Premier Drury to Run in Halton---Raney Still Seeks Seat Peace Arbiters Disband---Adriatic Question Left Unsolved

DRURY PROMISES GUELPH MEMORIAL GOVERNMENT GRANT

Addresses Ontario Agricultural Union Annual Meeting.

ADDRESS BY MONTEITH

Guelph, Ont., Jan. 20.—(Special)—Hon. E. C. Drury, premier of Ontario, paid his first visit to Guelph since becoming the head of the government this evening when he delivered an address at the evening session of the annual meeting of the Experimental Union. Being a graduate of the O. A. C. and a former president of the union he was given a very flattering reception from the entire student body of the college, who greeted him with the college yell and continued applause. The chair was occupied by Dr. Creelman, and an audience that completely filled the gymnasium was in attendance.

Premier in Good Form. He expressed the great pleasure it gave him to be present on an occasion of this kind. He had a tender spot in his heart for the O.A.C., and had some idea of what it should be to the province of Ontario.

He intimated, in referring to the inadequacy of the building they were in to accommodate the student body, that the government would assist in the erection of the memorial hall which was to be built at the college in honor of those students and ex-students who fell in the great war.

Rural People Have Destiny. The premier dealt at some length on what to his mind the O.A.C. should stand for and referred to the early days when his father was the first minister of agriculture in Ontario and the opposition which the college met with. He believed its mission was to train the young men of the province to become expert farmers and good citizens. That the rural people of the province had a destiny and the time has come to work it out.

He urged that those course students should go back to the farm, and not less than six members of the British liberationists at the supreme council's meeting in London. It was the duty of the college to be prepared to answer the questions of the farmer when he asks them and to turn back men to the land. The country needs men to live on the college more than anything else. He stated that the college would receive only consideration by the government as it respects the community and the great work it was doing.

Union's Annual Meeting. The first annual meeting of the Ontario Agricultural and Experimental Union opened this morning at Massey Hall at the O.A.C. There was a large attendance from all parts of the province and in addition the community who are taking the short courses at the college. In the absence of the chair, Hon. Nelson Monteith, the chair was taken by H. K. Revel of Goderich. Dr. C. A. Zavits presented the report of the secretary, which dealt with the activities of the union during the past year. During 1919 an extensive survey was made to ascertain

LACK OF NEWSPAPER HAMPERS WINNIPEG

Having No Dailies Causing Unrest and Stopping Business.

Winnipeg, Jan. 20.—This city is now beginning to feel the effects of the lack of a public utility, the daily newspaper. While the community suffers considerable unrest from the lack of its ready diffusion of news and the consequent development of all sorts of sensational rumors that always arise in a state of ignorance of happenings in the outside world, there is also a serious stoppage of business without newspapers. The Manitoba commercial interests are suffering to a degree, both from lack of reliable information, of confidence in the ready money and other business that accrues from the means to advertise the goods of the public. There is an uncertainty in the atmosphere in many branches of trade as a result of the community interest that is growing more intense and expensive as the prospects of the daily press seem farther off, owing to failure to adjust the differences at the Port Francis paper mills in order to get newprint for the publications of Manitoba.

SOLDIER THIRD VICTIM

Calgary, Alta., Jan. 20.—The body of E. W. Plim of Calgary, a returned member of the Hotel fire today. This makes the third casualty.

E. A. LASH MUCH WEAKER.

E. A. Lash, K.C., who has been seriously ill for some time past, was reported as much weaker and had lapsed into unconsciousness.

ADRIATIC QUESTION LEFT IN A TENSE SITUATION

Jugo-Slavia Makes Concessions, But Italian Premier Says His Offer Must Be Accepted—Supreme Council Disbands Without Settling the Problem.

Paris, Jan. 20.—The supreme council disbanded tonight without settling the Adriatic question. Signor Nitti, the Italian premier, declared that he stood by his ultimatum that if the Jugo-Slavs did not accept Italy's terms tonight he would withdraw his compromise offer, and that Italy will demand that France and Great Britain execute purely and simply the treaty of April, 1915.

The council this afternoon held a further discussion of Great Britain's ultimatum of her liability to send her quota of troops into the plebiscite areas. The discussion resulted in the council agreeing to send naval detachments to Memel and Danzig. No definite arrangements were made by the council before disbanding for terms of the Turkish, Adriatic and other problems to be handled by other means. It was indicated that the proposed conference of ambassadors would be empowered shortly to continue this work.

Before the council was finally adjourned, David Lloyd George asked (Continued on Page 7, Column 3).

FEAR THE LOSS OF OIL PROPERTIES

Bolshevik Advance Towards Caspian Threatens Interests of British Corporations.

Special Cable to Toronto World. BY YVES GUYOT. Paris, Jan. 20.—The presence of not less than six members of the British liberationists at the supreme council's meeting in London is distinctly visible in the publicity of furnishing the Caucasian republics of Georgia and Azerbaijan arms and money with which to fight the Russian Reds against the extreme gravity of the situation threatening British interests, notably the oil corporations in the near east.

SAY DRURY WILLING TO RUN IN RENFREW

Renfrew, Jan. 20.—(By Canadian Press)—A veritable bomb was dropped into the U.F.O. convention at Kinnville this afternoon, when A. E. Knapp, editor of the Amperior Watchman, announced that he had received the following telegram from Premier Drury: "Would be pleased to have you bring the matter before convention, as you suggested."

ONE YEAR FOR RIOTER

Winnipeg, Man., Jan. 20.—When the assizes opened today and the roll call of the jury men had taken place Karl Buesse, convicted of rioting and unlawful assembly during the early days of the June strike, was sentenced to one year's imprisonment.

NOT AN ORDINARY SALE.

Recently it has been announced in these columns that the W. & D. Dineen Company were holding a sale of men's heavy winter overcoats and fur arctic lined coats, fur caps, fur collars and fur gauntlets. That this sale is a success is proved by the number of people who took advantage of the low priced offerings. The rush on some of the days was so great it was hard to give proper service.

G.W.V.A. IS NOW FREE TO DEBATE POLITICS

Important Announcement is Made by the Dominion Executive.

Canadian Press Despatch. Ottawa, Ont., Jan. 20.—There is to be no restraint in future in the discussion of political questions at branch meetings of the G. W. V. A. throughout Canada. This decision was reached at the meeting today of the Dominion executive of the G. W. V. A. here, when the following resolution was adopted: "Whereas the Great War Veterans' Association stands first for Canada, and in the highest sense for the best interests of Canadians; and whereas the Great War Veterans' Association earnestly to discover and to disseminate the truth with reference to national questions; and whereas the free and open discussion of subjects of national importance is of advantage to our country at large;

"Therefore be it resolved that we, as members of the Dominion executive committee, Great War Veterans' Association of Canada, assembled do hereby endorse the general request of the members of the Great War Veterans' Association that the part of clause 77 of our bylaws which prohibits political discussion be deleted."

BOMB PLOT IN U. S. STOPPED BY RAIDS

New York Police Have Evidence of Projected Wholesale Assassination.

New York, Jan. 20.—A plot for wholesale assassinations by the distribution of bombs next May-Day, or the Fourth of July, is believed by the police to have been frustrated by the arrest in two raids yesterday of 18 extremists, said to be members of the Union of Russian Workers. Public officials, prominent citizens, agents of the department of justice and police were to be included in the "honorary list" of proposed victims, it is asserted. The police think the bombs were to have been sent by express or hurried by fanatics.

Material for use in the manufacture of bombs, including those of the pipe variety, was found. The Union of Russian Workers still exists, despite the deportation of Peter Bianki; his head here for years, and continues its conferences, it was stated, but since federal and police raids began each meeting had been held at a different apartment or private home.

Predicts Smuggling Liquor From Canada by Airplane

New York, Jan. 20.—Wholesale smuggling of liquor from Canada by airplane was prophesied today by Byron R. Newton, collector of the port of New York. He declared it would be extremely difficult to check such attempts over the 4,600 miles of Canadian border. He explained that a single airplane could carry nearly 2,000 pounds of contraband and land at some unfrequented spot, where the liquor could be transferred to motor trucks and brought under cover of darkness into thousands of communities. To prevent smuggling into the New York district his force would have to be doubled, the collector said, and a similar increase in the national force would be necessary to make the country thorough dry.

HOME RULE HOPEFUL

Have Captured Thirty-One Per Cent. of Seats and Unionists Twenty.

London, Jan. 20.—While the Sinn Fein is celebrating what it calls a victory in the Irish municipal elections, official circles in London profess to find in the election returns an element which makes the prospect brighter for a unified Ireland under the proposed home rule bill. This element is said to lie in the fact that the voting showed neither southern Ireland to be solid Sinn Fein nor northern Ireland solid Unionist.

AN OPEN RUPTURE ON RESERVATIONS NARROWLY AVERTED

U. S. Senate Rank and File Inclined to Take the Matter Into Their Own Hands. PLANS CONSIDERED.

Washington, Jan. 20.—Disagreements in the bi-partisan conference looking to compromise peace treaty reservations today brought the senate leaders' committee to the verge of a break and called a movement among the senate rank and file toward a different solution of the treaty deadlock.

