The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "À SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

No. 34

PRIVATE.

Ryerson Memorial Fund.

DEAR SIR,

In the Spring of this year I sent to you, through the local Public School Inspector, a Circular of Appeal, a Subscription List, and other papers, from the General Committee of the Ryerson Memorial Fund. I did so with a view to interest you in the matter, and to solicit you to take up any contribution which might be given in your school towards the praiseworthy object of erecting a Statue, or other Memorial, to the late Dr. Ryerson.

I now write this private note with a view to enlist your personal sympathy and kind co-operation in this praiseworthy object. A simple method of responding to the Appeal suggests itself to me:— If you feel interested in the matter you might give notice that in the following week you would devote *five minutes* at noon of each day to taking down a list of contributions (from a cent upwards) to the Fund, from any who might be disposed to give.

In this way the pupils—and every one in the locality, through the children—would have an opportunity of contributing his or her mite to the erection of a Statue to one of Canada's most useful and most honoured sons.

Believe me, very sincerely,

Your friend and fellow-labourer,

JAMES L. HUGHES,

JAMES CARLYLE,

Joint Secretaries.

J. GEORGE HODGINS,

Chairman of the General Committee.

TORONTO, 27th December, 1882.

To the Teacher of the R. C. Separate School.
