- 2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.
- 3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-Laws, nor any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect, notwithstanding such dissent.
- 4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.
- 5th. All members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.
- 6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and the Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.

- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

PRAYERS

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord in all our doings, with Thy most gracious favour and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessings the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all, for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; thy kingdom come; Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

In presenting the 28th Annual Report the Executive Committee desire to acknowledge their gratitude to Almighty God for the blessings which He has granted to our Church and Country during the past year. Through His mercy we have been thus far protected from war and pestilence. To Him be honor, and praise, and glory for ever.

The Committee have endeavored, to the best of their judgment, to carry out the objects of the Society with the funds placed under their control. They cannot but regret that these means have not been sufficient to meet all the demands for aid in the support and advancement of the Church.

The Committee, thinking that the greater part of the income should be devoted to the support of missionaries, have been able to make but few and comparatively small grants toward the erection of Churches and Parsonages.

The reduction of the Block sum of S. P. G. below the amount required to pay the Clergy on that list, has caused the necessity of a special appeal to the churchmen of the Diocese.

This call has been responded to in many of the parishes to some extent, and the income of the Society has been much increased, but it is not yet commensurate with the wants of the Diocese. It is to be hoped that the returns of another year may shew that the Church in Nova Scotia is more alive to its responsibility in this matter, and that we will not be compelled to relinquish the Block sum, nor to diminish the income of the clergy paid by the D. C. S.

The Committee are of opinion that from among the 42,000 church members in the Province, many more might be added to the D. C. S. lists of subscribers.

Our warmest thanks are due to the venerable S. P. G. for the generous manner in which it has hitherto acted toward this Diocese, and for the kindly manner in which it is making the unavoidable reduction in its grants.

We would acknowledge also our gratitude to the Society for Promoting Christian Knowledge, for its continued liberality in furthering the building of churches, and for its donations of books to the Clergy.

The committee regret to note that two of the missions which have received aid from this Society are now vacant, and they earnestly pray the Lord of the harvest to send forth more laborers into His vineyard.

Since the presentation of the last Report three more of our clergy have gone to their rest, one of whom was taken away in the midst of active labor in the service of Christ's Church. This committee would express their sense of the loss which the church has sustained and their sympathy with those whose closer bond of kindred makes the affliction more keenly felt.

It is hoped that the subjoined extracts from the minutes, together with the tabular statistics and the accounts of the returns from the parishes will convey a clear idea of the present position of the Society, and the work it is doing for the Church.

The General meeting having requested the Ex. Com. to devise means for raising an additional \$400 to meet the deficit in the Block sum of S. P. An additional grant of \$60 was made to Rawdon for 1865, under similar circumstances and on the same conditions, with the grant made in 1865.

It was the opinion of the Committee that unless the returns of parochial statistics were made by clergymen receiving aid from D. C. S., the Secretary would be justified in withholding the order for the next quarter's payment.

May 18, 1866—The Secretary was directed to pay the Block sum of S. P. G., \$375, towards meeting the deficit in 1866.

A grant of \$80 per annum was made to St. Margaret's Bay, toward the support of an assistant missionary on condition of \$120 being raised by the people.

\$100 was granted to C. Croucher, a candidate for Holy Orders, toward an outfit when entering upon missionary duty.

A grant of \$40 was made for one year from April 1st, '66, toward the expense of missionary visits to New Caledonia.

The Secretary read a draft of the 28th Annual Report which was adopted and ordered to be published as the Annual Report of the Executive Committee.

Jan'y. 27th, 1866—The following statement was submitted by the Secretary, and ordered to be published in the next Report.

COMMITTEE FOR INVESTMENTS AND BLOCK SUM OF S. P. G.

This Committee has invested during 1865, \$4500 in Provincial Debentures for the benefit of the Superannuation Fund, the Reserved Fund, and the Endowment of Parishes.

They report that the Block Sum of the S. P. G. now falls \$1389 short of the amount required to pay the Missionaries who were on the S. P. G. list; and they have called upon the D. C. S. to fulfil the pledge given when the Block Sum was accepted from the S. P. G., and to provide means to make up the deficiency,

ENDOWMENT COMMITTEE.

The sum of \$868.27 has been returned to the Parish of Arichat, being the amount, with interest, of money held in trust for the sole purpose of building a Parsonage there.

The Committee ascertained that a good title to the property was held by the parish, and that the contracts had been entered into for the building.

There has been received during 1865—

SUPERANNUATION FUND COMMITTEE.

June 23, 1865.—An application was made for a pension, but the Committee did not think the case came within the limits of the object contemplated by the Superannuation Fund.

There are at present no charges on this Fund.

The Committee hold the following investments for the Fund:—

Two City Bonds	\$800.00
Mortgage	2000.00
Six Provincial Debentures	3000.00
	<hr/>
	\$5800.00
Uninvested	517.00

The Sub-Committee earnestly recommend this object to the remembrance of the laity and to the kind care of the clergy.