Open rupture today of the leaders' committee was averted, temporarily at least, by passing over the dispute, on the day's reservation regarding the equality of voting in the league of nations. The bi-partisan conference will meet again late tomorrow, but with leaders of both factions doubtful as the possibility of ultimate agreement.

Two Plans Considered. Prospects for future action were considered today by the senate rank and file should the leaders' conference fail. Several of the "mild reservation" Republicans were said to favor a combination with the Democrats to bring the treaty again to the floor of the senate for open consideration of compromise reservations.

LLOYD HARRIS DEVOTES TIME TO OWN BUSINESS

Ottawa, Jan. 20.—(Special)—W. A. Naxon, Canadian trade mission, returned to London, England, in a few days as head of the Ontario mission pending the reorganization of the foreign trade departments here and abroad. Lloyd Harris, who established the European mission, will not return but will devote himself to his private business interests.

PROTECT FISH CANNERS

Ottawa, Ont., Jan. 20.—An order-in-council has been passed which protects Canadian canners of fish and shell fish by making it obligatory that all canned fish and shell fish imported into Canada must be accompanied by a statement sworn to at the place of origin as to the soundness of the product and sanitary nature of the canning process.

NEW CANADIAN CENT

Ottawa, Jan. 20.—Provision is being made for the raising of a Canadian cent. It will approximate the American cent in size.

TREASURY DIVIDED, CONTROL NOT WON BY SINN FEINERS

Have Captured Thirty-One Per Cent. of Seats and Unionists Twenty.

London, Jan. 20.—While the Sinn Fein is celebrating what it calls a victory in the Irish municipal elections, official circles in London profess to find in the election returns an element which makes the prospect brighter for a unified Ireland under the proposed home rule bill. This element is said to lie in the fact that the voting showed neither southern Ireland to be solid Sinn Fein nor northern Ireland solid Unionist.

SECRETARY U. F. O. DISCLAIMS ALL RESPONSIBILITY FOR FAILURE TO SEAT MINISTERS—DRURY AND DOHERTY BOOKED FOR HALTON AND EAST KENT.

Halton—Hon. E. C. Drury, East Kent—Hon. M. Doherty. Left Standing—Hon. W. E. Raney. The long-expected statement concerning seats for three Ontario cabinet ministers, viz. Premier Drury, Hon. Manning Doherty and Hon. W. E. Raney, has at least been issued. It does not tell Mr. Raney where he is to sit down, but informs the public that a third riding will be opened in the course of a few days, and "Mr. Raney's election will take place shortly."

FRENCH CABINET OUTLINES POLICY

Says Political Traditions Will Be Followed in Full Accord With Allies. DUTIES OF COUNTRY.

Paris, Jan. 20.—The new cabinet's declaration of policy, to be read to parliament Thursday, was submitted to the council of ministers tonight by Premier Millerand and received the approval of the council.

Moderate Opinion Prevailing. The Daily News says editorially: "In these municipal elections not only has Labor secured many seats, but Nationalism has come more resolutely itself as a formidable fighting body in part, that is no doubt due to real reaction against the Sinn Fein, and insofar as the Sinn Fein has come to the fore, it is well to note that the body of moderate opinion is growing up again, to which an appeal can hopefully be made to join in the work of assuring Ireland's foreign affairs."

Canada Prepares to Trade In Eastern States of Europe

Ottawa, Jan. 20.—(By Canadian Press)—A move for trade in the new states of Eastern Europe is indicated in the appointment of L. D. Willgren, formerly Canadian trade commissioner in Southern Russia, Rumania, Poland, and Jugoslavia and Czechoslovakia. The duties of Mr. Willgren will be to open up avenues of Canadian trade through this wide area, and to establish central bureaus.

Troops Guard Italian Depots In View of Railway Strike

Rome, Jan. 20.—The government early this morning sent troops to occupy the railway stations and guard them with machine guns as a result of the decision of the railway men to strike later in the day. Energetic measures are to be taken to maintain order. Gatherings of the populace have been prohibited.

THE CABINET SITUATION.

The dominating feature of the Ontario cabinet situation, including a delay of two months in getting constituencies for the three seatless ministers, has been and is today an organized effort of certain editors, professors and others, who did the best to elect the Hebert government, to prevent Gordon Waldron being the attorney-general in the U.F.O. government, by pressing the election of Hon. Mr. Raney. The editors of The Globe and The Star were two of the most active; you will find several of the others in the membership of The Canada First Club. At a dinner of the club it was categorically and imperatively given out that Waldron would not be the attorney-general, the former-elect and others who had worked for the cause at heart with Waldron for many years, held that he was the first and logical man for the post. In other words most active supporters of the Hebert government, workers for the defeat of the U.F.O.'s, are trying to direct the cabinet formation of the winning group.

DESPITE PREMIER'S EFFORTS SEAT FOR ATTORNEY-GENERAL STILL FAILS TO MATERIALIZE

Secretary U. F. O. Disclaims All Responsibility For Failure to Seat Ministers—Drury and Doherty Booked for Halton and East Kent.

Halton—Hon. E. C. Drury, East Kent—Hon. M. Doherty. Left Standing—Hon. W. E. Raney. The long-expected statement concerning seats for three Ontario cabinet ministers, viz. Premier Drury, Hon. Manning Doherty and Hon. W. E. Raney, has at least been issued. It does not tell Mr. Raney where he is to sit down, but informs the public that a third riding will be opened in the course of a few days, and "Mr. Raney's election will take place shortly."

The statement was issued at 4 p.m. yesterday by Hon. R. H. Grant, minister of education, and was handed only to "The Farmers' Sun" official organ of the U.F.O. and "The World" newspaper.

J. J. Morrison, secretary U.F.O., said he had not seen the statement before publication in that paper. As Premier Drury had repeatedly stated that it was up to Mr. Morrison to satisfy the long-felt want of seats by himself and his two confederates in the cabinet, this is rather significant.

SIMS CHEERED BY BROTHER OFFICERS

Says at Banquet Medals Are of No Value Unless Distributed With Discretion.

New York, Jan. 20.—Rear Admiral Sims was given an ovation tonight by several hundred of his brother officers of the army and navy when it was announced at a banquet tendered to general officers of the army and navy that the medals and other decorations, he would "in view of recent happenings," answer any questions which were put to him at the close of his address.

He refrained from all personalities and the only direct reference he made to his recent testimonies before a senate committee in Washington was the statement that he was embarrassed to "find myself referred to by a clever correspondent as 'The best British admiral in the American navy.'"

MEIGHEN IN QUEBEC

Ottawa, Ont., Jan. 20.—Hon. Arthur Meighen left tonight for Quebec where he is to be the chief speaker tomorrow at the annual meeting of the Canadian Shoe Manufacturers' Association.

Twenty constituents were placed at the disposal of this committee by members elected. In each case the committee gave careful thought to the matter, having in view various considerations which had to be weighed, and the committee also consulted the people who were immediately concerned, before coming to a conclusion. The committee has now successfully accomplished its work. With the two elections announced herewith and the one which will follow, the government will be in a position to conduct its preparation for the work of the session already well advanced, and to continue the separate for the session of business.

Mr. Morrison's Statement.
Mr. Morrison, who was seen by the "World" this morning, said: "I am glad that the government has come to a decision as to the issue to be decided. The premier's statement I understand has already been given to some. It will be no news to you, however, that from a majority will run in last night, the only price has been 100 per cent. less than the price to that of last week."

"I am now going to explain my part in the matter which has been mentioned. I was appointed to deal with the matter, and to that committee my name was added without consulting me, because of my wide acquaintance with the supporters of the U. F. O. in the country. I have gone over the list of names and the committee selected, that as all it is quite wrong to suggest that the country has been taken over by the U. F. O. It has been under the rule of the elected representatives of the people, who chose Mr. Drury as premier and Mr. Morrison as minister."

"Delay has been caused because we wished to secure the voice of the people rather than follow the old plan of executive domination. The press has incited impatience over the delay, but we think that adherence to this democratic principle established at the beginning of the election campaign, that 'the people shall decide' counts more than the adverse criticism that we have received."

Editorial, Farmers' Sun, Jan. 21.
"A Seat Must Be Provided."
It is imperative that a seat be found for the Hon. Wm. Morrison in the cabinet of the province. If the business of the country is to be carried on, in selecting Mr. Drury as premier, the seat of Mr. Drury was vacated by three main causes. He wanted a good lawyer, a man free from corporate entanglements, and a good fighter. In Mr. Raney he has found all three. His reputation as a lawyer is unquestioned. He has never accused him of being a tool of the 'big interests', and in so far as being a 'bona fide fighter' is concerned, he has only to ask the liquor interests, the race track ring and other lawbreakers to get an unbiased opinion.

