Canadian Institute for Historical Microreproductions / Institut canadien de microreproductions historiques

© 1998

The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par la seconde plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

"NUFF SED"

2442

Said the Woodman, to the Coleman,
As they drove to Morse, and back,
"I wonder why the Pyne Burns,
"With a Curle of smoke so Black."

Said the birdman, in his Curtis,
As he chased the peaceful dove,
"I wonder if the trumpets Blair,
"In Paradis above?"

Said the Tinker, to the Taylor,
As they chanced to meet, one Dey,
"For a suit I'm going to Spencer,
"A Price that I can pay."

Said Lee, to General Jackson,
As they fought on Bosworth field,
"If you'll leave the terms to Balfour,
"At Fort McKenzie, I will yield."

Said Howard, meeting Oswald,
With his Hatton, in the Hall,
"I think I Seymour of Reynolds,
"In that painting on the Wall?"

Said the Cook, at Conway Castle,
Putting a Gascoigne in the stove,
"A Crabbe and Ham, I'll Freiser."
Was he not a curious cove?

"This Fairbairn I will Foster,
"If a Goodchild he will be,"
Said Kirkpatrick, to McPherson,
And a Goodman brave, was he.

If Harry Lauder lost his Hart,
To pretty Alice Lloyd,
Do you think that Gertie Millar
Would be very much annoyed?

A Sturdee Savage had a wish,
To occupy the Throne,
But Reeder—do not be alarmed,
He's in jail now—at Malone.

IN 18 HOLES

Humphrey and Hodge went to Hamilton,
To see Jack Johnson fight.
Such a Motley crowd had gathered,
They had to Camp out for the night.

Annable rode on the Atcheson,
Many Miles of the Main line, to see.
As the train was so late, a Cherry, he ate,
"With no diner—it's awkward" said he.

Purvis was trying to catch Pickrell,
On the banks of the Fraser, I'm told.
Though he tried to keep warm on a Collins,
What he caught was a terrible cold.

Brown bought a ticket to Leslie,
And Snell bought one to Grant.
But WHY should they go to Ontario?
Can you answer the question? I can't.

Wilson asked Admiral Perry,
How to Moore his ships to the Piers.
"With the Rudder, and room for Shearing,
"We've done it," said David, "for years."

Two pitchers were having an argument,
Alexander and Bender, by name.
Had Fulton, or Benjamin Franklin,
Any Wright in the Temple of fame?

If Nelson, or Admiral Hawkins
Had blocked the Zeebrugge Moule,
Would it not have solved the Riddell,
For Bernier to have reached the Pole?

With Laura Secord—Sis Hopkins,
Was feeling as sore as a Boyle,
For the names that Laura Calder,
Were not according to Hoyle.

When Jeffries was fighting Corbett,
And Britt sat with Bombardier Wells,
Sullivan said to the Ussher,
"They think they're a couple of swells."

Hail!
Hail!
The
Gang's
All
Here!
