in Letourneau's evidence it transferred that he had been promised this job by the Conservative party even under the fact that he was a most stalwart liberal at the time of the election.

Howard Duncan gave evidence to the effect that he walked up the street with Mr. Asker on the day of the election as they both voted at the same poll and that all he ever saw of Mr. Asker on the day of the poll.

Mr. Asker gave evidence on his own behalf, followed by D. F. Graham and supported by J. A. O'Keefe, after which the farce closed. The evidence will be looked over perhaps, and word sent out for Mr. Asker to go. If the Conservative party have made up their minds to give some one else the job of harbor-master, no amount of right reasoning or capability for the position will have any weight with the executioners.

To the few who listened to the evidence a more paltry business was never before aired in public, and never was there a more despicable attempt made to remove a public servant for no cause but personal jealousy and spite.

PUBLIC MEETING TO BE CONVENED

Citizens to Meet in Opera House on Monday to Discuss Grave Matters.

A POPULAR PROTEST

His Worship Mayor Murray in capacity of first citizen of the town has convened a public meeting to be held on Monday first the 29th inst in the Opera House. This meeting will be in the nature of a public protest against the recent verdict in the Doherty case and it is probable that further action may be the outcome of this gathering.

Already steps have been taken which show the trend of popular opinion on this subject and already one town on the North Shore has had an indignation meeting and will send a petition to the Lieutenant Governor. The stigma which remains on Restigouche County must be removed, and it appears that united action will be taken backed by the public bodies which should go a long way towards clearing away this terrible injustice.

NEW METHODIST ORGAN

Interesting Recital on Saturday Evening Before a Good Audience

A PLEASING CONCERT

On Saturday evening April 20th, the new pipe organ in the Methodist Church was opened by an organ and vocal recital. Prof. Robert Pickard A. R. C. O., head of the organ department of Mount Allison Ladies College, Sackville, N. B., rendered a program which not only showed his splendid skill as an organist, but which brought out the beauty of the instrument and delighted his hearers, notwithstanding the fact that the builders were rushed at the last and had not time to test the organ before the recital.

One of Prof. Pickard's numbers which was especially pleasing to many of the audience, represented a Scotch scene. The music of peasants' pipes was heard in the opening measures, after which a storm gathered in the distant and broke upon the village. The storm cleared and the peasants resumed their music, the songs of the cuckoo and nightingale were heard and all ended calmly and peacefully. He also played a charming little Andante of his own composition, and closed his programme with a selection from Tannhauser, which ended in an inspiring climax, requiring a most brilliant pedal technique.

The Campbellton people were also most fortunate in being able to hear Miss James of Sackville. She sang there solos, which captivated her audience. Her first and last numbers showed her ability to interpret song well adopted to the dramatic soprano voice, while her second number, of a lighter character, was rendered equally well. Miss James has a powerful and very pleasing voice, with a splendid control of the light range.

Mrs. William Sharp played Haudel's Largo as a violin solo with her usual skill and charm. The choir, which numbered fifteen voices, sang "Peace Perfect Peace" by Roberts, a selection which gave abundant opportunity for fine shading as well as for a full voiced climax. Prof. Pickard's accompaniments were very artistically rendered to form a charming background for the voices.

The Organ was purchased from the Warren Organ Company of Woodstock, Ontario, one of the oldest and largest firms in Canada. The instrument has eighteen speak-stops, two manuals, and all the most approved appliances of modern organ structure. The case is of quartered oak, and there is a roll top detached consol of solid oak, the interior fittings being of polished mahogany. The decorative pipes are of bronze gold, with gold leaf on the lips. The Church was tastefully decorated with plants and the organ case which harmonized so well with the soft creams and browns of the interior decorations, added the finishing touch to an auditorium which is now more than ever attractive. Prof. Pickard pronounced the instrument a very fine one, especially praising the quality of the diapasons which he considered unusually full, sweet and rich.

ELECTION CARD.

At the request of a large number of the rate payers of ward two I have consented to offer as candidate for councillor for the said ward, and respectfully solicit the support of the rate payers.

If elected I will do my utmost to further the interests of the Town.
DAVID SANSON.

Notice of Sale
3 M NOT 11588883

To Henry Boyle and Mary Boyle his wife, of the County of Gloucester, and to all whom it may concern:

Notice is hereby given that under and by virtue of a Power of Sale contained in a certain Indenture of Mortgage bearing date the twenty-second day of June, in the year of Our Lord one thousand nine hundred and nine, and registered in Volume 41st of the County of Gloucester and made between the said Henry Boyle of the Parish of Bathurst in the County of Gloucester, farmer and Mary, his wife, and Samuel Bishop, of the same place, retired Merchant.

I have will, for the purpose of satisfying the said principal and interest secured by the said Mortgage, default having been made in the payment thereof, contrary to the proviso for payment for the same, contained in said Mortgage, be sold at Public Auction, in the County Court house in the Town of Bathurst, in the County of Gloucester, on Thursday the thirtieth day of May, A. D. 1912, at the hour of twelve o'clock, noon, all the lands and premises in the said Indenture of Mortgage named and described as follows:

All that certain piece or parcel of land and premises situate, lying and being in the Parish of Bathurst in the County of Gloucester and bounded as follows:—On the North by the part of the said Lot owned by Hugh Boyle, on the south by lands owned in his life time by Edward Boyle, on the East by the Bay de Charles distinguished by a lot of Lot "B" and containing eighty seven acres more or less.

The said piece is hereby also given that under and by virtue of a Power of Sale contained in a certain Indenture of Mortgage bearing date the fifth day of September in the year of Our Lord one thousand nine hundred and seven, and registered in Volume 40th of the County of Gloucester and made between the said Henry Boyle of the Parish of Bathurst in the County of Gloucester, farmer and Mary, his wife, and Samuel Bishop, of the same place, retired Merchant.

Signed and sealed in presence of N. A. Laundry Solicitor for Mortgage.
March 8th 1912.

BAD WRECK ON INTERCOLONIAL

Special Freight Jumps Track, Tying up Traffic Considerably.

MARITIME DETAINED

A bad wreck, which tied up traffic for ten hours and did considerable damage to rolling stock took place on the I. C. R., near Salt Springs, N. S., about six o'clock, Saturday evening. Con. W. H. Wilbur's west bound special freight was derailed as the result of a coal hopper jumping the rail on a slight curve and there was a bad spill. Some five coal laden hoppers were practically destroyed while others were badly damaged and the track was torn up for a distance of about one hundred feet. Fortunately no one was hurt in the wreck.

All trains were more or less delayed by the accident. No. 33, the Maritime express from Halifax, was detained 8 hours, east of the wreck, and No. 26, C. P. R., from the west, which was six or seven hours behind time in reaching Moncton, was delayed three hours more by the Salt Springs run off, making her about ten hours late upon arrival at Halifax.

The express due here on Sunday morning did not arrive until 1 p. m.

FOR AGED PEOPLE

Old Folks Should be Careful in Their Selection of Regulative Medicine

We have a safe, dependable, and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called **REXALL ORDERIES**.

LATE KING'S TRINKETS

Watch Chain of Queen Alexandra's Hair and Other Treasured Articles Given to Museum

The new London Museum has been enriched by the receipt from Queen Alexandra of many articles which belonged to King Edward. The most interesting of these is a watch chain which the late King used to wear. To the chain, which is studded with diamonds, is attached the following inscription: "Watch chain of H. M. Queen Alexandra's own hair, and given by her to King Edward VII. in 1894." In the same case are a medalion and ribbon each of the three different classes of the Victoria and Albert Order. This Order, like the Garter, is returned to the Sovereign at the death of the holder, and those in question were bestowed upon Lady Odrington, the Queen of Hanover and the Countess Spencer. Nearby are King Edward's favorite cigar and cigarette cases and his cigar box. The collection is completed with several pairs of gloves worn by the king on special occasions, and also a favorite woolen muffler.

"Our Personal Advice to All Skin Sufferers"

A. McDONALD, Druggist

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right. So when we tell you that we have found the effective remedy, you can depend upon it that we give our advice, not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or tetter, we want you to try a full size bottle of D. D. D. Prescription. Again and again we have seen how a few

NO CANADIAN SILVER DOLLARS

New Finance Minister Thinks That They Would be Cumbersome

"The Cart-wheel" silver dollar is not to clutter the pockets of Canadians. Hon. W. T. White, Minister of Finance, has decided not to proceed with the coinage of silver dollars as authorized by the legislation passed last year by the ex-Finance Minister, Hon. W. S. Fielding. Mr. White believes that the dollar notes fill all requirements at present, and that the silver dollars would be unnecessary, and cumbersome. The dies for them which recently arrived at the Ottawa Mint from England will therefore not be used.

The coinage of five and ten dollar gold pieces will begin next month, and about eight million dollars worth will be minted. A large quantity of Canadian gold has gone through the refinery at the Mint during the past six months, and is now ready for minting. The new coins will be exchanged at par in the United States, the intrinsic value being exactly the same as the American five and ten dollar gold pieces.