"The objection that Mr. Raney is a Toronto lawyer and therefore should not represent a rural constituency is foolishness. It is true that in the past we have had too many lawyers in both our federal and provincial houses, but under our present system of administration, it is imperative that a lawyer have charge of the attorney-generalship."

"The U. F. O. members gave Premier Drury a free hand in selecting his cabinet and promised him their support in carrying on. It is therefore, imperative that someone should provide a seat for the attorney-general he has selected and thereby assist him in administering the laws of the province."

DRURY PROMISES GRANT TO MEMORIAL

(Continued From Page 1)

At the present addresses and occupations of the ex-students of the regular course of the Ontario Agricultural College. In this study of the relationship of the ex-students to agriculture it was found that four-fifths of all the ex-students of the regular course, 30 per cent. of the diploma men and 92 per cent. of the B.S.A. men were engaged in agricultural work.

Students' War Record.
It was learned that 78 of the students and the ex-students of the regular course had enlisted in the recent war, 239 became commissioned officers, and that upwards of fifty received decorations for services in the field. No less than 107 O.A.C. men lost their lives in the war, and in memory of these it is planned to erect a memorial hall on the college campus. The co-operative work in agriculture has been conducted for thirty-four years, during which time there have been 24,102 distinct tests made throughout the province. Each of these tests consisted of from three to ten plots.

President's Address.
Hon. Nelson A. McLean, the president of the Ontario Agricultural College, gave his address to the gathering, and was well received. He referred to the fact that there had been a notable falling off in the number of experimentalists during the period of the war, but evidence of a revival has been shown by the increased demand for material for experiments during the past autumn. He said that the crops throughout Ontario during the past year have been below the average, but higher prices have helped in a large measure to make up the loss. He had brought out little relief to the labor situation in rural Ontario. The retaining of those on the land who were the major born is the surest hope for Ontario's agriculture. To this end improved environment, shorter hours of labor and better pay are necessary.

Report of Zavitz.
Dr. C. Zavitz presented his annual report of co-operative experiments in agriculture for 1919, including tests of grains, potatoes, roots, fodder crops, hay crops, etc. The report was most exhaustive and complete one, and contained much valuable information to the farmer of Ontario.

Arrange Annual Sale.
A meeting of the Guelph Fat Stock Club was held today. Arrangements were completed for the holding of the annual sale of pure-bred cattle at the Winter Fair buildings on Wednesday, March 3. Jas. McDonald of this city and Captain Robson of London were appointed auctioneers, with W. J. Taylor and Roy Hindley as assistants. Various committees were also appointed. The secretary, J. M. Huff, states that he has already received 80 entries, which is almost a record, but it is expected that some of these will be culled.

Eliminate Scrub Bull.
Commissioner of Agriculture, Bailey expressed himself quite hopeful of success in the elimination of the scrub bull, to deal with the Ontario cattle-breeding associations have each selected one man, who, in addition to a man for each of the provincial and Dominion governments, will act as a council. At present all efforts are to be concentrated in six counties, widely spread, in which the agricultural representatives have been called upon to assist and formulate plans of attack. To overcome the difficulty where farmers are not familiar with the rules and regulations, individuality to make careful selections, a man who is a good judge of the breed is selected, and his services are to be at the disposal of the farmer at no cost.

Hundred Acre Farm Best.
One of the most interesting addresses of the afternoon was that of Prof. Leitch, the man who has carried out the enlightening rural survey in some counties of Ontario, who gave a summing up of his figures in comparing the dairy and beef industry.

In the figures presented it was clearly shown that a man with a hundred-acre farm in Oxford was better off than a man with equal area in Peel county. The reason for this was that the financial returns in the best of the county when the amount of investment or total capital was considered there was not much difference. Except in small farms the returns are better for milk farming than dairying if capital invested is the same.

Through his excellent address Prof. Leitch emphasized the fact that a farmer with over 100 acres in size was the most profitable and offered opportunities the smaller farm would not give.

A HEARTY RECEPTION
Williamson Road Home and School Club Entertains Mayor, Controllers and Aldermen.

A reception to the elected Mayor, board of control, ward aldermen and school trustees was given under the auspices of Williamson Road Home and School Club last night, when a large number were present and the auditorium was well filled with members and friends. Speeches were delivered by Mayor, Controller, School Trustees, Mrs. Courage, Dr. Beer and Alderman Mrs. Hamilton. Dr. Beer and Alderman Mrs. Hamilton, who were accompanied by Mrs. Courage, were warmly received by the recitations of poetry composed by herself, entitled, "The Future of Our Country." Mrs. Courage advocated more women on the board of education. Dr. Beer said he felt more confident in his capacity as a school trustee than being a member of the board of control.

John Henshall thanked and J. Leary expressed his appreciation to the speakers. Mr. Leary remarked that the association would keep a close watch on the board of education during the year.

Refreshments were served and the proceedings terminated with a social hour.

RIVERDALE RATEPAYERS.
Executive Committee Consider Further Data Necessary Before Joining Hospital Delegation.

Many matters of local interest were discussed at a well-attended meeting of the Riverdale Ratepayers' Association executive committee meeting held at Douglass avenue last night. L. W. Millen, president, presided. It was decided to ask the next regular monthly meeting regarding the new Greenwood avenue athletic ground. It was also decided to ask the board of control to meet one month in the evenings to receive deputations and to bring the question up at the next central council meeting for endorsement. Geo. Smith pointed out that larger numbers of citizens could join deputations in the evening.

Regarding the proposed hospital for Riverdale, the meeting felt that more details were required by the association before taking definite action, and declined to appear with the deputation at the City Hall.

It was decided to memorialize the city council to conscript all vacant lots for spring, and to interest the central council in the matter. It was also decided that the H. C. of L. was touched upon and as the feeling of the meeting was that the question concerned the provincial and federal governments, a separate organiza-

Men's Own Brotherhood Elects New President

The Men's Own Brotherhood of the Central Methodist Church has secured a new president in J. J. Noad, a prominent merchant in the Earlscourt district, who was elected to that office at a meeting held last night in the basement of the church. The executive committee was called together by the president, Rev. E. C. Hunter, when he found them that, owing to excessive work in the church, he would be unable to continue to take the lead in the Men's Own Brotherhood, with which he had been connected for nearly two years.

At the meeting, which was held in the working hand-in-hand with Rev. Peter Bryce, who is soon to relinquish his duties in the Central Church, having accepted a position with the Methodist Board. After some discussion Mr. Noad's name was brought forward, and on a vote he was elected to that office. He is doing excellent work in this district.

Anti-Vaccinationist Doctor Attacks Rockefeller Grant

That the anti-vaccinationist crusade must be carried into every part of the Dominion was the slogan of the Ward Six Anti-Vaccination League at a well-attended meeting held in the Church of Christ on Paton road last night.

Dr. Catto was in the chair and cited a number of cases coming under his own personal supervision in which ill-results had followed the use of vaccine. He attacked the Rockefeller gift of \$5,000,000 numbers in the interests of science, and charged ulterior motives.

Farmer C. Darroch spoke, and Alex. Craig, chairman of Ward Six anti-vaccination branch, made a vigorous criticism of the practice and said that the crusade against it would go on until the act was repealed all over the Dominion.

W.V.V.A. CHRISTMAS TREE.

The Earlscourt branch of the W. V. V. A. held their annual Christmas tree and entertainment last night at the headquarters, at Belmont Hall, on St. Clair avenue. All the children of Earlscourt and district, little orphans and soldiers' children, and others, all receiving invitations to take part. The large Christmas tree was placed in the centre of the hall, loaded with presents. After games had been played and songs had been sung, each child was presented with gifts from the tree, also candies, fruit and sandwiches. Several hundred children were present, and the whole affair was in charge of the Ladies Auxiliary of this branch, assisted by the veterans and executive committee.

RURAL HIGHWAYS

Townships on the Main Roads Fear Change in Queen's Park Policy.

Committees have been formed in the township bordering on the lakefront between Toronto and Ottawa to meet and confer on the question of securing and carrying out of the highway policy advocated by the late Ontario government.

Speaking to The World yesterday a Pickington man said there were indications that the gentlemen at Queen's Park were not so zealous in the importance of solving a high-class road outway from Toronto. He was surprised that Toronto, which in the form of appropriate and motor license fees, undertakes to pay with the front-end government, such a large share of the cost of highway building from Toronto, should not submit to the new policy which regards the highways east and west as of no more importance than township roads. There will be a conference in Toronto very shortly on this question."

HYDRO AT WOODBINE

Wires Are Now Being Strung and Work is Nearing Completion.

Good progress is being made with the Hydro-Electric street light installation in the Woodbine Heights district. The poles are erected, and a stringing of the wires will shortly be completed. The heavy snowfall of the past few days has practically tied up the district, and many residents have been unable to leave their homes.

