It lay before me, on the close graz d grass, Beside you path, an old Tobacco Quid; And shall I let the mute adviser pass

Without one aerious thought? No, Heaven forbid! One who for wife and children takes no care.

Ab luckless was the day he learnt to chew ! Embryo of ill, the Quid that pleased him first Thirsty from that unhappy Quid he grew,

So great events from eauses small arise-The forest oak was once an acorn seed ;

Suspect some ambush in the parley hid-From the first kiss of love, ye maidens fly Ye youths -- void the first Tehacco Onid

Pechaps I wrong thee, O thon sel'ran chaw, The joy, perhaps, of solitary age

Yet has a friend in his tobbacco box,

Ey'n so it is with human happiness-Each seaks his own according to his whim One asks a Quid-a Quid is all to him.

Whilst ought remain'd to chew, thy master chaw's Then cast thee here when all thy juice was gone Emblem of selfish man's ingratitude

Who, like-as thou, hast comforted the poor : Happy his age who knows himself like thee-

Humbly Sheweth—
That he is a Bitish Subject, and prays that a Licence may be granted him to cut Timber on the undermentioned Tract of Crown Land; such Licence to continue in force for the term of Five Years, from the 1st day of May, 1835—and during the eaid term your petitioner pledges himself to pay the duty on not less a quantity of Timber than annually, unless the Timber becomes exhausted, when he will resign the Licence.

The situation he wishes to obtain is situated as follows:

Cagnity of Humbly Sheweth—
That he is a Bitish Subject, and prays that Licence is also added curtann Rules and Regulations, specifying the terms on which the said she he sum of Money to be paid by the said Lamber as shall be cut on the said Licence is granted, at the Committed from Oporto on the Sth ult. Capt. St John informs that the Licence is also added curtann Rules and Expenditures of public monies within such County for the past year to be laid before the Grand Jury may from Lisbon, which the said Licence and the the term your petitioner pledges himself to pay the duty on not less a quantity of Timber than annually, unless the Timber becomes exhausted, when he will resign the Licence.

The String Rules and Regulations, specified, that the Committee day before the Will detailed and particular account of all the Receipts and Expenditures of public monies within such County for the past year to be laid before the Grand Jury may from Lisbon, with Queen Donna Maria and her before the County for the past year to be laid before the Grand Jury may from Lisbon, with Queen Donna Maria and her before the County for the past year to be laid before the Grand Jury may and examination; and presentment to the Clerk of the Legislative Council, and te the County for the past year to be laid before the Grand Jury may and examination and presentment to the Clerk of the had declared war against the U. States; the One thousand eight hundred and forty.

The situation he wishes to obtain is situated as follows:

If surveyed, the Lot or Lots to be described; if not surveyed, the courses and distances he wishes to have, to be described. He pledges himself to keep a correct register of the Timber and Lumber obtained under the Licence now praved for, and to exhibit the same to the proper Officer when required, and at the Crown Land Office asnually, on the 24th day of June 2 and he will comply with all the regulations and the respective times and payable at the separation of the manner of the mann Crown Land Office annually, on the 24th day of June; and he will comply with all the regulations to be observed by Persons cutting Timber on Berths licensed to them in the manner now prayed for. The mark he intends using to distinguish the Timber and Lumber of And he as in duty bound will ever pray.

CROWN LAND SALES

"The Levianthan of Provincial power-Representatives for their short services, we From the Singapore Circuits No. 6.

The unexpected and deplorable death of lizing the supplies of the country for the sake. Forests of this Country are and were cre. The unexpected and deplorable death of Lord Napier, and the re-opening of the British trade under "untoward" circumstances, are the principal subjects of the news just arrived. On the former we do not hesitate are the principal subjects of the news just arrived. On the former we do not hesitate to state our opinion that his lordship died a marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have some marry to the cause which he seemed to have their country may not be injured:—Oh no soft mightly self predominated before a thought country may not be injured:—Oh no soft mightly self predominated before a thought country was imposed upon an unresist. So of soil, for the trifling consideration of five or six shillings an acre! O misguided

The persons were included in one patent: the exceptations which it is almost morally, commanded the mysterious rolls of survey to be unsealed, and the agrarian treation that the sake of Constituents: to patriotic pride, survey to be unsealed, and the agrarian treation of the province to be offered to the poor, their country may not be injured:—Oh no soil mightly self predominated before a thought of soil, for the trifling consideration of five or six shillings an acre! O misguided

Company's rule. The event was also erriced in one patent: the exceptation of the market or priving the country was survey to be unsealed, and the agrarian treation to be under the first Govern their country was excess of means for their country and since rity of soil continued to be under the first Govern their country and since rity of soil continued to be under the first Govern their country and since rity of soil continued to be under the first Govern their country and since rity of soil continued to be under the first Govern their country and since Company's rule. The event was also evident:

We are not advocates or paying the County hastened by the treacherous and savage cil, but if edium is to be attached for the loss conduct of the Chinese during his passage of the appropriation bill, it must rest, most from Canton to Macao, when his lordship assuredly on the House of Assembly, declar spared thee! Upland, swamp, and barren, at it induced to follow, resemble the progress of was suffering severely from illness. We cause of the appropriation bill, it must rest, most dwelt in our land, what troubles had been of an individual's mind and the courses he spared thee! Upland, swamp, and barren, at it induced to follow, resemble the progress of the supplies rates like these, would have obviated the ne-society at large. When the indigent man is most but join with our cotemporary of the of the whole Province depend on such capri cousting that the British clous conduct.

Government will resent this black ontrage in the Council had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of thy Countil had refused to pass the apart and saved the blood and treasure of the countil had refused to pass the apart and saved the blood and treasure of the countil had refused to pass the apart and saved the blood and treasure of the countil had refused to pass the apart and saved the blood and treasure of the countil had refused to pass the apart and saved the blood and treasure of the countil had refused to pass the apart and the p The important object Lord Napier had in independently of the Members' Pay Bill, then view, during his brief but arduous career, indeed would the odium most justly fall on py our condition! five pounds, for teaching a School fifteen are concerned. It should be considered like not likely to be taken up by any other person vancing the price of the soil as we advance portion of his reward : whereas he saith, I have found rest, and now, will eat continually ple, the solemn voice of calm but resolute truth will yet be heard in our mother land-

ing people ? Is it not evident, with the exvice-regal conceit the royal Road, that every shilling of the revenue is expended in carrying its collection into effect? Can it be conceived for a moment that it would ever be the wish of a monarch of England to oppress his toil-worn subjects who are planting his Imperial Standard in the wilds of the new world, merely for the purpose of pampering an overgrown phalanx of officers? George the Third was too good for it-George the Fourth was too great for it-and our present most Gracious Sovereign must be in total ignorance that oppression exists, to suffer it to exist

But we know how these things are manged, altho' this article is already too long to proceed with it. We are led to these remarks from the conviction that the Country cannot afford to pay such prices as are now demanded; and we think that the coming sales will speak more powerfully than any thing we can advance on the subject.

I hereby forbid-all persons purchasing a ne of hand for Twenty Pounds Carrency, ELIAS FOSTER