GET YOUR MONEY BACK

If This Medicine Does not Satisfactorily Benefit You

Practising physicians making a specialty of stomach troubles are really responsible for the formula from which **REXALL DYSPEPSIA TABLETS** are made. We have simply profited by the experience of experts.

Our experience with **REXALL DYSPEPSIA TABLETS** leads us to believe them to be an excellent remedy for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time helps to bring about a cessation of the pains caused by stomach disorders.

REXALL DYSPEPSIA TABLETS aid to insure healthy appetite, aid digestion, and promote nutrition. As evidence of our sincere faith in **REXALL DYSPEPSIA TABLETS**, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents, and \$1.00. Remember, you can obtain them only at our store—The **REXALL STORE**. Thos. Wran, Druggist.

PRINCESS MARY

Daughter of King George and Queen Mary. Her full name is Victoria Alexandra Alice Mary. She was born April 23, 1897.

THE CANADIAN WINTER IS BEAUTIFUL

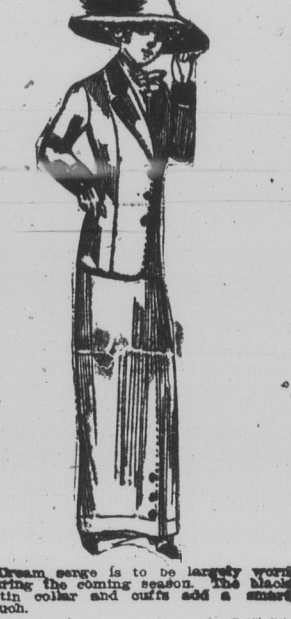

Is the Canadian winter an asset to the country? This question is suggested by an article contributed to the APRIL CANADIAN MAGAZINE by Newton MacTavish. The article deals with the art of Maurice Cullen of Montreal, who as a painter makes a consistent study of the Canadian winter. Mr. MacTavish gives this artist credit for having depicted the snow and winter so as to present a beautiful picture and suggest a pleasing mood of nature. He observes that Mr. Cullen has achieved his ends as a painter of the snow, notwithstanding the prejudices of a great many persons who seem to think that we ought to keep the rest of the world ignorant of our winter. But if the beautiful aspects of winter could be impressed, as they are in Mr. Cullen's paintings, we should have no fear from a spread of the knowledge.

TABOOES HOBBLE SKIRT

Something as to the Prevailing Modes for Women.

This is what women will wear the coming season, as disclosed by the style congress held in Chicago by the Ladies' Tailors and Dressmakers' Association of America: No hobble skirts. Dresses must be two and a half yards wide, three-fourths of a yard wider than the hobble. They must be short, three inches from the ground. Blue and white are the colors, and the materials whipcords. Jackets are to be 36 to 38 inches long, and close-fitting. Empire effects must be forgotten. If any waist line is effected, it must be "at the waist or lower." Revers and sailor collars will be tabooed, but collars will be different colored from the coat. No changes are ordered in plain tailored gowns or suits.

CREAM SERGE SUIT

FEATHER GARMENTS

Make Their Reappearance in Quite an Original Way.

An interesting novelty is to be the substitution of feather garments in the place of furs. This does not mean a mere revival of the long-discarded feather boa and muff. Feathers are to make their reappearance in quite an original way. "Long feather stoles will be worn," a West End Modiste says, "and they will be composed of such myriads as tiny, uncured feathers that in the case of black or white stoles they could easily be mistaken for the most exquisite skins." There will be large pillow-shaped muffs to match, and in Paris some coats and jackets of similarly "materialised" feathers will be seen. "Another striking innovation is that the spring feathers will be obtainable in every conceivable shade, so that a pink stole or green muff will be no unusual sight." "Furs, of course, do not afford a very large choice of colour, and this is an advantage which the feathers will offer. "Soft, downy trimming is to be used a good deal on evening dresses and, to some extent, also on costumes. "The new fashion will doubtless be appreciated by most women as forming a transition between the heavy furs required for mid-winter and the lighter garments of the early summer."

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

You will look a good while before you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold, and you are certain to be pleased with the prompt cure which it will effect. For sale by all dealers.

PUBLIC NOTICE

There will be sold at Public Auction on the premises on the corner of King and Queen St. in the Town of Campbellton, all the right title and interest of Richard Smith in a certain carriage factory and premises consisting of a leasehold lot, together with the buildings and including the machinery and stock in trade, on Tuesday the twenty-first day of May next at the hour of two o'clock in the afternoon. A full description of the property can be obtained from the undersigned.

TERRIBLE HEADACHES

Trenton Merchant Driven To Despair By The Pain.

"FRUIT-A-TIVES" CURED HIM

TRENTON, Ont. Jan. 29th, 1909. "I was a dreadful sufferer for many years from Stomach and Liver Trouble—but my greatest suffering was from violent headaches. They were so distressing that I almost had to give up my business. I went to Toronto, consulted specialists and wore glasses, but nothing did me any good and the headaches became intolerable. I was then induced to try "Fruit-a-tives" and from the beginning, I was better, and in a short time I was quite well again—no more headaches—and I threw my glasses away. "Fruit-a-tives" not only cured my headaches, but completely cured me of all indigestion, and restored me to perfect health again." W. J. McCOMB. "Fruit-a-tives" is the greatest cure for headaches in the world and is the only medicine made of fruit juices. "Fruit-a-tives" will always cure Headaches, Indigestion and all Stomach and Bowel Troubles. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers or from **Fruit-a-tives Limited, Ottawa.**

Notice of Sale

To Maxime M. Dugas of the Parish of Caracquet in the County of Gloucester, farmer:

Notice is hereby given, that under and by virtue of a Power of Sale contained in a certain Indenture of Mortgage bearing date the fourth day of July, in the year of Our Lord one thousand nine hundred and five registered in Volume 47 as number 441 and on pages 553, 554 and 555 of said Volume of the Records of the County of Gloucester and made between the said Maxime M. Dugas of the Parish of Caracquet in the County of Gloucester and Province of New Brunswick of the first part and Samuel Bishop of the Parish of Bathurst in the County of Gloucester, retired merchant, of the second part; there will, for the purpose of satisfying the money, both principal and interest secured by the said Indenture of Mortgage, default having been made in the payment thereof contrary to the proviso for payment contained in the said Mortgage, be sold at Public Auction, in front of the County Court House, in the Town of Bathurst in the County of Gloucester, on THURSDAY, the Ninth day of May next, A. D. 1912, at the hour of twelve o'clock, noon, all the lands and premises in the said Indenture of Mortgage named and described as follows:

All that certain lot or parcel of land and premises situate, lying and being in the Parish of Caracquet in the County of Gloucester and bounded as follows:—to wit, on the South by the Little River (so called) on the West by Germain Dugas on the North by the Caracquet Bay shore and on the East by Antoine Dugas, measuring in front fifty four yards and containing fifty acres more or less, also all that certain piece or parcel of land and premises situate and being in the Parish of Caracquet aforesaid and bounded as follows:—on the East by High Water. Work of Caracquet Bay and running South by a Public Road between Germain Dugas and Joseph Theriault fifty yards to a fence and thence running West fifty-four yards on a parallel line to the lands now owned by William Dugas thence running North by a line between Joseph Theriault and William Dugas to the High Water. Mark of Caracquet Bay thence running East by the Caracquet Bay to the Public Road to the place of beginning, containing one acre more or less.

Also all that certain other piece of land situate in Caracquet aforesaid and bounded as follows:—on the North by the Little River (so called) on the East by land occupied by Philip Landry on the South by the Rear line of Caracquet Grand and on the West by lands occupied by the heirs of the late Maxime Dugas containing fifty acres more or less, also all that piece of land situate in Caracquet aforesaid and bounded as follows:—on the East by Lot No. 237 surveyed for Antoine Cormier on the South by the Rear line of the said Lot of land on the West by land owned and occupied by Ephrem Landry and on the North by a reserved road, containing ninety-one acres more or less.

Together with all and singular, the buildings and improvements thereon and the profits, privileges and appurtenances to the same belonging or appertaining.

Dated this first day of March, A. D. 1912.
SAMUEL BISHOP (L. S.)
Signed and sealed in presence of N. A. Laundry.

FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped
By Common Sense
Suggestions.

Women suffering from any form of female illness are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; this has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book of general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

THEY DID JUST WHAT YOU SAID GIN PILLS WOULD DO

QUEBEC, P.Q.
"I received the sample of Gin Pills and have taken them. They have done me so much good. They do just what you say in your circular that they will do. I can but congratulate myself that I sent for the sample, and I bought a large box at my druggist's. I have made up my mind that I shall never be without them until I am cured. I thank you many times, for I had never found a remedy to do me any good until I tried Gin Pills."

