BASEBALL FANS HOLD MEETING

Meeting held last night to discuss Organization of Town Baseball—Good Prospects for season—Players Anxious to Enjoy this Favorite Summer Sport and Will Endeavor To Form League.

A very enthusiastic meeting was held last night in the office of the Hartland Electric Co. for the purpose of ascertaining the views of the baseball fans on the question of whether or not they would play ball this summer. R. H. Chapman was asked to take the chair and a general discussion followed, during which the views of the supporters of the project were placed before the boys for consideration. On the whole the attitude of the meeting was favorable and the decision of the boys was to go ahead and do the best possible to again place Hartland on the map in the realm of sport. In years gone by there have been good ball teams in our town but the boys are of the opinion that a much better time will be enjoyed with only local players participating so there is no likelihood of the town being called upon to defray the expenses of any outside players. We have some very good material and if the team that is now in the process of formation can get the support of the people and they felt certain last night that the town people were behind them, there is no reason why we can't have a good time here in the coming months.

Mayor Boyer was at the meeting for a few minutes and in the course of his remarks he stressed the point that this is not the summer to make any great expenditure of money and then expect the people and merchants of the town to back the project. This is not the time to spend money for sport when the situation throughout this county is not the best in the world from a financial standpoint. The boys were very grateful to the Mayor for the suggestion and hastened to point out to him that baseball this summer would not be on the same plane as on past occasions and that the Hartland team was not going to spend money that they couldn't afford.

Mr. Chapman suggested several plans of procedure that could be followed in getting started and it was moved and seconded that W. P. Tedlie be appointed manager of the team if he was willing to act. This was carried unanimously. The question of the captain of the team next arose and it was decided to withhold an action until the team had several practices and then the team should meet and pick the captain by secret ballot after a knowledge of the attainments of each and every player had been carefully looked into. Meeting adjourned.

The boys are very enthusiastic and although they are certain that they will not come up to the record of the championship team that Hartland boasted of several years ago, still they are just as certain that they are going to have a good time and place before the spectators a brand of baseball that will be a credit to the town.

SPRING RAIN IS BADLY NEEDED

Lumbermen in this Section of the Country need water badly—Many Drives Held Up and Little Prospect Of Getting Some Out Unless We Have a Very Heavy Rain

The water situation is again bothering the people of this district and although they have sufficient drinking water they want water to bring the winter's cut of logs down the various streams. The drive on the Beauséjour is held up and there is little hope of getting it out unless we have three or four days rain in the near future. F. E. Sayre's crew is working on the river now and they are hoping for the best. If Sayre's drive does not come out, Hartland and vicinity will miss the mill this summer. From fifty to sixty men from Hartland and vicinity are employed on this mill and if it does not run this summer there will be that number of men that will have to find employment elsewhere. The weather looks like rain today, and for the good of all concerned we hope that it will come soon.

SIR HUGH JOHN MACDONALD, veteran police magistrate of Winnipeg, son of the famous Sir John A. Macdonald, who recently celebrated his 75th birthday. He was the recipient of messages of congratulation from all parts of the Dominion.

BATH

BATH, N. B., April 26—On Wednesday evening last, Mrs. John Fulton was the guest at her own house and the girls of her Sunday School class were the hostesses, and the net result was the presentation of an umbrella or parasol. It was a real surprise party and they all had a nice time.

On Friday morning at the home of Rev. G. A. Wasson—a baby boy. Both mother and son are doing well. Congratulations.

Mrs. John Dugan was taken to the hospital to receive treatment as she did not appear to be making much progress towards recovery at home. It is understood that John Fulton and family are leaving town soon. It appears to become the fashion to migrate in the spring.

Standing room only was the program at the Methodist Church on Sunday afternoon at 2 p. m. when all that was mortal of the late G. Washington Parker was exposed to view to the largest audience seen in the church for some years past. The late Mr. Parker was the son of the late Betsy and Alexander Parker, and is survived by two brothers, Newcombe and Howard, and two sisters, Frances Parker and Emma Cogswell. He died on Friday the 24th day of April at 7 a. m. from paralysis and his remains were interred in the Baptist cemetery on Sunday following. Funeral service conducted by Rev. G. A. Gibson, assisted by Rev. R. Doy, Undertaker H. W. Crain. The Florenceville quartet were in attendance and sang at his service in combination with other special singers. Several beautiful wreaths were contributed by friends of the deceased.

HARTLAND BAPTIST CHURCH SUNDAY, MAY 3

Especially fine services were held at the Hartland Baptist Church on Sunday last. The congregations throughout the day were large, especially Sunday night when the audience taxed the capacity of the church, chairs having to be brought in to accommodate the crowd. Four new members were welcomed into the fellowship of the church, and at the close of the service six persons were baptized.

The special meetings which have been going on for three weeks will continue during this week. There is scarcely a night without some soul being saved.

On Sunday next the pastor will preach at both the morning and evening services. The subject of the morning service will be "A Call to Separation," and the topic of the evening sermon will be "Conversion—its Necessity." A special invitation is extended to the men of the community to meet with us in the Men's Bible Class at 2.30 p. m.

WERE THEY ONLY AMATEURS?

Comedy Given in Neighborhood Theatre Last Evening by Centreville Dramatic Club Great Success—Much Favorable Comment Heard.

The play given by the Centreville Amateur Dramatic Club in the Neighborhood Theatre last evening was a decided success both from the point of entertainment and in a financial way. The play which carried the caption "Take My Advice" was centered around a newspaper office and a local effect was given by calling the town wherein the office was located Hartland and the office The Observer. Woodstock was also featured. The local hits were very apt and amusing.

The following young ladies and gentlemen of our up-to-date neighboring town of Centreville composed the cast: The Misses Hazel Margison, Florence Bridgewater, Lillian Goodspeed and Thelma Wilkman; Messrs. Jack Reid, Paul Davis, Hugh John Peppers and John Andrews.

The acting was all splendid, every one's being equal and really was a bit above the amateur.

Between the acts songs were given by G. W. Birmingham and Dr. Cuyah and were received, as they always are, with much applause. Their accompanists were Mrs. Birmingham and Mrs. Haigh. Music, piano and traps, for the occasion was rendered by Mr. and Mrs. W. P. Tedlie in their usual efficient and pleasing manner. The theatre was well filled and best of order maintained. The proceeds which is in aid of the W. A. of the Church of England in Hartland and Centreville amounted to \$44.00. Home made candy was sold between the acts.

