Traw's Chances.—Mr. Benjamin Nason, a native of Portsmouth, and brother of Mr. John Nason, of this city, removed to Eastport in 1796; and in 1862, when 24 years of age, visited his native place. He afterwards removed to Hahlax, and has since resided in Horton, N. S. He recently came on a visit to his brother, whom he has not seen for forty eight years. The meeting of the old gentlemen of 72 and 76 years of age, who had not seen each other since the age of sarly manhood, was a matter of interest to both. The visitor who went away single, has now more than forty descendants—and the resident higher more than a score. In his waits through our streets, he only recognizes here and there a building which he knew, as the three large fires have happened since his former visit. A half century has made almost as great changes in the aspect of Portsmooth almost as great changes in the aspect of Portsmouth, as in the visages of the renerable brothers.

PILES, As a remedy for this most distressing and obstinate malady, the VEGETARTE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well knewn to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of "that". Pive veans; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicines which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

PEVER AND AGUE. For this accurge of the western country these Modicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

MERCURIAL DISEASES. Persons whise constitutions have become in-paired by the injudicious as of Manacav, will find these Medicines a perfect care, as they never full to eradicate from the systems all the effects of Mercury infinitely moner than the most powerful preparations of Sarapartills.
