## YOUR GROCER IS NOT A PROFITEER

Have a heart!  
Your grocer is not a profiteer!  
He is passing along to you reduced prices, as fast or faster than they come to him. Just because prices on many good things are still high don't blame him. It is usually the poorest quality of everything that shows greatest decline.

If he is as good a man as the average, your grocer is still doing his utmost to give you the best value for your money. But don't push him too hard. He is only human.

You don't know, but we do, that he is recommending goods that pay him less profit than other well known brands which he might easily persuade his customers to take if he cared to do so.

We know this because he pays us more for Red Rose Tea and sells it at less profit than other teas, so when he recommends you to buy Red Rose Tea, you will know it is because he believes it the best and is willing to take less profit for the sake of giving you the best value he can.

We are publishing this because we believe the more our people know of the true facts concerning the profits made by those they deal with, the more generous they will be in their judgments. — T. H. Estabrooks Co., Ltd., St. John, N. B.

## WOODSTOCK WANTS RACE AT HARTLAND

Interesting Horse Notes from Shire town—A New Mayor and Council

Woodstock was spared the cost of an election as the Mayor and 3 Councillors were returned by acclamation. E. W. Mair is the newly elected chief officer of our town and the choice is an excellent one. Mr. Mair has long been deeply interested in all the welfare schemes of the town, hospital, schools, vocational school, Board of Trade, and also Council Park and the Agricultural Society. He has been very successful as a business man, at first in the drug business and lately stockholder and manager of the Baird Co., Ltd. The three new councillors are C. M. Angerton, Harry Bell and Alfred Page, elected for a term of two years. Jas. W. Gallagher, Wallace Smith, and J. R. Brown are the other three members of the Board and have another year to serve. Alfred Page is the only new member of the Board. He is manager of the Imperial Products, Ltd. and has been very successful in business since coming here about 10 years ago. He is a sound practical business man and should bring added weight to the Board. The town manager's term expires next July. It is to be hoped that arrangements can be made to retain his service.

A slight error occurred in your report of races last Monday. The fastest heat was paced by Onward Wilkes, not Peggy Hal. Racing Thursday was too soon after the Monday meet and only four horses turned for the week. J. H. DeWitt with Queenie Patchen won from College Swift owned by J. W. Gallagher. Clarence Black with Lucky Strike won from Walter Mott with Hanks Bellini. Mr. Mott has since disposed of his horse and now has Teddy Bear, a pacer with a record of 2:19 1/2, eligible for the 2:36 class this year. Four classes are proposed for Thursday with 11 horses competing. Class A Pace has developed into a match race, \$50 a side, between Lucky Strike and College Swift. The loser has the privilege of a return match at the same figure. College Swift is very short of work having had only one start this winter. He showed last winter that he had lots of speed when he paced a fourth heat in Hartland in 31 seconds. Class B has three entries: Teddy Bear, Walter Mott, Queenie Patchen, J. H. DeWitt, Q. B. C. Percy Walker. They will all know that they have been to a home trot when Q. B. C. goes through with them. Class C Pace, three entries: Merry Miss, Allan Poole, Don P. Clyde McCloskey, Lady Arbrooke, Jos. Gase, Class D Pace, three entries: Sis Peters, H. M. DeWitt, Del Colone, Geo. Nicholson, Red Sox, N. D. McKendrick. The show has put the track in excellent condition and fast time should be made.

Woodstock as usual is just a little ahead of all competitors and now at the starter's stand a button is pushed and instantly a bell rings at the finish and the time is taken absolutely correctly. Woodstock horsemen are now waiting for an invitation to Hartland, which will probably be forthcoming as soon as they get their track in shape and condition their horses. Houlton is not racing at all this winter and Fredericton just organized last week. This is the sport town.

## The Cause of Colds

Men who work indoors—in offices, stores, factories and warehouses, are in constant danger of contracting coughs and colds, through over or under heated buildings and cold draughts. Their most reliable protection is

## HAWKER'S Tolu and Cherry BALSAM

which quickly and effectively checks these colds, preventing dangerous complications.

## NIGHT COUGH

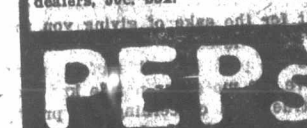

You know it! It begins with a tickling, irritating sensation in your throat. You cough to clear the throat. In a moment—there it is again!

A minute's peace, then again you cough, and so on until you cough your throat sore, and by the time the cough is sufficiently allayed to permit you to sleep, you are thoroughly worn out. This kind of experience is particularly trying to old people.

Peps make this sort of thing quite unnecessary.