During the height of the storm yesterday, the Danforth avenue civic cars took nearly two hours to negotiate the distance between Woodbine avenue and the eastern terminus. The snow-plows were continually in action, and a number of men were employed in

CIVIC ABATTOIR HEAD GOES TO ARGENTINA

Supt. Wright of the civic abattoir has resigned his position to take an engagement with a British meat firm operating in Argentina. The salary Mr. Wright will receive is about three times that paid by the city, and this will be supplemented with a bonus. Supt. Wright tried in various ways to put the abattoir on a proper financial sustaining basis, but, headed by executive Controller McBride, members of the board of control and council balked at any changes, and this year's council now has the problem to solve. Last year's board of control decided to authorize for a manager for the abattoir, and the problem is now up for settlement.

APPOINTMENT KEPT BY ALLEGED THIEF

Many men are known to have broken engagements, but Herbert Miller has an appointment marked in his pocket diary to visit the city hall on Jan. 21 that he will fulfill this morning. Miller was arrested at midnight in the Express Hotel, Yonge street, by Detectives J. McConnell and Stewart, charged with theft. He is alleged to have entered the hotel room of a woman and stolen a gold watch, a ring and sum of money, entrance having been made to the room by the use of a skeleton key.

The detectives stated Miller came here two days ago from the United States and registered at the hotel. He was known under the alias of McNeill. On searching the prisoner, McConnell and Stewart found the stolen ring in the lining of Miller's coat. The watch was found hidden under the bed mattress. A diary in Miller's pocket gave a list of the various cities visited

by him and the dates on which he made his visits.

According to the book, he intended taking a trip to the city hall this morning, but not under the circumstances that his trip this morning will be. Instead of strolling around the corridors of the hall, as originally intended, Miller will be escorted to the police court dock and charged with theft of the money and jewelry from the hotel room. The police, in addition to recovering the stolen goods, found the key used to unlock the door of the room from which he is alleged to have stolen.

TORONTO HONORS HEROIC WOMEN

Capt. Plummer and Lieut. Arnoldi Received at City Hall.

Toronto welcomed back home yesterday two young women who distinguished themselves in the war, Capt. Mary Plummer and Lieut. Joan Arnoldi.

Mayor Church on behalf of the city read and presented an address in which he said that Toronto would never forget the splendid services of Captain Plummer and Lieut. Arnoldi.

Brigadier-General H. Mitchell, speaking as a representative of the expeditionary force, said he believed it was the work of the Misses Plummer and Arnoldi and behind them the great body of women in Canada that had preserved the high morale of the troops.

Captain Plummer when called on thanked the dais and said she was greatly touched by the splendid reception and accepted the honor on behalf also of her subordinate officers and the great body of Canadian women who had performed useful

service in the war. The addresses she said would always be among her most treasured possessions.

At the close of the reception at the city hall yesterday Captain Mary Plummer, Lieut. Joan Arnoldi, Miss Church, Mrs. Van Koughnet, Mrs. H. D. Warren, Mrs. Stuart and Miss Fodger were special guests at the Women's Press Club, when tea was served and a delightful address on the Community Theatre given by Mr. Roy Mitchell.

IDA AT THE CITY HALL

BY IDA L. WEBSTER.

The smallpox epidemic still continues to be in the vaccinating state, and the travelers who would fly to warmer climates still remain in the Queen City and dodge snow flurries.

Miss Joan Arnoldi made an excellent speech at the reception tendered her by the city yesterday. Indeed she quite captured the hearts of the "hard-boiled" who are accustomed to such afternoon, so that she will ever be a most welcome guest in the council chamber of the city hall.

Sir William Hearst arrived at the civic reception to Captain Plummer and Lieut. Arnoldi a trifle late, and, therefore, found only a seat by the door vacant. What a difference a few short weeks make.

After looking over a few of the committee meetings in the city hall, we have finally come to the conclusion that we would not accept "Daisy" Chisholm's job if there was a thousand a month in it.

"REAL LIVE BABY"

Police Lay Charge of Running Lottery Against Frank Wightman, Ossington Avenue.

Frank Wightman, Ossington avenue, was yesterday summoned to appear in police court charged with running a lottery. According to the police Wightman conducts an orchestra and Monday night he gave a dance in the Masonic Hall, 888 Yonge street. He advertised in the evening papers that "a real live baby" would be raffled during the evening.

The advertisement used as a drawing card and all purchasers of a ticket, was entitled to a draw for the baby. Morality Officers Kerr and Massey would see the add, and curious as to the kind of a "baby" was raffled off, they attended the hall. When the lucky number was called out neither officer would see the "baby" ticket, but strained their eyes to see the baby. The baby when handed over to the winner was nothing more than a sucking pig.

HE BEAT T. S. R. Judgment was given yesterday awarding John McMahon \$100 damages in his suit against the Toronto Railway Company before a jury and Judge Denton in the county court. Plaintiff sued for \$1,065, alleged damages to his store on Ossington avenue when a street car jumped the track and crashed into the building.

WILLS AND BEQUESTS

Edward Coltripp Keefer, civil engineer, formerly residing in Ottawa, who died in Toronto on Aug. 5 last, left his estate, valued at \$21,000, to his wife, Mrs. Friede K. Keefer of Toronto. In addition, Mrs. Keefer also received \$40,000 under a settlement made at the time of her marriage to the testator on Feb. 24, 1915.

By a will executed on May 17, 1918, filed for probate yesterday, Jas. J. Battisby of Toronto, who was found dead in a theatre in St. Catharines on Dec. 12 last, left his estate, valued at \$10,041, to his widow, Mrs. Fannie Hanman Battisby of Toronto.

Nathan Brownstein and Ida Gordon have made application for administration of the estate of Abraham Brownstein, valued at \$7867, who died on March 29 last. The beneficiaries are Pearl Brownstein, living in Pruzina, Grodno, Poland, and a son and daughter in Toronto.

Major Charles Wellington Furlong, Boston, Mass, and Atherton Bernard Furlong, Cincinnati, will share equally in the estate of their father, Atherton Furlong, musician and artist, who died in Toronto on Oct. 18 last, leaving an estate valued at \$3655.

Mrs. Katherine Troman, 72 Wheeler avenue, sole beneficiary and executrix, has applied for probate of the will made Dec. 8 last by her husband, George Troman, a tailor, who died Dec. 12, leaving \$100 in the bank, \$150 in Victory Bonds, and \$1800 insurance.

DAIRY WOUND UP.

An order was issued by Judge Widdifield yesterday winding up the People's Dairy Company, of Toronto, for the purpose of reorganizing. N. L. Thorne is appointed provisional liquidator, with a reference to J. A. C. Cameron. The order was made on the application of the creditor, Peter Smith, of Brampton. The nominal capital stock is \$100 of which \$40,000 is subscribed and \$30,000 paid up. Executions to the extent of \$6,000 are said to be in the hands of the sheriff.

TORONTO SWISS SOCIETY.

The following officers were elected for the ensuing year at the general assembly of the Toronto Swiss Society, held Monday night: President, Prof. J. Cusin; vice-president, A. Imber; secretary, H. Brasseur; treasurer, A. Fletton; assistant, E. Wenger; controllers, H. Perrin and C. Winkelmann.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" identifies the only genuine Aspirin—the Aspirin prescribed by physicians for over nineteen years and now made in Canada. Always buy an unbroken package of "Bayer" Tablets of Aspirin which contains proper directions for Cold, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuralgia, Joint Pains, and Pain generally.

Tin boxes of 12-tablets cost but a few cents. Larger "Bayer" packages. There is only one Aspirin—"Bayer"—You must say "Bayer". Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing of Monachweiser of Barmbeideck. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross".

The sale of seats for those who do not hold exchange tickets for the Women's Musical Club concert will open next Monday at Massey Hall. RAILWAY TO BUILD HIGH LEVEL BRIDGE

City Wins Two Cases Before Privy Council, But Loses Third.

The privy council has allowed the appeal in the case of the Toronto Railway versus the corporation concerning the supply of street cars. The privy council dismissed the appeal of the Toronto Railway versus the corporation concerning the removal of snow from the tracks.

CAR FINE DISALLOWED

The privy council has allowed the appeal in the case of the Toronto Railway versus the corporation concerning the supply of street cars. The privy council dismissed the appeal of the Toronto Railway versus the corporation concerning the removal of snow from the tracks.

The decision of the privy council was that the fine was a penalty for a past offence it was unlawful in winning this appeal the railway company will receive also a large number of penalties which have been piling up.

The order fixing the company \$24,000 was made April 19, 1918, and was at the rate of \$1,000 for the previous 24 days in which the required 200 cars had not been supplied.

The order was that it constituted a penalty whereas the company should have been given formal warning that a fine of \$1000 a day would be imposed on the company for every day it remained in default.

"I don't think that new legislation is necessary," said the corporation counsel. "I do not think that the legislation is attacked in the judgment."

The city was represented before the privy council by its own legal staff. Mayor Church yesterday voiced his disappointment over the loss of the case in the following statement:

"It is high time the Ontario Legislature and the city council asserted themselves. We have been trying to get a better service from the Toronto Railway Company since 1911 and the legislature, the city council and the Ontario Railway Board have allowed the Toronto Railway Company to traffic with them."