MADAME MARIE MIVILLE DUCHENNE.
Do just as Madame Duchenne did—write for a free sample of Gin Pills, and try them for Kidney Trouble, Irritated Bladder, Painful or Suppressed Urine, Pain in the Back, Rheumatism, Sciatica, or Lumbago. If they benefit you, get the regular size boxes at your druggist's—50c. or 6 for \$2.50. But write right now for the free sample. National Drug and Chemical Co. of Canada, Limited, Dept. N.B. Toronto.

A bite of this and a taste of that, all day long, dulls the appetite and weakens the digestion.

Restore your stomach to healthy vigor by taking a Na-Dru-Co Dyspepsia Tablet after each meal—and out of the "pleasing".

Na-Dru-Co Dyspepsia Tablets are the best friends for sufferers from indigestion and dyspepsia. 50c. a Box at your Druggist's. Made by the National Drug and Chemical Co. of Canada, Limited.

MARIA

J. I. Cyr has returned home after spending some time in Quebec. W. F. Sharpe, representing Reed Co., Campbellton passed through here on his way to Gaspé. Miss Emily Mill who was visiting friends in Carleton has returned home. Dr. Beverly Sproul paid Maria a flying visit lately. D. Harquail of Campbellton is visiting friends here.

J. B. Carron of Montreal is at the Giroux House, where he has a photographic gallery, we learn that he will be there yet for some time. Miss Maggie Bernard has accepted a position as teacher at the home of T. J. Mill. P. Falla of Nouvelle paid Maria a flying visit last week. T. J. Caldwell of New Carlisle passed through here last week en route to Carleton. T. Picard manager for the International Lea Moss Co., Isle Verte, has arrived to resume his work here for the spring and summer months.

We are pleased to hear that Edmund Gauthier has recovered from his recent illness.

NEW CARLISLE

Mrs. West and little daughter Mary spent Easter Sunday here the guest of Mrs. H. Miller.

Mr. Wm. Moore of Moores Settlement is visiting friends in New Carlisle. J. Thompson has returned from Dalhousie. We are sorry to learn of the illness of Miss G. Christie, who left home some months ago. The members of the I. O. G. T. met on Tuesday evening at seven o'clock, the meeting took place in the Good Templar's Lodge. Miss May Garrett spent her Easter holidays at her home the guest of her parents Mr. and Mrs. W. Garrett.

Miss Isabella Nelson of Stillwater Minnesota is staying with her aunt Mrs. J. Flowers. Miss Myrtle McPherson of Port Daniel has returned to New Carlisle after spending a few days at her home.

The Misses Edith LeGallais and Dorothy Mauger of Shigawake are attending school here.

MATAPEDIA

The funeral of the late John E. Fitzgerald of Matapedia took place from his late residence on Wednesday the 17th of April at 10 a.m.

The funeral was conducted by Rev. C. A. Hardy and Rev. J. Valentine. The funeral was very large. The remains were interred at Matapedia. The deceased though only twenty-two was a general favorite. He saved two lives from drowning at two different times. He was a large man strong and courageous.

The sympathy of the communities round about is hereby extended to the bereaved parents and the brothers and sisters in the loss of a loving and faithful son and brother.

BLACK CAPE

The death of Mr. Abraham Carey occurred at his home on Wednesday, the 17th of the ripe old age of 86 years, he had been ailing for some time, but of late had been able to move about, and was glad that the winter was about over that he would enjoy the beautiful summer once more, but about ten days before his death he took his bed and grew weaker every day, when at one o'clock Wednesday he breathed his last. He leaves to mourn his loss a wife, two daughters, Mrs. Thomas Myhrrell of Fox, Craft, Maine and Mrs. Frank Frenette of Petit Rocher and four sons Philip Lawrence of Colorado, James E. of Sydney, C. B. and Felix and Frederick of Black Cape and leaves one sister who is in Maine and two brothers Gilbert and Duluth, Minn. and David of Caplin River. The funeral took place on Friday morning in the Guardian Angel Church, New Richmond, Rev. Fr. Charleau officiated assisted by Rev. Fr. Fortin.

Mrs. Henry Hardy and her grand daughter May McWhirter arrived from Montreal last week. Mr. Robert McNair left on Friday on a trip to the N. B. side. John Hall Kelly, M. P. P. paid Black Cape a flying trip on Saturday.

FONTENELLE

A very pleasant evening was spent in No. 1 school house Fontenelle, on the 8th inst, where a concert was held given by the pupils of said school, under the management and control of our teacher Miss F. E. Robinson. A grand tea was given by the parents of the children at the home of Mrs. Harry Olson and from thence to the school house. The stage was prettily decorated. Miss Robinson presided at the organ and gave some very fine selections. The most pleasing being a song entitled "The Engineers Last Good-Bye" which was beautifully rendered. The building was crowded to excess and the different parts of the programme were highly appreciated.

Times are very dull around here at present.

Capt. Clem Roberts and two sons Willie and Gordon are leaving on Monday to repair and paint their vessel "The Minnie Maude". Mr. and Mrs. Alcide Fournier is leaving for Vancouver on Friday on account of his health.

There are two stores getting built in the Northwest for James Fall and Wilbert Simpson. Wedding bells will ring in the near future.

RAFTING GROUND N. B.

A most successful dance was given at the home of Mr. Jas. Chassard on Monday evening. About 70 guests were present. Mr. and Mrs. Barbour are receiving congratulations on the arrival of a baby girl. Miss Maud Black was visiting in Moores Settlement last week.

A WONDERFUL DISCOVERY.

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a single thin layer of Zam-Buk is applied to a wound or sore, such injury is insured against blood poisoning. Not one species of microbe has been found that Zam-Buk does not kill!

Then again, as soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again, as soon as Zam-Buk is applied to a diseased part, the cell beneath the skin's surface is so stimulated that new healthy tissue is quickly formed. This forming of fresh healthy tissue from below is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mr. Marsh, of 101 Delorimier Ave., Montreal, called upon the Zam-Buk Co. and told them that for twenty-five years he had been a martyr to eczema. His hands were at one time so covered with sores that he had to sleep in gloves. Four years ago Zam-Buk was introduced to him, and in a few months it cured him. To-day—over three years after his cure of a disease he had for twenty-five years—he is still cured, and has had no trace of any return of the eczema.

All druggists sell Zam-Buk at 50c. box, or we will send free trial box if you send this advertisement and a 1c stamp (to pay return postage.) Address Zam-Buk Co., Toronto.

A famous English Physician believes in Eugenic principles.

Dr. A. F. Tredgold, at a meeting of the Eugenic Education Society at the Theatre, Burlington Gardens, London, advocated the keeping of family records with a view to preventing marriages between the unfit. Dr. Tredgold, who is consulting physician to the National Association for the Feeble-Minded, and was a medical expert to the Royal Commission on the Feeble-Minded, said that all past evolution, whether of man or of the lower animals, had been the result of variation and selection, and it could not be doubted that any further racial advance of man would be due to the same causes.

If national degeneracy was to be averted, eugenic principles must be applied to the nation. Regardless of their social status, the marriage and propagation of the fit must be encouraged, and that of the unfit prevented. This could only be brought about by the regulating of marriage. Moreover, the effect which the regulation of marriage would have upon individual happiness would be great. He was convinced that a very large amount of wretchedness of home life resulted from hasty, ill-considered marriages, regardless of the character, mental and physical health of the contracting parties. If greater attention were paid to these and to the general responsibility attaching to marriage, they would hear very much less about the need of divorce.

The Ladies of Campbellton

May Now Grow Beautiful Hair

The White Drug Co. backed up by the manufacturers of SALVIA, the Great Hair Grower, guarantees it to grow hair. SALVIA destroys Dandruff in ten days. The roots of the hair is so nourished and fed that a new crop of hair springs up, to the amazement and delight of the user. The hair is made soft and fluffy. Like all American preparations SALVIA is daintily perfumed. It is hard to find an actress who does not use SALVIA continuously. A large bottle for 50c.

HARCOURT

At the regular meeting of Harcourt Division on Saturday evening last, a committee of four was appointed to write a letter of condolence to Miss Ethel Wathen, one of the members of the order, on the occasion of her having been called upon to part with her beloved mother. The letter was signed on behalf of the Division by:

R. Hensley Staver
John Beattie
P. Langille Robinson
E. H. Creed.

Mr. Harry Thauber of Millerton is spending a few days in the village.

Rev. R. H. Staver returned home Saturday from Moncton and vicinity. James Cameron teacher at Canaan is spending the week end with his parents here. Miss Margaret Cameron, teacher at Grange-

ville is spending the week end with her parents Mr. and Mrs. W. G. Cameron. Harcourt Division, No. 438 Sons of Temperance installed the following officers for the ensuing quarter:

W. P., P. L. Robinson; W. A., Annie Warren; R. S., Blanch C. Wellwood; A. R. S., Morton McMichael; F. S., James Cameron; Treas., L. J. Wathen; Chap., Nina Geddes; Cond., Prescott Walton; A. C., Debbie Lankey; I. S., Leonard Ward; O. S., Hazen W. Wylie; P. W. P., John Bettie, Organist, Bella Lankey.