We say to this talented troupe "come again."

NEW TRUNK ROAD FOR CARLETON CO.

New Road to be Built from Woodstock To Hartland On the Hartland side Of The River is Report—Work to Be Started This Summer and Will not be Completed for Some Time—Give Employment to Large Number of Men.

The report has been circulating through this locality for several days that another link in the new Trunk Road that is gradually being built up the Saint John River is to be built this summer. Last year the road above town was rebuilt and there was talk of continuing the road down this side of the river. If this work is started this year it will mean that there will be work for all who are willing to work and that is a thing that is worrying a great many men in this vicinity at the present time. No confirmation of the report is to hand but it is understood that the prime reason in making the change is to do away with the very bad and treacherous hill at the west end of the Hartland Bridge which has always been a bug-bear to persons travelling in this section of the country. Further report on this matter will be made next week.

PLANTING STARTED TODAY

Hatfield & Co. have started their spring planting and today they are putting in potatoes and oats. Mr. Hatfield said that this was the earliest season in his recollection and that never before have potatoes and other crops been planted so early.

SOME AMERICAN MAIL

"Would you mind informing me the price of your Bridge Box?" I asked an article in the Bridge Box which I had seen in a box for a bridge friend of mine. Uhler C. Hebert, Philadelphia.

The Bridge Box mentioned in

Printers' Ink Monthly for February is a very clever idea and would be most unique for prizes. Can they be obtained direct from you?" Mrs. Alfred M. Page Sanford, Me.

Impressed four points scattered all over the States come in, conch ed in similar vein. We Canadians are lucky to be able to get the Bridge Box for so little, and so easily.

Envious Neighbours!

The Canada Paint Co.,
Gentlemen, The Living Room which we finished with your "Alba-Gloss Enamel" is the envy of all our neighbours. I did not believe it possible to secure such a lovely rich gloss and so pure and white. We also enamelled our Bath Room and Kitchen using two coats of your flat undercoating and then the Enamel.
Thanks for your suggestions.
The painter is strong for your Enamel

AROOSTOOK JCT.

(The following interesting items were intended for last week's issue but got delayed in transit.)

AROOSTOOK JCT., N. B., April 29—Mrs. J. Birchell of McAdam has been spending a few days in Aroostook, the guest of Mr. and Mrs. R. A. McAdam.

Mr. D. C. Campbell, formerly Asst. Supt. of the C. P. R. at Aroostook, spent the week-end here.

A business meeting in connection with the choir of the Union Church was held on Thursday evening, at the home of Mrs. W. Grantham. There were 14 present, including the Rev. J. Rees-Jones, Episcopal Minister and the Rev. Eytche, Methodist Minister, and after considerable discussion a choir of about 12 was formed who promised to support both churches, each minister to act as choir-master of their respective church, and Miss Ruby Hatheway was appointed financial and recording secretary.

On Friday evening a very successful bean supper was held in the Odd-fellows' Hall by Empress Rebecca Lodge No. 86, the attendance reaching almost 100, and after deducting necessary expenses, about \$40.00 was realized.

The building of the new Baptist Church is expected to commence very shortly.

On Wednesday, April 15, at Aroostook, N. B., at the home of the bride, the marriage was solemnized between Arthur E. Boone of the C. P. R. staff and Miss Vivian Hatheway. The Rev. J. Rees-Jones, Episcopal Minister officiated.

Harold Turner, formerly of Aroostook Jct., who was in the Bank of Montreal at Perth Jct. for three years, and transferred to Sydney, C. B., in 1918, and has since been in the head offices at Montreal, has been transferred to the Bank of Montreal, London, England, and will commence his new duties on May 1st. In the above connection it is interesting to note that Gilbert Turner, brother of Harold who went to the village school in Aroostook about 1910, when the C. P. R. opened their terminal, is now at the U. N. B., Fredericton, studying for a doctor. Two other brothers, Neil C. and A. Roy Turner, are locomotive engineers on the C. P. R. Another Aroostook school boy, Henry Langendyk, whose father was a fitter in the shops, has improved himself since leaving Aroostook for his native home in Amsterdam, Holland. Henry has been employed for some years in the office of the American consul in that city as foreign correspondent, speaking and writing in about five languages, but recent advances received show that he had given up this position and has made quite a success as a short story writer for magazines in English and Dutch. Another Aroostook boy who has done well for himself is Gordon Manzer who is at present principal of the Grammar School at Andover, N. B. Still another boy, Douglas Boone, migrated to Los Angeles, Cal., and on last reports is accountant and store-keeper for the Union Pacific Railway in that city, and his brother Arthur is a fitter in the C. P. shops here. Mrs. C. S. Gains and children have returned home after spending Easter at her home, Lawrence Station.

LONG SETTLEMENT SCHOOL

The names of pupils in this school making an average of 60 p. c. and upwards, on the recent examinations, arranged in order, are as follows:

GRADE I: Thelma Carmichael, 85; Mahlon Burpee, 84.
GRADE II: Vaughan Folsom, 86; Ronald Hatfield, 74.7; Clayton Hatfield, 61.
GRADE IV: Ruth Kelly, 74.
GRADE V (b): Jack Hinchley, 75; Frank Pearson, 63.
GRADE V (a): Annie Toms, 75; Thelma Burpee, 72; Jean Williams, 70.

RUBY PAGE SHAW,
Teacher.

EASTER EXAMS

The following is a report of the Easter exams at the East Coldstream school:

GRADE V (a): Ella Rideout, 81.3; Eldon Kent, 80.9.
GRADE V (b): Cora Rideout, 78.5; Ronald Hatfield, 74.7; Clayton Hatfield, 71.6.
GRADE III (a): Thelma Rideout 87
GRADE III (b): Pearl Irving, 90.2.
Clifton Shaw, 89.7; Nellie Kent, 89.2; Hillard Shaw, 74.5.
GRADE II: Arthur Rideout, 76.
GRADE I: Broderick Kent, 86.5; Ola Ferne Lund, 86.2.
PERFECT ATTENDANCE: Clifton Shaw, Arthur Rideout, Pearl Irving.
VIOLA G. LUND,
Teacher.

We Are Ready for the Spring's Business

We have a good assortment of house finish in stock and can make any order up to suit the purchaser.

Plenty of well-dried hardwood flooring anytime after April 30th. Made on one of the best machines in New Brunswick.

All latest modern improvements. Come and examine its work. It's the only proof that's needed.

