GREATER DEVELOPMENT OF TOURIST TRAFFIC FOR NOVA SCOTIA

The Dominion Atlantic Railway are arranging for distribution in the United States a book showing hotels, private homes in country towns and farms where board and lodging can be obtained during the Summer of 1923 by thousands of Summer tourists. Nova Scotia can have a Summer traffic which will yield millions of dollars income, not only to the homes, but to many of the small towns, country side and hunting regions.

A Newy Bunch of Social Notes And Of Persons Telling Movements Of Well Known People.

Mr. and Mrs. John Hawkins are guests at the home of Mrs. D. M. Balcom.

Miss Francis Duncan is recovering from her very severe illness.

Whooping cough still has victims among the children, even some older people are suffering from this trying disease.

Miss Gould, the singer at Mr. J. Hawkins' meetings, is a guest at the home of Mrs. B. Banks.

Mr. Ronald Bishop is now in St. Louis, Mo.

Dr. W. Archibald is in Halifax for a day or two.

Mr. F. O. Bishop is in St. John on business.

Mrs. Archibald, mother of Mr. C. Archibald and Dr. W. Archibald, has recovered her health and is now in her home, Halifax.

Miss Elizabeth Morgan is enjoying her work in Truro.

Mrs. Victor Whitman is now out of danger and will soon be out again.

Mr. L. Messenger goes to Boston for a short time. This young gentleman is a great favorite and will be a real loss to our town.

Rev. H. Hackham has been attending a pleasant gathering at Berwick.

We hear that a real musical treat is in store for Lawrencetown in the near future.

The meetings held in town by Gipsy John Hawkins are quietly and reverently conducted. The meetings are well attended and a deep and prayerful interest is shown. It is quite remarkable the large number of young men who attend. One evening pictures of Mr. Hawkins' tour around the world were shown in the Imperial Theatre. A very great number attended and were very much pleased.

Mr. F. Palfrey has won a number of prizes at the Poultry Show held in Amherst. Mr. Palfrey takes a great interest in this department and has some really fine birds.

Mr. L. Ringer, Royal Bank, has been suffering from cold and sore throat.

Mr. and Mrs. Morrison are in Waterville. Mr. Morrison is Acting Station Agent D.A.R.

Mrs. Walter Palfrey is spending the Winter in Halifax.

Miss Jean Palfrey is in a training school for nurses. We are sure this young lady will be a great success in her chosen sphere of work.

Danger of a wood famine.—Men are unable to get into the forests for lumber or for fire wood.

Mr. J. Stoddart hopes soon to take a party of men to his camp.

Mrs. Gold left town on Tuesday to visit her relatives and friends in Denmark.

Rev. L. and Mrs. Wallace spent some weeks in New Brunswick engaged in home mission work, have returned to Lawrencetown, are guests of Mr. Vernon Shaffer.

Collectors of taxes fund returns is slow in coming in. Various causes have made the money market tight.

Friday evening the Baptist Church was filled to its utmost capacity by an interested congregation.

Gipsy John Hawkins gave an account of his early life. Cruel home treatment, a wanderer on London streets, inmate of "A Boys' Home" where he found kind friends, loving care and attention, a Christian education and a fair start in the world.

A noble tribute was given by Mr. Hawkins to his mother, his wife, and the matron of "The Boys' Home" where his boyhood was spent—"His

APPLE CARGOES MAY GO FROM THIS PORT

The annual meeting of the Digby Board of Trade was held in the town hall last Thursday evening. There was a good attendance when the chair was taken by H. B. Short. The year's activities of the town were briefly reviewed and it was decided to forward a resolution of appreciation to Dr. Lovett, the sitting member for the constituency, thanking him for his efforts in getting the extension to the spur of the government wharf. This matter was referred to at length by the President in his annual address, and he expressed the hope that a great deal of things would come to Digby as a result. A number of ocean steamers had been here to load pulp and the captains had been delighted with the quick despatch given them and in comparing conditions here with those existing at other ports where they loaded Digby came first. Several C.P.R. officials were here in December before the wharf was quite finished and had looked it over with a view to getting after a part of the apple business of the Valley using Digby as the outlet and no doubt this will be done commencing next season. Capt. McDonald, of the Empress, had given them the assurance that any of their freight steamers could load here with perfect safety. Another matter which the pulp people were trying to arrange was that of storage. At present the output of their Weymouth mills is hauled out to the main line and stored until a steamer arrives in Digby; then it has to be again loaded on cars and brought to the vessel's side. The Maritime Fish Corporation has offered them the use of any portion of the large field at the head of the wharf they require (which they now hold under lease) free of charge and a grant is expected shortly to look into the matter.

The election of officers resulted as follows:— President—H. B. Short. Vice-President—P. C. R. Harris. Secty.—F. W. Nichols. Council—A. A. Shortliffe, Dr. Em-Verneil, H. T. Warner, C. F. McBride, P. W. Holdsworth, H. E. Jones, T. E. G. Lynch and J. L. Bodin. Auditors—A. I. M. Swabey, A. Bodin. Collector—A. D. Daley. Entertainment Committee—P. C. R. Harris, P. W. Holdsworth, J. J. Wallis, H. E. Jones. Transportation Committee—H. T. Warner, H. B. Short, C. F. McBride, Dr. DuVerneil. Tourist Committee—Dr. Read, C. F. McBride, T. E. G. Lynch, J. J. Wallis. The latter committee were given authority to get out a small booklet advertising the advantages of Digby as a Summer resort.—Courier.

ALLISTER MUNRO SENT UP FOR TRIAL

Halifax, N. S.—Allister Munro, charged with shooting and killing Leslie Corkum in his store on Spring Garden Road, last Halloween, will go before the next sitting of the Supreme Court to be tried for murder. He appeared before stipendiary Magistrate Pleading in the police court, Tuesday morning, for the conclusion of the Crown's evidence. Only one witness was called, Mrs. Clara Kramp, wife of Captain Jacob Kramp, with whom Munro spent the night of the shooting, coming to Kramp's, Water Street, home, at two in the morning, according to evidence. Mrs. Kramp's evidence was merely corroborative and was brief. The defence, represented by Mr. McKen, in the absence of Mr. White, Munro's previous counsel, advanced no evidence.

IT'S A GOOD STORY, ANYHOW

There was a good deal of stock throughout the Province that did not get fed on Sunday last owing to the immense drifts and other accumulations of snow, due to Saturday's fierce storm. In some cases, we fear, the efforts made were not sufficiently strenuous. That, however, was not the case with one energetic and humane farmer who lives not far east of Summerside. He has a big and modern barn and, according to the report which reaches us, he snowed out to the roof and got in through the ventilator to feed his stock. We cannot entirely vouch for the truthfulness of the story. The details may be somewhat exaggerated. There are some people who cannot tell the truth even about the size of a snowdrift. Anyway, people should be reasonable and not expect the whole truth under present conditions.

CUT EXPENDITURE

Sir Herbert Holt at the annual meeting of the Royal Bank said: "An abundance of money in the United States has rendered borrowing easy during the past year. Of capital for enterprise which becomes immediately and profitably productive, we cannot have too much, but there is imperative need for a cessation of Federal, Provincial and Municipal borrowing for purposes which bring in no adequate return. If Canada is to become a cheaper place in which to live, public expenditure must be adjusted to meet income."