The death of Mrs. Samuel Roundell occurred at her home, Moncton, on Sunday morning after a lingering illness. She was the daughter of the late James Livingstone of this place, and was 25 years of age. She is survived by her husband and one child, Russell; her mother Mrs. James Livingstone, one brother Fred of the G. T. P., and three sisters, Mrs. James Lyon at Millerton, Mrs. Hedley Atkinson of Douglastown and Mrs. Otty Bailey of Moncton. A short service was held in Moncton and the body was brought up to the local express for interment. The funeral service which was held in Presbyterian Church on Tuesday was a large one. The service was conducted by Rev. R. H. Staver and interment in the Presbyterian cemetery. To the sorrowing mother who has been called upon to mourn the loss of the second of her family within the past couple of months we extend our sincere sympathy. The floral offerings were many and costly.

HEAVY DRINKER CURED

Samaria Cured Him and He Helps Others

A man who has been released from the awful cravings of drink, and whose first thought is to help others, shows the spirit of true brotherhood and philanthropy. Read his letter:

"The Samaria Remedy Co., Toronto, Ont.: "Will you please send me book on drink, also circulars relating to your valued remedy for the drink habit. I wish to hand these to a friend who is going to ruin through drink. You will remember that I have taken your remedy, and I find all you claim it to be. I never think of taking or using strong drink in any way, as all desire for it has left me. I cannot speak to highly of your wonderful remedy. You may use my name in any way you wish in public."

"H. Lilywhite, Bridgen, Ont." Samaria Prescription is tasteless and odorless, and dissolves instantly in tea or coffee, or can be mixed with food. It can be given with or without the patient's knowledge. It removes the craving for drink, builds up the system and restores the nerves. Drink becomes distasteful and even nauseous.

Drink is a disease, not a crime. One drink of whiskey always invites another. The inflamed nerves and stomach create a craving that must either be satisfied by more whiskey or removed by scientific treatment like Samaria Prescription. Samaria Prescription has been in regular and successful use by physicians and hospitals for over ten years.

If you know of any family needing Samaria Prescription, tell them about it. If you have a husband, father or friend that is drifting into drink, help him help himself. Write today.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, price, etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence sacredly confidential. Write today.

THE SAMARIA REMEDY CO., Dept. 77, 49 Colborne street, Toronto, Canada. Also for sale by Thos. Wran, Druggist, Campbellton.

CENTENARY FUND OF WESLEYANS

Negroes of Africa the Foremost to Contribute for Development of Work in Foreign Field

The Wesleyan Methodist Missionary Society of England will celebrate its centenary, and it is characteristic of the Wesleyan Methodist Church that the thanksgiving is to take the practical form of raising \$1,000,000 in order to develop the work in the foreign field, and of advancing the society's regular income by at least \$25,000 per annum.

Though the Wesleyan Methodist Missionary Society was not established until 1813, the foreign work of the Church goes back to 1780, in which year the English planter Nathaniel Gilbert, began to preach to the negro slaves of Antigua. But the father of Wesleyan Foreign Missions was Dr. Coke, who held a patriarchal to Methodism abroad not dissimilar to that of John Wesley toward the societies at home. Thirty years before the Wesleyan Missionary Society was named their missions had given birth to the Episcopal Methodism of the United States. The record of the hundred years is being written by Dr. Findlay.

The native churches are setting a fine example of generosity in subscribing to the proposed fund, and in many instances the members of these churches are making promises equivalent to a month's salary, while one district in West Africa has already raised its full quota. The penny is playing an important part in the campaign; someone having reckoned that if each member contributes one penny per week for one hundred weeks, the sum required will be raised.

"Cranks" On Clothes

"A Crank is a man who knows what he wants—and gets it".

You'll find a lot of "cranky" men wearing "Progress Brand" Clothing.

They don't guess—or take anyone's word for quality. They have compared—tried on—tested. They know that "Progress Brand" Clothing gives them style, fit, wear, satisfaction, that they can't get in any other make at the same price.

It's a good thing to be a "Crank" on clothes.

It enables you to dress better—and to save money. It also brings you eventually to wearing "Progress Brand".

FRIDAY, APRIL 26, 1912

FOR THE FIRST TIME.

For the first time in the history of the town the election of a Councilor has been protested and the protest upheld. At the special meeting of the Council held on Wednesday evening, councillor-elect Laughlan was disqualified by the casting vote of His Worship the Mayor. It would be well to note that in the carrying out of this disqualification, the Council showed no personal bias whatever, the protest being upheld, not on the fact of Mr. Laughlan being Secretary of School Trustees, but on the fact that he, in that capacity, handled directly and indirectly money raised by the town in taxes for school purposes, and on that ground could not hold the seat.

One good point about the matter is that if the Council were wrong before in allowing persons to sit at the Board who were liable to be disqualified, it is better to know it now and so guard against such a thing in the future.

The position that His Worship took is being commended on all sides. He has shown good executive ability and business tact in his handling of a very delicate matter at the beginning of his term of office; and when giving his casting vote in favor of disqualification gave his reasons to the Council for his action in clear and simple direct words. His Worship said that he felt very strongly on this matter of protest, and so convinced was he of his intention to see the deliberations of this council carried out in a business like and legal manner, that he would rather resign his seat as Mayor if he thought there was any chance of the work of this council being thought illegal. Regarding what had been done in past councils he would not deal with, beyond saying that if there was any doubt about the legality of their acts, these could be legalised by act of parliament. Because of his desire to have the council acting properly, he therefore voted for disqualification.

Mr. Laughlan, who took the decision of the council very quietly, therefore loses his seat and another election will be required.

Mr. Laughlan has shown good sportsmanship in accepting his rejection in the way he did, stating that he was quite satisfied to accept the ruling of the council.

Mr. David Sanson of the Richards Manufacturing Company has consented to stand, and would make a good addition to an otherwise efficient council.

LEAVE WELL ALONE

The members of the Fire Brigade feel very bitter over the slight which they consider has been put upon them by Councillor Pinault. They feel it is nobody's business what their personal attire is and

they resent the imputation that they are a "white collar" brigade and not a working force. In conversation with a number of the firemen to-day, they consider this a most unwarranted attack made on them and on their chief, who has the support and the respect of every member. From the secretary we learn that the persons who are designated as the "white collar" boys are the only ones who are to be depended on at the time of a fire and have shown this dependability by being present, the majority of them, at every call.

RIGHT THIS TIME.

The Chatham world says:—Two of the jurymen who astounded the public by a verdict of Not Guilty in the Doherty murder trial have publicly apologized by explaining that they simply meant not guilty of murder, and did not know that their verdict would set the prisoner free. Their minds were confused by the multiplicity of words from counsel and judge. It was the rankst verdict—directly contrary to the evidence—that ever disgraced a New Brunswick court.

LETTERS TO THE EDITOR

To the Editor of the Graphic

My dear Sir,
To my amazement I found when visiting the cities of Charlottetown, St. John and Montreal last fall and this spring that the impression was universal that the late Mr. Bruce met his death while engaged in a heated political controversy. To my still greater amazement, (I would fain use a stronger word but for fear to do so), the recent "trial" confirmed this erroneous impression. The consequence is that to-day all who do not know the facts as we do, believe our late friend to have been the aggressor in a common fight. It is our duty to correct that impression. There is a time to speak and a time to keep silence. I wish, Mr. Editor, to assert my absolute belief in the innocence of my dear friend, Mr. D. J. Bruce. For the sake of his sorrowing family, for the sake of the church which he loved and served so well, for the sake of the town of Campbellton of which he was so excellent a citizen, I think we might all assert our confidence that he never struck a blow in that terrible affair and that he was not wrangling over party politics. The recent trial looked like a cruel mockery, so I take no account of its findings at all, and I am persuaded that very few of the citizens of this town do. I am satisfied with the plain straightforward evidence of the two witnesses for the prosecution, which evidence was accepted with contempt by the learned counsel for the defence while scarcely a word of protest was heard from the learned counsel for the prosecution. The jury took the testimony of the prisoner in preference to that of the two witnesses already referred to. According to the press report, Mr. McGinn's evidence was characterised in better terms as "false from beginning to end" and the jury was asked to discredit his evidence and accept that of the prisoner. The evidence of another witness was not mentioned, yet that testimony was in substantial agreement with that of Mr. McGinn. Little effort seems to have been made to meet that most unjustifiable attack on a man's integrity. So Mr. Editor, the fairminded people of this town have no hesitation in accepting the testimony of the two witnesses in preference to that of the prisoner and in spite of the verdict returned by the jury.