I have some grist mill machinery that I will sell cheap:
1 buck-wheat cleanser in perfect condition.
1 set stones, both for \$95.00.

Local And Personal Items

CENTREVILLE N. B., April 27—Miss Helen Ritchie has returned from Woodstock much improved in health.

Mr. Baird, inspector of banks, has been in town for a few days, a guest at the Kennedy House. While here he was entertained at dinner on Friday evening at the home of the bank manager, W. M. Bruce.

William MacDonald has a number of men employed, building a potato house.

Miss Wakeling passed away at her home here on Thursday with pneumonia. The funeral took place on Saturday afternoon, interment being made in the Baptist Cemetery.

Mr. and Mrs. M. A. Burt of Boundary attended service at the Methodist Church on Sunday morning.

Mr. and Mrs. C. F. West, Mrs. Hanson and Mrs. W. Thompson of Presque Isle were in town on Saturday.

Burt Hawkins has closed his restaurant and left for Detroit on Tuesday.

Mr. and Mrs. Albert Field and family spent Sunday afternoon at the home of Mr. and Mrs. A. J. Lee.

Miss Eleanor Hawkins of Northampton, spent the week-end at home.

Mr. and Mrs. Will Gibson of Jacksonville were calling at the home of A. C. Gibson on Sunday afternoon.

Mr. and Mrs. James Crone, Miss West and Mrs. B. W. Campbell drove to Woodstock on Sunday.

Mrs. MacAulay of St. John, who has been the guest of Mrs. Alice White for a few weeks, returned to her home on Tuesday.

G. W. Bishop of Plaster Rock was in town on Saturday.

Hueston Clark started for Detroit on Thursday.

The Red Cross met at the home of Mrs. Lee Kennedy on Wednesday.

Mr. and Mrs. Elmer Burpee of Jacksonville spent Sunday with Mr. and Mrs. C. A. Long.

Mrs. Bernus Reid is ill with an attack of pleurisy.

Mr. and Mrs. Clayton Kinney were in town on Sunday.

Mrs. William Strahan is confined to her home with rheumatism.

Mr. and Mrs. J. C. Stevens motored to Woodstock on Sunday.

Mr. and Mrs. Fred Cliff and family of Mars Hill were guests of Mr. and Mrs. C. R. Cliff on Sunday.

Rev. H. R. Bell will preach on May 3rd as follows: Centreville, 11 a. m. Good Corner, 3 p. m., Lakeville, 7 p. m.

A MUSICAL STUNT FOR YOUR SOCIAL EVENING

(From Canadian Bureau for the Advancement of Music, Ryrie Building, Toronto.)

There is a class of people who are continually on the alert for new ideas in the way of entertainment at social evenings, club meetings, etc. Here is a musical stunt which might suit their purpose admirably, for it introduces the element of music, without which no social evening is complete and also smacks of considerable originality.

The idea referred to, it is learned, has already been tried, and has proven very successful. Here it is:

A program is prepared in advance, giving the name of the performer and the nature of the selection, somewhat after the following style.

Musical Recital

1. Violin solo—
Name
Composer
Mr. John Hopkins.
2. Piano Duet—
Name
Composer
Miss Bertha Dixon
and Mr. Kenneth Harris.
3. Cornet Solo—
Name
Composer
Mr. Albert Defoe.
4. Piano Solo—
Name
Composer
Miss Betty Gladstone.
5. Etc., etc.

On the evening of the party, each guest is given one of these programs. As the number is rendered, the blank spaces are filled in by those who are fortunate enough to identify them. The one to fill all the spaces correctly is the winner of the prize.

In selecting the pieces for this program, the performers and the hostess are the only to know what they are to be. The hostess sees to it that they are pieces likely to be known, but not so familiar that they could be identified at once. For instance, to select such pieces as Mendelssohn's "Spring Song," or Handel's "Largo," would be of little interest to the programme.

Instead of having individual performers, the phonograph or player-piano, it might be mentioned, could be used effectively to render the various numbers in which case the idea would be the same viz. to try to guess the names of the respective compositions and their composers. Try this stunt sometime in connection with your own social evening!

MARRIAGE OF HAROLD T. CARR AND MISS DORIS M. TARR

The marriage took place recently at the home of the bride's mother, Mrs. F. A. Tarr at Bangor, of Miss Doris M. Tarr and Harold T. Carr, formerly of Centreville. The ceremony was performed by Rev. J. S. Pendleton, using the single ring ceremony in the presence of fifty guests. The bridal couple stood beneath a gorgeous arch of white wisteria and the decorations of the room were in pink and white. Miss Evelyn L. Tarr, sister of the bride was bridesmaid while the best man was Harold J. Hall. Sylvia Ellis acted as ring bearer. The bride's dress was of white Duchess Satin trimmed with ostrich and she wore a bridal veil and carried a bouquet of white chrysanthemums and sweet peas. The bridesmaid wore a dress of honeydew crepe trimmed with old English lace and carried a bouquet of white chrysanthemums. After a short wedding trip the couple will reside in Bangor.

Editorial Comment on Mr. Tracey's Speech in The House Last Week

THE PORT FACILITIES

(St. John Telegraph-Journal)
Mr. Tracey, M. L. A., in his well-considered address in the Legislature on Thursday, directed attention to the need of increased facilities for handling potatoes at the port of St. John. He declared, and his statement was confirmed by Mr. McKenna, that owing to cramped facilities at West Saint John the potato growers and shippers suffered very considerable loss last winter, because of a lack of space in the warehouses, which made it necessary to keep loaded cars on the sidings in extremely cold weather. It may be hoped that this testimony will influence the Government to increase the warehouse facilities, since the export potato business is of such large proportions, and of so much importance to the province. Mr. Tracey said further that the facilities for handling fertilizer are inadequate, and unless they are improved, farmers will be unable to get their supplies by this route. It will be observed that this criticism of the facilities of the port does not come from Saint John but from other portions of the province, and derives additional force from that fact. From the first of November until the first of April fifty-nine full cargoes of potatoes were shipped from this port, fifty-four of them to Cuba. This is a traffic which must be of large benefit to railways and steamers and it should not be compelled to suffer the handicap of inadequate facilities at the port of shipment.