SUPPORT YOUR LOCAL NEWSPAPER

The local or county newspaper is an institution of prime importance in the development of our great Dominion. The local paper serves as the "magnifying glass" of that fortunate majority which lives out side of our congested metropolitan districts. It helps largely to develop and encourage the community spirit without which co-ordinated progress is impossible. Its strength as a newspaper lies in its intimate knowledge of local personalities and local incidents. It has established a contact with its constituency which has no parallel amongst the great daily newspapers or the journals of national circulation. The local weekly newspaper is in a class by itself.

In order that the local newspapers of Canada may function as virile influences in the progress and well-being of their respective communities, they need and deserve the active support of all good citizens. When it comes to the selection of reading matter for the entire household, your local newspaper and The Family Herald provide the widest possible range and greatest volume at the lowest price. Subscribe to these two papers and you will be set for the year.

CANADIAN POTATO GROWERS AT DISADVANTAGE

On Wednesday a delegation of the Potato Growers' Association, of New Brunswick, on which was a representative of the Department of Agriculture of that Province journeyed to Ottawa to meet the Finance Minister. The delegation urged that a preferential tariff be perfected between Canada and Cuba which will place Canadian potato exporters on an equal footing with their United States competitors.

The proposed new Cuban tariff on potato imports, places a duty of 45 cents per barrel on Canadian products over and above those of American production.

A despatch from Fredericton in this connection states that in view of the fact that the Cuban market absorbs over seventy-five per cent. of the potato exports from New Brunswick, the proposed new tariff is of vital interest to the growers of the Province, and also to those of Nova Scotia and Prince Edward Island, who will also be represented on the delegation.

The Ohio river was named from an Iroquois word, Ohio, meaning "beautiful." It appears on various early maps as the Abacha, Cubach, O-o, Ocho, Sabogunee, Canoeepi-phi-phi, Kitocepe, Ouhpeckahna, Ohio, Opeck, Allwee-seepe, Ococh-Heho and Youghlogheny.

TIRED-OUT WOMEN

What They Need To Restore Health And Vitality.

The woman who feels tired out, who aches all over when she rises in the morning, who feels depressed most of her time, needs just the help that Dr. Williams' Pink Pills can give her—new rich blood and stronger nerves. The number of disorders caused by thin blood is amazing, and most women are careless about the condition of their blood. Their nerves are quickly affected, and they become irritable. They worry over trifles and do not obtain refreshing sleep. There may be stomach troubles and headaches. This is the condition that calls for Dr. Williams' Pink Pills, the blood-making and nerve-restoring tonic. The value of this medicine is proved by the statement of Mrs. John Coffey, Fall River, Oct. who says:—"Two years ago, after the birth of one of my children, I became so run-down that I had to wear the baby and could not do my housework. I lost appetite, took no interest in anything, and was in a pitiable condition. I tried different doctors, but they did not help me very much. I was in this condition all Summer until a neighbor advised me to try Dr. Williams' Pink Pills. After taking two boxes I felt somewhat better and got a further supply. I found my appetite improving; I could do my housework, and living again seemed worth while. I continued taking the pills for some months, and was then enjoying the best of health. I cannot too strongly recommend Dr. Williams' Pink Pills to anyone run-down and in need of a tonic as they built me up, and there is no sign of anaemia about me to-day."

You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

NEW RIFLE ASSOCIATION

The meeting which was held in Read's Hall, Granville Ferry, for the purpose of forming a Rifle Club was very successful, many men giving in their names for membership. The Club is in connection with Company B, Annapolis Regiment. Major Priker briefly explained what conditions would have to be fulfilled before application could be forwarded to Military Headquarters for approval.

A committee was appointed to draw up a programme of rifle practices and competitions for the year, and it is hoped that everything will be in order for the commencement of shooting on Empire Day, May 24th.

The Rifle Range not having been used for a number of years will have to be completely overhauled before being again brought into service; however the necessary work can be put in hand as soon as the weather breaks.

Anyone who was unable to attend the meeting but who wishes to become a member of the Association, should apply as soon as possible to Major Priker, Granville Ferry.—Spectator.

DEPLORABLE STATE OF AFFAIRS IN PARTS OF CAPE BRETON

Rev. A. MacMillan, pastor of the Presbyterian Church at Marlon Bridge, C.B., and ex-moderator of the Synod of the Maritime Provinces, is visiting friends in Halifax. Inspecting with the Herald Mr. MacMillan stated that there are more than two thousand persons living in an isolated portion of Nova Scotia who have been entirely cut off from communication by mail with the outside world SINCE EARLY IN DECEMBER, 1922. The district in question lies beyond Cape Smokey in Victoria Co., C.B., and consists of the following sections:—

Table with 2 columns: Section Name and Population. Includes Ingonish, North and South (1380), Neil's Harbor (175), Cape North (175), Bay St. Lawrence (160), White Point (50), Sugar Loaf (35), Total isolated population (2950).

"What steps will the highways department take to remedy this deplorable condition of affairs," asks Mr. MacMillan. "The highway that is blocked by snow runs through a barren or very sparsely settled country. It is, therefore, practically impossible for the people of these communities to get out a road through the enormous drifts which are piled almost mountain high. The recent snow storm was particularly severe in Northern Cape Breton and the unusual weather conditions have created a situation that surely calls for attention on the part of the authorities."

HUNGRY-MAD WOLVES MENACE TO LIFE AND PROPERTY IN PARTS OF U. C. AND CANADA

New York.—North sections of the United States are threatened with invasions by packs of hunger mad wolves from Canada and untold damage is likely as a result of attacks on sheep and cattle. Director W. T. Hornaday, of the Bronx, declared, after an intensive study of the alarming increase of grey timber wolves within the last few years.

Scores of packs are wrecking havoc among farm animals and are wiping out turfed game in Ontario while recently two Ontario mail carriages were attacked and killed near Lake Nipissing. The remains of a trapper and two Indians, devoured by wolves also were found a few days ago by hunters.

The rapid increase in the number of Director Hornaday, is due to present low raw fur prices. Two years ago, he said, wolf skins brought from \$20 to \$60 in New York, while today prices range from \$5.00 to \$10.00. Cuts in fur prices have checked the activity of trappers and Indian hunters in wiping out the packs, he said. Game animals are being rapidly exterminated by the wolves, his report showed. In Alaska entire herds of caribou have been annihilated, and Wright Wenrich, game warden, has appealed to the Department of Agriculture to send trained killers to curtail the activity of the animals.

Director Hornaday declared there had been many instances where hunters and trappers were attacked and in occasional instances killed by roving wolf packs. Unless government agencies combined their efforts with cattle and sheep associations and game wardens in various States to check the in-coming hordes of wolves, serious trouble will occur, he concluded. "The lives of people are being endangered as well as having been unduly lost for several years, the packs have become more numerous and more ferocious. It is time for action."