I congratulate you Sir on the stand you are making in this deplorable business. Far be it from anyone of us to kick a man when he is down, but, in the interests of Society, in the interests of justice, we cannot keep silent. Most of our citizens feel that an investigation should be called for at once and an opportunity will be given them shortly to express their feelings and desires.

It is felt that the Crown representative did not have sufficient information to enable him to properly deal with the case. Arriving the day before the trial, how could he be expected

to have a mastery of all the details or to have sufficient knowledge of the jurymen to make any objections. Against him there was Mr. Powell, one of the ablest lawyers in this part of the Dominion, and this gentleman has been over the ground carefully, he had been present at the preliminary hearing—why was the Crown representative not on the case from the commencement? I know that a representative of the Crown was present but why was the same lawyer not retained all through the proceedings? Mr. Powell admitted that the death of Mr. Bruce was brought about by the doctor, the judge told the members of the jury that they had before them a choice of verdict, yet that brought in an incomplete verdict of "not guilty of the indictment". That certainly implies that the prisoner was guilty of something else. Was that a legal verdict? Why was the prisoner not cross-examined more closely by prosecutor why was there such a desire to hurry the trial to the close? I will not occupy your space further with these inquiries. You know as well as I that the public is asking such questions and many more. In a word, the recent trial does not satisfy the people of this town and county and they wish to place their dissatisfaction on record. We are coming to have a very unenviable reputation for the manner in which we administer justice of this county. On the night of the arrest many indignant citizens were restrained with difficulty from making an attack on the prisoner. The law abiding citizens used the argument "leave him alone the law will attend to him". Do you think that we should have the courage to use that argument again, and do you think that if we did it would have the slightest weight? There is something seriously wrong when that argument fails.

Such events as this struck at the very foundation of society. When the people lose their faith in the administration of justice they will certainly take the law into their own hands. This has been done repeatedly in the United States, I need not illustrate.

Do we citizens of a new and rich country of infinite possibilities desire to see our goodly heritage the home of lawlessness and anarchy. If not it is high time to call a halt, high time to demand that the will of the people shall be done, that principles shall be put before party politics that the idea of our nation shall always be the protection of human life, the protection of property, the greatest good of the greatest number.

Your very truly
THOS. P. DRUMM

ACTOR AND FUR COAT

Strange Tale of a Maharajah and a Big Salary

An extraordinary story was told at Bow Street police court when Frederick Chandler, aged thirty-eight, described as an actor, was committed for trial on a charge of stealing a lady's fur coat, worth \$140, belonging to Mrs. Margaret Shapack, a boarding-house keeper.

Mrs. Shapack said Chandler, when staying at her house, told her he was in the secret service of the Maharajah of Cochin Behar, with a salary of \$2,500 a year. He said he thought he could sell the fur coat for her to one of his own people, by which she thought he meant one of the Indian princes. He took the coat away, and later said he had sold it for \$200 and the money would be forthcoming on the following Monday. Afterwards he said the money had been stolen from his pocket in a restaurant.

Evidence was given that the coat was pledged for \$40 on the day the accused received it. The accused afterwards sold the coat for \$30. A detective said the accused had been brought up on a Home Secretary's order, as he had already been committed for trial on a charge of wounding a Jeweller by striking him on the head with a gingerbeer bottle and squirting ammonia over him when he called at his flat with some jewelry he had for sale.

AUSTRIAN SUFFRAGETTES

The woman suffrage movement, which has hitherto found few adherents in Austria, has suddenly sprung into life in an astonishing manner. At the first Austrian female suffrage conference held in Vienna and attended by numerous leaders of the women's agitation, mostly ladies belonging to well-known aristocratic families, it was resolved to demand equal and direct electoral rights for women for all representative bodies. At Prague also a meeting took place of representatives of all the Czech female organizations, and a resolution was passed to demand active electoral rights.

Grog Brook, in the vicinity of Millers Mill is very high and there is danger of a heavy freshet there.

PROPERTY PURCHASE

J. A. LaBelle has purchased one of the Bedford lots on Prince William St. and is already erecting a dwelling and barn.

NEW BUILDING

Thomas Matheson is erecting a dwelling on the site of his former building. Messrs Harquail has the contract.

DRIVING CREWS

The men are getting busy for the drives, some of the crews looking as if they were having a "carouse" before going off to the camps.

WHIST PARTY

A most successful whist party was given in Murray's Hall on Monday evening for the benefit of the Hotel Dieu. The bad weather kept many of the ladies away, but nearly 80 tables were engaged.

MARRIAGE

At Campbellton on Saturday 20th April by Rev. E. P. Wallace Robert Lennox to Opal LaBilloy, Dalhousie.

EARLY FRESHET

It is said that the river is backing up very quickly at Matapedia, and flooding is threatened. The situation is considered dangerous.

FIREMEN'S MEETING

A meeting of the firemen was held on Thursday evening in their rooms at which important matters were discussed, more of which will be heard later.

BURGLARY

The office at McLennan, Foundry and Machine Co., was entered this week by burglars, but nothing was removed. The thieves broke open a desk in their search for valuables or cash but their efforts were unsuccessful.

NEEDS CLEARING

The wooded lands of the McMillan Estate that was swept by fire when the town was destroyed, should for safety sake be entirely cleared of all dead trees and brush. And this is the proper time to have it done. In all these several acres there are only a few living trees near the homes of the residents there. The town council should act without delay. There is great danger if those dead trees are allowed to remain there.

ACCIDENT AT CENTERVILLE

Alfred Travers, Kings College. Student son of Mr. and Mrs. John Travers, Campbellton is now preaching in Centerville Carleton Co. A short time ago while driving along on his daily round of duties his young horse took fright, became unmanageable and threw Mr. Travers breaking his shoulder and seriously injuring him otherwise, while he suffered untold agonies. Everything that medical aid and kind friends could do was done for him, and we are pleased to state that he is now able to be up and about although quite unable to attend to his duties.

MISTAKEN IDENTITY

Word was received here Wednesday, of the drowning, on a branch of the Tobique, of Joe Vautour of this place. His friends were deeply grieved, and at once made preparations for his burial at Restigouche, which was arranged for Thursday. His mother and friends were at the train on Wednesday night to receive the body, and on the train's arrival Joe slipped off and warmly greeted them. He was in charge of the body of the drowned man, who was a cousin of the same name and whose home was in Restigouche. Joe, says, they need not reserve for him the hole they dug as he never felt better than he does at present.

WHIST PARTY

The whist party in aid of the Hotel Dieu Hospital on Monday evening in the Murray Hall was a decided success financially and socially despite the heavy rain. The sum realized was in the vicinity of \$120. The winners of the Hotel Dieu and the ladies in charge acknowledge with thanks handsome prize donated by the Hon. C. H. LaBilloy, also a donation of \$400 from Arthur Culligan of Jacques River. The prizes were awarded as follows: Ladies first, a brass letter rack donated by Hon. C. H. LaBilloy, won by Mrs. Michael. Ladies second, a handkerchief case won by Mrs. Feaubert. Ladies third, a leather case donated by Miss Katie Harquail, Dalhousie won by Miss Phoebe. Ladies consolation Mrs. Theberge. Gentlemen's first prize an all-purpose Hotel Dieu Hospital after the first won by James Jardine. Gentlemen's second a shaving set donated by Mrs. Ernest LeBlond and Mrs. John W. J. won by Charles Forbes. Consolation, Mr. Wall. Thanks to duo Wm. Murray who kindly placed the hall at the disposal of the sisters also to Mrs. D. A. Harquail who had charge of the arrangements, ably assisted by Misses Ullman and Hogan, and to many young ladies who assisted in selling tickets.

SPRING POETRY

Spring poetry is a little out of joint in Campbellton. Twittering birds and the opening bud, have nothing on the Campbellton mood—Excuse me.

STEEL TOWER

The steel tower for the Post Office flag pole has arrived. Contractor Reid has completed the laying of the tiling, and should be through with his work in a week or so. The fixtures are being manufactured by Haley Bros. St. John.

PULPIT REFERENCE

In St. Andrew's Church on Sunday evening Rev. T. P. Drummond preached a funeral sermon in commemoration of the Titanic victims to a large congregation. At the close of the service the organist played Chopin's Funeral March.

THE NEEDED LIGHT

The lack of the electric light was greatly noticed on Sunday evening. In St. Andrew's Church the large organ which is blown by electric power usually had to be blown by hand.

PRIZE DONATION

Mrs. D. A. Harquail acknowledge with thanks the sum of five dollars received from A. E. G. McKenzie Esq. in aid of the Hotel Dieu Hospital.

NEW LAUNDRY

Chas. Robbins is preparing for building a new laundry in town and hope to begin next week. The building will be situated on Lansdowne St.

TITANIC REFERENCES

Reference to the great disaster were made in all the churches on Sunday. In the Methodist Church at the morning service Prof. Pickard played the "Dead March in Saul".