"Our legal department should get results, or outside counsel should be engaged without delay. The S. R. have changed their counsel six or seven times and not results."

"I am instructing my department to make a new application, for a summary order for more cars, and for an order that the railway board send their officials out on the streets and regulate traffic and enforce the railway act."

"The board of control will deal with the matter, and I am going to move that the city confer with the Ontario cabinet with a view of getting some direct results, as the company have failed to obey the law courts, the legislature, or the railway board now for nine years."

"I am not attacking the department, but I desire some results, after years of litigation and effort by the department."

NATIONAL BOYS' WORK BOARD.
The sixth annual meeting of the National Boys' Work Board convened yesterday in the city, and was Canadian-wide in its representation. Secretary Taylor stated the figures of the year had a 50 per cent. growth in the movement.

DYSPEPSIA AND BUSINESS

They Don't Hit — To Be Fit and Yet Eat What You Like. Follow Your Meals with Stuart's Dyspepsia Tablets. No Gas, Sourness, Nor Heaviness of Indigestion.

Business men and women are apt to fall for the peculiar theories advanced by food faddists. But it is what you eat, but what you digest and assimilate that should command thought and attention.

Many physicians prescribe these tablets for indigestion, dyspepsia, and other digestive disorders, as they contain harmless properties that work with an alkaline effect just as the stomach does when in perfect health.

Get a 50-cent box of Stuart's Dyspepsia Tablets at any drug store. Eat all you want of what you like with no gas, no sourness, no heaviness, no coated tongue, no heavy, drifty feeling after eating.

POLICE ESTIMATES SHOW BIG INCREASE

Expenditure to Cost \$137,000 More Than 1919—Increasing Force.

The cost of administering the Toronto police department for this year will show an increase of \$137,000 over last year's expenditure. This information was made known by Chief Grassett at the close of the board of police commissioners' meeting yesterday afternoon.

On account of the board not arriving at a decision as to what increase in pay will be given, full details of the estimates for this year were not given out. Last year the estimate was \$1,164,333. On account of money appropriations made early in the year, all of this money was not expended, and a balance of \$60,073 was left over.

At present the strength of the force is 682 men. Prior to the war the strength was 700, and it is the intention to bring it up to 1000 men. The policemen have asked for an increase of \$50 a year to all ranks, but it is understood the board will not go further than half way in meeting the request of the men.

Awarded Merit Marks.
Plainclothesmen W. Ward and P. Clarkson were awarded merit marks for arresting burglars who conducted a number of robberies, some of the gang having been sent to Kingston for a term of two years.

Mrs. A. McKinley, whose husband was killed overseas, was appointed a policeman.

The police contractor stated that police helmets increased in price from \$3.75 to \$4.50.

A returned soldier wrote, protesting that the early closing bylaw was ruining his business. The chief said the board could give him no relief.

A taxi livery license was granted for a stand at the corner of Sherbourne and Queen streets.

A deputation from Main street opposed the granting of a second-hand license, and the matter was laid over by the board.

Employment Managers Hold Inaugural Meeting
If the enthusiasm manifested at last night's meeting of the newly organized Employment Managers' Association of Toronto, held in the I. O. O. F. Hall, 329 College street, can be taken as a criterion of interest in the work success is evidently assured for that body.

Philip J. Reilly, president of the National Association of Employment Managers of the United States, will be in Toronto shortly and will give an address before the local association.

The speakers at last evening's meeting were: J. H. Coffey, Jr., Gutta Percha & Rubber Co.; Mr. W. A. Clark, Willys Overland Co.; T. A. Stevenson, soldiers' civil re-establishment; G. W. Allen, Consumers' Gas Co. and others. In the absence of President E. H. Pringle, Mr. W. A. Clark, vice-president, occupied the chair.

MINOR ARRESTS
Mary Reid, 235 George street, was arrested last night by Detectives Williams and Winters charged with stealing an overcoat from in front of the store of Lois Lanasky, on East Queen street.

Charged with selling a bottle of whiskey for \$5, Wylis Johnston, colored, 55 Leonard avenue, was arrested last night by plainclothesmen Sullivan and Parrish.

On charges of shoplifting, Etie Jarvis, 41 Leonard avenue and Lucy Dainty, 273 West Richmond street, were arrested yesterday afternoon.

M.O.H. FEARS INFLUENZA.
Two deaths with influenza given as the cause were reported yesterday at the city hall.

Dr. Hastings expresses the fear that the city will experience a return of the epidemic this winter and he is taking measures to combat the disease.

Regarding a treatment, Dr. Hastings M.H.O., advises persons attacked by influenza to stay indoors, take a hot bath, take a laxative, to bed and call the doctor.

COMMUNITY SERVICE CAMPAIGN LAUNCHED

Club System Devised to Facilitate Collection for Needy.

What promises to be the easiest method yet devised for providing the budget for Toronto's charities and philanthropic obligations, was described last night at a gathering of workers assembled at the board of community service campaign for 1920.

The chairman reviewed last year's campaign, pointing out that the amount had been won by co-operation. It was the job of the gathering to go out and get the money needed. It was necessary to make the public think of that in giving to the federation they were helping 47 or 48 good works at the same time.

As a rule only 5,000 people in Toronto contributed to the campaign. To give many an opportunity it was proposed to get 10,000 contributors to form a Community Club with a yearly fee of \$3,000, to be paid in three monthly instalments.

The entire objective to be \$500,000. Sir Robert Falconer, who has had eight years' experience of the work of the University Settlement, pointed out that there were returns for money that could not be put down on the balance sheet.

He urged those present to go out and collect with assurance for those people would think kindly.

James Baird Laidlaw told of the work and needs of the Aged Men's and Aged Women's Homes and the Industrial Refuges. Mrs. H. D. Wren gave enthusiastic support and spoke of her comfort that had come to the work in which she was interested thru the budget of the past 12 months.

Sidney Small testified that channels had been opened in the work of the Big Sisters that could not have been done but for the assistance given. Comment was pronounced by Rev. H. H. Hincks, who pointed out, however, that his people were already pledged to certain separate work along denominational lines.

Job to Be Proud Of.
That he would distribute cards to his congregation and ask them to fill out was the promise given by Rev. Dr. A. C. Cayley, who though the campaigners should "be proud of their job." Rev. Father Bench, superintendent of Catholic Charities, pointed out what the federation has already done by bringing a different religious denomination into co-operation and brought the message from Archbishop McNeill that had his entire endorsement. Father Bench felt the federation would meet with success.

The campaign will be held on January 27, 28 and 29, and something of the objects it will serve may be judged by the following list:

Seven hundred and sixty-eight aged people; 1,000 families needing help; 500 delinquent boys; either sick or in danger of becoming so; 783 children supported in orphanages; 120 feeble-minded girls; 361 unmarried mothers and their children; by visiting nurses to the tubercular, sick and to maternity cases; 208 children of working mothers cared for during the year.

NEED SIGNAL LIGHTS
Coroner's Jury Suggest Street Cars Have Same Emergency Equipment as Railway Trains.

"That Hugh Mulholland came to his death on Jan. 16 at the corner of Adelaide and Dundas streets, by being caught between two street cars operating the couplings," was the verdict of the jury at the morgue last night.

The jury also attached the following rider to the verdict: "We would strongly recommend that a signal light should be attached to the system as adopted by the railway trains."

Mulholland was the motorman of a Harbour car, which stalled on the night of Jan. 15 during the heavy snowstorm. Mulholland and a conductor were coupling the car with another when a third car ran into it, crushing Mulholland.

NEW REVOLVERS FOR POLICE
Fifty new Colt revolvers, to be issued to plainclothesmen, have been received by the police department. Yesterday afternoon Deputy Chief Dickson issued a number of the revolvers to the men. Owing to a delay by the manufacturer, the full number of holsters ordered have not been furnished, and until they are the full issue of Colt guns will be upheld.

CHARGED WITH NON-SUPPORT
James Bruce of Hamilton was arrested yesterday afternoon by Detectives Murray and Crowe, charged with non-support. Bruce is alleged to have left his family in Hamilton, and was proceeding to the northwest when the detectives arrested him. He will be taken back to Hamilton for trial.

AT WOMEN'S PRESS CLUB.
Roy Mitchell, superintendent of the Hart House Theatre, gave an illuminating address on the "Community Theatre" at the Women's Press Club yesterday, in which he explained the larger advantages that come to the public thru this form of entertainment and the possibilities for developing dramatic talent in the community.

ANGLICAN FORWARD MOVEMENT.
The members of the Anglican Church will hear a series of addresses on the Anglican Forward Movement in the Convocation Hall on Friday evening next at 8 o'clock from two outstanding speakers, Bishop Brent of the diocese of Western New York, and the Hon. and Rev. Dr. Cody. Admission will be by invitation only, and the meeting will be under the auspices of the students of Trinity and Wycliffe Colleges. This will be the first occasion on which Bishop Brent will speak in his native country since his return from the war.