OBITUARY

Mrs. Mary E. Bent, at her home at East Arlington on Dec. 23rd, 1922, there passed away one of earth's choicest spirits in the person of Mrs. Mary E. Bent, widow of the late Samuel Bent, who predeceased her twenty years ago, after a very short illness of heart trouble, at the age of 77 years. She leaves to mourn their loss of a faithful and loving mother; one daughter and three sons, Mrs. E. H. Rice, Port Lorne; Joseph, of Outram; William, of East Arlington, and Edmund, with whom she resided, and six grand children, also two aged sisters, Mrs. Samantha Grant and Mrs. D. F. McIlbery.

Mrs. Bent was a devoted member of the Baptist Church and loved and respected by all who knew her and will be much missed in the community in which she resided as well as the members of her family. The funeral service was conducted by Rev. D. W. Dixon, pastor of the Port Lorne Baptist Church, who, in tender and fitting words, paid a high tribute to the beautiful life of the departed. The remains were laid to rest beside her late husband in Port Lorne cemetery.

COLIN C. RICE

The following gives a more extended reference than we had at hand in last week's issue:— Colin C. Rice passed away on Thursday, Jan. 24th, at his residence, Round Hill. He had been in failing health for some years, although his death came very suddenly, and consequently was a great shock to his family and the community.

Until a year ago he conducted a general store, but had lived retired since owing to his ill health. Mr. Rice was highly respected by all who knew him, as the attendance at his funeral indicated. He was an enthusiastic Liberal in politics. He was born in Bear River, and for some years conducted a general store and shipping business in that place. He was a member of the Masonic Order, being a Past Master of Keith Lodge, Bear River; also a member of Western Star Lodge of Oddfellows, of Annapolis Royal, N. S.

The funeral was held on Monday, the 29th, interment being in Round Hill cemetery. Service at the house was conducted by Rev. Mr. Gibson, of Annapolis Royal, assisted by Rev. James Reeks, of Round Hill. Service at the grave was conducted by the Masonic Order.

He leaves an aged mother, Cordelia A. Rice, living at Bear River, but for the present at his home here, his widow, Jennie L., daughter of the late Rev. Wm. Brown, of South Farmington, N. S.; two sons, Kenneth L. and Thomas P., of Toronto; and one daughter, Freda, living at home.

Not out Johnson (pocketing his key envelope) "Now for good bye-bye-I luck." Jones—"What do you mean?" Johnson—"To reach home without being touched."—Washington Star.

By order of the Chief Game Commissioner, a section of the dam was dynamited by divisional engineers in order to allow the water, which flooded the tracks to a depth of over three feet for half a mile, to run off. Wednesday's train arrived five hours late at Middleton.

TREASURER'S REPORT

To the Warden and Councillors for the Municipality of Antapolls Co.:
Gentlemen:—I beg leave to submit the following Financial Statement for the Municipality, as found on Dec. 31st, 1922:—

Total receipts for the year \$109,126.42
Total payments " " 98,237.94

Cash on hand, Jan. 1st, 1923 \$16,888.48
Due from Collectors, Jan. 1st, 1923 8,095.44
1st, 1923 8,095.44

Available for 1923 account \$18,983.92

The amount due from Collectors is larger than usual and can be accounted for partially, at least, by very stormy weather the last week of the old year which made it impossible for the Collectors from outlying Wards to get to the Banks to make deposits, this is proven by the fact more than one half of the amount outstanding has been deposited by the Collectors since the books were closed.

We have had no claims for sheep killed by dogs during the year.

The only item outstanding on current account is \$10 for one coupon not presented, and on Road Fund there is about \$2,400 uncollected.

Statements of General Account, Contingent Account, Forest Protection, Sinking Fund, Court House Account, are appended.

A few belated items of Ferry Service appear in this year's Contingent Account.

Yours faithfully,
D. M. OUTHIT,
Treasurer.

LONDON COUPLE ARE DELIGHTED

His Wife's Two Years of Trouble Is Now Ended, Says Frank Westlake

"Tania has made all the difference in the world in my wife's health and we are both delighted," declared Frank Westlake, valued employee of the Public Works Department of London, Ont., residing at 40 Langarth Street.

"About two years ago my wife underwent an operation that left her badly run-down and she simply couldn't get back her strength. Her appetite left her and she could hardly eat enough to keep going. The least exertion would tire her out completely, and her housework was a awful burden. She would lie awake hours at night, too, and morning found her just as tired as when she went to bed. She suffered terrible splitting headaches, her nerves were on edge and she got very little pleasure out of life.

"But three bottles of Tania simply put her on her feet again. She can do her housework easily now, the headaches have gone, she sleeps soundly and her appetite is a joy to behold. I can't find words to express my gratitude."

Tania is for sale by all good druggists.
Over 35-million bottles sold.

EVANGELISTIC MISSION AT LAWRENCEVILLE

The opening services of the Lawrenceville Evangelistic campaign were held on Sunday, Jan. 28th, and were conducted by Rev. Gipsy John Hawkins, assisted by Mrs. Hawkins and Miss Winifred Gould, Gospel soloist.

The subject on Sunday morning was "Service in God's Vineyard", the Evangelist emphasizing that God's Vineyard to us was the Home, the Church, the community and the world itself. God's call is to His sons and daughters and to them He says "Go work today on my Vineyard". Mr. Hawkins pressed the lesson of the hour home especially to church members, with telling effect, by the use of striking illustrations drawn from his large experience in Evangelistic work.

In the evening a united meeting was held in the Methodist Church, pastor's Rackham and Whitman assisting in the service. At this service which was largely attended, the Evangelist gave a clear and earnest message on "The Call of Zaccheus", the text being "He Made Haste and Came Down and Received Him Joyfully". At the close an earnest and tender appeal was made to make haste and come down from pride egoism and self-love, and several expressed their desire to live the Christian life.

On Monday evening the first part of Mr. Hawkins' lecture on his Evangelistic tour round the world was given in the Imperial Theatre—to a capacity house. This very informing and deeply interesting lecture was illustrated by many beautiful views; first of Canadian scenes where Mr. Hawkins had conducted evangelistic services, then leading his audience in thought across the Atlantic to many of the most beautiful scenes of France and Italy. The pictures were exceptionally good, but the moral and spiritual lessons conveyed to the people in the choice language of the lecture's were even better. All on looking forward with pleasure to the continuance of this lecture which will take place on Monday evening, Feb. 5th, at the Imperial Theatre.

On Friday evening, Feb. 2nd and 9th another very interesting lecture will be given in the Baptist Church, the subject being "From Gipsy Boy to Preacher", or "From the Boot Black Box to the Pulpit". All these lectures a free will thank offering will be taken especially for the Evangelistic party. Miss Winifred Gould, the soloist, is of invaluable assistance in the services singing the Gospel with sweetness and power. At the lecture Monday evening in connection with the wonderful view of Niagara Falls, she delighted her audience by giving a reading, a selection from one of our celebrated Canadian poets.

Special Evangelistic meetings will be held at the Baptist Church on Tuesday, Wednesday and Thursday evenings of each week at 7:30 o'clock.

MAYOR WARREN'S RETIRAL

Reference is made in another column to the Town Council proceedings on Friday night and the well merited mood of praise publicly accorded there by Bridgetown body politic on the retrial from office of Mr. W. A. Warren, who has occupied for the past two years by acclamation the highest civic honor in the gift of the people.