THE FIRST BREAK

The fire alarm boxes were scarcely up when it was reported that the glass in the box at the corner of Sugarloaf St. was broken. The fire committee should insert a by-law on the books making fit punishment for such irresponsible persons.

GOOD YEAR

The Intercolonial Railway has had a good year in both passenger and freight handling. The figures have not yet been finally compiled but show that total earning will not be less than ten and a half millions and the net profit for the year to have been more than \$800,000.

TOWN LICENSES

"All annual licenses of the Town expire on the 1st of May and those desiring renewals as well as those who wish to secure a new license for livery stables, trucking, pool tables, auctioneering, etc. should make application to the Council for same as soon as possible.

DOESN'T IT JAR

The Campbellton correspondent of the Times says:—"A ludicrous attempt to implicate the local government to the acquittal of Dr. Doherty is being made in a local paper. Apparently the editor harbours a dark suspicion that the government worked on the minds of the jurymen in some mystical manner, perhaps hypnotized the whole bunch or influenced them by telepathy. Such brazen efforts to make political capital out of a painful tragedy are worthy of a hardened political fakir, or some rabid exponent of yellow journalism, and seems decidedly out of place in a paper which has hitherto been fair and impartial in its editorials." Does not this smell very much as if it came from—By the way does it not seem strange that the local government organ has never had a word to say on this Doherty matter. We would say to the Moncton Times and to its Campbellton correspondent, that the people of Restigouche who have right thinking minds and straight seeing eyes do not think the matter ludicrous.

DALHOUSIE

Mr. Robert L. Lennox of Rexton, N. B., a popular commercial man, was married on Saturday evening last in Campbellton, to Miss Opal LaBilloy eldest daughter of Hon. C. H. LaBilloy, M. P. P. for Restigouche Co. Although very much esteemed by the parents, there was opposition to their marriage on both sides, based on the difference in religion of the two lovers. Miss LaBilloy left home without the knowledge of her mother, and took the 5.30 local train for Campbellton, and was met at the station by Mr. Lennox. At 6.30 they were married by Rev. P. Wallace, P. P. of Campbellton. They left by the Maritime Express next morning for Montreal and Toronto.

Mr. LaBilloy who was in Fredericton at the time, was not informed of his daughter's impulsive act till he reached St. John, on Monday afternoon. There he received a letter from her dated at Campbellton informing him of what had transpired, and implored his forgiveness. He hastened home and found that his daughter had telephoned her mother from Campbellton. The unexpected event was a great shock to the parents as their daughter was considered too young to leave home and was much loved by them. Hearing from the newly married couple on their arrival in Montreal Mr. and Mrs. LaBilloy sent them a dispatch wishing them God Speed and extending to them a hearty welcome to return soon to visit them.

IN THE PROBATE COURT OF RESTIGOUCHE COUNTY.

In the matter of the estate of James S. Harquail, late of Dalhousie, in the County of Restigouche, Barrister-at-law, deceased: To the Sheriff of the County of Restigouche, or any constable within the said County, greeting: Whereas David A. Harquail, Sole Executor of the last will and testament of the said James S. Harquail, hath filed an account of his administration of the said estate and effects of the said deceased, and hath by his petition bearing date the twentieth day of April, A. D. 1912, prayed to have the same passed and allowed, you are therefore required to cite the heirs, next-of-kin, creditors, and all others interested in the estate of the said late James S. Harquail, deceased, to appear before me at a Court of Probate to be held at my office, in the Town of Campbellton within and for the said County of Restigouche, on Tuesday, the 28th day of May next, at the hour of two of the clock in the afternoon, to attend the passing of the accounts of the said executor of all and singular the goods, rights and credits of the said deceased not already passed and allowed. Given under my hand and seal of the said Court this 24th day of April, A. D. 1912. William Murray, Judge of Probate for the County of Restigouche.

L. S. John Barbarie, Registrar of Probates for the County of Restigouche. April 24-31n.

Public Notice

Public notice is hereby given that an election of a councillor for Ward Two of the Town of Campbellton to fill the vacancy caused by the disqualification of Samuel Lauglan Councillor-elect for said Ward Two, whose seat was declared void at a meeting of the Town Council held on the 24th inst., will be held on

MONDAY, MAY 6TH, 1912. The Court for the nomination of candidates will be opened at the Council Room, King Street on Monday, April 29th, at 2 o'clock p. m., and will remain open until 5 o'clock p. m. If more than one person be nominated for the said office of Councillor at the said Court then a poll will be held on the above date, May 6th, of which due notice will be given. Dated at Campbellton, N. B., this 25th day of April, A. D. 1912. JOHN T. REID, Town Clerk

OBITUARY.

MRS. PETER JOUDRY

The death of Mrs. Peter Joudry occurred at the residence of her son, L. T. Joudry on Saturday afternoon the 20th inst. Deceased was eighty six years of age and was a resident of Moncton for a great many years. Mrs. Joudry was born at River John, N. S., where she was married, after which she came to Moncton to live, and left there last autumn for Campbellton to reside with her son.

Up till lately the aged lady was in good general health for one of her years and endeared herself to all with whom she came in contact.

She leaves besides her son, one daughter, Mrs. Arthur W. Steeves of Moncton. She is survived by several brothers, William Gammon, River John, N. S., John Gammon of Caribou, Maine; Charles Gammon, Brandon, Man. and Allan Gammon Wheaton Settlement, Westmorland Co.

Mr. L. T. Joudry and his two daughter left here on Monday morning for Moncton with the body. The funeral was held on Tuesday afternoon from the residence of the deceased lady's daughter Mrs. Arthur Steeves, Joudry street, Moncton. Services at the house and grave were conducted by Rev. D. MacOdrum, pastor of St. John's Presbyterian church. The hymns sung were "Nearer My God to Thee" and "Jesus Lover of My Soul" Rev. Mr. MacOdrum, in an impressive address referred to the high esteem in which the deceased was held by those in this community acquainted with her. There were several floral tributes, among them being a wreath from the family, bearing the word "Mother," and a bouquet from Mr. and Mrs. M. Lodge. Many friends were in attendance despite the unfavorable weather to pay a last tribute of respect to the deceased lady, who was so well known and highly respected by especially the older residents in the community.

Electric Restorer for Men Phosphonal restores every nerve in the body to its proper tension restores vim and vitality. Premature decay and all sexual weakness averted at once. Phosphonal will make you a new man. Price \$3 a box, or two for \$5. Mailed to any address. The Scobell Drug Co., St. Catharines, Ont.

DOROTHY DODD WALKING SHOES, \$4.50 TO \$5.00

Black or Tan Calf.—The Modish High Top.—The Nobby Raised Toe Cap, and Effective Short Pump. All "Dorothy Dodd" Shoes have a new flexible sole that is the wonder of the Shoe World. THE W. H. MILLER CO. LIMITED

TOWN OF CAMPBELLTON REPORTS FOR YEAR 1911

Departmental Reports

STATEMENT OF WORK PERFORMED BY THE DIFFERENT DEPARTMENTS DURING THE PAST FISCAL YEAR

MAYOR'S REPORT

To the Ratepayers of the Town of Campbellton:
Ladies and Gentlemen:—

I respectfully submit the following synoptical reports of the work done by the different departments of the town service for the fiscal year ending Dec. 31st, 1911.

It is a matter of considerable satisfaction that the work of re-building has gone steadily forward during the year, and it is estimated that already there are as many permanent buildings erected as there were before the fire, and of a better and more substantial character.

The work of the Relief Committee was concluded during the past summer and you will be glad to learn that the balance on hand after closing up the books, amounting to over \$9000.00, was handed over to the town to be placed in a special fund for relief of the poor. Part of this money might well be used for the purchase of a site and the erection of an almshouse thereon; the balance being used for its maintenance, if necessary, thus decreasing the burden of taxation to that extent.

Both the Dominion and Provincial grants for the relief of the town have been paid, as can be seen from the financial statement, and the law regarding their disposition has been strictly adhered to.

Early in the year the Council decided to install a new electric light plant. A new site was procured on the water front from the Shives Lumber Co., where a large saving in the cost of handling coal could be made. This site affords ample room for the plant, besides a large wharf for the use of the public. In addition there will be room for the erection of a market building or any building that the Council may deem advisable to erect. A market would be of great convenience to your citizens. The installation of the new electric light plant has been about completed and with the exception of some minor troubles incidental to the running of any new plant, has been giving every satisfaction. It is confidently expected that the fuel bill will not be more than one half that of the old steam plant, thus making a considerable saving to the town.

The wisdom of the purchase of Smith Lake as a reserve water supply has been fully demonstrated during the past winter as on several occasions this reserve had to be drawn upon to keep up the supply for the town. It is certain that without this reserve we would have been without water several times.

In conclusion I wish to express the satisfaction felt by members of the Council in the manner in which the building laws have been observed. It will ever be a source of pride that the citizens, as a whole have been anxious to carry out the law in this respect, even at some personal loss and sacrifice in certain cases.