AN EXCELLENT SPEECH

(Fredericton Daily Mail)
Mr. Tracey of Carleton, one of the most intelligent and useful members of the Farmers' Party, delivered an excellent speech in the Legislature yesterday while the House was in committee of supply. Mr. Tracey is a man of quiet and thoughtful disposition and while he is seldom heard from in the House, when he does speak he usually says something which gives evidence of careful thought and he invariably causes his fellow members to sit up and take notice. He dealt with a number of subjects in his speech of yesterday while the house was in committee of supply. He dealt with the economic troubles at the door of the automobile. In this connection he pronounced a plain truth, which many people admit in private but few have the courage to acknowledge in public. Mr. Tracey as a practical farmer and interested in the shipment of potatoes, naturally devoted considerable attention to matters pertaining to the humble spud. When he declared that no land on earth could produce potatoes of a quality superior to those grown in New Brunswick, he pronounced a truth which no man with a head on his shoulders and familiar with the facts, will attempt to palliate or deny. As a producer of the very highest quality New Brunswick is in a class by itself—which in plain English means that this province is first and the other provinces are nowhere. Mr. Tracey complained but not without reason of the lack of proper shipping facilities at St. John and called attention to the fact that the winter port is the gateway through which many thousands of packages of New Brunswick potatoes for export pass on their way to the markets of the world. He suggested that the Provincial Government, the city council of St. John and the Federal Government get together and provide better shipping facilities, a suggestion that should be acted upon without the least possible delay.

Mr. Tracey in the course of his remarks made a strong plea for the construction of the Kingsclear-Vanceboro branch line of railway and made a most effective answer to the arguments in opposition to the project advanced by St. John interests. He pointed out that no less than 900,000 sacks of potatoes would be passing through St. John for export during the present season, and in the handling of this quantity the large sum of \$140,000 would be paid in wages to the workmen of St. John. Practically all of the potatoes are produced in the river counties of the Province and the people of those counties are strongly in favour of the construction of the Kingsclear-Vanceboro branch line. St. John is perfectly willing to accept the export business which comes from the potato trade, but for fear of losing the shunting of a few freight cars, it is unwilling to lend support to a project that will be of untold benefit to the entire province. With St. John it is entirely a matter of sectionalism and New Brunswick can never prosper and take its proper place alongside of the other provinces if that spirit is to prevail in its commercial metropolis. As Mr. Tracey pointed out, the construction of the Kingsclear-Vanceboro branch line would put the Valley Railway on its feet, would ensure its extension from Centreville to Grand Falls and would speedily result in its acquisition by the Federal Government. If the St. John people were not blind to all interests except their own they would readily see this, and would join hands with the people of the rest of the province and urge the construction of this much needed branch line.

CHARLESTON

(Arrived too late for last week.)
CHARLESTON, N. B., April 20—A number of young men left on Thursday for Detroit, Mich. Those who left from this place were Leslie Miller, Ervin Gardiner, Emery Walton and Clarence Prosser.

Mrs. Blair Kimbal, Radville, Sask., was visiting relatives here last week. Mr. and Mrs. Cecil Hourihan and little daughter, Agnes spent last Saturday at John Rice's.

Arthur T. Fewer has returned to his home after having spent a week with his father, Mr. Walter Fewer, Deerville, who is very ill.

Mr. and Mrs. Wm. Gilland and daughter Katherine spent last Thursday and Friday with the latter's parents, Mr. and Mrs. Thomas Prior.

Mrs. Charles Roberts, Red Rapids, has been visiting with her sister, Mrs. Wm. White and has now returned to her home.

John Rice was in Hartland last Tuesday on business.

Mrs. Fred Rowland and son Arthur of St. John were visiting here last week. They left on Saturday for Montreal.

Mr. Wm. White loaded a car of potatoes at McEgan Rd. last week.

Mrs. E. B. Gardiner was in Fredericton last Thursday on business.

Miss Eva Rice, who has been visiting for the past week at Holmesville, with Miss Mary Guest, returned to her home on Saturday.

Wm. C. Greene spent Sunday evening at Williamstown.

Miss Pauline McLean is spending a few days at Robert McLean's.

Frank McElroy and son Roger of Bath, spent the week-end with the former's mother, Mrs. Catherine McElroy.

marks made a strong plea for the construction of the Kingsclear-Vanceboro branch line of railway and made a most effective answer to the arguments in opposition to the project advanced by St. John interests. He pointed out that no less than 900,000 sacks of potatoes would be passing through St. John for export during the present season, and in the handling of this quantity the large sum of \$140,000 would be paid in wages to the workmen of St. John. Practically all of the potatoes are produced in the river counties of the Province and the people of those counties are strongly in favour of the construction of the Kingsclear-Vanceboro branch line. St. John is perfectly willing to accept the export business which comes from the potato trade, but for fear of losing the shunting of a few freight cars, it is unwilling to lend support to a project that will be of untold benefit to the entire province. With St. John it is entirely a matter of sectionalism and New Brunswick can never prosper and take its proper place alongside of the other provinces if that spirit is to prevail in its commercial metropolis. As Mr. Tracey pointed out, the construction of the Kingsclear-Vanceboro branch line would put the Valley Railway on its feet, would ensure its extension from Centreville to Grand Falls and would speedily result in its acquisition by the Federal Government. If the St. John people were not blind to all interests except their own they would readily see this, and would join hands with the people of the rest of the province and urge the construction of this much needed branch line.

Mr. Tracey's speech, free, as it was, from the taint of partisanship, impressed all parties in the House very favorably, and he well deserves the hearty congratulations which he received when he concluded his remarks.

NOTE

Owing to lack of space we are obliged to omit Mr. Tracey's speech this week, but it will be published in full in our next issue.—Ed

Investigation still going on Another one started

Harry Marsters of Woodstock while in town yesterday informed a representative of the Observer that he had been summoned to appear before Harry Hereford at Fredericton in connection with the Potato investigation. This kind of knocks the report that the investigation was over. According to the Fredericton Gleaner there is another Combine Investigation under way. The Champion Spark Plug Co. and certain members of the Automotive Equipment Co. are the firms again whom the charges are preferred. The firm of Phillips & Pringle of Fredericton are the complainants.