Upon his retrial from the field of civic politics, it is not amiss to call to mind some features which if not unique are at least unusual. Four years service at the Council Board followed by two terms in the Mayor's chair and with the exception of the first term in Council the holding of office by acclamation, the exceedingly harmonious relations with the various members of the Council during periods of adjustment more or less difficult show that he presided with both tact and business acumen. His exact devotion to the interests of the town is shown as a matter of public record when it is known that out of seventy-two regular meetings during his six years in the town government he has missed but one meeting.

His withdrawal from the civic arena in this case is understood to be due not to any particular reluctance or to any particular desire to swerve aside from public duties but rather to the fact that after so long holding of office he considers others well qualified should freely have their turn.

In this we believe that Mayor Warren was actuated by a spirit of the larger patriotism which having served well and acceptably wishes others to approach and deal with their civic duties in the proper perspective.

A PLAIN CHOICE

At a meeting in New Brunswick the other day a speaker advocated the imposition of direct taxation as a means of augmenting the Provincial revenue. It is needless to say that the speaker was not a politician. As a matter of fact, of course, direct taxation is employed to some extent in Canada but, naturally, the politicians do not stress the point, or, at least, the politicians in office do not. But the point ought to be stressed that if the people want improvement

CLEMENTSPORT

"THE QUEEN OF THE BASIN"

Not snowed under yet, and all looking forward to an early Spring with sunshine, flowers and the lure of the trout streams: with prospects of early tilling and bumper hay crops. The old saying is that a snow cover such as this is as good as a coating of manure. Cord wood is coming in again and some piling, but those who bring it in the majority of cases had to break their wood roads nearly all the way.

On Monday, Jan. 29th, some of Mr. Lytle's parishioners from Deep Brook formed a sleighing party and came up to the parsonage where a pleasant evening was passed. The following were in the party: Mrs. Shipley Spurr, Mr. Manning Nichol and Miss Hattie Nichol, Mrs. E. Hutchinson, Miss Josephine Rice, Mrs. McBride and Mr. Hubert Vroom.

Mr. Freeman, who had been home in Keen, New Hampshire, for a month, returned to Clementsport Tuesday, January 30th, and is at his daughter's, Mrs. Chas. Stronach's, where he intends to spend the Summer.

Thursday afternoon, Feb. 1st, the Baptist Sewing Circle met at the home of Mrs. Chas. Stronach with some nineteen members in attendance.

Thursday evening, Feb. 1st, the Methodist Sunday School held its annual S. S. treat in the basement of the church. Nearly all the scholars were present and most of the parents. An excellent tea was served. Speeches by grown-ups, and games by the children, together with the presenting of prizes, made the evening go all too quickly. The following received prizes for good attendance and knowing their golden texts: Edna Tupper, Cecil Potter and Claude Potter.

In the magnificent moonlight of Wednesday night, Jan. 31st, three double teams laden with happy Foresters from Clementsport swung into the village and up to the home of Mr. and Mrs. Wm. Sanford. Some 24 persons were in the party. It seems the Clementsport Court have a Mite Society and they go from one member's house to another. The ladies provide the food and the men pay 15 cents each for the supper—which money goes to their building fund.

Mr. and Mrs. Sanford gave the visitors a warm reception and with games and music, etc., the evening passed most pleasantly.

Mrs. Messenger, teacher in the Primary Dept., of our schools, got a load of wood on Saturday and Chester Ruggles, Roy Hoop and Roscoe Potter, boys of the Advanced Dept., came down on it like sparrows on a bunch of wheat, and in no time had it saved and nearly all split. Fine work, boys, we are proud of you.

Mr. Mills, of Truro, organizer for the Foresters, was here on Friday, Feb. 2nd, and with the "Queen of the Basin" Court at their meeting on Monday, 5th inst.

Mr. Wm. Rice, daughter of Mr. and Mrs. Chas. Hardwick, Upper Clements, came on Saturday, 3rd inst., from New York, to visit her father, who has been seriously ill.

Mr. M. G. Blackadar, of Annapolis Royal, representing the Union Fire and Casualty Co., of Winnipeg, was in town last week.

Mr. H. Hicks has men and teams harvesting ice. The pond which he formed above the bridge unfortunately had the water cut off and ice formed to the bottom. He is getting ice this year from the pond of Mr. Morris Potter, but expects to get 1924 crop at his own.

On Saturday evening, Feb. 3rd, a jolly party of twenty or more young people were entertained at Mr. Mel. Purdy's, a happy and pleasant evening being spent.

Sunday roads were blocked. The rector and Rev. Mr. Lytle were unable to keep their outside appointments and with zero weather and heavy roads, it was decided to hold no service here.

CORRESPONDENCE

Editor of The MONITOR:

Dear Sir:—After reading a letter in your last issue signed "A Citizen" the following lines of Shakespeare seemed to swim into my vision: "Thou that art blamed shall not be thy defect, For slander's mark was ever yet the fair, A crow that flies in Heaven's sweetest air, So thou be good, slander doth but approve Thy worth the greater."

We hope the time will come when "A Citizen" will feel ashamed of his abuse and insults. We are reminded of a story told of a young lawyer who was conducting the case for the defence. The plaintiff's lawyer had presented his case and the judge, a friend of the young lawyer, said there was not a vestige of chance for the defense—so he whispered to the young man "No Case" "abuse the plaintiff's lawyer." Abuse is the herald of a lost cause.

Now a few notes for the information of "A Citizen" re the opinions of the roads for autos last Spring. Your correspondent went to the Council and asked him to take the matter up. He said he had no authority. So your correspondent, some men of Deep Brook and Bear River, all worked for the one end,—it was a matter of public concern. The ban under the same law had been lifted in Yarmouth and Lunenburg Counties—why should those who had paid their licenses here be debarred from their privileges? The Warden of the County and other live citizens were lined up behind this movement. The late Minister of Highways, the former Attorney General were corresponded with. Your correspondent was to get in touch with the local member, Mr. Elliott, and with the Superintendent of Highways, Col. Millar, which he did, that these gentlemen were alive to the situation. The following quotations from their letters show:—

From letter of Mr. F. Elliott, dated April 15th, 1922: "I may say we have had several strong letters from your part of the County and Digby, re closing of roads for autos.....My own idea is that it would not hurt to raise the embargo on the main post road to Yarmouth."

From a letter dated April 17th, 1922: "I am trying to get certain roads the County open for traffic—but not all."

Col. Millar writes under the date of April 8th, 1922: "I am, at the present time, trying to have certain of the roads opened up for motor traffic....."

Re lights on bridges, etc. If the law had been carried out and the places pointed out by your correspondent had been properly looked after, the gentleman from Yarmouth would not have driven into a mixture of mud, rocks and gravel, at Handed Bridge, and require several men for two or three hours to dig him out,—which helps the place the more those who point out the necessity of taking care, or those who make such accidents possible, and hence give our charming village a poor name?

Re punch board.—As a supporter of the Social Service, it was your correspondent's right to point out the illegal use of the same and its demoralizing effect on the young.

Other public matters referred to by "A Citizen" have equal substantial ground and reason. We would say that as correspondent of The MONITOR we propose dealing with matters of public interest. The whole object being the uplift of the community. We do not contribute gossip. We trust we do not report facts that, while true, would not be to the elevating of the public life. We have never stooped to abuse, nor shall we, and we trust "A Citizen" may never do so again.