Yours respectfully,

A. McG. McDONALD,
Mayor.

WATER AND SEWERAGE

To His Worship the Mayor and Members of the Corporation:
Sir and Gentlemen:—

With your permission I beg to submit report of the Water and Sewerage Department for the fiscal year ending the 31st of Dec., 1911.

This department has made a good showing and progress and shows a satisfactory year's business. But I regret that the expenditures have been very heavy owing to the large amount of work that was necessary to be carried out by this department.

At the time the last report was made, December 1911, the system was not up to the standard of efficiency, owing to the great fire of July 1910, but it is now with pleasure that I state that the system is in a good state of efficiency. The work has been systematically carried on. The number of taps placed after the fire, for the convenience of the public, have been disbanded, as also have the taps at the relief houses, (so called). A great many water services have been repaired in old basements, and a number of the hydrants have also been repaired and improved by new parts. Three breaks appeared in the 10 inch main from the town reservoir during the summer and fall. This pipe line is now in good working order. The screens used for the purpose of screening the water supply to the town have been twice cleaned and overhauled. The quantity of water has at times been short but by constant attention to the problem of waste a good supply has been kept up. An extensive break was repaired in the 10 inch main on the government wharf owing to the settling of this structure. During the year some 85 water services have been added to the system.

The following are the additions to the system during the year 1911:

Extension of the 4 inch main and 9 inch sewer to the town boundary on Gerrard Street.

The connecting of a 6 inch main on Stanley Street, east with the 6 inch main on Wellington Street west and 360 feet of 9 inch sewer, now making a complete circuit from Andrew Street to Prince William Street, thereby giving a better pressure to Prince William Street and the hospital.

New 4 inch main and 9 inch sewer on Hanover Street, running east off Central Street.

New 6 inch main and 9 inch sewer to a reserved street running west off Sugarloaf Street, which could be extended to Christopher Plats.

New 4 inch main and 9 inch sewer to a reserved street running west off Sugarloaf Street, first south of Duncan Street.

Alterations to the 10 inch supply main on corner of Sugarloaf and Gerrard Streets, which is now brought to a four way cast for this purpose, each having a control valve. This was originally on private property, being placed there by the Campbellton Water Supply Co.

New 9 inch sewer on Ramsay Street from corner of King Street 300 feet south, running north.

New 9 inch sewer on Ramsay Street from corner of Dalhousie Street 100 feet South, running north.

Many new gate valves have been placed upon the system, on existing hydrants and on new extensions previously mentioned in this report, thus dividing the system into small areas.

Fifteen new hydrants have been placed in important positions in the town, thereby reducing the fire risk in these sections to a great extent, but still others are needed.

The dam at Smith Lake, (so called) has been found upon examination to be in a dangerous state and will have to be replaced at no distant date with a more substantial structure.

GENERAL STATEMENT OF WORK

CAPITAL ACCOUNT

GERRARD STREET WEST—315 feet of 9 inch sewer and 4 inch water main, total cost, \$250.46.

Alterations to 10 inch main at corner of Sugarloaf and Gerrard Streets, total cost, \$779.77.

RESERVED ST. OFF SUGARLOAF ST. SOUTH OF DUNCAN ST.—420 ft. of 3 inch sewer and 4 inch water main; contractor for excavation and laying sewer only S. D. Harriman; amount of contract \$299.00. Total cost \$537.10.

RAMSAY ST.—Contract (1) laying 300 ft. of 9 inch sewer, contract for excavation and laying sewer S. D. Harriman, amount of contract \$144.05. Total cost \$204.78.

RAMSAY ST.—(2) laying 100 ft. of 9 inch sewer, work done on this by town employees. Total cost \$43.17. The following new gate valves have been placed 3, 10 inch, 6, 6 inch, 17, 4 inch; the following are in stock 4, 4 inch, 4, 6 inch, 1, 8 inch, 2, 10 inch.

OPERATING ACCOUNT

WATER DEPARTMENT

Fifteen new hydrants have been installed in the following places:—

Cr. of Hanover & Central Streets, Stanley Street East, Mill Creek Bridge, Gerrard Street West, Cr. of O'Leary & Duke Street, Cr. of Central & Adams Streets, Cr. of Prince William & King Street, Reserved Street south of Duncan street, Matheson Flats, Cr. of Ritchie & Pleasant Streets, Cr. of Sugarloaf & Reserved Street, Duncan Street, Cr. of Cedar & Union Street. Repairs to five Hydrants.

Screens at Town Reservoir Screening House, cleaned twice.

Alterations to the 10 inch and 16 inch mains at the Town Reservoir.

Repairing three bursts on 10 inch main Tobique Road, one at Government Wharf, one Gerrard Lane.

Repairs to four Gate Valves.

Eighty five new water services placed upon system. Sixty vessels supplied with water.

Water system flushed five times since May 1st 1911. Hydrants tested daily during months of December, January, February, March, Sunday excepted.

One hundred and thirty new service boxes removed and placed on new services, 85 being of a new and improved labour saving type, 27 burst service pipes from May 1st 1911.

SEWERAGE DEPARTMENT

Alterations to storm sewer on Andrew Street. Repairs to main sanitary sewer on Queen Street.

Catch basins on Andrew Street rebuilt. Seventy seven houses connected with sanitary sewer system.

In reference to the sewer system on Water St. between Andrew St. and the B. & N. Rae Hollow (so called) as this is in a very unsatisfactory state, the following proposal was recommended to be carried out and sanctioned by the Council, that that part of the system on Andrew St. and east of same be cut off at the junction of Water and Andrew St. and put through the property of the Shives Lumber Co., a right of way of which has been secured by the town from the said Company, to the Restigouche River, and a tidal receiving chamber be constructed with an Adams Syphonic Tidal apparatus, which will retain the sewerage till the fall of the tide, when it will discharge and thus overcome the present difficulty of the sewer being flooded at every high tide. This apparatus has been installed in many of the principal cities in Europe and Asia with great success.

RECOMMENDATIONS

Your Committee recommend the carrying out of the following works after due consideration of these matters from all points and that they receive the serious consideration of the Council for the construction during the coming summer, thereby bringing the systems up to a first class state of efficiency; the recommendations are as follows:—

Purchase of a gasoline pump for the purpose of pumping out the trenches in effecting repairs to the water system. The type that it is proposed to purchase is a Diaphragm side suction, this would save the expensive method of employing the Steam Fire Engine.

Installation of Hydrants at the following places.—Hydrants with steam nozzle at the Campbellton Hospital, one on Lansdown Street at the back of the school, one at the corner of Lansdown and Adam Streets, two on Ramsay Street, one on Duncan Street, one on the corner of Minto and Gerrard Streets, Hill Side Street.

Construction of a reinforced concrete dam at Smith Lake. This matter has already been placed before you and should receive the sanction of the Council at the earliest possible time.

Extension of the water and sewerage on Lansdowne Street; extension of the water and sewerage on Bay View Avenue; Sugarloaf Street to the Pichette property and Duncan Street on reserved street off George Street water and sewerage. By this extension it would be possible to give to the Town an auxiliary supply of water in case of the shutting off of the system on Sugarloaf Street between this point and Gerrard Street.

Purchase of new 1 inch hose for the Government wharf for the supplying of the vessels with water, the present being of little use, in fact much water is wasted.

In drawing this report for the two departments to a close I trust that it will meet with the approval of your most honourable body.

Respectfully submitted

CHAS. A. ALEXANDER,

Chairman of the Water and Sewerage Committee.

LIQUIFIED CHLORINE FOR USE IN BOMBS

A terrible weapon of warfare suggested by the great inventor
Sir Hiram Maxim.

Sir Hiram Maxim, who recently celebrated his 72nd birthday, has aroused considerable indignation in England by asserting that it is next to impossible to find English workmen capable of earning a weekly salary of \$25. The average English employe, he says, gets along on a weekly salary of \$7.50 and does nothing to fit himself for a better paid job.

Sir Hiram himself is certainly setting a good example for others to imitate. In spite of his age, he is up at seven in the morning, summer and winter. He has correspondence to attend to, and newspaper contributions to write; and in the evening, spends his time among the books and papers in his library. Sunday, too, he passes in reading. He is still interested in the invention of articles pertaining to warfare.

"I notice," he said in an interview, "that Sir William Ramsay has suggested the use of prussic acid in bombs for warlike purposes. I have no acquaintance with that particular form of poison, but I should say it would be very dangerous to both parties."

"What I would suggest is that we should be more modest and commence by using liquid chlorine. The advantage of this would be that it does not require heavy pressure to keep it in the form of a liquid; that it flies into vapor when the pressure is removed, and the vapors are very dense and much heavier than the air. Instead of flying away like prussic acid gases, they would stick to the ground, and as one breath of chlorine is instant death, I think we ought to be satisfied with it. Bombs charged with chlorine gas would be very effective if they should be exploded on ship board between decks, but it would require some degree of invention to design a bomb because chlorine has the disagreeable habit of eating up everything it touches except glass."