TRUSTEES CLASH

Lecture by American Professor of Optometric Considered Piece of Advertising by Dr. Hunter.

A clash between members of the board of trustees of the Toronto Eye Hospital occurred when permission was asked by Prof. R. C. Augustine of the Illinois School Board Association, who is also president of the Optometric Association, and in attendance at a convention, to address Toronto pupils on the "Hygiene of the Eye."

Dr. John Hunter considered the matter a piece of advertising and was not in favor of the visiting professor being allowed into the schools for lecturing purposes. Dr. Noble looked upon the matter differently. Professor Augustine was given a hearing at Harbour Collegiate, when Principal Hartigan commented upon the address as particularly fine and in line with work the pupils were studying.

At Humberstone Collegiate Principal Colbeck was asked by Dr. Hunter to let the professor address his pupils. Noble, chairman of the board, gave permission and it is said arranged the meeting. Dr. Hunter had been appointed as one of the trustees to settle into the matter, hence his interest.

CITY HALL NOTES

According to Mayor Church, the new reception hospital which has already been provided for by council will be built with as little delay as possible. A site has been secured, and will be made known in a few days.

"An effort," said the mayor, "will be made at the next council to adjust the cost with the provincial government."

Commenting on Mr. Justice Hodgins' report on the reception hospital, which is to be built on the site of the former St. George's hospital, Mayor Church said: "It is a good report as far as it goes, but the judge has not considered the question that these are provincial institutions, and should be erected and maintained by the province. That is how the provincial government for the past 25 years has escaped its responsibility for these institutions. Commissioners have been appointed, and an act passed, saddling the cost on the city of Toronto."

The committee on parks and exhibition grounds appear to have purchased two and three-quarter acres of land from Sir Henry Pellatt, located east of Crawford street and north of Bloor street, for \$250. It is understood that Sir Henry paid \$25,000 for this land in 1913, and is therefore a loser by the deal.

The committee also approved an interim appropriation of \$107,413 for current account.

It was decided not to renew the lease of Island lot 634, on Lake Shore avenue, as this property is required in connection with the island boulevard scheme.

SMALL STORES SCORE EARLY-CLOSING BYLAW

Order Creates a Monopoly and Prohibits Business of Many Merchants.

A largely-attended meeting of retail fruit merchants and grocers of the city was held last night in St. George's Hall, Elm street, to protest against the early closing bylaw. J. W. Waterbury, K.C., M.L.A., who is fighting the bylaw for the merchants, was on hand to advise the meeting on different points, and that there would be no lack of evidence at the coming hearing of the application for the rejection of the order. He said that a great many of the names obtained to the petition which had been gotten up to introduce the bylaw had been obtained by misrepresentation. Two good points of law that would uphold the objection, he said, were that the order was creating a monopoly and prohibiting the business of a merchant who did most of his trade in the evening. A representative of the Citizens' Liberty League was on hand to assure the meeting of the league's support in their fight. The order, he said, was only a symptom of the epidemic of compulsion that has spread through the province in the last few years.

LADY WALKER BETTER
Lady Walker, who was taken suddenly ill at her home on St. George street on Sunday evening, is, it was announced yesterday, suffering from a bad chill, which, it was feared, might develop into pneumonia. Yesterday she showed improvement, and the high temperature which accompanied the first appearance of the illness was considerably lower. The pneumonia signs have fortunately not developed.

Miss Walker, who was out of town when Lady Walker returned, soon as to be with her mother.

DEMAND FOR MACHINISTS.
So great is the demand for skilled machinists in Toronto and other centres in Ontario that the business manager of the Mackenzie's Union in Toronto, Herbert Lewis, has had to insert advertisements in the daily papers calling for men at the highest wages. Mr. Lewis stated last night that the union was calling upon men with reduced wages to get in touch with the union and accept jobs at union and therefore much higher wages. This was evidence of the situation so far as highly skilled men were concerned. Mr. Lewis stated he had demanded all the time from Oshawa, Brantford, Hamilton, Galt and other industrial centres, and that the general situation was better than during many previous years.

Unemployment among the carpenters is also reported as below the average, and officials stated that had it not been for the present, inclement weather the situation would be even better.

MACDONALD TO SPEAK.
John Macdonald, the well-known labor leader and President of the labor representation committee during the recent municipal campaign in Toronto, will address Local 1,905 tonight. Arthur Boockwa was to have addressed the meeting, but pressing business prevented his keeping the appointment.

CONSIDERING INCREASES.
Cutters in the boot and shoe trade are considering a new agreement. This may embody increases up to 40 per cent. If signed, such an agreement would give the cutters a dollar an hour with a 44-hour week.

ROBERT H. TEMPLE LAYS DOWN BURDEN

Past President of Toronto Stock Exchange Dies, Aged 79.

Early yesterday Robert Hamcock Temple, past president of the Toronto stock exchange in 1900 and 1905, died at his residence, 25 Chicomora avenue.

The late Mr. Temple was 79 years of age and was born in Quebec. He was the son of Major Henry Temple, of H. M. 15th Regiment of Foot, who was an Irishman from Watstown and who married the daughter of the late Jonathan Sewell, chief justice of Lower Canada.

The late Mr. Temple was educated in Quebec and studied law, afterwards entering the civil service. Upon confederation of the provinces he was transferred to Ottawa and later came to Toronto. He left the civil service in 1870.

The late Mr. Temple was an original charter member of the Toronto stock exchange and prior to becoming president he served as vice-president for two years. It was in 1874 that he was elected a member of this exchange. He was a lover of sports and at one time was a member of the R.C.Y.C. In religion he was an Anglican, being a member of St. Paul's Church, and in politics was always known as a

COUNCIL OF WOMEN

Committee Chosen to Discuss Matters Pertaining to Juvenile Court.

As a result of communications between the Local Council of Women, Hon. W. E. Raney and the judge of the juvenile court and in response to a letter from Judge Mott in which he asked for representatives from the Women's Council for the purpose of discussing with them matters relating to the court, a committee consisting of Dr. Margaret Patterson, Mrs. Sidney Small and Mrs. W. R. Becker, was appointed yesterday at the meeting of the Local Council of Women held at the Sherbourne House.

It was also decided that co-operation should be given to the work of the Municipal Voters' League.

At the request of the United Women Voters it was decided to hear a speaker on "Community Kitchens" also to support Aid. Honeyford's motion for a change in the day of municipal elections. The action of the national council in regard to the criminal code was also endorsed. It was announced that the executive of the national council would meet in Ottawa Feb. 24, 25, 26 and that the national council would meet in St. John, N. B., in June. The agenda for the executive meeting was discussed. Seven new members were received, nomination for officers to be elected at the annual meeting to take place next month were made. Lady Falconer was in the chair.

VACCINATION TRUTHS

Here's the opinion of another GREAT SANITARIAN on Vaccination:

Dr. John W. S. McCullough,
Provincial Board of Health,
Toronto, Ontario.

My dear Dr. McCullough:

In response to your letter of December 29th, I have to state that vaccination protects against smallpox, and that the only way to accomplish the blessings of this prophylactic measure, which was the first and is still the best of our specific preventives, is through general vaccination and revaccination. This can only be accomplished through compulsory vaccination.

My views in full will be found in the article on "Smallpox and Vaccination" in my book on "Preventive Medicine and Hygiene."

Very truly yours,
M. J. Rodman

DOES VACCINATION CAUSE SYPHILIS? New York is the second largest city in the world and it is estimated that from 8 to 10 per cent. of the population has Syphilis. Consequently, New York affords a wide opportunity for the study of this disease. See what one of the greatest authorities upon this disease, the Professor of Syphilis in Columbia University, has to say about Vaccination and Syphilis:

JOHN A. FORDYCE, M.D.

Dr. John W. S. McCullough,
Chief Officer of Health,
Toronto, Ontario.

Dear Dr. McCullough:

This is in reply to your letter of December 29th regarding the possibility of conveying syphilis through vaccination. I have never in my experience seen a case of syphilis conveyed in this manner and do not believe that such a mode of infection is possible. It can only occur by vaccinating several people with the same instrument and conveying the syphilitic virus from one individual to another in this manner. If individual needles are used for each patient this possibility could be entirely avoided.

With very kind regards, I am
Sincerely yours,

J. A. Fordyce

Facility of Appeals

The farce of going to London to settle the question of how we shall clean the snow off our streets has ended unexpectedly in favor of the city.

The Australian commonwealth extracted a reluctant assent from Joseph Chamberlain on this point and are now able to settle their local affairs at home.

When the legislature was composed largely of lawyers this state of affairs was natural.

Success of Proportional Representation

A fairly satisfactory trial has been given proportional representation in the municipal elections in Ireland.

This is what proportional representation stops completely. And this also is why the old line parties and machine politicians oppose it.