There are some people in every locality so far as their interest, efforts and influence for the public weal are concerned, seem to say: "Friends don't grieve for me Grieved for me never, I want to do nothing. For ever and ever."

If we cannot change the hearts of these people to work for the public good, then we must simply go on without them. The "Queen of the Basin" is building up and will be in time a celebrated summer resort. We want what we are entitled to in the way of roads and bridges and public improvements. Come now, citizens, all together, and Mr. Councillor, we look to you for the lead.

Thanking you, Mr. Editor, Your Clementsport Correspondent A. W. L. SMITH.

"The Rectory" Feb. 1st, 1923.

HIGH SCHOOL BEAT BANKERS AT HOCKEY

Score 4-3 in an Exciting Well Contested Game.

A good game of hockey was played Thursday night, when the Bridgetown Bankers went down to defeat before the High School team by the score of 4-3. The High School boys started off strong in the first period and two goals were scored by them.

In the second period the Bankers scored two and the High School one.

The third period started with a big rush by the Bankers, who put all their effort into the game, but found it hard to break through the High School's defence. In this period both teams scored one, making the final score of 4-3.

The line-up was as follows: H. Gatti Goal R. V. Arnold J. Todd Defence A. F. Little J. Hoyt Forwards C. Tibert A. Price J. Roberts G. Foster J. Crowell E. Oriando Little

annual session of the Municipal Council. Just what was done at the Municipal Council regarding the shovelling of snow between the Government wharf at Deep Brook and the Main Post Road here, the writer is still waiting for "Our Councillor" to tell the people of Deep Brook, and after "Our Councillor" refers the writer to the Provincial Highway Act of 1920. It reads as follows, Pages 17 and 18: Sec. 32. (1) The Council shall divide the Municipality into road sections in the best and most convenient manner so as to effectively ensure the performance of the duties required by Sub-section (2) of this section, and shall appoint an Overseer for each such section. (2) It shall be the duty of such Overseer during the winter whenever the highways become impassable from snow to order all male persons between the ages of 18 and 60 residing within his section, to work with their shovels, horses, oxen and teams, upon any of the highways in order that the same may be rendered passable, and every person so liable who does not comply with any other such order, shall be liable to a penalty of ten dollars and any such order shall be sufficiently communicated to the person required to obey the same if sent, left or given verbally in writing at the usual place of residence of such person at or before the hour of nine o'clock in the forenoon of the day on which such person is required to work. (3) Until such division is made the road sections or divisions constituted and existing before the coming into force of this Act, for the performance of Statute labor, shall continue to exist for the purpose of this section.

The writer feels certain that "Our Councillor", with this information, will tell the people of Deep Brook why he did not insist or have his road surveyor here to open the public road leading to the Government wharf. If it is not the Councillor's duty—whose is it?

"DEEP BROOK"

Clementsport, N. S. Feb. 5th, 1923.

Dear Sir:—I would like to offer a few comments on the letter signed "A Citizen" appearing Jan. 31st. Of the first three paragraphs I have little to say, as your representative is well able to defend himself and his position.

"A Citizen" is well within his rights in criticizing the criticisms of which he complains; but he must not forget that an editor cannot cover all the ground his publication serves; hence he must depend largely on his correspondents for items of social interest and matters which concern us all as citizens. I share the shame when I assert that, we do not concern ourselves enough about public works and institutions; we mutter and growl, but we leave to our correspondent to do for us what we have not the "get-up-and-go" to do for ourselves.

Our correspondent has only exercised his rights as a citizen and also as a Press representative; and we all agree that, the Press is one of the greatest factors for good in the world today; the day is too far spent to begin to talk of muzzling the Press; the trend of events is upward not downward.

The criticisms complained of have been for the good of the public at large—constructive: ("A Citizen's opinion to the contrary not-withstanding) and have brought good results, as many can testify. Can "A Citizen" name a man who has done and is still doing as much as our correspondent, to put the "Queen of the Basin" on the map? The last paragraph of the letter referred to above, is the one which concerns me most; I wish to register a protest against what I consider a blow struck below the belt, delivered by one evidently who has at some time crossed swords with our correspondent and was out-pointed; and now takes advantage of local controversy to "come back" with a personal attack and an attempt to intimidate the Press.

Even if "A Citizen" were a member of our correspondent's church, (and he is not, for the church is loyal to a man, to its rector) he far exceeded his rights in the assertions he made; for who is he, that he should presume to make the weight of anyone to our Master.

Today, when our Press, our greatest men and institutions are doing their utmost to build a greater Canada, it ill becomes any citizen to throw an obstruction into the cogs of any piece of machinery, working to that end. We can all help in this up-building or we can sit back and let the other fellow do it; and we can attempt to retard it; it is optional with us. The best way to help, is to do what we can to build up our own locality; and even criticism of the right kind will do that.

With many thanks, Mr. Editor, for your space. I am Yours truly, W. S. ABBOTT.

Personal Mention

Mr. Jack Ruggles left on Tuesday for Chicago after a pleasant visit of several weeks with his parents, Mr. and Mrs. Harry Ruggles, Granville Street West. Dr. D. Fraser Harris who lectured so acceptably here in the University Extension Course was the guest while in town of Dr. M. E. Armstrong and Mrs. Armstrong. Mrs. John Piggott, son of Mr. and Mrs. Lewis Piggott, is taking a course at the Technical College, Halifax, on Land Surveying.

Miss Ena McNeil has returned to her home at North Range, after a pleasant visit with her sister, Mrs. Chesley Forsythe, West Granville St. Miss Myrtle Troop, of Belleisle, is the guest of her cousin, Miss Mary Anthony.

Sandy Cochrane, of St. John, is visiting his mother, Mrs. E. A. Cochrane, Queen St. Glen Conrad passed through Bridgetown Friday from Annapolis en route to Kentville. Miss Marion Fowler was a passenger to Middleton Thursday visiting friends.

Miss Ora Jackson, formerly of Bridgetown, now residing in Halifax, has been visiting relatives at Paradise and Bridgetown.

Mr. H. F. Williams and Mrs. Frank Willott left on Friday last for Palm Beach and other parts of Florida and will be gone for several weeks.

Mr. Angus P. McDonald left on Monday on a trip of some days to Sussex, N. B.

OBITUARY

The death took place at his old home in Belleisle on Friday morning of Mr. H. H. Wade, after a lingering illness borne in cheerfulness and helpfulness of spirit. Mr. Wade leaves to mourn their loss a mother, widow of the late Mr. Stephen F. Wade, (and with her he resided for several months back), three children, one boy and two girls, the eldest about five years old; one brother Fred in business in Kentville, one sister Mrs. R. S. McKay, of Middleton. Mr. Wade's wife, Miss Coleman, of Dartmouth, predeceased him about sixteen months ago.

For years the deceased travelled for Bauld Brothers Wholesale grocers of Halifax, and was their eastern representative residing in New Glasgow. His daily work brought him into contact with a large number of people and both at home and away from home he was highly esteemed for his many sterling qualities and the news of his death was heard with regret by many.