PERTH

PERTH, N. B., April 26—The many friends of David Miller will learn with deep regret of his death which occurred on April 18, at the age of 53 years in the Military Hospital, St. John, where he has been receiving treatment for several months. Mr. Miller took part in the Great War, having enlisted in the 140th Batt. While overseas, he suffered a great loss in the death of his wife. On returning home he engaged in the restaurant and bakery business for some years in Perth and later married a Mrs. Phillips of Fielding and resided at her home. He is survived by six daughters, namely Mrs. W. A. Smith, and the Misses Daisy and Jennie of Toronto and Bessie, Mary and Grace of Lewiston, Maine, and one son, Donald of this town, his widow and two step-daughters, three brothers and four sisters also survive all of whom are living in the U. S. The body was taken to his late home in Fielding on Monday night, where after the funeral services on Wednesday, the body was taken to Forest Glen for burial beside that of his wife. Rev. A. Giberson of Bath, conducted the burial service, which was attended by a number of local returned men. The pall bearers were Messrs. W. W. Johnston, J. W. Craig E. W. Larlee and Bruce Irvine. Much sympathy is extended to the family, the members of which are well and favorably known in this community where they have lived for several years.

Mrs. John Fulton of Bath was the week-end guest of her brother, M. E. Armstrong and Mrs. Armstrong, before moving to Lowell, Mass.

Miss Annie Gardiner of Caribou is spending a week with her aunt, Mrs. George Morehouse.

Miss Annie Stickney returned home the last of the week from Grafton, where she had been spending the week with Mrs. Henry Post.

Mrs. A. M. Bird of McAdam was in town on Wednesday en route to Three Brooks, to visit her parents, Mr. and Mrs. Geo. McDougall.

Frank Reed of St. Almo was in town on Saturday.

J. Jacques of Plaster Rock spent the week-end in town.

B. C. Palmer spent Sunday at his home here.

Mr. and Mrs. W. E. Kennedy and family of Plaster Rock motored thru Perth on Sunday.

Mason Johnston of Grand Falls was in town on Sunday, the guest of his brother, Leonard Johnston.

Messrs. Gerald Lovely, Donald Miller, Ed. Palmer and Vernon Dickison spent the week end at Mr. Lovely's cottage at Beech Glen.

Miss Muriel Baird, nurse-in-training, returned to Providence, R. I., after spending a few weeks with her mother, Mrs. Bertie Baird.

"Eczema on My Face Completely Relieved"

Miss Winifred Ernest, Box 46, Blockhouse, N. S., writes:

"Ever since I was a little child, I suffered with eczema on my face. At times my face was completely covered with large sores, and I tried nearly every kind of medicine that I heard of with no results. This lasted for over twenty years, until one day I asked the advice of my druggist, who bade me give Dr. Chase's Ointment a trial. After using the Ointment for a few days, the sores began to heal, and soon I was completely relieved of the disease."

Dr. Chase's Ointment

60 cts. a box, all dealers, or Edmanston, Bates & Co., Ltd., Toronto

YES

Our store opened April 23 as we said it would. Many of our customers have been back already, and we trust they will all be back in the coming weeks.

YES we have that good molasses as usual at 70c and the 15 bars of Surprise Soap for \$1.00 and many other bargains as well. We have all kinds of Garden Seeds, potatoes, and onion sets. Come all and bring your butter, eggs, meal, etc.

The acquisition by Dr. L. DeC. Macintosh of the General Dewey pacer The Tank, 220 Claes — Highly Thought of in New England Circuits — Now at Connell Park, Woodstock — Has Showed Remarkable Ability on Track.

Dr. Macintosh has seven horses training at the Woodstock track in charge of Driver Langille and this stable will no doubt make a name for itself this season.

OBITUARY

MRS. ALBERT BELL

The death of Mrs. Albert Bell of Fielding came as a shock to the whole community when she passed away on April 22nd after a few hours illness. Medical aid was summoned and everything was done to save but apparently the time had come for her to go. She was a good woman and kind to all who knew her and the large gathering of people that came to her funeral would testify to this truth. She was thirty-three years old and leaves a sorrowing husband, six children, her father, H. Donovan and three brothers and a large circle of other relatives and friends. The remains were taken to the Gordonsville Baptist Church where the funeral was conducted by Rev. P. J. Quigg, assisted by Rev. A. H. Hatfield and interment in the cemetery nearby. Much sympathy is felt for the sorrowing family in their sad bereavement.

KATHERINE R. JEWELL

Katherine Rebecca Jewell, beloved wife of Omar O. Jewell, died in the Maine General Hospital, Bangor, on April 18 at 6 p. m. aged 24 years. She was operated on for mastoid abscess. Much sympathy is extended to the sorrowing ones in their sad bereavement, especially the young husband and two small children who are called to mourn the loss of a loving wife and mother, besides parents, three brothers and three sisters and a wide circle of relatives and friends. She was the daughter of Mr. and Mrs. Geo. W. Kearney of Bath, N. B. Funeral was held from the home of Wilmot Rideout, kind friend of the deceased, to the Methodist Church at Atkinson, Me., conducted by Rev. W. L. Bradeen. Interment in the cemetery nearby. Those who attended the funeral from a distance were Mr. and Mrs. Geo. W. Kearney, Mrs. Manda Carr, Mrs. Harley Shaw, Lee Kearney, sisters and brother of deceased, Mr. and Mrs. Frank Jewell, Mr. and Mrs. H. Bond, Clara and Guy Jewell. A silent testimony of the esteem in which deceased was held was manifested in the beautiful flowers. Husband and children, pollow; Parents, white roses; Brothers and sisters, narcissus; Mr. and Mrs. Frank Jewell, red roses; Mr. and Mrs. H. Bond, 24 pink carnations; Mr. and Mrs. Wilmot Rideout, assorted carnations; O. of H., sickle of roses; Ladies Aid; carnations; Atkinson friends, harp with broken string; neighbors of Sebec St., basket of assorted roses; Mrs. Ducott and Mark, bouquet; nursing staff of Community Hospital, assorted roses.

FACTS ABOUT TEA SERIES—No. 5

What 'Orange Pekoe' Means

Many buyers of tea have come to ask for 'Orange Pekoe' believing that it signifies fine quality. This is not, however, necessarily the case. In the trade 'Orange Pekoe' is only a name given to the first leaf below the bud or tip on any Indian or Ceylon tea bush. An 'Orange Pekoe' leaf grown at a high elevation usually possesses a very fine flavour. If, however, the plant is grown at a low elevation, it may still be 'Orange Pekoe' but also be of very poor quality. The consumer's only safeguard is to buy a tea of recognized goodness. High grown 'Orange Pekoes' comprise a large part of every blend of "SALADA" and give to "SALADA" its unequalled flavour.

"SALADA"

ANDOVER

ANDOVER, N. B., April 26.—Mrs. Carl Delano was a visitor in Woodstock last Monday.

Mrs. James Smith and daughter, Hester, spent the weekend with friends in Upper Kent.