ST. MONICA'S SCHOOL

Editor World: In your issue of Jan. 19 there appeared a very pathetic letter from "Jacob," in reference to the fate of St. Monica's Separate School.

They also know that the same two men are able to hold their own in any company and in any capacity, and are among the largest contributors via taxes to North Toronto Separate School, and who, if they were on the city separate school board, would see that a large amount of money not now received from vacant land in North Toronto would find its way into the separate school treasury.

LIEUTENANT-GOVERNOR CLARKE EXPLAINS

Editorial, Farmers' Sun, Jan. 21.

A few evenings ago Lieutenant-Governor Clarke, in an address before the Rotary Club of this city, took occasion to express with outspoken frankness his opinion regarding the Government House question.

This is an extraordinary statement for a lieutenant-governor to make and an explanation from him to Premier Drury and his cabinet was to be expected.

In some quarters there is a disposition to regard the matter as of trifling importance and the suggestion is made that the lieutenant-governor was speaking as an ordinary citizen, and therefore has as much right to free speech and the expression of his opinions as any other individual.

Do You Believe Jesus?

ELDER JENSEN SAYS: A good Presbyterian divine recently said to me: "A deep consciousness of God is the dire need of the hour." His conclusion is correct. An intensified sense of responsibility to the Most High is the only thing that will turn the human race from the idols money and fun to orderly, sober living.

A prayer book before me defines God as a being "without body, parts and passions." Col. Ingersoll said of this definition: "You cannot find a better word painting of a vacuum." Can his statement be gainsaid?

The Church of Jesus Christ of Latter Day Saints teaches what the Bible declares, that God is a tangible person, in whose "image" and "likeness" man was created (Gen. 1). She stands with Paul in the declaration that Jesus, who, after the resurrection, had a body of "flesh and bones" (Luke 24), "is the express image of God's person" (Heb. 1). She explodes the false doctrine of the trinity formulated at Nicaea. She affirms what the Bible plainly teaches, that Jesus who was seen "standing on the right hand of God" (Acts 7) is not and cannot be the same person as the Father; and that the Holy Ghost is a third distinct person in the trinity. These three are one in purpose and not in personal identity (John 17).

Curling Tankard Results

PARKDALE IN FINAL WITH THE GRANITES

Granites and Parkdale are left to play the final in Ontario Tankard Group No. 1 this afternoon at High Park. Weston defaulted to Queen City, Toronto and Parkdale had been in the first round.

Granites and Richmond Hill thus played the only game in the morning, the curlers in the morning, and the score on the suburban curlers. In the afternoon Parkdale went on the ice for their first game of the year, and Bill Scott and St. Andrew's both put up good articles and defeated Weston and Scott off. On the other sheet it was different. Dr. Burns and Brother John made a runaway race with General Rennie, while R. B. Rice showed a long way in front of Charlie Bulley. The parson, however, had the largest margin, and thus Granites defeated their friendly rivals and good neighbors by one shot. It should be mentioned that Skip Bulley left his last stone unplayed, with his rival coming two shots. The ice was keen and true. Following are the scores:

PARKDALE DOWNED AFTER A BATTLE

Varsity Have Two-Goal Margin in Interesting Junior Fixture.

Varsity and Parkdale staged a junior game at the Arena last night and supplied a mere handful of fans with a hotly contested fixture. Varsity bobbed up and down, but finally won by a goal of batting.

The puckers staged a great rally in the third box, came from behind, tied the score and saw Varsity slip away from the press and grab two goals. Then Varsity stalled off the west enders for a few minutes, remaining in a state of indecision. The passing attempt was not accurate and made it look rather poor. Then came the last goal, and both clubs jammed a lot of high session. Rush after rush was opened up and the passing all that could be done. Three men would go down New Hamburg and then the puck was close to clean, and it provided some bright bits.

There was little to choose between the teams. Each club scored twice in the first period, Varsity had the edge 6 to 4 when they rested the second time. Parkdale defended the puck well and three goals each were the tally for the final twenty minutes.

Walters was the star for the winners. He broke with a dash and went right in and packed a hard shot. Grey was very useful forward with his persistent checking, and he also remembered to pass the puck. Gordon and Armstrong were good in spots, especially in the Parkdale. Sider was the pick of the Parkdale forwards. He checked every minute of the game, broke nicely and bored well in. Bond was very active and Haloran checked nicely. Malton was a great rusher and dangerous at all times. The Parkdale defence had a tendency to back in on their goal, and the rest of the early Varsity goals were the result of the teams.

The teams:
Varsity (9): Goal, Croft; defence, Walters, Whittier, Croft, Armstrong, Wright, Malone; centre, Bond; forward, Walker, Malone; centre, Bond; defence, Haloran; left, Sider; subs, Cotton and Bowler.

Referee: Bobby Hewitson.

BUBB KERR, OF MONTREAL, IS PRESIDENT

ATHLETIC LEAGUE OF CANADIAN Y.'S Delegates From All Over Dominion Complete Business at Annual Meeting—Reports and Events Receiving Official Sanction.

The annual meeting of the Athletic League of Canada was held at Centre M.C.A. yesterday. The delegates from the country were represented by the following delegates: Ralph H. Dawson, Montreal; G. Heywood, Sherbrooke; W. J. Young, Westmont, Que.; J. W. Wilson, Kingston; H. A. Pearson, Vancouver; Chas. H. Butcher, Halifax; W. S. A. McLeod, Charlottetown; Fred G. Fowler, Hamilton; W. J. Holliday, Sydney; Thos. W. Stafford, Toronto (West End); David Allan, London; W. D. Nicol, Toronto (Broadview); C. G. Heintzman, Toronto (Broadview); F. S. Beckwith, Peel Centre; Fred J. Smith, Toronto; Geo. Gouling, Toronto (Centre); Richard C. Sidelus, Charlottetown, P.E.I.; Y.M.C.A. of Central Y.M.C.A. of Ontario; Brent, Calgary; J. H. Crocker, Winnipeg; P. F. Dingman, Orillia.

Mr. Ralph H. Dawson of Montreal occupied the chair. The greater part of the session was taken up with the discussion of the secretary's report, which showed great activity in Ontario and the Maritime Provinces.

The secretary's report brought out the following figures: Total membership, 65 Y.M.C.A.'s in Canada with a membership of over 40,000, of whom over 20,000 are actively using the physical department; there are 50 gymnasiums, 43 swimming pools and 22 athletic fields in spots, especially in the Parkdale.

The annual Hexathlon competition of 1919 had over 200 competitors taking part in the Junior and senior events. The present membership of the league includes 26 of the strongest and leading Y.M.C.A.'s in Canada. During the past year the interest in the league has been greater than ever before. Events sanctioned for the near future are as follows:

In New Brunswick.
Y.M.C.A. wrestling championships, Moncton, Jan. 21-22.
Y.M.C.A. swimming championships, St. John, last week in March.
Senior track and field championships, Moncton, last week in March.
Senior track and field championships, Nova Scotia and Prince Edward Island, Dunlop five-mile team road race for the basketball and the first tournament will take place in Hamilton in April.

The Branches.
Reports were received from the different branches, as follows: Manitoba and Saskatchewan by J. H. Crocker, Winnipeg; Nova Scotia, W. J. Holliday of Sydney; British Columbia and Alberta, Stanley Brent, Calgary; Prince Edward Island, A. McLeod, Charlottetown; Ontario, Fred J. Smith, Toronto; All spoke of the revival of athletics in the different communities. Mr. McLeod stated that the Athlétisme Club of Charlottetown had remodelled its athletic field and had secured a strong team for the most active season in its history. The Y.M.C.A. of New Brunswick had been granted a new lease of the athletic field and are planning to put it in first-class condition. In the Maritime Provinces, a strong program, Mr. Brent stated that the Y.M.C.A. of Alberta had thrown their strength in with the other Y.M.C.A.'s of the province. Strong resolutions of support were passed by the league and the federal department of health were unanimously approved.

The following officers were elected: President, Robert Kerr, Hamilton; vice-president, W. S. A. McLeod, Charlottetown; secretary, Fred J. Smith, Toronto; treasurer, Walter Bevan, Ontario; and national secretary, Walter Bevan, Ontario.

Canadian Y.M.C.A. swimming championships, Central Y.M.C.A., Toronto, April 2-5.
Business men's volleyball championship, Hamilton Y.M.C.A., April 2-5.

Senior track and field championships, West End, Central and Broadview Y.M.C.A.'s, Ontario, and Hamilton, Broadview field, May 29.

Ontario Y.M.C.A. track and field championships, Central Y.M.C.A., Toronto, April 2-5.

SCOTCHMEN BEATEN BY ST. MICHAELS

St. Michael's defeated St. Andrew's College by three to two in the prep. college junior game at the Arena yesterday afternoon. It was a nip-and-tuck struggle, the score would indicate, and St. Michael's scored the winning tally a minute before full time.

St. Andrew's scored their two counters in the opening period, by beating Lurch and with two long shots. After this they were checked closely and didn't get to close quarters often enough to cause any trouble.