Ill health some eight months ago obliged him to relinquish his position with Bauld Brothers, and he returned to the old home, and opening up a general store developed a nice little business which his personal qualities built up most successfully. Some months ago he was obliged by health to give up active work in this direction but his mother kept the business going. After an illness borne with resignation he passed to the great beyond universally loved and esteemed.

The funeral was conducted on Sunday afternoon by Rev. E. Underwood with services in St. Mary's Church, and interment in the church cemetery. The funeral, considering weather conditions, was very largely attended and a notable tribute to the esteem in which the late Mr. Wade was held in his home community.

VICTORY

The men are busy hauling their hay from Flander Meadow. The teams are worked singly. The oxen present a comical appearance in their shafts. Mrs. William Oickle is visiting friends and relatives at Bear River and Greenland.

Mr. Charles Rosenkrantz is busy fitting orders for snowshoes. Mr. and Mrs. Joshua Simpson were the guests of Mr. and Mrs. Stewart Potter, Clementsvale, Sunday, Jan. 28th.

Mr. Bruin must have seen his shadow this Candlemas as the sun shone the greater part of the day. The yearly "epidemic" of "mat fever" has taken up its abode with us. One lady has fallen a victim. We expect more cases to follow as it is very contagious at this time of the year. Dr. Mat-hook is in attendance.

VICTORIA BEACH

Myrtle Ellis arrived home from St. John, N.B., Thursday.

The neighbors met at the home of Mrs. M. A. McGrath on Monday evening last. Refreshments were served and an enjoyable evening was spent by all. The hat was passed around and the proceeds were sent to Mrs. McGrath's sister, Mrs. Abbie Apt, who is now at River Glade, N. B. Memorial Sanatorium.

H. L. McGrath purchased a piano from James Slocumb, of Port Wade, and had it put in the home of his father, John McGrath, Sr. School has started again in the Primary part. Our teacher, Miss O. K. Mader, recovered from an attack of the measles.

Special Evangelistic Ca.

Never were Shakespeare's words better illustrated than in his life "There is a Divinity that shapes our ends, rough, how them how we will". The services during the week were characterized by great power, many receiving new visions of their obligations to God and to those about them from which thoughtful decisions to live the Christian life were made. On Tuesday evening the address was based upon the words of Christ to Zaccheus, "The Son of Man Hath Come to Seek and to Save the Lost". The Evangelist showing very clearly that men are lost in two ways: first, they are lost to God, and secondly God is lost to them.

On Wednesday evening the text was found in 2 Cor. 5, 17, from which a message of great power was delivered, setting forth clearly the distinction between those who were in Christ, and those who were out of Christ, showing the benefits and blessings of the former class and the danger to which those out of Christ were exposed.

On Thursday evening the "Origin Nature" and "Results of Sin", were dealt with by the Evangelist in a Masterly manner, and true to the old Gospel of Christ, he set forth Christ as the only Savior from the guilt and power of sin.

On Sunday, Feb. 4th, notwithstanding the inclemency of the weather the people gathered from different points at the Baptist Church both at the morning and evening services. In the morning Mr. Hawkins based his address on the words found on Isa 59: 1:2 "Behold the Lord's Arm is Not Shortened That It Cannot Save, Neither is His Ear Heavy That It Cannot Hear," etc. This great message will not soon be forgotten, lasting impressions having been made upon all and new purposes for a more consecrated and whole-hearted Christian life were made. God's power has not diminished with the centuries but is as great today as ever, when God's people get right with Him. In the evening an earnest loving message of warning and entreaty was given by Mr. Hawkins from the words "Choose Ye This Day Whom Ye Will Serve" Josh. 24. At this service new recruits offered themselves for the service of the Master.

Miss Winifred Gould, Gospel soloist, is of great assistance, her appropriate and soul stirring selections gripping the hearts of her hearers. On Monday and Friday evenings of this week the lectures begun on Tuesday and Friday of last week will be continued on Monday at the Imperial Church, and on Friday at the Baptist Church. It goes without saying that all will want to hear the Evangelist continue his lectures on these deeply interesting subjects "My Evangelistic Tour Around the World" and "From Gipsy Boy to Preacher."

On Wednesday and Thursday bright and brotherly evangelistic services will be held at the Baptist Church at 7.30.

NORTH RANGE

Mr. Hubert Shortliffe has gone to Uncle Sam's domain to seek employment.

Miss Mary A. Thomas, from Barton, spent one week recently, the guest of her friend, Miss Annie M. Bragg. Mr. J. W. Bragg spent a day recently, the guest of his daughter at the Riverside Inn, Bridgetown.

The W.M.A.S. did not meet in January on account of the big storms which prevailed during the month but was held at the home of Mrs. J. V. Andrews, Feb. 1st. We have adopted the Mite box system in our Society.

Mrs. S. McNeill, who has been visiting her sister and other relatives in Weymouth and vicinity during the past few weeks, is at present at the home of Mr. S. Hirtle in Wolfville for an indefinite period.

Mr. and Mrs. J. W. Bragg spent Sunday at the home of Mr. and Mrs. A. O. Trefry in Bloomfield. Mr. Paul Legere, the very enterprising young man who invented the machine for sawing hoop poles, is engaged at present finishing a room in Mr. C. Andrews' house.

Miss Mabel Andrews from Outram, who has spent the past five weeks visiting friends and relatives in this place, returned to her home on Tuesday, the 30th of January. Miss Ena McNeill returned home on Monday from a very pleasant visit in Bridgetown where she had been visiting her sister, Mrs. Chesley Forsythe.

A number of our young men who had been employed in the timber business in Louisburg, C.B., has returned to their home here.

THE FARMERS AND THEIR TROUBLES

Canada is not the only country where the farmers are seeking relief in the form of easier credits. In the United States, in Australia and in other countries where a large portion of the population is engaged in agricultural pursuits there is the same demand for something to offset the economic consequences of the slump in the markets for farm products.

The extent of the depression which the farmer is feeling is the reaction from the prosperity which he experienced some years ago, and economic laws adjust the extent of the swing. But did the farmer keep his house in order? Did he save for the lean years from the fat years? Many did not.

One might well have supposed that in such a period of rising prices the farmers would have reduced indebtedness of all kinds, paid off the mortgage and paid off what might be owing at the bank. On the contrary we find that in the United States farm mortgage indebtedness was very largely increased during this period and bank loans extended. In older parts of Canada there was some disposition to burn the mortgage but in the West the tendency was in the other direction.

Then came the slump. With the decline of market prices on the one hand and high cost of production and expenses on the other, the farmers have suffered—suffered in many cases particularly in the West, in proportion to that of any other country in the world.

C. B. BEERLESS FOR THE WINTER

Cape Breton faces the prospect of a beerless winter as a result of the joint action of the C.N.R. and the supreme court of Nova Scotia. Some time ago Dr. Grant and the provincial and local Social Service Councils appealed to Premier King to stop the importation of liquor from Montreal over the national lines on the ground that it was illegal and that the government roads should themselves set the example of law observance.

Then the N. S. Supreme Court decided that liquor can be seized legally under the Doherty Act at any point on the government lines where it may be found, regardless of whether it has reached its billing destination. As a result of all this, eight cars of beer in the local yards were on Thursday shipped back to Montreal by the C.N.R. authorities, who announce that no more of it will be brought in over their tracks.