"I think," he said, "that during the next ten years more scientific thought will be devoted to the investigation of the air than to all other branches of the physical sciences put together. We have made machines that fly, and we now have to develop these machines so that they may be suitable for military purposes; and the indications are that within ten years the aeroplane flying machines will be one of the principal arms employed by all the great European nations."

"From the very nature of things however, the aeroplanes will never become a machine that can be used commercially after the manner of railroads. It is essentially a military arm, and must remain as such."

SPECIAL OFFER TO OUT OF TOWN SUBSCRIBERS

The Graphic at the present time enjoys a large circulation throughout the Baie de Chaleurs country, but there are many families which do not take it.

As a Special Inducement

We will send the Graphic free to any person outside the town of Campbellton who sends us three new paid in advance subscriptions at \$1.00 each. This offer is good for a limited time only.

THE GRAPHIC

Agents, to whom liberal commissions will be paid, are wanted in every locality to solicit subscriptions.

Mrs. James Reid left on the Maritime Tuesday for Amherst where she expects to spend a few days.

FIRST MEETING OF NEW COUNCIL

Continued from page one

cision of the returning officer as to some dispute from which an appeal could be had to the Town Council. As no protest had been made to the returning officer the Council could not deal with the matter. On these grounds Mr. LeBlanc contended that Mr. Laughlan could not be disqualified.

Mr. McKenzie stated that he had gone into the matter very carefully and had come to the conclusion that Mr. Laughlan could not sit as a councillor while holding the office of Secretary of School Board. Regarding Mr. LeBlanc's contention as to the power of the Council he had no doubt for the Act plainly stated that the protest must be filed within ten days after the election, thus taking the matter out of the returning officers hands. The wording of the Act on which he based his opinion in regard to the disqualification of Mr. Laughlan was as follows: "nor shall any person accountable for the town revenues or any part thereof be elected to the office of Mayor, Councillor," etc. Mr. Laughlan in his capacity as Secretary of the School Board was accountable both directly and indirectly for the town revenues. The money raised by assessment for school purposes was paid over to him by the Town Treasurer and the tuition fees of non-residents were paid in to him directly. Then the School Act contemplates that the Council stands in the place of the people not only in the matter of appointment but also in the matter of responsibility. The Council who are directly responsible to the people to see that the business of the School Board is carried out in a correct and proper manner. The

Secretary is the executive officer of the Board. He handles the money—public money—for which he is accountable indirectly if not directly to the Town Council. On the broader grounds of public policy the holding of the two offices is incompatible.

Coun. Laughlan then withdrew that the Council might feel free to discuss the matter.

After some discussion of the matter in private it was moved by Coun. Lunan, seconded by Coun. White that in the opinion of the Council Coun. Laughlan is disqualified because of his position as Secretary of the Board of School Trustees, and that the Council do hereby declare void the election of said Samuel Laughlan as Councillor for Ward Two, and that the Town Clerk be hereby authorized and empowered to make provisions for the holding of an election to fill the vacancy caused by the disqualification of Coun. Laughlan, said election to be held on May 6th next, with nominations one week earlier, Monday, April 28th.

The motion was carried on the casting vote of the Mayor, Couns. Lunan, White and Miller voting in favor and Couns. Alexander, Pinault, and Ellsworth against it.

Councillor Pinault brought up the matter of better provision being made for fire protection in Ward One desiring that more tappers be placed there. The doctor was very sore on the personnel of the brigade and stated that there was only two firemen resident in Ward One.

Councillor White on behalf of the firemen replied with some spirit. If Councillor Pinault knew of any good men in Ward One who were desirous of joining the brigade no doubt the chief of the fire brigade would be glad to know of it and recommend their appointment. Council then adjourned.

Too Late for Classification

FARM FOR SALE
We will sell the Runnymede Farm situated on Restigouche River, in the county of Bonaventure, known as the Farm of Bonaventure, of the lot number three in the Upsalquitch Range, of the Township Matapedia, consisting of about 102 acres, with all buildings, out houses, machinery etc. About 60 acres of this farm is cleared and cultivated. Any parties desiring to purchase kindly address to John L. Wyers, Matapedia or Dalhousie Lumber Co., Dalhousie N. B. April 25th—4444.

NOTED DEAD BRIEF NOTES

A Glance at the Careers of Some Prominent Victims

KNOWN WORLD OVER

Financier, Mine Owner, Artist, Railroad President, Editor, Author and Merchant

The Titanic took with her to the bottom of the Atlantic men distinguished both in the United States and Great Britain. Some were known the world over. A financier, a mine owner, an artist, a railroad president, a theatrical manager, an editor, an author and a merchant are in the list of victims.

C. M. Hays
Charles M. Hays was President and General Manager of the Grand Trunk Railway. He had been in England for some time securing loans to carry on the construction of the Grand Trunk Pacific Railway. He was born in Rock Island, Ill., on May 16, 1866, and after holding various positions on American roads entered the service of the Grand Trunk Railway in 1896. His distinguishing work was the organization of the new trans-continental line, the Grand Trunk Pacific. From a clerk sitting in the office of the Atlantic and Pacific Railroad Company, Charles Melville Hays, appeared to be impelled by some unseen power until he eventually became one of the greatest railroad men in the world. His career, to say the least, was checkered and there seemed to be no obstacle too large for him to overcome.

It is said that he refused a knighthood in 1911. His wife is the daughter of William H. Gregg of St. Louis, Mo.

Thornton Davidson
Thornton Davidson, son-in-law of Charles M. Hays was about 30 years of age and a prominent stock broker conducting a business at 86 Notre Dame street. About five years ago he married Miss Hays.

K. J. Allison
K. J. Allison, a Montreal millionaire, left for England, accompanied by his family, last November. The object of his trip was to interest British capitalists in the British and Canadian Lumber Corporation, a \$20,000,000 concern with large lumber tracts in

CAPT. E. G. CROSBY
Milwaukee, who lost his life on the Titanic.

MR. & MRS. JACQUES FUTELLE
Boston. Wife was rescued. Husband was lost.

British Columbia. It was 32 years of age and was the son of the late J. Allison of Chesham, Ont. He was owner of a 400-acre model purchased stock farm at Chesham, Ont.

Dr. Alfred Pain. Hamilton, left that city last Labor Day to take a post-graduate course in Guy's Hospital, London, Eng., and was returning to take up the practice of medicine in his native city.

B. Guggenheim
Benjamin Guggenheim is credited with having first turned the attention of his fathers and brothers to the smelting industry, in which they soon became the dominant factors. This was the foundation of the enormous fortune which the family has built up.

Hugo Ross
Hugo Ross, a Winnipeg broker was just returning from a tour of Europe, and had sent postcards from Rome, Berlin, etc., to Toronto friends. He had resided in Brandon, Vancouver, and Winnipeg, as well as in Toronto, where he was in the mining business. He lost heavily in speculation. Two or three years ago he made a lot of money in Western Canada; he immediately came east and sold all his securities.

F. D. Millet
Francis D. Millet, artist and writer, was born at Mattapoisett, Mass., in 1846. He enlisted as a drummer boy toward the end of the Civil War, and was promoted to the post of assistant in the Surgeons' Corps, which he held for a year. When he was over he entered Harvard. After graduation he went into literary work.

Major Butt
Major Archibald W. Butt, military aide to President Taft, was granted a leave of absence by the War Department on February 20 for one month and twenty days, and sailed from New York for the Mediterranean on April 2. He was born in Georgia on September 26, 1868, and was a graduate of the University of the South at Seawane, Tenn.

J. C. Smith
James Clinch Smith, a brother-in-law of the late Stanford White, was known as a sportsman in New York and Paris. He had a fine stable of polo ponies, running horses, and tro-

Col. John Jacob Astor
Col. John Jacob Astor, the American head of the Astor family, was a member of many clubs. He put up a number of hotels and skyscrapers than any other New Yorker. At one time he was a director in twenty or more large corporations, including railways. His fortune has been estimated at from \$100,000,000 to \$200,000,000.

Rev. J. S. Holden
The Rev. J. Stuart Holden, rector of St. Paul's Church in London, was coming to New York for the purpose of opening a mission on the Brooklyn Heights.

J. Futrell
Newspaper writer, theatrical man-

was returning he was said to have purchased twenty-five brace of hounds from the best packs in the north of England.

George E. Graham
George E. Graham had been in England on business as Winnipeg purchasing agent for the T. Eaton firm. He had lived in Toronto until six years ago when he removed to Winnipeg. Misfortune in other ways seemed to have been the lot of Mrs. Graham during the last year. It is only a few months ago that her only child, a boy two and a half years old, died, and following close upon this comes the greater blow.
