The law against the Press passed the Assembly on Monday by a majority of 127. The Bill has undergone many alterations. Its chief features are:—The caution movey is enormaticly incrussed an all newspapers, but the are: The castion movey is enormously incrused —stamps are imposed on all newspapers, but the Paris journals are move heavily stamped than Provincial—the increase in price of newspapers thus caused being about £60 —every newspaper article must be signed by the name of the writer; in other words, the anonymous Press is destroyed. One of the peculiarities, as regards the stamp to be siffixed in future, is that newspapers which publish a tale, skeleh, or story, will have to pay one centime-dearer stamp.

A good deal of excitement arose in the Assrm-

A good deal of excitement arose in the Assembly in consequence of an abusive article directed at the Assembly in the Journal Powoir, which is considered the President's organ. Giardin defended the Editor, who was subsequently summoned before the House, and fined 5000 francs, by a majority of 275 to 119.
From the statement of Mr. Fould, the Finance Minister, it appears that the deficit for 1850 would be 12,000,000 francs, which, added to the deficit of 1818 and 1848, would leave a general deficiency on the three years of 575,000,000 francs. He stated that the improvement this year had been imagence; never was the collection of the direct taxes more easily effected.
The export of goods of Parisian manufacture exceeded the corresponding period last year by 14,000,000 francs. In Lyons the improvement was not less marked, and the number of unemployed operatives, had diminished by two-thirds. The movement in navigation had also considerably increased. MONTREAL,

WOULD respectfully eall public atte WOULD respectfully call public attention to the large and complete assortment of Rosewood and Mahogany PIANO-FORTES, which he is now offering for Sale at his WARE-ROOMS; they consist of the Harmonic, Grand Square and Cottage Style, six, six and a half, and seven Octaves, with Metallic Frames.

These Instruments being of his own manufacture, he has no hesitation in saying that in brilliancy and volume of tone, durability of workmanship, and excellence of fanish, they are inferior to some imported into this Province.

manship, and excellence of finish, they are inferior to some imported into this Province.

From greatly increased facilities for manufacturing, he begs leave to state that the above instruments will be Sold at a great reduction from former prices; and that all orders for Pianos, Charch, Parlour Reed Organs, Æolophons, and Harmonicons, of any size and capacity, will be executed with promptness, and warranted to give entire satisfaction. He has just finished a few beautiful and fine-toned Melodeons, in Rosewood and Mahogany Cases, from four, four and a half, to five Octaves—to the inspection of which he would invite the Musical Conneisseurs of Montreal.

S. R. W. invites those who are in want of such Instruments, to call and examine the quality and price of the above before purchasing elsewhere. June 14, 1850.

Tright, industrious, persevering, PRACTICAL FARMER; one who can be well recommended in every way, to take charge of a Farm for a term of years, on Shares.

The Farm is within Six Miles of a Depot of the St. Lawrence and Atlantic Bailroad, which will be completed thus far in a short time—there being an excellent Stage Road from the Depot, it will require less than six hours easy travel to reach Montreal. The Farm consists of 125 acres, about 75 of which are cleared excellent Wheat and Grass Lands, particularly adapted to Grazing and Dairy purposes, to which the proprietor wishes it to be converted as much as possible.

To a Farmer who can produce suitable recommendations, and furnish a small amount of capital, to invest in additional Stock, the present offers a good opportunity of securing a comfortable and permanent home, as it is the desire and intention of the proprietor to make it equally the interest of both parties, to render the establishment as productive and profitable as possible.