"K. K. K." WARNINGS AT NORTH SYDNEY

Sydney.—Evidence of the operations in Cape Breton of the "Ku Klux Klan" or a similar organization is reported in a North Sydney despatch. According to the story, four houses in North Sydney have been placarded with warnings of various kinds. Three of the warnings were issued to alleged wife-beaters and the fourth to a member of an obscure religious organization.

The latter was described as too lazy to work on week days and too religious to work on Sunday, and it was warned that he can expect correction unless he does a little more manual labor, instead of forcing his wife to earn the living for the family. The authorities are at a loss to know whether the affair is the work of practical jokers, or whether the notices come from a real local of the "K. K. K."

NOVA SCOTIA BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

In the Matter of the Application of the Town of Bridgetown For Approval of an Amendment to its Schedule of Rates for Water.

PRESENT: John U. Ross, K. C., Chairman; R. T. MacFeth, K. C., Vice Chairman; P. H. Colpitt, Member.

THIS MATTER having come on before the Board at after hearing the evidence adduced and what was alleged in support of the application and no one appearing in opposition thereto, and the Board having this day filed its decision hereto:

IT IS ORDERED that the schedule of water rates of the Town of Bridgetown be amended by adding the following thereto:

"The above rates shall be due and payable half yearly in equal proportions on the first days of January and July respectively in advance. Interest at the rate of 5 per centum per annum shall be payable on all unpaid accounts after the 15th day of the month in which such accounts became due and payable. This water supply may be turned off at any time after the 15th days of January or July from the premises of any consumer whose water rates are not paid and shall in all cases be turned off in the case of the bill remaining unpaid for 60 days after the rendering of the same."

IT IS FURTHER ORDERED that for the year 1922, the words "1st day of February" shall be substituted for the words "15th day of January."

C. W. N. A. VISIT TO MARITIME PROVINCES

Aforeward has come to hand from the Canadian Weekly Newspaper Association indicating that the contemplated visit to the Maritime Provinces of the members of the Association in June of this year will be much larger than originally expected. Manager Sayles, of Toronto, says that he is in receipt of assurances from members as far west as Vancouver Island and from newspaper men in all the Western Provinces that they make the trip. Ontario and Quebec can be counted upon for two hundred, so that the delegation will be a representative one. The Convention of the Association will be held in Halifax, but the party will visit the important provincial points. On the itinerary, New Glasgow is set down for a day. The special train to arrive here from Halifax in the morning and remain here until late evening, when they will leave for Sydney. The day in New Glasgow will be spent in looking over this town and adjoining towns and our industrial situation. The Press Association is composed of seven hundred members throughout Canada and is a rather important body in that each member has a newspaper at home. In no other way can a community be better advertised than through a visit of these knights of the quill. It is a promised visit that New Glasgow will look forward to with considerable interest. The exact date has not been settled upon, but it will probably be during the latter part of June.

This visit from the Pressman along with the home owners for the "Freeport" celebration, should bring many new faces to Pictou County during the coming Summer. Judging by the notes from absentees in the United States and Western Canada, many ex-Pictouans have in contemplation a visit to the old county in July, 1923. Suggestions for lodgings have been received from wandering sons and daughters in hundreds, of Pictou Co. youngsters, who, looking forward to a return visit, feel it will be most opportune in connection with the proposed celebration.—Eastern Chronicle.

LESSENING THE SPARROW PEST

Those interested in the preparation of the ice at the currier's rink, made an interesting discovery during the week, to the effect that a large sparrow hawk had adopted the rink as its domicile. This strange bird is about the size of a pigeon and was thought to be a pigeon when first sighted, but just at that moment a sparrow flew into the rink and the supposed pigeon gave chase and made short work of the smaller bird. Since then several such scenes have been witnessed, and the only objection raised is when the hawk undertakes to perform the last sad rites upon the English sparrow on the ice. The hawk does not confine its attack within the rink, but makes daily excursions abroad, and one day was observed putting the finishing touches upon a sparrow at the Post Office. A friend phoned the currier inquiring if they knew their canary had escaped, and was at the Post Office, but the currier replied that it had only gone after its mail, so in due course the bird returned to its roost in the tower tells us that it was here during the past two winters and the visits account for the apparent scarcity of the saucy little sparrow. We commended the story to Mr. R. Tuffs, the bird authority of Wolfville, who, we are sure, has no objection to the eradication of the sparrows.—Eastern Chronicle.

A Junior Municipal Council for Moncton is to be formed here shortly, under the direction of the Rotary Club. Meetings are to be held semi-monthly in the City Hall, the purpose being to train boys in citizenship, public speaking, etc.

At a meeting of the Rotary Club the plan was endorsed by the Club, after a committee had tabled their report. This committee was appointed by the Club some time ago after Rev. E. Val Tilton pastor of the Central Methodist Church, had delivered an address before the Club urging some organization to develop the city's youth.

BRITAIN TURNED OUT ALMOST HALF OUTPUT

London.—Great Britain and Ireland launched 235 vessels, totalling about 1,000,000 tons, in 1922, according to Lloyd's annual report, just issued. The tonnage was 500,000 lower than 1921 and represented 41.8 per cent. of the world's output, of which 752,000 was for registration in Great Britain and Ireland and 253,000 for registration for the other British dominions. In other countries, 617 vessels were launched last year, totalling 1,400,000 tons.

HARD TIMES AFFECTING NEWS-PAPERS

Newspapers are feeling the effect of hard times and high prices surely. Last Friday we noticed the disappearance of two weeklies in Ontario. Now we note that the Preston Progress has disappeared from the field of Canadian Journalism. Mark Donald, the proprietor, in the issue of last week, announced the suspension of the paper, which has been issued for thirty-eight years. Another weekly paper has ceased publication this week, namely the Bruce Peninsula News, owing to the increased cost of newspaper for the coming year.

PROF. G. E. SANDERS VISITS THE VALLEY

Among the outside visitors to the Nova Scotia Fruit Growers' Association was G. E. Sanders, former entomologist in charge of the Foundation Entomological Laboratory at Annapolis Royal, and now General Manager of the Deloro Chemical Company, Ltd., Deloro, Ontario. Mr. Sanders is now interested in the manufacture of one of the new formula copper dusts which promise to still further reduce the cost of dusting material to farmers and fruit growers. It will be remembered that Mr. Sanders was the inventor of the copper arsenite dust which for the past four years has been the most popular dusting material in the Annapolis Valley. Addressing the meeting Mr. Sanders stated that in New York Horticultural Society meeting one week previous that at least twenty-five of the largest fruit growers in New York State had spoken in a discussion on dusting and had fully endorsed what in New York State is termed "Sanders' Dust" in preference to Sulphur Dust, being lower in cost, more efficient and more pleasant to work with. Mr. Sanders' newest copper dust of the same formula is about two cents lower in price than the original copper arsenite dust on account of coal being eliminated in the manufacture. After having devised two widely used spray materials and four widely used dusting materials he is of the opinion that his green copper dust formula was the biggest find possible. However, after a year in the South he found that cotton, while only one and one-half per cent. is dusted is already using more dusting material than all other farm crops in the United States combined and there is a prospect of around thirty per cent. of the cotton being dusted in the near future as a bell weevil is now taking on the aspect of a national menace. Calcium Arsenite is the one material used on cotton.