Put a Peps pastille on your tongue and allow it to slowly dissolve. Healing fumes are then liberated, which mingle with the breath and are carried to the remotest parts of the air passages and lungs, allaying the irritation and soothing the inflamed membranes, thus ending the cough and making sleep possible.

Peps are also best for bronchitis, laryngitis, asthma, sore throat and colds. Try Peps at our expense. Send this advertisement and 1c. stamp (for return postage), to Peps Co., Toronto, and receive FREE TRIAL PACKAGE. All dealers, 50c. box.

### G. W. V. A. WILL START BUILDING

Seen as Season Opens—Pleasant Meeting at Home of Com. E. A. Britton

On Friday evening a business and social event was held at the home of Comrade E. A. Britton by the G. W. V. A. and the Ladies' Auxiliary. The election of officers for the ensuing year was the first item of interest. They

E. A. Britton, President  
P. C. Barter, 1st Vice Pres.  
H. K. Golding, 2nd Vice Pres.  
W. B. Nixon, Treasurer  
H. A. Sipprell, Asst. Sec.

The following members were appointed to act on the executive committee: A. R. Knight, A. H. Morrison, G. A. Clark, Dr. R. W. Currie, Jas. Pratt.

A number of important subjects were discussed by the veterans; the least by no means being that the pension board had intimated that a widow who was the wife of an overseas man who served in the South African war as well as in the Great World War, and who has seven children, all living at home, was not entitled to a pension any longer. The Memorial Hall was also discussed and all were unanimous in doing their utmost to assist in carrying out their former plans and to commence building as soon as the weather conditions were favorable in the spring. The Vets. have \$379.63 bearing interest in the Bank of Montreal here, which is to be appropriated to the Memorial Hall Building Fund. A committee of three was appointed to act as an entertainment committee to talk over ways and means of raising money by clean entertainments, such as socials, concerts, etc., to contribute to the Hall Fund. This committee is composed of W. B. Nixon, A. R. Knight and H. A. Sipprell. The Ladies' Auxiliary, which is composed of soldiers' wives, sisters and daughters, also were asked to appoint a committee of three to help the G. W. V. A. entertainment committee. They appointed Mrs. W. B. Nixon, Mrs. P. C. Barter and Miss Queenie Britton. This committee of six will meet in a few days and arrange if possible, to get some good healthy entertainment in shape to place before the townspeople and surrounding community at an early date as possible.

The next regular night for the G. W. V. A. to meet will be February 4. As we have been refused the room over the Post Office to hold our meetings in we will meet at the home of Com. Sipprell.

After all business matters were dispensed with, a social hour was spent in singing, etc., after which refreshments were served. The enjoyable evening came to a close by the singing of the National Anthem and a hearty good-night handshake.

H. A. SIPPRELL, Asst. Sec.

### INTERESTING THE BOYS

The meeting held by J. F. Murdoch in the town hall on Friday night for the boys between the ages of seven and fourteen was a splendid success. There were about fifty boys present and a good interest was taken in the meeting. The program consisted of recitations by Orestion and Allan Baker, Charlie Orser, George Barter, and talks by Reuben Hagerman and J. F. Murdoch.

The object of these meetings, of

which this is the second, is to make our boys better fitted for the great positions in life, which will be their duty to fill. The effects of the pledges taken by these boys are already noticeable in their conduct. At the close of the meeting a good treat of candy and nuts was given the boys by Mr. Murdoch, and each went away happy with the anticipation of a fishing trip to the Nashwaak, which is to take place in the coming summer.

## PAINS SO BAD STAYED IN BED

Young Mrs. Beercroft Had Miserable Time Until She Took Lydia E. Pinkham's Vegetable Compound.

Hamilton, Ont.—"I have suffered for three years from a female trouble, and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pains in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the Hamilton Spectator and I took it. Now I have no pain and am quite regular unless I overwork or stay on my feet from early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Compound to several friends."—Mrs. Emily Beercroft, 289 Victoria Ave. N., Hamilton, Ontario.

For forty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It is made from native roots and herbs and contains no narcotics or harmful drugs. For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years experience is at your service.

## EDISON'S NEW DIAMOND AMBEROLA

Edison's Amberola is one phonograph that can successfully pass the critical test of a Free Trial in your home. Many purchasers of "talking machines" and ordinary phonographs have discovered too late that the machines didn't sound the same in their homes as in the store when they bought them—possibly because they had more time to note the shrillness and metallic sound of these machines in the quiet of their homes.

The pure tone of the Amberola will meet any test.

That is why we will gladly place one of Mr. Edison's wonderful phonographs right in your home for a three days' FREE Trial. This trial places you under no obligation whatever. It does not cost you one cent. Come to our store and select your Amberola and a dozen records. We will deliver these promptly to your home and allow you three days to judge and compare the Amberola with any higher priced "talking machines" or commercial phonographs. At the end of the three days just let us

know whether or not you wish to keep the Amberola—that is all.