On Tuesday afternoon and evening the Methodist ladies' Aid held a sale of fancy work and bean supper at the home of Mr. and Mrs. J. W. P. Dickson. It proved a great success, nearly all the needlework being disposed of and a large number present at the tea hour. The sum of \$82.50 was realized. A meeting was held on Saturday at the home of Mrs. James Porter when the business of the Aid was brought to an end for the summer months. Much regret is felt for the resignation of the secretary-treasurer, Mrs. Percy Bull who has worked so faithfully the past two years to make the Aid a success. Mr. and Mrs. Bull go shortly to take up a new home in a Western state.

On Wednesday evening last the ladies of Andover invited everybody to be present at a social evening in the Specialty Theatre. A large number from both towns were there and spent the evening in games and cards. A lunch was served at a late hour and a food sale was held at the close. Something over \$100 was realized which will be used to help in construction of new sidewalks.

Mrs. James J. Scott, Misses Mona and Pauline Scott and Mr. Newsome spent Sunday in Centerville, guests of Mr. and Mrs. William Wiggins.

Rev. J. Rees Jones left on Monday to attend the Church Synod at St. John.

Miss Beth Rogers and Miss Muriel Hunter held a meeting of young girls at the home of Mrs. E. S. Rogers on Tuesday last to arrange for an organization of Canadian Girls in Training. The regular membership meeting will be held on Thursday evening of this week in Mr. Olmstead's hall in Perth.

THE POWER OF HOLY LOVE YOU CAN'T BUDGE IT

(Publication paid for.)
Its love, its love, its holy love.
That all the nations need today.
Its love, its love, God's holy love.
Will fill with right, take wrong away.
Some legislators seem to think.
That we need more population.
Therefore they go about it with
Their little costly legislation.
Ye fools, blind guides and slow of heart
To believe what great God doth say
Its God that giveth right increase.
When we His holy laws obey.
The stork is the best agent sure.
The proper immigrant to bring.
That immigrant is very sweet.
Doth cause the heart for joy to sing.
All sickness, sin and barrenness.
Our God says He will take away.
If we obey His holy laws.
Serve and adore his every day.
Deut. 7:12-15.
T. A. JONES.

COLOR IT NEW WITH

DOMINION EXPERIMENTAL FARM
SPECIAL CIRCULAR 18 ON THE
BEST TIME TO PLANT POTATOES

There are several important factors in the production of large crops of potatoes and one is the time of planting. Perhaps in no part of Canada has the crop suffered more from not planting at the best time than in the Province of Ontario where it is customary with most farmers to plant about the last week in May or early in June, and owing to the importance

of planting some other crops early and because a fair crop of potatoes can be obtained by planting late, earlier planting may not seem desirable.

Experiments both at the Central Experimental Farm, Ottawa, and the Agricultural College, Guelph, Ontario, and the experience of many growers, have demonstrated the importance of much earlier planting than this if the largest yields are desired. In 1917 the yield per acre of Green Mountain potato planted on May 12 at Ottawa was at the rate of 352 bush-

els per acre; June 23, 59 bushels per acre, and these results are typical of those obtained in other years. A very striking difference in favour of early planting was shown in 1915 at Ottawa when the Irish Cobbler planted on May 15, yielded at the rate of 425 bushels of marketable potatoes per acre and planted on May 29 only 250 bushels, a difference of 175 bushels per acre. At Guelph the following results, being the average of six varieties were obtained in 1915: Planted May 3, 201.3 per acre; June 14, 72.1 bushels per acre; June 28, 31.9 bushels per acre.

Evidence is strongly in favour of planting potatoes for maximum crops not later than May 15 in Ontario, except in the northern part where the time of planting has to be governed by the time the land is in condition.

Earlier planting than has been the custom would, from the results of experiments which have been tried, be desirable in the prairie provinces if larger crops are desired. Following were the average results for three years at the Experimental Farm, Brandon, Man., from planting at different dates: May 1, 183 bushels per

COULD NOT SLEEP NIGHTS

Pains and Headaches Relieved by Taking Lydia E. Pinkham's Vegetable Compound

Dublin, Ontario.—"I was weak and irregular, with pains and headaches, and could not sleep nights. I learned about Lydia E. Pinkham's Vegetable Compound by reading the letters in the newspapers and tried it because I wanted to get better. I have got good results from it as I feel a lot stronger and am not troubled with such bad headaches as I used to be and am more regular. I am gaining in weight all the time and I tell my friends what kind of medicine I am taking. You may use my letter as a help to others."—Mrs. JAMES RACHO, Box 12, Dublin, Ontario.

Halifax Nurse Recommends

Halifax, N. S.—"I am a maternity nurse and have recommended Lydia E. Pinkham's Vegetable Compound to many women who were childless, also to women who need a good tonic. I am English and my husband is American, and he told me of Lydia E. Pinkham while in England. I would appreciate a copy or two of your little books on women's ailments. I have one which I keep to lend. I will willingly answer letters from any woman asking about the Vegetable Compound."—Mrs. S. M. COLEMAN, 24 Uniacke Street, Halifax, Nova Scotia.

acre; May 14, 285 bushels per acre; May 28, 253 bushels per acre; June 4, 188 bushels per acre. At the Experimental Farm, Indian Head, Sask., better results have been obtained from planting May 20, than from later dates, though earlier planting has not been thoroughly tried. At the Experimental Station, Scott, Sask., the best results, taking an average of three years, have been from planting about May 8, even though the tops are sometimes badly frozen after the potatoes are up. At the Experimental Station, Lacombe, Alta., the average of a two years' test was as follows: Planted April 28, 350 bushels per acre; May 26, 206 bushels per acre; June 9, 192 bushels per acre; July 6, 19 bushels per acre. It will thus be seen that where the spring is early and where frost comes relatively early in the autumn, early planting gives best results. On the south eastern coast of Vancouver Island it is necessary to plant during the later part of March or early in April to get the best results owing to drought in summer. In the valleys of the upper country in British Columbia, the early planting is very desirable where autumn frosts come early, whereas in the warmer valleys where there is irrigation and where autumn frosts do not come early it is not so important to plant early.

In the Maritime Provinces, owing to the lateness of the spring and the coldness of the soil, planting during the first two weeks of June gives the best results. The late spring in these provinces is compensated for by a long autumn without frost, ensuring the development of tubers at a time when in other parts of Canada the plants are dead. The lower St. Lawrence region of the province of Quebec has climatic conditions somewhat like those in the Maritime Provinces and June planting gives good results. In parts of Quebec where spring is relatively early but where early frosts occur, early planting is desirable. In northern Quebec, it will doubtless, be found desirable to plant as soon as the soil is dry enough, risking injury from spring frosts so as to have the crop well advanced before autumn frosts.