The team play in the early stages was nil, but the Irishmen smoothed away trouble, and the score was only the twenty minutes, and it was only the grand goal-tending of Cameron that kept them from getting ahead. Some clever center work was shown by Lurch and he led the attack on the Scotch.

Rice, Latchford and McComber gave Lurch able assistance, and the Scotch defence was always strong, but the checking of Munroe very crude and unnecessarily severe. Lurch made some good stops, but was weak on the long ones. He saved from the Scotch on three occasions in the last period, and a goal might have meant the game.

Stirrett and Findlay were best for St. Andrew's. The checking was close at all times.

The teams:
St. Michael's—Goal, Loranger; defence, Munroe, Latchford; centre, Lurch; right, Killen; left, Rice; substitutes, Latchford and McComber.
St. Andrew's—Goal, Cameron; defence, Sver and Stirrett; centre, McLeod; right, Boyd; left, McPherson; substitutes, Findlay and Lurch.

Referee, Steve Vair.

Guelph Unions Coming From Group No. Ten

Guelph, Jan. 20.—The Guelph Union Curling Club will represent Group 10 in the Ontario Tankard, to be played here in Toronto. They won the final game against Ferguson here tonight by four shots after a close game, which was not decided until the last stone was played.

O. A. C. of Guelph defeated McMaster by 3 to 2 in an intermediate inter-collegiate game at the Arena yesterday afternoon. The future farmers had to score two goals in the last five minutes and one of these tallies was one that was disputed.

ONE-GOAL VICTORY. Vancouver, B.C., Jan. 20.—Vancouver batted his own trap last night when it scored two goals in the first five minutes of play against Seattle. It was applied to the millionaires, and while they were basking in the glory of the satisfying result, the Metropolitan jumped in with an offensive under which the local team never recovered. Seattle won 5 to 2, three of which were scored by Frank Foyston, the star of the night.

SEAFORTH BEAT MITCHELL. Seaforth, Jan. 20.—In an O.H.A. intermediate match, played here tonight, Seaforth defeated Mitchell in a fast game by a score of five goals to nil. There was no scoring in the first two periods and for Seaforth in the last period. The referee was Tom Edmunds of Stratford.

BENNY LEONARD AND JOHNNY DUNDEE. New York, Jan. 20.—Benny Leonard, world's lightweight boxing champion, and Johnny Dundee of New York, will meet in an eight-round bout in Jersey City, February 3. It was announced tonight. The pair were to have met at New York on January 16, but the authorities, after a conference, decided to postpone the fight, classifying the contest as a "prize fight." No decisions are permitted in New Jersey.

SWIMMING AT WEST END Y. There are ten big numbers on the program of the monster swimming meet to be held at the West End Y. M. C. on Friday night, but the one big feature which is attracting the attention of every swimmer in the city is the match race of water polo between West End and University of Toronto. These two teams met at the University of Toronto last week, and after playing two eight-minute halves of the fastest imaginable water polo they finally emerged with the score tied at one goal each. The same team that lined up against Variety at 10 o'clock last night was only two hours overdue, while the G.T.R. New York express was only 40 minutes late; the C.N.R. from Parry Sound was nearly three hours late, due at 7.50 p.m., and arriving at 10.50 p.m. while the C.P.R. from London due at 9 o'clock was practically two hours late, and the G.T.R. from Stratford two hours and 20 minutes behind time.

PRESENTATION TO CHAMPION SKATER. On Monday afternoon, F. J. Robson, the champion skater of Canada, was conferred the honor of being named as champion of the city by the Mayor and City Council. He is superintendent of the Mason & Rich piano factory, and was presented with his trophy by Mayor H. H. Hunt, Mayor C. Jenkinson, Mayor A. Flint, Mayor C. Cronin A. Ewins.

MILTON INTERMEDIATES WON. Milton, Jan. 20.—In the intermediate O. H. A. game at Milton the score was 9 to 8 in favor of Milton. Line-up: Seaforth (9)—Goal, Barnett; defence, Chisholm, Durand; right wing, Parlow; left wing, Buck; centre, Jones. Subs, Taylor, Kentman.

PARRY SOUND WON. Parry Sound, Jan. 20.—Parry Sound defeated Depot Harbor for the third consecutive time in an O.H.A. intermediate game here tonight by a score of 2 to 2, thereby winning section B of group 16. Good, clean hockey was played throughout, but the locals displayed too much of a "home" feeling.

STORM MODERATE, SAYS OBSERVER

However, Trains Are Delayed and Pedestrians Blinded by Snowclouds.

Sir Frederick Stupart, director of the Meteorological Station, Toronto, stated to The World last night that yesterday's storm was nothing out of the ordinary, altho the present winter to date had not shown any indications of being an open one.

Passenger trains all along the line, north, south, east and west, labored heavily and gave the impression to travelers that it was hard going no matter what opinions experts in the weather profession might hold.

The C.N.R. Winnipeg special due at 9.20 p.m., the C.P.R. Winnipeg due at 4.10 p.m. arrived five hours and 20 minutes behind time. All local lines north of Guelph were so blocked that traffic was suspended through the day and will remain so until some time today.

The Detroit C.P.R. special due at 10 o'clock last night was only two hours overdue, while the G.T.R. New York express was only 40 minutes late; the C.N.R. from Parry Sound was nearly three hours late, due at 7.50 p.m., and arriving at 10.50 p.m. while the C.P.R. from London due at 9 o'clock was practically two hours late, and the G.T.R. from Stratford two hours and 20 minutes behind time.

Torontonians were luckier at home than abroad, practically all the street railway services being fairly well on time. There were delays on the Metropolitan and Scarborough divisions of the Toronto and York system. The delays in the Metropolitan were everywhere from 20 to 40 minutes, these being due to greasy rails than to banked snow.

Weather experts placed the wind velocity at a maximum of 34 miles an hour. Danforth, Mimico and the lakes and fourth civil lines and the Kingston road line, these were of small moment, and service in this district was well maintained.

The heavy snowfall of yesterday, more or less accompanied by winds that blew the old and new snow in drifts, played havoc with the property of the province and greatly held up the railways. The temperature varied, but inclined to cold. At times in places there was much snow on the roads, and at times the air was banked with driving clouds obscuring everything fore and aft.

High Wind. Weather experts placed the wind velocity at a maximum of 34 miles an hour. Danforth, Mimico and the lakes and fourth civil lines and the Kingston road line, these were of small moment, and service in this district was well maintained.

Simpson's Salons for Imported Gowns

Women's Sumptuous Black Velvet Gowns For Formal Wear

Every woman concedes first place to the black gown for evening wear — she knows how eminently and invariably becoming it is. And, when such a gown is of panne or chiffon velvet, whose mirrored lustre and supple richness are par excellence, it gains added charm.

The black velvet gowns we are now showing for your choosing are distinctive, individual designs, to which regal magnificence is given by supple draperies, bodices in cloth of gold, or girdles and tassels of gleaming jet. Choose from an exclusive group priced from \$100.00 to \$200.00.

One glorious dinner gown in black chiffon velvet, has its long, low-cut bodice veiled in sparkling jetted net, a girde of golden ribbon and a corsage poppy of metal cloth shading from silver to gold. Price 150.00

Glittering gold threads lavishly embroider the georgette-paneled bodice of a beautiful afternoon gown in black chiffon velvet. The Russian blouse back, short sleeves that end in bell-cuffs of black georgette, and pipings of gold ribbon complete the charming effect. Price 200.00

By way of departure, one could choose nothing lovelier than an evening frock of rose silk velvet in whose ultra-simplicity lies its witchery. The low cut cross-over bodice is caught behind with a velvet knot at the long waistline, at the front with velvet morning glories. The skirt is softly draped. Price 100.00

Tricolette and Paulette Frocks

Are Growing in Popularity and Fashion Stresses Them More Strikingly Than Ever for Spring Wear.

Just now our salons are showing a noteworthy assemblage of these handsome dresses—individual models of distinction in women's sizes.

TAILORED STYLES that rely alone upon the charm of their silken fabric, but for many, many severe little buttons and perhaps a tasselled cord girde.

AFTERNOON AND INFORMAL DINNER DRESSES. Weighted with jets, encrusted with handsome embroideries or combined with lustrous satins.

Colors emphasize navy, brown and black. Prices \$55.00 to \$87.50.

Rugs in From the East

Last week, in the play house, Toronto gained a vision of the gorgeous lights and colorings of the East. This week, a more permanent reproduction of Oriental design and coloring may be obtained in a new shipment of rugs which has just reached us from the far East.

This collection contains rug specimens that the connoisseur will delight in, and yet all are fitted for purposes of utility in the household.

All of These Rugs

are of designs and colorings most suited to the requirements of the later, furnishing schemes.

Medallion designs on rose and cream grounds, and small designs. Delightful colors. A few darker colorings, including old style Turkey red and blues, for dining-room, or library use.

Small Akbar Rugs, \$28.00, \$40.00, \$68.00.
