CITY OF ST. CUNEGONDE OF MONTREAL.

A city adjoining the city limits of Montreal, district of Montreal. This municipality is governed by a mayor and corporation. The corporation purchased the old St. Jude's Church, which they have converted into a handsome town hall with commodious offices and court room, fire station and a large hall, for public meetings as well as a private residence for the Chief of Police. The Jacques Cartier Bank has also opened a branch in the building, with Mr. G. N. Ducharme as manager. The Post office has been lately transported into the Hall. The city contains two churches: one Roman Catholic and one Protestant; two convents, one under the St. Ann's sisters and one under the control of the school commissioners; an asylum under the supervision of the Grey Nuns; one college, and two schools—one Protestant and one Catholic. It possesses some extensive industries, the most important of which are the Montreal Rolling mills, the Mona Saw mills, Davidson's Stamping works, Luttrell's cracker factory, Findlay's foundry, Henault Ice house, Robert Mitchell's Brass foundry, Leroux's Ice house, T. (Incorporated in 1872.)

A town on the River St Lawrence and Island of Montreal (parish of Les Saintes Anges), seigniorly of Montreal Island, county of Jacques Cartier, district of Montreal. It is the summer residence of many Montrealers, and has become famous by its annual regattas. Sportsmen meet there daily at the Lachine Boating club, and at the Bel-Air Mansion, Upper Lachine or Dorval. A wealthy company has undertaken to make the Bel-Air race course one of the best in America. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the Upper, and in by the Lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery, an extensive sawmill, Dominion wire works, wire rope and screw factory, Montreal car wheel and pipe foundries, and the works of the Dominion Bridge Co.; has good local business and extensive lumber trade. The Grand Trunk Railway use several trains a day to Montreal. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Great North-Western Telegraph Co. have offices here, also a fire alarm system and a complete system of water works. Distant from Montreal 9 miles, fare 40c., 25c., and 12½c. Mail twice a day. Population about 3,800 and of parish 1311.

LAPRAIRIE.

An extensive municipal village and parish of the south shore of the River St. Lawrence, between the Lachine rapids and Victoria bridge, district of Montreal, seigniorly and county of the same name. Incorporated March 30, 1846. The parish was erected on the 17th November, 1870. A market is open every day. An aqueduct is constructed. The first railway in British North America was constructed from here to St. Johns in 1836. It was first worked with horses, afterwards by steam, but was discontinued, and the rails taken up a number of years ago. A steamboat maintains regular communication between Montreal and Laprairie. A branch of the Grand Trunk Railway, starting at Fort Covington, in the State of New York, to reach the Victoria bridge, now runs twice a day in close proximity to the village, with a good station and depot, and contributes materially to the future development of the locality, which is considered a very healthy and pleasant summer place. There is also a fire station, thoroughly supplied with new fire apparatus, such as a fire engine and hook and ladders. Fishing and hunting is also largely practised. A new billiard room has been organized. A permanent wharf has been erected, and will be much improved during

the present summer. A new channel is also partly made up. The aqueduct is now giving a very good service to the village, and the work of putting up pipes is being done very rapidly in the different streets. The pressure of water in case of fire is also very powerful, as the water is drawn by steam and air pressure, which brings it at a distance of 1,350 feet, from the St. Lawrence river. The premiums upon insurances have also been greatly reduced on account of the recent ameliorations to the fire system apparatus. Great North-Western Telegraph Company has an office here. Distant from Montreal, 9 miles, fare 15 cts.; from St. Johns 18 miles. Mail daily. Population of village about 1,800; of parish 2,200.

Registration of Letters.—Persons posting letters containing value should be careful to require them to be registered, and to obtain from the postmaster a certificate of registration.

The charge for registration (use registration stamp), in addition to the postage, is, on all classes of matter, five cts. Both the postage charge and registration fee must, in all cases, be prepaid by stamp.

Registered letter stamps have been issued of the denomination of 5 cents, which may be obtained at any Stamp Agency.

Registration stamps cannot be used in payment of postage.

Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced where an unregistered letter cannot, and the posting and delivery; or non-delivery can be proven.

Book Post, etc.—A book packet may contain any number of separate books, publications, works of literature or

art, maps or prints, photographs, daguerreotypes when not on glass, or in frames containing glass; and the books, maps, etc., may be either written, printed or plain, or any mixture of the three, provided that no letter be enclosed or any writing intended to serve the purpose of a letter; and may be either British, Colonial or Foreign. Limit of weight for domestic post, 5 lbs.; for foreign post, 4 lbs. Limit of size, 2 feet in length, 1 foot in width or depth.

Book packets must be open at both ends or both sides, and must not contain any letter or sealed inclosure.

The rate on book packets between any two places in Canada is 1 cent per 4 oz., which must be prepaid by stamps.

The rate to Great Britain, the United States and Newfoundland is 1 cent per 2 oz.