The following memorandum of returns from the several parishes will tend to show the progress of the Society and the state of the Church in the Diocese:—

ALBION MINES.—The Rev. L. M. Wilkins has sent \$103.48, being, as he states, the largest contribution ever made by that mission. There was a special collection taken in answer to the appeal.

AMHERST.—The Rev. G. Townshend has forwarded a list amounting to \$82.10, which is nearly double that of last year. The number of subscribers has increased from 45 to 122.

ANNAPOLIS.—The Secretary of the Local Committee has sent \$104.39, which is somewhat less than last year's return. Exertions have been made there during the past year to provide a Sunday school house.

ANTIGONISHE.—The Rector, the Rev. W. T. Morris, has returned \$67.63 as the amount of the offertory collection for D. C. S. This is a small advance upon the last contribution.

From **AYLESFORD** we have received \$46.50, which is less than last year's return.

The **Missionary at ARICHAT** has sent a list of \$52.90, which is a larger contribution than that of last year. The few churchmen there are now mak-

ing active exertions to provide a parsonage. The building will soon be finished.

BARRINGTON has sent \$58.00, being "the largest sum that has ever been raised in that mission for D. C. S." The Missionary is of opinion that they ought and could raise \$80.00.

From BEAVER HARBOR there has been received \$88.00, which is more than the previous year. Amid some discouragements, the Missionary yet reports that the services are well attended and the number of communicants has increased.

From BRIDGEWATER has been received \$28.94, which is a falling-off from last year's return.

From BRIDGETOWN the local Secretary has sent \$47.50, which is a smaller contribution than the last.

The Rector of CHESTER has forwarded \$93.00, which is nearly double last year's. The labors of the Local Committee there lead the Rector to think that much might be effected by a general lay-agency in the Church.

CLEMENTS has contributed \$25.00, rather less than in 1865.

From CORNWALLIS has been received \$60.00, which is \$16.00 more than the list for 1865.

DARTMOUTH.—This parish has been divided, the outposts being formed into a new mission. The older portion has sent in \$334.84, which is much larger than the total amount from the undivided parish last year.

From DIGBY we have not received the usual return. They propose to make their collection in the autumn, thereby apparently dropping a year in their contributions to the funds of the Society.

From FALKLAND we have not received a return. The illness of the Missionary has rendered it necessary to postpone the usual collection.

FALMOUTH appears for the first time on the list of Local Committees, and has sent \$25.00, principally in answer to the appeal of the Society.

GLACE BAY, C.B.—also a new committee—has sent a list amounting to \$60.62.

GRANVILLE has forwarded \$68.00, which is a little in advance of the return for 1865.

From GUYSBOROUGH we have received a list (too late to be printed) amounting to \$40.85, which does not quite equal last year.

HALIFAX has contributed \$2081.10, viz.: St. Paul's, \$684.82; St. Luke's, \$1024.43, which is to be noted as the largest return ever made to the Society; St. Georges, \$323.62; Bishop's Chapel, \$48.23.

HUBBARD'S COVE.—The Missionary writes: "It is with very great pleasure I forward you the annual list of subscribers to D. C. S. for this mission, as it surpasses last year's amount by more than \$27.00.

KENTVILLE has sent \$22.00.

From LIVERPOOL, which parish has been divided, we have received \$406.65, which is more than \$100.00 above the return of the whole parish in 1865.

LUNENBURG has sent \$87.05, which is a third more than last year.

From MAHONE BAY we regret to note that no return has been made for 1866.

From MAITLAND we have received \$105.00, which, the Missionary remarks, "is a considerable increase upon last year's contribution."

MANCHESTER has sent to the Society \$15.17.

MELFORD has sent \$31.10, which is a falling-off from last year. The Missionary remarks "that great exertions are making to build a parsonage, and that there has been more money raised for Church matters during the last twelve months than for many years put together before."

NEW DUBLIN has sent \$49.00, which is \$20.00 more than in 1865.

From New Ross a list amounting to \$43.00 has been received, which is at least a fourth more than in 1865. The Church people there, though numerous, are poor and scattered. It is at much cost of personal labor by the Missionary that the amount is collected.

The return from NEWPORT and Walton is \$83.13, nearly a fourth more than in 1865.

PARRSBOROUGH has been omitted from the list of Local Committees.

PICTOU has sent \$91.47. The list was sent too late for the Report. The return for last year was \$68.30.

PORT MEDWAY (formerly part of the Parish of Liverpool) appears for the first time, and has sent in a list amounting to \$43.32.

From PUGYASH we have received \$73.38.

RAWDON has returned \$25.63, which is much less than in 1865.

SACKVILLE has sent \$28.87, a little more than in 1865.

From SHELBURNE we have received \$121.96. Last year the return was \$118.00. This parish is now contributing largely toward the support of an assistant-Missionary, and making exertions to build a parsonage.