### Money for Bridge over St. John

Edmundston, Jan. 14.—Representative Delisle of Madawaska, Me., has introduced a bill in the Maine legislature as Augustus providing for an appropriation of money sufficient to take care of half of the proposed international bridge over the St. John river between this town and the Maine village. The Canadian government is to bear the other half of the cost.

The legislature of Maine passed several previous bills granting money for this important structure, but as the cost of material and labor constantly rose up to the close of the summer season last year the fund appropriated was not sufficient, and another vote is necessary.

It is expected this sufficient money will be available in a few weeks and that work can go ahead at both ends of the bridge. The bridge will take the place of a cable ferry at this important point where there is heavy motor traffic between Maine, this province and Quebec.

### Mrs. Pius Michaud Has Passed Away

Edmundston, Jan. 14.—Mrs. Marie Herbert Michaud, wife of Pius Michaud, M. P., passed away at 1 o'clock this morning at her home after an illness of over two years. Her death came as a great shock to her many friends. Mrs. Michaud was forty-seven years of age and the daughter of the late Felix Hebert, proprietor of the Hebert Hotel for over half a century.

She was prominent in social, charitable and religious circles and was highly esteemed by all who knew her. Besides her husband she leaves two brothers, George Hebert and Dr. Fred L. Hebert, and two sisters, Mrs. G. Fred Dayton and Mrs. George Strois. The funeral will be held on Monday morning at 9.30 o'clock.

### Walked into River in Blinding Storm

A very sad drowning accident occurred Jan. 11 a few miles below Plaster Rock on the Tobique River, known as Brown's Crossing, when Douglas Brown, son of Wm. Brown, who was employed on the C. N. R., was crossing the river on the ice.

He presumably was blinded by the snowstorm and walked into an air-hole at that point, where there was a long, narrow strip not frozen, as the water is very swift and deep. The first intimation of the accident was when someone in crossing found the young man's hat and dinner pail near the airhole. The body was recovered some hours after.

foreign potatoes on this market has temporarily demoralized the business, with resultant lower prices. There are now approximately about 71,000 sacks of Danish potatoes available here, but as the stock was not carefully stowed on the steamer, the quality was quite irregular, and grading in nearly every instance, is below standard. Some sales were made at \$2 @ 2.15, but some lots are offered at \$1.75 per 165-lb. bag.

Not many Maine potatoes are here, and prices hold about steady, at \$3.60 per 165-lb. bag, with a few lots reaching \$3.75 @ 4. State and Pennsylvania potatoes are selling generally at \$3.25 @ 3.50 per 165-lb. bag, while those in 150-lb. bags are rarely bringing over \$3. One of the leading receivers in commenting on the Danish potatoes said: "Nearly all the potatoes that I have examined have shown more or less waste, and would have to be regraded before they could be used here. The real trouble is that the stock was not properly ventilated on the steamer."

## HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for nineteen years and proved safe by millions: for Pain, Headache, Neuralgia, Cold, Rheumatism, Lumbago, Neuritis. Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacidester of Salicylicacid. ## LOCAL AND PERSONAL ITEMS

Much sympathy is being extended to Eldon Waters of Lakeville, who this week sustained the loss of his wife after a fortnight's illness with pneumonia. She was formerly Miss Walker of Sussex. Particular sadness is attached to her decease in the fact that a family of six small children are left motherless. Besides the sorrowing husband and six children, several brothers and sisters are left to mourn. The funeral services were held from her late home on Saturday.

Another venerable lady died this week in the person of Mrs. Jameson, widow of the late William Jameson of Pioneer, at the home of her daughter, Mrs. James Sorel. Mrs. Jameson was upwards of 80 years of age and had spent her long life at Pioneer. She leaves to mourn, two daughters and a son. Funeral services were held on Sunday and burial in the Williams-town cemetery.

The evangelistic services of Rev. H. R. Bell still occupy the centre of the stage in Centreville and crowds are flocking to hear his unique exposition of the word each night. On Sunday a large congregation listened attentively to the message "How will this old world end." Mr. Bell divides past, present and future time into seven eras and proved scripturally how each had been or would be consummated. At the evening service a large crowd again attended to listen to a stirring sermon on "God's Balances." Mrs. J. L. Gallagher and Mrs. Warren each sang solos. The seating capacity of the church at the evening service was overtaxed, many children being obliged to sit on the platform and many adults had to stand at the back of the auditorium. The sermons next Sunday are on the subjects—"It is a sin to know each other in Heaven." And 7:30 p.m., "What would take place if Christ should come to Centreville?"

