IN MEMORIAM. Oscar died March 1875.

Foll the tiny band's over his breast. Dear little Oscar has gone to his rest. The death Angel rustled so near us to-day That he left but this cold, and beautiful clay.

Wasted, so wasted, the dear little face, Scarce a resemblance there we can trrce To the bright little fellow, of a month ago. And now we must lay him low, under the snow

Beautiful still, but oh, so cold This little lamb of the Saviour's fold. We yield him Lord, but the tears will start.

Thoy knowest it all, we yield him to Thee, This bright little spirit from sin, set free. He has gone to his home, gone to his rest, With Jesus and all that is lovely and best. \* Ecita, St. Andrews.

Dr. J. Walker's California Vinegar Bittels are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which ere extracted therefrom without the use of Alcohol. The question is almost daily seked, "What is the cause of the unparalleled success of Yerrana Birtsus?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood parifier send a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a malicine been compounded possessing the remarkable qualities of Versiaan Birtrus in healing the sick of every disease men is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.