TIME TO PLANT

Prince Edward Island, June 1-7; Nova Scotia, June 1-15; New Brunswick, June 1-15; Quebec, May 15 to June 15; Ontario, May 1 to June 15; Manitoba, May 10 to May 15; Saskatchewan, May 10 to May 24; Alberta, May 10 to May 24; British Columbia, April 1 to May 15.

Where the spring is early and autumn frost early, plant early.

Where the spring is early and summers are dry, plant early.

Where the spring is late and autumn frosts late, early planting is not so important.

Where the spring is late and autumn frosts are early, plant as soon as soil is dry enough.

BE CONSTANT

Constant drops of water waste away the hardest stone.

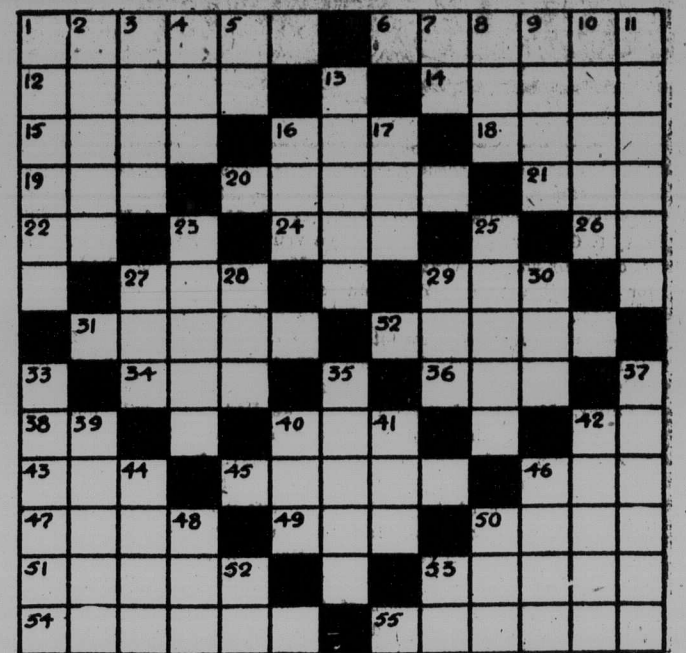

Constant gnawing Towser masticates the toughest bone;

The constant cooling lover carries off the blushing maid.

And the constant advertiser is the one who gets the trade.

(The Mayor of Blackburn, Councillor, J. Stanworth, burst into rhyme at a Lancashire Confectioners' Conference in praise of the value of newspaper advertising.)

Answer To Last Week's Puzzle

Prest-O-Lite
Storage
Battery
—right for every car

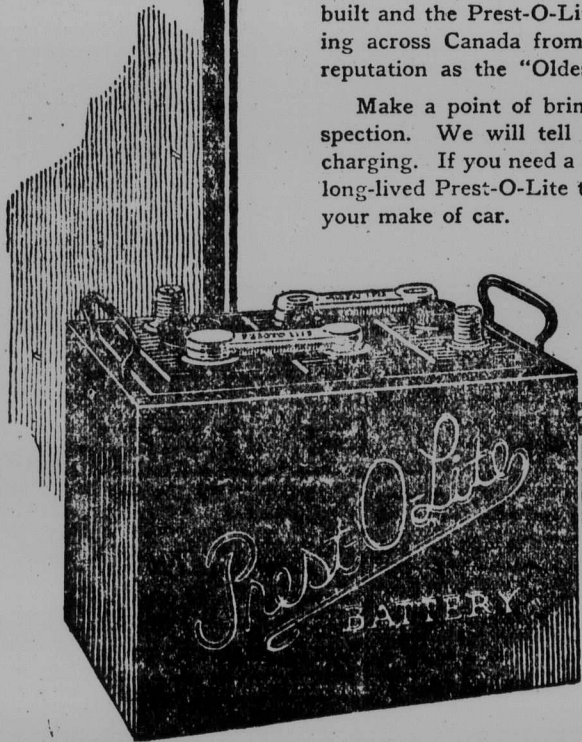

DOMINATION

THE majority of Canadian-built cars are equipped with Prest-O-Lite Storage Batteries. More Prest-O-Lites are sold to replace worn-out batteries than any other make of battery. There are more Dealers and Battery Service Stations in Canada selling and servicing Prest-O-Lite Storage Batteries than in any similar organization. Prest-O-Lite dominates the Storage Battery field in Canada because there is no better battery built and the Prest-O-Lite Service Organization stretching across Canada from coast to coast lives up to its reputation as the "Oldest Service to Motorists."

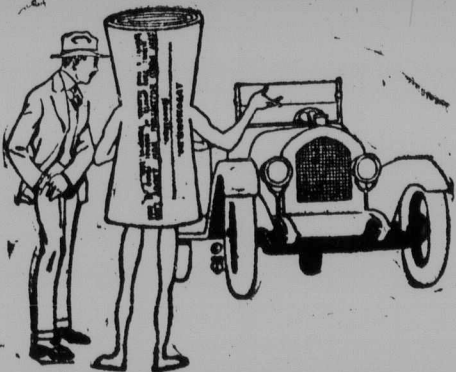

Make a point of bringing your battery to us for inspection. We will tell you if it needs repairs and recharging. If you need a new battery we have a powerful, long-lived Prest-O-Lite that has been built especially for your make of car.

KILBURN

KILBURN, N. B., April 26—Mrs. Ruth Miles and Mrs. T. O. Morehouse were visitors at Murray L. Grant's on Sunday.

Grayden Grant and Burton Lloyd spent the week-end at their respective homes here.

Mrs. Orrion Hallett spent the week end in Fort Fairfield.

Mr. and Mrs. Delbert Jamieson of Presque Isle were guests of Mr. and Mrs. Perry Bishop on Sunday.

Mr. and Mrs. Edd. Drost and son Neville spent the week-end with Mr. and Mrs. C. R. Inman of Linville.

Sharp Inman of Linville left the first of the week to work in Detroit, Mich.

The Mission Band will meet at the home of Miss Zeta Grant on Saturday afternoon.

Rev. and Mrs. J. L. Hughes of Red Deer, Alberta, are receiving congratulations upon the birth of a daughter at their home on April 12th. Mrs. Hughes was formerly Miss Annie Jones of Bath.