After a long series of experiments Mr. Sanders has perfected a new calcium arsenite or arsenate of lime that is more staple than the old sticks not only better than the old, but is superior to lead arsenate in that regard and in addition lowers the cost of manufacturing about five and a half cents per pound.

Mr. Sanders is looking for a big future for this new product. He is in the Valley at present visiting some of the largest fruit growers and talking over the merits of his new formula.—Western Chronicle.

Deloro Brown Copper Arsenic Dust

Price to Grower \$4.75 per 100 lbs.

"Made at the Mouth of the Mine"

DELORO ARSENATE of Lime which is used in the compounding of this dust has been proved by actual tests on glass to be more ADHESIVE than either LEAD ARSENATE or CALCIUM ARSENATE. It has also been proven FIVE TIMES as stable as the grades of Calcium Arsenate. In addition it contains LESS SOLUBLE ARSENIC than ordinary Lead Arsenate.

The Copper Sulphate in the new dust is in the combined form and not in the free state, as in the mixed dusts heretofore used, thus making it ABSOLUTELY SAFE on foliage under ALL CONDITIONS.

Growers who have a knowledge of chemistry will therefore realize that Deloro Brown Dust is a better sticker than the old dust could possibly be, even when mixed with lead arsenate.

Experiments at Cornell in 1922 with Copper Dust made by Deloro process showed it to be a better floating dust than any other dust heretofore produced.

Remember THIS DUST HAS EXACTLY THE SAME ANALYSIS AS THE BLUE COPPER ARSENIC DUST and is made by a chemical plant today controlling one fifth of the world's supply of arsenic and manufactured under the supervision of chemists with the analysis stamped and guaranteed on every bag leaving the plant.

Use Brown Copper Arsenic Dust for all but the calyx or after blossom application on apples, when Sulphur Lead Arsenate Dust should be used, in order to avoid fruit russeting.

The results obtained by growers and not the opinions of scientists or competitors made Blue Copper Arsenic Dust a success in Nova Scotia in 1919. The results obtained by growers did the same in New York State in 1922. We expect the results by growers and not the opinions of our competitors to put Deloro Brown Copper Arsenic Dust over in 1923.

A full line of 90-10 Sulphur Lead Arsenate, Nicotine Dust, Lead Arsenate, Arsenate of Lime, Green Potash Dust, Wettable Sulphur, Nicotine Sulphate, etc.

Local Happenings

Next Wednesday is "Ash-Wednesday", the first day of Lent.

The St. James' Church Organized Bible Class are holding the last of the series of social gatherings arranged under their auspices this Wednesday evening in their school room from 7.30 to 10.

There is still an opportunity for some enthusiastic young men to join the Bridgetown band. This move will do the band good and do you good.

A party of High School students of both sexes engaged a pleasant sleighing party on Thursday night driving to the home of Mr. and Mrs. W. R. Miller, where they were royally entertained. Music, games and social intercourse followed by dainty refreshments passed the evening very much to the enjoyment of all present.

The Bridgetown ladies hockey team will cross sticks here on Friday night with the Middleton ladies who are reported to be a fast good shooting aggregation. A lively game full of thrills is expected and Bridgetown band will discourse an excellent programme of music.

The Ladies' Institute at their meeting last week took up the discussion of "Home Economics" and many useful hints were given in matters of domestic economy and also the best ways of making husbands really useful in the home. The discussion ended with a dainty repast at which Mrs. (Dr.) M. E. Armstrong, Mrs. E. A. Hicks and Mrs. Eugene Troop were hostesses.

REV. C. W. ROBBINS AND MRS. ROBBINS LEAVE FOR THE U. S.

Rev. C. W. Robbins, Mrs. Robbins and family left on Friday last for Boston. Mr. Robbins will, it is understood, take a course at Newton before assuming a pastorate. During their stay both were most active Christian workers and Mr. Robbins' relations with the other clergymen of the town were always cordially cooperative. Mr. Robbins delivered many excellent discourses during his year here and was an enthusiastic worker in the various departments of church life. Both he and Mrs. Robbins will be much missed in the community and the best of good wishes go forth for their future happiness and well being.

BENEFIT NIGHT FOR BRIDGETOWN BAND

Big Carnival, Skating And Novelty Races on Feb. 11th.
On Feb. 14th "Valentine Day" there is to be a big programme put on in the evening on the Bridgetown rink. A Fancy Dress and Calisthumpian Carnival and as an added attraction a series of skating races with a barrel race and other novelty features. There will be a mile race open, also half mile for boys and a half mile for girls. Suitable medals will be offered as prizes on these events and entries is expected from outside town skaters as well as from the local speed artists. The night is a "Benefit for the Bridgetown Band". A splendid evening's sport is certain and patrons, besides getting great value for their money, will have the knowledge that the "silver" will be well placed in assisting the new band which has been so successfully formed, and spending its time freely in the public interest and ever in this instance is asking for only a bumper house with value full and running over for the admission fee.

ST. CROIX COVE

Mrs. Ada Risteau, of Central Clarence, spent last week with her sister, Mrs. Wm. C. Hall.
Owing to the great depth of snow in the woods Mr. Hartley W. Brinton, who has been engaged chopping in Clarence, is spending an indefinite time at the home of his parents.
Mr. and Mrs. Johnson Beardley and son Freeman, of Port Lorne, were recent visitors at the home of her parents, Mr. and Mrs. Z. Hall.
Mr. T. S. Brinton left a fortnight ago for Lynn, Mass.
Mr. and Mrs. Fred Charlton and baby Laurie, of Mt. Rose, spent the 28th ult. at the home of her parents, Mr. and Mrs. R. Marshall.
Mrs. Naomi Banks has been visiting at the home of her brother, Mr. Adelbert Johnson, of Mount Rose.
Mr. and Mrs. Rowland Healy received word from their sons, Malcolm and Oscar, that they had enlisted in the United States army for three years.

St. John.—Word was received here from the Cunard Line headquarters in Liverpool that the Soviet government had given permission to the Cunard Line to open an office in Khar'kov, the capital of Ukraine, to arrange transportation by its steamers to and from Soviet Russia. This is the first such office to be opened in the Ukrainian capital since the war.

GRADE XII DEFEATED GRADE IX IN H. S. LEAGUE

Another game of the Bridgetown High School League was played Saturday morning when Grade XI defeated Grade IX by the score of 6-2. Though the ice was not as good as could be desired, the teams put up a fine game.
Grade X was a little slower in the first period than their opponents and broke through, putting two goals by Chute in quite quick succession.
In the second period Grade X scored their only goal and Grade XI headed another.
The third period was the best and tightest part of the game, and though a number of rushes were begun by both teams, they were promptly checked before the players came within range of the nets.

The line-up was as follows:

Grade X:	Goal	Grade XI:
R. Chute	O. Ramsey	
H. Price	Defence	O. Armstrong
J. Dand	H. Mack	
J. Todd	Forwards	A. Price
T. Beattie		E. Orlanda