The Missionary at SHIP HARBOR has sent \$100.00, which is fully one-third more than in 1865.

STEWIACKE has sent \$26.36, which is much less than last year's contribution.

From St. MARGARET'S BAY has been received \$71.13, which is more than twice the amount of last year.

From SYDNEY, C.B., has been sent a list amounting to \$137.37, being nearly twice the amount of last year. The interests of the Society appear to have received a fresh impulse during the past year.

SYDNEY MINES has sent in \$32.00, which, as the Missionary states, is some improvement on last year's return.

THREE FATHOM HARBOR appears for the first time on our lists, and has added \$48.00 to the income of the Society. This was formerly part of Dartmouth parish.

TRURO has sent in a list of \$142.55 which is \$50.00 more than the return of last year.

TUSKET, though now without a resident missionary, has, by the exertions of the Rector of Yarmouth, contributed \$25.00.

WEYMOUTH has sent \$94.33, which is less than the last year by \$18.00. Yet the Missionary assures us that the claims of the Society have been diligently set before the people, and that the deficiency is caused in a great measure by the removal of some among the former subscribers. The list has been sent too late for the Report.

WILMOT has been omitted from the list of L. C.

WINDSOR has increased its contributions from \$146.00 to \$207.23 for this year; while the Forks, part of the parish, but under the care of Canon Hensley, has sent \$27.25, making in all \$234.58.

YARMOUTH has sent a list amounting to \$224. This parish now supports from its own resources an assistant missionary, and is engaged in building a new church at a large cost, yet it has not failed to respond to the appeal by increasing the return to the D. C. S.

CHURCH ENDOWMENT FUND.

In October, 1865, the Secretary submitted to the D. C. S. a statement shewing the amounts subscribed and paid in by the several parishes; he also reported that by the late Treasurer's book,—

Donations and subscriptions received amounted to, . . . \$46,823.03

\$61,152.00

It is earnestly requested that payments from the country parishes be sent in to the Secretary with as little delay as possible, in order that this Fund may be made available (upon £20,000 being paid in) to meet the deficiency caused by the deduction in the sum allowed by the S. P. G., which is gradually increasing, and which, if not provided for, will cause a serious diminution in the clergy stipend.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than £2, then the excess be counted toward payment of the premium of the minister or ministers for that year :

ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub-Committee, were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendation:—

“That while no restriction is made as to the sum which a Parish may withdraw from its *Reserved Fourths*,” and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information:—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

"The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given."

"It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society."

FORM OF LEGACY.

"I give to the Diocesan Church Society of Nova Scotia, the sum of _____, to be applied to the general purposes of the Society." And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

"The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the Endowment Fund of their Parish or Mission, all the proceeds of whatever glebe lands may be in that Parish."

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:—

"That in future all subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

At a meeting of the Executive Committee, April 18th, 1856, it was directed:—

"That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

☞ The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the Executive Committee, Feb. 19th, 1858, it was
"Resolved, That in future all applications for aid from this Society be proposed at one meeting of the Society and considered at the next."

At a general meeting of the Society, Nov. 11, 1859, it was
"Resolved, That the Executive Committee be authorized to grant, at their discretion, a sum of money not exceeding £40, towards an outfit for any newly ordained Clergyman of the Church who may require such assistance, previous to his assumption of actual duty in the Province."
"That no person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a subscriber for three months preceding the day of meeting."

The Rev. D. G. Moore gave notice of motion that the Dean be ex-officio a Vice-President of the Society.
The President presented to the meeting a copy of the 27th Annual Report of the Executive Committee.
The Bishop read a letter from the S. P. G. offering to place the sum of £2,800 per annum as a block sum for Nova Scotia and Cape Breton, at the disposal of the Bishop and the D. G. S., for three years from January 1st, 1860; they undertaking, as heretofore, all the pecuniary responsibilities of the S. P. G. during that period.
The Secretary of the Block-sum of S. P. G. submitted a statement showing that the amount received during the past half-year was £37 10 less than the sum required for the salaries of the missionaries.
It was unanimously resolved—That the offer of the S. P. G. be accepted, and that this Society pledge itself to make up £75 a year for three years.
It was also resolved—That the Executive Committee be requested to adopt means to increase the income of D. G. S. by at least \$400.
The Secretary of the Church Extension Committee submitted a statement showing that nearly \$60,000 had been received. Also a statement of the amount subscribed in each parish, and the amount paid.
The attention of the Church Extension Committee was called to a resolution passed in October, 1858, relative to the employment of paid agents.
With reference to a pension from W. and O. Fund to the child of the late Rev. A. Woods, the following resolution was passed:—
"This meeting is of opinion that under existing laws, the Committee of W. & O. Fund might the only course open to them; but considering all the circumstances, and more especially the reasons for supporting the Mr. Woods who was not aware of the penalty incurred by his removal to Bermuda, they urge the Committee to grant the usual pension."
