This Company has been organized by prominent Temperance and Business Men on the basis of **The United Kingdom Temperance and General Provident Institution of Britain,** one of the most successful of British Companies, whose experience for the last twenty years was

NEARLY THIRTY PER CENT. IN FAVOR OF TOTAL ABSTAINERS

over their General Class. Their experience for the last five years shows that the profits in the Temperance Section were **Fifty per Cent.** more than in the General.

The Manager of the Whittington Life Assurance Company of England says that the death claims in six years had been **21½ per 1,000 in their Temperance Branch, against 50½ per 1,000 in their General Branch.**

The experience of **The Sceptre Life Assurance Company** for the last ten years shows that the deaths in their Total Abstinance Branch were **more than Twenty-five per Cent. in favor of that Class** over Moderate Drinkers insured in the Company.

PREFACE.

The publishers in presenting the fourth edition of their Business and Farmers' Directory for the counties of Dundas, Glengarry, Grenville, Leeds, Prescott & Stormont, have endeavored to merit the approval of the public by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village, with post office, lot and concession, a complete list of towns, with the business people alphabetically arranged; also a separate list of business people, classified with reference to their business. The whole combined making one of the most complete directories ever published.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support.

We remain

Respectfully yours,

UNION PUBLISHING CO. OF INGERSOLL,

Publishers,

INGERSOLL.