Chas. B. Inman began work on the highway as patrolman on April 20. He is being assisted by Ernest Stonebridge.

Mrs. F. V. Bishop entertained quite a large number of the young folk in honor of her son Stewart on Friday evening, April 17, the occasion being his sixteenth birthday. A very pleasant evening was spent in games and music, after which a very delicious luncheon was served. Mrs. Bishop being assisted by Miss Elva Kilburn, Miss Zeta Grant.

The Methodist Ladies Aid will meet for the May meeting with Mrs. T. O. Morehouse. Mrs. Morehouse has extended a very cordial invitation to the Baptist Society to attend this meeting.

The U. Baptist Missionary Society will meet with Mrs. C. B. Inman for May meeting on the 2nd Wednesday.

THE DANGER OF FOREST FIRES

Fredericton, N. B., April 16—While a proclamation published in the Royal Gazette today named May 1st as the date when registration certificates will be necessary for all persons entering the woods in New Brunswick except those covered by official exemptions. Hon. Dr. J. E. Hetherington, Acting Minister of Lands and Mines, said this morning that reports from the Forest Service indicated that the forest fire menace was again becoming imminent in Charlotte Co. and elsewhere in Southern N. B.

Today (April 15) is the date when the closed season period for fires goes into effect automatically in this province and under the regulations no slash burning within one-half mile of woods is allowed during that period, except under permit and personal supervision of a ranger or fire warden. After May 10th, no fire permits may be issued, except where special authority is secured from the Department of Lands and Mines. These regulations are not new, being those which have been put into effect the past several years in the effort to prevent destruction of the forest by fire.

The fact that the spring season in southern New Brunswick is several weeks earlier than usual has emphasized by action taken by the Department of Lands and Mines today when patrols were ordered to go on duty the first of next week on the railway lines leading south, east and north from McAdam as well as on the shore line sub-division of the Canadian Pacific Railway. The department also drew attention to the fact that it was April 26th last year before the first fire was reported, whereas this year the first fire had occurred on April 6th, one of the earliest dates in history.

This early start in the forest fire period, means that the menace is to extend over a much longer period than usual this year and the Department is apprehensive as to the effect of such conditions. Referring to the fact that last year's forest fire damage in New Brunswick was reported as \$52,592, it was stated at the Department of Lands and Mines that it would take ten years with no losses heavier than last year to cut down 1923 damage to the average of \$300,000 damage of the years 1918-23. In 1923, it will be remembered losses ran to more than \$3,000,000 and upwards of 400,000 acres was burned.

A report received by the Forest Service today from George Gough, of North View, Victoria County, a ranger who has just returned to his home from an inspection trip, says that the snow is already gone from the burned areas on the headquarters of the Tobique River, while in the woods, only about eighteen inches of snow remained. This indicated an unusually early opening up of spring conditions in the northern portion of the St. John Valley also.

BRANDRAM'S GENUINE B-B WHITE LEAD

ANY product that successfully survives the critical tests of ten generations must possess unusual merit. Brandram's Genuine B.B. White Lead has just such a record. Since 1729 it has stood alone as the World's Standard White Lead.

It breaks up easily and works readily into a beautiful snowy white paste which thins to just the right consistency for economical brush work. Paints mixed with Brandram's Genuine B.B. White Lead spread further with less effort and greater smoothness than any others.

GRAND FALLS

GRAND FALLS, N. B., April 27—Word was received here Friday of the death of Miss Bessie M. Fraser in St. Stephen on April 23 at the home of her brother, G. P. Fraser. Miss Fraser was for many years on the teaching staff here. She leaves to mourn two brothers, Clinton and G. P. Fraser, and one sister, Miss Annie Fraser. The teachers from Grand Falls attended the funeral which took place in Andover Saturday afternoon. The floral tributes were very beautiful.

Mr. G. P. Fraser of St. Stephen was the guest of Mr. and Mrs. O. B. Davis Sunday.

Mrs. C. A. Kirkpatrick and Mrs. W. Hatch were visitors in St. Leonards Monday.

Mrs. C. Guy, Miss Sadie McLaren, Mrs. Leslie and Mrs. Andrews were guests of Mrs. C. Cyr at St. Leonards Sunday.

Mrs. R. W. McLaren was in St. Leonards Monday.

Mrs. J. D. Robertson who has been quite sick is able to be out again.

The Novelty Four Orchestra played in Edmundston Thursday night.

W. P. Hatch has moved his family into the Rectory for a few weeks.

Mr. Mosely is moving into the A. A. Dixon house on Chapel street.

Dr. C. A. Kirkpatrick is having a garage built.

J. Carroll is building an addition to his house.

Rev. Mr. Hall is spending this week in Saint John.

CANADIAN DEMAND FOR
RED RIVER SEED POTATOES

Grand Forks, N. D., April 24—A heavy movement of potatoes from Grand Forks and East Grand Forks Minn., to the Western Canada provinces is reported by dealers from both cities. Over 150 carloads were shipped from East Grand Forks in a little over a week.

The Red River Valley potatoes have gained a reputation as seed stock which has led to the Canadian demand for these tubers in spite of the Canadian duty.

REPAIRS TO HARTLAND BRIDGE

A crew of men started to work this morning repairing the floor of the River Bridge at Hartland. It is hoped that they will be able to remedy the rattling that keeps the people in the vicinity of the bridge awake at night.

Card of Thanks

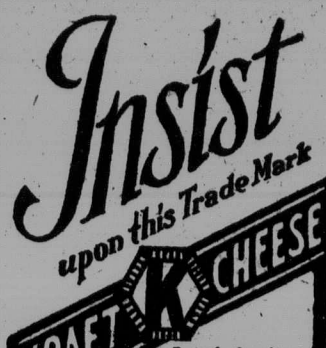

We very gratefully thank our neighbors and friends who so kindly assisted in any way after the death and at the funeral of our dear husband and father. We are especially grateful to the singers and those who sent the beautiful flowers and who furnished cars for the funeral.

MRS. DAVID MILLER and Family

Card of Thanks

We wish to express our thanks to our friends for their many kindnesses during our recent bereavement, especially to those who furnished the music and sent flowers.

MRS. W. K. MCGEE,
MR. and MRS. W. L. MCGEE,
MR. and MRS. J. E. MCGEE.

Look for it on the label. It is your guarantee of quality and flavor.

AVOID IMITATIONS. Send me free recipe book.