Miscellaneous Matter.—Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of a rate of 1 cent per 4 oz. The limit of weight is 5 lbs. The regulations of the British Post-Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom by book post.

1. On all books, pamphlets, occasional publications, printed circulars, prices current, handbills, and other matter wholly in print, and on packages of seeds, cuttings, bulbs, roots, scions or grafts, patterns or samples of goods or merchandise, the rate of postage is one cent for each four ounces or fraction thereof.

2. On book and newspaper manuscripts, printers' proof sheets, whether corrected or not, maps, prints, drawings, engravings, lithographs, photographs when not on glass or in cases containing glass; sheet music, whether printed or written; documents partly printed or written, not being letters, or intended to serve the purpose of letters,—such as deeds, insurance policies, militia and school returns, or other documents of like nature,—and on all other miscellaneous matter transmissible by post, and not otherwise herein expressly provided for, the rate of postage is one cent for each two ounces or fraction of two ounces; and the postage rate must in every case be prepaid by postage stamps, or stamped post bands or wrappers; provided that no letter or other communication intended to serve the purpose of a letter be sent or enclosed in any such package or thing mentioned, and that the same be sent in covers open at the ends or sides, or otherwise so put up as to admit of the contents being, if necessary, easily withdrawn for examination by the officers of the Post Office, to ensure compliance, with this provision (if enclosed in sealed envelopes notched at the ends or sides, or with the corners cut off, letter rate of postage will be charged); and that the postage rate be prepaid by postage stamps or stamped post bands or wrappers in all cases. Limit of weight, 5 lbs.

No packet of miscellaneous matter can be transmitted by mail if it exceed 24 inches in length or 12 inches in width or depth.

Legal and commercial papers generally (including bank pass-books) are liable to letter rate of postage, except when sent as parcels by parcel post, and the exceptions above given to matter of that class are restricted to the documents specified, such as deeds and insurance policies.

Newspapers and Periodicals.—Newspapers and periodicals printed and published in Canada, and issued not less frequently than once a month from a known office of publication or news agency, and addressed and posted to and from the same for transmission by mail to regular subscribers or news agents in Canada and the United States, are sent free; if addressed to Great Britain, they may be posted by the same on prepayment of a rate of one cent for each pound weight in bulk, or fraction of a pound; and such newspapers and periodicals are to be put up into packages delivered into the Post Office, and the postage rate thereon prepaid by the publisher or news agent, being the sender thereof, under such regulations as the Postmaster-general may from time to time make.

To Newfoundland rate is one cent per four ounces. On all newspapers and periodicals posted in Canada, other than those addressed to regular subscribers or news agents, and bona fide specimen copies, from office of publication or news agency, including all newspapers and periodicals published less frequently than once a month, the rate will be one cent per 4 oz., to be invariably prepaid by postage stamp.

Newspapers and periodicals weighing less than 1 oz. each may be posted singly, if prepaid by postage stamp 1/2 cent each.

The postage on specimen newspapers is one cent per lb. Transient Newspapers.—"Transient newspapers and periodicals" include all newspapers and periodicals posted

in Canada, other than Canada newspapers sent from the office of publication, and other than British newspapers posted by news agents for regular subscribers in Canada. When addressed to any place within the Dominion, or the United States, they must be prepaid the following rates by postage stamp:—

If weighing less than 1 oz., half a cent each.
If weighing over 1 oz., one cent per four oz., or fraction of four oz.

Newfoundland.—Postal Union rates (5c. per ½ oz. for Letters and 1c. per 2 oz. for Transient papers) and general regulations apply to matter for Newfoundland. Exception:—Newspapers from publishers in Canada, not over 4 oz. in weight, addressed to subscribers in Newfoundland, may pass prepaid 1c. each.

On transient newspapers addressed to the United Kingdom, one cent per 2 oz.—to be prepaid by postage stamp. Canada newspapers posted from the office of publication to subscribers in the United Kingdom, if to be sent in the mails forwarded via New York, must be prepaid by postage stamp at the transient paper rate of one cent per 2 oz.; but if sent by Canada Packet, such papers may pass, as now, on repayment by the publisher at the rate of one cent per pound. All newspapers and periodicals prepaid at the bulk rate of 1 cent per lb. must be stamped "Prepaid by Publisher" at the Post Office where the newspaper or periodical is mailed. The English post office requires each newspaper or periodical to be stamped. If sent in packages the English Post Office declines to accept them.

Patterns and Samples within the Dominion.—Patterns and samples of merchandise and goods for sale, not exceeding 24 oz. in weight, may be posted, in Canada, for any place within the Dominion, on prepayment, by postage stamp, at 1 cent per 4 oz.

Insufficiently paid patterns or samples are charged double the deficient postage, if deficiency does not exceed 5c.

Registration fee on packages of samples and patterns, for any place in Canada, 5c. in addition to the postage rate.

Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, etc., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

The packet may bear on the outside the address of the sender, in addition to the address of the person for whom it may be intended, and also a trade mark or number, and the price of the sample enclosed; inside, there must be no enclosure but the samples or patterns themselves. The particulars, however, of the trade marks, numbers and prices may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

Goods sent for sale or in execution of an order, however small the quantity may be, or any article sent by one private individual to another, which are not actually trade patterns or samples, are not admissible.

United Kingdom and United States.—Patterns and samples of merchandise, when addressed to the United Kingdom and United States, must not exceed 8 oz. in weight, and must be prepaid by postage stamp at the following rates:—1 cent per 2 oz., with a minimum prepayment of 2 cents covering a weight of 4 oz.

Useful Hints.—Register all valuable letters. Transmit money by money orders. Make complaints and inquiries in writing, and address the Postmaster-General at Ottawa. Preserve, and request correspondents to preserve, envelopes of missent or delayed letters. Send to the Postmaster-General envelopes of letters about which you seek information or make complaint. In addressing letters, add the name of the county and province in which the office addressed is located. Place stamp on the right hand upper corner of the address side. Put your own name and full address in or on letter, to ensure return, if it cannot be delivered.

Parcel Post.—The charge on parcels by the Parcel Post to places within the Dominion is 6 cents for every 4 oz. or fraction thereof (with 5 cents additional if registered). No letter must be inclosed; if any discovered, the amount paid will be forfeited, and the parcel charged at unpaid letter rates. No parcel must exceed 5 lbs. in weight, and must be prepaid by stamps.

Eye-glasses and spectacles may be sent by mail when properly put up and prepaid by Parcel Post.

Parcel Post with the United Kingdom and Newfoundland.—An arrangement has been entered into with the Post Office of the United Kingdom and Newfoundland

for a parcel post, under which closed parcels not exceeding 5 lbs. in weight may be posted in the United Kingdom and Newfoundland, when addressed for delivery at certain post offices in Canada, and may in like manner be posted at those Canadian post offices for destination in the United Kingdom and Newfoundland.

The parcels exchanged with the United Kingdom will pass exclusively in the weekly mails conveyed by the Canadian Steamers to and from the St Lawrence in summer and Halifax in winter, and such parcels cannot be sent via New York.

The parcel post with the United Kingdom and Newfoundland will be governed by the following regulations:—

1. A parcel must not exceed 5 lbs. in weight.

2. The dimensions of a parcel must not exceed 2 feet in length by 1 foot in width or depth.

3. A parcel must not contain any explosive, combustible or dangerous article, nor any article of a perishable or fragile character, nor liquids or matters likely to injure other parcels or mail transmissions.

4. All parcels must be securely and substantially packed and closed.

5. Each parcel must be plainly directed, and such direction must include the name and full address of the person for whom the parcel is intended.

6. For each parcel the sender must fill up a Customs Declaration. On this form the sender will supply an accurate statement of the contents and value of the parcel, also the address thereof, with signature, and place of abode of the sender. The customs declaration must be securely affixed by mucilage or paste to the parcel to which it relates.

Parcels from the United Kingdom will be liable to Canadian Custom duties, and under existing regulations must be examined for the purpose by an officer of the Customs in the presence of the persons addressed.

Parcel Post Charge.—All the Dominion, 25 cents per pound or fraction of a pound.

Fifth Class Matter.—Postage rate one cent per ounce or fraction of an ounce, to be prepaid by postage stamp. Miscellaneous articles of merchandise, including seeds, bulbs, etc., to United States, and generally all matter permitted to pass by mail in Canada, which is not of the nature of a letter, and therefore subject to letter rate of postage, and not entitled to be posted at a lower rate than 5th class under one or the other classes, may pass as 5th class when addressed to any destination within the Dominion or United States. Fifth class matter must be so packed or put up as to be opened on examination of contents, and must not exceed 4 pounds in weight, nor 2 feet in length by one foot in width or depth. When passing between Canada and the United States it will be subject to Customs regulations if liable to duty. The registration charge on 5th class matter is 5 cents in addition to postage.

Money Orders.—In sending money by mail it is always best to transmit by money order, if possible.

Commission on Money Orders.—On money drawn by any money order office in Canada on any other money order office in the Dominion, the commission is as follows:—

If not exceeding	\$ 4	2	cents

The total number of patients attended during the past year was 13,232. Average cost of each patient twelve cents. All who desire to obtain better personal knowledge of the necessity for such institutions, their practical benefit to the sick poor, and their claims on the liberality of our citizens, are invited to visit the Dispensary during the Physicians' visiting hours on any day (except Sunday), and judge for themselves.

This institution furnishes medical and surgical aid and medicines to the sick poor of every nationality and religion in Montreal.

The attending physicians visit at their own homes those who are unable to come to the Dispensary and too poor to pay.

In restoring to health, it restores to many their only means of support, and thus prevents poverty, pauperism and crime.

It is dependent, chiefly, upon voluntary contributions for its support.