Miss Mary Harold is teaching one of the grades in the Milltown High School this term.

Miss Verna Gunter spent the week-end with her sister, Mrs. J. L. Gallagher.

Carry G. Shaw is engaged in teaching the school at Royallton.

Miss Frances Hudson of Lakeville was the week-end guest of her aunt, Mrs. Emily Scholey.

### GEORGE ANTWORTH

The death occurred at Centreville on Thursday January 13, of George Antworth of Greenfield. Deceased had been visiting his daughter and son-in-law, Mr. and Mrs. E. L. West, and was on Sunday, January 9, stricken with the ailment which ended his long and useful life. He was the oldest inhabitant and resident of Greenfield, and could recount many experiences of the early struggles of the first settlers in this thriving farming community. He had reached the ripe age of 83 years and in his passing the community has lost a venerable Christian gentleman and a link with their own departed parents and forefathers.

The funeral took place on Friday, interment being made in the churchyard of St. Barnabas, Greenfield, conducted by Rev. John Ross-Jones. The chief mourners were the immediate family of one son and daughters: Mr. and Mrs. E. L. West, Centreville; Mr. and Mrs. W. Antworth, Waterville, Maine; Mr. and Mrs. Ritchie, Mr. and Mrs. Sam. Brown, Mr. and Mrs. David Brown, Mr. and Mrs. Wellington Brown of Four Falls. The community takes this opportunity of conveying their heartfelt condolence to the family.

### CARD OF THANKS

Eldon Waters, Mr. and Mrs. John Waters, Mrs. Hetter and other relatives of the deceased, wish to extend their heartfelt thanks for the kindness of the friends and neighbors extended during the illness and death of Mrs. Eldon Waters, which kindness will all ways be remembered by the family.

Mr. and Mrs. John Waters  
Eldon Waters  
Mrs. George Hetter

All the townsfolk are most sorry to hear that the Rev. John Ross-Jones, rector of the St. James Episcopal church, contemplates leaving with his family in March, for his former home in England. During the last two years Mr. Jones has been very closely associated with all that tends to the town's best interests and by a genial personality has won a large circle of friends, who will greatly miss him, unless he changes his mind and decides to remain with us.

Miss Bertie West of Blaine spent Sunday with her parents, Mr. and Mrs. G. A. West.

Mr. and Mrs. Briggs and daughter Yvonne of Blaine visited Mr. and Mrs. Clayton Kinney last week.

The Centreville Orchestra played for a dance in the Town Hall, Bridge-water, on Friday evening last.

Hugh J. Peppers, who has been on the sick list is O. K. again.

Mrs. Street of Grand Falls is visiting her brother, G. F. Briggs.

Bert White of Grand Falls spent Sunday with his family here. His son Harold is having a rather serious ailment with a knee which he has the misfortune to cut while working in the woods, and later infected.

Mr. Burton Clark, who has been confined to his home for the two weeks past, we are glad to report, is convalescing nicely.

Willard Carr of Woodstock spent Sunday, the guest of Mr. and Mrs. R. W. Balloch.

Miss Thelma Scott, who spent the winter vacation with her grandparents, Mr. and Mrs. W. S. Higgins has returned to Mt. Allison Ladies' College for the midwinter term.

Rev. W. Clark of Grandwater was in town on Friday evening and assisted Rev. H. R. Bell in his service. Mr. Clark this week opened an evangelistic campaign in his own town.

Mrs. R. Jack Lee has returned from a visit to her former home in Shediac.

Mrs. H. G. Getchell returned on Friday to Summerfield after a visit with friends in town.

Miss Kinney is spending a few weeks with Mr. and Mrs. Fred Stewart.

Mrs. Robert Mackay is visiting her daughter, Mrs. Guy Carmichael.

### MRS. ELDON WATERS

Mrs. Eldon Waters of Lakeville, formerly Miss Verna Walker of Lower Millstream, died on January 12, after an illness of one month, aged 30 years. The death was caused from tubercular bronchial pneumonia. She was a lady highly respected in the community and leaves many friends who will regret her decease. She is survived by her husband and six small children, the oldest not yet quite ten years of age; and the youngest three weeks. There are three boys and three girls; also four brothers and one sister, Harry E. and Seldon of Boston, Albert of Moncton, Herbert at home with sister's family, Mrs. George Hetter of Moncton. The funeral was largely attended on January 15. Services were conducted at the home and church by Rev. H. Miller, who spoke feelingly of the loss to the family and community of so estimable a woman. Her remains were laid to rest in the beautiful cemetery at Williamstown. The pall bearers were John Gillis, Harry Gillis, Howard Lindsay and Thomas Coleridge. The two brothers, Harry and Seldon of Boston were here for
